

To The Citizens Of Rockcastle County

Money Ed Cummins

This will be my last appeal to you through the columns of our local newspaper, the Signal. In behalf of my candidacy for County Judge, very briefly, I want to summarize and review the pledges that I made during the recent primary.

First, I pledged to you an honest, business-like and sober administration.

Second, I offer a sound and workable road program, where

all citizens will share and share alike regardless of party affiliations.

Third, I offer full cooperation to all churches, schools, the hospital and the welfare agencies.

Fourth, I further pledge that I will reorganize the Juvenile Court, which deals with children so that, it will have a more fatherly atmosphere in dealing with children who run afoul with the law. I am aware of the fact, that the Judge of the Juvenile Court, with the help and cooperation of all local civic organizations with the parents can solve many of these problems, that cause Juvenile delinquents.

Fifth, I further pledge that I will cooperate with the civic groups that are interested in the encouragement of new industries to come to our county.

This is the platform that I pledged to you in the recent primary and with the cooperation of you good people of this Great County of ours, I intend to carry out these pledges to the best of my ability.

We are all aware of the fact that our County's Republican and the Fiscal Court will be Republican and since I am the Republican Nominee for the County Judge, wouldn't it be wiser to elect me as your County Judge? This would insure harmony and peace in the Fiscal

Court and be for the best interest of all the citizens of Rockcastle County.

I am able and qualified to serve you as County Judge and meet the qualifications set out in the statute for the office of County Judge.

My opponent seems to be basely ignorant of the laws that control the road programs of the state and county. He says that if he is elected he can secure more money for the County to build and maintain its roads than I can. This is untrue. The money that builds and maintains our roads comes from the gasoline tax and from the sales of truck license in the County.

There are a few self styled politicians going over the County and promising the people that they will black top all of the roads in the County. These promises are just false political propaganda to get your votes for my opponent, and furthermore, to satisfy their own selfish ambitions for more power.

I am making no false promises to secure your votes, but I pledge to you, if elected your County Judge, that I will do everything in my power to improve and maintain all the existing roads in the County with the cooperation of the Fiscal Court and all other parties concerned with the improve-

ment of roads.

It has been rumored that if I am elected County Judge that I will try to dominate the school system. This is false and untrue for I am convinced that our schools should be kept free of politicians and dictators.

If I am elected your County Judge, I will be County Judge, and will not be ruled by any dictator but will work in behalf of all the citizens.

Do not be misled in the closing hours of the campaign by false rumors or gossip by the self styled politicians who are trying to misinform you on the main issues of this campaign.

I wish again to thank every one of you for your loyal support and the encouragement that you have given me in this campaign.

I urge you all to unite for a great victory in the general election by electing the Republican Nominees on Nov. 5, 1957.

Yours for a sober, honest administration.

Money Ed Cummins
For County Judge

Dam For Rockcastle River Is Planned

Missing Commodities Stolen From Warehouse, State Report

BURGESS ROBBINS NAMED PRINCIPAL

Burgess Robbins of Mt. Vernon, has been named principal of Crab Orchard Grade School. He will be in charge of some 300 students and 11 teachers. Mr. Robbins is a graduate of Morehead State College and taught in Rockcastle schools before going to Crab Orchard to teach in the High School. He is a second degree Mason, a member of Classroom Teachers of America and a veteran of World War II.

John Taylor, 76, Dies At Mt. Vernon

John Taylor, of Route 1, Mt. Vernon, died at his home Oct. 28, of a heart condition. He was 76 years old.

Mr. Taylor, who was a farmer, was born in Rockcastle County. He married Linnie Bullock, who survives. They have four daughters: Mrs. Curtis Taylor, Indianapolis, Ind.; Mrs. Bee Bullock, and Miss Aldie Taylor, Willalla, and Mrs. Susie Bullock, Bandy. Eight step-children survive: Robert McKinney, Jamestown, Ind.; Bill McKinney, Mt. Vernon; George and Floyd McKinney, Seymour, Ind.; Mrs. Lena Reynolds, Mt. Vernon; Mrs. Isabelle Green, Louisville; Mrs. Mary Wallen, Kirkland, Ind.; Mrs. Margaret Whitaker, Mt. Vernon. Two brothers survive: Bob Taylor, Somerset, and Ted Taylor, Indianapolis, Ind., as well as two sisters.

