COMMONWEALTH OF KENTUCKY, DEPARTMENT OF HIGHWAYS, NOTICE TO CONTRACTORS

Sealed bids will be received by the Department of Highways at its office, Frankfort, Kentucky, until 10:00 a.m. Eastern Standard Time on the 10th day of March, 1967, at which time bids will be publicly opened and read for the improvement of:

ROCKCASTLE COUNTY, 1 75-32460, SP 43-246 The Lexington-Tennessee State Line Road from US 25 at Buri Hill extending northerly to US 25 at Renfro Valley, a distance of 2.822 miles. Bituminous Concrete Surface Class I and incidental Construction.

NOTE: MINIMUM WAGE RATES FOR THE ABOVE PROJECTS HAVE BEEN PREDETERMINED BY THE SECRETARY OF LABOR AND ARE SET FORTH IN THE PROPOSALS.

The Special Provisions for the Highway Projects financed with Federal Highway Funds apply on the foregoing projects.

Bid and Specimen proposals for all projects are available until 3:00 P. M. EASTERN STANDARD TIME on the day preceding the bid opening date at the Division of Contract Controls at a cost of \$2.00 each. Bid proposals are issued only to prequalified contractors. Remittance payable to the State Treasurer of Kentucky may accompany request for proposals.

sorrow.
Carl and Nancy Durham visited Mr. and Mrs. Fielden Isaacs last week.

Please remember our servicemen in your prayers.

Paul Anglin and friend of Covington visited Mr. and Mrs. Jim Anglin Sunday.

W. R. Durham, Carl and Nancy visited Mrs. Mary Baker and Joy, Mr. and Mrs. Wilson White and Becky Wednesday afternoon.

We had a lot of rain. The fields are standing in water.

Lyle Prewitt and Forester Sloan visited W. R. Durham, Carl and Nancy Sunday afternoon.

FOREST FIRE SEASON HAZARDS

THE season of the year approaches when forest fires break out and do their greatest damage. The sap will soon be rising, the young twigs will soon be shooting up, and fires can be most disastrous. The most extreme care should be used to prevent forest fires.

The period beginning March 1st and ending May 15th is hereby declared to be, and established as, Fire Hazard Season. During the fire hazard season, even though precautions shall have been taken, it shall be unlawful for any person to set fire to, or to procure another to set fire to, any flammable material capable of spreading fire and locate in or within 150 feet (one hundred and fifty feet) of any woodland or brush land, except between the hours of 5:30 p.m. and 1:00 a.m. Eastern Standard Time. Violators will be subject to be given a citation to appear in Court or pay the costs of suppressing the fire.

Report all forest fires to your Rockcastle County Guard, Stephen C. Bullen, Mt. Vernon, Kentucky No. 258-2997.

CHEVY'S BONANZA SALE

Watch Dan Blocker, Michael Landon and Lorne Greene, stars of Chevrolet's "Bonanza", on NBC-TV next Sunday night.

Now! Never Before a Sale Like This— Don't Miss It!

Right now, and during March only, your Chevrolet dealer is offering tremendous savings on some of his most popular options and accessories on his most popular cars. How low the price? Just ask him! You get your pick of these V8's: an Impala Sport Coupe or 2-Door or 4-Door Bel Air Sedan. Hurry, here's what you get:

Get this with every Bonanza car: A pushbutton AM radio you wouldn't want to be without. Front and rear bumper guards. Wraparound front fender lights are a touch of sheer elegance. Four handsome wheel covers for the dresly look you like. Five whitewall tires... a custom touch.

And that's not all—get this! Want Powerglide transmission? Order it with Chevrolet's big 275-hp Turbo-Fire V8 engine and you get them both at the low Bonanza price.

Truck buyers save, too, during the sale! Fleetside pickups (Model CE10334) with special option and accessory packages are available at Bonanza Sale savings... WHILE THEY LAST. You get a 175-hp V8, a pushbutton radio, chrome hubcaps plus custom appearance CHEVROLET and comfort items.

Another way you can save now: During the sale only, you can add power steering and power brakes at a special package price. Get them both for easier driving.

One Sale-You Surely Don't Want to Miss! See Your Chevrolet Dealer Now!

Local Deaths

JOY BROWN, 46, BURIED AT FAIRVIEW

Joy Brown, 46, a resident of Cincinnati, Ohio, died Feb. 21 in Cincinnati.

The son of the late Arthur Brown and Mrs. Exie Eastham Brown of Florida, he was a member of the Church of Christ.

He was a carpenter and a veteran of World War II. Besides his mother, he is survived by his wife, Mrs. Velma Lee Brown, two daughters, Nancy Lee and Patricia Ann, one son, Darrell, all of Cincinnati; one sister, Mrs. June B. Miller of Anderson, Ind.; three brothers, Bert of Mt. Dora, Florida; Buford of Frankston, Texas.

Services were held Friday, Feb. 24 at the Fairview Church of Christ with Bro. Frank Young officiating. Burial was in Fairview Cemetery.

Watson Funeral Home was in charge of arrangements.

MISS MIMMIE COFFEY CENTURY OLD NATIVE DIES MARCH 1st

Miss Mimmie Coffey was born in Rockcastle County, the daughter of James and Lydia Wolf Coffey.

She was 100 years, 2 months, and 14 days old at the time of her death March 1 at the Laurel Rest Home in London.

Miss Coffey was a member of the Wildie Christian Church. Survivors are her sister, Miss Eliza Coffey of Wildie, several nieces, nephews and other relatives.

