## Think about waste

It doesn't make sense to waste electric energy. Wires cost more. Poles cost more. All prices are rising.

Sit and stew about it if you want, but facts are facts. Our electric energy is generated by burning coal. And coal costs have soared out of sight. Pollution fighting equipment costs a fortune. And you know who finally has to pay the bill. Think about it. Then contact your electric cooperative for help in saving electric energy.

Electricity is too good to waste!

Billy Hackworth, No. 27, for the Rockets was the leading ground gainer last Friday night against Lincoln County as Hackworth picked up 119 of the 170 yards gained on the ground. In the above photo, Hackworth goes for yardage with the help of a block from Earl Hammons, No. 10.

## Rockets Lose To Patriots; Play Evarts This Week

The Lincoln County Patriots scored 26 points the first half and 14 the second to hand the Rockets their third defeat of the season in as many games. The Rockets kicked off to begin the game and the Patriots took the ball on their own forty yard line. Four first downs later, the Patriots scored with 7:16 remaining in the first

quarter. The try for the extra points was unsuccessful and the Patriots led it 6-0. Larry Welch, Rockets linebacker, was injured on this series of plays and had to leave the game. It was later discovered that he had a broken nose. The Rockets were unable to gain a first down on their first

series of plays from their own 32 yard line and Noe's punt was blocked by the Patriots who took over on the Rockets 23-yard-line. From there, the Patriots moved the ball to the Rockets four-yard-line where an offside penalty against Lincoln County made it 1-15. However, the Patriots scored again with 8:34 left in the first quarter. The try for the extra points was good this time and the Patriots were ahead 14-0. Billy Hackworth took the Patriots kick-off on the Rockets own 28 but the Rockets were unable to move the ball and Noe

once again had to drop back for a punt which was partially blocked. However, a penalty against Lincoln County gave the ball back to the Rockets with a firstdown on their own 48. Again, the Rockets were unable to pick-up the first down and this time David Owens punted for the Rockets and then made the tackle himself on the Patriots 30 yard line.

On this series, the Patriots sustained their drive until a pass was completed for another touchdown and it was 20-0 with 10:52 left in the second quarter.

The Patriots kick-off was taken by David Owens who returned the ball to the Rockets 37 yard line. Quarterback Earl Lewis Hammons completed a pass for a first down for the Rockets and Hackworth picked up another first down. But, on the next series of plays, an illegal procedure penalty makes it 2-14 and following an incomplete pass, Owens punts again and the Patriots return it to their own 40 yard line.

On this series, Lincoln County is forced to punt for the first time in the game after an eight-yard complete pass on first down. On second and two, David Hunt gets the first down but it is nullified by an offside penalty making it third and seven. Another incomplete pass made it fourth and seven and the Patriots punt was high and short - going out of bounds on the Rockets 25 yard line. Once again, the Rockets can't get anything going and have to punt. The punt is taken by Lincoln County on their own 47 and, on the first down, Lincoln County fumbled, recovered it, themselves but lost 10 yards in the process. However, on the next play from scrimmage, the Patriot ball carrier breaks into the open and goes for the score. The extra point attempt was no good but the Patriots lead it 26-0 with 4:26 to go in the second quarter.

David Owens took the kick-off and returned it to the Rockets 40 yard line. However, on the next two plays Owens is caught in the backfield and thrown for five yard losses each time. On third and twenty, Hackworth picked up three and Owens was called on again to

The ball was taken on Lincoln County's 83 yard line and two plays later, Hackworth intercepted the ball on the Patriots 45 yard line. But, time runs out on the Rockets and at half-time they were behind 26-0.

David Owens took the kick-off for the Rockets on his own 30 yard line but, again, the Rockets fail to make the necessary yardage for a first down and the punt by Noe was very short. Lincoln County took over on the Rockets 40 yard line and later in the series, a long gain by Lincoln County and a penalty against the Rockets combine to put the ball on the Rockets seven yard line from where Lincoln County goes over for the score. The extra point fails but Lincoln County leads it 32-0.

Lincoln County's last score came in the third quarter and this time the extra point was good for the 40-0 score.

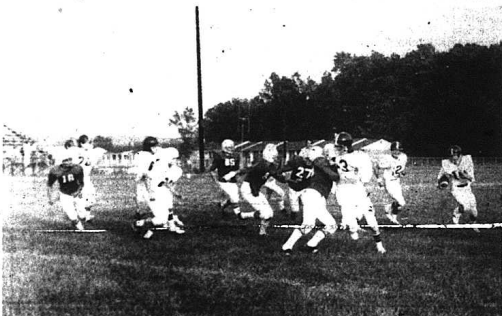

On the Rockets first series after the kick-off by the Patriots, quarterback, Earl Lewis Hammons picked up good yardage for the Rockets. However, on a fourth down and eight play later in the drive, David Whitehead gets five but it isn't enough and the Patriots take over on their own 34 yard line. Lincoln County is forced to punt and the Rockets again take over.

A fumble by the Rockets give the ball to the Patriots but the Patriots immediately fumbled and the Rockets were once again in possession. Two plays later, following pick-ups by Hackworth and Hammons, Hackworth breaks loose for a 70 yard run and the score. Hammons went in for the two extra points for the final score of 40-8.

Offensively, the Rockets rushed for 170 yards as opposed to Lincoln County's 252. Hackworth was the leading ground gainer with 119 yards in 9 carries. Owens picked up 23 yards in 11 carries and Fennell got 26 in 5 carries and Hammons picked up 2 yards in three carries.

Defensively, the Rockets were led by Shane Bullock with 7 tackles and 2 assists; Fennell got 6 and 4; Hackworth 5 and 6; Owens 4 and 5; David Whitehead, 3 and 1; Welch, Baker, Noe and Carr each got 2 tackles with Welch and Baker getting 3 assists. Noe was credited with 1 and Carr with 2 assists; Boring, David Hunt, Holbrook, Hines and Hammons got 1 tackle each. (Statistics furnished by the high school).

This Friday night, the Rockets host Evarts at 8 p.m.

