BY H. LEE DURHAM
 COUNTY EXTENSION AGENT
 FOR AGRICULTURE

NOW IS THE TIME TO TREAT HORSES FOR BOTTS

This is the time of year when your horse should be treated for bots. That is advice of Bill Wise, Extension Veterinarian at the University of Kentucky College of Agriculture.

Wise says that at this time of year, bots are in the horse's stomach, where they can be successfully destroyed by horse worm medicines. Recent research conducted by the UK Department of Veterinary Science indicates that horses should be treated for bots several times during the winter.

"We used to think that one treatment 30 days after the first heavy frost was enough, but our research has shown that the eggs on the hair of the horse can still infect the animal even after several cold spells," says Wise. The horse continues to be infected during the winter from licking the bot eggs which are attached to the hair on the legs."

The UK veterinarian says there are many good drugs on the market for riding horses of bot. Some of the drugs are put in the horse's feed, so that the animal gets its medicine while eating.

There is a new bot worm medicine that comes in a gel form and is contained in a plastic syringe. This medicine has been proven by research to be an excellent bot killer. The gel is squirted into the mouth of the horse, with the amount based on the weight of the horse. The horse is unable to spit out the medicine, and after he swallows it, it goes into the stomach and kills the bots.

Wise says the best way to rid your horse of bots is to call your veterinarian. He will pass a tube into the stomach of the horse and give him the necessary dose of bot medicine. The medicine will go directly to the stomach where the bots are at this time of year.

If your horse has already been treated for bots, it would be a good idea to treat him again, just to be sure to get

an the bots, Wise concludes.

"ADVISORY OFFICERS"
 (Cont. From Front)

directors elected were Mrs. M.M. Lois Smock, Carlos Carlotis and William D. Gregory.

Mrs. Smock is the wife of the late Mr. N.M. Smock, former President of The Bank of Mt. Vernon. She resides on West Main Street in Mt. Vernon and attends the First Christian Church where she is a member of the Sunshine Class. She is also a member of the Mt. Vernon Woman's Club. Mrs. Smock attended Logan College and is a graduate of Sayre College in Lexington, Ky. Mrs. Smock has two children, Mrs. Doris Nicely of Mt. Vernon and N.M. Smock, Jr. of Memphis, Tenn. and six grandchildren.

Mr. Carlotis is the owner of Fort Sequoyah, located on U.S. 25 south of Livingston, which has been in operation for twenty-two years. He is President of the Dixie Highway Association, a member of the Livingston Lions Club, the Masons, Scottish Rite and a Shriner. He and his wife, Lucille, have three daughters, Don Carcille, Burchette, Kouta Floyd Collingsworth, and Betsy Margaret, three sons, Buzz, Dusty and Jon and one grandchild, Laura Whitney. The Carlotis attend the Baptist Church in Livingston.

Mr. Gregory, a graduate of the University of Kentucky and of the University of Tennessee Law School, is an attorney in Mt. Vernon and former County Attorney for Rockcastle County. He is a Mason, a Shriner, and has served as an officer of the Rockcastle County Jaycees. Gregory, his wife, Mary, sons, Bill David and Joe, and daughter, Cindy live in the Renfro Valley area and are members of the First Baptist Church in Mt. Vernon.

VET COUNSELOR TO VISIT MT. VERNON

Mr. Spencer G. Meredith, a veterans counselor of the Department for Human Resources, Kentucky Center for Veterans Affairs, will be present January 28th at the Courthouse in Mt. Vernon.

Mr. Meredith will be present to assist veterans and their dependents with claims for benefits due them as a result of their military service. He will be present from 9 a.m. until 3 p.m.

Rockets Slip by Jackson 51-48

The Rockcastle Rockets played a fine heads-up basketball game Tuesday night to beat favored Jackson County 51-48. The Rockets looked like a new team when they took the floor against the Generals.

Jeff Burdette and Frankie Durham brought the Rockets back from an 8-2 deficit early in the first quarter to outscore Jackson County 16-0 in the latter part of the first quarter and took a commanding ten point lead into the locker room at half time.

In the third quarter, the Rockets extended their lead to as much as 14 points but, about half way through the third quarter, the Rockets received a bad blow when Larry Harmon, their fine junior forward, fell on the hardwood, hurt his ankle and had to remain on the bench for the rest of the game. This accident caused the Rockets valuable rebounding power.

The Generals bounced back in the fourth quarter and took the lead from the determined Rockets. Coach Bill Riddle then substituted Eddie Thompson, his back-up, and sometimes starting center, who came in and hit two very crucial baskets to put the Rockets back in the lead.

NOTICE OF INTENTION TO MINE

In accordance with the provisions of KRS 350.055, notice is hereby given that Ikerd-Bandy Company, Inc., Box 246, Ferguson, Kentucky intends to file an application for the surface mining of approximately 67 acres located North of Pongo in Rockcastle County. The proposed operation is approximately 2 miles North of State Route 1249's junction with CR 1222 (Sinks School Rd.) and located West of the Walnut Grove Church on Skeggs Creek.

The surface area to be mined is owned by John R. Cromer, Chester Whitaker, David Purrell, Donald Purrell and John L. Norton. A brief description of the kind of mining activity proposed is block cut method utilizing hollow fills for spoil placement. The application will be filed at the Division of Reclamation, London Area Office, P.O. Box 611, London, Kentucky 40741.

Persons wishing to object to the Department for Natural Resources and Environmental Protection as to the issuance of a mining permit must do so in accordance with KRS 224.081 (2) and must forward same to the Director, Division of Reclamation, Capital Plaza Tower, Frankfort, Kentucky 40601.

momentarily. Sophomore guard David Pensol then came down and hit a clutch basket and this gave the Rockets the lead for good.