Funeral services were conducted March 3 at the Wildie Christian Church with Bro. Larry Johnson officiating. Burial was in Maret Cemetery.

Cox Funeral Home was in charge of arrangements.

MRS. HAZEL ANDERSON DIES SUDDENLY

Mrs. Hazel Rae Hunt Anderson, daughter of Susan and Paschal Yearly Hunt, passed away suddenly at her home in Brodhead, February 23. Surviving are her husband, William Henry Anderson, of Brodhead, one daughter, Mrs. William P. (Rosemary) Roberts, of Ashland, Ohio. Four grandchildren, Regena Mae 13, Michael Anderson, 12, Billie Rae, 9, and Joy Lynn age 6, all of Ashland, Ohio.

Mrs. Anderson was a graduate of Langdon School in Mt. Vernon.

She was an Eastern Star member of Wallins Chapter 396, Wallins, Ky. until 1946, when she moved her membership to Eastern Star Chapter 468 in Mt. Vernon.

She was a devout worker of the Brodhead Christian Church.

Her many friends mourn the loss of the wonderful person which she was.

Funeral services were conducted at the Brodhead Christian Church February 26, with Bro. O.O. Cloyd of Somerset and Michael Diskin, pastor of the Brodhead Christian Church, officiating.

Interment was at Goshen Cemetery near Stanford.

Watson Funeral Home was in charge of arrangements.

CARD OF THANKS We, the family of Cynthia Croucher who passed away February 13, wish to thank our many friends and relatives for the beautiful flowers and good food. Wray Funeral Home, those who sang and played the music, the ones who helped with the grave, and Bro. Ira Dean for his wonderful message of comfort.

The Croucher Family James Matt Coffey and children

CARD OF THANKS We deeply and very gratefully appreciate all the kindness and sympathy shown us during the illness and death of our wife and mother, Mrs. Minnie L. Coffey, who especially wanted to thank the ones who sent the beautiful flowers, the food, visited the hospital and funeral home, the doctors and nurses, Cox Funeral Home, the ones who sang the beautiful songs, Bro. Lester Arnold and Bro. Cecil Dailey and anyone who helped in any way.

CARD OF THANKS Mr. and Mrs. Robert Bullens wish to thank everyone who was so kind and helpful during the recent fire at the Halfway House on US 25 when it was feared their home might be endangered. In that like these, it is heartwarming to realize that people are still so kind.

CARD OF THANKS We wish to thank all our friends and neighbors for the kindness shown us during the loss of our wife and mother, Mrs. Willis Bengel. We thank everyone for the beautiful flowers and food and Watson Funeral Home for their kind and efficient service.

The Family Of Mrs. Willis Bengel

CARD OF THANKS We wish to thank everyone for the help and kindness shown us thru the death of our mother and grandmother, Amanda Bullock. Especially for the beautiful flowers, Bro Bradley's consoling words, the beautiful songs, and kindness shown us from Sparks Funeral Home.

Mrs. and Mrs. Cecil Bullock and children

THE KINGDOM OF GOD Mark 12:34 Thou art not far from the Kingdom of God; which means very close, but how close can't one get to the kingdom and yet not enter in? One of the thieves died within a few feet of the way and never got in, John 14:6. Judas kissed the Door to Heaven, John 10:9; then went to Hell. Felix got close enough that he trembled, but which never came. History tells us that he committed suicide in less than two years. The Bible says this is the day of salvation, Acts 24:25; 26; II Cor. 6:2.

Festus had his chance but because of doubt failed to enter, Acts 25:20. Agrippa was almost persuaded, yet because of political affairs he missed Heaven. What is keeping you out? Pilate missed the test by just one word, he said Barabbas instead of Jesus. Do you know the By Word to Heaven? It is Jesus! Blood, I Peter 1:18, 19. How is it with you? John 1:12. Bro. Ray Dean

Many "head-on" collisions are caused by inadequate lane-changing on high-speed roads. Drivers can protect themselves and others from the hazards of these and other accidents by changing traffic lanes only when necessary and only when the margin of safety is clearly visible. DISCOLORED SPOTS ON PAGE

BLURRED PRINT

THURSDAY, MARCH 9, 1967

The top photo shows the Half-Way House during the peak of the fire which destroyed it Thursday. The center section shown burning in the picture, was the only area which was leveled in the Thursday morning fire. The house, located to the left of the photo, is the home of Mr. and Mrs. Robert Bullens. Volunteers completely emptied the dwelling of the

family's furniture and possessions when it was feared it might be destroyed by the blaze. The bottom photo shows the building approximately one hour after the center section caught fire. Fire can be seen on the roof of the right side of the building, a section which was also destroyed.

30-Acre Site Chosen For Vocational School

At a meeting of the Rockcastle County Board of Education, Monday night, Mrs. Neireul Miracle, superintendent, reported to the members that a committee from the State Department of Building and Grounds had selected a 30-acre site on Old Broadhead Road, between the residence of Charlie Noe and Burnett's Subdivision, for the site of the \$450,000 vocational school.

The property is owned by Mrs. Myrtle Bailey of Mt. Vernon. The selection is subject to the approval of the school board and the Department of Highways will have to agree to build an access road from US 150. Mrs. Miracle suggested that since Dr. Harry M. Sparks, Superintendent of the State Department of Education, had been very instrumental in the acquisition of the school for the county, the board might wish to honor Dr. Sparks by naming the school, Sparks Vocational School.