David Pensol, No. 19, for the Rockets Jayvee team goes for yardage against Bush in action last Thursday night at London. The Rockets won the game 12-6 in overtime. The score was knotted 0-0 at the end of regulation play. The Rockets won the toss and got the ball on the 10-yard line for four tries to make a touchdown. They did on a pass from Rick Anderkin to David Pensol in the end zone. The extra point try was not good and Bush got the ball, also on the ten-yard line for their try. They scored and the game was once again tied 6-6. The Rockets then took the ball again and on another pass from Rick Anderkin to Pensol scored their second touchdown. Bush was unsuccessful in their second try for a score and the Jayvees won it. This Thursday night (tonight) the Jayvee host London at the local high school field at 7 p.m.

## Laws Changed Concerning Hunting

Squirrel hunting season has returned to Kentucky and many landowners are discovering a change in procedure dealing with hunters and fishermen on private land without permission.

Due to a change in Kentucky's penal code the Department of Fish and Wildlife Resources no longer has jurisdiction over those hunting or fishing without permission on private land. The power of arrest has shifted to local peace officers. The change occurred with no prior knowledge of the department, which worked for passage of the former law in 1960.

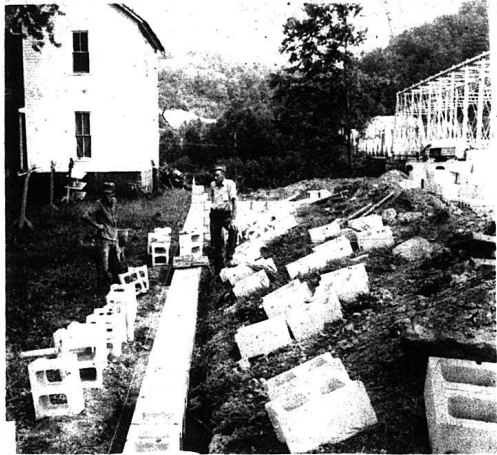

Under the 1969 law, a conservation officer could arrest a person hunting or fishing without permission on written complaint of the landowner if the CO was already on the land. An arrest could also be made on the CO's initiative.

Under provisions of the new penal code, a landowner must swear a warrant to be served by a local peace officer, sheriff or state policeman. Conservation officers can no longer arrest those hunting and fishing without permission.

According to A.H. Henson, (Cont. to 5)

## PROGRESSIVE WOMEN'S LEAGUE MEETING

The Progressive Women's League will meet September 15, 1975, Monday night at the Library at 7:30. All members are urged to attend.

A new post office for Livingston is underway. The new construction being built by Sam Ford of Mt. Vernon, will be located on a vacant lot near the present post office. George Hurley of Mt. Vernon is contractor for the project.

## ESC-1 System Goes Into Service For Kentucky Telephone Co.

Two o'clock Saturday afternoon September 6, marked the beginning of faster, more efficient direct distance dialing for Kentucky Telephone Company's customers in Barbourville, Brodhead, East Bernstadt, Flat Lick, Livingston, London, Manchester, Mt. Vernon and Oneida. That is when the company's new \$2.5 million ESC-1 switching equipment was

placed in service. The ESC-1 system is fully electronic, using solid state printed circuits instead of electro-mechanical switches. It is, therefore, faster and more reliable than the old DDD equipment. In addition, this sophisticated system triples the toll center's DDD call volume capacity, as reflected by its performance during the first two days of its operation. Before the cut-over the old DDD equipment was able to process about 2,600 calls per business day or about 46 percent of dialable calls. On its first full business day in service, the new equipment processed over 11,500 calls or about 76 percent of dialable calls.

ESC-1 enables customers to place station-to-station long distance calls themselves using only a one-digit access code, instead of the old three-digit codes. Customers should place their new "stick-on" number plates over their old number as a reminder not to use the three-digit codes.

Station-to-station calls within the 606 area code are made by dialing "1" and the telephone number. For station-to-station calls outside area code 606, the customer dials "1" then the area code and number. (Collect, Person-to-Person, Credit, Card, and Bill-to-Third (Cont. to 2))

Agreeing with Councilman Hellard that the lake was not large enough to take care of both skiers and fishermen was Councilman Virgil Alcorn and Councilman Dennis Halcomb. However, Councilman Halcomb abstained when the motion came up for a vote stating that he would have preferred to wait a month before making a decision.

The issue was finally put in the form of a motion by Councilman Hellard as follows: To restrict the use of Lake Linville to electric trolling motors, paddles and sailboats effective October 15 or when present lessee vacates boat dock facilities. The motion was seconded by Councilman Virgil Alcorn with Councilman Conrad Parrett voting yes and Councilman Jasper and Halcomb abstaining.

Councilman Conrad Parrett then made a motion to advertise for bids for leasing to boat dock. This motion was seconded by Bob Jasper with Councilmen Virgil Alcorn and Dennis Halcomb voting yes and Councilman Hellard abstaining. D.J. Garland with the

## City Council Meets; Changes Rules on Lake

Some good news for fishermen and bad news for water sports enthusiasts came out of Monday night's meeting of the Mt. Vernon City Council when on a vote of 3-2, the Council prohibited the use of Lake Linville to anything except electric trolling motors, paddles and sail boats.

The action came after Councilman Chester Hellard stated to the Council that "if it (use of the lake) was put to a vote in this county it (the vote) would be 10-1 against putting gasoline engines on the lake."

Councilman Hellard further stated that the wake from these engines was damaging roads around the lake and that they (the engines) stirred up the algae until the water system's filters could not keep it out of the drinking water entirely.

Mr. Hellard further stated that since the lake was mainly for drinking water for the community he felt that the engineers should be asked to prohibit swimming should be enforced. However, this brought an instant response from Mayor Roland Altlin who said that he would be against anything that would keep the lake from being used for swimming by the children of the county unless some alternate to providing a pool was come up with.

Later in the discussion, after Councilman Hellard had said that he saw no need for leasing the boat dock but would rather permit boats to put in anywhere around the lake Mayor Mullins disagreed with this idea by saying that he felt there was so much potential on the lake in terms of recreational development for the county that he would hate to see the city's investment to date abandoned.

Agreeing with Councilman Hellard that the lake was not large enough to take care of both skiers and fishermen was Councilman Virgil Alcorn and Councilman Dennis Halcomb. However, Councilman Halcomb abstained when the motion came up for a vote stating that he would have preferred to wait a month before making a decision.

