

# Social & Women's News

Mr. and Mrs. Jimmy Fletcher and Jo Ann and Mrs. Pearl Bullock spent Wednesday evening with Mrs. Bea Bullock and family.

Mrs. Glenn Faulkner, who has been ill, is reported improving in Rockcastle County Baptist Hospital.

Mr. and Mrs. Lester Bullock and Teresa and Mrs. Lucy Skings spent a while Monday night with Mrs. Bea Bullock and Janet Kay.

Mr. Asher Cummins, who is a patient in Rockcastle County Baptist Hospital, is reported slowly improving.

Miss Cora Alcorn and Janet Kay Bullock spent a while Saturday night with Mr. and Mrs. Robert Miller.

Miss Susie Dotson, a student at Eastern Kentucky State College, Richmond, was an overnight guest of Mr. and Mrs. Henry Hines and Casey one night last week.

Mr. and Mrs. Jim Hunt and daughter of Butler, N. J., were supper guests of Mr. and Mrs. Ben Barrett one night last week.

Mr. and Mrs. D. B. Saylor have returned from Florida due to the illness of Mrs. Saylor's mother.

Ben Barrett is visiting his daughter, Mrs. and Mrs. Joe A. Smith, at Cynthia.

Mr. John Sowder wishes to announce the engagement of his daughter, Linda Lee, to Mr. Ernest Lawson Whit. The wedding is planned for February 14 at the Friends Baptist Church. All friends are invited to attend.

### Celebrates Birthday

Mr. Dempsey Hansel of Mt. Vernon celebrated his birthday, Jan. 18. When asked what birthday, he said 26!

### In Hospital

Master Mark Bray, son of Mr. and Mrs. Phyllis Bray, is a patient in Rockcastle County Baptist Hospital.

### Recuperating

Rev. and Mrs. Howard Ray, Mrs. Marguerite Miller visited Jack St. Clair, who is a patient in St. Joseph Hospital at Lexington where he is recuperating from surgery.

### Eight-Years-Old

Miss Debbie Shehan, daughter of Mrs. Betty Shehan, celebrated her eighth birthday Wednesday, Jan. 13 at the home of her grandparents, Mr. and Mrs. Jim Barnett, at Snider.

Mrs. Glenn Coffey and daughter, Vickie, of Roundstone consulted a doctor for Vickie in Mt. Vernon Monday. They also visited her father, Mr. J. A. Anderkin, at the home of Mr. and Mrs. Elmo Anderkin and family.

Miss Janet Kay Bullock spent Saturday night with Miss Cora Alcorn.

Mrs. Gertrude Lay and son, Bobby, of St. Louis, are the week end at Mt. Vernon.

## Announcement

### For County Judge

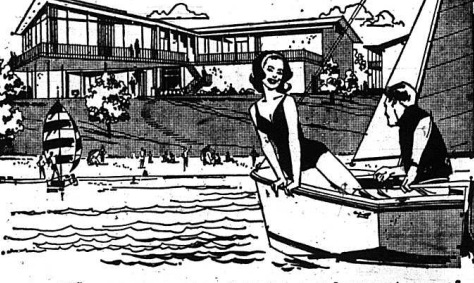

After careful consideration and having discussed the matter with a good many of my friends, I take this means to announce the fact that I am a candidate for County Judge of Rockcastle County, subject to the will of the voters of Rockcastle County in the Republican Primary, May 25, 1965.

I shall always be grateful to each one and all who makes an effort to help me in my campaign for this important office.

Your Friend,  
**WAYNE VANHOOK**

Have a wonderful vacation in

# KENTUCKY'S BEAUTIFUL RESORT PARKS

## Local Farmers Know What They Want In Tobacco Program

Any change in the federal government's tobacco subsidy and acreage allotment program on a national level, will get a co-operation from Rockcastle County farmers.

This was indicated Friday when only one among 63 farmers present at the meeting when the group was asked if they wanted the present program changed.

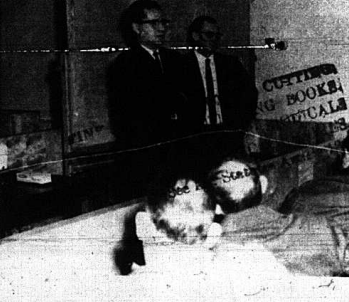

Said one farmer: "I think we have a good tobacco program the way it is, and I don't personally want it changed. No one disagreed with the statement."

