

# BRODHEAD Personal

## Miss Brenda Albright Weds Roger Rickels

Brenda Albright of Brodhead and Roger Rickels of Mt. Vernon were married Friday at Jellico, Tenn. They were accompanied there by Ralph Albright, Raymond Rickels and Mrs. Jarve Noe.

Mr. and Mrs. George Brooks and Jerry spent Sunday in Richmond with their son, Billy George, and family.

Mrs. Naomi Chandler came from her home in Cincinnati, to Lexington to visit Mr. and Mrs. Jack Fletcher with her there for a visit.

Mr. and Mrs. Francis Howard of Reading, Ohio, are visiting her parents, Mr. and Mrs. Felix Wilson, and other relatives.

Mr. and Mrs. Albert Adams, Helen, Paul, Laura and Sharon were in Harlan last week to visit relatives.

The Rev. and Mrs. Kenneth Ursiny have returned home from a vacation in Ohio.

Mr. and Mrs. James Meredith of Mason, Ohio, are visiting relatives here. Mrs. Ida Meredith will return home with them for a visit.

Mrs. Lee Belor and children of Dayton, Ohio, returned to her home after a two weeks' visit with her mother, Mrs. Lillie Howard.

James Marion of Lexington, visited his aunt, Mrs. Lela Murphy, last week.

Mr. and Mrs. Bob Lear were Sunday guests of Mrs. Belle Roberts.

Burdette Owens of Corbin visited his brother, Jack, and family Friday en route to Louisville.

Mr. and Mrs. Henry Halcomb and family of Clinton, Iowa, are visiting his parents, Mr. and Mrs. Don Hamk.

Mr. and Mrs. Ben Pike have returned home after spending the winter in Branson, Mo.

Mrs. W. A. Rock, Dennis and Paula, are visiting her parents, Mr. and Mrs. Lobb, in Hodgenville.

Mr. and Mrs. Charles Sutton and Linda were in Berea Sunday to visit their son, Ronald,

and family. Mrs. Virginia Parsons, Kennebec and Lou Payne were in Danville Saturday shopping. The Brodhead Little League and Pony League Baseball teams were in Junction City Saturday where they played. The Little League lost by a score of 8-5 and the Pony League lost 3-2.

Mrs. Angie Phillips of Berea spent Sunday in Lexington with her son, Byron Owens, and attended a birthday dinner for grandsons, Phillip and Stephen.

The Brodhead Homeowners Club met Sunday and played tennis at the school.

Burgess Robbins and his father, Frank Robbins, are spending some time in Excelsior Springs, Mo., where Frank Robbins is under treatment.

Mrs. Berta Bowers of Lexington spent Saturday with her cousins, Mrs. Frank Robbins and Mrs. Jennie Wallin.

Mrs. Frank Robbins spent Wednesday and Thursday in Lexington.

(Delayed)

Mrs. Albert Guidi, Mrs. Harvey Owens Jr., of Cincinnati and Mrs. Ernest Shelley and Greg of Madison, Ind., spent the week end with Mrs. Raymond Owens and family.

Mr. and Mrs. Carl Taylor and children, Mr. and Mrs. and sons, Mrs. F. P. Simpson Harvey Paul Owens and children, Kenneth Owens of Cincinnati and Mr. and Mrs. Robert Poyner and daughters of Lancaster spent the week end with

their mother, Mrs. Raymond Owens and sisters, Jean and Mary Ann.

Mrs. Herman Carter of Junction City visited her daughter, Mrs. Raymond Owens, and Jean and Mary Ann.

Mrs. Raymond Owens, Jean and Mary, and Mrs. Arthur Johnson were in Richmond Tuesday.

The Brodhead Dodgers were by forfeit from the Mt. Vernon Braves Tuesday. The Dodgers played a pick-up team instead and won 13-1. Pitcher Greg Ennis and catcher Larry Kidwell knocked the only two home runs of the game.

The Brodhead Dodgers were by forfeit from the Mt. Vernon Braves Tuesday. The Dodgers played a pick-up team instead and won 13-1. Pitcher Greg Ennis and catcher Larry Kidwell knocked the only two home runs of the game.

Mr. and Mrs. Howard Owens of Dayton, Ohio, visited their parents, Howard Owens and Mr. and Mrs. Noah Messer, last week end.

Donald Crawford, who teaches in Pittsburg College, Pittsburg, Kansas, has been visiting his parents, Mr. and Mrs. Gilbert Hampton of Mary Helen.

Mr. and Mrs. Sherman Ponder and Mike.

Mr. and Mrs. Virgil Wynn and family were recent visitors of her parents, Mr. and Mrs. Sheridan Jones.

John Crawford, who has been a patient at the St. Joseph Hospital in Lexington, has been brought to the home of his son, Henry, and is very much improved.

## RED HILL

(Delayed) Decoration services will be held at the Red Hill Cemetery June 7.

