

THE WEEK IN LIVINGSTON

ROBERT WADDLE, REPORTER

SCHOOL UNDER WAY

The new school term is well under way here and Mr. Charles Parsons reports more than 500 students enrolled and new ones are coming in daily. This number could be increased to 600 after fall farming is finished. Exact enrollment figures will be given later.

SOCIAL

Dr. Webb is out part time but has not reopened his office. Mrs. Sam Halcomb is reported improving, but is still in Berea College Hospital.

Connie Black, who entered Berea College Hospital last Thursday, is home but is still confined to her room. Mrs. John Halcomb is improving rapidly from her recent illness.

Mr. and Mrs. Ray Callahan, of Franklin, Ohio, stopped briefly Monday on their way to Smoky Mountain Park. Mrs. Callahan will be remembered as Rinda Pennington, daughter of

the late Frank Pennington. Burrey Manning, who has been ill, is improving. The Holiness Church held their annual picnic at Levi Jackson Park last Sunday.

ENTERTAIN VISITORS

The Baptist Church entertained two visitors last Sunday who identified themselves as Mrs. Betty Swartz and Mrs. Irene Timberlake of Lexington, Ind. It was learned that both ladies were grandchildren of the late F. P. Gates. Mrs. Gates will be remembered by elders as the man who built the first Baptist Church in Livingston in the year of 1902. This building was destroyed by fire in 1922, and again Bro. Gates appeared to erect the present church in the same year. Livingston has been blessed with very few such visits in its history.

TELEPHONE IMPROVES

Our telephone service shows

some improvement. We called Berea last Saturday and our message was only delayed once.

PEEPING TOM TALE

The "Peeping Tom" furor in Mt. Vernon has aroused a little civic jealousy in Livingston. It has been suggested that we arouse out "Old Caleb" who reigned supreme here around 1920. "Old Caleb" could walk, swim or fly and some said he could pass through key-holes. "Caleb," as we remember him, ranged in looks from a dog to a dinosaur and in size from a jack rabbit to a giraffe. Anyone having information of "Caleb" or any other good, clean ghost report at once to this office as we are sorely in need of publicity.

"GRITTED" BREAD

Had reports of two "gritted" cornbread dinners last week. One man reports that his cornbread will want off chiggers until March first next year.

HUNT DIES

Word has been received here that Walter Hunt, who operated the local coal loading plant, died at his home near London Saturday night.

SPEED TIMER RETURNING

Local police inform us that their electric speed timer will be put back into service in an effort to curb speeding through the school zone here. Warnings to erect the present church in a limited time. Question: Is a driver who is speeding to be warned that he is passing through a school zone a capable driver?

PARRETT HOME SOLD

Emma Parrett sold her home in East Livingston Monday to

Steve Robinson. Price was not disclosed. Miss Parrett is moving to Richmond.

FROM WHENCE?

Coal and hardware dealers here are wearing big smiles this week. Wonder if cool nights could be causing their glee.

TRUCK WRECKS

A large tractor-trailer belonging to a Georgia poultry concern and loaded with eggs wrecked in front of Carl Mullins' store at Calloway Tuesday. Only the truck was involved and no injuries were reported.

CHURCH NEWS

Kenneth Overdorf of Johnson Bible College is the new pastor at the Christian Church here. Fall revival services begin at the Sand Hill Baptist Church Sunday, Sept. 14, with Bro. Bill Hamilton of Berea as evangelist.

The Baptist Church of Livingston will start their revival Monday, Sept. 15, with Roy Mitchell of Corbin as evangelist.

Religious men are still being shown each Wednesday evening at the Baptist and Christian Churches. Subject next week, "Simon Peter, Fisherman."

CORNMEAL "GRITTER"

A "gritter" can be made by melting a top and bottom off a large tomato or peach can. Separate at seam and flatten, punch full of holes with a No. 8 nail, bend lengthwise in a semi-circle and tack tin on a clean board with the center raised one inch.

Gather several ears of white corn that has become too hard for roasting ears, but still has some juice left. Place grater in a pan and rub corn up and down on grater. Grate out the cob, being sure you get the hearts of the grain.

