Miss Peggy Wise was Saturday night guest of Miss Betsy Carloloff.

Mrs. Ida Ball is spending a few days with her sister, Mrs. Cora Edwards in London.

CARD OF THANKS

We wish to express our sincere thanks to everyone who helped in anyway during the illness and death of our beloved husband and father, McKinley Mink. We also wish to thank the ones who brought food, the beautiful flowers, those who sang, Dr. Kirby, Bro. Ovie Smith, the pallbearers, those who dug the grave, and Sparks Funeral Home.

THE MNK FAMILY - An Ordinance

ORDINANCE NO. 288 AN ORDINANCE OF THE CITY OF MOUNT VERNON, KENTUCKY, AMENDING ORDINANCE NUMBER 284 TO CHANGE THE EFFECTIVE DATE OF SAID ORDINANCE AND SPECIFYING WHICH EDITIONS OF THE NATIONAL BUILDING CODE, NATIONAL ELECTRICAL CODE AND SOUTHERN GAS CODE ARE

ADOPTED WHEREAS, the city of Mount Vernon, Kentucky, has heretofore adopted the National Building Code, the National Electrical Code and the Southern Gas Code, and WHEREAS, Ordinance number 284 adopting said code did not specify the editions of said code which were adopted, and

WHEREAS, it is in the interest of public safety and health to advance the effective date of said ordinance, NOW THEREFORE, THE CITY OF MOUNT VERNON DOES ORDAIN AS FOLLOWS:

SECTION I. The following editions of the following codes are hereby adopted.

National Building Code, 1955 Edition with 1957 and 1963 Supplements.

National Electrical Code, 1965 Edition.

Southern Gas Code, 1965 Edition.

SECTION II. The effective date of ordinance number 284 is hereby amended so that said ordinance becomes effective upon publication of this amendment.

This is the 1 day of December, 1966.

CITY COUNCIL OF MOUNT VERNON, KENTUCKY
By: /s/ Clyde Linville
Mayor, City of Mount Vernon, Kentucky

ATTEST:
/s/ Mary A. Bullock
City Clerk, Mount Vernon, KY.

CERTIFICATION OF CITY CLERK

I, Mary A. Bullock, hereby certify that I am the duly qualified and acting city clerk of Mt. Vernon, Kentucky, and that the foregoing Ordinance is a true copy of an Ordinance duly adopted by the city council of said city December 1, 1966, that said Ordinance has been required to be published as ordered by law, and that said Ordinance appears as a matter of public record in the City Ordinance book.

IN TESTIMONY WHEREOF, Witness my signature as city clerk of Mt. Vernon, Kentucky, and the official seal of said city on this 1 day of December, 1966.

/s/ Mary A. Bullock
city clerk

Aston Taylor was home from Lexington with his family over the week end.

that a building or dwelling is unfit or unsafe for human habitation or other occupancy.

For the purpose of making such surveys, inspections and investigations, the Building Official is hereby authorized, upon identification and statement of purpose, to enter, inspect, survey and investigate between the hours of 8:00 a. m. and 5:00 p. m., or at any time if an emergency exists, or if requested by the owner or occupant, all buildings, dwellings, dwelling units, rooming units and general premises.

The owner or occupant of every building, dwelling, dwelling unit, rooming unit and general premises, or the person in charge thereof, shall give the Building Official free access to such building, dwelling, dwelling unit, rooming unit or general premises for the purpose of such inspection, survey or investigation.

(5) RECORDS AND REPORTS
 The Building Official shall keep records of all complaints received, inspection reports, orders and compliance issued and of other actions taken. The records shall be available for public inspection. He shall prepare an annual report including statistics based on the records kept.

106 BOARD OF APPEALS
(1) GENERAL
 a. There is hereby created a Board of Building and Housing Appeals consisting of five members appointed by the appointing authority of the city. To the extent practicable, it shall be composed of one realtor or representative of a mortgage lending institution, one physician or public health nurse; two of any of the following: architect, engineer, contractor or building materials dealer; and one member from the community at large.

b. Of the members first appointed, two shall be appointed for a term of one year, two for a term of two years, one for a term of three years and thereafter they shall be appointed for terms of four years.

Vacancies shall be filled for an unexpired term in the manner in which original appointments are required to be made. Continued absence of any member from regular meetings of the Board shall, at the discretion of the appointing authority, render any such member liable to immediate removal from office.

c. Three members of the Board shall constitute a quorum. In varying the application of any provisions of this code or in modifying an order of the Building Official, affirmative votes of a majority of the Board shall be required. No board member shall act in a case in which he has a personal interest.

d. The Board shall establish rules and regulations for its own procedures not inconsistent with the provisions of this ordinance. The Board shall meet at regular intervals to be determined by the chairman, or in any event, the Board shall meet within ten days after notice of appeal has been received.

e. The Board shall have the power to administer oaths, affirmations and to receive and receive evidence.

(2) VARIANCES FROM THE REQUIREMENTS OF THIS ORDINANCE
 Where, because of conditions peculiar to a particular building, it would be unreasonably difficult to meet the literal requirements of this ordinance, a variance may be granted by the Board upon written application therefore. Such application shall state in writing the reasons why the variance shall be made. A variance may be granted only where it is evident that reasonable safety and sanitation is assured, and may include conditions not generally specified by this ordinance in order to achieve that end. The variance may include an expiration date. A copy of the variance shall be filed in the office of the Building Official and a copy shall be given to the applicant.

(3) APPEALS FROM DECISIONS OF THE BUILDING OFFICIALS
 a. Whenever it is claimed that the true intent and meaning of this ordinance has been wrongly interpreted or that the time allowed for compliance is unreasonable, and the owner, his agent, or the occupant, as the case may be, may file a notice of appeal from a decision or order of the Building Official. Such notice shall be in writing and filed within 10 days after the decision or order of the Building Official has been made.

b. The Board, when so appealed to, may modify the decision or order of the Building Official. Its decisions shall be final, subject, however, to such remedy as any aggrieved party may have in a court of law.

c. A notice of appeal shall be filed in the office of the Building Official, and a certified copy shall be given to the appellant.

107 OCCUPANCY CERTIFICATES
(1) No person shall occupy or reoccupy, or let to another to occupy or reoccupy, any dwelling or dwelling unit, rooming house or rooming unit, nor shall water, electric, and/or gas utilities be supplied by the city or a utility company until an occupancy certificate has been issued.

(2) The certificate of occupancy shall be issued in the name of the owner as defined herein, and shall state that the dwelling, dwelling unit, rooming house or rooming unit is in compliance with this ordinance.

a. In addition, for a dwelling or dwelling unit the certificate shall contain the name of the individual or head of household occupying said dwelling or dwelling unit, and shall contain an expiration date but in all cases shall expire upon a change in ownership or vacation of said dwelling or dwelling unit by the individual or head of household named in said certificate, unless sooner revoked as hereinafter provided.

b. For a rooming house the certificate shall contain the name of the operator, if different from the owner, and shall expire at the end of one year following its date of issuance, unless sooner revoked as hereinafter provided.

c. A certificate of occupancy shall be issued within 5 days after written application is received from the owner or operator, in writing specifying the reasons why a certificate of occupancy cannot be issued.

(4) Whenever any dwelling, dwelling unit, rooming house or rooming unit is found to contain violations of this ordinance, the Building Official shall give notice that unless the violations are corrected within a reasonable period of time, the occupancy certificate will be revoked, subject to appeal before the Board of Building and Housing Appeals.

(5) A fee to be determined by the city legislative body shall be paid to the city for each certificate of occupancy.

108 ADMINISTRATIVE PROCEDURES
(1) The Building Official shall, for each inspection made, make an inspection report noting any violations of this ordinance or conditions which indicate that a dwelling is unfit for human habitation or that any other building is unsafe. He shall give a copy to the owner or occupant, or both, as the case may require, and shall retain a copy, except where the complaint which prompted the inspection is served at the time of inspection, the report shall serve as notice to the affected persons that there is a violation of this ordinance and may contain a time limit for compliance.

(2) The Building Official may issue and cause to be served, in the manner prescribed in section 109, a complaint charging that a dwelling is unfit or that any other building is unsafe, if the inspection discloses a basis for so charging the complaint shall state: That a hearing will be held before the Building Official (or his designated agent) at a place therein fixed not less than 10 days nor more than 30 days after the serving of the complaint; that the owner and parties in interest may file an answer to the complaint and to appear in person, or otherwise and give testimony at the place and time fixed in the complaint; and that the rules of evidence prevailing in the courts of law or equity shall not be controlling in hearings before the Building Official.