The suggestion was put in the form of a motion and was passed unanimously. Dr. Sparks is a native of Rockcastle County. In other business before the board, Mrs. Miracle told the members that three commissioners from Livingston, appointed by Judge Wayne Van Hook, had assessed property owned by Cliff Pike at \$5,000. The commissioners were: Clark Brown, Archie Bales, and Bill Cole. The board has been considering buying this property for some time since they felt the property, which is located near Livingston High School, was needed to provide the school with a band room. A motion was made to accept this assessment, seconded and passed by majority vote. Bradley Saylor, board member, voted against the measure saying he felt the price quoted "seemed high for the property." Later in the meeting, Mr. Saylor made a motion that

VOTER REGISTRATION DEADLINE MARCH 25

March 25 is the last day to register to vote in the May 23 primary election, according to Clifford Bales, Rockcastle County Court Clerk. Persons already registered to vote, do not have to re-register unless they have changed their name by marriage, moved to another precinct to another county, or moved from one county to another. Those eligible to register and vote in the primary must be 18 years old by the Nov. 7 general election, and must have lived in the state one year, the county six months, and the precinct sixty days. If a registered voter is going to be absent from his county on primary election day, he may vote by absentee ballot. To obtain an absentee ballot, he must make notarized application to his county clerk no later than May 4. The voters ballot, also notarized, must be returned to the same county clerk so he will receive it before polls close at 6 p.m. primary day. Registration books will be re-opened five days after the primary for registration to vote in the November election.

GRADUATION EXERCISES HELD MARCH 3
Mrs. Betty Jo Cromer of Broadhead and Mrs. Emory Martin of Mt. Vernon were graduated from the Danville School of Practical Nursing in Danville, March 3. (Continued Page 2)

John W. Griffin Enters State Representative Race

John W. Griffin has announced his candidacy for State Representative from the 80th Legislative District in the May 23rd Republican Primary.

John W. Griffin

The 80th District is composed of Rockcastle and Lincoln Counties. Mr. Griffin has owned and operated a building supply firm in Mt. Vernon for the past 18 years. Mr. Griffin has served as county chairman of the Republican Party for Rockcastle County, and as District Chairman of the 5th Congressional District in 1948, he was named as a delegate to the Republican National Convention held in Chicago that year. A member of the First Baptist Church of Mt. Vernon, Mr. Griffin is a 32nd Degree Mason and a member of the Order of the Eastern Star. Mr. and Mrs. Griffin have two daughters and three grandchildren.

PROMOTED - Pfc. Edward Morgan, 20, son of Mrs. Jane Gentry of Route 2, Mt. Vernon, has been promoted to Army Specialist fourth class in Germany, where he is serving with the 35th Artillery, Spec. Major entered the Army in January of 1966 and arrived in Germany last June from Ft. Sill, Okla. He is a 1964 graduate of Mt. Vernon High School.

City Council Notes...

At a meeting of the Mt. Vernon City Council Thursday night, Mayor Clyde Linville informed the members that W. W. Kindrick of the W. K. Contracting Co. of Danville had approached him concerning the possibility of acquiring a franchise from the City of Mt. Vernon to supply the town with natural gas. Three towns would be included in the franchise. They are: Mt. Vernon, Broadhead, and Crab Orchard. Mayor Linville informed the council that he had told Mr. Kindrick that he would voice his (Mr. Kindrick's) proposal to the members and would set a date for a special meeting between the council and Mr. Kindrick, in order that he might speak to the members personally. In other business before the council, the rate for the public service company franchise was decided upon. The rate, \$37 1/2 per \$100 of property value, is set by the Public Service Commission at Frankfort and is the same rate as last year. Mayor Clyde Linville received a check recently for \$3,150.00 from W. O. Nelson, Rockcastle Manager of Kentucky Utility at Mt. Vernon. This money comes from an agreement whereby the utility company each year returns a part of proceeds to the three county towns. Robert Hubbard of Mt. Vernon, who a month ago offered the city council a city-wide garbage pick-up service, revised his charge for residential pick-up from \$1.65 a month to \$1.00 a month. No action has been taken by the council, at the present time, concerning Mr. Hubbard's proposal.

MT. VERNON PTA WILL MEET MARCH 13
The Mt. Vernon School PTA will meet Monday evening, March 13, at 7 p.m. at the school. Parents and teachers are urged to attend this meeting.

Half-way House Destroyed By Fire Thursday Morning

A fire, of undetermined origin, destroyed the Half-Way House Restaurant and Garage Thursday. At the present time, no estimate has been made of the damage.

The building was owned by Conrad Parret, owner of Parret Furniture Store in Mt. Vernon, and was only partially insured. Mr. Parret had used the building, since purchasing it

from Elmo Anderkin in 1965, for furniture storage. Merchandise was stored in five rooms of the building and Mr. Parret was able to save only one room.

The fire was discovered Thursday morning by George Hasty, who along with a partner, operated a body shop in the left hand side of the building. The two men smelled smoke and upon investigation found the fire started in the center portion of the building and immediately went for aid.

Tobacco Referendum Fails To Get Required Majority

Burley growers in Rockcastle County approved the acreage-pouidage quota in a mail-referendum held beginning February 27. In Rockcastle, 1,038 voted for the acreage-pouidage plan. A total of 775 voted against it.

In percentage in Rockcastle, 57.3 per cent voted for the plan, or less than the two-thirds majority needed to pass. The vote was heavier this year than in last year's referendum, when a total of 1,540 votes were cast. However, the yes votes had a larger percentage last year, with 63.8 per cent in favor of the plan.