With 1:21 showing on the clock, the Rockets went into a four-corner stall and held the ball until David Pensol was fouled and a technical was called on a Jackson County player. Pensol missed the front end of a one-and-one situation and Jeff Burdette missed the technical but the Rockets maintained possession with 21 seconds left to play and a one-point lead. With two seconds left in the game, Frankie Durham was fouled, and calmly popped in two shots to put the game on ice for the Rockets.

Another outstanding performance was turned in for the Rockets by another sophomore Steve Centers who garnered ten points on the night. The Rockets were led in scoring by one of their senior guards Jeff Burdette who got many of his 14 points on long outside shots. Frankie Durham probably had his best game of the season getting twelve points. Eddie Thompson gathered in 5 points while David Pensol and Larry Harmon accounted for 4 each and Warren Cash got 2.

GIRLS BASKETBALL
 During the snow days and extremely cold temperatures the Rocket Girls Basketball Team have downed Model, Berea, Anville and Oneida, bringing their season record to five victories and one defeat.

The girls have a four game win streak going for them and hope to extend their victory streak against Jackson and Lincoln County, their next opponents.

Spirits are high and turn out for practice sessions has been excellent. The girls are working hard to improve their skills and a lot of good old tough practice sessions are taking place.

The starting girls feature a balanced scoring attack with Ruppe averaging 10; French, 9; Sturgill, 8; Thacker, 7; Bullen, 6; Farthing, Lakes, Shepherd, Deatherage, Howard and Faulkner, 2 each; Mullins and Hunt, 1 each.

The Coach deeply appreciates the spirit and hard work of the girls team and also the cooperation of the parents which has been outstanding during an extremely tough winter. Many thanks to each of you for your fine support and helpful attitude.

Girls Win Again

The Rockets Girls Team also extended their win streak by defeating the Jackson County Girl Generals by 3 points in a preliminary game.

Freshmen Lose To Oneida

The Rockcastle Freshmen boys basketball team made a trip to Oneida Monday afternoon and came back with a 40-33 loss.

Scoring for the Rockets were: Matt Poyner with 12; David Riddle, 9; Kevin Robbins, 6; David Mullins, 4 and Marty Hensley, 2.

"HOME LINE"

(Cont. From Pg. 8)

rial development. Emphasize energy utilization. Work closely with organizations interested in the total development of the area. Increase involvement of minority in total Facilities, and Financing; Each county has at least three professional staff members Home Economics, Agriculture, 4-h with adequate secretarial help. Increase involvement of minority in total Extension program. Local Extension Councils help to keep their support groups informed of the

Extension program and its needs. State to work with each County Extension Council in providing adequate office space and equipment. Consider establishing a one-stop agriculture center. Due to competition of competent personnel, Councils need to seek means of securing adequate financial support for all levels of Extension employees. Recommend that the State Extension Council assist County Extension Councils in reviewing and maintaining adequate operation budgets. Ask state administration to assist County Extension staffs in making more effective use of county councils.

"TALK MEET"

(Cont. from Front)

any 4-H member age 9-19 may participate. (2) Talks by 9-13 year olds are 3-5 minutes long; those by 14-19 year olds are 7-9 minutes long. (3) A participant may choose any topic he wishes and may have assistance in preparing his talk. (4) The 4-H Talk program is divided into the following divisions. A champion will be chosen in each division and will represent the county at the Area 4-H Talk Meets. Girls: 9, 10, 11, 12, 13, 14-15, and 16-19; Boys: 9, 10, 11, 12, 13, 14-15, and 16-19 (ages as of Jan. 1, 1977).

4-H leaders and members must register their talk by calling the County Extension Office at 258-2403. Parents, leaders and friends are welcome to the Talk Meet.

how to teach your child to use the phone in an emergency

Telephone employees like John Birchen, Installer, remind you to be ready if an emergency happens. Teach your children how to use the phone...write down police, fire, doctor and other emergency numbers in the front of your directory...post them by each phone in your home. And, remember, even pre-schoolers can be taught to pick up the phone and dial "Operator." Your child is never alone if trouble does strike. Operators only a fingertip away are ready to help in most any emergency.

Mount Vernon Signal

"WHERE THE BOONEWAY JOINS THE DIXIE"

The Mt. Vernon Signal Mt. Vernon, Ky. 40456

VOLUME 90 - NUMBER 20

Thursday, January 20, 1977

In the above photo, Jack St. Clair and son, Johnny, stand in front of their business on Hwy. 25 in Mt. Vernon which was flooded by water from a busted water main Monday afternoon. Twelve families are still out of water as a result of the break and will be until the ground thaws enabling the city crew to repair the line.

Talk Meet is Soon

The Rockcastle County 4-H Talk Meet (or Speech Contest) will be held Thursday, February 3, 1977 at 7 p.m. at the Mt. Vernon Elementary School Library. (If weather permits.)

Some changes were made in the county 4-H Talk Meet this year. It will be held on Thursday night instead of the usual Saturday night. It has also been moved to February in order to meet the deadline for the Area Meet.

Rules for the meet are the same: (Cont. to 10)

Busted Water Main

Adds to Winter Woes

A busted water main between Hwy. 150 and West Main Street added to the winter woes of 12 Mt. Vernon families who will be without water until the weather fair's up enough for the ground to thaw. According to Junior Powell of the City Water Department, the water main poured out between 40,000 and 50,000 gallons of water before being turned off. Mr. Powell also said that there is no way the break can be located and repaired in the ground's present condition since it is frozen 25 inches down under the concrete. In order for the break to be fixed, the water would have to be turned back on to locate it and this would cause very hazardous driving conditions for U.S. 25 traffic with the present freezing temperatures.

So, the families who live in the McFerson Street, Sand Springs Road area will just have to do without water service until there is a break in the weather.

Gene Noe Files

For Magistrate

Another candidate for magistrate threw his hat into the ring this week. Gene Noe, 40, of Spiro announced his intention to seek the Republican nomination for Magistrate from the Third District.