The issue was finally put in the form of a motion by Councilman Hellard as follows: To restrict the use of Lake Linville to electric trolling motors, paddles and sailboats effective October 15 or when present lessee vacates boat dock facilities. The motion was seconded by Councilman Virgil Alcorn with Councilman Conrad Parrett voting yes and Councilman Jasper and Halcomb abstaining.

Department of Highways was before the Council to explain the Highway Department's present project of the new Highway 461 which will bypass Mt. Vernon.

Mr. Garland told the Council that this new route had been under study for close to two years and that finally route selection had boiled down to six alternatives with alternate number 1, which closely parallels present 461, and the westernmost route considered the two most feasible.

Mr. Garland told the Council that Alternate 1 was considered the best choice by the highway department for several reasons: it would best serve the high school; environmentalists believe that some pollution would go into the lake during construction of the western route and the western route would go through the public housing complex.

Mr. Garland also told the Council that alternate 1 could be constructed in four phases and it was planned by the highway department that the first phase to be completed would be the by-pass of Mt. Vernon. However, Mr. Garland further said that if the western route was chosen it could not be constructed in phases since it would have to be constructed below Wabed before it could be tied into the present 461. (Three first phase of alternate 1 would extend from near the Red Top Restaurant on U.S. 25 to near the intersection of Highway 461 and Hwy 150.)

After some discussion, the Council went on record as supporting alternate 1 and agreed to write a letter to the highway department concerning this.

During the meeting, former Mayor Clyde Linville spoke to the Council concerning some Appalachian Regional Commission money which might be available on a matching basis for storm sewers, widening and sidewalks on the street from Attorney John Allen's house to near the new high school. Mr. Linville told the Council that this project was needed due to the considerable number of students which walked to and from the school along this route

on which there are no sidewalks at present. He further stated that if federal money could be obtained, it would probably be about 75 percent of the cost with the balance 25 percent needed coming from labor contributed to the project by the city and state; and, if any actual cash were not to be by the city or the state, the money could probably be taken from any sewer expansion funds received by the city.

Mr. Linville was asked to check into the matter further and report to the Council at their October meeting.

In other action, the Council heard a request from Bill Bailey, a director of the Rockcastle County Hospital, concerning the installation of an Emergency Communications antennae on the city's tower.

Mr. Bailey told the Council that the antennae was needed so that radio contact might be maintained with the ambulances when they were far away as Lexington.

The Council seemed to be in agreement that the installation of the antennae would be desired. However, a question was put to them in the form of a motion by one of the councilmen, it died for lack of a second.

During the meeting, the Council awarded the city's insurance bid for fire and extended coverage, workmen's compensation and automobile liability to Norton Insurance Agency for a yearly premium of \$4,070. One other bid was received from Sam Ford for \$4,732.

City Policeman John Grider was before the Council asking for permission to patrol the lake area. This request had been denied earlier because the Council felt that city policemen should stay within the city limits at all times. However, Mr. Grider told the Council that several residents of the area were complaining about the lack of police protection in the area.

After some discussion, Mr. Grider was told that city police could only go to the area if an emergency existed and only if the Sheriff or State Police were unable to be contacted.

## Deaths and Funerals

### WILLIAM M. COFFEY DIES SEPTEMBER 6

Mr. William M. Coffey, 75, of Mt. Vernon passed away Saturday, September 6, 1975 at the Rockcastle County Hospital. He was born in Rockcastle County November 26, 1899, the son of the late Arthur and Gattie Ramsey Coffey. He was a member of the Mt. Vernon Christian Church, Ashland Masonic Lodge #460 P.E.M., a retired Standard Oil Employee and presently the Pastor of the Rosehill Christian Church.

Survivors are: Three sons: Mr. Harold Coffey of Ft. Worth, Texas, Mr. Howard Coffey of LaGrange, and Mr. Gary Coffey of Glendale. Five daughters: Miss Dorothy Coffey and Miss Doris Coffey, both of Mt. Vernon, Mrs. Norma Mullins of Renfro Valley, Mrs. Inez Gilbert of Shreveport, Louisiana, and Mrs. Joyce Hart of Harleyville, South Carolina. Seven brothers: Mr. Robert Coffey, Mr. Earl Coffey both of Route 3, Mt. Vernon, Mr. Givens Coffey and Mr. J. James Coffey both of

## Boating Accident Claims Third Life

An August 31st boating accident on Laurel River Lake has claimed its third victim.

Larry M. Howard, 28, of Route 1, Mt. Vernon died Sunday, September 7 at the St. Joseph Hospital in Lexington from injuries he received at the time of the accident.

Killed at the time of the accident were Mrs. Howard and Mrs. Sharon Sparks of McKee.

Mr. Howard was born October 5, 1946 in Lincoln County, the son of Golden R. Howard of California and Mrs. Carrie L. Shivel of Brodhead. He was a member of the Brodhead Christian Church and was a Maintenance group leader at the Dresser factory in Berea.

Besides his parents, he is survived by one brother, Phillip Howard of Brodhead; his paternal grandmother, Mrs. Lillie Howard of Brodhead and maternal grandmother, Mrs. Ruth Shivel of Brodhead.

Funeral services were held Tuesday, September 9, 1975 at the Brodhead Christian Church with Rev. David Johnson and Rev. Charles Oliver officiating. Burial was in the Mareburg Cemetery.

Watson Funeral Home in Brodhead was in charge of arrangements.

Prompt action by neighbors and the Mt. Vernon Fire Department averted the loss of the Joe Bradley trailer home Tuesday at noon. Neighbors saw smoke coming from the trailer and promptly notified the fire department who found an arched in the living room ablaze. The chair was dragged from the trailer by city fireman. In the above photo are, from left: Dale Winstead, Dickie Collingsworth and Fire Chief John Cox.

## FRANKFORT

### WATCHLINE

BY GARY AUXIER

"What's going on on the political front this week?" the reporter asked.

"There's only one political thing this week. Busing in Louisville," said the prominent Republican.

And he made it clear he was not talking about the race between his party's Robert Gable and the man he is trying to unseat, Gov. Julian Carroll. In that race, busing has become an unwelcome issue, even to the candidates themselves, and both have seen fit to play it down.