If after such notice and hearing, the Building Official determines that the dwelling or dwelling unit under construction is unfit for human habitation or the building is dangerous, he shall state in writing, his findings of fact in support of such determination, and shall issue and cause to be served upon the owner thereof an order, to the intent and within the time specified in the order, to repair, alter, improve, the said dwelling, building or building to render it fit and safe; or if the repair, alteration or improvement can be made at a cost that is not more than fifty per cent of the value of the building, at the option of the owner, to vacate and close the building; or if the repair, alteration or improvement is not more than fifty per cent of the value of the building, within the time specified in the order, to remove or demolish the said dwelling or other building.

109 SERVICE OF REPORTS, NOTICES, COMPLAINTS OR ORDERS
(1) Reports or notices issued by the Building Official pursuant hereto, shall be served upon persons either personally or by registered mail to the last known address of the persons named.

(2) COMPLAINTS OR ORDERS shall be served upon persons either personally, or by registered mail, but if the whereabouts of any persons is unknown and the same cannot be ascertained by the Building Official in the exercise of reasonable diligence, the Building Official shall make an affidavit to that effect, then the serving of a complaint or order upon such person may be made by publishing the same once a week for two successive weeks in the official newspaper of the city, service being deemed complete on the last publication. A copy of such complaint or order shall be posted in a conspicuous place on premises affected by the complaint or order and shall be recorded in the office of the circuit court clerk of the county wherein the dwelling or building is located.

110 FAILURE TO COMPLY WITH ORDER
(1) If the owner of a dwelling or other building fails to comply with the order of the Building Official to repair, alter or improve, and/or vacate, close, remove or demolish the dwelling, dwelling unit or building, the Building Official may cause such dwelling, dwelling unit or building to be repaired, altered or improved, and/or to be vacated, closed, removed or demolished. The Building Official may cause to be posted on the main entrance, a placard with the following words:

"This building is unfit for human habitation or other use; the use or occupation of this building for human habitation or other use after this date is unlawful and is prohibited."

(2) No person shall deface or remove the placard or other notice required hereunder from any dwelling, dwelling unit, rooming house, or building. The Building Official shall cause the placard to be removed whenever the defects upon which the placarding action were based have been corrected or removed.

(3) The amount of the cost of such repairs, alterations, or improvements, or removal or demolition, shall be determined by the Building Official, including the cost of advertising and publishing of notices, shall be the personal debt and liability of the owner or owners, and shall be a lien against the real property upon which such cost was incurred. Such cost shall be placed upon the city's tax books against the said property and may be foreclosed, in the same manner as taxes and tax liens are collected and foreclosed, or by their civil suit or process as in any other case. The cost of the dwelling, dwelling unit, rooming house, or building demolished by the Building Official, shall if possible, be paid by the materials of such dwelling, dwelling unit, or building and shall credit the proceeds of such sale against the cost of removal or demolition, and any balance remaining shall be deposited in the office of the Building Official, shall be secured in such manner as may be directed by such court, and shall be disbursed by such court to the persons found to be entitled thereto by final order to the effect of such courts.

(4) Failure on the part of any owner or party in interest to receive or have served upon him any complaint, notice or order herein provided for, shall not affect or invalidate the proceedings with respect to any other owner or party in interest or any other person, firm or corporation.

111 PENALTIES
 Any person who shall violate any provision of this ordinance or who shall fail to comply with any order or inspection report with the time limit shall, upon conviction, be punished by a fine of not less than \$5 nor more than \$100 or by imprisonment for not more than 30 days or by such fine and imprisonment; and each day that any such violation or failure to comply occurs, or is continued, shall constitute a separate offense.

112 DUTIES OF LEGAL OFFICER
 The city attorney (and prosecuting attorney) shall, upon complaint of the Building Official, or upon his own motion, institute appropriate legal action to restrain, prevent, enjoin, abate, correct or remove such violations, and to take such other legal action as is necessary to carry out the terms and provisions of this ordinance. The remedies provided for herein shall be cumulative and not exclusive, and shall be in addition to any other remedies provided by law; and all remedies may be pursued concurrently and successively, and the payment of any remedy shall not be construed as the waiver of the right to pursue any and all of the others.

113 JUDICIAL REVIEW
 Any person affected by an order which has been upheld in full or in part by the Board of Building and Housing Appeals may, within sixty days after the posting and service of the order, petition the circuit court for an injunction as provided by K. R. S. 80.700, or seek to have the order reviewed as may otherwise be provided by law.

CHAPTER II DEFINITIONS
 The following definitions shall apply in the interpretation and enforcement of this code:

APPROVED shall mean constructed, installed and maintained (Continued To Page 9)

 (8) Hazardous Wiring
 (9) Hazardous Plumbing
 (10) Hazardous Heating Equipment

CHAPTER IV - RESPONSIBILITY OF OCCUPANTS AND OWNERS
 401 - Responsibility of the Occupants
 402 - Responsibility of the Owner

An ordinance providing minimum standards for the occupancy of buildings, definition of hazards and for the condemnation of hazards and for the condemnation of unfit and unsafe dwellings and buildings, establishing penalties and procedures for its administration.

WHEREAS, it has been found that there exist in the city buildings used as dwellings and/or other use which are unfit and unsafe for human habitation or use due to dilapidation, defects increasing the hazard of fire accidents or other calamities, lack of ventilation, light or sanitary facilities and due to other conditions rendering such buildings inimical to the welfare of the residents of the city; and

WHEREAS, it is the common knowledge that these conditions can be relieved, prevented and generally eliminated through the administration of an ordinance providing minimum standards of occupancy and maintenance for buildings and for the repair, improvement, vacation and demolition of unfit and unsafe buildings used as dwellings and for other use.

The City Council of the City of Mt. Vernon, Kentucky does ordain as follows:

CHAPTER I GENERAL PROVISIONS
 101 TITLE
 This ordinance shall be known and may be cited as the Housing and Unsafe Building Code.

102 SCOPE
 This ordinance shall apply to every building or structure or appurtenances connected or attached to such buildings or structures.

103 CONFLICT WITH OTHER ORDINANCES
 In any case where a provision of this ordinance is found to be in conflict with any existing code, ordinance or regulation of the city, the provision which establishes the higher standard shall prevail.

104 SEVERABILITY
 If any part, section, subsection or paragraph, term or provision of this ordinance should be declared invalid by any court of competent jurisdiction, such decision shall not affect the remaining parts, sections, subsections, paragraphs, terms or provisions of the ordinance.

105 BUILDING OFFICIAL
 (1) The administration of this ordinance shall be the responsibility of the Building Official; he will work in close cooperation with the Fire Chief, the County Health Department and other officials and agencies; he may seek their written opinions concerning the conditions of dwellings or other buildings.

(2) The Building Official and his assistants shall be free from personal liability in acting in good faith in the performance of official duties.

(3) The Building Official or any one of his assistants shall not have a financial interest in the furnishing of labor, material or appliances for the construction, alteration or maintenance of a building, except where he is the owner, and shall not act as an agent for real estate sales, leases or rentals.

(4) POWERS AND DUTIES
 a. The Building Official is authorized to conduct surveys and make inspections in any area of the community to determine compliance with this ordinance or other ordinance he is empowered to enforce.

b. The Building Official shall investigate all complaints whether they be verbal, written or in the form of a petition alleging or charging that a violation of this ordinance exists and/or

that a building or dwelling is unfit or unsafe for human habitation or other occupancy.

For the purpose of making such surveys, inspections and investigations, the Building Official is hereby authorized, upon identification and statement of purpose, to enter, inspect, survey and investigate between the hours of 8:00 a. m. and 5:00 p. m., or at any time if an emergency exists, or if requested by the owner or occupant, all buildings, dwellings, dwelling units, rooming units and general premises.

The owner or occupant of every building, dwelling, dwelling unit, rooming unit and general premises, or the person in charge thereof, shall give the Building Official free access to such building, dwelling, dwelling unit, rooming unit or general premises for the purpose of such inspection, survey or investigation.

The Building Official shall keep records of all complaints received, inspection reports, orders and compliance issued and of other actions taken. The records shall be available for public inspection. He shall prepare an annual report including statistics based on the records kept.

