

## Family still in need of items after losing home to fire

Tommy Roberts, a 1981 graduate of Rockcastle County High School and his elderly grandmother, Alma Lou Smith, formerly of Route 1, Mt. Vernon, are still homeless due to the fire that completely destroyed their home at Woodstock two weeks ago, Sunday. They have received some clothes and a few bed linens and we appreciate Mrs. Arlie Cromer of Mt. Vernon, Claris Denny, Mr. Floyd Stokes and Mrs. James McClure, also Mr. Lewis Nicely of Mt. Vernon. Tommy and his grandmother have one couch and chair to go in a home. They are in bad need of a stove, table, any piece of furniture anyone has, especially beds and mattresses.

Mrs. Smith lost all her food for food stamps and she cannot get food stamps until she is out in a house. But since they don't have anything to put in a house, they can't get up house keeping. Tommy was unable to find a job after graduating but he is still looking. Now he is worried because him and his grandmother have no home. Grandmother underwent surgery for gall stones five weeks ago and still isn't well.

Anyone who has a piece of furniture they don't need and would like to give it to someone who really does need it, get in touch with Mr. Orville Cromer, Route 1, Mt. Vernon, Ph. 256-5693.

## Fairview

By Mrs. Hubert Chasteen

Rev. Harvey Pensol filled his regular appointment at the Fairview Baptist Church over the weekend with good attendance. 103 persons attended Sunday School with several ministers for worship service. We enjoyed having our visitors and hope they can be with us again soon.

Sympathy is extended to the family of Mrs. Jessie B. Chambers who passed away January 14 in Austin. She was the mother of Mrs. Mable Reppert of Lenoir Valley. The family has our love and prayers at this time of bereavement.

We also extend our sympathy to the relatives of Mr. Cecil Stmell and Mrs. Winnie Miller of Mt. Vernon. May God bless and comfort them at this time.

Little Amanda Reppert, 2 1/2 year old daughter of Mr. and Mrs. Charles Reppert of Berea, was transferred from the Berea Hospital to the St. Jude Children's Hospital in Memphis, Tennessee, last Tuesday morning suffering from leukemia. Mr. and Mrs. Reppert and Amanda made the trip by plane. There has been much concern for Amanda and special prayers have been made by many churches and individuals. At this time her condition has improved and she is responding to medication. For the improvement so far we are all giving God the praise.

She has a long and in front of her before she will be back to good health again but God can do wonderful things and we hope and pray one day she will be well again. Charles is the son of Mrs. Mable Reppert and the late Marcus Reppert. Mrs. Charles Reppert is the former Barbara Wheat, daughter of Mr. and Mrs. Rufus Wheat of Route 1, Mt. Vernon. To Charles, Barbara and Amanda, I'd like to say you are in our prayers at all times. We love you and pray God will supply your needs, give you the strength and courage that you need and keep you safe in his loving care. (Charles is also my nephew-my brother's son). God bless you, Amanda, we love you and hope God will bless you to be home soon. You are so precious.

Visiting Mr. and Mrs. Reppert and Amanda in Memphis over the weekend were Mrs. Mable Reppert and Mrs. Rufus Wheat and Mrs. Gary Reppert and Mrs. Delores (Reppert) Al-

bright.

My sister, Mrs. Bertha Vaughn, died two years ago, January 27th and our mother, Mrs. Liddie Reppert died February 6, 1975. Also our dad, Eugene Reppert, two brothers, Marcus and Robert and a sister, Mrs. Margaret Noland have all gone to be with the Lord. But you know we have that assurance that they are in a better place. But we still have the desire to see them, I know, I miss them so much. It seems that so much of my writing this morning is so sad as I sit here now with tears in my eyes so I can hardly see how to write, thinking of these that have gone on and of times long ago. I thank God for our family, even though we were raised very poor, Mom and Dad did the best they could for us. I'm so thankful for the things we were taught by our good Christian parents, good values like honesty, truthfulness, respect, love and decency and to love and honor our Lord, all people and our country. So to each of my brothers and sisters and throughout different states, I'd like to say I love you and one day I hope we can meet around God's throne with Mom and Dad, Margaret, Robert, Bertha and Mark.

Mr. and Mrs. Cletus Peters visited Mr. and Mrs. Bert Croucher in Berea on Sunday. Also Esther (Noland) Hill and daughter, Kathy, visited at the Croucher home.