The following recipe is for two people, but may be doubled with the same result:

- One quart gritted cornmeal, not sifted.
- One pinch soda
- One level teaspoon baking powder.
- Salt to taste, (no sugar)
- Make heavy buttermilk batter.

Cover bottom of iron skillet with bacon grease (white bacon preferred)

And pour batter into skillet. Bake in a fast oven, until brown. While bread is still hot get yourself a quart of sweet milk, crumble your bread into a bowl, pour on a lot of milk, get a large spoon then sit back and enjoy the "grub" your forefathers ate that gave them the strength to conquer the wilderness of Kentucky.

PTA MEETING SET

The Livingston PTA has scheduled its first meeting for 7 p. m. Sept. 15. Charles Parsons, principal of the school, said all parents and teachers are invited to attend.

OUR THOUGHT: Our final score will not be tallied on what we belonged to, we will be rated on what we have done.

RED HILL

ATTEND FUNERAL

Those from a distance attending the funeral of Mrs. Martha Drew were: Mr. and Mrs. Ernest Walker, Mr. and Mrs. Charles Hicks, Mr. and Mrs. Ernest Drew and family, Mrs. Flossie Lynch, and Mrs. Letha Puckett and Miss Mary Ann Smith, of Cincinnati, Ohio.

Mr. and Mrs. Charles Phillips and children of Hamilton, Ohio; Mr. Jake Smith of Oxford, Ohio; Mrs. Melvina Orr and children of Whittier, Calif.; Mr. and Mrs. Sylvester Carpenter and children of Dayton, Ohio; Mr. and Mrs. Bradley Powell and Mr. and Mrs. Leonard Powell and daughter of Conway; Mr. and Mrs. John L. Phillips, Bro. George Murphy, Bro. Rolla Cornelius and Alameda Howard of Mt. Vernon.

NEW SON

Mr. and Mrs. Bill Morris are the parents of a baby son, born Aug. 24. He has been named William Henry. Mrs. Morris is the former Miss Stella Hurley.

Mr. and Mrs. Harry Corbett of Louisville were visitors of

her parents, Mr. and Mrs. J. D. Mobley, last week.

The revival closed Saturday night at Red Hill with no new additions. Mr. and Mrs. Willie Lakes and Mr. and Mrs. Bob Barrowers of Richmond, Ind., were recent guests of Mr. and Mrs. Ernest Lakes and family. Mr. J. W. Ruppe was called to North Carolina last week due to the death of his father. Mrs. Ruppe accompanied him there for the funeral.

Mr. and Mrs. Sherman Ponders were visiting relatives in Lexington Sunday.

Mrs. Edd Davis and son, Mark, of Lexington spent the week end with Bro. Davis and attended the revival at Red Hill.

Mr. and Mrs. Tom Lovins of Lexington, were Friday night guests of Mr. and Mrs. John D. Shepherd.

Mrs. Jean Bowles and children of Livingston were Saturday night and Sunday guests of Mr. and Mrs. Woodroe Gilbert.

Mrs. Stella Johnson and son, Ronald Lee, of Livingston spent the week end with Mrs. Ezzel Wise and Piez.

Visitors of Mr. and Mrs. Earl Phillips and family this week includes: Mr. and Mrs. Riley Rose and son and Mrs. Charles Rose and daughter of Richmond, Ind.

Jasper Morris is reported improving after being ill for several weeks.

Mr. and Mrs. Clell Blackburn and daughter of Richmond, Ind., are visiting her parents, Mr. and Mrs. Lonzie Furman.

The children of Mr. and Mrs. Earl Campbell are confined with whooping cough.

Mr. and Mrs. B. H. Griffin of Dayton, Ohio, spent last week with their son, Paul K. Griffin, and family.

Recent visitors of Mrs. Virgie

Ponder were: Mr. and Mrs. Wesley Richardson, Mrs. Evelyn Durham and son, Billy, Mr. and Mrs. Hershell Bryant of Dayton, Ohio; Mr. and Mrs. Jack Durham and children of Laurel County; Mr. and Mrs. Bradley McHaffey of Lamerco; Kenneth Ponder of the U. S. Navy stationed at Jacksonville, Fla.; and Mr. and Mrs. Dell Ponder of Ohio. They all spent the day Sunday at Cumberland Falls.