106 BOARD OF APPEALS
(1) GENERAL
 a. There is hereby created a Board of Building and Housing Appeals consisting of five members appointed by the appointing authority of the city. To the extent practicable, it shall be composed of one realtor or representative of a mortgage lending institution, one physician or public health nurse; two of any of the following: architect, engineer, contractor or building materials dealer; and one member from the community at large.

b. Of the members first appointed, two shall be appointed for a term of one year, two for a term of two years, one for a term of three years and thereafter they shall be appointed for terms of four years.

Vacancies shall be filled for an unexpired term in the manner in which original appointments are required to be made. Continued absence of any member from regular meetings of the Board shall, at the discretion of the appointing authority, render any such member liable to immediate removal from office.

c. Three members of the Board shall constitute a quorum. In varying the application of any provisions of this code or in modifying an order of the Building Official, affirmative votes of a majority of the Board shall be required. No board member shall act in a case in which he has a personal interest.

d. The Board shall establish rules and regulations for its own procedures not inconsistent with the provisions of this ordinance. The Board shall meet at regular intervals to be determined by the chairman, or in any event, the Board shall meet within ten days after notice of appeal has been received.

e. The Board shall have the power to administer oaths, affirmations and to receive and receive evidence.

(2) VARIANCES FROM THE REQUIREMENTS OF THIS ORDINANCE
 Where, because of conditions peculiar to a particular building, it would be unreasonably difficult to meet the literal requirements of this ordinance, a variance may be granted by the Board upon written application therefore. Such application shall state in writing the reasons why the variance shall be made. A variance may be granted only where it is evident that reasonable safety and sanitation is assured, and may include conditions not generally specified by this ordinance in order to achieve that end. The variance may include an expiration date. A copy of the variance shall be filed in the office of the Building Official and a copy shall be given to the applicant.

(3) APPEALS FROM DECISIONS OF THE BUILDING OFFICIALS
 a. Whenever it is claimed that the true intent and meaning of this ordinance has been wrongly interpreted or that the time allowed for compliance is unreasonable, and the owner, his agent, or the occupant, as the case may be, may file a notice of appeal from a decision or order of the Building Official. Such notice shall be in writing and filed within 10 days after the decision or order of the Building Official has been made.

b. The Board, when so appealed to, may modify the decision or order of the Building Official. Its decisions shall be final, subject, however, to such remedy as any aggrieved party may have in a court of law.

c. A notice of appeal shall be filed in the office of the Building Official, and a certified copy shall be given to the appellant.

107 OCCUPANCY CERTIFICATES
(1) No person shall occupy or reoccupy, or let to another to occupy or reoccupy, any dwelling or dwelling unit, rooming house or rooming unit, nor shall water, electric, and/or gas utilities be supplied by the city or a utility company until an occupancy certificate has been issued.

(2) The certificate of occupancy shall be issued in the name of the owner as defined herein, and shall state that the dwelling, dwelling unit, rooming house or rooming unit is in compliance with this ordinance.

a. In addition, for a dwelling or dwelling unit the certificate shall contain the name of the individual or head of household occupying said dwelling or dwelling unit, and shall contain an expiration date but in all cases shall expire upon a change in ownership or vacation of said dwelling or dwelling unit by the individual or head of household named in said certificate, unless sooner revoked as hereinafter provided.

b. For a rooming house the certificate shall contain the name of the operator, if different from the owner, and shall expire at the end of one year following its date of issuance, unless sooner revoked as hereinafter provided.

c. A certificate of occupancy shall be issued within 5 days after written application is received from the owner or operator, in writing specifying the reasons why a certificate of occupancy cannot be issued.

(4) Whenever any dwelling, dwelling unit, rooming house or rooming unit is found to contain violations of this ordinance, the Building Official shall give notice that unless the violations are corrected within a reasonable period of time, the occupancy certificate will be revoked, subject to appeal before the Board of Building and Housing Appeals.

(5) A fee to be determined by the city legislative body shall be paid to the city for each certificate of occupancy.

108 ADMINISTRATIVE PROCEDURES
(1) The Building Official shall, for each inspection made, make an inspection report noting any violations of this ordinance or conditions which indicate that a dwelling is unfit for human habitation or that any other building is unsafe. He shall give a copy to the owner or occupant, or both, as the case may require, and shall retain a copy, except where the complaint which prompted the inspection is served at the time of inspection, the report shall serve as notice to the affected persons that there is a violation of this ordinance and may contain a time limit for compliance.

(2) The Building Official may issue and cause to be served, in the manner prescribed in section 109, a complaint charging that a dwelling is unfit or that any other building is unsafe, if the inspection discloses a basis for so charging the complaint shall state: That a hearing will be held before the Building Official (or his designated agent) at a place therein fixed not less than 10 days nor more than 30 days after the serving of the complaint; that the owner and parties in interest may file an answer to the complaint and to appear in person, or otherwise and give testimony at the place and time fixed in the complaint; and that the rules of evidence prevailing in the courts of law or equity shall not be controlling in hearings before the Building Official.

If after such notice and hearing, the Building Official determines that the dwelling or dwelling unit under construction is unfit for human habitation or the building is dangerous, he shall state in writing, his findings of fact in support of such determination, and shall issue and cause to be served upon the owner thereof an order, to the intent and within the time specified in the order, to repair, alter, improve, the said dwelling, building or building to render it fit and safe; or if the repair, alteration or improvement can be made at a cost that is not more than fifty per cent of the value of the building, at the option of the owner, to vacate and close the building; or if the repair, alteration or improvement is not more than fifty per cent of the value of the building, within the time specified in the order, to remove or demolish the said dwelling or other building.

109 SERVICE OF REPORTS, NOTICES, COMPLAINTS OR ORDERS
(1) Reports or notices issued by the Building Official pursuant hereto, shall be served upon persons either personally or by registered mail to the last known address of the persons named.

(2) COMPLAINTS OR ORDERS shall be served upon persons either personally, or by registered mail, but if the whereabouts of any persons is unknown and the same cannot be ascertained by the Building Official in the exercise of reasonable diligence, the Building Official shall make an affidavit to that effect, then the serving of a complaint or order upon such person may be made by publishing the same once a week for two successive weeks in the official newspaper of the city, service being deemed complete on the last publication. A copy of such complaint or order shall be posted in a conspicuous place on premises affected by the complaint or order and shall be recorded in the office of the circuit court clerk of the county wherein the dwelling or building is located.

110 FAILURE TO COMPLY WITH ORDER
(1) If the owner of a dwelling or other building fails to comply with the order of the Building Official to repair, alter or improve, and/or vacate, close, remove or demolish the dwelling, dwelling unit or building, the Building Official may cause such dwelling, dwelling unit or building to be repaired, altered or improved, and/or to be vacated, closed, removed or demolished. The Building Official may cause to be posted on the main entrance, a placard with the following words:

"This building is unfit for human habitation or other use; the use or occupation of this building for human habitation or other use after this date is unlawful and is prohibited."

(

ORDINANCE NO. 284 (Continued From Page 8)

tained in accordance with the provisions of this code and other pertinent ordinances of the City of Mt. Vernon, Kentucky and with rules and regulations adopted.

BUILDING shall mean any building or structure having a roof supported by columns or walls and intended for shelter, occupation of persons, animals, or chattel.

BUILDING OFFICIAL shall mean the person or persons designated authority charged with the administration of this ordinance, or his duly authorized representative.

BOARD shall mean the Board of Building and Housing Appeals established by this ordinance.

DWELLING shall mean any building or mobile home, or part thereof, used and occupied for human habitation or intended to be so used; provided that temporary housing as hereinafter defined shall not be regarded as a dwelling.

DWELLING UNIT shall mean any room or group of rooms located within a dwelling and forming a single habitable unit with living, sleeping, cooking, eating and sanitary facilities.

EXTERMINATION shall mean the control and elimination of insects, rodents or other pests by eliminating their harborage places, by removing inaccessible materials that may serve as their food; by poisoning, spraying, fumigating, trapping or by any other recognized and legal pest elimination methods.

GARBAGE shall mean the animal and vegetable waste resulting from the handling, preparation, cooking and consumption of food.

HABITABLE ROOM shall mean a room or enclosed floor space used, or intended to be used, for living, sleeping, cooking or eating purposes.

INFECTION shall mean the presence within or around a dwelling, or of insects, rodents, or other pests.

MOBILE HOME shall mean a portable structure on wheels, jacks or permanent foundation, so designed or constructed as to permit occupancy for dwelling or sleeping purposes.

OWNER shall mean any person living, sleeping, cooking, or eating in, or having actual possession of a dwelling unit, rooming unit, building or portion of a building.

