AN OPEN LETTER TO THE PEOPLE OF ROCKCASTLE COUNTY:

As your elected representative in the Kentucky Legislature I have consistently fought against the Breathtite Administration tax law because:

- (1) It will give an enormous tax cut to the large corporations such as The Telephone Company, L&N Railroad and other multi-million dollar concerns operating in your county.
- (2) The average farmer, home owner, and person living on a fixed income, tax bill will be increased from two to five times.
- (3) I have introduced in the General Assembly a bill which would give persons over 65 and farmers living on their own farms a one-third tax exemption. This the Governor and his stooges in the legislature have absolutely refused to let come on the floor of the house but I will continue to push it with every weapon at my command.

I invite every citizen of Rockcastle County to write me and let me know how you feel... and representing you.

Second Switch-- County Basketball Teams In Powerful 13th Region

For the second time within a year the Kentucky High School Athletic Association has switched Rockcastle County basketball teams into another district.

The change sees Mt. Vernon, Broaddus, and Livingston into District 13, Region 13.

District 49 includes such teams as Louisville, Tazewell, McKee, Clay County High, and Owsley.

Following the district may "give us a chance." It will be in Region 13 that the "men will be separated from the boys" so to speak.

Counties participating in Region 13 are Knox, Clay, Jackson, Bell, Harlan, and Whitley, and include such schools as Middleboro, Coeburn, and the County High, Lone Jack, Knox Central, and Harboursville.

It will be the first time in the history of Rockcastle schools that county teams are in a smaller division than Region 13 at Somerset.

March the KHSAA's Board of Control in Region 13 and 14, respectively, to the Laurel County District, but districts in schools in other than Region 13 at Somerset.

THEFT OF \$250 AT LIVINGSTON

About \$250 in money was taken from the apartment of Mr. and Mrs. Elvis Hamner Jr. at Livingston while they were out to dinner about 8 p. m. Sunday.

A total of \$313 of the money belonged to the Livingston Water Works. Around \$42 belonged to the Hamners.

The money was in the Livingston City Clerk and collects water works bills.

According to Mayor Calvin Webb, the thieves pulled a ladder against the back side of Hamner's Sundry Store, climbed to the Hamner's upstairs apartment, and entered through a window.

The money was in a cigar box.

Mayor Webb said two \$20 bills were left or overlooked by the thieves. He said the thieves apparently were apparently familiar with the premises.

State Police to date have questioned about 15 in connection with the theft.

6 COMPLAINTS FOLLOW RUKUS

Six complaints have been filed in Rockcastle County Court following a fracas in downtown Broaddus Friday night.

Complaints charging breach of peace have been filed against Arthur Bill Eves, 46, of Gum Sulphur, his wife, and two of his sons. The complaints were filed in the name of the family, in turn, filed an assault charge against Principal Robbins.

The fracas was reportedly the aftermath of disciplinary action taken by Principal Robbins against one of the Ross children. Mr. Robbins and the Ross family met in downtown Broaddus and the ruckus resulted.

Ross was treated at the Rockcastle County Hospital for a broken leg and transferred to Veterans Hospital, Louisville.

BURNING THE EVIDENCE—Members of the Livingston Lion's Club gathered last Friday night at a birthday dinner to burn a note recently paid off by the club. The note, for \$750, was part of \$1,300 used to erect lights for the Livingston playground. From left, front row, Mrs. Carl Carlisle, Eddie Bullock, Mayor Calvin Webb, Mr. Carlisle, president Charles P. Parsons, and Preston Parrett. Back row, from left Wayne Van Hook, Russell Milligan, Gail Craig, and C. F. Mullins.

At this point, Principal Clenton Seyler told Mrs. Stewart that the matter had been taken care of, and she would have known had she checked with him. He said the matter would not be "squeaked" at the meeting.

When contacted, Mrs. Stewart said she apologized, and said she had felt the matter was a private one for the PTA.

She said the principal told the group that she did not know any of the boys' names, and that the meeting was a bad one to bring up the matter.

Mrs. Stewart said she then told the group that she did not know any of the boys' names, and that the meeting was a bad one to bring up the matter.

Lion's Have Birthday

The Livingston Lion's Club celebrated its twenty-fifth anniversary Sept. 9 with a dinner for about 37 members and guests at the Livingston High School Cafeteria.

The club was organized Sept. 23, 1910. It is the oldest club in the county and was originally sponsored by the Richmond Lion's Club. Livingston later sponsored the club.

Only two of the original charter members remained to be recognized at the dinner. C. H. Webb and C. F. Mullins received 25-year-old Monarch Charter Certificates. The certificates were presented by Thomas A. Dixon Jr., district governor from Whitesburg. Mr. Webb also received a 25-year Masonic pin and a Kentucky Colonel commission at the dinner.