Funeral Services Held For Sam P. Albright

Sam Perkins Albright, 60, of Louisville, and formerly of Broadhead, died at Louisville, Oct. 24. He was a conductor for the Louisville & Nashville Railroad. He is survived by his wife, Mrs. Mary Albright, and two children: Mrs. Gladys Jones, Nashville, Tenn.; two brothers, Albert and Ambrose Albright, both of Broadhead.

Funeral Services Conducted At Wald Church

Funeral services were conducted at the Wald Church, of Broadhead, for Bro. Doc Burton, Somerset, who died at his home in Broadhead, Oct. 28, after an illness of three months.

Funeral Services Held For Mrs. Elizabeth Fields

Mrs. Elizabeth Fields, of Livingston, Oct. 28, after an illness of three months.

Students At LHS Form Co-Ed Club

A Co-Ed Club in conjunction with the State Y. M. C. A., has been formed at Livingston Grade and High School.

John B. Magee Dies

John B. Magee, age 63, passed away Oct. 28, at his home in Broadhead, Ky.

ELECTION TUESDAY

City and county officials, a court of appeals clerk, and two constitutional amendments are on the ballot in Tuesday's election in Rockcastle County and the state.

How To Mail Christmas Packages

Christmas parcels for persons in the Armed Services overseas may be mailed between Nov. 1 and Nov. 20.

The term Armed Forces overseas includes personnel of our Armed Forces, members of their families, and authorized United States civilians employed overseas who receive their mail through an APO.

Boxes for overseas transmission must necessarily be of strong construction on account of the great distance these parcels must be transported and the handling and storage they must undergo. It is necessary that all articles for overseas delivery be packed in boxes of wood, metal, solid fiberboard, or strong double-faced corrugated fiberboard.

It is also desirable that all fiberboard boxes be securely wrapped in heavy paper, which materially strengthens the package. Each box should be well tied with strong cord.

Boxes should contain sufficient cushioning material so the contents will be tightly packed to prevent any rattling or loosening of articles within the package. Unless completely packed and tightly filled, boxes are likely to be crushed.

Customs declarations on Form 2968 or 2976-A completed by the sender are required on parcels addressed through certain APO's and NPO's.

Missing Commodities Stolen From Warehouse, State Report

Rockcastle County officials have been cleared of any blame in the loss of some \$2700.00 worth of commodities which were distributed to needy persons, according to a report today by Thomas A. Lewis, Director of the Surplus Commodity Division of State Department of Agriculture. A report made by State Detectives to Mr. Lewis' agency declared the commodities—mostly meal—were taken from a warehouse at Mt. Vernon by unknown persons breaking in and entering, and was the result of unlawful distribution by anyone connected with the County Government. The \$2700.00 will not have to be paid by the County but will be marked off by the State and returned to the Government. The loss was discovered more than a month ago through a routine check by state men. The thieves were arrested and a fiscal court with the bill. After the state report the loss was marked off.

Funeral Services Held For Sam P. Albright

Sam Perkins Albright, 60, of Louisville, and formerly of Broadhead, died at Louisville, Oct. 24. He was a conductor for the Louisville & Nashville Railroad. He is survived by his wife, Mrs. Mary Albright, and two children: Mrs. Gladys Jones, Nashville, Tenn.; two brothers, Albert and Ambrose Albright, both of Broadhead.

It's A Rebuilding Year For Basketball -- Laswell

This year, we will have to rebuild our basketball team. So reported Jack Laswell, coach, at Mt. Vernon High School, this week as he took a look at the fortunes of his team for the coming year.

Coach Laswell reported four lettermen are back from last year's Regional Tournament team, and the remainder of the squad will be made up of mostly "inexperienced players," he declared.

He noted that there are good prospects for a team in the sophomore and freshmen classes and "if the players can come around quickly enough we could very well have another winning team."

The four lettermen who will return to the team are: Billy Davis, Charles McEldred, Wayne Taylor and Jimmy Fain. Freshmen and sophomores are: Charles Bennett Farris, Jerry Hansel, Junior Estes, Billy Swinney, Bobby Swinney, Jimmy Nunneley, Mason Gregory, Ronald Barnes and Oscar Fain.