Little Tara Brock, daughter of Mr. and Mrs. Bill Brock (Beverly Jane Peters) and her grandpa, celebrated her first birthday, December 30th. Attending were Mr. and Mrs. Cletus Peters and Michale and the Peters (sons of Mr. and Mrs. Mike Peters) of Fairview, Mr. and Mrs. Elwood Brock, Mrs. James Morgan and daughter, Karey and Mrs. Allen Burner and two daughters of Berea. They all enjoyed a good time. Tara is such a doll and we love her dearly and wish her many returns of the day.

Visiting Mr. and Mrs. Hubert Chasteen last Wednesday were some good friends, Mr. and Mrs. Tait Hall of Berea.

Mr. Eugene Alexander and son, Kenny and Rex Davidson visited relatives in Crossville, Tenn. last Wednesday. John Vaughn, Mrs. Ira Reppert, Mt. and Mrs. Kenneth Carey and Mr. and Mrs. Jeff Reppert. While there, Eugene placed flowers on the graves of Mrs. Bertha (Vaughn) grave, as this was

her birthday and also the date of her death, 2 years ago.

Bro. Ballard Rader, of Lancaster and his grandson, Tim Harding of Macedonia visited Mr. and Mrs. Hubert Chasteen last Thursday. It was so good to see Bro. Rader, he pastored our church at Fairview some years ago. But we are sorry to hear of Mrs. Rader's problem with her back. She has been mostly in bed for the past 6 months. She is now able to be up and around some but not able to be out. To Mrs. Rader, we say, we love you and your family and pray you will continue to, improve and God will bless you to be well soon.

Mr. and Mrs. Kenneth Thacker have moved to Snider from Berea. We welcome them to our community. They are well known by all of us and we are glad to have them near us. They are wonderful friends.

Please remember church members to the School. Let's not forget to pray for each other. Just remember we all need the love and prayers of one another. God bless you.

## "FISCAL COURT"

(Cont'd from front)

for anyone helping in the identification and conviction of the violators.

Bobby Wilson, mayor of Livingston, came before the court to ask why the services of a dispatcher had been denied the citizens of Livingston since January 5. Wilson said he understood the radios belong to the county but the citizens in the southeastern end of the county were presently being discriminated against.

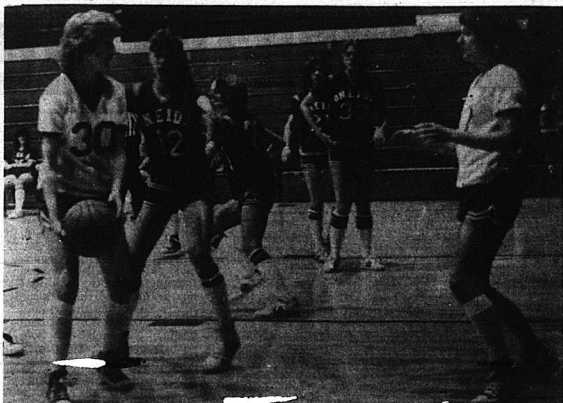

Jailer Henry Lee Abney, who serves as police dispatcher for Mt. Vernon and Brodhead, said that he would not dispatch for city policeman, Fred Hensley, because Hensley is presently under indictment for second degree assault in Rockcastle County. Hensley is charged with allegedly assaulting Abney's sister and nephew in an incident last year. Abney said that the city of Livingston should suspend Hensley until the matter is settled in court and that he would respond to Mayor Wilson's calls by sending the law enforcement officers, but would not dispatch Hensley.

Livingston, like the two other towns in the county, has had an agreement with the jailer who is paid a nominal fee by the town governments to serve as police and emergency dispatcher. Livingston had been paying the jailer \$25 per month for this service, according to Wilson.

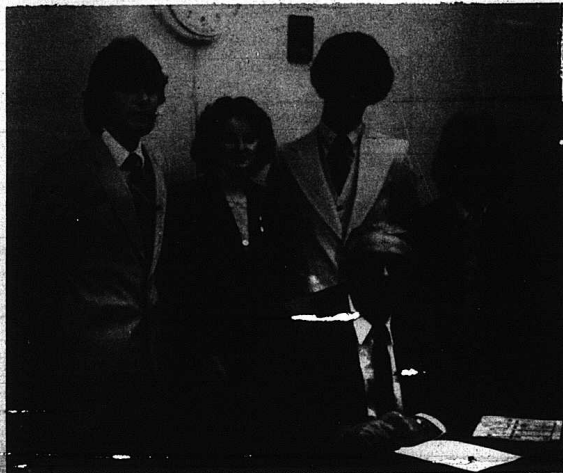

Abney was elected jailer in May and took office in January. The fiscal court took no action on the matter since Abney's duties as jailer do not require him to act in the capacity as a dispatcher.

