Absolute Auction Saturday, July 27 At 2:00 p.m.

LOCATED about 6 miles South of Berea and about 9 miles North of Mt. Vernon, Ky., on Highway 25 at Conway.

We have been given a contract to Sell and Settle the Estate for the Heirs of the late Mr. William M. Phillips:

"Will Be Sold In 5 Tracts"

TRACT No. 1 consists of 1 acre of land more or less with 6 room house, with front and back rches; all necessary out buildings.

TRACT No. 2 will be 1 acre of land that lays good for building and has good barn, size 36:40 with a 14 foot shed on each side. This barn has a concrete foundation and is in a good state

TRACT No. 3 is across the road from tract No. 2. It is a beautiful site for building a house.

TRACT No. 4 is a 40 acre farm that has about 15 acres of cleared land that is in good grass. The bolance of the farm is in large timber that's ready to be cut. About 8 acres is in large pine, the balance has large oak, and poplar. Very seldom do you see a farm that has timber of this kind. So if you need some good timber land, Don't miss this one.

TRACT No. 5 A 40 acre form that lays across the road from tract No. 4 and has about 6 discreted land that is in good mixed Hay and the balance is in good, young timber that will be ready to cut in a few years. Tract No. 4 and 5 will be sold separately and then grouped.

If you are in the market for some good building sites, or some good farms with large timber; Don't miss this Sale for very seldam do you have the opportunity to purchase property of this kind at the price you think it worth. There is a .68 to bacco base; 10 acre corn base to be divided by the ASC office.

And the farther you travel the less it costs per mile*

It's happened again! KU cuts its electric rates still lower to send your standard of living still higher. Every customer using over 100 kilowatt-hours a month qualifies— and the more you use, the lower the rate—down to 11/4c per-kwh over 1000. The more you live electrically, the their rate—when the proof of power for electric service, convenience and comfort continues to cost you less. So go first class— go all-electric—the world's bigest bargain in modern living.

*All customers using over 10% kilowatt-bours a month will benefit from the rate production. And customers who se all class way on the varies are but the bosses developed it is easing a rate of it is easing a rate of it is easing a rate of its desire are discussions. SYMBOL