OTTAWA

STORK SHOWER

Mrs. Vatrov Wright was hostess to a stork shower Saturday night in honor of Mrs. Paty Cable. It was well attended and many gifts were received.

Pvt. Ray Bullock of Fort Campbell, was home over the week end with his wife, Charlotte Ann, and Mr. and Mrs. Floyd Bullock.

Dr. C. W. Hayes of Shelbyville, was to see his mother, Mrs. W. P. Hayes, Sunday. Mode Hamm is at home and reported getting along fine.

Guest of Mrs. Lizzie Shuts Tuesday.

Pfc. Jack Parkerson and Mrs. Parkerson of Columbus, Ohio Air Force Base visited his grandmother, Mrs. Patsy Adams, Saturday.

Mr. and Mrs. Paul Robbins, Mrs. Joan Brown and Mr. and Mrs. Edward Thompson were Sunday guests of Mr. and Mrs. Edd Brown and family.

Mr. and Mrs. Floyd Brown of Lockland, Ohio, are spending this week with their parents, Mr. and Mrs. Edd Brown, and Mr. and Mrs. Jarve Norc.

Remember the revival meeting at Ottawa beginning Sept. 22 with Bro. Paul Payne as the evangelist. He is a former pastor. Everyone invited.

BOB AND PAT DUNNING'S DREAM CAR COMES TRUE IN PLYMOUTH'S END-OF-MODEL CLEARANCE SALE

Many young local couple takes advantage of year's lowest prices. Bob and Pat Dunning had put off buying a car. Budget. Wanted to see what would happen.

Last week as Bob, a commercial artist, was driving to work he noted a sign in a Plymouth dealership reading, "End-of-Model Clearance Sale. Lowest Prices of the Year." "Just," as he says, "for the fun of it," he stopped his car and went in. Chatted with a Plymouth salesman. Couldn't believe his ears.

Bob and Pat own their new Plymouth's

now-made the best deal of their lives.

You can, too, if you hurry. This End-of-Model Clearance Sale will be on at your Plymouth dealer's until the last 1958 is sold. All models included, and all at the year's lowest prices. All come equipped with Plymouth's luxurious Torsion-Aire Ride at no extra cost. All feature sleek Silver-Line Styling. Total-Contact Brake-shilling sports-car "feel," other Plymouth exclusives. Engine options even include the breath-taking Golden Commando V-8.

Better stop in at your Plymouth dealer's today. If you've been waiting to "see what happens" ... it's happening right now!

Here are some things to remember in handling the crop: 1. Space this big tobacco as far apart in the barn as conditions will permit...

2. Open ventilation vents in barn in morning and close them in the late afternoon. 3. If the crop is not curing by natural means...

Just because there has been lots of rain this summer and the grass has been growing like mad is no reason for one to neglect his lawn...

He has begun again. Hauling and curing of this crop will be the critical part of the operation in 1958.

U.S. 25 Traffic Accident Tears Tractor-Trailer In Half

TRUCK TORN IN TWO—A tractor-trailer, shown above, was torn in two Tuesday when it wrecked near Livingston on U. S. 25. Two other vehicles were slightly damaged in the accident, but nobody, including the truck driver, was injured. The truck carried 16 tons of salt.

A traffic accident which tore a large tractor-trailer in half about seven miles south of Mt. Vernon Tuesday morning, left the truck's driver unhurt and two other vehicles only slightly damaged. No charges were placed against Kefter Roger Pruitt, 27, of Commerce, Ga., driver of the truck loaded with 16 tons of salt. State Trooper Willis Martin gave the following account of the accident:

Pruitt was travelling south on U. S. 25 near Calloway about 10 a. m. when a truck in front of him started to turn off. As Pruitt swerved to miss the truck, he hit still another parked truck which belonged to Francis Francisco of Livingston. The Pruitt vehicle then ran into a ditch, broke in two between the tandem and the dollies, turned on its side, hit the parked automobile of Sallie Mullins, Mt. Vernon Route 2. U. S. 25 when an auto driven by Mrs. Elizabeth Thomas, 39, Berea Route 3, swerved to miss a car turning off in front of her and went into a skid. The car hit a bank, tore up the front end, and injured Mrs. Thomas' daughter, Norma Jean, 17, slightly. Trooper Martin said one roadblock which was set up in the county during the past week netted several moving hazard violations, a dozen other citations, and eight warnings.

