weed-Free Tobacco Beds

Here's how to do it. Sprinkle VAPAM on your seed beds now. In the next 30 days it kills all those weeds and grasses, germinating weed seeds, soil fungi and those invisible nematodes. Come seeding time you have the healthiest soil in the state! You get more seedlings per square yard - up to twice as many. And only a few - if any! - weeds. Your seedlings are really strong and vigorous. You can transplant fast for the best crop you've ever seen.

Result is hundreds of dollars saved in back-breaking work and weeding costs. Yet VAPAM costs only a penny per square foot. Make more profit next year! Don't share your crop with weeds and soil borne diseases. Put VAPAM on your seed beds now. No special equipment needed. It's so easy and safe to sprinkle on. You get stronger seedlings, weed control and more profit. Do it now for best results. Approved by the Department of Agriculture for all food and fiber crops.

Though most of the candidates are on the county-official ballot in the Nov. 5 election, the three cities in Rockcastle have their share of candidates.

Largest number, and probably the groups which will develop into the closest race, are on the Mt. Vernon ballot. There are 19 candidates for six council offices, the office of police judge and the office of mayor.

Leading the Mt. Vernon ticket is the mayor's race between Carl Brown and Conrad Parrett, both former councilmen. Both were elected to the council but both resigned from the council during their term.

The police judge race has developed into a five-way battle. The candidates are: Larney Durham, Millie Swinney, William Southard, W. Anglin, and W. R. Gott.

There are 12 candidates for councilmen. Six candidates are elected. Voters may choose any six from either slate. A voter does not have to choose from one slate. The two parties are the "Fair Play Party" and the "Community Progress Party."

The 12 candidates are: Clyde Payne, Lesse Cummins, Floyd Owens, Bill Bailey, Clyde Shivel, Roy Winstead, Warren C. Ferguson, Everett Chaney, Clotis Baker, Jack St. Clair, Dr. Rudolph Burdette and Bob Jasper.

Brodhead Twelve candidates are on the ballot at Brodhead. They are: Police Judge, E. C. Watson; Council, Willis W. Proctor, Parrett, W. E. Dillingham, C. B. Russell, W. S. Cass, Millard Robbins, John Sowder.

Brodhead voters choose the police judge and five councilmen.

RECEIVING A CHECK for \$100 from Bradley Saylor, head of the Rockcastle County Farm Bureau, is members of Brodhead's FFA Dairy Judging team, that placed first in the Mid-South Fair contest at Memphis, Tenn. Left to right are Charles Denver Burton, James Powell, Jimmy Payne, Byron M. Owens, Cleidith Thacker, and Robert Thompson, instructor.

Brodhead FFA Dairy Team Wins 4-State Judging Award

The Brodhead Future Farmers of America dairy-judging team captured first place honors in the Mid-South Fair Contest at Memphis, Tenn., Monday.

Mississippi was second in the judging; Tennessee, third; and Missouri, fourth. Charles Denver Burton of the Brodhead team was the highest scorer in the contest. Jimmy Payne and James Powell, other members of the team, tied for third highest individual score in the contest.

Byron M. Owens, Brodhead, defeated competition from Missouri, Tennessee and Mississippi to win the dairy showmanship contest.

The winning of the contest was indeed a feather in the hat of Brodhead FFA students. For several years they have come near winning high state honors. They are coached by Robert Thompson and Odus Woolam.

On Sept. 12, the Brodhead judging team placed second in the contest held at the Kentucky State Fair. The first place winner was Simpsonville with 821 points out of a possible 900 points. Brodhead received 816 points in that contest and went on to Memphis.

According to Mr. Thompson, the FFA chapter greatly appreciates the generous support of the Rockcastle Farm Bureau and the assistance the Bureau has given the chapters in the county. The Farm Bureau members, both individually and as an organization, have given a great deal to encouragement and help to the Future Farmers of our county, he said.

To help pay expenses of the team in the Mid-South judging contest, the Farm Bureau of Rockcastle, presented a check for \$100 to the Brodhead dairy judging team.

The Brodhead chapter has 105 members this year and is under the leadership of student, Cleidith Thacker.

Farm Bureau Women Meet At Stanford

Farm Bureau women of the eighth district met with the district chairman, Mrs. Henry Brown, in the Grand Jury room of the court house at Stanford, Sept. 4.

They made plans for the District Farm Bureau King and Queen and Talk Meet Contest to be held in the East End Consolidated School at the back of the Old Crow Inn in Danville, Oct. 8, at 7:30 p. m.

There were eleven members present from the five counties participating in the contest. Mrs. Frank Durrett, county chairman; Mrs. William Balden, chairman of King and Queen Committee from Boyle County; Mrs. Hazel Edwards, Farm Bureau Secretary and Mrs. Gerald Simpson, chairman of Carrard County. Mrs. Louise Hart, Home Demonstration agent and Mrs. Robert Carnes, A-H Leader, from Madison County; Mrs. Christine McDeer, chairman of Utopia Club and ex-chairman Mrs. Jesse Young from Lincoln County; Mrs. Homer Scott, Farm Bureau chairman; Mrs. Jess Norton and Mrs. Henry Brown, chairmen of Eighth District from Rockcastle County.

Plans were completed for the contest and sent to the State Farm Office at Louisville, for programs to be made. Vernon, and Lou Anna Norton, daughter of Mr. and Mrs. Roy Norton, Route 1, Mt. Vernon.