Asking the farmers the questions was Dr. Smiley, tobacco specialist at the University of Kentucky, Lexington, at a meeting with tobacco farmers at the Rockcastle County Courthouse.

Farmers will have an opportunity to vote to continue the present program, or to change it now stands, or to change it in the near future.

Dr. Smiley urged each farmer to go to polls and indicate his feelings when time comes to vote. No date for a vote has been announced by the Secretary of Agriculture Orville Freeman.

The specialist did not visit with money farmers, but urged them to vote. His main purpose was to acquaint farmers with new tobacco pro-

DR. SMILEY, LEFT, AND AGENT LEE DURHAM

SOME FARMERS ARRIVED EARLY

duction practices, and to discuss and explain old production practices.

He said that currently there are many new practices going on in the growing, harvesting, and storing of tobacco, part of which Rockcastle County farmers could take advantage.

He then went into general production as it is practiced by county farmers.

He told the group that Man-

ganese toxicity is caused by too much acid in the soil brought about because of too much rainwater, too much fertilization, and an accumulation of acid salts.

Preventing Manganese toxicity is a matter of knowing it exists in the field, Dr. Smiley said. He stressed the importance of the farmer having his soil tested, either at the University of Kentucky, or at the office of

Rockcastle County Agent, Lee Durham.

He also stressed the importance of changing tobacco fields often so as to prevent a toxic build-up.

Dr. Smiley listed five varieties of tobacco that are best for Rockcastle tobacco growers—Kentucky-10, Kentucky-12, Burley-21, and two hybrids, Burley-21-Kentucky-10, and Burley-21-Kentucky-12.

Out of the five varieties, he listed Kentucky-12, and hybrid Kentucky-12-Kentucky-10 as the most resistant to Black Root Rot and Fusarium. The two other prevalent Kentucky tobacco diseases.

Dr. Smiley suggested county farmers treat their tobacco beds in the fall and leave the plastic cover on until spring. By doing this, he said, the farmer can save seed anytime

water be used on the bed each week.

He noted that farmers should plow the fields from four to six weeks before they set tobacco, or about mid-April.

In the area of insect control, Dr. Smiley did not outright suggest the use of certain brands of spray other than DDT, but told those present to investigate the spray before buying. He called the spray market a changing one.

He did warn farmers that tobacco should be sprayed for insects only when insects are actually found on the plant. He said spray residue is being found in cigarettes.

He explained that due to the residue tobacco companies must constantly change the tobacco in order to get the same taste in cigarettes.

He cautioned the farmers that if the companies continue to change the tobacco, somebody else will be able to use any kind of a plant leaf for cigarettes, resulting in the loss of the market for tobacco. He told the farmers to do everything to improve the quality of their tobacco.

Dr. Smiley illustrated his talk with color slides. At the conclusion of his talk, there was a question and answer period.

## HERE and THERE

By The Public

### THE SUGGESTION BOX

Several have suggested the city provide a meter on a parking meter at each end of Main Street so that motorists can drop their quarter and ticket inside while waiting to take it to Judge Larney Durham. The city might get more money this way. While suggestions are being made. Why not a city-owned parking lot?

### RECREATION CENTER

We hear Mt. Vernon Baptist Church officials are looking for a suitable building for a recreation center, but have found it is no easy task. We hope they are successful.

### STAR CITIZENS

Kenneth and Jimmy Cromer used a small tractor with attached snow plow to clear sidewalks around Mt. Vernon churches Sunday. The ministers have expressed their thanks, and the Meridian Woman's Club has named them Star Citizens of the Week.

### ROUGH WEEK END

Three Mt. Vernon businessmen had a rough week end as far as their autos were concerned. Ed Winstead and Leslie Key got front end damage, and Carl Brown was bumped from the rear.

### REMAINS OF JAIL

John Lair tells us, the cage and bunks of the old Rockcastle County Jail have been purchased for the Renfro Museum and stored in the show horse barn until a suitable building can be found for these houses of confinement. The jail will probably be on exhibit during the summer of 1965.