PERSON shall mean and include any holder of a jointly or equitable title in the premises, whether alone or jointly with others, and whether in possession or not, or any person who shall have charge, care, or control of any dwelling unit, rooming unit, building or portion of a building.

PARTIES IN INTEREST means all individuals, associations and corporations who have interests of record in a dwelling or building and any who are in possession thereof.

PERSON shall mean and include any individual, firm, corporation, association, partnership or trust.

PLUMBING shall mean the art of installing the pipes for distributing the water supply, the fixtures for using water and drainage pipes for removing waste, water and sewage, together with fittings and appearances of various kinds, all within or adjacent to the building and including the service pipe which forms the connection between the shut-off valve and curb line and the building, and the house sewer which conveys the waste water and sewage from the building to the street sewer or other point of disposal.

PORTABLE WATER is water duly approved as satisfactory for drinking.

PREMISES shall mean a platted lot or part thereof, or unplatted lot or parcel of land or plot of land, either occupied or unoccupied by any dwelling or non-dwelling structure.

PUBLIC HALL shall mean any hall, corridor or passageway not within the scope of this ordinance.

ROOMING UNIT shall mean any room or group of rooms forming a single habitable unit used or intended to be used for living and sleeping, but not for cooking or eating purposes.

ROOMING HOUSE shall mean any dwelling, or that part of any dwelling containing one or more rooming units, in which space is let by the occupant to three or more persons who are not husband or wife, son or daughter, mother or father, sister or brother of the occupant.

RUBBISH shall mean all waste materials except garbage, and the term shall include the residue from the burning of wood, coal, coke and other combustible material, paper, rags, cartons, boxes, excelsior, rubber, leather, tire branches, yard trimmings, tin cans, metals, mineral matter, glass, crockery and dust.

TEMPORARY HOUSING shall mean any tent, travel trailer or other portable structure or vehicle used for human shelter which is not attached to the ground, another building or structure, or any utility for more than 30 consecutive days.

CHAPTER III HOUSING STANDARDS AND CONDITIONS THAT WARRANT FINDING OF UNFITNESS AND UNSAFE

301 The Building Official may determine that a dwelling is unfit for human habitation or that any building is unsafe, if he finds that conditions exist in such dwelling or other building which are dangerous or injurious to the health, safety or morals of the occupants of neighboring buildings or the general public.

302 No person shall occupy as owner-occupant or let to another for occupancy any dwelling, building or rooming unit for cooking, or eating therein, which does not comply with the requirements of Sections 303 and 304 of this chapter.

303 MINIMUM STANDARDS NECESSARY TO MAKE DWELLINGS FIT FOR HUMAN HABITATION

(1) MINIMUM STANDARDS FOR BASIC EQUIPMENT AND FACILITIES

a. Every dwelling unit shall contain a kitchen sink of good working condition.

b. Every dwelling unit shall contain a room which affords privacy to a person within said room which is equipped with a flush water closet and a lavatory basin in good working condition.

c. Every dwelling unit shall contain, within a room which affords privacy to a person within said room, a bathtub or shower in good working condition.

d. Every kitchen sink, lavatory basin and bathtub or shower required under the provisions of this ordinance shall be properly connected with both hot and cold water lines.

e. Every dwelling shall have a properly installed according to applicable laws and regulations of the city and state, properly connected with the hot water lines required under the provisions of this ordinance and are capable of heating

water to such a temperature as to permit an adequate amount of water to be drawn at every required kitchen sink, lavatory basin, bathtub or shower at a temperature of not less than 120 degrees Fahrenheit. Such applied water-heating facilities shall be capable of meeting the requirements of this ordinance, and the installation of a dwelling unit heating facilities required under the provisions of this ordinance are not in operation.

f. Every dwelling, dwelling unit and rooming house shall be properly connected to sewer lines that discharge into a public sewerage system, or if no public system is available into a private or jointly owned system meeting the requirements of the county and state health department.

g. Every dwelling unit shall be supplied with adequate rubbish storage facilities.

h. Every dwelling unit shall have adequate garbage disposal facilities or garbage storage containers.

i. Every dwelling unit shall have safe, unobstructed exits leading to safe and open space at ground level, as required by the laws and regulations of the State and City.

(2) MINIMUM STANDARDS FOR LIGHT, VENTILATION AND HEATING

a. Every habitable room shall have at least one window or skylight facing directly to the outdoors. The minimum total window area, measured between stops, for every habitable room shall be 10 percent of the floor area of such room. Whenever walls or other portions of structure between a window and the outdoors or such light-obstruction structures are located less than 3 feet from the window and extend to a level above that of the ceiling of the room, such a window shall not be deemed to face directly to the outdoors and shall not be considered as contributing to the required minimum window area.

b. Whenever the only window in a room is a skylight type window in the top of such room, the total window area of such skylight shall equal at least 15 percent of the total floor area of such room.

c. Every habitable room shall have at least one window or skylight which can easily be opened, or such other device as will adequately ventilate the room. The total of openable window area in every habitable room shall be at least 45 percent of the minimum window area size or minimum skylight-type window size, as required in this ordinance, except where there is supplied some other device affording adequate ventilation and approved by the Building Official.

d. Every bathroom and water closet compartment shall comply with the light and ventilation requirements for habitable rooms contained in subsections (a) and (b) above, except that no window or skylight shall be required where the bathroom and water closet compartments are equipped with a ventilation system which provides ventilation equivalent to that in (b) above.

e. Where there is electric service available from power lines, which are not more than 300 feet away from a dwelling, every habitable room of such dwelling shall include at least two separate floor or wall-type electric convenience outlets, or one such convenience outlet and one supplied ceiling-type electric light fixture; and every water closet compartment, bathroom, laundry room, furnace room, or boiler room shall have at least one such supplied ceiling or wall-type electric light fixture.

f. Every public hall and stairway in every multiple dwelling containing five or more dwelling units, shall be adequately lighted at all times. Every public hall and stairway in structures devoted solely to dwelling occupancy and containing not more than four dwelling units, may be supplied with conveniently located light switches, conveniently located light switches, controlling an adequate lighting system which may be turned on when needed, and with full-time lighting.

g. Every dwelling shall have heating facilities which are installed and maintained in accordance with the Kentucky Standards of Safety, and are capable of safely and adequately heating all habitable rooms, bathroom, and water closet compartments in every dwelling unit located therein to a temperature of at least 70 degrees Fahrenheit, at a distance three feet above floor level, when the outside temperature is 0 degrees Fahrenheit. Fuel-burning space heating systems, rooming or rooming units, shall be properly closed, shall be connected to a suitable chimney flue or gas vent. There shall be provided an adequate air supply for combustion through one or more openings to the exterior, or by means of fixed openings to interior spaces.

h. From May 15 to October 15 every door opening directly from a dwelling unit to outdoor space shall have supplied screens and a self-closing device; and every window or other device with openings to outdoor space, used or intended to be used for ventilation, shall have supplied screens, provided that such screens shall not be required during such period in rooms deemed by the Building Official to be located high enough in the upper stories of buildings as to be free from such insects.

i. Every window or other device used for ventilation and every other opening to a basement which might provide an entry for rodents, shall be supplied with a screen or other device as will effectively prevent their entrance.

(3) MINIMUM SPACE, USE, AND LOCATION REQUIREMENTS

a. Every dwelling unit shall contain at least 150 square feet of living space in the first story compartment, and at least 100 additional square feet of floor space for every additional occupant thereof. The floor space to be calculated on the basis of total habitable room area.

b. In each of two or more rooms, every room occupied for sleeping purposes by one occupant shall contain at least 70 square feet of floor space and every room occupied for sleeping purposes by more than one occupant shall contain at least 50 square feet of floor space for each occupant thereof, except that for children under seven years of age, such sleeping room may contain 35 square feet of floor space per such child.

c. No dwelling or dwelling unit containing two or more sleeping rooms shall have such room arrangements that access to a bathroom or water closet compartment intended for the use of more than one sleeping room can be had only by going through another sleeping room; nor shall room arrangements be such that access to a sleeping room or a bathroom or water closet compartment can be had only by going through another sleeping room.

d. At least one half of the floor area of every habitable room shall have a ceiling height of at least 7 feet; and the floor area of that part of any room where the ceiling height is less than 7 feet, shall not be considered as part of the floor area in computing the room area for determining the maximum permissible occupancy thereof.

e. No basement or cellar shall be used as a habitable room or dwelling unit unless: The floor and walls are impervious to leakage of underground and surface runoff water and are insulated against dampness; the total oil or window

area in each room is equal to at least the minimum window area sizes as required in Subsection 303 (2) (a) of this ordinance; such required minimum window area is located entirely above the grade of the ground adjoining such area; and the total of openable window area in each room is equal to at least the minimum, as required under Subsection 303 (2) (b) of this ordinance, except where there is supplied some other device affording adequate ventilation and approved by the Building Official; there are adequate exits as required by state and city laws and regulations.

