### FAIRVIEW

85 persons attended Sunday School at Fairview Sunday and several more were present for church services. Thank God for everyone.

Mrs. Mary Cope of near Fairview, Mr. and Mrs. Frankie Hayes of Winchester and Mrs. Helen Spires of Columbus were in town last week due to the deaths of Mrs. Cope's sister, Mrs. Mattie Dum of Dixon, Ill. and her brother, Reuben Dum of Kewanee, Ill. They both died the same week. Our sympathy is extended to the family. May God bless and comfort each one of them in their sorrow.

Albert Powell underwent surgery in a Lexington hospital last week and is improving very nicely at his home here. May God bless him to be well soon.

Mrs. Annie Thomas of Snider spent a few days recently with her granddaughters, Mrs. Hubert Chasteen and husband.

Mrs. Lucille Repper and Belinda were dinner guests of Mr. and Mrs. Preston Anderson and Cheryl.

Saturday night visitors of Mr. and Mrs. Hubert Chasteen were their daughter, Mr. and Mrs. James Seals and son, Junior and family all of Berea.

George Cope of Berea visited his brother, Willie and family Saturday.

Gerald Peters of London spent Sunday night with Mr. and Mrs. Cletus Peters.

He returned home Monday accompanied by his wife, Barbara Ann, who spent the past week here with her father, sister, and family.

Mr. and Mrs. Hubert Chasteen visited Mr. and Mrs. Eugene Alexander Monday night of last week.

Mr. and Mrs. Ellis Pingleton and son of Berea visited Mr. and Mrs. Johnny Church and family Saturday afternoon.

Mr. and Mrs. Wayne Chasteen and sons of Berea were Sunday evening guests of his parents, Mr. and Mrs. Hubert Chasteen.

Mr. and Mrs. Donald Hale of Berea visited her mother, Mrs. Lucille Repper and Belinda Sunday evening.

Mr. and Mrs. Glen Ponder and daughter visited relatives in Holton and Greensburg, Indiana last week.

Mr. and Mrs. Hubert Chasteen and Darleen Church and daughter visited J.M. Noland and Mr. and Mrs. Cletus Peters and family Friday night.

Mr. and Mrs. Hubert Spires and son were Sunday dinner guests of her parents, Mr. and Mrs. Willie Cope and Buddy.

Mr. and Mrs. Hubert Chasteen and Mrs. Annie Thomas spent a very pleasant evening with Mr. and Mrs. Bob Bowman and Mrs. Alma Hayes recently.

Mr. and Mrs. Johnny Hill and daughter of Lexington visited at the home of Mr. and Mrs. Cletus Peters Saturday night.

Sunday dinner guests of Mr. and Mrs. R.C. Harris of Berea were Mr. and Mrs. Johnny Church and daughter. They later visited Mr. and Mrs. L.B. Church of Paint Lick.

Mr. and Mrs. Alvin Isaacs and family of near Berea visited Mr. and Mrs. Hubert Chasteen Sunday night.

A Christmas Program will be presented at the Fairview Baptist Church Sunday night, December 21 at 7:00. Everyone is invited to attend. By your presence you can show these children you love them and are interested in them.

Our young people today need our praise, understanding and encouragement instead of doubt and criticism. We need to let them know we are proud of them and thank God for them.

Please remember church and Sunday School.

With everyone of you where ever you are, a very Merry Christmas.

You know we hear much about peace but the world will never have peace and we will never have

peace until we accept the Prince of Peace, our Lord and Savior Jesus Christ.

Christmas is more than a day at the end of the year. More than a day of joy and good cheer. Christmas is really God's pattern for living to be followed each day - by unselfish giving. Then Peace on Earth will come to every day when we live Christmas every day. May God bless you all in His prayer.

### BOONE

Bro. Ray Dean and Carl Durham attended church at Brodhead Monday night. They enjoyed Bro. Price's message very much.

Carl Durham is very ill and confined to his home with a swollen foot. He was unable to attend church services at Fairview Baptist Church Sunday.

### County Agent's Notes

By: H. Lee Durham  
County Extension Agt.

Several farmers in Rockcastle County added to their income in 1969 by growing peppers and cucumbers for processing.

Two hundred sixty-two families grew approximately 400 acres of Bell peppers and received a total of \$125,590.78.

