I don't really mean we give things away at Penney's (although our competitors have been known to accuse us of it, when they see our low prices!)

I'm talking of the Penney charge plan, the one that lets you choose the most con-venient way you'd like to pay for the things you buy at Penney's.

Our Fredit terms are easy and convenient and generous - because Penney's has learned one cardinal rule in 64 years of doing business with our customers: People are honest.