(4) ROOMING HOUSES

No person shall operate a rooming house, or shall occupy it to another, for occupancy any rooming unit in any rooming house except in compliance with the provisions of every part of this section 303 except the provisions of (1) (a) through (d) and (3) (a) and (b).

a. At least one flush water closet, lavatory-basin and bathtub or shower, properly connected to a water and sewer system approved by the Building Official and in good working condition, shall be supplied for each eight persons or fraction thereof residing within a rooming house including members of the operator's family wherever they share the use of the said facilities. Provided that a rooming house where rooms are let only to males, flush urinals may be substituted for not more than one-half of the required number of water closets. All such facilities shall be so located within the dwelling as to be reasonably accessible from a common hall or passageway to all persons sharing such facilities. Every lavatory basin and bathtub or shower shall be supplied with hot water at all times. No such required facilities shall be located so as to be more than one foot removed from any rooming unit.

b. The operator of every rooming house shall change supplied bed linen and towels therein at least once each week and prior to the letting of any room to any occupant. The operator shall be responsible for the maintenance of all supplied bedding in a clean and sanitary condition.

c. Every room occupied for sleeping purposes by one person shall contain at least 70 square feet of floor space and every room occupied for sleeping purposes by more than one person shall contain at least 50 square feet of floor space for each occupant thereof.

d. Every rooming unit shall have safe unobstructed exits leading to safe and open space at ground level, as required by the laws of this city and this state.

e. The operator of every rooming house shall be responsible for the sanitary maintenance of all walls, floors and ceilings, and for maintenance of sanitary conditions in every other part of the rooming house; and he shall be further responsible for the sanitary maintenance of the entire premises where the entire structure or building is leased or occupied by the operator.

304 STRUCTURAL EQUIPMENT, FIRE AND OTHER HAZARDOUS CONDITIONS

The following conditions are determined to be hazardous and shall warrant a finding that a building or its premises are unsafe and/or constitute a nuisance.

(1) STRUCTURAL HAZARDS

a. Any structural member, partition, stairway or other means of exit not of sufficient width or size, or not so arranged as to provide safe, and adequate means of exit in case of fire or panic for all persons housed or assembled therein who would be required to, or might be required to, move, exit, passageway, stairway or other means of exit.

b. A stress in any material, element, member or portion thereof, due to all dead and live loads, which is greater than the working stresses allowed by the Kentucky Standards of Safety, or such other governing code, or such other damage to any portion of a building by earthquake, wind, fire, flood or by any other cause, in such a manner that the structural stability, or strength thereof, is appreciably less than the minimum requirements set forth in existing laws and regulations of this state or of a similar size construction, location and use.

c. Likelihood of any portion or member or appurtenance of a building to fall, or become dislodged or detached, or to collapse, and thereby cause bodily injury or property damage.

d. Settling of any building or portion thereof, to such an extent that walls or other structural portions have been displaced or distorted and rendered structurally unstable or incapable of performing the basic function of such element if it has been impaired.

e. The building or structure, or any portion thereof, because of dilapidation, deterioration, decay, faulty construction or because of the removal or movement of any portion of the ground necessary for the purpose of supporting such building or structure or portion thereof, or other cause is likely to partially or completely collapse, or some portion of the foundation or underpinning is likely to fail or give away.

f. Any structure, or any portion thereof, is likely for any reason whatsoever manifestly unsafe for the purpose for which it is used or intended to be used.

g. The exterior walls or other vertical structural members of the building or structure, or such a portion of a plumb line passing through the center of gravity of that wall or structural member does not fall inside the middle third of the base.

h. The building or structure, exclusive of the foundation, shows 33 per cent or more of damage or deterioration to the member or members, or 50 per cent of damage or deterioration of a non-supporting enclosing or outside wall or covering.

i. The building or structure has been so damaged by fire, wind, earthquake, flood, or has become so dilapidated or deteriorated, from any cause whatsoever, as to become an attractive nuisance to children who might play therein to the danger, or as to afford a harbor for vagrants, criminals, or immoral persons, or as to enable persons to resort thereto for the purpose of committing a nuisance or unlawful or immoral acts.

k. Any building or structure which has been constructed or now exists or is maintained in violation of any specific ordinance or prohibition, applicable to such building or structure, or any portion thereof, of the city or of any law ordinance of this state or city relating to the location, use and physical condition of buildings or structures.

(2) FAULTY WEATHER PROTECTION

a. Deteriorated, crumbling or loose plaster.

b. Deteriorated or ineffective waterproofing of exterior walls or foundations, or floors, including broken windows or doors.

c. Defective or lack of weather protection for exterior walls, coverings, including lack of paint, or weathering due to lack of paint or other approved protective covering.

d. Broken, rotted, split or buckled exterior walls or roof coverings.

(3) FAULTY MATERIALS OF CONSTRUCTION

All materials of construction, except those which are specifically allowed or approved by the Kentucky Standards of Safety and the building code, and which have been adequately maintained in good and safe condition.

(4) INADEQUATE FIRE PROTECTION OR FIRE-FIGHTING EQUIPMENT

All buildings or portions thereof which are not provided with fire-resistive construction or fire-extinguishing systems or equipment required by the Kentucky Standards of Safety, except those buildings or portions thereof which conformed with all applicable laws at the time of their construction and whose fire-resistive integrity and fire-extinguishing systems or equipment have been adequately maintained and improved in relation to any increase in occupant load, alteration or addition or any change in occupancy.

(5) FIRE HAZARDS

Any building or portion thereof, device, apparatus, equipment, combustible waste, or vegetation which is in such a condition as is likely to cause a fire or explosion or provide a ready fuel to augment the spread and intensity of fire or explosion arising from any cause.

(6) HAZARDOUS OR UNSANITARY PREMISE

Those premises on which an accumulation of weeds, vegetation, limbs, dead logs, debris, garbage, offal, rat harborage, stagnant water, combustible materials and similar materials or conditions constitute fire, health or safety hazards or constitute a nuisance as defined by city ordinance.

(7) IMPROPER OCCUPANCY

All buildings or portions thereof, occupied for purposes for which they were not designed or intended to be used.

(8) HAZARDOUS WIRING

a. Exposed electric wire or wire with deteriorated or damaged insulation.

b. Switch and outlet plates missing or improperly fastened.

c. Short circuit or break in an electric line.

d. Obvious shock hazards.

e. Temporary wiring, except extension cords which run directly from portable electric fixtures to convenience outlets, and which do not lie underneath floor-covering materials or extend through doorways, transoms or other similar openings through walls or ceiling.

(9) HAZARDOUS PLUMBING

a. Plumbing that permits contamination of the water supply through backflow, back-siphonage or any other method of contamination.

b. Water supply inlets below the flood level of any sink, lavatory, bathtub or other fixture, and submerged inlets except those with a vacuum breaker complying with the plumbing code.

c. The waste line of a water-using fixture that is not trapped.

(10) HAZARDOUS HEATING EQUIPMENT

a. Fuel-burning heating equipment other than pipe or tubing of solid metal, and not permanently fastened in place.

b. Equipment or vents so close to a wall of combustible materials or so lacking in insulation that there is danger of fire.

c. Equipment burning liquid or solid fuel which are not connected to chimneys or flues, or which are connected to vents suitable for gas only.

CHAPTER IV RESPONSIBILITIES OF OCCUPANTS AND OWNERS

401 The responsibilities of the occupants are as follows:

(1) To keep the dwelling, dwelling unit and premises free from infestation and occupant in a clean and sanitary condition and to exercise reasonable care in the proper use and operation thereof.

(2) To keep plumbing fixtures therein in a clean and sanitary condition and to exercise reasonable care in the proper use and operation thereof.

(3) To exterminate in the following cases: a. The occupant of a single dwelling is responsible for extermination of any insects, rodents or other pests therein on his premises.

b. The occupant of a single dwelling unit in a multiple unit structure is responsible for extermination of any insects, rodents, or other pests if his unit is the only unit in which infestation occurs.