Mr. and Mrs. Ted Mullins of Kokomo, Ind., spent the week end with his parents, Mr. and Mrs. Bert Mullins.

Mrs. Paul Owens, the former

Leis Phillips, is planning to join her husband in Germany soon.

Johnny Lee Mullins spent part of last week with his grandparents, Mr. and Mrs. J. W. Ruppe, and Robert.

# The Happy Fisherman

There was a fellow at the plant who was always asking me to go with him to church.

In a way this picture portrays his zeal. For there was something boyishly enthusiastic about his eagerness; something joyously genuine in his confidence.

And his fervor reminded one of the disciples of old who became "fishers of men."

Well, he brought my family to church. Not because he was a salesman or a saint. Simply because he encouraged us to seek the convictions he was so eager to share.

Betty and I, and little Ricky, really owe our cherished faith to the moment that fellow at the plant said, "I'LL STOP BY YOUR PLACE ON SUNDAY MORNING."

Now, we too, find happiness in bringing our friends and neighbors to church.

Copyright 1959, Kauter Art Service, Brookings, Va.

### THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor in each for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	1 Kings	5	14-27
Monday	Revelation	20	1-11
Tuesday	Revelation	21	1-14
Wednesday	Revelation	22	1-17
Thursday	1 Corinthians	17	2-19
Friday	1 Corinthians	18	1-11
Saturday	1 Corinthians	20	1-10

THURSDAY, JUNE 11, 1959

VOLUME—70 NUMBER 37

MOUNT VERNON, KENTUCKY

## Mayor Pitches First Ball In League Games

Mt. Vernon Mayor, Carl Brown, officially opened the playground when he threw the first ball, Monday afternoon in the Pony League Yankees versus Indians contest.

The Pony League Yankees defeated the Indians 16 to 0 in the initial game. Gary Coffey, Yankee pitcher, struck out 7 players. Robert Taylor was catcher.

Wayne Norton pitched for the Indians and Gary Noe caught. Tuesday afternoon was the first game for the Little League. The Brohead Dodgers won by forfeit from the Mt. Vernon Braves 9 to 0.

John Travis, playground director, said, "five members of the Braves team were present. An official game requires eight players. However, an exhibition game was played using a 'pick-up' team." The Dodgers defeated the pick-up team 13 to 1.

Dodger pitcher Greg Ennis and catcher Larry Kidwell, knocked the only two home runs of the game. The first Adult League game was played Monday night. The Vernon Christian Church defeated the Mt. Vernon Baptist Church 12 to 11.

The Rev. R. A. Martin made home run and the Christian Church came from behind to win. The Christian Church pitcher was Galtiff Craig. Catcher was Jim Earl Hammons.

J. B. Brown pitched for the Baptist team and C. C. Ponder served as catcher. Ottawa almost ran away with Singleton and Leath Construction team. The score was 20 to 3, in Tuesday night's game.

Alex. Albright was Ottawa pitcher and Glen Henry catcher. Billy Kirby was Singleton and Leath pitcher and Ernest Mascoe was catcher.

Travis emphasized that he urges and encourages parents to bring their children (6-10) to the playground for games and contests from 1 to 4 in the afternoon. So far, he says, this opportunity has not been taken advantage of.

The Brohead Adult League Manager is Bobby Proctor. The Brohead Adult League Manager is Bobby Proctor.

PLAYGROUND OPENED OFFICIALLY—Mayor Carl Brown of Mt. Vernon pitched the first ball of the season Monday afternoon when the Yankees played the Indians. Pictured above are James Smith, manager of the Indians and several players.

Members are: W. A. Rock, James my Parsons, Larney Durham, Bradley, James Hampton, Ronnie Kirby, Ernest Mascoe, Harold Darrell Stevens, Wayne Adams, Bobby Adams, Sherman Turpin, Earl DeLoe, Brummett, Jack Hammons and Glen Carey.

Christian Church team members include: Joe Young, Tom Livingston rosters are not in.

## What Can Be Done . . .

(Ed. Note: This is the second of two articles published in the public interest on the growing threat of obscene mail and what can be done about it. This article explains how the American public can drive the dealers in obscenity out of business.)

The American public, if it wants to, can destroy the half billion dollar a year mail-order business in obscenity which is having such disastrous effects on teenage youngsters, Postmaster Smith stated.

The judgment as to what is obscene is actually in the hands of the citizens of Mt. Vernon and other communities throughout the nation, the Postmaster emphasized; and the final judge in these matters is the conscience of each citizen.

"We can clean up the mails in Rockcastle County if enough citizens become aware of the seriousness of this problem and use their influence to do so," Mr. Smith said. "We must do so to protect our homes, our juvenile delinquency, and prevent the poisoning of the minds of our children."

All the average citizen needs to do if his home is invaded by unorderly and unwanted mail soliciting the sale of filthy and lascivious films, slides, pictures or other obscene and pornographic material is to complain to the Post Office.