Thirty-six families marketed 57 acres of cucumbers and received a total of \$21,561.00. Peppers were grown under contract to Moody Dunbar, Inc., Pepper Processors, Limestone, Tennessee. The company bought peppers by grade at \$65.00 per ton for red and \$50.00 per ton for solid green.

Cucumbers were sold by grade as follows: No. 1 pickles \$8.50 per 100 pounds; No. 2 pickles \$5.50 per 100 pounds; No. 3 pickles \$3.00 per 100 pounds; No. 4 pickles \$2.00 per 100 pounds.

The top cucumber producer in the county realized a gross sale of \$150,000 per acre while the best producer of Bell peppers received \$954.23 gross receipts for one acre.

Processors for both cucumbers and peppers have announced an increase in price for 1970. Number 1 grade cucumbers will sell for \$9.00 per hundredweight. Grades number 2 through 4 will hold at \$5.50, \$3.10 and \$2.00 respectively. Red Bell peppers will sell for \$70 per ton.

Production of peppers and cucumbers fits in well with many farming operations. Harvest of cucumbers sold for processing ends in early August and pepper harvest does not begin until about the middle of August. With both crops, a grower could have a weekly income from early June until the middle of October.

Growers interested in producing Bell peppers can sign a contract with Mr. Robert Hubbard, station manager, and those desiring to produce cucumbers design a contract with Mr. William K. Bullen, station manager. Contracts for both peppers and cucumbers are available in the County Agent's office which is located on the 2nd floor in the Rockcastle County Courthouse.

Every businessman, regardless of what kind of business he is in, must balance his books one time each year and most cattlemen operate on a calendar year. It's December, and time to balance the books again. If you are of the opinion you have had a good year, as far as the cattle business is concerned, now is the time to find out for sure. In summarizing the year's records be especially critical, because if a cow didn't make money this year she is surely the wrong kind in view of the prices received for cattle during 1969.

Some important determinations you should get from your records are: (a) Percent calf crop (divide the number of cows exposed during breeding time into the number of calves weaned and sold) your percent calf crop should be at least 90% or higher. (b) Weaning weight - if weaning weight is much below 500 pounds you need to change your calving time, do a better job with your feeding program, change to a higher performing bull, or cull and upgrade the cow herd. (c) Cost of keeping a cow subtract the cost of keeping a cow from the average dollars received for each feeder calf sold and see if you are losing enough money to have a stocker program or a finishing program, add the initial steer cost to the keeping costs and subtract that total from the total received per head. If you didn't show a profit you need to change something.

### Social Security News

Many Medicare beneficiaries (Senior Citizens - age 65 and over) and their families have asked questions about the annual \$50 deductible for Medicare Part B (Medical Insurance). James Mustian, Social Security Manager in Somerset offers some answers to the most pressing inquiries.

The \$50 deductible is an annual deductible for a calendar year. Thus, the first \$50 of medical bills in any year must be sent to the claims paying office to be recorded before a beneficiary is eligible to receive the 80% of reasonable charges for additional medical expenses.

For the best claim service, Mustian urges beneficiaries to hold their bills until they equal \$50 before sending them (with a completed Form 1490) to their claim paying office. Beneficiaries who are Social Security retirees should send their bills to Metropolitan Insurance Company, P.O. Box 928, Lexington, Ky. Railroad retirees should send their claims to the Travelers Insurance Office, 425 S. Fifth St., Louisville, Ky. and United Mine Worker retirees to the nearest U.M.W. service office.

After the \$50 deductible is satisfied, Mustian stated, beneficiaries should forward each medical bill as it is received. Complete a Form 1490 and enclose with each mailing for better identification. Waiting until the end of each year to forward bills causes a great backlog at the claims paying office which results in payment delays.