The public is invited to the District Contest to be held at Danville.

Car Kills Man Near Snyder Friday Night

A 58-year-old man, Edwin Tussey, of Kirksville, was killed instantly Friday night, when he was struck by an auto on U. S. 25 between Conway and Snyder.

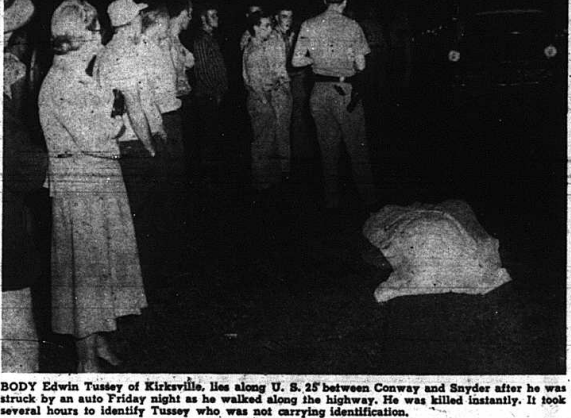

Tussey was struck by an auto driven by Marshall Wren of Boone, about 10:15 p. m. State Trooper James Herrell quoted Wren as saying Tussey staggered out in front of the car.

A mystery prevailed for considerable time after the accident. The man was carrying only a teaspoon, a pocket comb, cigarette papers and matches. He had no identification on his person. Police began an investigation and through a local doctor learned the man's identity.

Earlier motorists had called police to report a man was walking in the highway near Conway. Police arrived too late to prevent the accident.

Tussey was brought to Cox Funeral Home at Mt. Vernon, to await identification and was later taken to Richmond.

Tussey is survived by two daughters, one single and one brother. Funeral services were conducted at Richmond.

BODY Edwin Tussey of Kirksville, lies along U. S. 25 between Conway and Snyder after he was struck by an auto Friday night as he walked along the highway. He was killed instantly. It took several hours to identify Tussey who was not carrying identification.

MVHS Takes Beating At Hands Of Berea High

Mt. Vernon's football team, which had lost its steam-rolling Berea outfit Friday afternoon, at Mt. Vernon, and when the scoring dust had settled, Berea had defeated Mt. Vernon 32 to 6.

There was little doubt from the first play that Berea, with its years of experience, would be too much for the Red Devils. Berea was cool, calm, collected and clever through most of the game, scoring a touchdown in every quarter, and two in the third quarter. The teams left the field at half-time with Berea out in front 13 to 0.

Mt. Vernon only crossed Berea's goal line once, and that was in the waning minutes of the game when Charles Bennett Farris grabbed a pass from Jimmy Fain and scouted across to make the final score 32 to 6 and save Mt. Vernon from a 130 shutout.

The game was Mt. Vernon's first loss in its history. This is the third game it has played in its history. Most observers believed Berea's experience and long list of plays well worked out would be the deciding factor, and it was.

Berea was commercially tough and was. Berea made the aftermath of a pass play. Berea also scored one point after-touchdown on a pass play. In the blocking department, Mt. Vernon also failed to put up much of a defense. It was a cloudy day for the game and rain threatened. A slight sprinkle just before the game did not add much to the already dampened spirits of Red Devil followers.

The MVHS band also played at the game. MVHS will journey to Paint Lick today for a 1:30 p. m. scrap.

The Signal Says...

MORE HONORS FOR BRODHEAD FFA

Congratulations are in order this week, if they ever are, to the Brodhead Future Farmers of America dairy judging team. The team, under the leadership of Hobert Tompson and Odus Woolum, went to the Mid-South Fair at Memphis, Tenn., Monday, to compete with teams from Mississippi, Missouri and Tennessee. When the judging was over, the Brodhead team was the first place winner, and four students—Charles Denver Burton, Jimmy Payne, James Powell and Byron M. Owens, were heaped with honors.

It is a welcome relief in this day to see young men interested in the future of agriculture, be it in dairying or conservation. More and more these days, the youthful perspective sees only the obvious material values of our culture. Our youth seldom looks ahead—or for that matter, is shown—the more idealistic and worthwhile perspective, such as the future of the nation, or the increasing problems in human manners and conduct.

It is indeed refreshing to know that in this age, where colossal means ordinary and youngsters "dig" only fun and frolic, that at least some youngsters still remain who can find enjoyment in looking at a simple, old-fashioned cow.

IN MEMORY:

In memory of Sarah Ellen Clark, who passed away, Sept. 3, 1956. Oh how we miss our dear old mother, who was so kind and sweet. She left this old world with a beautiful smile. We'll never forget her smiling face. Oh how she would watch for her children to come home. She was always so pleased when we would go home. She was always there at the door with a smile. Now she isn't there to greet us home. And oh, how it hurts to go home and her not there to meet us. After her hard days of work, she would sit in her chair. And read her Bible, how sleepy she would get sitting there. We would sit there and watch her nod. And how we miss her sitting there with her Bible. We'll never forget it, how she used to read her Bible. We know she is at rest with Jesus and her loved ones who have passed on. She will never have any more pain or worries on this earth. But how we miss her around the old home place. We'll never see her here on earth again. But we can meet her in Heaven. She'll be there to greet us with open arms.
