The city council of the city of Mt. Vernon has passed a resolution to clean out all ditches along the city streets, which are on the city's right-of-way. The work will be com-menced approximately 30 days after the first publication of this notice. If the present drive way tiles across these ditch-es are inadequate or unusable they will be removed by the city. Any property owner desiring to have new drive way tile installed may notify the city within 30 days of this notice and purchase tile satisfactory to the city and will be installed free of charge to the property owner. Dated this 10th day of August 1967

CLASSIFIED SECTION 1968 WHEAT PROGRAM PARTICIPATION OUTLINED

While there will be no wheat diversion in 1965 the wheat broggam is still a compact between sovernment and far-ners with each participating farmer: doing certain things to qualify for wheat market-ing cortificates and price-support loans, Freeman M. Hockensmith, Chariman Agricultural Stabilization and Conservation State Com-mittee, pointed out today. Agricultura) Stabilization, and Conservation State Com-nittee, pointed out today. He explained that the pro-He explained that the pro-ducers' side of the bargin in the 1968 wheat program includes doing these things: 1. Sign up as a program participant at the approp-riate time. In 1967, program signaps for wheat, upland cotton, and feed grains were held in ASCS county offices in February-March. -2. Stay within the partici-pating fam\* swfeat allotment (unless the excess wheat

Starting the particle of the particle and "sefect allocated option or the substitution provisions are used). Under the substitution provisions are used). Under the excess wheat option, a grower may plant up to 50 percent in excess of his allotment acreage and still be elligible for marketing certificates and loans if the excess production is stored and other conditions of the substitution provision, grow-program site met. Under the substitution provision, grow-program site biling the one conserving the same amount they were decreased when the last 15 percent increase in acreage allotenets was made for 1967.
 Remain within any other

4. Remain within any other crop acreage allotments es-tablished for the partici-

Ltop actrence automessa Lab pating farm. 5. Stay within any wheat allotment, substitution pro-vision, or excess wheat op-tion for other far in which the produces as an interest. Domestif marketing cer-tificates for the 1956 wheat crop will be valued at the difference between full wheat parity, and the nation-al average \$1.25 price-sup-port loan value. (The value of 1967-crop certificates is \$1.36 per bashel). The 1966 certifie ates will be issued on the projected production of 40 percent of the farm allotment; the loans will be available on all the wheat produced on a participating farm.

DAM CONSTRUCTION -- Construction of the dam that will form Lake Linville at Renfro Valley is well underway. The above photo shows construction crews moving the from the center of the dam area. In this area, all dirt will be removed down to solid and the core of the dam will be filled with a special dirt from farther up Renfro

WINS LAWN MOWER- Jack Gabbard of Stanford, Route 1, is shown seated on the mower which he won at the Brodhead Fair. The mower was given away by the Mt. Vernon Lions Club Sturday night. Looking on are members of the club. They are, from left: Jess Bullock, Ed Hunt, Joe Adams, Atty. James Lambert and Dr. Jack Lewis, The boy standing directly behind Mr. Gabbard is unidentified. The Lions netted \$236.00 from the project which will be used in their sight conservation program.

## **Opp Bussell** New Supervisor

ed in their sight conservation pr He is a graduate of Eastern Kentucky University with B.S. and M.A. degrees and hours beyond the masters degree placing him in Rank I which is the highest rating for teachers in Kentucky. "The State of the signal signal of the signal signal signal signal signal signal signal signal signal personalities of the South." He has also been honored by out-of-state Governors as on Arka@sas Traveler. Superintendent Andrew ISIN of Anderson County Schools announced this week that Opp Bussell, J.F., a native of Mt. Vernon, Ky., has been hired as Supervisor of Anderson County Schools for the 1967-68 school year. Mr. Bussell goes to Apder son County from Falmouth High School. He also served as principal of williamstown High School in 1965-66

North Caròlina Ambassador, Nebraska Admirai, New Mexico Colonel' and hon-orary citizen of the States of Texas, Tennessee, and Maryland.

WEATHER Continued warm through Friday with chance of scat-tered thundershowers.