Christians Bible School Funds Sent To Brazil At the Mt. Vernon Christian Church Bible School Commencement Friday night, 59 certificates were awarded persons who attended seven or more days of the Bible School. Of these, 38 had perfect attendance records. Rev. R. A. Martin, pastor, announced.

The Bible School had a total enrollment of 17. Average attendance was 12. During the 2-week school, an offering for missions was taken and was sent to the Amazon Christian Childrens Home in Brazil.

Teachers and helpers for the school include: Mrs. David McCauley, Nursery; Miss Betty Miller and Mrs. Dora Price, Bible; Mrs. Mabel Anglin, Primary; Mrs. R. A. Martin and Mrs. Maude Purcell, Juniors; Mrs. Joe Noe, Intermediates; Miss Virginia Mahaly, secretary and Rev. R. A. Martin, Director. Rev. Martin said the theme of the school was "Following Jesus."

## Keep Address Up-to-date For Local Board 85

Many registrants of Rockcastle County have failed to notify the Selective Service Local Board of change of address, according to Gus R. Carlson of Local Board 85.

Registrants who do not keep the local board up-to-date on their address are subject to prison sentences running up to five years, fines up to \$10,000, or both.

When a registrant can not be located at the last reported address the board tries to contact the person listed as the individual who will always know his whereabouts.

If this effort fails, the boards run a notice in the local newspaper stating that the registrant is missing. If this produces no results the registrant is declared delinquent and his file is turned over to the District Attorney's office.

Every classified registrant has the duty to "keep his local board currently informed of his occupational, marital, family dependency and military status of his physical condition, of his home address, and of his receipt of any professional degree in a medical, dental, or allied specialists category," Mr. Carlson stated.

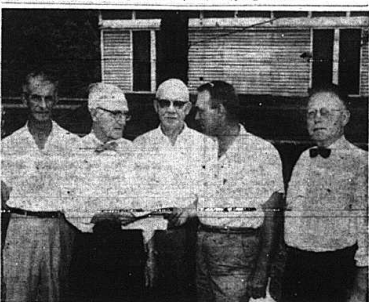

Every classified registrant has the duty to "keep his local board currently informed of his occupational, marital, family dependency and military status of his physical condition, of his home address, and of his receipt of any professional degree in a medical, dental, or allied specialists category," Mr. Carlson stated.

City Council Buys 30 Parking Meters The Mt. Vernon City Council voted last Thursday to buy 30 parking meters to be installed within the next 30 days. Mayor Carl Brown asserted.

The meters are to replace old meters that have not been giving satisfactory service, Brown said.

A special meter is being bought to put in front of the Post Office. The meter is for 12 minutes only. Its purpose is to allow citizens to park, lawfully, to get their mail.

The council bought a supply of pipe to be used for up-keep of the water works. City treasurer, N. M. Smock, advised changing bookkeeping procedure of the water works. After some discussion, tentative plans were made for the purchase of an accounting and bookkeeping machine.

CONTRACTS WERE SIGNED MONDAY by Livingston City officials and Diehl Pump Company representatives of Louisville for the installation of motors, pumps and lines of Livingston's proposed water system.

Equipment is to be housed in the concrete structure known as the "Bells." Bids are to be advertised for construction this month. The project is scheduled for completion by Dec. 1.

In the above picture, taken on the grounds of the water works building and filtration plant will be, are: from left to right, Robert Waddle, Livingston City Clerk; Dr. R. G. Webb, Mayor; H. R. Mason, City Board member; Jack C. Crawford, Jr., a partner of Crawford and Mason Company Engineers and Sampson Halcomb, City Board member. Harry Lee Holland and Gilbert Bales, other Board Members, were absent.

Hospital Given \$1,300 In May Mothers' Day offerings from 17 churches and two individuals made by Mrs. Florence Hargis to the Rockcastle County Baptist Hospital, Administrator George Hewell, announced this week. \$53.80; Merceburg Baptist, \$50; Mt. Pleasant Baptist, \$38.41; Clear Creek Baptist, \$31; First Missionary Baptist Church, \$28.58; Pine Hill, \$30.50; Livingston Baptist, \$23; Brindle Ridge Baptist, \$20; Conway Baptist, \$17.75; Berean Class Mt. Vernon Christian Church, \$16.71; Mt. Vernon Holiness, \$12; Caloway Sunday School, \$10; Valley Baptist, \$6; Hummel Grove, \$5.

EARNERS AWARD—At a Future Farmers of America convention held in the Kentucky Hotel at Louisville, last week, Charles Denver Burton was named Star Kentucky Farmer. Of 317 competitors for the award, nine were selected. Pictured above are, left to right: W. A. Rock, agriculture teacher at Brodhead; C. D. Burton, Charles Denver Burton, Mrs. G. D. Burton and Robert Thompson, Brodhead agriculture teacher.

## Charles D. Burton Named Kentucky Star Farmer

Houston, Ky. Farmer Charles Denver Burton, 19, has been selected Kentucky Star Farmer of District 9.

