## District Governor Visits Lions Club

The Livingston Lions Club was host to District Governor Bill Branan of Corbin, Monday night. Lon Danny Logan and Leon Killgore of the Berea Club were also guests. A steak dinner was served in the school gymnasium.

Governor Branan praised the Livingston Club for its work and solid structure. The club has spent \$1380.00 in lighting the Ballfield. Most of this money had to be borrowed from the bank. The club has paid this indebtedness down to \$350.00. In addition the club has purchased several pairs of glasses for needy children.

The club also plans to give a scholarship to Bryant and Stratton Business College in Louisville to some deserving high school graduate. The club will see that the tuition is paid and that the student finds part-time work to pay for board and room expenses. The student would only need to buy clothing, books, and supplies. A committee has been set up to make the selection.

According to State Trooper Johnny Sims the accident occurred when Murphy lost control of his southbound vehicle and crossed the road in front of Williams.

To date there have been assisted in attending business school at Knoxville, all have graduated and are now working in that field.

All expecting to attend should make reservations as early as possible. Contact Charles E. Hurt, Alumni Chairman for number of reservations desired. Price of tickets is shown in classified section of this paper.

## Roy Brown's Daughter In TV Commercials

Mrs. Kathie Weston, daughter of Mr. and Mrs. Roy Brown of Brodhead, appears in a television commercial for Zenith dealers over WNCN-TV in Greenville, N.C., where she is employed as secretary. She appeared recently in two other television commercials for Dainty Maid Bread—which were made by an agency in New York, but were also shown in Greenville.

Kathie says, "making these commercials was one of the most interesting experiences of my life. I thoroughly enjoyed every moment of it. Although I'll admit, the first time these television cameras turned on me, I was petrified! However, I'm very thankful I had such an opportunity—it was truly an experience I shall never forget."

## Blue Devils Rip Eubank

In an awesome display of speed, passing, shooting and teamwork the Blue Devils blasted Eubank off the floor Saturday night. Led by their smooth working center, Paul Jones, the Devils led Eubank at the halfway point by a score of 57 to 22. With Red Bryant pounding into his own playing of the year the Devils seem to be getting stronger with each game played. Butch Loudermilk, Charles Robinson, and Lee Smith are also playing their best ball. Jerry McClure is still playing his consistent game with good shooting.

In the middle of the third quarter the Devils had increased their lead to 40 points and the reserves were sent in. At the end of the third quarter the score was 78 to 33. The reserves finished the game but Eubank waltzed the lead down to 22 points with the final score being 87 to 64.

Scoring for Livingston was Jones, 29; Bryant, 18; Loudermilk, 12; Smith, 7; Newcomb, 4; Sams, 4; and Bernard, 1.