### COULD COST 5 CENTS

For those who are selective, workmen this week installed one pay compartment in each public restroom in the courthouse. One compartment was left without a lock for those who find themselves without a nickel. Ahhh, that was close!

### DOING GOOD JOB

Pine Mountain State Park's "The Book of the World's Fair, Europe, Canada, Africa, with reviews. It will be presented again this year in July and August at the Pineville park. These books are doing a great job and the state should be proud of their work.

### BOAT LICENSES

Boat enthusiasts can avoid a last minute rush on applying for 1965 licenses. Clerk Money Ed Cummins for 1965 boat registrations. The expiration date for 1964 licenses is April 30.

## Several More Candidates Have Filed For May Primary

Four more candidates filed this week for the Republican nomination to county offices in the May 23 primary election.

Tilford Reppert of Conway, deputy sheriff under Sheriff Lovell Clontz, filed for sheriff. Also chosen by Reppert are Frank Debord and Kirby Birk.

Filing for jailer was Shirley Sowder of Mt. Vernon, former butcher at Barnett's Grocery.

Filing for re-election for coroner is Fred Murrell of Mt. Vernon.

In District 3, filing for magistrate is incumbent Sherman (Danny) Sargent of Brodhead.

Others who have filed for office are: Clarence Carter for re-election as county clerk, and William Roscoe King of Canaan of District 1.

Announcing for county judge last week in a Signal advertisement was Earl Nichols. He had not filed by late Tuesday.

Also announcing for county judge in an advertisement this week is Wayne VanHook, currently a deputy sheriff. At the last check Mr. VanHook had not filed.

Indicating he will be candidate for sheriff is Jailer Sam Hoskins, who has not yet filed. Deputies under Mr. Hoskins will be Mt. Vernon Police Chief Walter Shepherd and Gene Mink.

Indicating they would be candidates last week were Ed and Mary Carter, who filed for re-election as county judge, and Atty. James W. Lamborn, who will seek re-election as county attorney. Atty. Carl Clontz has also indicated he would be a candidate at Conway. Burial was in the race for state representative.

## Feed-Grain Sign-Up Soon

Farmers will have an opportunity to sign up in the 1965 feed-grain program early in February, according to George M. Nelson, Jr., state executive director, Agriculture Stabilization and Conservation State Office.

The sign-up period will be for seven weeks, from Feb. 8 to March 7, 1965.

During the sign-up period, winter wheat producers who signed up in the wheat program last fall may change their intentions, except that in winter wheat areas growers may not overproduce wheat and store it under bond unless they stated their intentions to do this at the time of the sign-up last fall.

As in previous years, the director explained, the feed grain program will be voluntary and each operator of farms growing one of the three feed grains covered by the program will make his own

SOON TO GRADUATE from high school after completing night adult class work at Mt. Vernon are, front row, from left: Mrs. Lucille Ponder, Mrs. Ruth Fain, Mrs. Jean Clark, Mrs. Peggy Hysinger, and Lloyd Cain, teacher. Front row, from left: William E. Ponder, James B. Sexton, Larry Cromer, Charles Burdine, Edward Moore, and Norman Norton. Absent when the picture was taken were: Robert Baker, Mrs. Byrds Mink, Mrs. Ann Hammond, and Mrs. Yolanda Ramsey.

## Adults To Graduate

About 15 adults from Rockcastle County will soon complete night class work and receive a high school diploma.

They are the first class for adults to complete the necessary requirements for their diploma.

The group, ranging in age from 23 to over 50, are married and must have a full time job, including such jobs as factory work, farming, and minding the home and children.

According to teacher, Lloyd Cain, the students have been attentive, very willing to learn and have shown a tremendous desire to complete their high school education.

The members of the class are: Robert Burdine, Route 1, Mt. Vernon; William E. Ponder, Route 1, Brodhead; Mrs. Lucille Ponder, Route 1, Brodhead; Mrs. Mildred Hunt, Route 3, Mt. Vernon; Larry Cromer, Route 1, Brodhead; Robert Baker, Orlando; Mrs. Peggy Hysinger, Mt. Vernon; Norman Norton, Mt. Vernon; James B. Sexton, Climax; James Edward Moore, Mt. Vernon; Mrs. Byrds Mink, Mt. Vernon; Mrs. Ruth Fain, Pine Hill; Mrs. Ann Hammond, Route 1, Mt. Vernon; Mrs. Jean Clark, Renfro Valley, and Mrs. Yolanda Ramsey, Route 3, Mt. Vernon.