The truck driven by Pruitt belonged to Commerce Poultry, Inc., of Commerce, Ga. The only other wreck in Rockcastle County during the past week which was investigated by Trooper Martin occurred at 1:45 p. m. Sunday about two miles south of Mt. Vernon.

"Bloody Harlan" Sign Causes Controversy

HARLAN, Sept. 9—Harlanites were divided this week over a controversial billboard referring to "Bloody Harlan" erected near the north City Limits. In large letters, the sign—erected by insurance man H. Nick Johnson—proclaims "Welcome to Kentucky's Friendliest Town—Bloody Harlan."

Rockcastle To Get Additional \$63,830

FRANKFORT, Sept. 9—Economic Security-Commissioner Vego E. Barnes said this week that increased public assistance payments to Rockcastle County will bring an additional \$63,830 into the county during the remainder of the 1958-60 biennium. Barnes said this increase reflects increases promised several weeks ago during the series of statewide meetings conducted by his department.

OWENTON, Sept. 8—Eight Negroes were admitted to Owen County High School Monday for the first time in history. "Everything is running smoothly," said Principal Cyrus Green. "We've had no incidents."

Happy Says Robison "Meddling In Affairs"

FRANKFORT, Sept. 9—Gov. A. B. Chandler accused U. S. Representative John M. Robison Jr. this week of meddling in affairs of the Commonwealth for political purposes. Robison had requested last week that the U. S. Dept. of Health, Education, and Welfare suspend allocations of surplus property to Kentucky because of "partisan politics" in the program at Frankfort.

Man Electrocutated At Berea Tuesday

BEEA, Sept. 9—A Nicholasville man, 26-year-old Franklin Preston, was electrocuted here Tuesday when he touched a high-tension wire while working on Berea's power system.

Machines Damaged, Loot Taken From Cafe

Burglars carried off some \$100 worth of merchandise and coins Saturday night after they broke into Hamm's Drive-In on U. S. 150 about three miles from Mt. Vernon. Damage to a coin-operated phonograph and a pinball machine was extensive, but no actual estimate could be obtained. The loot included a case of canned chili, four or five cartons of cigarettes, money from a purse belonging to a waitress and coins from the pinball machine. The coins in the phonograph were not reached although damage to the machine indicated that the thieves had tried for some time.

Harris Hamm, operator of the cafe, said he believed the burglars were scared away unexpectedly because of the large amounts of merchandise which were untouched. Money in a jar on a kitchen shelf—tips belonging to one of the waitresses—went unnoticed by the thieves. Hamm said entrance was gained by prying open a window in the rear of the building. The burglars left by way of the back door. An electric light outside the back door had been unswitched and thrown away.

The burglary was discovered when the restaurant was opened the next day.

Potato Crop Reported Largest

E. Abney of Mt. Vernon said this week that this year produced the "biggest potato crop I have ever seen." The yield, 260 bushels from 1,000 lbs. planted, was harvested on the property of Mr. and Mrs. Carl Leach in Mt. Vernon.

THOMPSON ENLISTS

Alden Thompson, son of Mr. and Mrs. Fred Thompson, Broadhead Route 1, has recently enlisted in the U. S. Air Force and was assigned to Luke Air Force Base, Ariz. Thompson had recently been discharged from the U. S. Navy with more than 10 years service. He plans to make the Air Force his career.

During Second Year Of Operation ...

