The Newest of Everything Great! The Greatest of Everything New!

Smart looking? You bet! And comfortable, too!

Sure, styling is important in a new car. You expect a new car to be sleek and smart - but not at the expense of comfort. Yet in trying to design a car as low and modern looking as the Swept-Wing Dodge, some '59 cars have practically designed out the people. Not Dodge. It's designed around you. It's easier to get into (no protruding floor posts), easier to get out of (no high door sills to trip over), more comfortable to sit in (there's room to spare). All this and Swivel Seats, too!

New '59 DODGE

Be sure to watch the "Dodge Dancing Party" with Lawrence Walk every week on ABC-TV. Check your paper for time and channel.

Farm And Home News

BY
H. Leo Durham, Martha Owen and
Paul Claiborne, Co. Extension Agts.

White Sales Not So White:

Thrifty housewives have learned that January is a good time to replenish the supply of household linens at the annual white sales. The so-called "white sales" this year include plaids, checks, stripes and florals, as well as stacks of solid white pieces.

They also include tablecloths, place mats and matching napkins of beautiful imported linens. You may choose a color that will contrast or blend with other dining room colors.

There is other news for housewives. Even though you haven't enjoyed using fitted sheets, you may like fitted mattress pads. New also are sheets with the fitted bottom ends only, which may be used for both top and bottom sheets, thus distributing the wear.

Nylon tricot sheets are available at reduced prices, being slightly less than the finest percale. When practicality is of first importance, a washable sheet is a good buy, as it wears somewhat longer than the finer percale and costs about \$2.00 less than the January sales. Selections may be made from plain white, which is lowest in price, or from stripes, florals or pastels.

Fluffy quilts filled with dacron are of interest. They come covered with durable cotton percale, and may be washed without the filling material's matting or mildewing.

Both sets in nylon and acrilan

may be bought at reasonable sale prices.

Cotton continues to hold an important place in the list of household linens. They are gay kitchen hand towels, dish towels, bed sheets and hot pads, besides such important pieces as bedspreads, bath towels of various sizes, and wash cloths.

Beans—A Penny Saver:

Budget-conscious housewives trying to keep food costs under control this year should not overlook the many varieties of dry beans that are on the market.

They are economical, nutritious, plentiful and storable. A protein food, beans may substitute for meat if an animal kitchen bean, which is usually the red variety.

Most retail stores carry these varieties in the canned form as well as dried. If time is a factor, the canned products will be most convenient, although the cost of drying will be slightly less per serving than those of small size.

Dry beans of the various varieties may be bought in packages of 1 or 2 pounds, the small size yielding nine servings. Buying in larger quantities is desirable from the price standpoint if storage space is available. They should be kept tightly covered in a cool, dry, dark place.

Diffry beans fit into various cooking patterns, although it is difficult to imagine any better dish on a winter's night than slow-cooked baked beans with bacon or salt pork and molasses, crisp corn slaw, brown bread, butter, milk and a fruit desert. Tomato sauce, mustard, catsup, onion, and celery are other flavor foods that combine well with dried beans.

Tractor Maintenance Course:

A tractor maintenance course for 4-H and FFA members will be offered again this year to those who are interested. A special tractor committee met in the county agent's office Monday morning and worked out plans for the course in the county. Members of the committee who helped make the plans are: Earl Hammons, Standard Oil Distributor; Clyde Linville, Supt. of Mt. Vernon City School; Stewart Parsons, Parsons Implement Company; Phillip Davis, Bryant Brothers Hardware Store; and Harry Harmon, employee of the Southern States Agency.

The course will consist of 8 lessons on such things as tractor safety, cleaning the tractor, greasing, oil change, and several other things pertaining to tractor maintenance.

The committee made tentative plans for the course to be taught at Livingston High School, Brookhead High School and Mt. Vernon High School. The course will be taught by Stewart Parsons and Harry Harmon. Both Stewart and Harry have had courses at the University of Kentucky in tractor maintenance.

Each 4-H or FFA member taking the course will have a workbook to fill out along with suggested lessons for each meeting.

The tractor maintenance course is sponsored by Earl Hammons, in cooperation with local tractor dealers. All boys completing the course will be eligible for the county tractor driving contest which will be held this summer. Two divisions of the tractor driving contest will be held, namely a junior division for those 13 years of age and younger and a senior division for those 14 years of age and over. The county winners of both the junior and senior divisions will compete in a District Tractor Driving Contest. Winners of the district contest in both junior and senior divisions will compete in the State Tractor Driving Contest at the Kentucky State Fair in September.