Well they did. Considering what happened in Jefferson County late last week from the initial demonstrations down town to the suburban rioting by the end of the week, it was certainly no place for political rhetoric to foul up the situation even more.

What the Republican was talking about was the fact that busing is a political thing.

He reflected on how many abstained last year from entering into the debates over the Louisville-Jefferson County merger bill.

"We saw it as their problem, so we let them handle it," he said.

And he reflected on how once again not enough money had been appropriated for

education to prevent the need for merger in Jefferson County.

True to his party, of course, he laid the blame for the latter on the Democratic governor at the time for not allowing surplus funds into education.

But the fact is not enough money has been plowed into education. Whether it would have prevented busing in Louisville-Jefferson County is highly questionable, but the public can be at rest, assured that the echoes of the violence in Louisville over busing will be heard when the next session of the General Assembly meets in Frankfort next January.

There will be numberless calls for the legislature to do what it cannot do - stop busing.

But it seems likely there will be some positive measures offered to shore up the quality of education in this state, and the problems in the state's largest city may provide the spur to make some of them a reality.

If that happens, it may be said that the events surrounding the busing in Louisville and Jefferson County served to remove partisan politics from the education issue. If that comes to pass, at least some good will have come of the events of last week.

Meanwhile, the campaigning which normally goes into fall

gear after Labor Day has remained relatively quiet up to this point. Carroll, nursing a sore throat, has been maintaining a highly limited office and campaign schedule. His doctor ordered him to rest - no talking, and while cynics abound that it was a ploy to keep him from speaking out during the Louisville troubles, anyone who has heard him speak knows better.

He went on television last Friday night by telephone to comment on the rioting, and his voice was all but unrecognizable.

Gable's profile has been low as well, but not nearly as low as Carroll's. Gable has been maintaining a heavy speaking schedule around the state and being up his organization.

The highlight of the campaign will likely be the televised debate between the major candidates, but there appears to be some question whether that will come off or not.

At the very least, neither side seems to be going out of its way to bring it off, despite changes by Gable's people that Carroll is trying to back out.

## Letter To The Editor

September 2, 1975  
604 West Clinton St.  
Danville, Indiana 46122

Mt. Vernon Signal  
Mt. Vernon, Ky. 40456

Dear Sir,

Enclosed is a check for \$5 to renew my subscription for one year beginning with expiration date of August 8, 1975.

I enjoy the Signal a lot and appreciate the fact it seems to reflect getting so political as so many of our news media have done. News is news and it should stay news not a news item that is stated then twisted to project an opinion suited to the thinking of the writer.

I like to get news then I like to do my own analysis. So I hope you still keep the Signal clean

and don't take the stump with a horn and try to tell us simple people what to think as so many are doing. So good luck to you and

Good luck in the next year to all my Kentucky relatives and friends.

Mrs. Naomi Edwards  
604 West Clinton St.  
Danville, Indiana 46122

## ramblings

by perlin m. andrkin

I have said in the past that I did not like to use this column to climb on my soapbox but since I do not have the ambition this week to write an editorial and since I can be more informal here, then this is elected.

I disagree in part with the action taken by the City Council at Monday night's meeting as to closing the lake to anything except electric trolling motors, paddies, and sailboats. While I realize, as we all do, the potential danger on the lake from overcrowding - I cannot help but feel there would have been a better solution than to close the lake to all gasoline engines thereby taking care of water skiers nicely.

While I do not personally share a love of the sport with water skiers, having lost the courage for that sort of thing years ago, I do sympathize with those who do enjoy the sport. I

**Now there's a simpler way to dial long distance**

We've made it even easier to dial long distance. And with the millions of dollars we've spent for new equipment, a lot more reliable, too.

Now, instead of dialing three numbers to make a long distance call, dial "1" + the number for all station-to-station calls inside your area code.

For all station-to-station calls outside your area code dial "1" + the area code + the number.

It's that easy.

Oh, you'll still need to go through the operator for long distance calls such as person-to-person, credit card, collect, or calls for time and charges.

But for everyday station-to-station calls, our new direct distance dialing system means faster, more dependable service. And best of all, it saves you money.

**Kentucky Telephone Company**  
A member of General Telephone Company

# Mt. Vernon Christian Church To Hold Annual Homecoming

The Mt. Vernon Christian Church will be celebrating its first Homecoming this Sunday, September 14th beginning with the morning Sunday School Hour on through the noon meal, to be served at the church, into the afternoon service which will be highlighted with lots of special music, greetings from friends, and a presentation of the church's history by Linda Ramsey Ashley, author of the book from which the historical material below was taken. The afternoon service begins at 2 p.m.

We would be happy to have all our members and friends come to be with us and share this wonderful day with us. The minister, Ernie Johnson, along with the congregation issues this invitation.

The earliest recorded date for the First Christian Church is 1835 when the Boone Creek Baptist Association dropped Mt. Vernon. Two years later at the High Street Christian Church in Lexington, the Stonettes (Christians) and Campbellites (Disciples of Christ) united in a common accord calling themselves by both names: Christian Church (Disciples of Christ.) By 1835 the

congregation was not the only Christian Church in Rockcastle County, or even the largest. There were five Christian Churches and Mt. Vernon had a membership of 85 with J. Quinn serving as their minister.

At the end of the Civil War, the Mt. Vernon Christian Church congregation (according to Aunt Fan Adams in 1939) was meeting in the old log court house. About 1866, a new building was built. This was a two-story frame building located across from the side of the court house, now known as the "Old Signel office." Land for this building was donated by Mr. and Mrs. Egbert T. Fish with the provision that if the land ever ceased to be used by the Christian Church, ownership would return to the Fish family.

In 1922 Dr. Ligon, who had a reputation for leadership in building new church buildings, came to Mt. Vernon where a lot had already been donated by Dr. A.G. Lovell. The old building reverted back to the Fish family according to terms of the original deed and they generously signed the property over to the church so that it could be sold and the proceeds applied to the new building. The general contractor for the building was S.T. Proctor. The

masonry contract was awarded to Dix Brothers of Barbourville. John Ramsey donated plans for the building.

The June 24, 1924 issue of The Christian Evangelist included the following report from the pastor: "The work was started about a year ago and the building finished in December. We were so nearly out of doors that we moved into the new house the first of January. We set the date, May 18, for the dedication, and secured C.W. Caudle, of Indianapolis, to conduct the service. The cost was about \$20,000."