Coach Laswell also reported Mt. Vernon's schedule for the year:

- Nov. 12, Paint Lick, home;
- Nov. 15, Memorial, home;
- Nov. 19, London, away;
- Nov. 26, Pulaski County, home;
- Dec. 3, Crab Orchard, away;
- Dec. 6, Eubank, home;
- Dec. 10, McKee, home;
- Dec. 13, Berea, away;
- Dec. 17, Berea, home;
- Dec. 20, Memorial, away;
- Jan. 3, Stanford, home;

OLD SAINT NICK --

How To Mail Christmas Packages

Christmas parcels for persons in the Armed Services overseas may be mailed between Nov. 1 and Nov. 20.

The term Armed Forces overseas includes personnel of our Armed Forces, members of their families, and authorized United States civilians employed overseas who receive their mail through an APO.

Boxes for overseas transmission must necessarily be of strong construction on account of the great distance these parcels must be transported and the handling and storage they must undergo. It is necessary that all articles for overseas delivery be packed in boxes of wood, metal, solid fiberboard, or strong double-faced corrugated fiberboard.

It is also desirable that all fiberboard boxes be securely wrapped in heavy paper, which materially strengthens the package. Each box should be well tied with strong cord.

Boxes should contain sufficient cushioning material so the contents will be tightly packed to prevent any rattling or loosening of articles within the package. Unless completely packed and tightly filled, boxes are likely to be crushed.

Customs declarations on Form 2968 or 2976-A completed by the sender are required on parcels addressed through certain APO's and NPO's.

Schedule Set For Course In Carpentry

The Somerset Area Vocational School will present a short course for carpenters and others who are interested in building.

The four meeting course, "The Framing Square," will be held in the school building, beginning Nov. 4 at 7 p. m., at Mt. Vernon High School and there after at the convenience of the class.

C. K. Pritchett, Woodworking instructor at the Vocational School, will be the instructor for the course. Mr. Pritchett stated that the class will be taught in a very informal manner with questions and discussion invited from the members of the class.

These meetings will be concerned with the making of cuts for common, hip, valley, and jack rafters. Also, the use of tables on the steel square will be taught.

This course was formed in response to requests from carpenters who have expressed a desire to make better use of the steel square.

This course is a service of Somerset Area Vocational School. The only charge will be a one dollar enrollment fee.

Carl Harper Falls

Carl Harper, of Mt. Vernon, in P. Hamilton Hospital, Hamilton, Ohio, with a broken leg, broken hand and head injuries he received when he fell some 60 feet from a barn, left near Hamilton, last Friday.

Funeral services were conducted Wednesday, at Oak Hill Baptist Church, with Bro. Craig Holman officiating. She was buried in Oak Hill Cemetery, Sparks. Funeral home had charge of arrangements.

Funeral services were conducted at the Wald Church, of Broadhead, for Bro. Doc Burton, Somerset, who died at his home in Broadhead, Oct. 28, after an illness of three months.

Funeral services were held Oct. 30, at The Chapel of the Mission Bells in San Pablo, Calif.

City and county officials, a court of appeals clerk, and two constitutional amendments are on the ballot in Tuesday's election in Rockcastle County and the state.

To be voted on are county officials as well as city officials in Mt. Vernon, Broadhead and Livingston.

Polis open at 8 a. m. and close at 5 p. m.

What the local hospital is coming more widely known and more people are becoming conscious of the need for a good hospitalization contract.

One family out of every three families face an unexpected hospital bill or doctor bill every year. Many of these families can not afford hospitalization when illness strikes. Yet with a good "insurance" plan, bills can be paid by a third party in the insurance company.

Floyd Owens, Administrator of the Rockcastle County Baptist Hospital, reported he feels insurance is something no family can "afford" to be without. He stated a fair percentage of patients now have contracts, but believes the public is beginning to see the need of a good hospitalization plan. He listed the following in selecting a form to fit their needs and finances:

(1) Is a good idea to compare several plans. Compare both the rates and benefits (2) If a plan is non-profit in its organization, it should be in a position to give you more for your money. They don't have to use as much for operational expenses as do those who are making a profit. (3) Insist on seeing the actual contract and having a chance to study it. This is a purchase which can give you great help in time of need, or cause you great distress, disappointment, and financial hardship. Again, it is a good idea to compare contracts. He also stated the following questions should be asked in selection of a contract: (a) Under what conditions can the contract be canceled? (b) What are the age restrictions? (c) How are claims settled? (d) Will the hospital accept direct payment by my dependents if I die? (f) How many days is a member allowed in the hospital in a year?