To attain this distinction he was chosen the most outstanding boy in the Cumberland District which is made up of 16 counties and 28 Future Farmers of America Chapters.

W. A. Rock, Brodhead agriculture teacher, announced. Selection of District Star Farmers is based on scholarship, supervised farming program and participation in FFA activities.

Charles Denver (Hammer) Burton was one of nine District Star Farmers selected from 317 candidates for the Kentucky Farmer degree, the highest degree awarded by the Kentucky Association.

The winning, supervised-farming program which Charles Denver carries out on his father's 180 acre farm is built around his beef and tobacco enterprises. His beef project was best in the Cumberland District and represented the district in state competition.

During the past year Charles Denver has earned \$12,278.44 from his half interest in 63 Hereford beef cattle, nine Hampshire sheep, nine Holstein dairy cattle, 15 acres of tobacco, 10 acres of pecans, 40 acres of mixed hay, three acres of corn, 15 acres of corn silage, 60 acres of improved pasture and 30 hours of farmstead improvements.

Charles Denver has been active in FFA work in the Brodhead chapter, according to his agriculture teachers, Robert Thompson and W. A. Rock. He has served on numerous committees, shown his beef cattle in district and county fairs and participated in soil judging and dairy judging contests.

Charles is at present a student at Eastern Kentucky State College, Richmond. The 30th annual convention of the Kentucky Association of Future Farmers of America was held in the Kentucky Hotel at Louisville, June 3, 4 and 5.

James Houston attended the convention and was awarded the Kentucky Farmer degree. James is retiring president of the Brodhead FFA chapter.

Jerry Payne of J. D. Compas served as delegates from the (Continued on Page 4)

## Northside Mission Holds Bible School

The newly opened Northside Baptist Mission has had Bible School this week. The Mission is located across from Logsdon's grocery store in a building leased by the Baptist Church from Geo. W. Logsdon.

The Rev. Lee Hopkins, pastor of Mt. Vernon Baptist Church, directs the Bible School. The principal is Josephine Bennett of Elizahorn City. Miss Bennett is a student summer worker from the Kentucky Mission Board. She plans to work in Rockcastle County all this summer.

Teachers of the Bible School include Dorcas Handall, Jewell Anderkin, Kay Parrett, Virginia Rose McBee, Carla Baker, and Carolyn Carter. Top attendance has been 26.

The Rev. Wendell Belew of Atlanta, Ga., former Mt. Vernon pastor, will conduct the dedication services at the mission Sunday.

## Indiana Woman Killed Here In Freak Traffic Accident

An Indiana woman was killed instantly in a freak highway accident on U. S. 25 about three miles south of Livingston. She was driving her family to Knoxville, Tenn., for the funeral of her father-in-law.

The accident occurred just before 1 p. m. (CST) Monday. According to State Police Trooper Willis D. Martin, Mrs. June Valentine, 28, was knocked out of the car she was driving when it collided with a truck. She was dragged 118 feet down the road by the truck.

The woman's husband, Leslie Richard Valentine, 29, of Whiting, Ind., was treated for severe shock at the Rockcastle County Baptist Hospital. The five children were treated for bruises and minor abrasions. They

were all released from the hospital and taken to Knoxville, to attend the funeral of Valentine's father.

Mrs. Valentine's body was taken to the Cox Funeral Home. A few hours later the same funeral director was handling Mrs. Valentine's father-in-law case and took her body to Knoxville.

Trooper Martin said his investigation showed that Mrs. Valentine "unexplainably lost control of the car she was driving when it collided with a truck for some distance, cut back onto the highway and skidded sideways across it and off the shoulder on the left. She managed to get the car back on the highway where it hit the right side of a north bound Huber

and Huber tractor-trailer, driven by Ralph Andrew Henry of Salem, Ind. Henry was not injured.

Trooper Martin said Mrs. Valentine was knocked out of the car and carried 118 feet down the road by the truck. Mrs. Valentine's clothing, from the waist up, was torn off by the impact, he added.

The driverless car plunged off the highway and over a 40-foot embankment into some woods, carrying Mr. Valentine and the five children. The vehicle did not turn over.

Names and ages of the children are: Wayne Leslie, 6; Robin Sue, 5; Ardina, 3; Richard Lynn, 2; and Gerene June, 9-months-old.

This was Rockcastle County's first traffic fatality this year.

WOMAN KILLED NEAR LIVINGSTON—A shot covers the body of Mrs. June Valentine, 28, of Whiting, Ind., at the spot where she was killed Monday. A woman spectator at right is looking into the woods where the car plunged with the father and five children after Mrs. Valentine was knocked out of the car.

## Perry A. Howard Dies At Brodhead

Perry A. Howard, 60, died Sunday at his Brodhead home. Mr. Howard was born in Laurel County, Ky., in 1898, the son of Thomas and Mary Elizabeth Wright Howard. He was a member of the Wallins Baptist Church.