Mr. Noe is minister of the Mt. Pleasant Baptist Church and a lifelong resident of Rockcastle County.

He is married to the former Jean Mosley Noe of Brodhead and they have two children at home, Sherry, 13, and Donnie, 16. Their other daughter, Vickie, is married and presently living in Western Hills, Ohio.

Gene Noe

Bank Names Huffines President; Three Other Employees Promoted

Four Bank of Mt. Vernon employees were recently promoted, according to an announcement by Tracy Farmer, Chairman of the Board.

Promoted were C.T. Huffines who was named President. Mr. Huffines was elected President at a meeting of the board of directors following a recent stockholders meeting.

Huffines joined the bank in 1976 as Executive Vice President. Prior to coming to Mt. Vernon, he was vice president of Citizens Bank and Trust Company in Glasgow and was president

of the H.Y. Davis Bank in Cave City, prior to merger of the Citizens Bank and Trust and the H.Y. Davis Bank.

A graduate of The School of Banking of the South, Baton Rouge, Louisiana, Huffines has been in banking over 20 years. He, his wife, Carolyn, their sons, Ty and Bo and daughter Tammy, reside in Countryside Estate and attend the Berea Church of Christ. He is a member of the Rockcastle County Improvement Council.

Also promoted was Jess F. Bullock to Executive Vice President. Mr. Bullock

has been with the bank since 1955, having served all departments. He is a graduate of the University of Kentucky School of Banking and served two years in the U.S. Army.

Besides being treasurer of the City of Mt. Vernon, he is also a member of the Mt. Vernon Merchants Association, the Masonic Lodge, Scottish Rite, and a Shriner. Mr. Bullock, his wife Mary Ann and sons, Frank and Shane, reside on School Street in Mt. Vernon.

Named Vice President and cashier of the Bank of Mt. Vernon was William W. James, who joined the bank in 1976. Prior to coming to Mt. Vernon, Mr. James was vice president and trust officer with Citizens Bank in Elizabethtown. A graduate of the University of Cincinnati, Cincinnati, Ohio, he has been employed by Eli Lilly & Co., a pharmaceutical manufacturer in Indianapolis, Indiana and by Olin Chemical Corp., in Bradenton, Kentucky.

James is president of the Rockcastle County Improvement Council and a member of the Rockcastle County Improvement Council. He, his wife, Rachel, and sons, Billy and Ted, reside on High Street in Mt. Vernon and attend The First Christian Church.

Mr. Mary M. Ponder was named assistant cashier. Mrs. Ponder has been associated with the bank since 1964. Prior to her promotion, she had been Head Teller.

A graduate of Livingston High School, Mrs. Ponder, her husband, C.C., and son, Brian, reside on West Main Street in Mt. Vernon. She is assistant treasurer of the First Baptist Church of Mt. Vernon.

Advisory Directors Named

A new bank of Mt. Vernon also elected three advisory directors at their recent meeting of the Board of directors, according to Mr. Farmer. The three (Cont. to 10)

TEACHER IN-SERVICE

All teachers, administration, aids and other school personnel will meet at the Rockcastle County High School on Thursday, January 20th for an in-service program and will meet in their respective schools on Friday, January 21, for a second day of in-service.

These in-service days had been set up in the school calendar earlier. Fortunately, the days are coming at a time when schools are closed due to inclement weather and slick roads. The two in-service days count toward the school calendar total of 185 days.

Schools have been closed for a total of 19 days as of Wednesday, January 19, due to slick road conditions. These are days that will have to be made up at the end of the term unless the State Board of Education grants calamity days. The state may not act on calamity days until later in the year.

School was originally scheduled to be out May 17, 1977. It appears now that we will have to go well up into June to get the total of 175 days taught as required by the state.

The minimum school calendar as required by state law consists of: 175 days taught: 4 holidays, 4 in-service days and 2 professional days, totaling 185 days.

As of Wednesday, January 19, we had taught a total of 77 days, used 4 holidays, used 2 in-service days and 1 professional day. This leaves a total of 88 days yet to be taught plus 2 in-service days and 1 professional day for a grand total of 185 days.

CITY COUNCIL WILL HOLD REGULAR MEETING JANUARY 20

The regular meeting for the Mt. Vernon City Council will be held on Thursday, January 20 at 7:30 p.m. at Mt. Vernon's City Hall. The meeting is normally held on the second Monday of the month but was postponed because of bad weather.

Four Incumbent Magistrates Seek Re-Election

Four incumbent Magistrates have filed for re-election to their offices. They are: J.R. "Boone" Cromer, Chester Whitaker, W. H. "Bill" Wren and Ernest Mason. All four men will seek the Republican nomination.

Mr. Cromer, a resident of the Pongo area, is seeking the Republican nomination to his third term as Magistrate from the Second District.

He is a farmer, a member of the Blue Springs Church of Christ and is married to the former Wanda Mink. They have five children.

Mr. Cromer's district is made up of the South Mt. Vernon, Bullock and West Livingston precincts.

Chester Whitaker of Wadd is seeking the Republican nomination for election to his second term as Magistrate from the First District. Mr. Whitaker, a farmer, is married to the former Grace Hayes and they have two sons, Billy and Wayne, both Rockcastle County farmers. He is a member of the Skeggs Creek Baptist Church.

Another Magistrate seeking the Republican nomination for re-election to his second term is W. H. "Bill" Wren from the Fourth District. Mr. Wren is a resident of the Conway area, a farmer, and is married to the former Lola Allen. They have three children. A member of the Conway Baptist Church, Mr. Wren is also a member of #617 F & AM Masonic Lodge in Berea.

Seeking the Republican nomination to his second term as Magistrate from the 5th District is Ernest Mason of Orlando.

Mr. Mason, a local contractor, is married to the former Isabel "Cookie" Mayhew and they have five children. He is a member of the First Baptist Church in Mt. Vernon.