Nice trophies for the county tractor driving contest will be furnished by Hammons.

Make plans now to attend Farm and Home Week January 27-30 at the University of Kentucky.

Five general sessions, in addition to a score of special sessions on farm research and such that are discussed, feature the 1959 schedule of the 47th Annual Farm and Home Week. Two general sessions will be held on Tuesday, Jan. 27, Wednesday, Jan. 28 and one on Thursday, Jan. 29. On Friday, Jan. 30, tobacco takes the whole day. All five general sessions open at 9:00 a. m. (C.D.T.).

--- HUMMEL ---

Rev. Kirby filled an appointment at Hummel Church Sunday.

Rockcastle Missionary, Bro. Wm. Reynolds, of Mt. Vernon also attended church. Mr. and Mrs. Edgar Adams and Brenda and Pauline McGuire spent the week end with Mr. and Mrs. Aster McGuire.

Claude Abney and family of Climax, visited his parents, Mr. and Mrs. Charlie Abney, Sunday. Charles Robert Clark of Mt. Vernon visited his grandparents, Mr. and Mrs. Rex Coffey, Sunday. Lloyd Coffey also visited the Coffeys Sunday. Ralph Mason and family were in Mt. Vernon Sunday. Mr. and Mrs. Tom Clark of Berea visited her parents Sunday.

Why get two when one will do?

ELECTRIC WASHER-DRYER in ONE compact unit

- Save space
- Save work
- Save clothes

Is space at a premium? Buy a compact electric washer-dryer combination. Takes less space than two separate units — and does the complete job of washing and drying automatically. Install anywhere. The right location — kitchen, laundry, utility room or bathroom — makes your work easier, saves you time and steps.

The electric washer-dryer is a work-saver! No lifting heavy, wet wash from washer to dryer. Clothes are washed and dried automatically in one continuous operation. Clean, gentle electric heat saves clothes too... dries them to perfection — away from flames, fumes, bleaching sun and dust.

Buy a combination electric washer-dryer.

only about 7¢ a load is all you pay to wash and dry clothes electrically.

This is the average cost with our low electric rates.

"WHERE THE BOWENWAY JOINS THE DIXIE"
VOLUME—70 NUMBER 17

THURSDAY, JANUARY 22, 1959
MOUNT VERNON, KENTUCKY

THE OLD AND THE NEW—Outgoing president G. H. Griffin of Mt. Vernon congratulates his successor in that position, O. Kirk, center, of Warren County. Also looking on is E. K. Cook, Somerset, secretary-treasurer-elect. The new officers were elected Saturday morning at the convention of the Magistrates and Commissioners Association, which was held Friday and Saturday at Renfro Valley.

Magistrates Elect New Officers At Convention

G. H. Griffin, Mt. Vernon, outgoing president of the Magistrates and Commissioners Association, was elected to the Board of Directors of the organization at its seventh annual meeting at Renfro Valley Friday and Saturday.

Bad weather and treacherous roads combined to cut down attendance from an expected 75 to 45 at Renfro Valley. Mt. Vernon welcomed the first state-wide convention to this county.

Commissioner George Stanford of Covington defined the meeting and the commission types of government, and told the group that "any laws, whether for magistrates or commissioners, should apply to both groups. I sincerely hope this meeting will result in good legislation for us."

A justice of the peace from Jefferson County blamed the magistrates themselves for not having their laws passed. "You represent 120 counties," he told them, "and are elected by the same people who elect the legislators. You are closer to the people than any elected officials, and it is up to you to lobby for the good of the people."

John B. Darnell, head of the newly-created county retirement system, followed Mr. Lambert on the speaker's platform. Judge Darnell, who was one of the charter members of the Association when it held its first meeting in Frankfort seven years ago, told the group they had to work hard for Billie pay, and prior to the last legislature had no system for retire-

Schiffs Command Top Turkish Tobacco Prices

Mr. and Mrs. Andrew Schiffs, Crab Orchard Route 3, command the top prices on a consignment of Turkish tobacco which they recently marketed at a special sale in London.

In addition to being the only farmer in the county who grows the experimental Turkish tobacco, the Schiffs are taking part in the University of Kentucky's burley tobacco experimentation program.

Jane Anderkin Dies At Home Of Daughter

Sarah Jane Anderkin, 62, died of a stroke at 8:30 p. m. Monday at the home of Mrs. Etta Mullins, a daughter, at Red Hill.

Joseph P. Holsing Dies Monday Morning

Joseph Paul Holsing, 84, died early Monday morning in bed at his home in Pine Hill.