The first plans and discussions leading to the construction of a dam on the Rockcastle River north of Livingston were initiated Monday night, at McKee, by officials of the State. Sen. John Shannon Cooper, and delegations from four counties.

Some 250 persons, including at least 25 from Rockcastle County, attended the meeting at the Jackson County Court House.

The dam is for the purpose of flood control along the Rockcastle River and an aid to the Cumberland River basin and for land reclamation.

The dam, as currently proposed, will be 90 feet high and between 600 and 900 feet long. It is to be located at a point near the River Bend area about two miles northeast of Livingston on U. S. 25. Final location on its location will be left to the U. S. Corps of Engineers.

If completed, the dam would benefit the area that would be under water from the Rockcastle River dam is already Federally owned.

It is reported that the group at the meeting that many farms and homes would be under water. The government usually purchases land that will be under water from the construction of a dam or similar obstruction. It was estimated that 85 percent of the land that would be under water from the Rockcastle River dam is already Federally owned.

He also stated the following questions should be asked in selection of a contract: (a) Under what conditions can the contract be canceled? (b) What are the age restrictions? (c) How are claims settled? (d) Will the hospital accept direct payment by my dependents if I die? (f) How many days is a member allowed in the hospital in a year?

(g) What types of illness or operations are not covered? (h) What is the room allowance? (i) What is the hospital's policy on hospital "services or extras" such as medicines, laboratory tests, dressings, bandages, casts, ointments, X-ray tests and other blood transfusions, and operating room.

Mr. Owens said many patients or visitors have asked him to recommend a good company, but that he prefers the person to investigate the different companies to the remember that there are a large number of health insurance plans some good, some indifferent and some very poor.

The people of our community must have a way to meet the cost of unexpected and serious illness. They must be able to use the facilities of the hospital to get them well. They should be in a position to afford health care when they need it. What types of illness or operations are not covered? (h) What is the room allowance? (i) What is the hospital's policy on hospital "services or extras" such as medicines, laboratory tests, dressings, bandages, casts, ointments, X-ray tests and other blood transfusions, and operating room.

58 FORD COMING NOV. 7 Nothing newer

AROUND THE WORLD

The 58 Ford has been proved around the world. This is the most dramatic and most grueling test ever given a new car before its public announcement.

The whole world was used as a test track for the 58 Ford. The car drove through England, France, Switzerland, Italy, Yugoslavia, Greece, Turkey, Iran, Afghanistan, Pakistan, India, Malaya, Thailand, Cambodia, Vietnam, and finally back to the place it started—Detroit, Michigan, U.S.A.

The Ford powered over the great mountain ranges of three continents: from the Alps to the Himalayas and the Rockies. It crossed the great rivers of history: the Thames, the Seine, the Tiber, the Arno, the Tigris, the Euphrates, the Indus, the Ganges.

This car stood at Buckingham Palace, rolled up the Champs Elysees to the Arc de Triomphe, and passed at the Eiffel Tower. It was greeted by the great Paris couturiers at the famous fashion salons where its "sculptured in steel" styling was applauded by the most style-conscious audience in the world.

Further on came Saigon, the Paris of the Orient at the farthest tip of Southeast Asia. Finally, it powered across the great Rockies and plains of North America and back, at long last, to Detroit, Michigan.

The 58 Ford... has been proved and approved around the world. A natural question arises: Why did Ford go to such great lengths with its 1958 model? Why spend so much money and time and go through all the problems of negotiation, customs, border transit, diplomacy in so many countries?

The answer: in the competitive automobile market of today, only the best in all-around value can survive. And this round the world test is the most decisive possible demonstration of the best.

The 1958 Ford is value: hard-dollar value. It is also style, power, performance, and a dozen great new features. But above all, it is value.

This is the car you've been waiting for. See it November 7—there's nothing newer in the world than the 58 Ford!

proved and approved **58 FORD** around the world
The first car ever to drive the whole world as a test track

Denver Sowder was the week end guest of his parents, Mr. and Mrs. Bob Sowder. Lorene Payne was guest of Carol Halcomb, Thursday night. Vernon Kirby of Louisville, spent the week end with his family. Mrs. Betty Sowder visited her parents, Mr. and Mrs. Bill

TO THE VOTERS OF THE 4th DISTRICT ELECTION DAY IS DRAWING NEAR.