Those who survive Mr. Howard are his wife, Mrs. Laura Howard of Brodhead; one son, Garnett Howard, of Cincinnati, Ohio; one sister, Mrs. Desie Davis, of Brodhead; one grandchild and two step-grandchildren.

Funeral services were conducted in the Brodhead Baptist Church Tuesday, with the Rev. Arthur Johnson and the Rev. Kenneth Ursiny officiating. Interment was in Piney Grove Cemetery. Watson Funeral Home was in charge of arrangements.

H. Lee Durham and Martha Owen County Extension Agents

**Bluestone, Sodium Arsenite Will Clear Ponds Of Algae**  
Bluestone and sodium arsenite are two materials that will clear ponds of unsightly algae called "pond scum," says James Herron, Kentucky Experiment Station botanist.

Bluestone can be put into a sack and dragged through ponds or put in solution and sprayed on the algae, he says. Use about 8 pounds of bluestone per million gallons of water. Sodium arsenite is used as a spray at the rate of four to six parts per million; spray it on algae surrounding pond edges before mid-June. Phragm, a newer material, used as a spray, also will work.

Extension Leaflet 191 describes rates for these materials and how to figure pond capacity (Millions of gallons of water, etc.) It is available at the county extension agents' offices.

**Hornworms, Budworms, Aphids Destructive Burley Pests**  
Three insects harmful to burley tobacco will be troublesome from setting-out time on, says Richard Thurston, Kentucky Experiment Station entomologist.

They are hornworm, budworm and aphids. Control measures for these may be necessary by June 1 and should be continued as needed throughout the growing season.

If hornworms and budworms are found in the same field, use the material TDE or Endrin. One pound actual material TDE and three-tenths of a pound Endrin are recommended, either as dust or sprays.

For budworms only, one pound actual material per acre of DDT is satisfactory. Budworms are hard to kill and a second application of the spray 10 days later may be necessary. DO NOT apply emulsion concentrate sprays with nozzles too close to the plant, or give an overdose of the material in the bud. This will burr the buds. (Emulsion concentrates are materials in an oily type solution which are mixed with water. Wettable powders are powders to be mixed with water.)

For hornworms only, use either Endrin (two-tenths of a pound) or TDE (one pound actual material) in a spray or dust.

For aphids, a 4 or 5 per cent

Malathion dust, used at 20 to 25 pounds an acre, is satisfactory. Use one pound actual Malathion per acre if a wettable powder or emulsion concentrate spray is desired. Aphids frequently appear in patches in a field, Thurston says, making it necessary to find these patches for good control. Good coverage of the plants with dust or spray also is needed against aphids.

Parathion, in a one per cent dust formulation, can be used against aphids but extreme caution should be taken as this material is very poisonous, Thurston says. Label directions should be followed exactly when parathion is used. About 15 to 20 pounds of Parathion dust per acre is recommended.

**Fly-Control Materials Listed By Specialists**  
Fly season—in dairy and beef barns, in homes—is almost here. Here are a few materials useful in controlling several types of flies.

**HORN FLIES:** In dairy operations, use repellents only. These include the trade name "synergized pyrethrins" which come either with or without a material called Crag repellent. Take care to use two make the pyrethrins more effective.

For beef cattle, use Methoxychlor, or Toxaphene sprays.

Use a "0.5" per cent spray, says Thurston. Pyrethrins also can be used but are relatively expensive for bees.

**HOUSE FLIES:** The flies that the farmer wants to kill are found in barns, stables, etc., as well as in houses. Use Diazinon, Malathion or Korland, in a one per cent solution spray for beef and dairy barns. Follow label directions very carefully, Thurston warns. Spray walls, ceilings and make sure there is a distinct runoff before you stop spraying. Do not spray stables, barns, etc., while animals are inside. And don't use Diazinon sprays around poultry, particularly ducks; this material is very toxic to them.

Another system is use of red, impregnated cords now available commercially. These are not to be used in homes, only in barns and stables, etc. These red strings are impregnated with Diazinon or Parathion, both very toxic materials. Follow label directions closely, Thurston warns, and don't get material from the cords on hand skin. Keep the cords hung high, away from cattle, pet children. Where cords are used, treat gutters and calf pens with Diazinon sprays. Use three tablespoons of 25 per cent Diazinon solution in four gallons of water; this can be sprinkled on the gutters, at the rate of one gallon per 100 square feet.

Misc. Letter 157, which lists fly treatments, is available from your county extension office.

**Horns Care Of Milk**  
Milk needs the right handling at home so that it won't lose quality—in cleanliness, flavor and food value.

To keep fresh milk at its

best, keep it clean, cold, covered, and dark. Milk holds best food value and flavor best when kept cold. It's good practice to take each new bottle or carton of milk straight to the sink, rinse it unopened under cold running water, and dry it with a clean cloth. Then promptly put the milk in the refrigerator. Stored near the freezing unit, milk can be expected to keep good quality and flavor for 3 or 4 days, perhaps longer.

