NOTICE OF SALE OF FRANCHISE

ORDINANCE NO. 51. At a special meeting of the Board of Trustees of the City of Livingston, Kentucky, duly and legally held on the 27th day of November, 1957, the following members were present: R. G. Webb, Sam Malone, Harry L. Holland, Gilbert Bales and H. R. Mason. Absent: None.

The following ordinance was introduced by R. G. Webb and publicly read by James W. Lambert: AN ORDINANCE PROVIDING FOR THE SALE OF A FRANCHISE OR A PRIVILEGE TO CONSTRUCT, OPERATE AND MAINTAIN LINES OF TELEPHONE, INCLUDING NECESSARY POLES, FIXTURES AND ELECTRICAL COMMUNICATION CONDUCTORS UPON, A-LONG, OVER AND UNDER THE PUBLIC R O A D S, AND HIGHWAYS OF THE CITY OF LIVINGSTON, KENTUCKY FOR A PERIOD OF TWENTY (20) YEARS.

The Board of Trustees of the City of Livingston does ordain as follows: THAT WHEREAS, the necessity has arisen of creating and providing for the franchise to erect, operate and maintain lines of a telephone system in the city of Livingston, Kentucky.

Section I. That there is hereby created and established a franchise or privilege, for the sale of which the Board of Trustees of the City of Livingston, Kentucky, shall consider the acceptance or rejection of any and all bids, reserving the right to reject any and all bids, and to award the franchise or privilege to the bidder to whom the franchise or privilege is awarded.

Section 2. That the work of erecting poles by which the franchise or privilege shall be done under the supervision of qualified personnel provided by the purchaser and approved by the Board of Trustees of the City of Livingston, Kentucky, shall be done under the supervision of qualified personnel provided by the purchaser and approved by the Board of Trustees of the City of Livingston, Kentucky.

Section 3. In consideration of such rights and privileges, the purchaser shall be required to provide space on each pole upon which the city of Livingston, Kentucky, shall have the right to install telephone or police telegraph wires, for the free use of the police and fire alarm systems of the city of Livingston, Kentucky, provided, however, that no use shall be made of such space by said city which will result in unreasonable interference with or impairment of the operation or use of said purchaser's property or service or will endanger the property or employees of said purchaser.

Section 4. Said purchaser shall at all times be liable to the city ordinances now in existence or which may hereafter be passed relative to the use of the public streets by telephone companies.

Section 5. Said purchaser shall indemnify the city of Livingston against and assume all liabilities for, and save the city harmless from claims for damages which may arise or result to the said city from any injury to persons or property from the doing of any work herein authorized, or by any of its employees to comply with any ordinance relative to the use of the streets of said city, and the acceptance by the purchaser of this ordinance shall be an agreement by it to pay to the said city any sum of money for which the said city may become liable or by reason of such injury.

Section 6. The purchaser, its successors and assigns, shall proceed with diligence to obtain the necessary approvals of federal and state agencies and shall begin the exercise of said franchise and privilege within two years from the date of confirmation of the sale. Failure of purchaser to begin exercise of said franchise and privilege within the time specified shall, at the city's option, cause a forfeiture of said franchise and privilege.

Section 7. Within five days after passage and publication of this ordinance, the Chairman of the Board of Trustees, through the Clerk or other designated official, who is hereby commissioned to make due advertisement of said sale, shall advertise the sale of said franchise or privilege by publishing a description of said franchise and privilege in the Mount Vernon Signal, a weekly newspaper of general circulation in Livingston, Kentucky, and by posting typewritten notices of same in three public places in Livingston, Kentucky, at least fifteen days before the date of sale, to wit: on said date, between the hours of 9 o'clock A. M. and 3 o'clock P. M., he shall post the same in the town of Livingston, on the highest and best bidder for the franchise or privilege hereinafter set forth.