The court accepted the low bid of \$12,000 from Preston Collins for a backhoe. They also voted to buy two optional buckets at \$200 each. The other bids were \$16,500 from Floyd Miller and \$25,850 from Tippet's Farm Service. Judge/executive Bob Jasper was authorized to make payment for the backhoe immediately.

Sheriff William Taylor asked assistance from the fiscal court in operating his office. He is speaking for the month of January their gasoline bill was \$1,075 and that they could not operate without some help. The court agreed to pay \$500 per

## "BRODHEAD COUNCIL"

(Cont'd from front)

"Our main purpose is to help small water districts sell good clean water at a price that is suitable to the customer and the supplier," Larimore said. Larimore told the council that they did not have to join the association to get their services, but that members got first priorities over non-members. The fee to join is \$10.00 and 10 cents per meter. Brodhead has 356 customers, so the total cost of joining the association was \$45.60.

## Girls win one; lose one

By Coach Preston Parrett

The girls played One-day Thursday night and defeated them 18 to 50. In the first quarter, we shot extremely well and went on top 21 to 10. The second quarter was a repeat of the first as we went on 9 of 16 shots to put us in a commanding lead at halftime. In the third quarter, we scored 24 points as we connected on 11 of 19 shots. In this quarter, Glenna Reams picked up 10 points.

Debbie Bowman led in rebounds with 8. Donna Farthing led in steals with 5. In scoring, Reams got 16, Bowman 19, Holbrook 6, Sturgill 8, Thomason 12, Wolfe 6, Farthing 4, Martin 2, Partin 2, and Anderkin 1.

Friday night we traveled to Pineville where we played without the services of our center, Cynthia Holbrook, who was too ill to play. We suffered a very agonizing defeat from a team which we had defeated earlier in the year. From tip-off to the final horn it was very apparent that we were physically

and emotionally drained and our play was way below par. We had played Clay County on Monday night, Onida on Thursday night and a trip to Pineville on Friday night and we were tired.

In the first quarter, Pineville went on top 10 to 7 as we hit only 3 of 12 shots. In the second quarter, we could hit only 2 of 11 and Pineville was up 21 to 11 at halftime. In the third period, we hit 6 of 16 and Pineville was up 41 to 23. In the final period, we hit 5 of 14 and Pineville was on top 56 to 35, which was our worst defeat of the year.

The girls did their best and are to be commended. These girls have a lot of pride and a fighting spirit that is great. I'm certainly proud of their representation of our school and our county.

In scoring, Reams got 2, Bowman 7, Sturgill 14, Thomas 4, Wolfe 2, Farthing 6.

Friday night, we play Berea at home. Monday night, we play Whitley County at home.

## Boys lose to Pulaski Co.

The RCHS boys team continued their string of bad luck Tuesday night as they lost to Pulaski County, 85-62.

The boys were behind by only two at the end of the first period, but by halftime they were down 37-28.

Pulaski County had two players at 949 when the Rockets' starting center, Anthony Brock, got three fouls early in the game, things began to go bad. Derrick Singleton, who replaced Brock, played a fine game, but it wasn't enough as Pulaski pulled out to a 24 point lead by the end of the

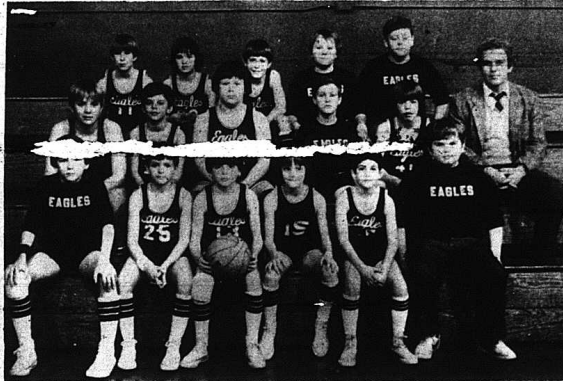

third quarter. Pulaski widened their lead to as much as 30 points at times in the fourth quarter, but some good hustling by Rockcastle resulted in the 23 point margin of defeat.