Kirby is Candidate For Jailer Office

One former Rockcastle County official has decided to run for the political arena. Billy Kirby, 46, of Route 1, Brodhead announced this week his intention to seek the office of Rockcastle County Jailer, subject to the May 24th Republican primary.

Mr. Kirby, a former Sheriff and Deputy Sheriff is a lifelong resident of the county. He is married to the former Gladys Raymer and they have two children.

A farmer, Mr. Kirby is a veteran of the Korean conflict.

Billy Kirby

Several Items Stolen When Thieves Enter Administration Building

By Roger W. Coldron

The building housing the Rockcastle County Board of Education and the Child Development Center Office was broken into by thieves on Monday night, January 17. Items stolen from the Board of Education included several small pocket calculators, a portable radio, and small sums of money. No large sums of money are kept in the building. Also stolen were Board of Education checks numbering 14212-14223. The twelve checks were unsigned but did have the date January 2 stamped on them.

In the second floor offices of the County Child Development Centers office, one calculator and some change was taken. The calculator was marked for police identification and its number was filed with the State of Kentucky. In addition the upstairs walls and water fountains were vandalized.

The thieves apparently entered through the back door of the building after breaking one of the windows in the door. They then broke into offices that were locked by removing doorjamb.

Desks were rifled and papers scattered throughout the offices.

State Police and State Police Detectives were in the building on Tuesday collecting fingerprints and other pieces of evidence inadvertently left by the persons who entered the building.

The calculator stolen from the child development center was a Panasonic model # 8504 which will function on either an AC or a DC circuit. It's recorded identification number is DES 3 R168. Anyone knowing the whereabouts of this or any of the other pieces of stolen property is requested to contact the Kentucky State Police or the local Police Department. Police departments can only make arrests when they have "probable cause". Simply having fingerprints of suspects or other pieces of physical evidence is sufficient to prosecute individuals but not to make an initial arrest. Citizens' cooperation is needed and appreciated in any case.

School Board Finally Meets; Mrs. Mason, Mr. Taylor Sworn-In

By Roger W. Coldron

After two delays because of poor road conditions, the Rockcastle County Board of Education met on Thursday, January 19th. The first meeting of the new year began with the swearing in of Isabelle "Cookie" Mason and Willie Taylor, both of whom were re-elected. Kenneth Adams was also slated to be sworn in but was unable to attend the meeting.

The school board had advertised for bids on Workmen's Compensation. Only one bid was accepted from State Farm agent Bill Bailey for \$8,937 for one year. The bid was based on the number and kinds of claims filed last year.

Charles E. Parsons, school superintendent was authorized by the board to investigate the possibility of building a new 3 bay school bus garage and have architect Donald Shelton draw up plans for it. Alternate sites have been chosen adjacent to the high school.

One site is the area between the Subdivision. The other site would be on the property line of Barnett Subdivision. The other site would be directly opposite that on property now owned by Buster Gentry of Mt. Vernon. The Board is considering the possibility of purchasing the property if it is offered at a reasonable price.

Earlier this year, the school board

authorized the purchase of 4 new buses. Mr. Parsons recommended Thursday that the purchase be amended to include an additional bus since the bid price was lower than expected. \$60,000 was allotted to buy the buses and the price is \$12,044 each.

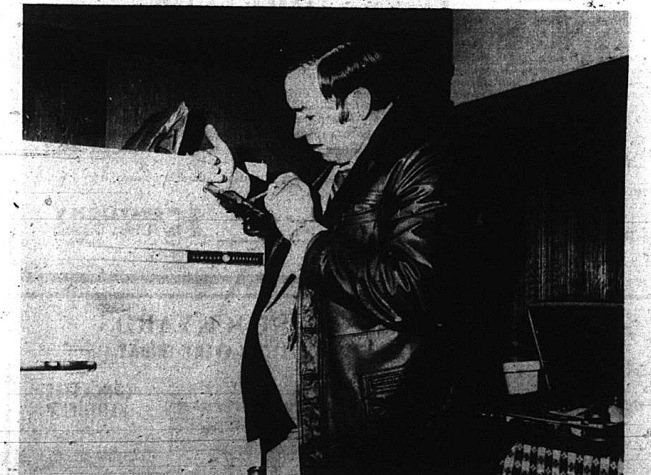

The retainer for school board attorney Carl Cloutz was renewed and increased to \$75.00 per month. The increase of \$25 is to cover the cost of representing the school bus drivers.

Lots R. Cameron was employed as a substitute teacher pending teacher certification.

GED certificates were approved for Vivian Gail Livesey, Martha Ann Adams and Laura Fred Abney.

A problem has arisen involving Bill Bradley of Livingston and the extent of his bus run over extremely rough roads. Bradley drives the Livingston - Three Links run. He lives at one end of the road and the route ends at the other. According to Superintendent Parsons a bus can only survive the route for one year. Recommendations are to either pay Bradley \$12 per mile to drive his own car, supply him with a car to drive over the route, or take 40 miles per mile off the total bus mileage.

Mr. Parsons will meet with Bradley (Cont. to 10)

A State Police Detective is shown investigating the recent break-in at the Board of Education building on Richmond Street. Thieves entered the building Monday night through a back door window pane which they broke out. The case machine near the door was also broken into. (See story elsewhere on front page).

Four Bank of Mt. Vernon employees were promoted at a recent meeting of the board of directors. Promoted were, from left: Mrs. Mary Ponder to assistant cashier; Jess Bullock to Executive Vice President; C.T. Huffines to president and

William W. James to vice president and cashier. Other appointments to the board were also made. (See story elsewhere on front page).