During the height of the fire, smoke rolled several hundred feet into the air and it was feared that a house adjacent to the building might go up in flames. The fire was discovered Thursday morning by George Hasty, who along with a partner, operated a body shop in the left hand side of the building. The two men smelled smoke and upon investigation found the fire started in the center portion of the building and immediately went for aid.

Volunteers were also very instrumental in saving the portion of the building in which the body shop was located. A "Bucket Brigade" was formed and water was poured onto the tin roof. Since the county has no fire department and are forbidden by state law to take the city fire truck beyond the city limits, no aid was available from that quarter. The Half-Way House was built around 1950 by James Winstead, now deceased. Mr. Winstead, in 1964, Elmo C. Anderkin of Mt. Vernon, purchased the establishment from Mr. Winstead's heirs, Mrs. Betty Bullens and Mrs. Bonnie Crowe. Mr. Anderkin suffered a loss of approximately \$500 from the fire. He had two pieces of equipment stored in the building. This loss was also uninsured.

HEART FUND DRIVE EXCEEDS GOAL

The Rockcastle County Heart Fund Drive has exceeded the goal set for the 1967 campaign, according to Mrs. John Allen, Rockcastle County Heart Fund Chairman. The county's goal for this year was \$300.00 and the current total collected is \$921.29 with a few areas not yet counted.

PEPPER CONTRACT DAY WILL BE MARCH 10

A representative of Moody, Dunbar, Inc., of Limestone, Tennessee will be in Mt. Vernon, March 10 from 10 a.m. to 4 p.m. at the county agent's office in the county courthouse, according to H. Lee Durham, Area Extension Agent. A minimum of 100 acres of Bell Peppers will have to be grown in the county in order for the Tennessee firm to offer contracts.

Robert Cromer Files For County Tax Post

Robert Cromer, 36, of Mt. Vernon has filed for the office of Rockcastle County Tax Commissioner in the May 23rd Republican Primary. Mr. Cromer, a farmer, is a member of the First Baptist Church of Mt. Vernon, a member of Ashland Lodge 640 at Mt. Vernon, a Knight Templar of the Order of the Eastern Star of Mt. Vernon.

Mr. Cromer is a veteran of the Korean Conflict, is a graduate of Mt. Vernon High School and is the son of Mrs. Louanna Cromer of Mt. Vernon. He is married to the former Sue Hilton, a teacher at Roundstone Elementary School.

Robert Cromer

RECREATION CENTER PROGRESSING SMOOTHLY

Only 6 or 7 memberships are still available in the Cedar Rapids Recreation Center, Inc., according to Joe Young, vice president of the corporation. "No memberships have been sold outside of the county and none will be," Mr. Young stated.

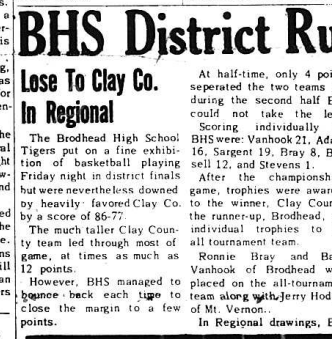

BHS District Runner-Up Lose To Clay Co. In Regional

The Broadhead High School Tigers put on a fine exhibition of basketball playing Friday night in district finals but were nevertheless downed by heavily favored Clay Co. by a score of 85-77. The much taller Clay County team led through most of game, at times as much as 12 points. However, BHS managed to bounce back each time to close the margin to a few points.

Local response to a meeting held with this firm March 6 at the courthouse, was termed "a tremendous success." On March 10th, the representative present will have on hand contracts to be signed by persons who wish to take part in growing peppers. Persons personally interested in this should be at the courthouse March 10 sometime between the hours stated above.

BHS District Runner-Up Lose To Clay Co. In Regional

At half-time, only 4 points separated the two teams and during the second half BHS could not take the lead. Scoring individually for BHS were: Vanhook 21, Adams 15, Sargent 12, Bray 8, Buswell 12, and Stevens 1. After the championship game, trophies were awarded to the winner, Clay County, the runner-up, Broadhead, and individual trophies to the all tournament team. Ronnie Bray and Barry Vanhook of Broadhead were placed on the all-tournament team along with Jerry Hodges of Mt. Vernon. In Regional drawings, BHS drew Clay County again and met them in the opening game of the tourney Tuesday night at Harlan County gymnasium. The Tigers did not fare so well in Regional play as they were downed again this time by a score of 98-78. Despite a tremendous performance by Barry Vanhook who turned in 36 points, the Tigers trailed throughout the game. Quarter scores were: 24-8, 44-35, 71-53 and the final tally of 98-78. Other individual scorers for Broadhead were: Bray 15, Buswell 13, Sargent 12, and Adams 2.

TRPHY TEAM. The BHS Tigers along with their coach, Billy Riddle, are shown with the trophy which was awarded to them for their successful tournament play which netted them the District Runner-Up Title and gained for them a berth in the 11th Region at Harlan County. They are, front row, left to right: Larry Dougherty, Brian Buswell, Jim Buswell, Carl Sargent, Gary Scott, and Coach Riddle's son, David, three basketball material for the Tigers. Second row, from left to right: Lou Busck, Randall Stevens, Barry Vanhook, Randall Adams, Bruce Sargent, Ronnie Bray, Cletus Brown, and Coach Riddle.