Figures released this week show a sharp increase in both the number of bed patients and out patients at the Rockcastle County Baptist Hospital during the past year. The statistics, made public by Administrator Floyd Owens in connection with the hospital's second anniversary celebration last Sunday, show the number of bed patients increased from 819 to 912 and the out patients from 1,981 to 2,697. Owens said he believes the number of patients is expected to increase even more since "we now have a doctor on call 24 hours a day to see emergency patients who call here for help."

Hospital Shows Sharp Increase In Number Of Patients

refreshments Sunday afternoon. The Women's Auxiliary and the Red Cross Grey Ladies were in charge of details of the open house. Other statistics released by Owens show the following comparisons between the first and second years of operation at the hospital: Babies born—first year, 126; second year, 159. Laboratory examinations—first year, 1,204; second year, 1,254. X-Ray examinations—first year, 488; second year, 578. Electrocardiograms—first year, 32; second year, 38. Blood transfusions—first year, 44;

New First Aid Instructors Now In County

Six recently graduated first aid instructors will soon begin teaching a series of courses at local institutions under the auspices of the local Red Cross chapter. The six new instructors, who finished a 15-hour instructors course in July, are: George Pre-witt, John Cox, Miss Betty Miller, Mrs. Laura McFarquar, Mrs. Sue Burdette and Floyd Owens.

Prior to that time, the county had only one first aid instructor, Miss Dollie Winstead. The recent course was taught at the Rockcastle County Baptist Hospital by a Red Cross Regional first aid director. Those who completed it are eligible to teach junior and advanced first aid. They had previously completed courses in advanced first aid themselves.

Nunnelley said persons or groups interested should see him for details.

Mrs. Collett Tells Of Public Aid Rules

At a recent meeting of the county Social Service Advisory Committee, Mrs. Lillian Collett, senior field worker in the county public assistance office, discussed the first three rules regarding incapacity—age, residence and deprivation of parental support.

Douglas Hysinger, also a field worker in the Mt. Vernon office, also attended the meeting.

Johnson Takes Part In Training Jump

Army Pfc. Clinton K. Johnson, 23, whose wife, Glenda, lives in Livingston, recently participated in a tactical training parachute jump with the 24th Infantry Division in Germany. A jeep driver in Company D of the division's 503d Infantry, Johnson entered the Army in January 1957. He completed basic training at Ft. Chaffee, Ark., and arrived in Europe in October, 1957.

Bank Of Mt. Vernon Will Start Accounts For New Babies

Officials of the Bank of Mt. Vernon announced at the Rockcastle County Baptist Hospital's open house Sunday that the bank will open new savings accounts for all babies born at the hospital. The accounts will be opened in the babies' names, will start with a \$1 deposit for each child, and each baby will be given a savings book to show the first month of deposits.

Wool Incentive Payments Are Told

Incentive payments already made to Rockcastle County farmers under the 1957 wool program totaled \$371,555 as of Aug. 6, according to the County Agricultural Stabilization and Conservation Office.

The payments started around Aug. 6, 1958, and covered shorn wool from the market by the end of the year. Applications for 1957-program payment had to be filed at the ASC Office by April 30. Twenty-nine applications for wool payment and nine applications for lamb payments were filed before the deadline.

Shorn wool payments for the 1957 marketing years amount to 15.5 per cent of the dollar returns each producer received from the sale of shorn wool during the marketing year. This results in an incentive payment of \$15.50 for every \$100 received from the sale of shorn wool.

Fiscal Court Discusses State Retirement Plan

Staking Of Phone Lines Begins Here This Week

Staking of telephone lines for a new telephone exchange at Rockcastle County began this week, according to an announcement by Oscar Bruner, manager of the division of the Northeastern Telephone Corp. at London.

About 250 miles of lines will be erected in the county to serve an estimated 1,300 subscribers, Bruner said. When staking news completed, contracts will be let to construction companies for pole and line installations.

Alvin Adams, manager for Rockcastle County, announced additional toll circuits will soon be installed between Broadhead and Danville and between Mt. Vernon and Danville. These will set up long distance service, he said.

Adams also reported the commercial survey for telephone subscribers in rural areas is about completed, and asked that persons who are not contacted and who want telephone service, to contact personnel at the telephone exchange at Mt. Vernon.