In September, 1964, a program of adult education was begun in Rockcastle. The program was initiated after a local survey showed that a number of adults desired to continue their education in

order to qualify for a high school certificate.

Through adult education courses in general education, a student attends night classes for one semester, or until he is ready to take a test to qualify for a high school certificate.

Some students finish in one semester while others who did not go so long to high school, or have less time to study, will need to go longer. The class meets two times each week and the meetings last for two hours.

The students study all subjects that are normally taught in high school.

From time to time there are special instructors who visit the class. The class which

(Continued on Page 2)

## Approval Seems Near For Dam At Renfro Valley

From all appearances, very little now stands in the way of a watershed project on Renfro Creek which would furnish water to the City of Mt. Vernon.

This was indicated this week in a talk with various state and local officials concerning the proposed dam at Renfro Valley.

It is the unanimous opinion from state officials that about all that would stand in the way of the project is an outright unfeasible opinion from a consulting engineering firm at Cincinnati, Ohio (not considered likely), or a rejection of the project by the City of Mt. Vernon.

In questioning Mayor Clyde Linville, Mayor Linville said the town can get the necessary money to purchase land and relocate roads, and that as far as the city is concerned, an outright rejection by the state would kill the project.

The dam would be a part of Interstate 75 that will be constructed in the months ahead. The state can build either a bridge over Renfro Creek or can fill the area and form a dam.

A check of the exact status of the watershed project shows the consulting firm is still doing engineering paper work on the dam with a report scheduled momentarily.

After the report is received by the State Highway Department, the Department will schedule a meeting at Mt. Vernon to discuss the report with the city to determine a course of action. At that time the project can be approved or abandoned.

One state official summed up his personal thoughts on the project in this way:

The report from the consulting firm will show that the dam will cost slightly more than a bridge over the creek.

Under these circumstances the State Highway Department will ask the City of Mt. Vernon if it is ready to uphold its end of the bargain; namely, does the city have the money to buy the land and relocate roads?

It is estimated the land will cost about as much as the dam will cost the state. Land needed totals about 400 acres.

The City will not have long to answer. In fact, the state will expect the city to answer at the meeting.

Said the official: "I think the success of this project lies in the amount of interest the people of the area have in the project. Especially, the interest that will be shown at the meeting. You people may have the interest, but are ready to go. But we're not ready today. Will local interest be as keen when we are ready?"

He did not speculate on whether he felt the local interest would be keen, but by the tone of his voice, he seemed to believe that local interest might wane.

The state official indicated further he felt the city might have difficulty in raising the money. But he noted, "that is a problem for the sponsoring agency, not the State Highway Department. I just wonder, can these people do what they say they can do?"

He said further: "In the next four or five months, there's got to be a lot of action by a lot of people. If one person darts his feet on this project, the dam is lost. When we're ready to go with final I-75 engineering, we've just got to know everything. Personally, I hope it all comes out a dam. The economic impact on that area will be great. But if you reject it, then in years to come, don't ever say you didn't have a chance."

Mayor Linville said the money for the project is available through the Federal Housing Authority in a 40-year loan. The loan would be repaid through revenue bonds issued against the Mt. Vernon Water Works, since the project is to furnish the city with water.

## PHONE RATES DOWN FEB. 1

Effective Feb. 1, 1965, both interstate and intrastate long distance telephone rates will be reduced, it was announced by W. W. Thomson, president, Kentucky Telephone Company, this week.

Both interstate and intrastate calls will have a lower rate after 6 p. m., daily. The present lower rate applies on calls made after 9 p. m., daily and extends to 4:30 a. m., Monday.

This lower rate will also be in effect from 8 p. m., Saturday night to 4:30 a. m., Monday. This rate at the lower rate will be in effect all day Sunday for the first time.