## ROUNDSTONE

Mr. and Mrs. D. B. Bullen had as Sunday visitors, Mr. and Mrs. Ambrose Sexton, Mr. and Mrs. Noah Cox, Mr. and Mrs. John D. Bullen and children, Mr. and Mrs. Vernon Mullins and family and Mr. and Mrs. Marcus Sigmon and family.

Mr. and Mrs. Junior Croucher, Sharon, Glenn and Barry of Norwood, Ohio, visited his parents, Mr. and Mrs. Robert Croucher, and sons Sunday.

Mr. and Mrs. Bert Thacker and family who have been living in Ohio, have returned to this community to live.

Eddie Wilson is staying with his grandparents, Mr. and Mrs. D. E. Bullen.

Mr. and Mrs. Junior Alexander and Della. The group visited the Chastain Cemetery.

Mr. and Mrs. Virgil Abney, Keith and Sharon, visited Mr. and Mrs. Robert Croucher Wednesday.

Mr. and Mrs. Robert Croucher and J. B. visited Mr. and Mrs. William Croucher Sunday.

Mr. and Mrs. Ambrose Sexton attended church at the home of Mr. and Mrs. Jim Barnett Sunday.

Mrs. Ben R. Wilson consulted a dentist Saturday and had some teeth extracted.

Mr. and Mrs. Bert Thacker and family who have been living in Ohio, have returned to this community to live.

Eddie Wilson is staying with his grandparents, Mr. and Mrs. D. E. Bullen.

Mr. and Mrs. Junior Croucher, Sharon, Glenn and Barry of Norwood, Ohio, visited his parents, Mr. and Mrs. Robert Croucher, and sons Sunday.

Mr. and Mrs. Bert Thacker and family who have been living in Ohio, have returned to this community to live.

**All Right... Let Us Judge CATHOLICS BY THE BIBLE!**

Many sincere people regard the Bible as the sole authority for Christian belief.

And they reject the teachings of the age-old Catholic Church because these teachings and forms of Catholic worship are not mentioned by name in Holy Scripture.

"Where?... some will ask... does the Bible say anything about the Mass or Purgatory? And how about confession to a priest, praying to Mary, and those seven Sacraments you Catholics talk about? They're not in MY Bible."

—Although everything contained in the Bible is true, yet the Bible is not the sole source of all truth. For example, we know that Christ established His Church... that the Church existed long before the Bible was completed... that millions lived and died in the Savior's truth without ever having seen a Bible.

But we are willing to set aside these historical truths for the moment and judge Catholic beliefs and practices by the Bible.

Take first, for instance, the fact that the Bible does not mention the Mass or Purgatory by name. Well, neither does it mention the word Bible by name. Furthermore nowhere within its covers is it stated what are the writings which contain the inspired Word of God. The only authority you have for this is the word of the Catholic Bible, which professes to have collected the Scriptural writings and put them between the covers of a book.

The word "Sacrament," meaning a sacred rite, is not used anywhere in the Bible. But Holy Scripture does make clear the sacredness of such Catholic rites as Baptism, Confirmation, the

Eucharist, Matrimony, Penance, the Last Anointing, and Holy Orders, the latter rite being the deputizing of the successors to the Apostles.

The Sacraments were in possession of the Church and in daily use before a single line of the New Testament was written. People were being received into the Church by Baptism long before there was a New Testament. They were receiving Confirmation, were being married according to Christ's teaching, and praying over and anointing the dangerously sick.

Christ definitely did establish His Church. He did deputize His Apostles, and their successors, to continue His teaching. He did promise that His Church would endure forever, and could not fall into error. But He never did say: "All My teachings shall be in a book. Read and believe nothing else."

An interesting pamphlet explaining the Catholic teaching concerning such things as the Sacraments, Purgatory, why Catholics do not eat meat on Friday, why we call it Catholic Church instead of "Roman" Catholic, will be sent in a plain wrapper on your request, and nobody will call on you. Write for Pamphlet No. KY-28.

Independent experts and official facts and figures prove Chevrolet's ahead of its field in seven big ways.

**BEST BRAKES** . . . In direct competitive tests of repeated stops from highway speeds, conducted by NAS-CAR, Chevy out-tripped both the other leading low-priced cars—and why not? Chevy brakes are far larger, built with bonded linings for up to 66% longer life. **BEST TRADE-IN** . . . Check the figures in any N.A.A.A. Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two." **BEST STYLE** . . . Popular Science magazine sums it up: "The fact is, in its price class the Chevy establishes a new high in daring styling . . ." It's the only car of the leading low-priced three that's unmistakably modern in every line. **BEST ECONOMY** . . . No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car. **BEST ROOM** . . . Official dimensions reported to A.M.A. make this clear. For example, Chevy front seat hip-room is up to 5 1/2 inches wider than comparable cars. **BEST ENGINE** . . . Every motor magazine has given Chevy's standard and Corvette V8's unstated praise. As Sports Cars Illustrated puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." **BEST RIDE** . . . You'll be able to tell this yourself, instantly. But Motor Trend magazine expresses it this way: ". . . the smoothest, most quiet, softest riding car in its price class."