He stressed the importance of the survey and said that lines cannot be erected in areas where they are no subscribers. The new dial telephone system is expected to be complete by the end of the first half of 1959, Bruner said.

Mrs. Tissue Hampton Dies At Danville

Mrs. Tissue Hampton, 80, Broadhead Route 1, widow of El Hampton, died Sunday, at Ephraim McDowell Memorial Hospital in Danville after an illness of two years. She was a member of the Church of God, a native of Harlan and had lived in this area for 46 years.

Survivors include four sons, Pearl Hampton, Broadhead Route 1; Gilbert Hampton, Mary Helen; Hobart Hampton, Lexington, and Elmore Hampton, Cincinnati, Ohio; one daughter, Mrs. Rhoda Mae Holman, Ohio; one sister, Ruth Irvin, Crab Orchard Route 1.

Funeral services were conducted at 2 p. m. Tuesday at the Broadhead Church of God by the Rev. Willie Lewis Bunting, who was in charge of arrangements.

CHICKENS WEIGH HEAVY

G. H. Griffin of Mt. Vernon this week sold his first load of 5,000 broiler chickens and their average weight was 3.84 lbs. Griffin said only 30 of the 5,000 chickens died. He starts raising a new load Monday.

New Corn Program

Farmers in commercial corn counties will have an opportunity to vote their choice between two corn price support-production programs, Mullins said today.

In accordance with agricultural legislation enacted late in August of this year, corn producers in the commercial area will select a single program from two offered in a referendum.

The Rockcastle Fiscal Court, at a called meeting Tuesday morning, discussed at length the feasibility of placing county officers under the recently created County Employee's Retirement System. Although no official action was taken, the county attorney was requested to obtain more detailed information for use in further discussion of the matter by the Court at a later date.

The retirement system, created by the General Assembly this year, provides that the Fiscal Court in each county elect, to include elected county officials and their assistants in the statewide retirement plan.

The general provisions of the plan are that the officers affected would contribute a small percentage of their pay, the county itself would contribute a sum of similar size, and these funds would be used to set up retirement payments for county officers.

The amount of retirement pay an officer would be eligible for would depend upon how much money he makes while in active service and the number of years served.

Should an elected officer be defeated for re-election before he serves the minimum number of years necessary to make him eligible for benefits, all the money he would have contributed, plus interest, would be returned to him.

Under the law, an officer defeated for re-election could continue under the plan for eight years while out of office and seeking to become a county employee again.

The chief reason for failure of the Fiscal Court to act on the retirement proposal at Tuesday's meeting, appeared to be a lack of clear, accurate information concerning the law.

County Attorney James W. Lambert was asked to write the board which administers the retirement system to get that information necessary for the Court to make its final decision.

The Court also heard rough estimates on the cost of a central hot-water heating system for the courthouse and jail. Although there was some discussion of this matter, action was continued until the Oct. 7

A POINT OF INTEREST

An announcement this week by Rockcastle County Baptist Hospital Administrator Floyd Owens should be of vital interest to citizens of this and neighboring communities who expect to live in this area for any great length of time.

Owens pointed out that the hospital now has 24-hour a day emergency service and that no one will be sent to another hospital due to a lack of personnel to provide treatment.

A story in the Signal recently told of the Rockcastle Fiscal Court's granting \$550 toward paying delinquent pauper accounts at the hospital. The hospital doubtless needed this money.

A bit of analysis leads us toward two reasons why the hospital needed the money.

First, obviously, they had had several patients who could not pay their bills. This, however, is true of any hospital. Most other hospitals, though, have enough patients who can pay to offset the ones who cannot.

This leads us to the second reason for the local hospital's financial dilemma: The hospital needs more patients and many of those persons in Rockcastle County who find it necessary to go to a hospital, do not go to our local hospital.

At certain times in the past, the local hospital has had to send emergency patients on to Berea due to lack of personnel.

Now, the hospital's administrator assures us that this is no longer necessary. A doctor is available for emergency cases around the clock and there is no excuse for the hospital's beds to go empty when we have Rockcastle Countians lying in out-of-county hospitals.