Section 8. That the work of erecting poles by which the franchise or privilege shall be done under the supervision of qualified personnel provided by the purchaser and approved by the Board of Trustees of the City of Livingston, Kentucky, shall be done under the supervision of qualified personnel provided by the purchaser and approved by the Board of Trustees of the City of Livingston, Kentucky.

Section 9. This ordinance shall take effect and be in force from and after its passage and publication as required by law. The foregoing ordinance was read at length and on motion of Thurney Bradley, seconded by Eddie Hurt, it was adopted by the following vote: All members voting in favor.

Thereupon said ordinance was ordered presented to the Mayor and after its passage and publication to be published and the City Clerk ordered to proceed with the advertisement of the proposed sale of said franchise and with the public auction thereof, as provided in said ordinance, and to make a report thereon to the Board of Trustees of the City of Livingston, Kentucky. APPROVED: R. G. Webb, Chairman, Board of Trustees Town of Livingston, Kentucky. Robert Waddle, City Clerk of Livingston, Kentucky. 713

Telephone Franchise Sold Here At Auction

A franchise to furnish telephone service to rural areas of Rockcastle County was sold Monday, at auction, to the Rockcastle Telephone Co., an affiliate company of Northeast Telephone Corp., of London. Telephone company officials paid \$25 for the franchise, following a \$1 bid made to get the bidding underway.

The bidding was held at the Rockcastle County Court House. The Rockcastle Telephone Co. will have to approve the sale of the franchise for a 20 year period before it is issued to the company.

Three more franchises remain to be purchased. They will be sold at auction, at Mt. Vernon, Brodhead and Livingston, at various hours Dec. 2.

Alvin Adams, manager at Mt. Vernon, reports clean-up work is being done after the change over from magnetic to common battery telephone service at Mt. Vernon.

Mr. Adams expressed his thanks and appreciation as well as the thanks and appreciation of the company, for the patience and cooperation of the public and subscribers during the change over.

17 Student Carpenters Attend Course Here

Seventeen attended the course "Framing Square in Cutting Rafters." This course was offered by the Somerset Area Vocational School and it dealt with the use of the steel square in cutting roof rafters. Classes were held at the Mt. Vernon High School.

The instructor was Mr. C. K. Pritchett of Somerset. The class met on Monday night each week for the past five weeks. The laying out and cutting of common, hip, valley and jack rafters were explained. On the last night the use of the tables on the steel square was illustrated. The class was reported to be of practical use to carpenters and builders.

Those attending were: Edward Sawde Jr., Elvin C. White, W. E. Proctor, LeRoy Hayes, Tilden G. Laswell, Wayne Hunt, Charles E. Butler, Charles Baker, Roy Winstead, James E. Taylor, Wayne Stewart, V. E. Baker, Henry Payne, Vernon Co. Arlos, and Robert F. Bullen.

HIGHWAY BONDS SOLD IN NEW YORK

Ward Oates, Commissioner of Finance, and Henry Carter, State treasurer, will journey to New York City to deliver on Dec. 8 the recently sold highway bonds and to pick up the State's check for \$5 million dollars.

Oates said the money would be used to purchase United States Government securities. The return from this investment will return greater interest than the 2.97 figure the State is paying on bonds, Oates indicated.

"Our bonds were extremely well received in financial circles. In fact, in less than 48 hours after they were sold, investment houses were allotting them on a percentage basis and could have sold more," the Commissioner said.

This is the first of the authorized sale of 100 million dollars worth of new highway bonds. It likely will be late next year before another sale is made, unless a big change develops in the money market, Oates said.

A syndicate headed by the First National City Bank of New York and Blythe and Co. of New York bought the bonds after out bidding a syndicate of Chicago and Midwest banking and investment houses. Dates concluded.

Thanksgiving Service Set For Community

A community Thanksgiving service will be held at the First Baptist Church, Mt. Vernon, at 7 p. m., Thursday.

The Rev. Marion Parkey, pastor of the First Christian Baptist Church, will be the speaker.