FRANKFORT

WATCHLINE

By Ferrell Wellman

The state's largest agency is getting surgery. Governor Julian Carroll is doing the cutting.
 The agency Carroll claims is the source of extensive complaints by the public is going under the knife. The Kentucky Department for Human Resources (DHR) is not likely to survive the operation intact.
 Human Resources manages programs which cover Kentuckians from birth to burial. One of the every three state workers is employed by DHR. It

was created in 1973 when Governor Wendell Ford merged the former state departments of Economic Security, Health, Child Welfare and Mental Health.
 DHR's 11,000 workers manage the food stamp program for 400,000 Kentuckians, handle 250,000 claims a year, try to get jobs for the unemployed, operate juvenile programs and administer programs for the aged.
 DHR has a reputation for being inundated with red tape. While discussing the department Carroll has pointed out that one recent memo concerning possible action by DHR

required 14 authorizations.
 When Carroll assumed the governorship in 1974 DHR was his top priority. Apparently it still is. When Carroll became governor DHR employees had not been paid on time and unemployment checks were often late. Leslie Dawson has run DHR for the past two years. Carroll admits Dawson became DHR secretary at a difficult time. The governor says Dawson has done much to cure the agency's massive ills. But Dawson apparently didn't do enough.
 Carroll says he wants an end to 14 authorizations. He wants decision making speeded up and simplified. The governor's office was less satisfied with Dawson's tight control over the agency. Carroll is leaning toward a wider distribution of policy making.
 Carroll is turning to a close aide, Peter Conn, to replace Dawson. There was some surprise when Conn's name first surfaced as the man Carroll was selecting to handle state government's most difficult job.
 Conn, 33, is known as a creative individual. He is a former state legislator from Louisville and has been commentator for a Louisville television station. In his 13 months on Carroll's staff he primarily has been used as an "idea man."
 Conn has little administrative background. Whether or not he'll be able to handle the state's biggest bureaucratic monster is the big question in Frankfort.
 It's not likely Conn will have as big an agency to handle as Dawson. Before the winter ends it's likely the Manpower Services branch will be stripped from DHR and assigned to Vocational

Education or the Labor Department. Manpower Services is generally responsible for employment services.
 Conn's first task will be heading a management team to determine if DHR is fully utilizing its manpower and resources. A study on reshaping the agency is on the governor's desk. It's being evaluated by Carroll's staff and the results should be announced in three or four weeks.
 There has also been some movement lately within the governor's own administrative staff. Aide Hank Lindsay who handled Carroll's appointments and appearances is moving to the state Department of Commerce as a assistant to new Commerce Commissioner Terry McBrayer.
 Lindsay, a former Hopkinsville newspaperman, has extensive campaign experience and is expected to help McBrayer in his spirit for the governor's job in 1979. Lindsay's position on the staff has been taken by Gary Auxier of the Department of Public Information. Auxier's duties are likely to be different than those of his predecessor.

County Statistics

Listing Period For Property Taxes Opens

Commissioner of Revenue Maurice P. Carpenter today reminded Kentuckians that the property listing period for ad valorem taxes is from January 1 to March 1. Carpenter said Kentucky law requires that all taxable property in the state be listed by the owner with the property valuation administrator.
 He also cited a new law, enacted by the 1976 General Assembly, which requires all owners, lessees and operators of mineral properties to file returns with the Department of Revenue by February 1, 1977.
 He explained that state law had previously required these reports to be filed with the county property valuation administrator.
 "The Department of Revenue has mailed Ad Valorem Property Tax Returns to all mineral property owner and operators," Carpenter said. "Anyone who is required to file and has not received the forms should contact the department immediately, since there is a penalty for failure to file."
 He pointed out that the 1976 General Assembly reduced the rate on unmined coal to 3 1/2% cents per \$100 of value. This is a state tax only, and coal is now exempt, except for voted levies from local county and school tax rates.
 Continuing on the subject of property taxes, Carpenter said, "The department has notified all county property valuation administrators that the homestead exemption for residential property owned and occupied by persons 65 or older is now \$8,900. Those eligible, which includes persons who become 65 anytime during 1977, must file an application with the property valuation administrator by March 1."
 "This increase will result in a savings to older taxpayers on their tax bills. It applies to 1977 ad 1978, and is \$1,200 more than allowed the last two years."
 "I also want to remind farmers of the farmland amendment," he added. "This law permits the valuation of land at its agricultural or horticultural value rather than fair market value and can mean a substantial tax savings to those who own eligible property." Details and application forms are available from the county property valuation administrator. Applications must be made before April 1.

"Low rates are a big reason we're the largest home insurer. But there are more..."
 Low rates wouldn't mean much without our first class service. Drop by or give me a call.

Hard to believe, but true!

It takes a thickness of about 14 feet of face brick to equal the same thermal protection in your home as 6 inches of batt insulation.

More than half of the energy used in the home goes for heating. And adequate insulation resists the flow of this heat and holds in the energy you pay for.

To help you conserve energy and keep heating costs to a minimum, KU has established insulation guidelines, substantially increased over previous levels.

Call us for complete insulation recommendations.

Social and Women's News

ENGAGEMENT ANNOUNCED—Mr. and Mrs. Cledis E. Baker of Mt. Vernon wish to announce the engagement of their daughter, Sharon Denise, to Michael Sherman Lovell, son of Mrs. Dorothy Lovell of Mt. Vernon and the late Junior Lovell. Miss Baker is a 1973 graduate of Rockcastle County High School and is now a senior at Eastern Kentucky University. Mr. Lovell, a 1969 graduate of Mt. Vernon High School, is a Specialist 4th Class stationed with the U.S. Army at Ft. Knox. No date has been set for the wedding.

Personals

By Mrs. Geo. Burton

Sheila Burton spent Friday and Saturday with Eliza Jane York.

Mr. and Mrs. Robert Anglin and Nancy visited Mr. W.H. Coffey and Lillian Anglin Sunday evening.

Harris Burton is a patient in the St. Joseph Hospital at Lexington, where he had surgery last Friday. We wish him a speedy recovery.

Mrs. Darrell Owens and Mrs. George Burton spent Thursday until Saturday with Harris Burton at the St. Joseph Hospital at Lexington.