The carry-over rule on \$50 deductible was inaugurated to help those who might otherwise need to meet the deductible twice in a short period. It works this way: If a beneficiary's medical expenses haven't reached \$50 by the last quarter of a calendar year, the covered medical expenses incurred in that quarter that are needed to satisfy that year's \$50 deductible apply as well forward satisfying the \$50 deductible for the following year. The claims paying office determines this from the dates of medical service on the bills or on the Medicare Form 1490. Therefore, Mustian stressed, if a person didn't accumulate \$50 of bills in a

single year he should include the bills for the last quarter of that year when sending in bills for the next year. Mustian invites all beneficiaries who have questions about the \$50 deductible or completion of their claim form to visit the local Social Security Office in the Tradewind Shopping Center in Somerset. "WHERE THE BOONEWAY JOINS THE DIXIE"

THURSDAY, DECEMBER 18, 1969

VOLUME 82 NUMBER 14

MOUNT VERNON, KENTUCKY 40456

## Mt. Vernon Wins Two; LHS, BHS Defeated

The Mt. Vernon Red Devils, who are, according to Coach Jack Laswell, improving with every game, extended their winning streak to four games by defeating Brodhead last Friday night and Ansville Tuesday night.

In Friday night's game at Mt. Vernon, the Red Devils defeated their arch rivals, the Brodhead Tigers 65 to 52. At the end of the first half, the score was 30 to 27 in favor of Mt. Vernon and at the end of the third period, the Devils were ahead 45 to 38.

Go! led the scoring for Brodhead with 24 points followed by Scoggin with 18, McWhorter had 5, Adams 3, and Chatham 2. Dale Coffey put 19 points through the hoops for the Devils, followed by Tommy Coffey with 15, George Powell 12, and Rudy Bickett 11. Tommy Coffey and George Powell led the rebounding for the Red Devils.

Tuesday night, the Devils defeated Ansville 70-59. The game was hard fought from start to finish with the lead changing hands several times. The Red Devils took the lead with four minutes to go and kept it to the end.

Dale Coffey, Tommy Coffey, and David McCauley were the leading scorers for Mt. Vernon with 26, 21, and 17 respectively.

"I feel the Devils are beginning to play much better and some of the football players are starting to come around to basketball. Their shooting, rebounding, and defense is starting to look good. We need to really cut down on the floor errors," Coach Jack Laswell said.

The Red Devils play Jackson County next at McKee and then vacation until January 9 when Shopville comes to town.

The Brodhead Tigers went down to defeat to

Walton-Vernon last Saturday night by a score of 36 to 40.

The Tigers were down two at halftime and eight at the end of the third period. A rally by the Tigers in the fourth, when they outscored Walton-Vernon by four points, fell short.

Scoggin was the leading scorer for Brodhead with 14, Goff got 8, McWhorter, Pope, and Chatham, got 4 each, and Russell got 2.

The Livingston Blue Devils got wallpopped by Walton-Vernon last Friday night 28 to 60. The Devils, shooting around 20%, were led in scoring by Ronald Mason with 8, followed by Holt with 7, Hailey and Mink with 4 each, Shepherd and McGuire got 2 each, and Larry Mink 1.

The Blue Devils also defeated Tuesday night by a tough Oades team 83 to 61. Donald Holt was the leading scorer for the Blue Devils with 19, Kenneth Mink got 17, Kenny Hurley 11, Jerry Reynolds 8, and Ronald Mason, 6.

### STUDENTS ENROLLED AT U OF K

Eleven Rockcastle County students are enrolled for the fall semester at the University of Kentucky.

Enrolled are: Delmas Kelly Bach, Conway, Larry Dale, Goldson, Mt. Vernon; Robert F. Hendrickson, Brodhead; Stanley Clay Hoskins, Brodhead; Freddy Dale Mullins, Livingston; David Snook Nicoley, Mt. Vernon; Peston Nunnally, Jr., Mt. Vernon; Margaret Rae Phillips, Mt. Vernon; Phyllis Lee Poyner, Brodhead; Ned S. Purcell, Brodhead, and Mary K. Southard, Mt. Vernon.

Under the direction of John Lutz, restoration of the old "Aunt Polly Hiatt House" is progressing. The home, believed to be the oldest standing house in Rockcastle, was possibly the state, was moved by Mr. Lutz to a site in Reno Valley near the old Redbud Schoolhouse, which he also restored. The home was located where it stood here been under water when the dam at Reno Valley was completed. In the upper left photo, Gilmer Pruitt is shown riving shingles to the roof of the house. Looking on is Old Joe Clark of Reno Valley.

### BREAK-IN Thieves entered the Mt. Vernon Restaurant Sunday night and made off with approximately \$80.00 cash about \$70.00 worth of cigars and cigarettes.

Entrance was gained through a window in the rear of the building.