On December 7, 1962, a note burning ceremony was held during the Sunday Service. This marked the end of Church indebtedness. The present parsonage was purchased on May 9, 1962. The mortgage was barred three years later.

On January 7, 1974, a new Constitution and By-Laws were adopted by the board and congregation, superseding all former such documents. Article Four of this document states: "This Church is not denominationally affiliated with any other religious organization." The Mt. Vernon Church is an Independent Christian Church, governed strictly by the local board.

1918 Women's Bible Class of the Mt. Vernon Christian Church. Teacher was Charles C. Davis.

Businessmen's Sunday School Class

## Social and Women's News

### ART WORKSHOP FOR TEACHERS

50 teachers from Rockcastle County Schools will attend an Art Workshop on September 17, 18, and 19, 1975, at the Rockcastle High School. It was announced recently by Mr. Charles B. Parsons, Superintendent of Schools.

A free educational service provided by Binney & Smith Inc., makers of Crayola crayons and other school art supplies, the Workshop will be conducted by Mrs. M.J. Rott, who has taught extensively and holds a Master's degree from Wayne State University.

The teachers will spend fifteen hours of their own time learning about modern creative art education and some of its materials and tools. They will learn by doing, rolling up their sleeves and trying out the techniques presented by Mrs. Rott.

These techniques will include some of the uses of crayone, water colors, poster paints, finger paints, colored chalks, and modeling clay. Simple craft techniques will also be shown, giving teachers an opportunity to work with paper, paste and other materials to gain three-dimensional effects. All of the Art Workshop activities will be experiences which the teachers can relate to their own classroom teaching.

### DAUGHTER BORN

Mr. and Mrs. James Kenneth Abney are the proud parents of an eight pound, nine and one-fourth ounce daughter born August 31 at a Lykes Memorial Hospital in Brooksville, Florida.

She has been named April Daylene and is welcomed home by a sister, Brenda and brothers, Jimmy and Gary Wayne.

Grandparents are Mr. and Mrs. Lester Abney and Mrs. Nellie Mosley, all of Route 3, Mt. Vernon and G.B. Mosley of Myrtle Point, Oregon.

### BIRTHDAY DINNER FOR BILL RASON

A birthday dinner was held for Bill Mason's 69th birthday on September 7, 1975 at Big Boons Lick State Park in Boone County.

Those attending were Mr. and Mrs. Lloyd Stewart and family, Mrs. Ethel Mason, Mr. and Mrs. Lois Stevens, Jonda and Billy all of Mt. Vernon; Myrna Gilliland of Covington; Mr. and Mrs. Edgar Redden of Dayton, Ohio; Nora Rudder of Illinois; Loren Day and sons of London; Jean Nantz, Jaye

## Personals

Mrs. Maggie Thompson and Mrs. Mary Cummins spent Monday visiting Mrs. Pannet Thompson.

### MVHS ASSOCIATION TO HOLD REUNION

The Mt. Vernon High School Association, classes 1914-1938 inclusive, will hold its Annual Homecoming Dinner Meeting at the new Rockcastle County High School on Saturday, September 13, at 6:30 p.m.

### GABLE TO BE HERE MONDAY, SEPTEMBER 15

Republican gubernatorial Candidate Bob Gable will be in Rockcastle County Monday, September 15. Mr. Gable will be at the Citizens Bank in Brookland at noon. From there, Mr. Gable and local Republican leaders will travel throughout the county until 5:45 p.m.

### KENTUCKY NEWS

All supplemental security income recipients using food stamps can breathe easier as the federal bill which extended food stamp eligibility to supplemental security income recipients has been renewed by Congress through June 30, 1976.

By September 30, 1975, all supplemental security income recipients using food stamps will have been re-certified, this time for however long their circumstances codes have been.

### Kentucky Telephone (From Front)

Number and Pay Telephone Calls must be placed through the operator.

Because the three-digit access codes have been eliminated, ONI (operator number identification) will be used on all party lines. This means that a local operator will come in on the line for a moment after the customer has dialed and ask for the number of the

phone he or she is calling from. Local directory assistance from all exchanges can be reached by dialing "1" plus 411, and long distance directory assistance by dialing "7" then the area code (if not 606) and 555-1212.

Repair service has a new telephone number: 842-2262 for London and East Bernstadt, and "1" plus 864-2282 for the other exchanges.

The Business Office also has new telephone numbers: 878-7311 for London and East Bernstadt; 546-4123 and 546-4124 for Harbourside and Flat Lick; and "1" plus 878-7311 for the other exchanges.

One major result of the new equipment, which includes some new local switching equipment is the creation of a new prefix code in the London exchange, 878. Customers whose numbers have been changed to 878-XXXX numbers have been notified; however the company urges all its customers to check in the new telephone

directory if in doubt about a number and for complete dialing instructions.

In London, the procedure for calling another party on the customer's own party line will change. These changes are detailed in the new directory.

And in all exchanges, it will be necessary to dial all seven digits to reach a local number.

### New Laws (From Front)

Director of the department's Division of Law Enforcement, landowners should first record the license number from any unauthorized vehicle on his land. The landowner should then locate trespassers and ask that they leave. A warrant can then be obtained from the county judge for the arrest of the guilty parties.

Landowners can also contact a local peace officer. If the peace officer witnesses the trespass, no warrant is needed. Otherwise, a warrant must be

obtained.

Under the former law on hunting and fishing without permission, a fine of not less than \$15 or more than \$100 was levied. The current code divides trespassing into three degrees. The two applicable to hunting and fishing trespass both carry a fine of no more than \$200. A trespasser is also liable for damage he may cause while hunting or fishing without permission.

It is the legal responsibility of any person to obtain permission from the landowner before entering private property to hunt or fish. Department of Fish and Wildlife Resources Commissioner Arnold Mitchell says, "Good sportsmanship demands abiding by any restrictions a landowner may place on the sportsman and a respect for crops, fences and other private property. Without this, criminal and civil court action and more closing of private lands to hunting will result."

# AUCTION of ARMOUR CREAMERY BUILDING

Located - On Old U.S. 25 Mt. Vernon, Kentucky.