Eddie Bullock received a 20-year-old Monarch Certificate, and Charles E. Parrett received 10-year-old certificates.

International Counselor Ray G. Moore of Whitesburg was the speaker at the dinner. He was introduced by Club President Carl Carlisle.

Approve City Work Program

The City of Mt. Vernon's workable program of community improvement has been approved by the Housing and Home Finance Agency of Atlanta, Ga.

The announcement of the approval was made this week by Sen. John Sherman Cooper and Rep. Tim Lee Carter.

The city earlier approved its workable program as a pre-requisite to obtain funds for a housing project. Among the items approved for the workable program were a building code, sewer code, beautification, and eventual zoning.

In approving the workable program, the city is eligible for loans and grants for urban renewal, low rent housing, and a more liberal FHA mortgage insurance to assist in re-development and re-occupancy of displaced families.

Whether the approval of the program will make any funds available for the proposed Renfro Valley Drive and other projects is not known at this time.

Youth Riding In Auto Shot

A Mt. Vernon youth was injured late Friday night when he was shot in the hip while riding in an auto about six miles south of Richmond.

Treated and later released from Partis A. City Infirmary for a 30-day earlier bullet wound in the hip was Jerry Hines, 19, son of Mr. and Mrs. Charles Hines.

The four occupants of the auto told police a man standing beside US 26 fired at the car as they drove by, wounding Hines.

Police said the bullet struck into the right side panel of the late-model converted, between the door and the wheelwell, and ripped through the rear seat into the victim's hip.

Hines was riding in the right rear seat of the car also occupied by Charles Hines, 18, the driver; Eddie Morgan, 18, and Glen Cromer, 23, all of Mt. Vernon. The others were not injured.

They told Deputy Sheriff Kenneth Moberly they were en route from Mt. Vernon to Richmond when a car, occupied by a man, woman and baby, began firing close to their car in Rockcastle County.

The car continued its pursuit through Berea, they reported, and at one time the car passed them and the driver slammed on the brakes apparently attempting to wreck them.

The car then pulled off the road, but later caught up and passed their car a second time, they told police. The car roared ahead, they noted, pulled off the road and the driver emerged with a rifle. He fired as the auto passed.

At last report, no arrests have been made.

48 Registered

A total of 36 Republicans and 18 Democrats registered to vote in Rockcastle County in the primary election in May and the close of registration on Sept. 4.

The total registered in Rockcastle now stands at 4,332. Of this number, 4,028 are registered Republicans; 1,731 are registered Democrats, and three are registered Independents.

TWO INJURED

Two county youth people were injured Tuesday night when their auto collided with another at the entrance of the Valley Drive-In Theatre, Renfro Valley.

Treated for severe lacerations and other injuries was Shirley Jean Bowman, 18, daughter of Mrs. Virgie Bowman of Berea. Suffering a broken arm was the driver of the car, Donald Nelson, 16, son of Mr. and Mrs. W. O. Nelson, 23, of Berea. The two occupants of the other car involved in the collision collision were not injured. They were Kenneth Bailey and Harold Pennington, both of Dayton, Ohio. The Nelson car reportedly pulled out of the drive-in and headed for Conway when the Ohio car, going south, passed another car and collided with the Nelson car.

GROUP HEARS ABOUT ROACHES

The 1945 Mt. Vernon School PTA got off to a warm start Monday night when roach bugs were introduced at the meeting.

The matter of roaches came before the meeting when Mrs. Wayne Stewart asked the PTA to check with exterminators and have them spray the school lunchroom monthly to eliminate roaches and other bugs.

At this point, Principal Clenton Seyler told Mrs. Stewart that the matter had been taken care of, and she would have known had she checked with him. He said the matter would not be "squeaked" at the meeting.

When contacted, Mrs. Stewart said she apologized, and said she had felt the matter was a private one for the PTA.

Berea Defeats MVHS 61-7

Berea High School went on a sustained scoring spree Thursday night to hand Mt. Vernon its second football defeat in as many games, 61 to 7.

The game was notable in that Mt. Vernon scored its first touchdown of the season. In a fine run, Joe Lambert raced 50 yards for the score. Dwight Bowling converted the extra point through the line.

Early in the game, it was apparent that the fast Berea Pirates were out to score as many points as possible on their old football rival. And score they did—14 points in the first quarter, 20 in the second quarter, 30 in the third quarter, and one for good measure in the last quarter.

But generally, it was Berea's running game, and weak blocking by Mt. Vernon that proved to be the downfall of the Red Devils. Quarter scores were: 14-0

34-7, 54-7 and the final 61-7. Following the game, Coach Larry Travis complimented the Berea team as one of the finest... They simply ran us off our feet. They have a good group of boys. We didn't play as well as we are capable. I don't expect miracles, but I think we can play better than we did." Coach Travis said. Mt. Vernon journeys to City Friday afternoon for its third game.