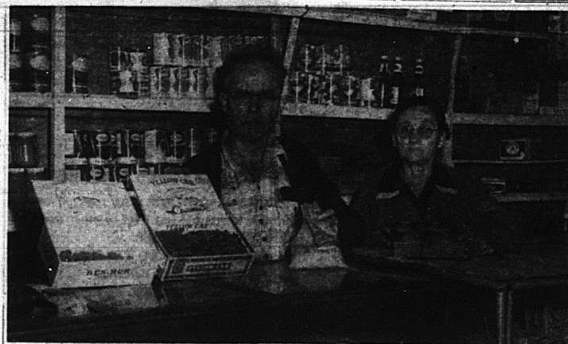

Combined choirs of the First Christian Church and the First Baptist Church will present special music.

Clark said additional services planned by the Society include a new hearing center in Louisville and a resident camp at Carrollton for physically handicapped children. A building to house the hearing center is now under construction in Louisville. Plans call for the building to be completed in the Spring of 1958. Funds for the building came from bequests and will over a number of years.

A 122-acre tract at Carrollton will be developed into a resident camp for crippled children. The land was acquired from the Commonwealth of Kentucky on a long term lease. It is in an unimproved part of General Butler State Park.

Programs extended during the year included a recreation program in which 325 handicapped boys and girls participated in day and residential camps, and swimming programs, homebound occupational therapy.

James S. Fish Goes To Germany

Private James S. Fish, 22, whose father, Charlie Fish, resides at Wildie, has recently been assigned to the 3rd Infantry Division, Fort Benning, Ga., where he will undergo military training and accompany the "Marine" Division to Germany, next spring.

The Pentomic Marine Division, a new type of Army Combat Force designed to fight and survive on the atomic battlefield, will assume North Atlantic Treaty Organization defense responsibilities in the American zone of Germany.

The Marine Division, which earned its unique identification as the "Rock of the Marine" during World War I, is one of the most senior and most decorated Divisions in the United States Army. Some of its major units trace their military histories to the War of 1812.

Vacation Dates Told For County Students

Dates for the Rockcastle County school vacation have been revised because of the recent flu epidemic. The dates for Rockcastle County Schools, reported if no other days are missed, schools will close for the term, May 23.

Another revision would be necessary if any other days were missed due to epidemics or weather conditions.

Vacation days as they are now scheduled are: Christmas—Dec. 23, 24, 25, 26, and 27; New Year's—Jan. 1; Spring Vacation, Mar. 21; Kentucky Education Association—Apr. 10 and 11.

Christmas Light Contest Set For County

The Christmas home lighting contest, sponsored by the Meridian Woman's Club, is going to be held again this year.

There will be a \$10, an \$8 and a \$5 prize for first, second and third place winners.

All residents of the immediate areas of Livingston, Brodhead and Mt. Vernon are eligible to enter; also members of the Meridian club, except members of the contest committee, which includes: Mrs. Charles Baker, Mrs. Wayne Stewart, Mrs. Preston Nunnally and Mrs. John Cox, chairman.

The club has urged as many homes as possible to enter the contest. A contest coupon will be in next week's Signal. To be in the contest officially, each contestant must fill out the coupon found in next week's Signal.

“Road Signs” Erected On Kentucky Lakes

Many persons each year are subjected to embarrassment and the dangers involved in being lost on Kentucky's big bodies of water. Thanks to the Kentucky Outdoor Writer's Association, something is being done to help those who are not familiar with the State's lakes.

The most recent project of the Kentucky Outdoor Writer's Association was designed to keep the fishermen from getting lost on Lake Cumberland. Thirty-seven signs with the name of a creek and a number on each sign were made at the State Game Farm here and paid for by the Outdoor Writers.