**Sat., Sept. 13, 1975 at 1:30 P.M. MT. VERNON, KY.**

This well constructed concrete block building measures approximately 33 x 65 and is situated on a large lot measuring 1.23 acres with ample parking space and room for expansion. The building has an office, and a basement in addition to four compartments. It does have both city water and sewer. This building is suitable for many different type businesses such as garage, retail store, body shop, office building, slaughter house, but it is particularly suitable for a machine shop or any business requiring three phase electricity because it does have three phase electricity.

In addition to the concrete block building there's also a 20 x 30 metal storage building. If you're in the market for a building with great potential, be sure to mark your calendar and attend this sale.

TERMS - 20% down day of sale, balance in 30 days upon delivery of deed.

- 10:00 PM Turn on lights.

Every day you rely on electricity. But you probably never think about it. Because over the years you've gotten used to good electric service. You've also gotten used to getting an electric bill. But now your bill is higher than was a couple of years ago. It's easy to understand why. We are suffering from the same inflation you are, paying more for the materials we use to make electricity, more for labor and environmental controls. And in order to expand to meet future needs, we must borrow money at today's high interest rates. All that must add up to a higher electric bill. But it also adds up to the same good electric service you've used to. And that's our job. Now and ten years from now.

## Rockcastle Recollections

By: John Lair

### ROCKCASTLE COUNTY FIRSTS (Cont.)

Mrs. Faye Brown of Mason, Ohio visited her mother Mrs. Sarah Cash Sunday and attended the funeral of Mrs. Bradley Saylor.

Mr. Theo Hayes of Middletown, Ohio brought his mother, Mrs. Della Mae Wilmost where she had a very pleasant 10 day visit with her children.

Mrs. Sylvia Frisbee of Hamilton, Ohio visited Mr. and Mrs. Virgil Lawrence and Mark last week.

Mrs. Mary Sowder, Janie Mae Jones, Irene Taylor, Cordia Cash, Carl Cash and Della Mae Wilmost attended a Directors Meeting at Baptist Church in Berea Monday evening.

Mrs. Della Mae Wilmost wants to thank Mrs. Virgil Lawrence for calling her news in last week while she was away.

First newspaper published in Rockcastle County was the Mountain Signal, with James Maret editor. The first copy came off the press at midnight of Friday, November fourth, 1887.

First coal shipped out of the county by Miller and Denny, from Pleasant Valley Station, later known as Cove.

First sand shipped by Harrison Reams, from Dudley, two miles south of Brush Creek Station on KC railroad.

First freestone, for building purposes, shipped from Langford Quarries, biggest in South Eastern Kentucky.

Charles Coyer first to make a business of making and selling millstones made from hailgrit.

William Sigmon first commercial chair maker. Lived near Conway. Some of his chairs still in use.

First Masonic Lodge, Ashland No. 370 organized in Mt. Vernon in 1880.

First school taught in woods, near Buffalo Springs, by man named Whitaker. Eleven students, all boys.

First school at Mt. Vernon stood near where fertilizer plant now stands. Robert Broadhurst was first teacher, burned in 1879, while being used as a residence.

First sewing machine in the county was owned by Mrs. Pauline Smith. It was a Wheeler and Wilson and was brought from Thornton Hackley, of Garrard County at a cost of \$100.00.

First calendar clock owned by Henry Maddox, on Copper Creek near Wilmosts Chapel.

First cooking stove owned by Captain Jack Adams, near the head of Little Renfro.

Mason C. Miller brought in the first grandfather's clock, from Jessamin County.

Mrs. W.M. Poynter owned the first coal oil lamp. She had it brought from Lexington by Robert Redd, who was then attending medical school there. Considered very dangerous, and children were sent out of the room when it was being lighted.

First hotel run by Reuben Elkins on lot now occupied by Hatts five and ten. As a small boy I helped my father and Rev. Green Fish tear down the very old log buildings before the present structure was put up, which was the first concrete block building in Mt. Vernon and was built by Jones Fish for use as a men's clothing store.

First brass band was organized in 1869, with George Severage as band master. Members included William Poynter, B.H. Joplin, Dude Owens, Charles Stewart, J.E. Vowels and G.B. Bragg.

First typewriter was owned by James Maret in 1899.

First steam flour mill owned by Willis Griffin, near Spout Springs. He also owned the first circular sawmill.

First planning mill put in at Livingston by W.R. Dillon.

First steam thresher introduced by Michael Bowers. First traction engine by Orus Bowers.

First stone crusher and steam drill owned by Hugh Miller and company.

First gasoline engine installed by L&N company in their pump house at Brodhead.

First repeating shotgun owned by George Gover, a colored man.

First printing press was brought in by J.E. Vowels in 1886. It was an old Army press and had been used at Crab Orchard, Kentucky, during the Civil War. First power cylinder printing press brought

in by Edgar Albright, while editor of Mt. Vernon Signal some years later. First platen printing press, footpowered, now in Renfro Valley collection.

First oil well sunk in Brushy Creek section, southwestern part of the county, when James Kincaid drilled for salt on the Jop Mullins farm. A black ooze came from the well and covered the ground. Drillers didn't know what it was and referred to it as "that stuff".

First carding mill brought in by Robert Hironomous. It occupied a building on Main Street where the old M.J. Miller residence now stands.

First kiln for burning lime for commercial purposes built and operated by Fritz Krueger.

The first gas well was burning, near Gumsulphur, as early as 1860.

First telephone message sent from Mt. Vernon over electric telephone was sent by S.C. Franklin to A.H. Bastin, at Crab Orchard.

First telephone exchange in Joplin Hotel.

Early wagoners to Lexington and Louisville for store goods were John and Sid Meyers, Granville Allen, William Christopher and E.W. Hansel.

First postmasters were R.G. Williams and Joseph Reynolds. They were appointed in 1861 by Postmaster General of Lincoln Cabinet.

First railroad and express agent was J.L. Joplin; railroad telegraph operator, Joseph Johnson.

First grain reaper owned by a Mr. Bowers.

First mowing machine owned by James M. Crawford, whose farm was near Boone's Fork just outside of Brodhead.

First drugstore run by W.M. Webber.

First power sewing machine installed in S.W. Davis harness store.

