## Swim Classes Set For Somerset Pool

Swimming classes are to be held again this year at the Somerset pool for children in Rockcastle County July 22 to Aug. 2.

The classes are again sponsored by the Mt. Vernon Meridian Woman's Club and are for children between eight and 17.

The first 44 children to sign for the classes will be allowed to go. The classes are held during the morning under the direction of American Red Cross swimming instructors.

A bus owned and operated by Virgil Brock, of Brodhead, will leave from Main Street at Brodhead at 8 a. m. and from the park near the railroad station at Mt. Vernon at 8:30 a. m., each day Monday through Friday. Two members of the club will go with the children each day.

The children will be taught beginning and advanced swimming. They will be required to bring a bathing suit and towel. Cost of the entire 10 classes including transportation will be \$1.75. They will be back home by noon.

Youngsters who wish to go must sign up July 12 or July 19, at the Kentucky Utilities office between 10 a. m. and 11 a. m. or between 2 p. m. and 3 p. m.

Last year children from Brodhead, Conway, and along KY 461 attended the classes.

Mrs. Jack Henderson and Mrs. Earl Watkins have further details on the swimming course.

## Auto Wreck Injures Five At Livingston

Five persons were treated Friday afternoon for injuries received in a collision of two autos near Livingston.

Treated at Rockcastle County Baptist Hospital at Mt. Vernon and then sent to Lexington for further treatment were: Mrs. Margaret Kliner, 54, of Germany, a visitor at Barberton, Ohio; Klinker's daughter, Mrs. Sigrid Haller, 26, of Barberton.

Kurt Haller, husband of Mrs. Haller, at last report was in good condition at Rockcastle County Baptist Hospital.

Also treated at the hospital were three occupants in the other auto: Walter Barry, 22, Lynch; Ernest Warren, 21, Coalport; and Charles A. Harris, 22, of Harlan. Two others in the auto were uninjured. The five in the Kentucky car were all students at Eastern State College, Richmond.

## Road Bonds Get Court OK

Kentucky's proposed \$100,000,000 bond issue to help finance a huge road-building program has won approval of the Court Appellate today.

The State's highest court recently upheld validity of the bond issue in a 6 to 1 decision. The proposal had been approved by Kentucky voters last November by a margin of nearly 6 to 1—511,656 to 85,635.

Gov. A. B. Chandler declared after the appellate court decision that "this is a momentous thing, with far-reaching effects." He had recommended and the 1956 Legislature had submitted the proposal for the vote last fall.

The governor expressed belief the State would be able to sell some of the bonds when offered in the bond market. The bonds would be sold in blocks of at least \$5,000,000, under the law, as needed to match federal money for highway and bridge construction.

"Proceeds from the bonds could be used only for this federal aid money. But, highway officials said, use of the bond money for this purpose would free state road funds which otherwise would have to be earmarked for matching federal aid. These released funds then could be used to speed up other road construction."

The court held the bonds, which would be general obligations of the state, must be limited by 3 percent interest. They must be retired in 30 years, at the most.

Federal aid is at the rate of 50 federal cents to \$1 in state funds for construction of Kentucky's 641-mile portion of the interstate system of national defense highways and at a rate of \$1 for \$1 for aid in building primary and rural secondary roads.

## U.S.—Bulwark of Freedom

**BIRTHDAY OF A FREE NATION** as the Declaration of Independence was presented to Congress in 1776. Contrary to popular belief, this historic document was not signed by Congress on July 4. Instead, the Act by which the original 13 states broke colonial allegiance to Great Britain was approved by Congress July 2, proclaimed on July 4th, and signed at various times up to Nov. 4.

**SYMBOL OF HUMAN RIGHTS and freedom, the Liberty Bell in Independence Hall rang out at every festival and anniversary, and 7,000 acres of public parks including the Mall shown here, are dedicated to the memory of the nation's birth in 1776.**

**BIRTHPLACE OF OUR NATION** was Independence Hall, Philadelphia, where Continental Congress met, and the Declaration of Independence adopted and proclaimed. Washington appointed Commander-in-Chief, and U.S. Constitution framed.

**OUR NATION'S CAPITOL**, moved from Philadelphia to banks of the Potomac in 1800, today is a majestic city, nerve center of a great country, and the hope of freedom-loving people everywhere. The capitol dome, sprawling office buildings, monuments, memorials, and 7,000 acres of public parks including the Mall shown here, are familiar sights to countless Washington visitors.

# SHOP at HOME

There are many reasons why it's smart to shop in your Home Community Shopping Center . . .  
 Most important, of course, are the "Dividends" you earn when you patronize your local merchants . . .  
 By shopping at home, you are saving in dollars and time and helping to establish a better community.

**1** Yes, you are actually doing your part in building and bettering your own home community — BECAUSE . . . a part of every dollar you spend with your local merchants goes toward the improvement necessary in any community. The taxes your local merchant must pay go into the building of better schools, employment and enjoyment centers . . . so do your civic duty . . . and do yourself a favor . . . by buying at your nearest home shopping center.

**2** "A ROLLING STONE GATHERS NO MOSS" . . . And a traveling shopper actually takes a loss . . . when counting up the money spent on gas or bus fare . . . the time lost in looking in a strange and far-away shopping center . . . and the inconveniences when shopping away from home. The stores in your own community are devoting their time and effort toward making your buying more beneficial. Shopping with your local merchants is "visiting with your neighbors" . . . DON'T ROAM! SHOP AT HOME!"

**3** FAIR PRICES . . . GOOD SERVICE . . . COMFORT AND CONVENIENCE AWAIT YOU . . . RIGHT IN YOUR OWN BACKYARD!"

A "low, low" price you pay . . . many miles away does not necessarily make for bargains! The real value-wise shopper knows that a bargain means top quality, recognized brands and above all, the reputation of a reliable dealer to back it up! . . . And that's exactly what you get when you shop with your local merchants . . . They have displayed their trust in you by locating in your neighborhood . . . they are the first to recognize your needs, your taste and the limitations of your budget. Your local merchants want your business and welcome your patronage, with the friendly helpful service of the neighborhood! . . . So for the best buy — always shop nearby!