## \$122,114 Judgment Awarded In 1966 Wreck Suit

Probably the largest judgment ever made in Rockcastle County was awarded Wednesday in Rockcastle Circuit Court to Edward Wilson of Jessamine County. The \$122,114.80 judgment against the R.C. Durr Construction Company stemmed from an accident which occurred May 18, 1966 in which Wilson's daughter, Laura, 5, received injuries from which she died two days later.

Wilson's wife, Jane, driver of the truck which collided with a Southern Bell Telephone and Telegraph Co. truck on the Burr Hill, was not injured. However, Wilson's daughter, Lynn Kelly and another daughter of the Wilson's, Amy, then age 3, were also injured in the accident and their compensation claims figured in the final judgment.

The breakdown of the judgment was \$75,000 to the estate of Laura Wilson, \$20,000 compensation to Lynn Kelly, and \$27,114.80 to Amy Wilson.

The Rockcastle County Schools Band will perform Sunday, December 21, at the Mt. Vernon gymnasium at 2 p.m.

The band will perform for the first time "Twas the Night Before Christmas" for band and narrator. Advance tickets are on sale now from all band students. Tickets are \$1.00.

**MRS. ROSA B. DURHAM  
DIES AT RESIDENCE**

Mrs. Rosa Bell Durham, 84, of Route 2, Orlando, passed away Sunday night, December 14 at her home. She was born in Black Water, Virginia, on March 25, 1885, the daughter of the late John and Mary Vanzant. Mrs. Durham was a member of the Brush Creek Holiness Church.

She is survived by four sons, Ollie and Willard Durham of Orlando and Leslie and Walker Durham of Dayton, Ohio; four daughters, Mrs. Florie McKinney of Cincinnati, Ohio, three sisters, Mrs. Martha Durham of Copper Creek, Mrs. Demia Griffin of Richmond, Indiana, and Mrs. Polly Vanwinkle, Orlando; three brothers, Andy, Harvey, and Willie Vanzant, all of Orlando; 51 grandchildren, several great grandchildren, and 11 great great grandchildren.

Funeral services were held Wednesday afternoon, December 17 at the Sparks Funeral Home Chapel with Bro. Gen McGuire and Bro. George Murphy officiating. Burial was in the Briar Cemetery.

**N. CAROLINA MAN  
ARRESTED HERE**

A 32-year-old negro, Alfred Wilson Bishop, from Halifax, North Carolina, was arrested shortly after midnight by Local Sheriff officers in the Green Hill Hill section of the county and charged with "Disorderly Conduct."

According to Sheriff Tip Reppert, Bishop, who was a passenger on a southbound Greyhound bus, forced the bus driver to let him off near the home of U.G. Ramsey. The driver came on to Mt. Vernon and told the city police of the incident who notified the sheriff and his deputies. The law officers went to the area and searched for Bishop but could not find him. Around midnight, Bishop went to the home of Ernest Robinson and tried to gain entry. Robinson called police who came to the scene and arrested Bishop in a field near the Robinson home.

Sheriff Reppert later told the Signal that he had been in contact with the sheriff from Bishop's hometown and found that he was a patient in a mental institution there. He is being held in the local jail.

**JAYCEES SELLING FLARES  
FOR FUND-RAISING**

This week, the Rockcastle County Jaycees are out in force selling auto safety flares to area motorists.

Jan Stevens, Jaycee president, said his organization is sponsoring the project in the interest of public safety and as a fund-raising program.

In stressing the need for the motorists to carry safety flares, Stevens said it appears within the next year, the U.S. Department of Transportation will require auto manufacturers to install seat belts in all new automobiles.

He also pointed to the fact that auto safety flares are recommended by the National Safety Council and used by state highway patrols.

"This illustrates the need for them in all automobiles, new and old. Safety flares save lives," Stevens said.

"Highway safety has long been a concern of the Jaycees," the local president stated, "we feel that by offering motorists the flares at the low price of \$1.25 for three, we accomplish our goal."

(Cont. To 5)

Billy Roy Wolfe, 37, of Wildie, driver of the truck in the top photo, was seriously injured Saturday afternoon when his truck collided with a car, bottom photo, driven by Patricia Ann Hickey, 23, of Berea. The accident occurred on U.S. 25 about 11 miles north of Mt. Vernon. Mr. Wolfe's son, a passenger in his truck, was also slightly injured in the collision. Mr. Wolfe is a patient at the Central Baptist Hospital in Lexington. Miss Hickey was also injured slightly in the accident.