We're not the ONLY ones who profit from RURAL ELECTRIC CO-OPS
RECC has played a vital part in rural development but many people besides the farmer have reaped the benefits. Access to reasonably-priced, first-class electric power has greatly increased the farmer's buying power... in turn means more money in the pockets of business men and merchants who supply them; and more and better products for the people they supply. Access to this power also makes industrial development possible in areas where it never was before. And these are just a few reasons why.

CONCRETE can save Kentucky \$20,200,000 on its new Interstate Highways in 20 years!
A study of Highway Department records for the heaviest traveled roads built in Kentucky since 1926 proves concrete costs 75% less for upkeep than asphalt.
The same rate of savings can be applied to our state's new Interstate Highways. In 20 years concrete can save \$31,600 per four-lane mile, or a grand total of \$20,200,000 on the System's entire 640 miles.
Remember, too, while the Federal Government pays 90% of the original construction cost, it does not pay one penny for upkeep. You pay it - along with all the other Kentucky drivers. The money comes from the state road fund that is financed by the tax on every gallon of gasoline you buy.
That's why concrete's true economy and quality are so important - why every mile of Kentucky's Interstate System should be paved with modern concrete.

## OLD FLAG, NEW FLAG — OUR FLAG

The date of June 14 on our calendars should be marked with a special circle. On that date, 182 years ago, the Continental Congress adopted the present flag.

The approval by Congress for the admission of Hawaii as a state, coming so soon after Statehood was conferred upon Alaska, has had the nation's flag-makers in a tizzy. Some of our citizens have been confused, also, as to what to do about the flag they now own.

We can tell you what to do next Sunday, June 14! It is Flag Day—so fly your flag. It is our flag, no matter if it has 49 stars or only 13. Let us fly it proudly as a reminder to ourselves and to those in our midst of alien beliefs, that our compatriots have died for this way of life, and that we, too, are willing to do so if necessary.

Our Republic has stood the test of time, as has no other form of government in the world today. Not Alaska's star, not Ohio's star, but all those stars on the field of blue represent our nation, indivisible, whose God-given strength will be invincible against the forces of materialism for so long, as we will it so.

For the first time in nearly 50 years, American citizens will have the opportunity to fly a newly designed American Flag. The new 49 star flag has been on sale for over two months, and will become the official flag of our country on July 4th. It will be quite proper to display it Sunday, June 14, however, according to the Junior Order United American Mechanics.

William McNabb, Councilor of the Alpha Council, says that any American Flag is proper to be flown, whether it be the original Old Glory of 13 stars or the present one of 48 stars. They are all legal, and may be displayed as long as they hold their ground. When a flag of our country becomes too frayed for use, it may be disposed of by burning. It is illegal to destroy a flag in any other manner.

The United American Mechanics is urging everyone to display our flag June 14, and on all patriotic holidays, and also urges the purchase of the new 49 star flag. Since the admission of Hawaii as a state will bring about a 50 star flag next year, it is expected that the 49 star flag will become "collectors items" in a few years, and will no doubt increase in value.

"Yet indeed—we should display the flag Sunday—old flag, new flag—OUR flag—display it joyously, humbly, proudly, defiantly, and reverently.

## Patient's Register

(Slow time) in a program of Spiritual Inspiration for the aged and shut-ins over WRVK, Renfro Valley. Mrs. McCoy's program on Friday, June 19 will be dedicated to the father. The three oldest fathers and the three fathers with the most children and the father with the most grandchildren who write in will be sent lovely gifts by Mrs. McCoy, donated by the merchants of Mt. Vernon. Donations that come in on the program are used by Mrs. McCoy to buy food and clothing for needy people.

**OBSCENE MAIL**  
(Continued From Page 1)  
criminal action is usually taken by the local prosecuting authorities with the cooperation of the Post Office Department. Convictions in such cases provide for both jail and dollar fines for the dealers in obscenity.  
Postmaster Smith emphasized that the Post Office Department is intensifying its efforts to clean up the mails. His chief opposition in doing so comes from those who reap huge profits from unrestricted mailings, and from some misguided individuals who confuse liberty with license, and in so doing, unwittingly give aid to these dealers in obscenity.

**STAR FARMER**  
(Continued From Page 1)  
Brothead chapter. Other chapter members who went to the convention are: Charles Daugherty, retiring treasurer; Earl Dean Brummett, reporter; Dexter Roberts, secretary; James Bradley, vice-president; Jerry Payne, secretary and James Cope, treasurer.