# **Federal Agency Approves** Third Interchange Site that the Bareau has approved the proposal for an inter-hange at the proposal for an inter-of 1-75 and Kentucky Route 1329 in Rockcastle County." "This is certainly wel-come news, and I was in-deed glad to participate in this effort. If this office can be of further service in this regard, you have only to call on me." There is a good possibility that Rockcastle County and the whole county will be countless," Ward further

There ages good gossibil-dy that Rockastle County will have another inter-change off of 1-75. 'In aletter to County Judge Wayne Van Hook, and other county officials, Congress-mather and the state of the the intersection of 1-75 and Kentucky Rockastle County, had been approved by the Fed-eral Highway Administration. The letter, received from the Congressman reads: 'I was very pleased to re-ceive word from the Direct-orof Public Rods, Federal Highway Administration, YOUNG REPUBLICAN

ord Public Rodas, Feueral Highway Administration, YOUNG REPUBLICAN WEETING There will be an organi-zational meeting for the Rockastle County Young Republican Club, Friday night at 7:33 pm at the courthouse. Anyone between the ages of 18-40,who is interested in joining the club is in vited-to attend. There will be a guest speaker for the occasion.

in this regard, you nave only to call on me." Henry Ward, Democratic roomines for Governor, under your sector of the secon-mendation for the inter-change was submitted to Washington, also notified the Signal that the project had been approved. "Al-back of the second second that the second second that the second second prove the groject and the 90% fedding funds for the second funds. "It is most gratifying to see this project, which the initiated, fulfilled and the benefits to the people of this area of Rockcastle

# Shriners Sponsor Circus Trip For 160 County Youngters Shriners from Rockcastle

County sponsored a free trip to the Shrine Cir-

County sponsorea a free trip to the Strine Cir-cus in Lexington for approx-imately 160 Rockcastle youngsiters on Wednesday August 15. Sthiners fur-nished all tickets, gas for the bases and insurance. Food Fair Goccery Store in Mt. Vermon furnished each child wild a sandvich and milk or orange juice to drink and he wives of the shriners prepared the sand-wiches at the Niers of the String Company of Danville gave each child an RCCola

to drink. After arriving at the Cir-cus, the children will again be wined and dined by the Shriners,

hriners. The Shrine Circus is held The Shrine Circus is held each year and all proceeds go to the Shriner's Child ren's Hospital is L&ningto. This hospital treat thoe-sands of crippied children each year and makes no charge for their service. A new Barn Hospital Cincinnati, Ohio was just ophead this year to take care of any child needing treatment for bonns. This new hospital is the only

Sif.

There is no charge whatsu-ever for this treatment. The Rockcastle County Board of Education fur-nished the three buses ne-cessary for the transpor-tation. Roy Schooner Lucas, Claude L. Hansel, and Ker-mit Messer donated their time to drive the buses. The children and the Rock-castle Shriners thank each and everyone who helped make this trip possible. LATE ARRIVAL-- Joe Clark another of the Shriners to sponsor the circus trip was a little late in arriving and had to be photographed seperately. Oh well, better the than never.

SPONSORS-- Shriners, who sponsored the trip for the youngsters, and who accompanied them on heir journey, are shown before disembarking. They are, front row, from left: Phil Baker, Itory Anglin, R. (Doc) Wolfe, Raymond MeGuire, W. O. Nelson, Monroe Baker and Jinmy Robinson. Back row, from left: Kenneth Cummins, Sam Jones, Les Anderson, Bill Cox, Gordon Grahum and Monty Baker.

-- These 160 Rockcastle youngsters wait patiently' to board their buses for their trup to the Shrine Circus in Lexington-

THURSDAY, AUGUST 17, 1967

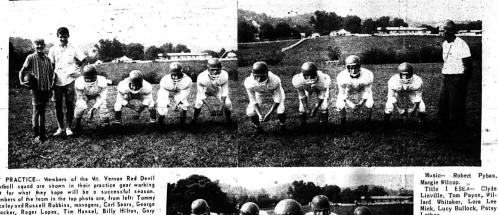

If this interchange should become a reality, it is felt that it would be a big fac-for in the promotion of tour-ism in Rockcastle and wi-

ism in rocase. The interchange, located about 5 miles south of Liv-ingston and about 1½ miles downriver of Ft. Secuovah.

downriver of Fl. Seouwah, would give easy access to such tourist attractions as the 950 acre lake at Woods Crex Dam in Laurel Coun-ty about three miles from the interchange, to Wildcat Battle Monument, also about there miles away, and to Ft. Sequeyah Indian Village.