We are asking you good people again to come out on November 5th and help elect Bill Wren for Magistrate.

Mr. Wren will spend the taxpayers road money on our County Roads where we can see what it is spent for.

I will assure you that Mr. Wren will get out and look over your roads even if he has to ride horseback.

As everyone knows we haven't had any road work since the Primary Election. You can ask Mr. Swinford about doing some road work and he says he has no money, although we do pay a good road tax like everyone else. We are wondering where our road money has gone to.

So to each and everyone of you, we are asking you to write Bill Wren's name and make an X in the square with the stencil.

Your vote and influence will be highly appreciated.

William D. Thomas

Taylor, Sunday. Mr. and Mrs. Bill Taylor and Mrs. Carrie Renner visited Mr. Jones Allen, at the Rockcastle County Baptist Hospital, last week.

You're face to face with the **B-58 BUICK**

It looks and feels like flight on wheels

It runs on gasoline and rolls on wheels. But beyond that, all similarity between this 1958 Buick and any other car you've ever known comes to a decisive end.

This B-58 Buick is literally born of aviation principles - starting with a greater use of aluminum than ever before, and going on from there.

With this stunning automobile you're in the forefront of styling's freshest advance.

With it you boss the B-12000 engine - command through a transmission that's the big talk of the automotive world - feel a

modern miracle in buoyancy of ride, plus the never-before wonders of Buick Air-Poise Suspension.*

With it you can drive with more magnificent advances in automobile design and engineering than history shows in any single year.

This B-58 Buick is ready now in look and line and lift and life to thrill you to a tingle. Go see - now on display at your Buick dealer's.

*Air-Poise Suspension optional at extra cost on all Series. Flight Pitch Dynaflo standard on Limited and Roadmaster 75, optional at extra cost on other Series. Aluminum Brakes standard on all Series except Special.

NEVER SO MUCH SO-NEW

- * FRESH BOLD STYLING with the Dynamic Grille.
- * THE MIRACLE RIDE plus Buick Air-Poise Suspension.*
- * FLIGHT PITCH DYNAFLOW* with the instant flexibility of a million switches of pitch.
- * B-12000 ENGINE with 12,000 pounds of thrust behind every piston's power stroke.
- * AIR-COOLED ALUMINUM BRAKES* with smoother, surer control and longer life.
- * "VELVET WALL" Sound Silencing.
- * All built to exacting quality standards.

When better automobiles are built Buick will build them

The Signal Says--

THANKS TO MISS DICKERSON

The absence of Livingston social and personal items these days results from the loss of our correspondent for the town. Miss Josephine Dickerson, English teacher at Livingston High School, is no longer available to write the news. The press of her many school duties prompted here to give up her writing for the Signal.

The loss of Miss Dickerson was a great loss to the Signal. In the nearly two years she was correspondent, she wrote her personal items clearly, accurately, and she always made an effort to include as many people as possible in her community.

Miss Dickerson did this important reporting with very little personal credit and acknowledgement by the Signal staff. We suppose we are just lazy. At least, we never seem to get around to make the all important personal contacts with our correspondents. We simply take them for granted—an error on our part. But we are well aware of their presence. Each correspondent is the "backbone" of the Signal.

We offer our sincerest thanks to Miss Dickerson for a job well done, and for the time and effort she gave to write about her community and neighbors. To our other correspondents, we also offer our thanks and appreciation for the time and energy they spend to make the Signal a part of each community in the county.

ELECT MILTIE SWINNEY POLICE JUDGE OF THE CITY OF MT. VERNON

This announcement is not to tell you good people who I am, because you all know me from the youngest voter in this town, to the oldest.
I do, however, wish to tell you I am a candidate for the

office of Police Judge, for the next 4 years. If you want a man who will operate this office fair and square, then I am your man. It's true, I have had the misfortune to lose my left hand, but I am not running on sympathy. I can use my right hand, and can read and write, and do know right from wrong.
So give me your serious consideration on Nov. 5th, and I will be thankful to each of you.
Your friend,
Miltie Swinney
(Pol. Adv.) 4-nif

Mr. Cager Metcalf of Cincinnati, Ohio, spent the week end with relatives. Sherman Sargent, Cecil Sargent and Mrs. Givens Lear were at Cincinnati, Ohio, Friday and Saturday, to be with their niece, Wanda Sargent, who underwent an operation.