NAME WAS OMITTED

The name of James W. Lambert, who was re-elected a director of The Bank of Mt. Vernon, was omitted last week from the list of directors. Lambert, County Attorney, was among the group of directors who were re-elected by acclamation.

Deadline Is Near For Reporting Farm Wages

January 31 is the deadline for reporting the cash wages paid in 1958 to farm employees, the Internal Revenue Service stated today.

Pitman Home Destroyed In Early Friday Night Fire In Mt Vernon

The fire started around a pitman in an upstairs room while Pitman, his wife and three daughters, were away.

Firemen Are Unable To Arrest Flames

Strong, icy winds fanned an early Friday night fire into all-consuming inferno that completely destroyed the home of Clifford Pitman here and caused an estimated \$15,000 damage.

FLAMES LEAP HIGH as the home of Clifford Pitman burns without restraint early Friday night. Fanned by high winds, the fire quickly gutted the house with all its furnishings and spread to surrounding trees. The fire started in a flue in a second-floor room located in the upper left corner of this picture.

Services Held Sunday For Childless Infant

Funeral services were conducted Sunday, Jan. 18, by the Rev. Lee Hopkins for Jeffrey Childers, infant son of Mr. and Mrs. Cecil Childers, who died 50 minutes after his birth in the Rockcastle County Baptist Hospital.

REVIVAL SLATED

Beginning Saturday, Jan. 24, the Rev. Willard Scott of Cumberland will conduct a revival at the Pentecostal Church in Crab Orchard. The public is invited. Rev. S. T. Rector, pastor of the Church, will assist Rev. Scott.

ACP Is Useful Tool For Conservation Plans

Rockcastle County farmers who are making thoughtful plans to manage their farms in the coming year for both their family production needs and their land conservation needs, will find the 1959 Agricultural Conservation Program a useful tool.

Local Teams Lose Two Of Three To Outsiders

Starting his first game for the Mt. Vernon Red Devils here Friday night, senior forward Wayne Taylor scored 20 points, only one point less than Livingston's Paul Sturgill, but the Livingston zone defense proved too much for the Red Devils as the visiting Blue Devils took a 56-39 verdict from Jack Law's charges.

In the top game of the week on the local scene, Mt. Vernon operating Sturgill rebounded and shot with seemingly effortless ease as fellow teammate Walter Battleground scored 24 points to take runner-up honors in leading for the visitors to victory.

Trailing 27-15 at halftime and 45-24 at the end of the third quarter, the Red Devils made a spirited attempt to catch up in the final frame, but the visitors 15-10, but the margin was too great to overcome.

This second meeting of the season between Mt. Vernon and the Blue Devils had an added significance. For the first time since the team's arrival in Lexington and Mt. Vernon had pledged five cents a point for each point their favorite team scored in the contest.

In Tuesday night engagements, Taylor again scored 20 markers, but Mt. Vernon relinquished a 23-point margin as Bush triumphed 74-51, while Livingston took a 72-57 decision from highly-ranked Lily, both local teams playing on foreign courts.

Taylor's 20-point output against Bush was backed up by Charles Farris 13 points, but was eclipsed by the 29 points gathered by Reams of Bush. Sturgill's 24 points in the 29 points scored by Mize of Lily.

Broadhead, scheduled to host to Hustonville Friday night, had the game postponed because of bad weather, and it will be played this Saturday night at the Breckenridge gymnasium.

In a Tuesday night trip to Memorial in Lincoln County, the Tigers lost 63-22 to their host team, while the "B" team of the Tigers registered a one-point win over the "B" team of Memorial, winning 49-39.

Coach Bill Riddle of Broadhead announced that the benefit game for the Broadhead Lions Club netted approximately \$200 for the service club, including admission and concession stand profits.

Mt. Vernon will again be seeking its second win of the season Friday night when the Red Devils entertain Eubank at home, while Livingston visits Parksville. Oneida visits Livingston Tuesday night.

Former Resident Dies In Indiana Hospital

Walter Reams, 50, of Cincinnati, Ohio, died Saturday, Jan. 17 in an Indiana hospital in Rockcastle County in 1968. He had lived in Cincinnati since his marriage.

Surviving him are his wife, two sons, two grandchildren, two sisters, Mrs. Melvina Johnson of Covington, and Mrs. Stella Moore of Mt. Vernon; two brothers, Mr. R. D. Reams, Covington; and Casper Reams, Cincinnati. He was the son of the late J. B. Reams and Mrs. Olive McNew Reams.