Rates presently charged between 6 p. m., and 8 p. m., daily will now be effective on calls made from 4:30 a. m. to 8 p. m., Saturday. Calls made between 6 p. m., and 8 p. m., are lower, but the lowest rate is effective after 8 p. m.

## Brodhead Tigers Only Winner

Brodhead's Tigers split basketball games during the past few days, but Livingston and Mt. Vernon did not play as well.

Brodhead came from "way behind" in the last quarter Tuesday night to defeat McCreary County 67-66.

McCreary led for three quarters of the game, at one time by 18 points.

In a game last Friday, the Tigers, playing without the services of high-scoring Marshall Norton, lost to Estill County 85-82.

It was not a good basketball week for Livingston. Friday night the Blue Devils journeyed to Nancy to lose 71-58. Tuesday night the Blue Devils lost in a squeaker to Annville 51-47.

At McCreary County (66)—Fleming 32, Stephens 17, Brooks 6, M. Carter 4, Smith 2, Strunk 2, Burgess 1, Morrow 1.

Brodhead (67)—E. Reynolds led with 24 points. Stephen 17, Adams 11, Albright 11, Vanhook 2, Sargent 1, Bray 1, McCreary Co. 10 41 54 68.

At Annville (51)—Gardner 24, Smith 7, Moore 3, Lewis 2, Hurdley 8, Wooten 15.

Livingston (47)—Bryant 25, Wyatt 10, Sams 8, Newcomb 2, Taylor 2.

Annville 12 25 38 51.

Livingston 14 26 37 47.

At Estill County (68)—Reeves 7, King 22, Yopers 14, Tipton 3, Winder 4, Sewell 10, Kennedy 3, Wiseman 3.

Brodhead (53)—Thornton 12, Adams 8, Reynolds 14, G. Reynolds 11, Albright 5, and Brown 2.

At Livingston County 18 24 35 68.

Brodhead 10 23 37 52

## GETS GRANT

A grant grant for \$5,000 has been awarded to Berea College by the Defense Corporation. The money will be used for renovation of space equipment, and journals for chemistry.

## WONDERFUL!!!

There has been no polio in Kentucky for more than two years, according to Dr. Bussett Seague, state health commissioner. The last reported case was in November 1962. Remember when?

## IT'S 'DRIVE' TIME

It is that time of year. In the days ahead, we will find in our post office box, or hear at our front door, a request for money to aid the various local, state, and national causes to which we have given our support in the past.

There will be the heart fund, the cancer fund, the muscular dystrophy fund, the March of Dimes, the mental retardation fund, and many other worthwhile causes.

Some of us will probably select one of the causes to contribute our money. Others of us will give some money to all.

Regardless to whom and to which cause we give our money, it will find its way into the research that will eventually discover the cause and treatment for our most dreaded diseases.

Give as much as you can!

## LHS Girl Wins Prize

Miss Sherry Cantwell has been named Livingston High School's 1965 Betty Crocker Homemaking of Tomorrow.

She scored highest in a written homemaking examination taken by senior girls Dec. 1, and is now eligible for state and national honors.

Test papers of all school Homemakers of Tomorrow in the state are currently being judged. The state's highest-ranking girl will receive a \$1,500 scholarship from General Mills, Inc., sponsor of the annual Betty Crocker Search for the American Homemaker of Tomorrow, with the state runner-up to be awarded a \$500 educational grant.

In addition, the school of the State Homemaker of Tomorrow will receive a complete set of the Encyclopedia Britannica, from Encyclopedia Britannica, Inc.

Later this spring, the State Homemaker of Tomorrow, together with a school advisor, will join first-place winners and advisors from each of the 50 other states and the District of Columbia in a tour of Colonial Williamsburg, Va., Washington, D. C., and New York City.

Climax of the week-long tour will be the naming of the Betty Crocker All-American Homemaker of Tomorrow. To be chosen on the basis of original test score and personal observations during interviews during the tour, she will receive an increase in her scholarship to \$5,000.

Second-, third- and fourth-place winners in the nation will have their grants raised

to \$4,000, \$3,000 and \$2,000, respectively.

The Betty Crocker Search for the American Homemaker of Tomorrow was initiated by General Mills in 1954 to emphasize the importance of homemaking as a career, including this year's record enrollment of more than half a million senior girls in more than 14,000 high schools, the total number of participants during the program's 11-year history stands at four million. Scholarship grants exceed \$1 million.