YES, Sir—ee, Bob and Mary, or whatever your name is, we're expecting you.

IMPORTANT MESSAGE FROM WALTER W. SOWDER COUNTY JUDGE

AND NOMINEE FOR SHERIFF FOR THE NEXT FOUR YEARS OF ROCKCASTLE COUNTY. SUBJECT TO THE WILL OF THE REPUBLICAN AND ANY OTHER VOTERS WHO ARE REGISTERED TO VOTE:

Mr. Sigmom, has ask Mr. George Murphy, or me one, to answer the question, "NOW WHAT HAS BECOME OF OUR ROAD TAX MONEY?" Here is the answer to all the tax payers, given by a majority of our good Magistrates - Sec: 68310 of K.R.S. quote: Limit of Expenditures for first half of each fourth year. Except in case of an emergency concerning which the fiscal court, the County budget commission and the State local finance Officer unanimously agree in writing, no County may, during the first half of any fourth fiscal year, beginning with the fiscal year 1941-42, encumber or expend more than 65% of all its current funds, taking as a unit, budgeted for that fiscal year, not counting as current funds any budgetary allotments for or payments of principal and interest of bonded indebtedness.

So this being the fourth year of this term for the fiscal court to serve, they could not spend more than 65% of their allotment, and that has been done, there can nothing more be done and pay for it, until after the year 1958. There remains in the Treasurer of Rockcastle County to-day the other 35% of the money, which can and will be spent on our roads after the new year starts in.

Vote Like This

Nov. X 5th.

AND KEEP THE ONES THAT WAS NOMINATED MAY PRIMARY 1957.

Each nominee was elected fair and square at the primary election as your county officers. The voters at that election selected these persons, had faith in them then, and said by their vote then, "We want them". Now lets stay true to our Great and Grand Old Party, and not pay any attention to a few fellows, who run in the primary, got beat, and then got sore, and now trying to propagate and propagandize our party and get us all divided, and mad at each other; lets go forward in this General Election, and use the same motto, that our GOOD OLD COMMONWEALTH OF KENTUCKY use; "SHAKE HANDS WITH EACH OTHER, AND SAY TO EACH OTHER, "UNITED WE STAND, DIVIDED WE FALL".

Let me say to you good fellows who failed to get enough votes to nominate you at the Primary. Please don't do like one of the defeated candidates did; publish a piece in the paper, congratulating the winner, and then at that time said "I just didn't get enough votes" and as far as he knew then he would never be a candidate again, but he later changed his mind, and is asking all you good honest voters to go to the election and write his name in, and put Mr. Walter Sowder, out, who was nominated by a majority of 246 votes. Let me ask each of you good voters to take my advice and vote one time in the circle under the LOG CABIN. I have been your choice for 18 years as your Circuit Court Clerk, you have nominated me again for another 6 year term, I have been very closely connected with Walter Sowder, for the past 17 years, and I must testify to the truth. He is a Christian Gentleman. Honest sober and fair in judgments, nevertheless there are plenty of folks in our county just as good, I am not trying to sing him through. However, I will try if that will do any good, but from what I know about Walter, he is able to do his own praying, as I do see him at Church often. SO I BEG of each of my good friends, nearly 2500 of them who supported me in the primary to go early to the polls of your voting precinct, and vote ONE TIME IN THE CIRCLE UNDER OUR OLD FASHION LOG CABIN AND YOU WILL FEEL GOOD, EAT GOOD, AND SLEEP GOOD.

Yours for Victory
George W. Murphy
Publicity Chairman.

SOCIAL AND PERSONAL

CROMER'S Service Station

U. S. 150 Mt. Vernon, Kentucky

To The Voters Of Rockcastle County:

I notice that one of Walter Sowder's Fiscal Court members, by the name of Matt Jones, has made his statement, that there will not be \$2,700,000 paid out of the road funds for the Commodity shortage. Now Mr. Jones, to refresh your memory, on August 9th, 1957 of the called term of the Fiscal Court, when you made the motion that Rockcastle County would re-imburse the Commodity shortage, and is now on the Clerk's Book 5, and page 47.