Our local hospital needs our local support if it is to operate efficiently and successfully. Without our support, it is conceivable that we could lose it.

And if we should, we would then be without one of our biggest attractions to outside industry. It would mean taking a step backward instead of forward.

It is the duty of all of us here to see that this backward step does not come about through our own lack of interest.

Berea Takes Mt. Vernon In Season's First Tilt

The Mt. Vernon High School Red Devils lost their first football game of the season as they were trampled by Berea 25-0 Monday night at Berea.

Both teams showed a lack of smooth teamwork and neither was impressive offensively or defensively, probably due to a lack of experience on both sides.

The Berea team made much of two intercepted passes and scored each time while Mt. Vernon failed to keep control of the ball long enough to penetrate past Berea's 20-yard line.

Penny Nunneley, Oscar Fain, Buddy Cox and Darrell Stepp all made good showings for Mt. Vernon.

Coach Larry Travis expressed high hopes for his Red Devils when he said after the game, "We will look like a completely different team before we play our first home game Sept. 26."

The Eminence game is scheduled for 8 p. m.

Other games scheduled for the season are: Sept. 11—Perryville; Away Sept. 26—Eminence, Home Oct. 3—Burgin, Home Oct. 9 or 10—Paint Lick, Away Oct. 17—Perryville, Home Oct. 20—Berea, Home Oct. 30—Camp Dick Robinson, Home

All home games will be played at 8 p. m. at the Mt. Vernon High School field. Admission price is 50 cents for adults and 25 cents for students. The team needs plenty of support, so let's get out and give it to them.

FISCAL COURT
(Continued from page 1)

meeting.

A representative of a firm which specializes in heating told the court that, in his opinion, it would cost between \$10,000 and \$12,500 to install the heating system.

This sum would not include the boiler or the flue—both of which would be necessary should the court decide to install the plant.

The boiler could be built in the basement or in a specially-made outside compartment, he said.

For a lesser sum, the county could install a heating system in the courthouse alone, the firm's representative said.

Then, with a large boiler, the jail could be included later. He made no actual estimate on the cost of such a system, however.

The matter of a heating plant arose when the county jailer recently reported to the court that provisions must be made soon for heating the building because the stoves now in use are worn out.

dum to be held sometime before Dec. 15, 1958. The new Act puts the decision between two price support programs squarely up to the producer. A majority

vote will decide the issue. The act will be an whether acreage allotments and the commercial corn area will be discontinued, with the support level for corn at 90 per cent of the average price received by farmers for the preceding three years but not less than 65 per cent of parity.

If, however, the new program is not approved by a majority of those voting, corn acreage allotments will continue to be in effect in the commercial corn areas, and the minimum level of support for corn will continue to be between 75 and 90 per cent of parity, the actual level to be determined—as in the past—on the basis of the supply percentage.

"HE THAT WILL NOT BE COUNSELLED CANNOT BE HELPED." — Thomas Fuller
Although most people prefer to resolve their problems without help, there may arise from time to time certain situations which are beyond the capacity of the individual to successfully handle. At such time it is not an indication of weakness to seek out qualified aid. However, whether or not one actually seeks out help, if wise and qualified counsel is offered in good faith and rejected or ignored without weighing its merit and considering how it might be used to solve the pro-

blem at hand, then we have wasted our time and the time of others; for those that will not take advice occasionally, cannot be helped.

'Better Than A Letter From Home'

The vacation season is about over for this year and one thing particularly sticks in our minds as we think back over all our former residents who have dropped in to see us during the past several weeks.

Nearly everyone who lives away and came in to renew his subscription told us the Signal was "better than a letter from home."

Although these people now live in Ohio, Indiana, Michigan or other states, they still consider Kentucky and Rockcastle County their home. And they are still vitally interested in the "goings on" here in the county.

They satisfy this appetite for home-town news by reading the Signal which, as they say, is "better than a letter from home."

If you have a relative who lives out of the county who doesn't already get the paper, why don't you stop in soon and subscribe for him or her. It only costs \$3 a year and we take care of all the mailing.

For the person who is away and still takes an interest in his native land, the Signal is "better than a letter from home."
