Mr. and Mrs. Russell Denver Hansel

Surah Elizabeth Swinney Is Bride Of Russell D. Hansel

The marriage of Miss Sarah Elizabeth Swinney, daughter of Mr. and Mrs. Hence Swinney, Richmond, Ind., and Russell Denver Hansel, son of Mrs. Daisy Hansel, Mt. Vernon took place Oct. 5 at the First Pilgrim Church of Richmond.

Rev. William Smith performed the double-ring candlelight ceremony. Music was provided by Mrs. Ralph Carrico, Dobert Jennings was the vocalist. Bouquets of white snapdragons and carnations decorated the altar which was lighted by candles in two seven-branched candelabra.

The bride was attired in a floor-length chantilly lace and taffeta dress. The low scalloped neckline of the lace bodice was accented by sequins and seed pearls. The long sleeves tapered to bridal points. A large bow trimmed the back of the gown, made with a v-dropped waist in front and back. The long overskirt was affixed to the finger-tip veil was lined with chantilly lace to match the gown and fell from a crown of seed pearls.

She carried a cascade arrangement of red roses laced with ivy and red ribbons tied in lovers knots. She also wore a single strand of cultured pearls. Mr. Swinney gave his daughter in marriage.

Mrs. Lonnie Cain was matron of honor. Bridesmaids were Miss Linda Frakes, Miss Mary Lou Swinney, sister of the bride, and Miss Ghele Cummins.

They wore short sleeved sheath dresses of blue and green satin brocade with bouffant overskirts. They also wore elbow length white gloves and green pillbox hats with kissing veils sprinkled with green rhinestones. Each wore a miniature sterling cross, a gift of the bride, and carried a bouquet of white carnations with blue and green streamers tied in lover's knots.

Cheryl Bane was the flower girl. She wore a white organdy dress trimmed in red and carried red rose petals in an old-fashioned basket. Lonnie Cain was best man. Ushers were William Farmer, John Dale Sowder, and Paul Land.

A reception followed the ceremony at the home of the bride. A buffet table decorated with red roses, silver leaves and sugar bells with Grecian column tie dividers and topped by a miniature bride and groom graced the bride's table. A dinner was given Thursday night for the bridal couple by Mrs. Benny Matthews of Richmond, Ind.

Ashland: Home of Henry Clay

Ashland, built by Henry Clay in 1811, was the home of the great Kentucky statesman for some 40 years. Clay named the residence after the estate's majestic ash trees, some of which were cut and used to finish the interior of the house. Four generations of Clay's descendants lived at Ashland, until it was opened to the public in 1950. Ashland today contains many pieces of the original furniture, Clay's chess set and two pairs of gold brocade draperies brought by Clay from France where he was a signer of the Treaty of Ghent ending the War of 1812 between the United States and England. A formal garden completes Ashland's lovely setting. Ashland is located on Main Street in Lexington and is open daily from 9:30 to 4:30, including Sundays.

How to be a big-time saver

(even if you're short on will power)

Iron-willed persistence is the tried and true way to become a successful saver. If that's not one of your strong points, however, try the Payroll Savings Plan.

It works just as well and saves you a lot of bookkeeping besides.

Every payday your employer sets aside a small amount from your check (you say how much) and puts it toward the purchase of a U. S. Savings Bond. Your Bond roll fattens up fast. Just \$4.53 a week, for example, adds on three \$10 Bonds every year.

There's no will power needed. And since you never see the small amount that's taken out of your check, you hardly miss it.

Of course, you save more than money this way. You also help preserve your freedom to spend it. Your Bond dollars help give Uncle Sam the financial strength he must have to protect our freedoms.

Tell your employer you want to start Payroll Savings this payday and see if you don't feel pretty good about it.

Quick facts about U. S. Savings Bonds

- You get \$4 for every \$3 at maturity
- You can get your money anytime
- Your Bonds are replaced free if lost, destroyed or stolen
- You can buy Bonds where you work or bank

Keep freedom in your future with U.S. SAVINGS BONDS

ELECTRIC dries them best

Your clothes get the best treatment when they're dried electrically
For all its wonder, Nature can't match the perfectly controlled temperatures of a flameless electric dryer.
Sunlight's often too harsh for all but the roughest dungeons. Wind blows soot and soil back into clothes.
But tumbling clothes in electric heat is the gentlest drying of all. It's pure electric heat, clean as an electric light and just as safe. Enjoy first class living now—with a flameless electric dryer.

BUY YOUR ELECTRIC RANGE OR DRYER NOW. WE'LL HELP PAY YOUR WIRING BILL.
If you change from 2-wire to 3-wire, 100-ampere service, and install an electric range or clothes dryer, we'll pay \$15 on your wiring bill.
If you have 3-wire service and install an electric range or dryer, we'll pay \$15 toward additional wiring needed. Offer good September 1 to November 30. See your KU or OCP manager for eligibility.

IN 1796, a young stone mason in his teens helped to lay the foundation for the governor's residence in Frankfort. Thirty years later, the same man, Thomas Metcalf, made his home there as Kentucky's ninth governor. Seven U. S. presidents and many other notables were guests at the old brick home between 1796 and 1914 when the new governor's residence and new Capitol were completed. In 1956, the original mansion was renovated as the home for Kentucky's lieutenant governor. Many of the original furnishings still grace the old residence, located on High Street.