I do not understand you making the motion for the debt to be paid with the taxpayer's money, then coming back and saying, "it will not be paid out of the road fund". Now, just what is the difference what fund it is paid out of, as long as it is paid with the taxpayer's money?

Mr. Jones what kind of a fellow are you, say one thing one time, then exactly the opposite another time? I can't understand, unless you are trying to cover up for Walter Sowder, or trying to mislead the voters of Rockcastle County.

You said you couldn't spend but 65% of the road money. Will you please show me where even 20% of our tax money has been spent on our roads this year, 1957, since the Primary Election? What is wrong with our road money.

I notice Mr. Sowder, and his Fiscal Court has lowered the pay of the Election Officers. What is wrong there? Doesn't Rockcastle County have any money at all? Voters, look on the Clerk's Book and see if this isn't true?

Mr. Sowder is wanting you to vote for him, simply because he is the "Nominee".

Now, let us see what was done with a Rockcastle nominee, once. Not long ago, Mr. Jim Lambert was the nominee for County Judge, by a road 930 majority, on the Republican ticket. After the Primary Election was over, the man he defeated, claimed Mr. Lambert used \$2.00 (of his own money) in the Primary Election. Then what happened? The Court of Appeals said "Mr. Lambert, you cannot serve". But Mr. Lambert did serve. How? By a "Write-in" ticket in the Nov. Election, and won by a large majority. Now, Mr. Sowder you remember this, don't you? I'm sure you do.

I wouldn't be surprised if Mr. Sowder doesn't have an article in this very paper this week, saying "The Commodity deal has been cleared up: not a cloud in the sky". But the record still stands showing the "Handwriting on the wall".

We, the taxpayers of Rockcastle County want I. L. Anglin for Sheriff. Democrats can vote under their Emblem, then come down where it says Sheriff and write I. L. Anglin, and mark X after Anglin's name. And Republicans can drop under Walter Sowder's name and write I. L. Anglin, marking X after Anglin's name.

Any one who cannot write can have the Clerk of the Election write for them. This writing must be done with a lead pencil, and the X made with the stencil in your booth.

This is my last appeal to you voters.

I thank you.

ROBERT SIGMON

To The Voters Of Rockcastle County

The election is only a few days away, and I wish to appeal to you, the voters of Rockcastle to vote for the man you believe will be the best for your county.

It was my wish to see each of you and talk with you, but I will not get to see you all, so I am appealing to you through the issue of this paper for your vote and support.

I stand for all the things that will be for the betterment of Rockcastle County.

I visited Mr. J. B. Wells, Jr. Commissioner of Rural Highways at Frankfort, Ky., and discussed the Rural Roads of Rockcastle County. I learned that it will be possible to get 47.19 miles of Blacktop in the County in the next two years, also a Grade and Drain Construction Program which I estimate would be better than Four-hundred thousand dollars (\$400,000.00) spent in our County. All this is extra to the Road program we already have.

THE FOLLOWING IS EXCERPTS OF A LETTER RECEIVED BY ME FROM MR. J. B. WELLS, Jr.

October 28, 1957.

The Honorable Amos Owens
Mt. Vernon, Kentucky
Dear Mr. Owens:

First, we want to thank you for visiting us in interest of roads for Rockcastle County.

We appreciate your sincere and genuine interest in the welfare of your people.

We appreciate your cooperative approach to the problems of Rockcastle County and we shall consider it a real pleasure to have the opportunity to work with you if you are elected County Judge to help to bring to the people of your county adequate roads, which you have convinced us is the primary need of your people.

Your Road Program calls for the surfacing of 47.19 miles of Roads in Rockcastle County which will be done in the next Two Years.

In addition we shall look forward to meeting with you shortly after the first of Jan., to arrange a grade and drain Construction program for your county.

We recognize the importance of a mutual understanding between this office and the Judge of your county. It is of primary importance in the accomplishment of the tremendous road program, which we anticipate as a result of the sale of the road bonds which we hope will be done within the next few weeks.

We wish to assure you that this office will always be open to you and we look forward to the pleasure of working with you for the benefit of the people of Rockcastle County.

With my warm personal regards and best wishes, I remain,

Yours truly,
J. B. Wells, Jr.
Commissioner of Rural Highways