Mr. Darrell Owens and George Burton visited Harris Burton at the St. Joseph Hospital Saturday.

Eliza Jane York spent Saturday night with Sheila Burton.

Mrs. Laura McHargue visited Mrs. Hazel Cummins, recently.

Sympathy is extended to the families of Mrs. Geneva Middleton and Mrs. Earl Cornett.

Mr. and Mrs. Arvin Purcell of

Michigan spent several days with Mrs. Mary Purcell and Johnny.

Mrs. Harris Burton has returned home after spending several days with her husband at the St. Joseph Hosp. in Lexington.

Mrs. Willis Coffey, Mrs. Steve Coffey and Mrs. Keith Coffey visited Harris Burton at the St. Joseph Hospital in Lexington, Saturday evening.

David Creech attended the wedding of Freddie Hensley to Louise Baker, January 7th in Crab Orchard, Kentucky.

Mr. Roman McFerron and son Timmy and David Creech have returned home after spending a week in Florida.

Mr. and Mrs. Wayne Creech, Renita, Denise and Mangel were super guests of Mrs. Nadine Creech, Sunday evening.

Mrs. Lula Cope of Indianapolis, Indiana is visiting relatives here for a few days.

Mr. and Mrs. Wilbert Kincer, Bill and Alan visited Mr. and Mrs. Keith Kincer and family of Lebanon, Ohio over the week end to attend the installation of Miss Tammy Kincer as Worthy Advisor and Paulita Kincer as Patriotism Officer

of the Lebanon Assembly 867 order of The Rainbow for Girls. Others attending from Dayton and Cincinnati, Ohio were Mr. and Mrs. Luther Phillips, Jr., Mr. and Mrs. Bob Sears and Kim Bray, Mr. and Mrs. Lee Bailey, Mrs. Don VonBarger and Donita and Biff Conrad. *****

Fairview

By Mrs. Hubert Chastean

Seventy persons braved the cold, below zero weather, snow and icy roads and made it to Sunday School at Fairview January 16th. A few more came in for worship services. But some of us, especially on our road didn't make it. Ice and snow made it too dangerous to get out. But winter will pass (even though it's been a bad one so far) and spring time will come as it always has. We just thank God for his care and protection of all of us. We have to put our trust in Him because he knows all things and does all things well.

News is very scarce as most people are staying at home and trying to keep warm, and not traveling or visiting much.

We extend our sympathy to the family of Mr. John Coleman Burdett of Conway. Our prayers are with his loved ones. May God bless and comfort them.

Several people are in the hospital and need our prayers. Mrs. Louise Todd remains very ill in the Berea Hospital and Mrs. Thursia Blair is a patient there also. May God bless them both and everyone who is ill, troubled or distressed in any way. We are living in troublesome times, but God still lives and cares for us.

Wesley Lambert recently entertained his Sunday School (Young Adults) Class Members and other guests with a supper at the People's Restaurant in Berea.

Attending the supper were Mr. Lambert, Rev. Ray Dean, Mr. and Mrs. Walter Malone, Mr. and Mrs. Lloyd Pickle, Michael, Kenny, Gary, Kitty and Sherwood, Mr. and Mrs. Cletus Peters, Mr. and Mrs. Harold Gill and son, Mr. and Mrs. Preston Anderson and Cheryl Viars, Mr. and Mrs. Tip Reppert and Melody, Mr. and Mrs. Buddy Gabbard, Mr. and Mrs. Bonnie Reppert, Mr. and Mrs. Noel Stagers, Mr. and Mrs. Conley Saylor, Mr. and Mrs. Luther Isaacs, Jennifer and Carol, Mr. and Mrs. Roy Lee Croucher and Vonda, Mr. Carl Cain and two sons, Wesley, Williams, Mr. and Mrs. Jimmy Cummins, Miss Dottie Williams, Mr. and Mrs. Johnny Gilliam, John and David and a group of singers from London, known as the Jubilee Four, who performed with music and song following the evening meal. Everyone had a wonderful time.

Please remember church and Sunday School. Maybe during this bad weather we can read and meditate on God's Word. Sometimes we neglect to do the things we need most. Take care of yourself and pray for the ones who are less fortunate than yourself. Speak well of people and never be little anyone, just pray for them. God bless you all. *****

Birth Announced

Mr. and Mrs. Bill Brock of Haiti Road, Berea, Kentucky are the proud parents of a son born December 27th at the Pattie A. Clay Hospital, Richmond, Kentucky.

This is their first child. He weighed 6lbs. 14 ozs. and has been named William Brian.

Mrs. Brock is the former Beverly Jane Peters, daughter of Mr. and Mrs. Cletus Peters of Fairview.

Paternal grandparents are Mr. and Mrs. Elwood Brock of Indian Hills, Berea, Kentucky.

Congratulations and best wishes to Mr. and Mrs. Brock and William Brian. *****

MRS. RENNER COMPLETES STUDENT TEACHING ASSIGNMENT

Patricia Renner, daughter of Mr. and Mrs. Earl Kirby of Mt. Vernon, has recently completed her second student teaching assignment. She is a senior elementary education major at Berea College.

Patricia has now completed teaching assignments in both the primary and intermediate levels at the Berea Community School. Since elementary teachers are certified for all grades, multigrade assignments are more desirable, according to Carol G. Ford, Director of Elementary Student Teaching.

Patricia will be eligible for a Kentucky Provisional Elementary Certificate upon receipt of her A.B. degree in May.

Berea College is accredited by the Southern Association of Colleges, Secondary and Elementary Schools and by the National Council for the Accreditation of Teacher Education. *****

FOUR WHEELERS CLUB BEING FORMED

A new club to be formed, called the "Heathen Four Wheelers", a club for four-wheel drive truck owners, will hold their first meeting Monday night, January 15th at 7:30 p.m. at the Stanford City Hall, Main St., Stanford, Kentucky.