Billy Reynolds led the Rockets in scoring with 11. David Burdine, Willie Hiatt and Craig McGuire each had 10, while Barry Proctor scored 7. Anthony Brock and Chad Brock each had 4, and Derrick Singleton, Roger Isaac and Scotty Robinson scored two points each.

The Rockets are 8 and 10 on the season and the boys will play Berea Friday night at home.

The Livingston Blue Devils are the 1982 Livingston Lions 5th and 6th grade Mid-get Tournament champions. They won the title Saturday night by beating Roundstone. Members of this year's squad are, from left, front row: Ronnie White, Mike Lopez, Terry Burke, Anthony Medley, Michael Carpenter. Second row: Scotty Livingston, David Poynter, Roger Daugherty, Tommy Parker, William Singleton. Third row: Scotty Goforth, Joe Powell, Darren Allen, Donnie Moberly, Ray Kirby, Steve Kirby and Coach John Hale.

The Roundstone Eagles 5th and 6th grade boys basketball team were runners-up in the recently played county tournament held at Livingston. Members of the team are, front row, left to right: Shannon Wilson, Chad Burdette, Jesse Mahaffey, Clayton McNew, Bobbie Pybas and manager. Jimmy Thomas. Second row, from left: Jon Bullens, Gene Lewis, Chad Williams, Adam Coleman. Third row, from left: Jerry Pensol. Third row, from left: Joey Bullens, Chuck Shields, Kris Pender, Chad Merritt and manager, Tracy Burdette.

The Brodhead Tigers 5th and 6th grade team placed third in the Midget Tournament held at Livingston last week. Members of this year's team are, front row, left to right: John Ford, Keith Goff, Barry Blanton, Charlie Cameron and coach Gary Scott. Second row: Jamie Cromer, Anthony Lewis, Billy Bullock, Mark Brummett and Grey Reynolds. Back row: Scotty Chattell, Shannon Parkerson, Willie VanHook, Jensen Masters, and Robbie Penington.

## Brodhead to host tourney

Brodhead Elementary School will host a 7th and 8th grade boys basketball tournament on February 15, 18, 19 and 20.

According to Johnny Hamm, tournament coordinator, the tournament will be made up of eight teams from five counties with three of the county teams playing. Livingston declined

to play in the tournament. The counties represented in the tournament will be Jackson, Laurel, Pulaski, Lincoln and Rockcastle.

Trophies will be awarded to the first four teams and gold basketballs will be given to members of the winning team, while silver basketballs will be given to the runners-up.

A first place cheerleading trophy will be given as well as gold megaphones to each member of the winning squad.

Twelve players will be selected to the all-tournament team and trophies will be awarded. All trophies were sponsored by merchants and individuals

in Rockcastle County.

There will be two games each night with the first tip-off at 7 p.m. and the second game starting at approximately 8:15.

Admission will be \$1 and the Brodhead fire department will be in charge of parking and security each night of the tournament.

According to Hamm, each player and cheerleader will be fed in the school's cafeteria after each game during all four nights of the tournament. The food that will be served was donated to the tournament by local merchants.

On Friday night, the RCHS chorus will be attending to sing the national anthem and on Saturday night, the RCHS high school band will be at the tournament to provide entertainment.

A hospitality room will be provided for cheer leaders, coaches and administrative personnel.

Proceeds from the tournament will go to the Brodhead Elementary School with part of the money going to the athletic program.

## Grade School Tourney

The Rockcastle County 7th and 8th grade boys basketball tournament got underway Monday night at Brodhead Elementary.

In the opening round, Roundstone was the surprising winner over Livingston by a score of 35-33 in overtime, and in the second game, Brodhead was the easy winner over Mt. Vernon by a score of 35-22.

Roundstone and Brodhead will play in the championship game of the tournament on Thursday night while Mt. Vernon and Livingston will also play in the quarter final game at 6:30.

Pictures of all the teams will be in next week's Signal.

C.C. Ponder of Mt. Vernon, was winner of the Rockcastle County Bass Club's last tournament of 1981. The tournament was held on Barren River in December and sponsored by Masons Bulldozer and Backhoe Service.

