## Officers Arrest Three During Moonshine Raid

### Still Found On Government Land

County, State, and Federal officers Saturday night confiscated a moonshining apparatus and apprehended three Rockcastle County men in connection with the illegal operation near Red Hill.

The three, Clyde Mullins, Red Hill; Roland Carpenter, Trace Branch; and Gene Smith, Livingston, were taken to London Monday where they were to be charged with possession of tax unpaid whiskey and trespassing.

The trespassing charge stems from the fact that the moonshining operation took place on government-owned land. The charge being placed against them marks their first offense.

A deputy sheriff who took part in the raid said that the still was relatively new and that only one successful "run" had been made from it. A second run had been completed when officers made the raid.

Confiscated were one 60 gallon pot, one 35-gallon barrel cap, a 9 1/2" worm; a 60-gallon flask stand, one piece of a steel barrel; one 60 gallon barrel of mash; four and one-half gallons of whiskey. A live galena-stone rock and numerous quart jars and gallon jugs.

Officers taking part in the 2:40 p. m. raid were Sgt. J. H. ATU agent Douglas Hutton, State Policeman Carter, Deputy Sheriff Robert Almy and Constable Ollie Mullins.

## New Year's Eve Party At Baptist Church Here

The First Baptist Church of Mt. Vernon will hold a New Year's Program tonight (Wednesday), beginning with the regular church services at 7:15 p. m., and progressing throughout the evening.

After the service, two socials will be held in different parts of the building, one for adults and another for young people. Two films will be shown in the auditorium.

The first, a film for the young people, is entitled, "Are You Popular?" The film depicts two teenagers going on a date and discusses some of the more important teenage problems.

The other film, entitled "Facts of Faith," deals with the miracle of science and the miracle of spiritual rebirth, both brought into dramatic focus in the film. In it, a demonstrator allows one million volts of electricity to be discharged from his body, tries an egg on a cold "hot plate" made of wood, breaks a goblet with high frequency sound, and floats metal rings in mid-air by electromagnetic forces.

At midnight, everyone will gather in the auditorium and hear the chimes announce the coming of the new year. Refreshments will be served during the evening.

The Rev. Lee Hopkins, pastor of the church, stressed that the church is a fine place in which people like to be celebrating the New Year's Eve, and invited

## Countain Arrested On Madison Warrant

Calvin Johnson, 29, of Rockcastle County, was arrested at Berea last Sunday by Madison County Sheriff Pearson Harrison on a Madison Circuit Court bench warrant.

The warrant had been the object of a search following indictment in Richmond last Feb. 12 on a charge of tampering with a motor vehicle without the consent of the owner, Joe Jones, on Ky. 421.

The justice of Madison County Judge R. O. Moberly revealed that a warrant was issued on Nov. 20, 1957, in which Johnson was charged with armed robbery. C. T. Allen claimed in the warrant that Johnson forced him at gunpoint to remove a tire from his car.

## Confidentially Yours

by Don Deaton  
As 1958 becomes a memory and young 1959 grabs the spotlight from the old veterans, a backward glance at the past twelve months reveals 365 days that, while maybe not the most satisfying of all, at least provided an interesting period of time for us.

For instance, this was the year in which a school bus plunging over a Floyd County embankment into the Big Sandy River and a Catholic school fire in Chicago took over a hundred lives and captured the attention of the nation.

It was a year which saw the stock market defy all standards in soaring to new highs, while a general recession held the nation's economy at a standstill. It was also a year which spared the farmer from the effects of the recession he enjoyed a record year, especially in the burley-tobacco warehouses.

1958, the grand old man, staggered through times of vast unemployment, much of it in the economy-stabilizing auto industry.

It was a year that was pockmarked by repeated attempts by the United States to surpass the Russians in the rocket-race, and one which fortunately saw our country emerge victorious.

Old 1958 saw two recognized champions return to their thrones as the New York Yankees and the St. Louis Cardinals, from behind-wing in the World Series, while the underdog University of Kentucky basketball team surprised the nation's sports fans in winning an unprecedented fourth term upon the collegiate basketball throne.

In Mt. Vernon, it was characterized by much optimism concerning the location here of a factory by year-end, a possibility which we now realize as an unreality for this year.

## County Hospital Board Accepts Owens' Resignation As Director

### Mrs. Cromer, 76, Dips In Hospital

Services were held Monday at the Sparks Funeral Home Chapel in Mt. Vernon by Bro. Charlie Philbeck for Mrs. Armita Catherine Cromer.

Mrs. Cromer, 76, of Mt. Vernon, died Saturday at the Rockcastle County Baptist Hospital after an illness of several weeks.

Survivors include her husband, Logan Cromer, three daughters, Mrs. Ella Isaac, Mrs. Nellie Payne, and Mrs. Etta Rowe, all of Mt. Vernon; two sons, Virgil Cromer, Mt. Vernon, and Raymond Cromer, Sharonville, Ohio; nine grandchildren, and two great-grandchildren.

Burial was in Rowe Family Cemetery. Sparks Funeral Home was in charge of arrangements.

### Has No Immediate Plans For Future

The Rockcastle County Hospital Board of Directors announced today that it has reluctantly accepted the resignation of hospital administrator Floyd Owens. The resignation, submitted at the Dec. 5 board meeting, is to become effective as of Jan. 1.

The board accepted the resignation only after it had asked Owens to reconsider.

Owens was employed by the hospital in June, 1956, after completing two months of training at the Corbin Baptist Hospital. Working alongside the Rockcastle Fiscal Court, he ordered equipment and supplies under the Hill-Burton Act, which provides for their purchase.

While supervising the installation of equipment, Owens also sought out and employed personnel to staff the hospital. Most of those employed at that time are still serving at the hospital.

Owens, who is prominent in civic affairs in the County and serves as a member of the Mt. Vernon City Council, has not yet announced his plans for the future.

A native of the county, Owens is a life-long resident except for the time in which he served in the Army during World War II. The board expressed a desire that his future plans will permit him to remain in Mt. Vernon.

Since the opening of the hospital in September, 1956, through the past November, 1,916 bed-patients and 5,062 emergency patients have been admitted to the hospital. In that time, 198 major operations have been performed and 314 babies have been delivered. Hundreds of tubercular lab patients have been served.

A fund-raising drive at the opening of the hospital provided for the purchase of thousands of dollars worth of necessary supplies such as drugs, food, surgical, x-ray and laboratory equipment.

The board reported also that a number of important pieces of medical equipment has been purchased since the hospital's opening, and stated that Owens has made every effort to keep the local hospital abreast of new developments in the medical field.

Although the hospital has continuously been sponsored by the Baptist churches in Rock-Helen Owens of Mt. Vernon.

Will be at Dixie Boone Tourist Court, Room 2, from January 2 through April 15.

## Underdog Red Devils Almost Become Cinderella Team In Berea Tournament

In the championship contest Saturday night, Mt. Vernon built up a two-point lead at half-time and extended it to seven at the end of the third quarter, but another late rally by Paint Lick enabled that team to outscore the Devils 16-8 in the final frame and take the tourney trophy with its second one-point squeaker against Rockcastle teams in the tourney.

Playing Saturday night for third place honors in the tournament, Brodhead was never able to take command on the hardwood as Stevens and Bradley became the only Brodhead players to hit in double figures. Four Berea hoopsters scored above 10 points in giving their team the 85-57 win.