Notwithstanding the foregoing provisions of this section, whenever infestation is caused by the failure of the owner to maintain the dwelling in a rat-proof or reasonably insect-proof condition, the occupant is not responsible for extermination of any insects, rodents, or other pests therein.

402 The responsibilities of the owner are as follows: (1) To have dwelling, rooming, sanitary, habitable condition, to free from infestation before renting, to paint walls and ceilings, to clean and repair, to clean and repair if needed to meet aforesaid requirements before offering for rent.

(2) To provide every door opening directly from a dwelling unit to outdoor space with screens and a self-closing device; and every window or other device openings to outdoor space, used or intended to be used for ventilation with screens.

(3) To exterminate in the following cases: a. When infestation exists in two or more units of a multiple-unit structure.

b. When infestation exists in shared or public areas of a multiple-unit structure.

c. When infestation exists in a single-unit of a multiple-unit structure or in a single-unit structure when infestation is due to failure of the owner to maintain the dwelling in a rat-proof and reasonably insect-proof condition.

(4) To perform the responsibilities of the occupant when premises are vacant.

Dated this December 8, 1966
CITY COUNCIL OF MOUNT VERNON, KENTUCKY

By: /s/ Clyde Linville
Mayor, Mount Vernon, Kentucky

Attest:
Mary A. Bullock
City Clerk, Mount Vernon, Kentucky

City To Get 30 Housing Units

Thirty units of low-cost housing for the City of Mt. Vernon has been approved by the Department of Housing and Urban Development. In a letter to the city council, the department said the city complies with requirements and will be placed in a "program reservation" for the units.

The department urged the city to begin preliminary planning and to choose a site for the project as soon as possible.

The department approved 20 regular units and 10 for the elderly.

The 20 regular units break down as follows: 4 one-bedroom, 6 two-bedroom, 6 three-bedroom, and 4 four-bedroom. The 10 units for the elderly break down as follows: 4 units for single persons and 6 units for man and wife.

The federal government will indirectly, and directly, foot the bill for the entire project, which is estimated to cost more than \$100,000.

The city council approved the project several months ago, but had to meet certain requirements before the money was made available. It has since nearly completed all the requirements demanded by the federal government.

The city council approved the project several months ago, but had to meet certain requirements before the money was made available. It has since nearly completed all the requirements demanded by the federal government.

Lake Named 'Lake Linville'

The lake that's going to be, is going to have a name when it gets here.

The Mt. Vernon City Council voted unanimously Thursday night to name the planned lake at Renfro Valley, Lake Linville.

The council did not name the lake until after a motion by Councilman Charles (Tuck) Baker, seconded by Councilman Carl Kelley, the council voted to name the lake after Mayor Clyde Linville, one of the chief proponents of the city water project.

As in naming a city street, the city council has the authority to name the lake anything it wishes.

The announcement of the name was "not" exactly met with complete agreement, as was noted by State Highway Commissioner Mitchell Tindler.

"I hear there is some disagreement on the name," Mr. Tindler said. "You people have a good thing going for you down there. I just hope you won't let personalities enter into the picture and spoil it all."

While naming the lake was being discussed and rediscussed by the public, the State Highway Department told the city it would like to have a "right of entry" into the city no later than Jan. 4.

"Right of entry" means that anytime after Jan. 4 the State Highway Department can begin work on I-75. However, little work on the highway is expected before spring.

The city also received a letter from William E. Davis, area director of the Economic Development Administration, stating the city could borrow money from a bank of its choice, termed "interim financing" to go ahead with the acquisition of the land for the proposed lake.

The city council will borrow money from a state bank where it can get the lowest interest rate, for its interim financing. When it used interim financing for its sewer project, the city borrowed from the Bank of Louisville.

Christmas Concert

A Christmas Concert, featuring the Rockcastle County Schools Band and Chorus, will be presented at 2:30 p.m., Sunday, Dec. 18 at the Broadgrad School Gymnasium.

The concert will be under the direction of Miss Karen Marx, band director, and Mrs. Johnny Wilcox, chorus director.

The 25 cent per person charge will go toward the purchase of more band uniforms and new chorus robes.

Diane Davidson of Mt. Vernon High School, will present a piano solo. A duet will be given by Kathy Ennis of Broadhead High School and Nita Sams of Mt. Vernon High School.

No Driver Tests

No driver license tests will be given by State Police on Friday, Dec. 9.

OPEN CHRISTMAS SEASON—A large crowd was on hand Thursday night for the opening of the Christmas season. In the top picture, Mayor Clyde Linville talks briefly before turning on the Christmas lights along Main Street. In the bottom picture, the Rockcastle County Schools Band and Chorus perform with Christmas songs. The ceremony was held at the corner of Main and Richmond Streets.

Housing Code Adopted

Mr. Vernon has a housing and unsafe building code. The Mt. Vernon City Council approved the code at a meeting Thursday night as part of its workable program of improvement of the town, and as required by the federal government in order to the town to qualify for various federal programs.

The announcement that the new code would be discussed at the meeting of the council brought no protestors, and it passed with barely a ripple on a motion made by Carl Kelley and seconded by Edd Winstead.

The new code will be found published in its entirety in this issue of the Signal. It calls for strict rules and regulations governing present buildings and all future buildings. It also prescribes penalties for failure to comply with the code, namely heavy fines and imprisonment.

The code also sets up administrative duties and calls for a building inspector and three board members. The council made the building inspector board powers. For example, he may "for purposes of making surveys, inspections and investigations... enter, inspect, survey, and investigate, upon statement of purpose and identification, between the hours of 8 a.m. and 5 p.m. or at any time an emergency exists, or if requested by owner or occupant, all buildings, dwellings, dwelling units, rooming units, and general premises."

It also points out structural hazards, improper occupancy, fire hazards, basic equipment and facilities, minimum floor space, lighting, rooming houses, and many other housing standards.

Two Cincinnati, Ohio, men are being held to the Rockcastle Circuit Court Grand Jury on breaking and entering charges. They are Everett Ray Durham and Delbert Burton. The two are accused of breaking into the home of Iurene Thomas of Scaffold Cove Sunday night.

The two were seen near the Thomas home and were picked up later by Berea City Police, Sheriff Tip Reppert and State Trooper Gary Godby went to Madison County and brought the two men to Mt. Vernon.

SANTA TO OPEN WORKSHOP—Santa Claus will open his workshop at Mt. Vernon on Friday, this year. He is sponsored by the Mt. Vernon Businessmen's Association. Santa will have treats for all the children who come to see him.

IN NEW QUARTERS—An area in the basement of the Rockcastle County Baptist Hospital has been set aside as a medical records section, through the efforts and work of the Rockcastle Jaycees. Shown above in the new room are Mrs. Paul Thomson, clerk of the hospital; seated, Paul Dalley, and Charles Baker, hospital administrator.

Hospital Gets New Room

The Rockcastle County Baptist Hospital's is "now in substantial compliance for Medicare," Charles Baker, hospital administrator, reported this week.

Beginning Sept. 29, the hospital started its Medicare program through which it will be paid by the federal government for persons over 65 who have Medicare.

For so small a hospital, it was not easy to comply for Medicare. Since the program was initiated, the hospital has been deficient in two categories. It did not have the required number of nurses, and its medical records section — always important in the medical profession — was not up to standards.

But with patience and work, Administrator Baker has finally brought the hospital up to the standards necessary to meet the federal aid program requirements.

As far as registered nurses were concerned, to remedy that situation was simply a matter of finding nurses willing to come to Mt. Vernon. Mr. Baker found them. Medical records were another matter, but the Rockcastle County Jaycees came to the aid of the hospital.

The Jaycees got out the hammers, saws, and paint and headed for the hospital basement where they closed off a section for use as a medical records section. The Jaycees worked about a week painting, partitioning, tiling, and moving furniture into the room for use by Mrs. Jack Moore, medical records clerk.

"We are happy with the new area," Mr. Baker said. "It eliminates the confusion of the front office. The doctors can now go down there where it is quiet and dictate their records. The Jaycees were very thoughtful and helpful in helping us make this area of the hospital usable."

While the Jaycees were at it, they set aside another section of the long room to be used as a chapel. Although the hospital manages to keep its head above water, it still has its problems, and as usual, the problems are financial.

Actually, the problem of money could be remedied to a great extent if many past patients would pay their bills. In the 10 years since the hospital opened, a total of \$115,000 has accumulated through debts by patients, a very sizeable sum for a small hospital to absorb.

Mr. Baker recently started a concerted effort to collect the back bills. "We are going to do our best to collect these debts, to the extent that we will go to court if necessary. We will also have to have a \$50 deposit on admittance, if the patient does not have insurance. If we can't get our money, we just can't operate."