JAYCEES WEET The, Rockeastle County Jaycees met Monday night at the Mt. Vernon School Band Room. A film, "Fess Parker Speaks Up For Ken-ucky," was shown. During the meeting, the members voted to donate \$25 toward improving the city municipal parking lot

# **Babson's Authentic Report**

#### RIDING DANGER OF BURGLARY

Whether in the city or in the suburbs, people are a lot more-likely nowadays to be victimized by burglars than ever before. So it is only sensible to know how best to avoid this disturb-ing ~ and often@cost(v-circumstance. And to know, it it should happen, what to do to fielp recover lost possessions. possessions

## MANY BREAKS COULD BE PREVENTED

PREVENTED Police experts on bug-lary pretty much agree that carelessness in locking doors and windows makes an easy in for housebreak, ers, most of whom are likely to be amateurs. The old a-dage that any burglar who wants toget in will find a way is not taken to seri-ously by most students of the way of theives. If en-trance is made difficult, chances are that the aver-age felon will keep looking until 'te finds a house or an apparent that is an ob-versame. If not house ser-same." for most breaks is the snap look that clicks shut without the use of a key. Such a device can us-

1

ually be opened in à 'mo-ment or two y manipulating a thin, firm object, such as a charge card or a pocket calendar. Drop-bolt, double and various types of 'Po-lic'e locks, provide superior assurance against entry. Your locksmith will hely on this matter, and will nake certain that there are no weak sections of wood or glass around the lock that could be easily shattered by sudden force. Some re-lable locks come with mag-notic keys having neither leteth nor groovers so they cannot be duplicated.

CHANGE OF LOCKS SOME-TIMES ADVISABLE

IF THERE SHOULD BE A ROBBERY.

TIMES ADVISABLE It surely should not be considered ''silly'' - nor is it particularly costly -to have locks checked from time to time, and changed occasionally. When moving instruction, and the second time, it is definitely ad-visable to have the locks changed; same is applica-ble when maids or other domestics are replaced, especially if theirs was short-term or temporary ten-ure. Any police officer will advise altering locks in a newly rented apartment, and this is only common sense constantly move about.

where the set of th IF THERE SHOULD BE A ROBBERY... Even with the utmost pre-caution, robberjes do take place. Authorities make it clear that they will be grate-ful if the victims do not put thimes in order after a place is rensacked. This makes it next to impossible to find the clues that most often lead to capture of a thief and recovery of the stolen goods. Insurance companies should be notified at once and provided with details on all valuable articles known to be missing. Both police and insurance agents

tured by Communists. NO MAN'S WORLD, by Mar-tin Caidin. This book takes you on a gripping realistic journey as the Apollo space-craft maneuvers toward the

moon. OF MEN AND RIVERS, by Virginia Seifert, Adventures, discoveries, and exploration along the great American waterways. TRAVELS OF A CAPITALIST

by Fred Basnett. An off-beat, light-heatted, and often hilarious account of a fas-cinating journey made by a young British advertising man and a friend through Rassia, Scandinavia, Fin-land and Turkey.

New books for children have just been received from the State Department of Libraries, Frankfort, Kentucky A BOOK OF SATELLITES A BOOK OF SATELLITES FOR YOU, by Franklyn Bran ley. A clear and lively ex-planation of man-made sat-ellites. An excellent in-troduction-to the space world of today-and tomorrow.

"Our older house has 12 rooms," says Mrs. Thomas about her home in Stanford, where she lives with her daughter and son-in-law, Mr, and Mrs. F. S. Gooch. "But with electric heating we can automatically control the comfort level in each room. Modernizing was surprisingly simple and economical, too."

Mr. and Mrs. Gooch add, "Surprising, too, to find out how much cleaner and quieter electric heating is. Makes living here so much more pleasant and convenient.

Building, remodeling or changing your heat-ing system? Ask our local office all about electric heating for your home. It's the way of today.

THE MOUNT VERNON SIGNAL THURSDAY, AUGUST 17. 1967 PAGE SIX

LUCKY ESCAPE-. Donaid Nelson, son of Mr. and Mrs. W. O. Nelson; escaped ser-ious injury late Saturday night, when he trashed into a tree on Richmond Street, di-rectly in front of the home of Mrs. Edna Grace McKnazie. Young Nelson, who shall he must have gone to sleep at the wheely, was returning from Berea at the time of the accident and luckily did have his seat belt fastened. The car was totally de-molished.