## New Telephone Equipment Completed By January 31

Harold Crawford, District Manager for Kentucky Telephone Company announced today that the installation of new long distance calling equipment for Rockcastle County will be complete on January 31, 1970. This equipment has been ordered since January 1, 1969. The delay in getting it in service at Mt. Vernon was due to manufacturing and installation time. Crawford said the new equipment will enable customers to complete operator calls more readily and Direct Distance Dialing calls without the problems we have experienced in the past.

There will be a 25% increase in long distance circuits by January 31, 1970, and another 50% increase in long-distance circuits by this coming March. Total cost of this improvement is \$165,000. Crawford said that this new equipment coupled with changes in the London office will make long distance calling faster, easier and accurate.

Gov. Louie B. Nunn, chairman, was the only member to vote "no" when trustees of the University of Kentucky adopted by 10 to 1 a policy which permits visiting speakers to give free expression to their ideas on the campus so long as they obey regulations designed to preserve peace and order.

The governor said that while he had no desire to abridge academic freedom, he believed faculty members were capable of discussing both sides of any issue and he saw no reason to encourage recruitment of outside speakers.

Another trustee, former Gov. A.B. Chandler, abstained from voting in what he said was a desire to support University President Otis Singletary, but added, if he had voted it would have been "no."

**HIGHWAY RESTAURANTS TO REOPEN**  
Of interest to travelers will be Highway Commissioner Eugene Goss' an-

ouncement the state will reopen under new management by Jan. 1 three restaurants on the Kentucky Turnpike and the Western Kentucky Parkway which have been closed since last June.

The restaurants are at Shepherdsville, Lebanon Junction and Bowen Dam. The state cancelled contracts with Host International, citing unsatisfactory services. New contracts have been awarded Holiday Houses, Inc., Toledo, which operates a unique restaurant in other states.

**VOCATIONAL SYSTEM "NATION'S BEST"**

Governor Nunn described Kentucky's vocational education system as "the nation's best" in dedicating the new, \$400,000 Franklin County Extension Vocational School operated by the Central Kentucky Area Vocational School, Lexington.

The system includes 51 schools in operation and eight under construction.

the governor said. The Franklin County branch, with 124 students has been in operation since September.

### TRAFFIC SAFETY SUPPORT PLEDGED

Governor Nunn told some 90 public officials and traffic-safety officers attending a regional traffic-safety meeting in Lexington that they have his full support in curbing Kentucky traffic deaths and maintaining general law and order.

The governor, citing a tax conviction idea in some courts, urged the officials to "stand up and do the job" of enforcing Kentucky's traffic laws.

### ROAD OPENING SWEET MUSIC

With formal opening of a 30-mile section of I-75 between Mt. Vernon and Corbin, Kentucky completed its second interstate highway system by providing 185 miles of four-lane travel through Central Kentucky, from the Covington area to the Kentucky-Tennessee line at Jellico.

The Associated Press reported "for the citizens and"

## Season's Greetings

To Our Friends:

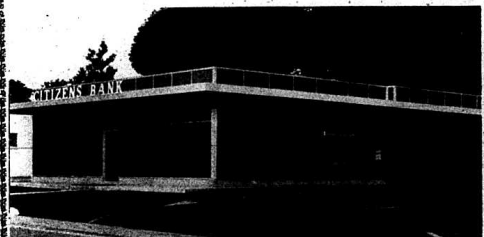

At this happy holiday season, we are glad to put aside the routine of business to extend to you our good will and appreciation of our association during the year.

One of the genuine pleasures in doing business is the friendships that are developed and we are grateful for yours.

We take this opportunity therefore to extend to you the Season's Greetings with the profound hope that the New Year will bring you a full measure of Good Health, Happiness and Prosperity.

Sincerely yours,

OFFICERS AND EMPLOYEES

The other interstate system fully operating in Kentucky is I-65 from Louisville to the Kentucky-Tennessee line north of Nashville.

**LEGISLATIVE 'CLASSES' SCHEDULED**

A Legislative Intern Program started during the 1968 session of the General Assembly at the urging

of Governor Nunn will be stepped up during the 1970 session beginning Jan. 6 so some 20 interested Kentucky college students can become more actively involved in state government.