One other item which has not helped the hospital in "making ends meet." The hospital found on June 1 that it owed the Medical Assistance Program of the State Health Department \$21,000.

The \$21,000 was overpayment made to the hospital for assistance money from the agency. "What had happened was that since April 1964, the hospital had been collecting money from patients, but it was not being turned over to the agency."

The members of the Mt. Vernon City Council heard a statement of thanks and received a cigarette lighter engraved "Lake" from the Bank of Mt. Vernon at its meeting Thursday night. Presentation of the letter of thanks and the lighters was made by Jess Bullock, city treasurer, and a teller at the Bank of Mt. Vernon. Mr. Bullock said, "Over the past two and a half years, this council and mayor have worked very faithfully for the purpose that stands out in most people's mind as the most important thing that has ever happened to this city and county. If I am not mistaken, we will see more progress in the next ten years than has been accomplished in the last 100 years. This all came about because of the one deed that this council has done, although there is much work yet to be done. I think everyone here knows what I am talking about, but I will mention one word and one word only because this one word is what will make this county prosper...Lake."

Mr. Bullock then presented each councilman with a cigarette lighter engraved with his name, and under the name the word "Lake."

"I am sure that the entire county wishes to bestow great admiration upon these people who have worked very hard in getting this lake for them," Mr. Bullock said.

Council Gets Road Petition

A petition bearing 100 signatures asking the State Highway Department to change Main Street back to two-way traffic was presented to the Mt. Vernon City Council by Louis Kelley, at the council's meeting Thursday night.

Just how well, otherwise, the hospital is doing is found in the 1964-65 audit. The hospital's fiscal year runs from October to October. The 1964-65 audit shows the hospital's earned income (had it all been paid) was \$113,212. But not all patients paid, so its net income was \$98,579.

Expenses that year were \$98,463, leaving the hospital with \$116. This was about right, since the hospital is a non-profit organization. The audit also shows that in 1964-65, a total of 1,330 patients were admitted to the hospital, exclusive of maternity cases. The hospital had 3,838 out-patients, or those merely treated and released.

The hospital now has 31 employees. It has 41 registered nurses. (Continued On Page 5)

Thank Council

The members of the Mt. Vernon City Council heard a statement of thanks and received a cigarette lighter engraved "Lake" from the Bank of Mt. Vernon at its meeting Thursday night.

Presentation of the letter of thanks and the lighters was made by Jess Bullock, city treasurer, and a teller at the Bank of Mt. Vernon. Mr. Bullock said, "Over the past two and a half years, this council and mayor have worked very faithfully for the purpose that stands out in most people's mind as the most important thing that has ever happened to this city and county. If I am not mistaken, we will see more progress in the next ten years than has been accomplished in the last 100 years. This all came about because of the one deed that this council has done, although there is much work yet to be done. I think everyone here knows what I am talking about, but I will mention one word and one word only because this one word is what will make this county prosper...Lake."

Mr. Bullock then presented each councilman with a cigarette lighter engraved with his name, and under the name the word "Lake."

"I am sure that the entire county wishes to bestow great admiration upon these people who have worked very hard in getting this lake for them," Mr. Bullock said.

Behind almost the entire game, the Mt. Vernon Red Devils put on a last quarter drive to down Jackson County, 79-73 at Mt. Vernon Tuesday night.

Behind 55-48 at the end of the third quarter, Mt. Vernon suddenly came alive to score 31 points in the last quarter for the win. Individual scoring for Mt. Vernon: David Nicoley 26, Jerry Hodges 28, Jimmy Hines, 19, Billy Helton 8, and Paul Kirby 4.

Liberty led at all the quarters 40-12, 36-24, 58-39 and the final 72-57.

Individual scoring for Mt. Vernon was centered on three players: Jerry Hodges got 26, David Nicoley, 18, and Jimmy Hines 13.

Livingston, behind 13 points at the half, put on a drive in the third quarter to come within one point of Shopville, but fell behind in the last stanza to lose 63-50 at the end of the third quarter.

Scoring for Shopville: Vanhook 20, Bray 30, Sargent 8, Adams 4, and Scott 3. (Continued On Page 6)

NEW FLAGS—An American flag and a state flag have been contributed and placed in the Rockcastle Circuit Courtroom by the Rockcastle County Republican Women's Club. The club is selling boxes of candy to pay for the flags. Showing the flags are, left to right, Mrs. Robert Witt, president; Mrs. Roland Mullins, recording secretary; Mrs. Ann B. Paris, past county chairman; Mrs. Bernice Halcob, second vice president. Absent when the picture was taken were Mrs. Jim Davis, corresponding secretary; Mrs. Sam Hoskins, treasurer, and Mrs. Harold Jones, county chairman.

Letter To Editor

What happened to Mt. Vernon? Or should I say what has happened to the people of Mt. Vernon? They are still here, but it looks like they are all asleep. Mr. Vernon is on the threshold of the greatest thing that has ever happened to this little town, that being a new 470 acre lake at Redro Valley. Yet the people of Mt. Vernon are just sitting still - half asleep not realizing what is going on.

We need our civic organizations to get on the ball, to get some factory sites, to promote a new civic pride in our city. We haven't supported our Chamber of Commerce and it seems that they can't get enough men at the meetings to hold a meeting. The Lion's Club is still active to some degree, they still have their eye glass program, on which they should be congratulated, the Jaycees just finished a money raising project, the Meridian Woman's Club is working on their usual Main Street decoration program. The Mt. Vernon Woman's Club is still active, and I think the Rockcastle Development Association just faded out. And I also notice that the Mt. Vernon Signal does not get the reports of these organizations, is it because of the publicity chairman of these organizations aren't working, or isn't your editor Raymond on the Ball?

With a modern hospital, an up-to-date courthouse, a nice post office, a new city sewer system and now a lake to provide ample water, what is there to keep industry out of Mt. Vernon? The only thing I can think of is the people themselves. We are half asleep. We will have the location and everything industry needs.

The lake itself will be like a new industry, because it will pull new families into this area, looking for home sites, it will pull new stores, it will pull real estate speculators, it will pull small industries who need ample water and are just waiting for us to get on the ball.

The two interchanges on I-75 will also be a help to Mt. Vernon. It has been rumored that 2 or 3 major models will pull on the interchanges also large truck stops, more service stations and other business places to take advantage of the people traveling on I-75. All of these places have to have people to operate them, and these people are going to live in this area, they are going to spend money in this area. And if we are on the ball, we will reap the profits. If we are not, these people will live in Berea, or London and that is where they will spend their money.

Mt. Vernon's main street will not be big enough to take care

of new business places. And with Richmond Street a direct route to the lake and to the interchange at Redro and to Redro itself, it looks like Richmond Street will be the new Main Street.

I am an old life-long resident of Rockcastle County, and I have seen a lot of things come and go. I have seen the people of Mt. Vernon miss the best because of just "not working together."

Mr. Vernon is in the center of a lot of bigger towns, such as London, Somerset, Richmond, and Danville. This town could be the "hub" and these towns the spokes, but instead we are just a "loose nut" and the towns around us are rolling.

The good Lord is smiling on us now, and if we work together we can reap a lot of sunshine. Support your civic organizations, get out and get a factory sit, and promote your town.

THE OLD TIMER

Your Christmas Seal contribution will be working all year—fighting TB and other respiratory diseases.

WEDDING ANNOUNCED: Viola Owens, daughter of Mr. and Mrs. R. B. Baker of Orlando and Talley Gene Richards, son of Mr. and Mrs. George Richards of Orlando were married in a civil ceremony at Mt. Vernon Dec. 6. Mr. Richards has recently returned from Wertheim, Germany where he was stationed with the Armed Forces.

Local Deaths

Thomas Taylor Dies Suddenly
George Thomas Taylor, 57, of Mt. Vernon, died suddenly of a heart attack while loading hay on his farm. Mr. Taylor was born in Rock-

castle County, the son of Mitt and Janie Sowder Taylor. Besides his wife, May, Dora French Taylor, he is survived by one sister, Mrs. Virgie Hasty of Elizabeth, Ind., and three stepchildren: Mrs. Laura Belle Hayes, Charles

and Robert French, all of Mt. Vernon. Funeral services were conducted Dec. 5 at Cox Funeral Home Chapel with Bro. Rolla Cornelius officiating. He was buried in the family cemetery.