Persons interested in joining the club should plan now to attend the first meeting.

Regular meetings will be held the first Monday night of each month at 7:30 p.m. at the City Hall in Stanford. *****

TREE PLANTING SEASON APPROACHING

March and April are the tree planting season in eastern Kentucky. The Kentucky Division of Forestry will soon be lifting tree seedlings at their

Mr. and Mrs. Michael McGuire

Martin - McGuire Vows Said January 14

Trina Jean Martin, daughter of Mr. and Mrs. Howard Martin of Reading, Ohio and Michael Palace McGuire, son of Mr. and Mrs. Manley McGuire, were united in marriage Friday, January 14, 1977 at the St. John United Church of Christ, Bro. Edward Culler performed the ceremony.

Word of honor was Cynthia Kuhr

three nurseries for distribution to landowners. It is intended that the seedlings be used for reforesting idle land and returning it to timber production.

There are hundreds of acres of land in the area which were once cleared for farming purposes and have now been abandoned. These old fields soon grow up in worthless weeds and brush. The landowner, who pays taxes on the property, thus loses money. Planting trees on idle land makes it productive again and enables the landowner to realize a profit from his property.

Planting trees also helps to prevent erosion and increases property values.

and James Daniels served as best man. Mrs. McGuire is a senior at Reading High School and Mr. McGuire is a graduate of Rockcastle Co. High School and is employed by OK and Supply in Reading.

They will make their home in Reading.

The Division of Forestry supplies trees seedlings to strip mine operators for reclamation purposes.

About fifteen different species of trees are available, at a cost of about \$25.00 per thousand seedling. To order trees or for further information, interested persons should contact the Kentucky Division of Forestry, P.O. Box 31, Pineville, Kentucky.

Chewing gum was invented by William F. Wrigley of Mount Vernon, Ohio in 1869!

The 12 to 18 hour forecasts of the weather bureau are considered 85 percent accurate

Willie Taylor, left, and Mrs. Isabelle Mason took their oath of office to the County Board of Education prior to the first school board meeting of the year held last Thursday afternoon. The meeting had been delayed twice earlier in the month due to the weather. Both Mrs. Mason and Mr. Taylor were elected to another four-year term of office last November.

Area Deaths and Funerals

Mrs. Pearly Anglin

Pearly Mae Peters Anglin, 81, died January 2, 1977 in Lexington following a long illness. She was born in Rockcastle County and was a resident of Rt. 3, Berea, Kentucky.

Besides her husband, Mr. Abe Anglin of Berea, she is survived by five sons, Albert, Lester, Luther, Arthur and Lloyd Anglin all of Berea; one daughter, Mrs. Lucille Owens of Berea; two brothers, Garrett Peters of Orville, Alabama and Willie Peters of Hamilton, Ohio; four sisters, Mrs. Willie Phillips of Berea, Mrs. Dewey (Emma) Scott, Mrs. Zula Graves and Mrs. Beula Settles all of Hamilton; 22 grand children, 47

great grandchildren and four great grand children.

Funeral services were held Wednesday, January 5, at the Way Funeral Home in Berea, with Rev. Floyd Cox officiating. Burial was in the Madison County Memorial Gardens Cemetery.

REV. TINCHER

Estel W. Tincher, Sr.

The Rev. Estel W. Tincher, Sr., 50 of Hamilton, Ohio passed away Friday, January 14, 1977 at Hamilton Hospital. He was born in Hamilton and was the son of Charles F. and Martha Bennett Tincher and received his education in Hamilton schools.

The Rev. Mr. Tincher married Glenna Barnes, formerly of Rockcastle County, Kentucky on Sept. 18, 1948 in Covington, Ky.

Survivors besides his wife are his father, Rev. Charles Tincher; two sons, Gregory of Nashville, Tennessee and Larry Dale of Alabama and one daughter, Tammy, at home. Services were held Monday at the First Church of God of Mason, Ohio.

Mrs. Lorene Cornett

Mrs. Lorene Cornett, 45 of Mt. Vernon passed away Saturday, January 15, 1977 at the Berea Hospital after a long illness. She was born on February 6, 1931 in Rockcastle County, the daughter of the late Dillard and Sallie Smothers Cotton. She was a member of the Negro Hill Community Church.

Survivors are her husband, Earl Cornett of Mt. Vernon; three sons, Billy Howard, Wayne Howard and Joe Howard, all of Mt. Vernon; one daughter, Mrs. Sue Overbay of Rt. 2, Mt. Vernon; three brothers, Dan and Ernest Cotton, both of Mt. Vernon and Lee Cotton of Rt. 2, Mt. Vernon. Seven grandchildren also survive.

She was preceded in death by one infant son.

Funeral services were held Tuesday, January 18, 1977 at the Cox Funeral Home Chapel with Rev. Pete Hurd and Bro. Virgil Bustle officiating. Burial was in the Elmwood Cemetery.

Cox Funeral Home was in charge of the arrangements.

Mrs. Geneva Middleton

Mrs. Geneva Mae Middleton, age 51

of Mt. Vernon, passed away after an illness Sunday, January 16, 1977 at the Rockcastle Co. Hospital. She was born in Rockcastle Co. on April 17, 1925 the daughter of William Oscar Bell and the late Martha Elizabeth Hayes and was a member of the Mt. Zion Baptist Church. Besides her father, she is survived by her husband, Mr. Robert Middleton of Mt. Vernon; two sons, Cleith Thacker of Conway, Ky. and Mr. William Middleton, Jr., of Rt. 1, Brodhead; five daughters, Mrs. Georgia Payne Blanton, Rt. 2, Berea, Mrs. Brenda Darlene Smith of Renfro Valley, Ky., Mrs. Joyce Ann Montgomery of Mt. Vernon, Mrs. Dessie Lynn Bullock of Mt. Vernon and Miss Lucy Elizabeth Middleton, at home. One brother, Mr. James Oscar Bell of Ft. Lauderdale, Florida; two sisters, Mrs. Mildred Woodley of Mt. Sterling, Ky., and Mrs. Mattie Lee Willoughby of Owsingsville, Ky. Ten grandchildren also survive.