The signs were distributed among the conservation officers of the State Game Farm here and lake. Each officer has erected the signs at the mouth of the creeks in his locality. The lowest numbered sign was placed nearest the Dam and the highest at the head of the lake. A quick look at the yellow sign entering the main lake to patrol the lake and pick up the landmarks that you will remember.

If the dock is located in a creek, mark the point as you enter the main lake to patrol the lake and pick up the landmarks that you will remember.

"These tips, Thomas said, will save many hours of unplanned boat riding.

Auto Insurance Rates Increase

"Motorists in most states face higher charges for automobile liability insurance in 1958."

This view of the outlook for automobile insurance rates was given to the public today by William Leslie, general manager of the National Bureau of Casualty Underwriters, a rating organization with a membership of 122 stock companies writing casualty insurance.

"The outlook is based not on opinion but on stern economic facts," Mr. Leslie stated. "Reluctant as the insurance carriers are to seek higher rates, there is no alternative. As inflationary pressures continue to push up the costs of settling accident claims incurred by motorists, rate revisions during 1958 will undoubtedly involve increases. In many states rate increases have already been announced."

Threats that will affect a large part of the volume of business written in 1958.

Some of the reasons for the proposed raises are: severe underwriting losses, more and costlier claims, creeping inflation and the losses in automobile liability outweighs the gains in the other fields of insurance.

Shop And Mail Early Postmaster Advises

Citizens of Mount Vernon and Rockcastle County need to shop and mail early this Christmas season, to speed the processing of Christmas mail, postmaster James O. Smith said.

Mr. Smith cautioned that putting off mailing Christmas cards and parcels until the last moment results in an extremely heavy burden being placed on the postal employees and postal facilities of the Mount Vernon Post Office, and slows up the processing of mail.

Every facility of the local post office, he added, will be pressed into maximum service again this year so that the post office will be cleared of all Christmas mail that has been deposited in time for delivery by Dec. 25.

There are still some people who retain the mistaken idea that a gift or card arriving on Christmas Eve has a special significance," the postmaster noted. "It is the thought behind the gift or card, not the time of arrival which is the important factor."

In an appeal to all citizens of the community, the postmaster praised the fine cooperation that has been extended by many local groups in the past years when parcels and cards were processed and delivered and he asked that this same cooperation again be extended this year.

By following such simple suggestions as mailing early, wrapping carefully, plainly printing the addresses and returning addresses and using zone numbers, the citizens of Mount Vernon will be assured of the safe and timely arrival of their Christmas mail," Mr. Smith added.

Christmas Seal Sales Help Kentucky Children

The Kentucky Society for Crippled Children reported today it aided 3,066 children and adults in the year ended Aug. 31, and reported plans for additional services for physically handicapped children. Some children from Rockcastle are included in the group.

Income from Easter Seals and other sources amounted to \$284,784.16, of which \$223,865.77 came from Easter Seal contributions, and the rest from small gifts, donations and a special number of fees.

Oldham Clarke, Louisville, KSCC President, said the society's regular program of service cost \$287,291.16. Money to cover the deficit between expenses and income came from a special fund set aside in past years.

The figures were released in the society's annual report on the eve of its 33rd annual meeting, Thursday, Nov. 4, at Covington.

Prepare Kentucky In Case Of Attack

The State has begun drafting plans to provide emergency services in case it and the U. S. are attacked.

Gov. B. Chandler reacted with his Advisory Council on Civil Defense and Continuity in Government and named Lt. Gov. Harry Lee Waterfield its chairman. It is composed of 15 representatives and heads of key agencies.

Waterfield listed some of the council's problems. How to control critical items, such as food and medical supplies, before the federal government can act. What about hoarding, rationing, price controls, currency controls, tax collections. How to provide emergency services to attacked cities. How to maintain court systems and other government agencies.

The Signal Says--

JURY SERVICE IS A DUTY

Rockcastle Circuit Court opened last week with Judge R. C. Tarrar on the bench; Bro. George Murphy in the clerk's office; witnesses in their rooms, and attorneys in their seats. Then it was discovered there were only 17 jurors out of the 62 who were present and accounted for.