VOLUME 95 - NUMBER 26

THURSDAY, FEBRUARY 4, 1982

Priscilla Napier, left, Rockcastle County March of Dimes chairwoman, is shown presenting hospital administrator, Henry Hoskins, with a check for \$1,000 to be used to purchase an Infant Transporter. The transporter will be used primarily for moving seriously ill newborns to larger medical centers. The controlled environment maintains stable oxygen and temper-

ature levels and allows attendants traveling with the infant to administer to the child's needs without removal. The money was solicited from businesses, and realized from the April Walk-a-Thon and the October Baby Contest. Ms. Napier says another Walk-a-Thon is being planned for this April. ## City awarded UDAG funding for economic development

A spokesman for Fifth District Congressman Harold Rogers announced Thursday that the city of Mt. Vernon had been awarded the \$208,500 Urban Development Action Grant (UDAG) it had sought through the Department of Housing and Urban Development.

The grant will be used by the city to extend a low interest, expansion loan to Mt. Vernon Plastics. The company will pay on the loan will help offset the inflated interest rates the company will be paying on the remainder of the \$14 million dollar expansion project.

The project is expected to be complete in the next two weeks, Touratsos said.

Other sources of funding for the project are as follows: \$250,000 loan from the Kentucky Development Finance Authority at 12 1/2% interest rate; from the Small Business Administration, a \$193,500 loan with a floating interest rate of prime plus 1 1/2%, a \$21,050 loan from Kentucky Highlands Real Estate with a floating rate of interest of prime plus 1 1/2%; from Kentucky Highlands Investment Corporation, \$200,000 at 14% and \$412,000 at 15% rate.

The \$208,500 loan from the city plus a rate of interest now being negotiated will be repaid to the city over a specified time period. According to Mayor Roland Mullins, the paid back money will be used to further economic development in the county. Mullins said he plans to appoint a committee of governmental and civic leaders in the county to come up with a plan as to how the money will be spent.

Rogers' spokesman said the Mt. Vernon grant was the only UDAG funded this quarter.

## Subdivision at standstill

By Rick Anderkin

The City of Broadhead has reached a stand still in their efforts to develop a site for a 30 unit subdivision, on the Profit property owned by the city, according to Jim Cass, of the Cumberland Valley Area Development, who was present at the Commission's regular monthly meeting, Monday night.

According to a letter from the Kentucky State Clearinghouse, which was presented to the commission, they (the Clearinghouse) has completed their review of the commission's proposal to develop the site for the subdivision.

The Kentucky State Clearinghouse must approve the proposed project before Broadhead can receive any type of grants or loans from the State or Federal government.

The letter, written to Mayor Ronnie Cash, stated that the project would not be approved. The only prescription drugs taken were penicillin and erythromycin, both of which are antibiotic. No other drugs are ever kept in the office.

The letter also stated that the division of water would have allowed the project if the city of Broadhead could reduce infiltration and inflow in the sewer system by a minimum of 10,000-gallons per day.

However, the letter went on to state that the project would be approved only if the Sowder Nursing Home was not constructed. The rationale behind such a statement is that on December 3, 1981, the Department for Natural Resources and Environmental Protection agreed to endorse the construction of the nursing home, provided a similar reduction in gpd (gallons per day) could be achieved.

The letter went on to say that the possibility has arisen that the Certificate of Need for the nursing home may be revoked and if this is the case the reduction in gpd would allow construction of the subdivision.

Cass told the council members that he felt like a Water Superintendent Dee Alva Bussell, Mayor Cash and he (Cass) should write a letter to the division of water and explain that the city had made several improvements in the sewer plant since the last inspection by the state in November of 1981. The council agreed that writing the letter would be the best thing to do at the present time.

Cass also told the council

that the final financial arrangements for the 8 housing units to be built at the fairgrounds, had been approved by HUD.

Cass said that the tentative closing date had been set for March 5th, but that could be changed.

In other business, the council voted to join the Kentucky Rural Water Association, as a voting member.

Gary Larimore and Everett Seavers, both employees of the Water Association were present at the council meeting to tell the council about the associations services to rural water districts.

## Clearing up

The story concerning the burglary of Dr. York, Parsons and Nance's office that appeared in last week's Signal contained some misleading information.

The only prescription drugs taken were penicillin and erythromycin, both of which are antibiotic. No other drugs are ever kept in the office.

No money was taken. The \$178.00 mentioned in last week's article referred to the cost of the dental instruments stolen. No money is ever left in the office.

The Plastics company, the second industry to locate at the Rockcastle Industrial Park, molds plastic lids for food and other industries.

Company president, Jack Touratsos, said that the company has grown faster than originally expected and that by July the company will have in operation three presses, thus doubling the production capacity. Construction work on the building phase

Household size of 1, \$359; 2, \$474; 3, \$589; 4, \$694; 5, \$819; 6 or more, \$934.

