LIKE A MOUNTAIN NAMED FOR YOU?

THE CHURCH FOR ALL...

Not one of these, certainly! They're here today, gone tomorrow. We'd gladly lend our names to a timeless peak like Everest—not to a heap of shifting sands rolling before the desert wind.

Of course, we have to identify ourselves with many a transitory idea and institution. We are busy most of our days just trying to keep up with this ever-changing world...

But our deeper self gropes for the Eternal! God understands this yearning. He breathes it into our souls.

A voice crying in the wilderness... across the shifting sands... of the TRUTH and LIFE that are ETERNAL.

And God answers it: In Christ! In Scripture! In the voice of a neighbor inviting you and your family to Church.

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