**OBSCENE MAIL**  
(Continued From Page 1)  
criminal action is usually taken by the local prosecuting authorities with the cooperation of the Post Office Department. Convictions in such cases provide for both jail and dollar fines for the dealers in obscenity.  
Postmaster Smith emphasized that the Post Office Department is intensifying its efforts to clean up the mails. His chief opposition in doing so comes from those who reap huge profits from unrestricted mailings, and from some misguided individuals who confuse liberty with license, and in so doing, unwittingly give aid to these dealers in obscenity.

**STAR FARMER**  
(Continued From Page 1)

The public is welcome to attend church services Saturday night and Sunday afternoon at the Climax Christian Church.

**Mulch Gardens For Weed Control**  
Mulching home gardens is the best weed control system, says George Marlowe, Kentucky Extension Service vegetable specialist. Chemical weed control is not recommended for home gardens usually because most chemicals apply to specific crops; and most are available only in large quantities.  
Mulches can be a plastic film, a few inches of straw, or two inches of sawdust. These work well if applied before large weeds are up.  
Good weed control is a must this year, if predictions of above-average rainfall this summer are correct. Marlowe noted: Clean cultivation, if practiced, should be very shallow as most garden plants have heavy root concentrations in the top three inches of earth. Hand-weeding is always helpful, though high in time and labor. Mulching is the best.

**HUMMEL**  
Walter, Lloyd and Ray Coffey visited Mr. and Mrs. J. C. Coffey Saturday.  
Mrs. and Mrs. Rex Coffey were recent guests of Mr. and Mrs. Rex Coffey before they moved to North Carolina where they will make their home.

**ANNOUNCEMENT**

**Fertile Pastures Yield "Bonus" Income from Milk and Meat**

Top-dressing established pastures keeps stands productive longer and saves time and money in renovating run-down fields. DON'T sell good permanent pastures short, is the advice of Marshall C. Christy, University of Missouri Extension service specialist. Christy reports that "production of 15 to 20 tons per acre of grass-legume growth for utilization as pasture or silage is being achieved in Missouri."  
"It takes fertility to do it," he adds.  
Productive permanent type grasses and legumes contribute greatly toward "bonus" livestock gains and livestock products per acre through "nutrient recycling" and "nutrient recycling," Christy pointed out in a statement summarized here by the Midwest Division of the National Plant Food Institute. "There is no doubt about the necessity to use fertility gen-

erously to establish productive grasses and legumes," he says. "It's another thing to keep the stand at tip-top performance for an extended period of years. This requires regular additions of essential nutrients."  
Top-dressing saves time, labor and money in renovating and re-establishing rundown fields. By keeping the present stand in shape, you avoid losses in production for a year or more while a new seeding becomes established.  
"Grasslands can be more productive than they are. There is both an opportunity and challenge to produce more income from grassland."

**ROCKCASTLE COUNTY CITIZENS**

Although I am late, I want to thank everyone who supported me in the recent election. Words cannot really express how much I appreciate the support you gave me.

I sincerely hope that the man the people select on Tuesday, November 3 to represent our county will have the interest of the people at heart as much as I did when I served you in the last session of the legislature.

During the last General Assembly there were three bonus bills presented and I am proud that I did not vote against any of these bills. The final decision of a soldier's bonus will be decided in the next general election this fall.

I truly hope that more of the good, honest, hard-working people will go to the polls and vote.

I would like for the people to know that I voted for a \$29,817,580., appropriation for the old age pensioners and the needy people of Kentucky, which was the largest appropriation ever made in the history of this state. This should have provided each person with a \$3 to \$7 increase per month. For a record of this appropriation, see Kentucky Acts 1958, page 14-15. My voting record can be seen in the House Journal Vol. 1, 1958, page 226.

Again I want to express my sincere appreciation for the support you gave me in the recent general election.  
Sincerely yours,  
Murphy Whithead

the Hummel Grove Church Saturday night, June 13. The public is invited to attend. Rev. Kirby filled his appointment at Hummel Grove Church Sunday.  
Mr. and Mrs. Aster McGuire and Ray are visiting relatives in Covington and Dayton, Ohio.

LEAVING TOWN I I I  
Twenty-eight young people received diplomas last month from Rockcastle County Schools. How many of these young people will be in the future to find work? It's a shame we don't have enough employment in the county to keep our young people here. We are losing a lot of good future citizens to the cities.—Of course, we hope a good part of them will attend college—and what happens after they attend college? You are right, most of them must go to other places to find work in their chosen fields. We hope this situation can be remedied in the near future. Support your local civic organizations and encourage them to work toward this goal.

SPECIALS at Owens' Sundry Store for coming week will be—FREE one 5 x 7 envelope with each roll of film processed (black and white only)—Lanolin Plus Hair Spray, \$2.50 value for 99c—Lustre Creme Shampoo regular, \$2.00 for \$1.59—Liquid Lustre Creme Shampoo two bottles \$1.20 value for 99c—Evening in Paris deodorant Stick or Roll-On two bottles for \$1.00