ACP (Continued from page 1)

All farmers should make tests as soon as possible on fields which are to be treated under the Agricultural Conservation program. Mr. Mullins emphasized. Cost-share approval may not be given until such tests are completed and results known.

FIRE (Continued from page 1)

Displaying more friendly neighborly feelings, many of the citizens of Mt. Vernon combined to give the Pitman a shower at Mt. Vernon High School Tuesday night, and several of the classes in the school took up collections. Arranged by the school cooks, the shower brought the family many nice items of clothing and appliances, in addition to a considerable amount of cash.

The Pitman home was located in the southern part of Mt. Vernon at the end of a little road leading from U. S. 25. The home and its furnishings were partly insured.

Grade 4: Donald David Mullins, Bertha Howard, Martha Sue Leah.

Local Brothers Take Part In Navy Feat

Earl D. Cummins, signalman third class, USN, and William E. Cummins, quartermaster first class, USN, sons of Mr. and Mrs. Joe Cummins of Route 1, Mt. Vernon, are serving aboard the destroyer escort USS Peterson which returned to Key West, Fla., Jan. 6 after patrolling the waters off the north coast of Cuba with Task Force 84, protecting American interests in Cuba during the revolution there.

The Peterson, on New Year's Day, performed the feat of joining the Task Force within three hours after receiving the message to do so with only 55 per cent of her crew aboard. With the remainder of her crew away from ship on Christmas leave, the Peterson managed to take part in normal operations with the force by doubling her watch standing stations with the crew available.

Brothead Sailor Serves Aboard Independence

Curtis H. Rogers, seaman, USN, son of Mr. and Mrs. Shirley G. Rogers of Brothead, is among the many Kentuckians serving aboard the Navy's new-ton.

Be WARM this winter!

For a warmer, more comfortable home, insulate your attic with INSULITE® INSULATING WOOL. You'll get big savings, too, on INSULITE. Wood sharply cuts fuel costs. It's one of the most efficient forms of insulation known!

est attack-carrier, the USS Independence. Capt. Rhodam Y. McElroy, Jr., son of Mr. R. Y. McElroy of Lebanon, Ky., was selected to be their first commanding officer of the Independence.

Commander Damon W. Cooper, son of Mr. and Mrs. Damon M. Cooper of Elizabethtown, is executive officer and second in command. Cdr. Cooper, and Capt. McElroy are both graduates of the U. S. Naval Academy.

Capt. McElroy and other officers were guests of the Navy League of Kentucky at a special dinner in his honor Jan. 14 in Lexington.

207 Accidents Mar Traffic Statistics

A total of 207 reported traffic accidents in Rockcastle County in 1958 accounted for 11 fatalities and 157 injuries, according to a report of traffic statistics released this week by the State Police office in London.

The 11 fatalities were caused in six different accidents, the most serious one being a July accident which claimed four lives. Three died in a March traffic accident and two died in separate accidents in April.

The month of October and November had one death listed for each.

August and November, with 23 accidents each, accounted for the greatest number of traffic accidents, followed closely by September and October, each with 22 accidents, and January, with 19. Only nine accidents occurred in February, and 13 in December. The smallest number, 5, were treated in December for injuries, although that month accounted for a large volume of holiday traffic centered around the Christmas and New Years holidays.

In July and September, 46 persons were treated for injuries, as those two months led the injury list with 23 accidents in each. Of the 57 persons injured in the 12-month period, the injuries were incurred in 70 different accidents, and the total damage was involved in 131 mishaps.

LIVINGSTON PTA HOLDS OPEN HOUSE

Despite bad weather conditions, a sizable crowd attended the Livingston PTA meeting Monday night, Jan. 19. During an open house, which followed the general meeting, parents visited the class rooms of their children and saw displays of seat work. Teachers and parents discussed the students' progress.

Meridian Womens Club Meets At Renfro Valley

Thirty members of the Meridian Womens Club met Monday night at Renfro Valley, where they saw a film about cancer, heard a talk by field director Ted Poore, and a fine arts dissertation by Mrs. Joe Henderson. Ann B. Farris led the devotional, Desert and coffee were served by hostesses Mrs. Carl Baker, Mrs. Shannon Franklin and Mrs. R. H. Hamm.

TO THE EDITOR:

I read the Signal each week with great interest and I sometimes get homesick to live in Mt. Vernon again. Having been away for about 40 years, I know there is a big change in Rockcastle County. I am looking forward to a visit there this summer. It will be good to see old friends and relatives again.

After so many years of absence, I am looking forward to receiving the Signal for another year, with good reading.
