Through All Of Life ...

Perhaps you see no significance to the hourglass superimposed on the Bible. But to the believer, it means that all of life is sustained by God's promises. Every day, every hour, He gives strength and help this followers. The light of His Word shines steadily through the passing of time. The more you read, the beyon' joy. By natering shadling, the greater will be your joy. By natering shadling, the greater will be your joy. By natering shadling, the greater will be your joy. By natering shadling, the greater will be the your joy. By natering shadling the state of the Church, by giving, it your support, you increase the value of your own life, and help others to see the light shining through each day's experience.

Throughout life's entire span, the Church will help us, the Bible will speak to us of God. Does the picture mean that 1-2-pick its will, if you look at it through believing eyes.