First taxidermist in the county was Dallas Ruel.

First wheat fan belonged to James Cooper, on Line Creek.

First cottogin, with wooden rollers was introduced by Frank Du Vault.

(To be continued.)

### BIRTHDAY DINNER

Mr. Delmus Bullock and Gary celebrated their birthday at their home Sunday September 7th. Others to help them celebrate were Mr. and Mrs. Fred Bullock and family, Mr.

and Mrs. Curt Bullock Mr and Mrs. Harold Bullock and Karla, Mr. and Mrs. Cecil McKinney and family, Mrs. Delmus Bullock and Ricky. They enjoyed a nice dinner and received gifts.

## CUT BUILDING COSTS WITHOUT LOSING QUALITY

OXFORD 3 BEDROOMS - 1 BATH

DO YOU WANT... exceptional quality in construction and appearance?... all the rooms you've ever dreamed of having?... would you like a home that looks and lives bigger than it is?... a plan of construction that offers unbelievably low cost? Do you DARE to settle for less home than you honestly want to build on your property but feel that costs have gone beyond reason? If you do we want to talk to you!

We want you to have facts, first hand without preconceived ideas of just what Jim Walter builds, how he builds, the type of materials used, models offered, how many there are, and everything else a person has a right to know about his builder. We want you to know just what we can do to cut your building costs to the bone, how we can save you money, not just a little, but many, many dollars. But first, let's put to rest right here and now a few questions you may have in your mind about Jim Walter-built homes.

Jim Walter is NOT only a "shell home" builder. A "shell home" is one completely finished on the outside, completely unfinished inside. We will build a "shell home" for you but only if you ask us to, and only if local building codes permit. We will build to almost ANY stage of inside completion and allow you to complete the rest, to save you money. As for quality and size there are more than 20 models from one to four bedrooms and in addition, variations to site and floor plans can be had. As for quality construction... you may buy a different house but you'll be hard pressed to buy a better one. All materials are especially selected for their long wear, low maintenance qualities. Jim Walter-built homes are NOT prefabricated... they are custom built, board by board, on your property and it doesn't matter where it's located...

but that's not all, there's more, lots more that you'll want to know about Jim Walter-built homes... and WE WANT YOU TO KNOW. Our booklet showing all the standard models and full of information about how we can build for you... how we can help you cut your building costs... about our financing... our construction and all about our company is yours... ROCKCASTLE COUNTY GIRLS PARTICIPATE IN STATE 4-H VARIETY SHOW

"Rebirth of the Andrew Sisters" was the specialty act presented by four Rockcastle County 4-Hers at the Kentucky State Fair on August 16, 1975. They were Lisa Lewis, daughter of Betty Lewis; Lori Stewart, daughter of Mr. and Mrs. Wayne Stewart; Alicia Dick, daughter of Glennis Dick and Laura Lee Durham, daughter of Mr. and Mrs. H. Lee Durham all of Mt. Vernon. In order to qualify for presenting their act at the State

Fair, the girls had to first win at the county and area level 4-H Variety Show. The girls were members of the Rockcastle County High School Teens Club. Lori and Lisa are now freshmen at the University of Kentucky. Laura Lee is a freshman at Eastern Kentucky University and Alicia is a senior at EKU. From left are: Alicia Dick, Lisa Lewis, Lori Stewart, and Laura Lee Durham...

**"RAMBLINGS"**  
(Cont. From 2)

have a son who gets to go quite often in the summer for an hour or two with a neighbor and I realize that now this pleasure will have to be foregone often because the time will not be available to drive to Cumberland. As to the argument that the bigger boats are polluting the water system, I don't think this is any more valid than the argument that swimmers pollute the water. Our water must test up to a certain standard to be safe for drinking and it has thus far done this. Until it does not, I don't think we should singling out any one area that is causing problems.

to is that the fishermen in the county may have been a little more outspoken in their desires than the pleasure boaters to the Council members.

I don't see why a better solution would not have been to allow gasoline engines on the lake in the summer months, when fishing is not all that good anyway, and close it to gasoline engines when the spawning and fishing seasons are here. I also think the Council should probably have discussed the idea at this month's meeting and delayed taking action on it until the October meeting giving the public more of a chance to express their opinion on the matter...

Mrs. Alene Davis, local librarian, whom we will not

mention here because she has deserted the working world for a vacation this week, told me last week that in an effort to get overdue books returned to the library she was contemplating publishing a list of names of those persons with overdue books out.

This may be a good idea since, like myself, many persons may have had books for some time and even forgotten about having them. The library does need all the books which it has in order to operate at capacity and it does not have the budget to buy replacement books, so we should all make an effort to return overdue ones to the library.

The list will probably take a couple of weeks to compile so if

you have a particular fetish about having your name appear in print you do have some time to get those books together and back to the library...

I have been reading practically with agony, the stories coming out of Louisville about the opposition to busing there. I have not read the stories thoroughly because I am prone to ignore the sadder facts of life whenever possible.

I am unalterably opposed to busing and in a like manner to violence, especially senseless violence where the innocent are too often the ones who get hurt. I was particularly displeased to read Wednesday morning of the conduct of our State Police at what had been a mainly peaceful demonstration until their

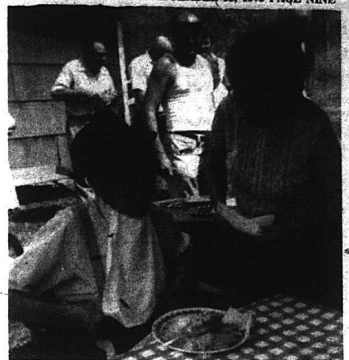

arrival. Granted, I was not there and had I been in the State Trooper's position I cannot foresee how I might have reacted. But, even allowing for a little distortion in the newspaper story, it seemed clear that the State Police, 26 of them, arrived on the scene with one intent - to disperse the 200 demonstrators by any method. And, according to the report, this is just what they did with fists, riot clubs, curses, and brutal manhandling in general.

To me, it's scary particularly because I think their conduct may go back to an order issued by a judge in Louisville prohibiting any demonstrations (peaceful or otherwise). I don't like to begin seeing alienation of Constitutional rights behind every act by our officials but it does give one something to ponder...