Tom B. Mink Funeral Held
Tom Burke Mink, 78, of Route 3, Mt. Vernon, died Dec. 5 at his home on Brindle Ridge. Mr. Mink was born in Rockcastle County, the son of Tom and Harriett Ann Lair Mink. He was a farmer and a member of Brindle Ridge Baptist Church.

Besides his wife, Cynthia Mink, he is survived by one son and one daughter: Coleman Mink and Mrs. Alma Adams, both of Brindle Ridge, as well as five grandsons and one great grandson. Two step-children survive: Burdette Farris of Broughton, and Vernon Farris of Highpoint, Ohio, and one brother, Harrison Mink of Brindle Ridge. Funeral services were conducted Dec. 7 at Sparks Funeral Home Chapel with Bro. Cecil Dailey and John Prewitt officiating. He was buried in Green Hill Cemetery.

McKinley Mink Buried This Week
McKinley Mink, 71, of Mt. Vernon, died Nov. 30 at Berea College Hospital.

Mr. Mink was born in Rockcastle County, the son of Harve and Pauline Jones Mink. He was a retired carpenter and a member of the Walnut Grove Church of Christ.

Besides his wife, Mrs. Bess Kirby Mink, he is survived by three sons and one daughter: Quentin Mink of London, Lawrence Mink of Blue Ash, Ohio; McKinley Jack Mink of Reading, Ohio; Mrs. Ruby Jones of Lockland, Ohio, as well as eight grandchildren and two step-grandchildren.

Four brothers and three sisters survive: G. D. Mink of Calloway; Fortner Mink and Mrs. Sallie Mullins, both of Mullins Station; Ted Mink of Livingston; Bradley Mink of Pineville, and Mrs. Sadie Penning and Mrs. Virginia Jones both of Mt. Vernon. Funeral services were conducted Dec. 2 at Sparks Funeral Home Chapel with Bro. Ovie Smith officiating. He was buried in Elmwood Cemetery.

James T. Barnett Buried At Oak Hill

James Thomas Barnett, 60, of Paris, died Dec. 3 at Indianapolis, Ind. Mr. Barnett was a native of Rockcastle County and a retired employee of the L & N railroad.

Besides his wife, Mrs. Nannie Winkler Barnett of Paris, he is survived by two daughters and five sons: Mrs. Joe Fleury of Bourbon County; Mrs. Roy Linnite, Jimmy Lamy, and Gary Barnett all of Paris, and Abern and Leonard Barnett, both of Indianapolis, as well as 13 grandchildren.

Two sisters and one brother survive: Mrs. Grace Hasty of Danville; Mrs. Robert Allen of Clark County; Jess Barnett of Mt. Vernon; two half-sisters, Mrs. Anna Hayes of Brodhead and Mrs. Evelyn

Hansel of Frankfort. Funeral services were conducted Dec. 6 at Cox Funeral Home Chapel with Bro. George Murphy officiating. He was buried in Oak Hill Cemetery.

Mink Child Dies

Leslie Ray Mink, one year old son of Owen and Ruby French Mink, died Dec. 2 at his home at Mt. Vernon. Besides his parents, he is survived by a sister, Penny, and a brother, Terry, both at home. His grandparents are Mr. and Mrs. Estill French and Mr. and Mrs. Charley Mink. Mr. and Mrs. Harvey McFerron are his great grandparents.

Funeral services were conducted Dec. 3 at Sand Springs Church of Christ with Bro. Tom Swains officiating. He was buried in Sand Springs Cemetery. Cox Funeral Home was in charge of arrangements.

MEET IN GERMANY

Pfc. James Kendrick now stationed with the Army at Kalsruhe, Germany, was surprised recently by a visit from his brother, Pfc. Bobby R. Kendrick, who is stationed with the Army at Kirchgoens, Germany. The two brothers spent the week end together, along with a friend from Mt. Vernon, Sgt. Billy Ramsey.

WAYMAN'S Department Store — Berea, Ky. —

AROUND BRODHEAD

Mr. and Mrs. J. T. Sutton were in Lancaster Sunday to visit Mr. and Mrs. Charles Sutton. Charles has returned home from the hospital and is slowly improving from a heart attack.

Mr. and Mrs. Bill Wallin of Crab Orchard visited his brother Mr. and Mrs. Ernest Wallin recently.

Mr. and Mrs. Henry Davis and Nels Con of Stanford were Sunday afternoon guests of Mrs. Lillian Collett and Ricks and Mr. and Mrs. Ernest

Wallin and Ernie. Arch Albright has been moved from Somerset City Hospital to Central Baptist Hospital in Lexington.

Virgil Martin returned home Friday from Rockcastle County Baptist Hospital, much improved.

Ralph Albright is a patient at Rockcastle County Baptist Hospital.

Russell Atkinson is in Berea College Hospital where he has undergone surgery.

Mr. and Mrs. Richard Chear-

APPOINTED EDITOR. Miss Rita Ann Sutton, daughter of Mr. and Mrs. J. T. Sutton of Brodhead has been selected as editor-in-chief of the "1967 Talisman", the annual of Western Kentucky University. She will also receive a \$200 scholarship. Rita is a senior honor student majoring in mathematics and biology. A member of Alpha Delta Pi sorority, Panhellenic Council, and a senator on the Associated Students' Council she has just recently been elected to "Who's Who in American Colleges and Universities." Rita is a 1963 graduate of Brodhead High School.

Claude McHargue and Miz Oscar Owens. Now you can get in on the Christmas fun. I've had my own playground! Thanks to ever-boddy.

Mr. and Mrs. Harry Circle and Mrs. Willadean Foreman of Warsaw, Ind. were weekend guests of Mrs. Foreman's sister, Miss Wilma Stockmyer and Miss Short. Mrs. Foreman remained for a two week visit.

Mr. and Mrs. John C. Langford and Gary spent the weekend at their cottage on Lake

Cumberland.

Mr. and Mrs. Joe Mink, and Mr. and Mrs. Bill Mink and Mike attended the ballgame at Brodhead Saturday night.

Mr. H. L. Cox and Mr. and Mrs. Caleb Lamb were at Mt. Vernon on business Saturday.

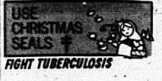

Mr. and Mrs. Gerald Gambrel have bought and moved to the late Ballard Cummins farm. Mrs. Cummins purchased a house and lot at Mt. Vernon.

Mr. and Mrs. Ed Hughes of Manchester visited the Gerald Gambrels Sunday.

Mr. and Mrs. R. W. Howard have moved to the apartment

next door to Elvas Gift Shop. Mr. and Mrs. Allyn Turner of New Mexico are spending a few months with her cousin, Oscar Graves and Mrs. Graves.

Mrs. Elizabeth Zieger is recovering from a recent illness.

"HOSPITAL ROOM" (Continued From Page 1) nurses: 13 nurse aides; 5 licensed practical nurses; 3 cooks; one maintenance man; one housekeeper; 3 office employees, and one medical records clerk.

Despite its problems—and there is a new one every day—the hospital is looking toward a more able future, now that it complies with all federal programs.

The Rockcastle Fiscal Court has also helped the hospital recently, by contributing money for repairs to the hospital's heating system and roof.

"We are looking to the future with a great deal of hope," Mr. Baker said. "With the general public behind us, we are confident our hospital will grow and improve."

Name C. E. Bishop Vice President

Dr. Charles E. Bishop, head of the Economics Department of North Carolina State University, has been named vice president of Consolidated University of North Carolina.

He is the first person to head the recently created post. He will have an office in Chapel Hill, but will continue to live in Raleigh.

Dr. Bishop is the husband of the former Dorothy Anderson of Rockcastle County, daughter of James A. Anderson and the late Mrs. Anderson.

He received his Bachelor of Science degree from Berea College, and his master's degree from the University of Kentucky. He holds a Ph.D. in Economics at the University of Chicago.

He will assume his duties in February 1967 when he finishes duty in Washington, D.C. as head of a presidential committee to direct a national study of rural poverty in America.

In addition to being head of the economics department at the University, he is also director of the University's Agricultural Policy Institute, a center for extensive research, education, and extension work in 16 southern states.

Dr. Bishop is listed in Who's Who in America, American Men of Science, and Leaders in American Science.

During the past year, he has directed the merger of the Agricultural Economics Department of the School of Agriculture and Life Sciences and the Economics Department in the School of Liberal Arts.

The merger gives State one of the major economics departments in research, education, and extension in the nation.

Mrs. Bishop taught for awhile at Mt. Vernon High School during the 1940's.