THE TROUBLE BUSH, by Earl Schenck Miers
The heartiest reminiscences of an author who was born a victim

NEW VOCATIONAL SCHOOL SITE-- A committee from the State Department of Building and Grounds have chosen the site shown above as the location for the new \$450,000 vocational school. The property is owned by Mrs. Kesmit Bailey of Mt. Vernon and is located on the Old Brodhead Road between the residence of Charlie Noe and Barnett's Subdivision. Construction is expected to begin in the near future.

AND THEN THE RAINS CAME-- The above photo depicts the plight of portions of Rockcastle County Monday afternoon after four days of rain in which 4.22 inches of rain fell. That wasn't enough, Monday night, the county received an "additional bonus" when Mother Nature dumped one and a half inches of the white stuff on us and temperatures dropped accordingly. Oh well, just remember, baseball spring practice has begun, that must mean something.

of cerebral palsy, but wholehearted to be a useful normal person.

New books for children have just been received from the State Department of Libraries, Frankfort, Kentucky.

IF IT WEREN'T FOR YOU, by Charlotte Zolotov.
A delightful picture book which all brothers and sisters will want to share.

Mrs. Phillip Davis

W. S. STEWART NAMED WARD FARM CHAIRMAN

W. S. Stewart of Wildie, along with four other farmers recently became co-chairmen of the Henry Ward for Governor Farmers Committee. The four other co-chairmen are: Holmes Ellis of Murray, Charles Gatton of Bremen, Billy Crawford of Hodgenville, and George Busey of Bagdad. The appointments were announced by Henry Ward and by Foster Ockerman, his campaign co-chairman. "Agriculture is a vitally important industry in Kentucky and I am glad these five men have accepted the leadership of this aspect of the campaign," Ward said in a statement. "The five farm co-chairmen will meet on March 15 in Louisville with twelve district farm chairmen, to discuss recommendations for enhancing farm programs which bene-

graduating class from this school.
Applications for the next class, which will begin August of 1967, are now being taken.

One shopping tour and save!

Your flameless electric oven has cleaned itself!

No scrubbing, no expensive chemicals! Just set the oven-cleaning controls — and go shopping. Return to find your oven sparkling clean with no work on your part. It cleans itself at one-fifth the cost of messy chemical cleaning.

A few cents worth of electricity is all it takes to automatically clean your oven when your new electric range has a work-saving self-cleaning oven.

An electric range is the only range with a self-cleaning oven. See it today at your dealer's, and discover the convenience of cooking electrically — the way of today!

UP TO \$35 ON YOUR WRING BILL IF YOU BUY AN ELECTRIC RANGE NOW! If you change from 2 wire to 3-wire, 100-ampere service, and install an electric range anytime in 1967, we'll pay \$35 on your wring bill. Until March 31, if you have 3-wire service and install an electric range, we'll pay \$15 toward additional wiring needed. See your KU or ODP manager for eligibility.

Babson's Authentic Report

Big Labor Demands
Despite Business Slowdown
Babson Park, Mass., March 8, President Johnson has called for restraint in upcoming 1967 labor negotiations. But unions are not heading in that direction. Workers want a much higher slice of the profits pie, and labor leaders are going to do their best to get it for them.

All Guidelines Are Out The Window
The 3.2% productivity guideline that has been ignored since it was proposed during the Kennedy Administration was finally given the official heave-ho. It was felt that each individual bargaining situation should be worked out on its own merits under conditions. This is more or less of an idealistic approach, and it is not holding back union strategists from hard drives to get all the market will bear. . . and more, if possible.

Also, the President's Council of Economic Advisors said that it would not be excessively inflationary if wages' increases were kept to around 5%. That is the non-official stand at present. But even the most naive observer knows it would take a tremendous amount of resistance from management and more pressure than the government now appears able to wield to hold the line at or close to the 5% raise level.

Labor Is After Gains Of 8% - 10%
Employers should prepare for demands of at least 8% - 10% in a great many activities. Union statisticians have been busy lining up their artillery, and they are going to use it. The board of management will see reasonable and worth serious consideration to many of the nation's employees, and union officials hope the drive for big wage and fringe-benefit advances will gain widespread popular support.

They point out that the new proposed contracts should provide 3.2% pay gains to cover the general productivity trend. Then they argue that raises should be given to cover the 3.3% living cost climb of the past year. And for the final basic above, they propose that another 3% or so should be included to cover the anticipated 1967 jump in the cost of living. And that represents a 3.5% boost in across-the-board wages, not taking into consideration the inevitable demands for ever-widening fringe concessions.

Fine For The Workers, But . . .
All informed, thinking men of this day and age want employees to get their portion of profits, healthy working conditions, and the "extras" that have become part of our business way of life. The danger is, of course, that if labor costs are driven too high, unrealistically high, the results can be damaging to all concerned. The President and his advisers know this. That is why they have asked for restraint, especially at this critical time.

Auto production, residential building, and even retail buying have sounded a warning. Heavy inventories in many lines indicate that output in many other fields may be facing a setback. Plans for capital expansion have become more tentative along a broad front. Inflationary costs of labor and materials tend to hold down expansion. This can mean an upturn in the unemployment barometer, which in turn can put a checkrein on retail purchases.

SOIL CONSERVATION NEWS

By: Clay A. Colson
Soil Conservationist

HIGH CORN YIELDS
The profit you make on corn will be determined to a large extent by the number of bushels per acre you harvest. Per acre yields influence returns more than any one cost item.