### **Area Agent's Notes**

AREA AGENT'S NOTES BY: H. LEE DURHAM AREA EXTENSION AGENT

ROCKCASTLE 4-H'ERS TO TAKE PART IN KENTUCKY STATE FAIR EVENTS

On August 13 Virginia Coffey will participate in the Clothing Demonstration

Contest. The entire wildie 4-H Club will participate in the 4-H Variety Show on Satur-

and keep them charged with a material that works best for you in your area. August is an excellent time to treat for grubs. Dip-ping, feeding, spraying, and pour-on are methods of application. (If the spray method is used, you need 330-350 pounds of pressure with appropriate insecticide. for best results.) day August 19 at 7:30 p.m. The Wildie Club will do an act entitled, "Snow Ynite and the Seven Dwarfs," David Parsons, Pt. 3, Mt. Vernon, will compete in the Horticulture Demonstration Contest on Monday, August 21

21 Pamela Ramsey, Wildie; who was eligible to compete in the Fashion Revue, sche-duled for Saturday, August 26, chose to display her cloth-ing, instead of participating

ing instead of participating in the traver State finals in most 4-H activities are held at the Fair each year with state champions selected from among top winners in each Extension Area. This means that each of the above par-ticipants was placed firsts in their particular area, in both County and Area Events in order to be eligible 'to take part in the State Fair Events

AUGUST CHECK LIST FOR BEEF CATTLE

Service entomology depart-ment. The problem arises, says Dr. Rudy Schiebner, from feeding, but let a good deal of this food evued from their bodies. This forms what residents known as "honey-dew." Frequently it drips down in carg parked under jhe trees, causing sticky spots on the finish. If trees are not too large, you can spray them with either Malahiton or Lindane. Follow label directions can be directions and particular provides and the "Phone trees are too large (or Malathino or Lindane). Keep salt, calcium, and phosphorus available for all cattle. (Loose and free choice) Keep back rubbers in good condition. Hang where cattle can get to them. "When trees are too large for Malathion or Lindanea

Please send, without obligation, in Kentucky's parks and shrines.

MORE THAN HALF STATE CROPLAND NEEDS 2-4 TONS OF LIME AN ACRE More than haif the crop-land in Kentucky needs two to four tons of agricultural limestone per acre for big-gest returns from crop pro-duction.

gest returns from crop pro-duction. So, says George D. Corder, U.K. Cooperative Extension Service soils specialist, spread limestone this fall or late summer. "Spread i unstone this fall or late summer. "Spread i to n corn, tobacco and soybean fields as soon sthese crops are harvested. It can go on hay and pasture fields any time this summer or later." he says. Limestone spread in the fall has all winter to seact with the soil and be of nore benefit to next year's crops. beavy spreading cupipment in the fall loat may be wet -met to the spread in the fall has and so for some heavy spreading cupipment in the fall loat may be wet in the fall but may be wet-or soft next spring.

APHIDS ON ORNAMENTAL TREESCAUSING PROBLEMS GRUB-CONTROLMATERIAL U.K. SAYS PROMISING IN TEST, U.K.

Aphids are a problem on many home ornamental trees, says the University of Ken-tucky Cooperative Extension Service entomology depart-University of Kentucky Ag Experiment Station research-ers, working with a grub-control material applied in a new formulation, find re-ults of a one-season test "promising." ults of a one-season test "promising." Dr. Fred Knapp, sanimal entomologist, says the ma-terial was Tigavon. This is a standard material usually used in pour-optroparations. But Knapp used it in a new form, called "watermiss-tible." It is put in animals" drinking water in very small amounts (about 10 to 15 parts permillion of water) and given to animals for six days. The material is absorbed and works as a systemic to

awys. The material is absorbed and works as a systemic to kill grubs, he said. It is easier to use this way than as a pour-on, or as a feed-additive. The got about 95 percent average grub sontrol in test herds. Drinking water source was controlled so that no other water was available. "Other stations report that when this material is used in water earlier in the year-our test was in October-November-control is as high as 100 percent." He thinks the material ought

to be used in August or Sept-ember. The standard pour-on test gave an average of 95 per-cent control at the 3 percent stringth, thad an average ~{ 80 percent strength.

80 GATCent strength... A daily application of Ci-odrininoil on dairy animals, to control guubs in the hell-fly activity season, also was effective. One ounce per head was sprayed on animals twice a far by set main effective. One ounce per head was sprayed on animals twice a far by set main controlian from 74 to 98 per-cent.
