Elect Neikirk

Nominate Republican Homer Neikirk Congressman from the Eighth Congressional District May 24, 1960 in the Republican Primary for election in November.

In going over our great Republican District, the Republican voters have asked questions that I think all of us have a right to be answered by our present Congressman. Some of these questions are as follows:

1. Why did Mr. Siler go back on his word when he stated last July that he was not going to run for Congress?

2. Why did Mr. Siler, after he had, by written endorsement, endorsed Walter Ray Smith, his loyal secretary, jerk the rug out from under Mr. Smith and re-enter the race for Congress after he had promised Mr. Smith that he would not do so?

3. Why was our present Congressman doing last fall during our Republican campaign to help out Republican nominees?

4. Why did Mr. Siler resign from the Committee on Veterans Affairs in the House of Representatives?

5. Why does Mr. Siler use the Post Offices of our great District as announced places to conduct his political activities?

6. Is our present Congressman really interested in going back to Congress in view of his absentee record?

The voters in our District have the right and expect our present Congressman to answer these questions.

In our District we believe that a man's word should be his bond either in politics or in business transactions. We believe further that our Congressman should be on the job doing the things that he ought to do all of the time for our people and our government.

All veterans believe that our present Congressman failed them when he resigned from the Committee on Veterans Affairs. Our people feel that our present Congressman is just not interested in his office.

In seeking your support, votes and influence, I pledge, when nominated and elected as the next Congressman from our District that I will, to the limit of my ability, serve all our people all of the time and will continue to practice the belief

of saying what I mean and meaning what I say. VOTE FOR HOMER NEIKIRK FOR CONGRESS

VOTE FOR John C. Angelis

Candidate for the Court of Appeals of Kentucky

MAY 24th Primary

The people of Kentucky are very much concerned with the obvious purpose of selfish interests to exercise power and control over their Courts whenever possible.

If elected to the Court of Appeals I pledge to the people that I will be uncontrolled by any political boss or faction or selfish interest that would seek to prevent me from being honest and faithful to the oath I take to uphold, defend and preserve constitutional government.

Our government was created to serve all the people and not to serve the dictates of a political machine.

Capable and Experienced

PICTURE PRETTY

THE CHURCH FOR ALL
ACT UP AT THE CHURCH
 The Church is the greatest factor in work for the building of character and good citizenship. It is a showcase of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plans to go to church regularly and read your Bible daily.

Pretty as a picture, isn't she? She looks "downright" angelic. Yet, five minutes from now, she may be a little bundle of fury!

Children change faster than the wind. They haven't learned to hide their feelings. But while grown-ups may present a better camouflage to the world, there are few of us without inner conflicts. And these conflicts can be serious.

It would be a lonely world if we had to keep all our problems to ourselves. We don't. God never intended that we should have to solve all our difficulties single-handed. Remember, He established His Church on earth for us. In that Church we will find understanding fellowship, and the faith to work out our own destinies.

Take your problems to Church. Pray that you will find a solution to them. Talk them over with your minister. And what seems a maze today may become a straight road tomorrow.

Last fall we were caught by cool weather and did not get to complete all work at the Brodhead establishment. We are now finishing bathroom and living quarters in the rear, also a Preparation and Embalming Room. When finished, we will have a full line of Merchandise, Preparation room, and everything modern.

We are also writing Burial Insurance through the Peoples Protective Insurance Co., Jackson, Tenn. This Company is bonded in Kentucky, and has several agencies in the Southeast part of the state. Johnny Lunsford, Brodhead is the agent. If Johnny comes to pay you a visit, we would appreciate your listening to him as he has a good Burial Policy.