Those taking part in the Jan. 6-May 23 program will be paid \$225 a month each and each will receive 14 hours of academic credit.

**CROSSING BLOCK FINE UPHELD**

The Court of Appeals upheld a Henderson city ordinance barring traffic from blocking street crossing for periods longer than five minutes, thus reversing Mercer Circuit Court which had ruled invalid a \$100 fine imposed on Southern Railway in Harborsburg Police Court for a 12-minute offense.

The state's highest court ruled the blocking of a main street for long periods of time can create a very serious safety problem, as well as materially impede the flow of interstate highway traffic.

**ECONOMIC SECURITY ELIMINATES 362 JOBS**

A total of 362 jobs have been eliminated in the Department of Economic Security since Governor Nunn's manpower freeze last August.

Commissioner Merritt S. Deitz Jr. said, 79 jobs were abolished through attrition, with a payroll savings of almost \$400,000. The department "now" has 2,820 employees.

**CONFERENCE**

Governor Nunn, who presided at the Republican governors' conference in Lexington, Ky., last week, was scheduled to attend another such affair at Hot Springs, Ark., Dec. 11-13.

Vice President Spiro Agnew, a former governor of Maryland, was billed as principal speaker.

**FISH-KILL DAMAGES PAID STATE**

Kentucky, under a 1966 law, has received its largest payment so far, \$10,260, for fish-killing damages. It came from Kraft Foods for a fish-kill last June in Stevens Creek below the company's Oregon plant which did not admit its liability for pollution of the stream, but said it was paying the amount demanded by the state to avoid the time and expense of litigation.

**HUNTING FISHING**

By George Owens

"Wow, they're catching fish!"

With that statement many persons smile gizzically and walk away to find out. They doubt it, there are some snow flurries with the thermometer flirting near freezing.

But the truth of the matter is that they are catching fish, strange as it may seem. To be sure, the faint-hearted will not be successful. In fact they probably will not venture from the warmth of the hearth. But the rugged fisherman, that died-in-the-wool outdoorsman, will venture forth and catch fish.

The black bass is the prime target at this time of year. He is not moving with the great alacrity that usually characterizes his actions, but even when the water temperature is in the low forties or even in the low thirties, he can be had. The principal method of "having" him, with the exclusion of fly fishing in muddy or murky water (which will be explained in a later column) is with the artificial nightcrawler, or the real one, and with a dolly or one of its kindred lures.

Now, that's a pretty wide selection of fishing places, but you'll not find the bass at each of these spots. In fact, on given days, they'll prefer the cover of the submerged tree branches; on another day they'll be found around ledges and usually when the water is quiet they'll be lurking in the channel areas around stick-ups. The fisherman can be sure they'll be around cover of some sort and the fisherman will have to pick the type and take his chances.

Big bass have already been taken in a number of lakes. Since the water level has been more or less stabilized, the hard-fishermen are taking lunkers from Rough River, Barren River and Nolichucky rivers, Barkley and Kentucky Lakes, when the wind will allow a person to fish.

Big bass are producing good catches, also. Of course, the big catches are at Cumberland, Herrington and Dale Hollow continues. Big bass can be caught from any of the impoundments if the angler has the skill.

Bass are not the only targets. Already good catches of walleye are being taken from the swift waters below Barren River dam. And white bass also have made their presence

known there. Some copple are being caught, but because of the "bait" activity of fishermen seeking copple, we'd advise going for them only on a sunny day, or else, sitting in a boat and waiting for the copple to hit, can be a cold and tiresome.

The muskie fishermen are chasing this trophy fish in several of the rivers and the trout devotee is doing his thing at Lake Cumberland, both above and below the dam.

So, the fish are there. They are not so active, to be sure, as when the water is warmer but if you want to get them, you sure can. It's a matter of the exertion of hunting and it's a pleasant way to spend a day on the beautiful waters of Kentucky.

So, when you hear "Yes, they're catching fish," don't be puzzled, smile, and walk away. Give it a go.