It costs very little more to produce 100 to 120 bushels per acre than it does to produce 75 bushels per acre - maybe a small amount more for fertilizer and a bit more for seed to increase planting rate.

Set your goal for the yield you want, then fertilize and plant to reach that goal. Choose a variety capable of producing the yield you set. Only a few of the top hybrids of a few years ago are today's top yielders.

Plant for a full stand. Shirley Phillips, Kentucky Agronomist, says that plant population should be (1) early hybrids, 22,000 to 24,000; (2) Mid season hybrids, 18,000 to 20,000; (3) full season hybrids, 16,000 to 18,000 stalks per acre. Two things in Rockcastle County are keeping farmers from getting the most out of their land.

Higher Labor Costs
Mean Price Jumps
If profits are squeezed dangerously, the only answer is price advances. Particularly at a time when a six-year-old boom is feeling its age, price hikes can intensify buyer resistance. Chances are that excessive demands from labor during 1967 could bring about such a situation. The government and the public will be watching. Crucial wage-price spiraling could lead Congress into legal restraints, ones that will do it voluntarily restraints do not. Hence, 1967 may well be the year of decision for labor-management relations.

Planting dates affect yields too. You lose a half bushel yield for each day you delay after mid-May, and that jumps to a bushel for each day after May 22n.

Corn is like a hog; you have to feed it to get top production. The more you feed it, the heavier feeder, but it's needs increase as it grows. A 100 bushel corn crop needs 100 to 150 pounds of nitrogen from June high to maturity. If you lime and fertilize according to soil test and your yield goal, and control foot spacing you will make high, profitable yields provided you have a favorable season.

Another reason for poor stands is too much high analysis fertilizer in the row in contact with the plant. How can you correct this? Use a planter that places fertilizer to the side and below the corn, or use a lower analysis fertilizer in the row and broadcast the remainder.

At about mid-point in sign-up for participation in 1967 Feed the Soil Program, total of 179,750 farms had been signed up through Feb. 23, USDA announced today. This third report shows signed

BHS CHEERLEADERS—These six girls have led the cheers for the Brodhead High School Tigers through their very successful basketball season. They are, from left to right: Sharon Anglin, Debra Watson, and Phyllis Skeen; second row, from left to right: Ann Gentry, Jenny Lear, and Mary Benge.

Fogertown in Clay County on Monday, March 13, 1967.

4. Visit W. W. "Shiny" Rigley's farm at Nancy in Pulaski County and Barkley Colson's farms at Piggish in Pulaski County on Monday, March 27, 1967.

5. Set up pasture wire-cage demonstrations on Clay Colson's Farm, Brodhead; H. C. Martin's Farm Rt. 2, Mt. Vernon and Bradley Saylor's Farm, Rt. 1, Mt. Vernon.

6. Hold silage and pasture clinic at Mt. Vernon on Tuesday, March 28, at 2:00 p.m. in the Rockcastle County Courthouse, Various University of Kentucky Extension Specialists will participate.

FREQUENCY OF SOIL TESTING FOR VARIOUS CROPS

The question of how frequent to test soil for a particular field usually comes up each year. The following recommendations by extension personnel in soil and fertilizer are offered to help answer this question.

1. Continuous tobacco and continuous corn land should be tested each year.

2. Tobacco land in rotation should be tested in the fall or spring just prior to the tobacco crop.

3. Permanent pasture and rotation land should be tested every three or four years, or once during the rotation. It is preferable to test rotation land just before the small grain crop.

4. Alfalfa land should be tested before seeding.

5. If this test is high in phosphorus and potassium no fertilizer is recommended and this field should be tested every second year to determine when fertility is reduced to a point where an application is needed.

6. Make analysis of silage samples from Kenneth Stewart's silo at Wildie and Charlie Bussell's silo at Brodhead.

7. Conduct field trips to outstanding silage and feeding operations in two other counties. Invite anyone interested in producing and feeding silage to attend.

Field trips were planned as follows: Visit Charles Cornett and Joe Cornett's farms at

well.

C. Where alfalfa is now growing but no soil test has been made, a test should be made to determine which of the above categories the field falls into and the field should be treated accordingly.

5. Horticulture crop. Land in potatoes or other vegetables continuously should be tested annually.

6. Strawberry land should be tested before setting the plants.

FERTILIZER TOP DRESSING TIME FOR PASTURES IS HERE!

Early spring is the ideal time to fertilize established pastures. When fertilizers are put on early in the year, the perennial grasses and legumes are able to get off to an earlier and faster start.

The best guide to find out what fertilizer is needed, and how much to use, is a GOOD SOIL TEST. When fertilizers are applied to pastures based on a soil test recommendations, you can expect to get back up to \$3 worth of feed for each \$1 you invest. As a general guide for your pastures, here are two suggestions.

A. If you need both phosphate and potash for a good grass and legume pasture, use 200 pounds of 0-20-20 or its equivalent.

B. If you need both phosphate and potash and your pasture is grass only, you should use some nitrogen. An application of 300-400 pounds of 10-10-10 or its equivalent will give good results. If more production is wanted, additional nitrogen fertilizer in July or August will help.

So DON'T PUT FERTILIZING OFF—PUT IT ON!!

ENIDE WEED-KILLER CLEAR-ED FOR TRIAL USE ON TOBACCO PLANT BEDS

Clearance of Enide 50-W, a weed-killer, for trial use on tobacco plant beds was announced this week by U. K. Cooperative Extension Service agronomy department.