**CARD OF THANKS**

I, Carl Durham, wish to thank Dr. Lewis and all the Berea Hospital staff, the sweet and wonderful nurses for the fine and excellent care they rendered. Mrs. Effie Linnville, Mr. and Mrs. Willie Cain, Mr. and Mrs. Marion Cain, Mr. and Mrs. Frank Sowder, Mr. and Mrs. Marion Poynter, and all of my good friends and relatives who visited the hospital. Also I would like to thank all who called the hospital and for the flowers from the Young Adult Bible Class of Fairview Baptist Church, the Get Well cards and for the prayers. I feel I have the best friends in the world and I love them all. I can overcome any illness by knowing I have all of you. You are the sweetest people in the world. The 44 people who came to see me in the hospital mean more to me than anything in the world. I still need your prayers.

Carl Durham

Ninety-nine year old, W.C. Johnson and his daughter, Jessie Mobley, at the Johnson Reunion held on Cove Branch August 22nd where some 75 relatives visited together with singing, praying and a bountiful dinner.

On August 16 and 17th the Phillips Reunion who held at Camp Logan, Park in Dayton, Ohio with 47 attending. The above photo is the immediate Phillips family. They are from left to right: Mrs. Christine Phillips, Dayton, Ohio; Mrs. Ann Durham, Louisville; Mrs. Shirley Miller, Fort Wayne, Indiana; Mrs. Lois Owens, Dayton, Ohio; Mrs. Juanita Rose, Richmond, Indiana; and brothers Gary Phillips, Fritz Phillips, Brad Phillips and Ben Phillips all of Dayton, Ohio. The family is formerly from Rockcastle County, descendants of the late William Earl Phillips.

**Brodhead Baptist To Hold Revival**

A revival meeting will begin at the Brodhead Baptist Church on Monday, September 15th and will continue through Sunday, September 21st. Services will begin at 7:30 p.m. each evening and a nursery will be provided for small children.

Rev. John W. Farmer

Everyone is cordially invited to attend these revival services, and hear God's message in song and sermon. Mrs. Margie Wilcox, music director for the church, will be in charge of the music, and Rev. John W. Farmer, pastor of the First Baptist Church in Carrolton, Ky. will be the evangelist. We stress the importance for all members (as much as possible) to attend these special services.

R.C. Flynn, Pastor

**CABLE REUNION**

The Cable reunion was held Sunday August 31st at the home of Mr. and Mrs. Roscoe Cable. There were 104 attending. Those present, Mr. and Mrs. Cable, Paul and Susan Cable and children, Bill and Barbara Orabood and family, Larry Cable and son, Danny, Ricky, Randy and Jeff Cable, of Mason, Ohio, Keith and Lydia Cable and son Donald and Maggie Cable and daughter, Harold and Patay Cable and daughters, Shirley and Alma Jean Cable, and family, Sophia Barker, Delray and Janet Bishop and daughter of Ohio, Mr. and Mrs. Marshall Leaswell and son Mr. and Mrs. Bud Hadsell, Rohn, and Sandy Hadsell and children, J and Myrtle Brown, Dierl and Glenda Brown and family, Eddie Donaldson, Bill and Shirley

Ang and family, Aubrey and Gayle Stevens, and family, Coy and Lois Brown and children, Betty Jo and Dan McKianey and daughter, Debra and Wayne Taylor, Karen and Darrell Cash, and son, Vira Gentry, Gene Gentry, Minnie Gentry, Elizabeth Brown, and daughter, Carol, Bertha Stevens and daughter, Carolyn, Keith Brown and daughter, Vickie Jones, Christine Fraizer, Vanous - Vanous Brown and son, Leavena is Dillard and Dan, and Dovie brown, Edith and Willard Nicely, Maggie Herrin, Mable Thompson, Glen and Ruby Sayers, Edgar Cash.

The weather was nice; a banquet style dinner was served. Everyone seemed to have an enjoyable day.

**POPLAR GAP NEWS**

Recent guest of Mr. and Mrs. Manley McGuire were Mr. Bobby McGuire, Mr. Tony McGuire of Maud, Ohio; Mr. Truman McGuire of Mason, Ohio; Mr. and Mrs. David C. Singleton and Lena of Harton, Ohio; Mr. and Mrs. Delmar Vanzant and Dwayne of Mt. Vernon; Mr. and Mrs. Boyd McGuire and Joan of Brodhead; Mrs. Martha Huber of Louisville; Mr. and Mrs. Lonnie Moore of Mt. Vernon; Mrs. Dorothy Louill and Mark of Burr; Timmy and Andy Mason, Mrs. Charles Higgins and Virg and Eddy, Mr. and Mrs. Denver Childress and Mr. Dewey McGuire.

Mr. and Mrs. Walker Durham of Dayton, Ohio were week end guest of Mr. and Mrs. Denver Childress.

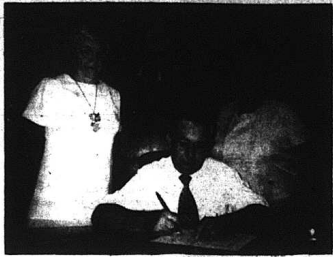

Mr. and Mrs. Curtis Durham and Jeff of Ohio, Mr. and Mrs. Lowell Gray and Lori, Mrs. Yvonne Bullock and children, Mr. and Mrs. William McGuire were recent guest of Mrs. Ethel Durham and Jimmy.

**BRINDLE RIDGE**

There was good attendance at the Brindle Ridge Baptist Church over the week end. A revival will begin the first of October. Bro. Damon Helton of Siler will be the evangelist. Everyone is invited.

Bro. and Mrs. Lawrence Prewitt visited Mr. and Mrs. Danny Mullins Sunday evening. Mrs. Lewis Coffey and new daughter returned home Monday from the hospital. They have had several visitors.

Sunday visitors of Mr. and Mrs. W.L. Coffey and family were Mrs. Vernon Sowders and daughters, Mr. and Mrs. Bill

Mrs. Ray Green, left, Constitution Week Chairman and Mrs. Hazel Owens, Regent of the Rockcastle Chapter DAR, watch as Judge Hubert Thacker signs the Constitution Week Proclamation.

Proctor and Mr. and Mrs. George Wyatt and daughter of Berea.