She was preceded in death by her mother and one son.

Funeral services for Mrs. Geneva Middleton were held Tuesday, January 18, 1977 at the Dowell & Marlin Funeral Home with Bro. Homer McNew, Minister in the Elmwood Cemetery.

Arrangements were by Dowell & Marlin Funeral Home.

Real Estate

By SAM FORD

REALTOR

Why Sell Through Auction?

Many owners of real estate prefer the auction method of selling and find that the auction is a sure method of finding a purchaser for their property. Also, auctions have become quite popular with speculators who feel that they stand a chance of getting a better price than what they can get through a private sale.

Heirs have found that auction sales can be a good way to divest themselves of properties that cost more than they are worth to maintain and, at the same time create a basis for tax credits that will serve to shelter income from other holdings.

Auction sales are useful to trustees, executors, and others who must establish that property was sold for a fair market value. A well-advised real estate auction sale that is planned and conducted in a professional manner is considered an "arm's length" transaction that brings in a fair market price.

Surplus real estate as well as other property can be liquidated by way of auction. In this way, a company can rid itself of fully-depreciated property that is no longer useful to it and save on taxes, maintenance and other expenses.

If there is anything we can do to help you in the field of real estate, please phone or drop in at FORD REALTY & AUCTION CO., INC. Mt. Vernon, Ph. 256-4545. We're here to help!

Home Line

**BY CHERYL WITT
COUNTY EXTENSION AGENT
FOR HOME ECONOMICS**

The Wilderness Trail Area Extension Council met in the Laurel County Courthouse in London on Wednesday, December 15, 1976. Those present from Rockcastle County were Jack Owens, Norisita Thompson, Lee Durham, Roy Brown, and Flora Mae Brown.

Mr. Henry Pope, Area Extension Director, spoke to the Council members about the present situation in Extension as it relates to trends, progress and needs.

Extension's original mission was to serve the rural people of America, but this mission has been broadened to include rural non-farm and urban America. Today, Extension is concerned about all people and their communities, and environment. Extension is working with people to help them to help themselves.

The Extension Service has grown. Extension's clientele has increased, office contacts have doubled, phone calls have tripled, and two or three times more people are seeking help and knowledge by enrolling in Extension programs. These demands for knowledge are being met by the Extension service. Tie between the

county agent and the University of Kentucky College of Agriculture research are closer now than ever before. Computer terminals will possibly be placed in all county extension offices in the future. These terminals can provide the farmer with a farm plan that best meets the needs of his situation. A housewife will be able to use this computer to determine nutrition needs for her family and provide better spending plans.

With the increased use of Extension knowledge, personal growth and increased skills of participants are taking place. Special interest groups for 4-H youth and homemakers are increasing. Programs for our elderly citizens and nutrition programs for the needy are increasing. Soil tests for farmers and strip mine operators have increased. Programs for our citizens dealing with the beef cattle and tobacco referendums were carried out. A pilot small farm development program is being conducted in the area.

Community development specialists are working to secure treated water, sewage collection and job opportunities for area residents.

Mr. Pope pointed out to the Council members that with the advent of the Civil Rights Act of 1964, we who secure federal funds, must comply with this law. This law required that the Extension Service organization have a working plan for achieving compliance. Minority groups have been encouraged to help plan and participate in Extension activities.

Mr. Pope told the Council members that they are to be commended on the financial support that has been secured for the individual county Extension programs. Additional support from local, state and federal governments must be secured if Extension is to continue serving the ever-increasing clientele.

The following slate of officers was presented to the Area Council by the nominating committee: President - Rev. Alvin Boggs; Vice-President - George Kelly; Secretary - Norisita Thompson; Woman delegate to State Extension Council - Mae Westfield; Alternate woman delegate - Lillian Kelley. These officers were elected by acclamation.

Recommendations were made by the Area Council to be presented to the State Extension Council regarding needs in the county. They were: (In Agriculture) More efforts be made

toward better farm management practices; more emphasis placed on home gardening; more emphasis on greenhouses; continue to encourage soil testing; continue to emphasize pesticide training programs; continue to stress the need of public awareness of the brucellosis program being carried out in Kentucky; continue research work on no-till cropping and rotation; continue promoting beef cattle production; continue promoting feeder pig and feeder calf production; and timberland management. (In Home Economics) Expand the foods and nutrition program to include para-professionals in all counties; encourage homemaker members to help new mothers, newly wed and mothers of large families to participate in the homemakers program; state officers develop new lesson materials to try placing training materials in public places such as hospitals, shopping centers, groceries, so that people can become more aware of the service being provided; more information is needed on the National Homemakers Program; and Extension agents spend more time in their counties so they can attend more of the homemaker club meetings.

(In 4-H) Recommend that certain competitive 4-H events, winners be selected on three different levels: 5th & 6th grades, 7th & 8th grades and high school level; more teen involvement - Area representatives be more involved and informed about teen council, teen projects and teen activities; more emphasis be placed on securing a 4-H agent for every county; stress special interest projects where it is impractical to have organized clubs; help young people to become aware of their duties as active adult citizens and their duties to their communities; teach young people the value of our natural resources - land, timber, coal, etc.; involve more parents in training, leadership and 4-H project work; develop a greater public awareness of the past and changing image of what 4-H is and how it benefits all youth. Help public to become aware of the changing needs of a 4-H program. (In Development) continue to promote solid waste disposal and recycling of cans and bottles. Prohibit disposals of cans and bottles. Promote tourism and recreation; promote reclamation of strip mine land and better land use; protect open water supply. More research and better system of marketing agriculture and wood products. Emphasize industry.