## WOOL PAYMENTS DEADLINE FEB. 1

Kentucky farmers have to Feb. 1 to file applications for payments for 1964 program participation in the National Wool Act.

The University of Kentucky Agriculture Extension Service's week-reminded farmers of this fact. Officials of the Agricultural and Stabilization Conservation Service (ASCS) will handle the applications at county ASCS offices.

Ordinarily Jan. 31 is the deadline date. That date falls on Sunday this year, so the filing deadline is Feb. 1.

Applications are for payment in connection with marketings of wool or lambs during 1964. Payments for cooperators will cover short- and unhorn lambs marketed during the 1964 calendar year. Marketings not completed by Dec. 31, 1964, come under payments for the 1965 marketing year.

## Eastern Adult Classes

The most attractive adult education program ever offered at Eastern, Kentucky State College has been planned for the spring semester. President Robert R. Martin said today.

Sixty-two courses accounting for 182 semester hours are presently scheduled to be offered during the semester and Dean W. J. Moore said that still more courses might be added to the schedule, if interest is shown for certain courses.

The program is designed for the adult student who desires to broaden his education without enrolling as a full-time student. Classes will be held in the evening and on Saturday morning, permitting adults to attend classes in their leisure time.

The adult education program has been very successful since it was begun three years ago and another good response is expected for the spring semester. Dr. Charles Ambrose, dean of admissions and registrar, said.

Registration for the program will be held Saturday, Feb. 6, from 8 a. m. to 10 a. m., in the Ferrill Room, Bert Combs Classroom Building. Students may also enroll for these classes during the regular registration period on Tuesday and Tuesday, Feb. 1 and 2.

Classes begin Feb. 3 for regular students.

Tuition for the courses will be \$7 per semester hour for in-state undergraduate students and \$9 per semester hour for out-of-state graduate students. A small classroom fee is also required.

The courses may be audited without credit, if the student desires. Dean Moore explained.

To be offered are a variety of courses in art, including art appreciation and drawing, painting, and composition. Business department courses geared for the adult student include both beginning and intermediate studies in shorthand, typewriting, bookkeeping, office appliances and procedures, and unit data processing.

Industrial arts courses will include general metalwork and welding, and a new course entitled, "The Negro in America."

### FEED-GRAIN SIGN-UP

(Continued from Page 1)

will be based on the crop diverted.

Diversion payments, if less than 40 percent of the base is actually diverted, will be made at one-fifth of the county support rate on the normal production for the first 20 percent diversion, and at one-half the support rate for the normal production for the balance of the diversion. If 40 percent or more of the base is diverted for payment, the higher rate will apply to all the acreage diverted.

### LOANS AVAILABLE THROUGH FHA

Opportunity loans through the Economic Opportunity Act of 1964 are now available from the Farmers Home Administration to low income farm families and non-farm rural families. Loans for livestock, equipment, land purchase and development, rental buildings, pay day advances, and other needs are secured by liens against land and buildings and operating expenses.

Loans to farm families may be for purchases such as livestock, equipment, land purchase and development, rental buildings, pay day advances, and other needs are secured by liens against land and buildings and operating expenses.

Farmers and non-farm rural families may use loan funds to carry out a variety of non-agricultural enterprises including well drilling, machinery repair, welding, carpentry, trucking, painting etc.

The total amount loaned to any one family may not exceed \$2500. The maximum term is 15 years. The interest rate is 4 and one-eighth percent a year on the unpaid principal.

The applicant must be unable to obtain the necessary credit from other sources, including regular loan programs of the Farmers Home Administration at reasonable rates and terms.

Further information can be obtained by contacting the local Farmers Home Administration office in the County Educational Building.

### SOUTHERN BELLE BUYS INTO DAIRY

The Berea College Creamery discontinued part of its operations on Jan. 1, according to an announcement made this week by President F. S. Hutches.

On that date, Southern Belle Dairy Company of Somerset purchased from the College certain facilities and equipment and took over the wholesale and retail milk routes formerly serviced by

### Jack Gilbert, 83, Buried At Red Hill

Jack Gilbert, 83, of Red Hill, died Jan. 13 at the home of his daughter, Mrs. Gertrude Tankersley of Livingston.