It seemed, when a check was made, the jurors just didn't bother to appear in court, were working in their tobacco, were ill with flu, or otherwise occupied in a "worthwhile" household duty.

We would have liked to have published the names of the tardy jurors. The public should know their names. But thinking back, we decided these absent jurors were not the only jurors who have been unavailable for jury duty on the history of the court, and that some of them undoubtedly had very good excuses.

We recall an incident when Sen. John Sherman Cooper first held a Circuit Court session in Rockcastle. Only a few jurors appeared. He called the sheriff and the sheriff called on the jurors. When they appeared for their "command performance," Judge Cooper reprimanded them severely after each had presented an excuse to the court.

Judge Cooper frowned at them and reminded them that were it the President of the United States, or the Governor of Kentucky, a juror would be expected to at least have the courtesy to appear for jury service with just the usual notice. He fined each of them and warned them that in the future, if they wanted to get out of jury service they would have to bring a doctor's certificate or send their death notice to the court. Needless to say, as long as Judge Cooper was on the bench he had his jury when he called.

We are inclined to agree with the methods of Judge Cooper. In a quick use of the law of the land, Judge Cooper solved a problem that was threatening to destroy the effectiveness of his court.

We believe continued failure to report for jury duty would eventually result in only a few persons available to serve, and often-times these persons might not be too reliable as jurors. Well qualified business and professional people would stay away without alarm of a penalty.

Service on the Grand Jury or the Petit Jury of a county is a duty not only to the juror's community, but to his nation and its laws. It is a duty that should not be transcended by personal inconvenience.

It is unfortunate, but we must agree with Judge Cooper. A juror dismissed from service should be accompanied by a doctor's certificate or there should be a presentation of his death notice to the court.

THANKS TO THE CITIZENS OF ROCKCASTLE COUNTY:

I would like to express my thanks and appreciation to the people of the Fourth District, for their support in my re-election in the Nov. 5 election. I promise that I will continue to try, in every way, to make Rockcastle a better, more progressive place in which to live. I will work for better roads, schools and churches. I will do my best to have a law abiding District.

Your friend,
J. S. Swinford

Fifth Quarter

By Lyle Underwood

Mt. Vernon's Red Devils came within two points of notching their second victory of the young season last night as they fell to the Pulaski County quintet 77-79. It was a good game for Pulaski County and a hard one for Mt. Vernon to lose.

Fouls played the leading part in the final score of the game as Pulaski County's Nelkirk poured in 17 charity tosses in the last three minutes to give his team the victory. Cotton Davis kept Mt. Vernon in the running in the last quarter as he hit four straight jump shots in the last quarter and made a demerit on the backboards. Cotton shared team scoring honors with Wayne Taylor, both with 24 markers.

The game started off in the first quarter with both teams trading baskets and both teams were deadlocked at 20-20 during the first eight minutes. Mt. Vernon fell behind in the second quarter and trailed at intermission 33-29. Pulaski kept pulling away in the third quarter and held a 61-58 fourth quarter lead. Mt. Vernon started to get in front in the fourth quarter and it looked as though Coach Laswell had rebuilt his team in one game. Fighting for every rebound and taking advantage of every mistake made by Pulaski County, the Red Devils began to close the gap. With three minutes showing on the clock, Mt. Vernon's Davis hit a 12 foot jump shot and tied the score at 71-71.

Following every rebound and taking advantage of every mistake made by Pulaski County, the Red Devils began to close the gap. With three minutes showing on the clock, Mt. Vernon's Davis hit a 12 foot jump shot and tied the score at 71-71. Nelkirk again hit two from the charity stripe and Pulaski County virtually sewed up the ball game. Davis made a last second shot and made it, but the final score read: Pulaski County 79; Mt. Vernon 77.