Dr. James Herron, weed control specialist, says that "until additional information is obtained and growers get more experience with its use, Enide 50-W is recommended (in 1967 only) for trial use on only a part of the plant bed."

Treatments with Enide on tobacco beds in mid- to late March

at time of seeding have given satisfactory weed control in experimental plots, he says, in the last two years. No injury or reduction in stand of tobacco plants were observed on plants treated at this time. "However, plant reduction did occur in plots treated in late fall and there are some indications that there may be a reduction in stand from early treatments in February."

TREATMENT RECOMMENDATIONS: Confine it to a small section of the plant bed to an trial basis this year.

Apply after March 10, when weather permits, immediately

after seeding. Use a back-pack sprayer or other low-pressure sprayer. Apply evenly over the area. Spray the trial area twice, one in each direction. Irrigate by sprinkler, with at least one-half inch of water after application, on tobacco grass.

RECOMMENDED RATES: For trial area in the plant bed 9 feet by 10 feet, mix 3 level teaspoons of Enide 50-W in one to two quarts of water. For a trial area 12 by 10 feet, mix 4 level teaspoons of Enide 50-W in one to two quarts of water.

Follow label and safety precautions carefully.

County Agent's Notes

By H. LEE DURHAM
Area Extension Agent

Horticulture

GOVERNOR'S COMMISSION ON AGRICULTURE IN ROCKCASTLE COUNTY

The executive committee of the Governor's Commission on Agriculture in Rockcastle County met in the County Agent's Office at 1:30 p.m. Tuesday, February 28, 1967.

Those present were: Roy Brown, Kenneth Stewart, William K. Bullen, Estil E. McEhee, Wallace Proctor, Clay Colson and H. Lee Durham.

The purpose of the meeting was to review the "Suggested Agricultural Program" developed by the special agency group on January 12, 1966.

The suggested program for Rockcastle County was based on production potentials, opportunities for expansion, market outlets, desire of farmers and how it fits into "going programs."

Discussion of the committee centered around how the proposed program could be further implemented to raise income in Rockcastle County.

Some of the suggestions for increasing income were:

1. Increase in dairying through better cows, better feeding program, etc.
2. Increase present acreage of hay, pasture, silage and encourage establishment of additional acres of these crops.
3. Commercial production of horticulture crops such as: green beans, cucumbers and peppers.
4. Suggested ways of implementing the program for 1967 were:

1. Establishment of special farm management plan through the University of Kentucky Economics Department.
2. Members of the committee to prepare and broadcast special

radio programs on silage and pasture production.

3. Interview farmers who conducted silage demonstrations and pasture renovation demonstrations in 1966.

4. Develop flyer on silage and pasture production and send out through milk companies, producer credit association, fertilizer companies and attach to soil test results from the county agent's office.

Committee appointed to develop flyer -- Clay Colson, H. Lee Durham and Bill Norton.

5. Hold air extraction silage demonstration on Stewart's farms at Wildie.

6. Make analysis of silage samples from Kenneth Stewart's silo at Wildie and Charlie Bussell's silo at Brodhead.

7. Conduct field trips to outstanding silage and feeding operations in two other counties. Invite anyone interested in producing and feeding silage to attend.

Field trips were planned as follows: Visit Charles Cornett and Joe Cornett's farms at

Social & Women's News

WOMAN'S CLUB MEETS

The Mt. Vernon Woman's Club met at the Christian Church Tuesday evening, Feb. 28. Attendance was excellent.

Mrs. John Allen, president, presided.

Devotional was given by Mrs. Hazel Owens.

Mrs. Allen presented Mrs. Gertrude Hilton, who introduced the speaker for the evening, Bob Henderson of Frankfort. Mr. Henderson gave a very interesting and informative address on "Tourism and Recreation in Kentucky."

Refreshments were served. Hostesses for the evening were: Mrs. Bill Coffey, Mrs. Estill McBe, Mrs. L. M. Miller, and Miss Murtle Bryant.

Vows Exchanged In Home Ceremony

The wedding of Miss Dorothy Jean Payne, daughter of Mr. and Mrs. Henry Payne of Mt. Vernon and Donald Compton, son of Mr. and Mrs. Otis Compton of Glasgow, was solemnized February 8 at the home of the bride.

The ceremony was performed by Bro. Jack Moore, pastor of Northside Baptist Mission. Miss Linda Rose Payne

served her sister as matron of honor and Paul Kingery of Glasgow was best man. The couple will make their home in Glasgow.

Out-of-town guests present for the wedding were: Mrs. Otis Compton; Mrs. Mary Maupin; Mrs. Corine Haler; Mr. and Mrs. Paul Kingery, and Mrs. Bobby Huffman, all of Glasgow.

ENGAGED- Mrs. Jane Smith of Livingston announces the forthcoming marriage of her granddaughter, Jane Winkie Campbell, daughter of Mr. and Mrs. W. J. Campbell of Lindenbush, Long Island, New York, to Lorry Dale Mahoffey, son of Mr. and Mrs. Everett Mahoffey of Livingston. Miss Campbell is a senior at Livingston High School; Mr. Mahoffey also attended Livingston High School. The vows will be exchanged Saturday, March 11 in the Livingston Baptist Church.

Personals

Mr. and Mrs. John W. Griffin spent the week end with their daughter, Mrs. O. L. Oliver and family in Mt. Sterling.