**CARD OF THANKS**

We wish to express our thanks and appreciation to our friends and neighbors for the kindness shown to us during the loss of our father, grandfather, Samuel Smith. To Rev. and Mrs. Ray Cummins for their beautiful songs, for the beautiful flowers, to Rev. Asa Stokes and Rev. Eugene Bradley for their consoling words, and for the special songs. To Rev. George Anderson and the other ministers, who's name we did not get, the grave diggers, and special thanks to the staff of the W.H. Cox Funeral Home for their kind and efficient service.

May God bless each and every one.

## Homemaker's Help

by: Faith Plummer  
County Extension Agt.

"Peace on the earth, good will to men, from heaven's all gracious King." The world in solemn stillness lay, to hear the angels sing.

- Edmund H. Sears, 1810-1876

At this time of the year when the stores are playing Christmas carols over the loud speakers, and people are hurrying along the streets bumping each other, does love seem to get colder to you? What does Christmas really mean to your family? The words, "I wish you a merry Christmas" are such simple words, and for each person who says them, there is probably a different meaning according to the kind of giving up he had, the pattern of his present life, and the facets of his unique personality.

Love is the very essence of Christmas, and this I wish for you good health and peace of mind. May you look upon life with optimism and good cheer, even in a world that breeds violence, hatred and war. May you have indestructible faith to survive today's incredible grief, separations and confusions. And may your questioning mind ask such questions as: What is my stake in Peace on Earth? What is my part in helping fulfill the promise?

pretty inexpensive life insurance every car owner should have."

Stevens said motorists will also receive at no extra cost, an instruction pamphlet showing how, when and where the flares should be used.

"People should use safety flares whenever they have to make emergency stops on the highway. Not only does it warn approaching traffic at great distances, both day and night," he said, "but it also sends out a call for help."

Stevens pointed out that many highway accidents in the past could have been prevented if passing motorists had been able to provide flares to cam in trouble.

Seat belts aren't enough," he added, "every car on the road needs safety flares as well. This is where the Rockcastle County Jaycees come into the picture."

"Remember, you can't buy safety flares when you need them, so get yours this week end - they may save your life," he warned.

The local Jaycees will offer the flares in various locations such as Appliance Service Center and C.C. Cox Hardware.

"We'll be selling them where we can reach the most people. If someone wants to know how to get them specifically, they can call Roy Martin, at 256-2991 and we'll give them full information."

**HOLMAN - BARNETT WIVES SAID DECEMBER 13**

Mr. and Mrs. Harrison Holman of Broedhead announce the marriage of their daughter, Carolyn Faye, to Melvin Doug Barnett, son of Mr. and Mrs. Goldie Barnett of Mt. Vernon.

The wedding took place Saturday morning, December 13 at the home of Mrs. and Mrs. Paul Blevins in Mt. Vernon.

Miss Mary Lou Barnett, sister of the groom, was the bride's attendant, and Paul Blevins, brother-in-law of the groom, served as best man.

After a short wedding trip north, the couple are making their home in Lexington where both are employed.

## Trying His Luck

**BIRTH DEFECTS** are bad luck that strike 250,000 American babies annually. Mary Ann Mack, 1970 National March of Dimes Poster Boy, and his father believe that luck can change, especially if everyone helps. Your contribution to the March of Dimes support year-round programs of research, education, patient and community services.

## Special Flowers

By Ruth Fain

**SPECIAL FLOWERS OF THE STATES**

Each of the 50 States of the United States has a flower which is designated as a State Flower. This means that these flowers have a special significance, and we decided to list them for you.

They include the Goldenrod, Forget-me-not, Honeysuckle, Sugarbush, Purple Lilac, Violet, Yucca or Flower, Rose, Dogwood, Wild Geranium, Scarlet Carnation, Mistletoe, Oregon Grape, Mountain Laurel, Violet, Yellow Jessamine, Pansyflower, Iris, Bluebonnet, Soap Lily, Red Clover, Western Hellebore, Blue Bunchgrass, Blue Columbine, Mountain Laurel, Peach Blossom, Orange Blossom, Cherokee Rose, Spring, Violet, Zinnia, Wild Rose, Sandalwood, Magnolia, Pine Cone and Yucca, Black-eyed Susan, Mayflower, Moroccan Flower, Hawthorn, and Hellebore. (There are not 50 listed because some, such as the Goldenrod and Apple Blossom, are favorites of more than one State.)

All flowers are our favorites and we hope that you feel the same. We furnish beautiful arrangements for all occasions. Telephone your order to us now.