Mr. Gilbert was born in Clay County but spent the most of his life in Rockcastle County. He was a retired farmer and a member of the Morris View Holiness Church.

Besides Mrs. Tankersley, he is survived by his wife, Mrs. Carrie Abrams Gilbert, and two other daughters, Mrs. Mayrte Daugherty of Richmond, Ind., and Mrs. Ruby Gibson of Livingston. Three sons survive: Woodrow and Henry Gilbert, both of East Bernstadt, and Dewey Gilbert of Livingston, as well as seven grandchildren and 2 great-grandchildren.

Funeral services were held Jan. 15 at Morning View Holiness Church with Bro. Huey Carpenter and Wallie Phillips officiating. He was buried in Red Hill Cemetery. Spaulk Funeral Home was in charge of arrangements.

### WILLIE KIDWELL SECOND IN SHOOT

Second place trophy for shooting was awarded to Willie Kidwell of Broadhead at the annual banquet of the Palauke County Outdoorsmen Jan. 15 at the Beecher Hotel, Somerset.

Winning a Class C trophy was Larry Kidwell, son of Willie Kidwell.

Mr. Kidwell was awarded the trophy for hitting the target 1,270 times in 1,450 shots during the year. His average was 88.3 percent for all targets.

During the trophy shoot, Willie Kidwell, vice president, 11 shooters in Class A, winning a total of 11 trophies.

He also belongs to the Laurel Fish and Game Club from which he won the high overall trophy.

### WINTER'S LOW WAS FOUR BELOW

The coldest weather of the winter season in Stonehead was recorded on the thermometer dipped to a low of 4 degrees below zero, according to Bill Cox, who keeps the Mt. Weather Bureau station at Mt. Vernon.

The deepest snow of the winter occurred on Jan. 16 when five inches fell at Mt. Vernon.

Generally, lows over the last week were in the teens, with highs generally in the forties.

The Weather Bureau says there is a possibility of rain through Thursday, with clearing and colder weather for the week end.

### CITY RE-SIGNS SEWER CONTRACT

Approval to borrow \$410,000 for interim financing during construction of the Mt. Vernon sewerage system was given by the Mt. Vernon City Council at a meeting Monday.

The money will be used as needed until money becomes available from the sale of city revenue bonds.

A total of \$370,000 was borrowed from the Royal Bank and Trust Company of Louisville at a four percent interest rate, and \$40,000 from the Bank of Mt. Vernon.

### ASCS Moves

The Rockcastle County ASCS office will move Monday to their new office on the first floor of the Rockcastle County Courthouse. The office will be closed Monday but will re-open Tuesday in the new location.

(Kentucky Department of Public Information)

SPENDING BY OUT-OF-STATE TOURISTS in Kentucky, which increased by a record \$15 million in 1964, increased by even more — \$18 million — in the year just ended to an all-time high total of \$228 million. This chart, based on surveys made by Dr. Lewis C. Copeland, University of Tennessee economist, shows that tourist spending in the Bluegrass State has more than doubled since 1951.

AROUND BROODHEAD

Mr. and Mrs. Prova Am-bury, who have been visit-ing their daughter, Mrs. Jim-my Adams, and Mr. Adams to Florida, have returned home.

**AUTOMATIC! FAST! CLEAN! COOL!**

an electric range cooks rings around the rest!

... and we'll help pay for the wiring!

Good a cook as we are — you can't help cooking even better, automatically, with perfectly controlled heat of modern electric range. Electric heat comes on fast, too — and clean, because flameless electricity simply can't make dirt. And electric cooking is cool — the heat goes up into the pan, not out into your kitchen.

So be modern — take another step up toward the joy of total electric living — with a new electric range from your electric appliance dealer.

UP TO \$35 ON YOUR WIRING BILL IF YOU BUY AN ELECTRIC RANGE NOW! If you change from 2-wire to 3-wire, 100-ampere service, and install an electric range, we'll pay \$35 on your wiring bill. If you have 3-wire service and install an electric range, we'll pay \$15 toward additional wiring needed. Offer good to March 31, 1965. See your KU or ODP manager for eligibility.