Misses Toni Leslie and Jamie Mullins, students of Eastern Kentucky University, spent the week end visiting Mr. and Mrs. James Mullins and James Nathan.

Mr. and Mrs. Randall Clark have moved to Memphis, Tenn. where Mr. Clark will enter the March term at the University of Tennessee School of Medicine.

Friday dinner guests of Mrs. Ada Clark were: Mr. and Mrs. Randall Clark of Richmond, Miss Toni Leslie of Pikeville, Mrs. Martha Carpenter, and Mr. and Mrs. James Mullins, Jamie Lynn and James Nathan. Mr. and Mrs. James W. Lambert and Mrs. Wallace Williams attended the presentation of "The Music Man" by the Georgetown College Mask-rafters, at Georgetown, Friday night, March 3rd. Joe Lambert, a freshman at Georgetown College, was a member of the cast.

Mrs. Roland Mullins attended a luncheon and review of Spring Fashions at the Quality Club in Somerset Saturday. The event was sponsored by the Pulaski Republican Woman's Club, with the proceeds going to support the John Shaw Copper Scholarship Fund.

Laura Lee Durham, daughter of Mr. and Mrs. H. Lee Durham, is back in school this week after being ill at home last week.

Tom Johnson was in Lexington Tuesday on business. Mr. and Mrs. Henry Mason are spending several days in Columbia to be with their daughter, Mrs. Floyd Halcomb, who underwent surgery at the Adair Memorial Hospital last Thursday. Mrs. Don Gregory was also with Mrs. Halcomb during surgery. She is reported improving. Richard Payne of Richmond, Ind. spent the week end with his parents, Mr. and Mrs. Henry Payne.

Mr. and Mrs. Eugene Durham of Mason, Ohio, Mr. and Mrs. Wayne Livesay of Berea,

TO BE WED- Mr. and Mrs. Burgess Fletcher of Mt. Vernon announced the engagement of their daughter, Glenn Sue, to Jerry Brooker, son of Mr. and Mrs. George H. Brooks of Broodhead. Miss Fletcher is enrolled in the Eastern School of Hair Design. Mr. Brooks is employed with the State Department of Highway Engineers. Wedding plans are indefinite.

Mr. and Mrs. Jesse McFerron were week end guests of their parents, Mr. and Mrs. Leonard Livesay, at Sam Hilton of Cincinnati. Ohio is spending two weeks

TIP-TOP PARTY FARE

Here's a practical solution to the problem of what to serve in the way of party sandwiches to a group composed of both weight-watchers and hearty nibblers. With very little fuss and an optimum amount of satisfaction, these bread beauties appeal to all ages, and are suitable for any occasion.

The open type sandwich, canape size, will take the eye of the calorie-conscious feminine tasters. These are made from seasoned cottage cheese and chopped cucumber spread, and garnished with low calorie vegetables: green pepper, tomato, radish, cucumber, and carrot.

For the folks who like the fancy layer sandwiches, let your freezer play an important role and produce, as if by magic, several different kinds of tasty morsels at a moment's notice. Use three or more slices of Tip-Top bread and carefully cover each slice all the way to the edge with a variety of spreads: chopped hard-cooked eggs, peanut butter and catsup, shrimp, tuna, lobster or chicken salad, de-

car failed dashing the car against a post; Mrs. Anglin was rushed to the Central Baptist Hospital in Lexington where she underwent surgery Monday, March 6, and is reported improving. Mrs. Anglin's son, Robert Robinson of San Francisco, Calif., and daughter, Mrs. Eddie Menting and Mr. Anglin have been in Lexington with Mrs. Anglin.

Mr. and Mrs. Leonard Livesay, accompanied by Mr. and Mrs. Jesse McFerron spent Sunday in Lexington with their daughter, Mrs. Edna Gabbard and family, whose son, Jimmy, is very ill with pneumonia.

Mrs. Ethel Greenwood has returned to Indiana after spending several weeks with her mother, Mrs. Bettie Davis. While here, she was visited by her daughter, Mrs. Anna L. Waltz and sons, Fred and Renje, of Indianapolis, Ind. Mr. and Mrs. Donald Hopper on their return to Lexington from the week end spent in Middlesboro, stopped Sunday to see his grandmother, Mrs. Bettie Davis.

Mrs. Emma Thompson of Ashland came Saturday for an extended stay with her mother, Mrs. Bettie Davis.

VOWS SAID

Lola Aileen Richmond, daughter of Mr. and Mrs. Anderson Richmond of Route 3, Berea and Roy Lee Roberts, Jr., son of Roy Lee Roberts, Sr., also of Route 3, Berea were united in marriage February 18.

MENTAL HEALTH BOARD TO BE ORGANIZED

Interested persons will meet March 14th to organize a regional mental health-mental retardation board. The board will be composed of lay citizens from Madison, East, Lee, Owsley, Jackson, and Rockcastle counties, and will plan for the provision of comprehensive mental health and mental retardation services for the region.

The meeting will be held at the RECC Building in Richmond on March 14 at 7:30 p.m. All interested persons are urged to attend. Gilbert Hettick of the Mental Health Department of the State of Kentucky will conduct the meeting.

RETURNS TO BASE

1st. Rodney B. Graves of the United States Air Force, S.A.C. has returned to his base at Westover, Mass. after a 10-day visit with his parents, Mr. and Mrs. M. S. Graves of Buffalo and his sis-

ter, Polly, of Berea College. Lt. Graves has been on a tour of overseas duty in Okinawa, Thailand, and Guam.