Nelkirk was the games high scorer with 23 points. The sports editor was unable to attend all games, so the scores of the other games is about all that he will be able to give. He will try to rotate his coverage of the games.

In the Brodhead-Crab Orchard charity games were: Brodhead 83; Crab Orchard 83.

Vanous Brown was the high scoring man with 28 points for Brodhead. Ronald Laswell, 23

and Buford Parkerson, 15. McLenore was the high scorer for Crab Orchard, with 28 points.

Brodhead played Hustonville Tuesday night. Scores were: Hustonville 76; Brodhead 67. Buford Parkerson, racked up 21 points, high scorer for the game; Byron Owens, 13 and Ronald Laswell, 12.

When Livingston played Tyner the score was: Livingston 61; Tyner 50. Sturgill was Livingston's high point man with 28. King and House each earned 13 points for Tyner.

In Livingston's game with Annville the score was: Livingston 67; Annville 25. Sturgill was high scoring man for Livingston, with 15 points. Baker made eight points for Annville.

Three State Parks To Be Winter Resorts

Special rates, giving families a chance to enjoy an economy winter vacation, are in effect at the Kentucky State Parks until April 1.

Under a new policy of the Division of Parks, European rates at Cumberland Falls, Kentucky Lake and Kentucky Dam Village State Parks have been reduced 22 and a third per cent during this period. Under the American plan, the charge is \$40 a person for a week and \$7.50 a person for a day.

Winter vacationers at Kentucky Lake Village may enjoy controlled hunting, initiated last year at the park. The range abounds in quail, partridge, pheasant and chukar.

Kentucky Lake with 2,300 miles of shoreline offers the vacationer every facility for boating and fishing. The State Park there offers Kenlake Hotel, cottages and a boat dock. Cumberland Falls is famous for its moonbow, which may be seen at night during certain times of the year.

DECEMBER 7, DEADLINE FOR ESSAY CONTEST

Dec. 7 is the deadline for students to turn in Soil Conservation Essay Contest entries to their school superintendents. Kentucky grade and high school pupils who submit the best essays on "Conserving Our Soil and Water Resources" are eligible for \$3,250 in U. S. Savings Bonds in prize in the fourteenth annual contest.

Awards include a \$100 bond for the first place essay; a \$75 bond, second place; a \$50 bond, third place. These winners and their parents and teachers will be guests of honor, with all expenses paid, at the twentieth annual Farm Awards Luncheon in Louisville, next spring.

A district prize of a \$25 bond will go to the writer of the best essay in each of the 121 soil conservation districts where at least five essays are submitted. District winners will be judged for the state awards.

The boy or girl who writes the outstanding conservation piece in each school will receive a certificate of merit from the contest sponsors.

A committee of civic and educational leaders will select the district winners between Dec. 8 and 31.

Contest sponsors are The Courier-Journal, The Louisville Times, WHAS and WHAS-TV in cooperation with the Kentucky Association of Soil Conservation Districts and the State Department of Education.

The newspapers and radio and television station conduct this competition in their farm incentive program. Further information on the Soil Conservation Essay Contest may be obtained from school principals, superintendents, soil conservation superintendents or by writing the Public Service Department of the newspapers.

LETTER TO THE EDITOR:

Please pardon my delay as I have been pretty sick. On the 17 of September, I had a stroke and was in the hospital for awhile, and then on the 12 of this month

I was in bed with flu. As I have not fully recovered from the stroke, so the flu is doing me bad.

But thanks to you for keeping my paper coming, as you will find all of my people are around Mt. Vernon and through your paper I hear from many.

Thanks again,

Dear Editor:

Here comes my remittance for my good old home town paper. We just couldn't stay in the deep south without that big letter from home. Seems like it gets more interesting every year as the time goes by. And I'm enclosing a little extra in case I forget and let my time run out. And I do think you are doing a good job with the paper.

So keep the good big letter coming in our home.

Good luck and God bless you. Mr. and Mrs. S. M. Ballinger