The Bureau for Social Insurance office hours are 8 a.m. to 4:30 p.m.

## CONTRACT AWARDED

The state Department of Transportation has awarded a contract for replacing the culvert at Big Hurricane Branch on KY 1505, at Broadhead-Conway Road, in Rockcastle County, Danville Construction Co., Danville, received the contract for \$46,965.

The project is part of the state's five-year construction program announced last year.

## Roundstone classrooms project awarded to Wise Construction

The opening of nine bids submitted to the Board of Education for construction of two new 11 classrooms at Roundstone Elementary School, was the first order of business at the regular February meeting Tuesday night.

Wise Construction Company of Lexington was awarded the contract on the basis of having submitted the low bid of \$89,900. Other bids were as follows: Newland Construction of Broadhead, \$99,587; Gwinn Corporation of Paint Lick, \$114,900; Quality Construction of Russellville, \$155,982; Branscum Construction of Russell Springs, \$104,944; Breeden Construction of Lexington, \$99,900; Blue Grass Construction of Richmond, \$110,671; Hibbitts Construction of London, \$121,700;

and Foynter Construction and Restoration, \$103,000.

The two rooms, 40'x22' each with an 8' hallway, will be attached to the back of the Roundstone facility. Each room will be complete with restroom. In other matters, the board voted to approve John Nugent, Mt. Vernon, as Darrell Wayne Sparks, and Susan Skaggs Holt as substitute teachers and Bobby Wisler and Palmer Yanzani as substitute bus drivers.

The board also approved the acceptance of preschool examinations by the health department or a doctor of choice for the school year 1982-83.

The last order of business was to approve advertising for bids for lunchroom food and supplies and for fire extended coverage and boiler insurance.

## McFerron's latest print appears on January issue of "Kentucky Banker"

Mark McFerron was recently honored by having his latest art work, the old Rockcastle County Courthouse, featured on the January cover of the "Kentucky Banker" magazine.

The work is the second of Mark's paintings of Rockcastle's historical landmarks to be offered in the form of limited edition prints.

Rockcastle County's promising young artist is only 26 years old and is a second year art major at Eastern Kentucky University where last year he had a painting accepted (rare for a freshman) in the EKU Art Show.

Mark has also served as a gallery assistant at Berea College; designed a calendar for the Rockcastle County Rockets Booster Club; illustrated a textbook for Airline Associates in Lexington and has had a request for a print to go into the U.K. Historical Archives.

His first limited edition print was of the old L&N Depot building.

These three scouts are "making-do" as they participate in the Klondike Derby held at the Family Life Center facility at Renfro Valley Saturday, January 30. The derby which lasted from 10 a.m. to 2 p.m. included seven events for which scouts received "gold nuggets" for correct completion. The events included cooking, racing, first aid, sawing, primitive camp site, fire

building and knots and lashes. Shown completing the primitive camp site event are from left: James Mullins, Gerald Owens and Greg Hamm of Rockcastle County's Troop 263. Approximately 132 boys scouts from 5 counties participated in the derby sponsored by the Kit Carson District of the Bluegrass Council of Boy Scouts.

## Court to pass ordinance dealing with garbage; no contract awarded

The costly and unsightly business of disposing of garbage, a matter which has plagued county officials for some time, seems to be worsening. So much so, the fiscal court plans to pass an ordinance at the next meeting imposing stiff penalties for littering around garbage containers, bringing garbage from outside Rockcastle County and prohibiting the use of dumpsters for all but bagged household garbage.

The opening of the only bid for garbage collection at the Tuesday meeting of the fiscal court and the discussion that followed took much of the courts time.

Multi-County Services, owned by William K. Bullens, who for the last 3 or 4 years, has had the garbage contract for the county, submitted the bid; however, according to magistrate Joe Clark, the bid specifications were not written the way he and other members of the court had intended.

The magistrates agreed with Clark that they preferred that Bullens bid a set amount per month for the service rather than naming a price per pick-up and per extra pickup.

Bullens said that it would be hard to bid that way as it would have to be based upon expectancy and that would be higher; however, Bullens agreed to re-submit a monthly bid which would include cleaning the area within a 15 foot radius of the garbage container.

Bullens retired to the Judge/Executive's office and returned with a bid of \$7,670 per month under the

new verbal specifications.

Court members asked Bullens if the bid was negotiable since it was, in all members' view, less than the county could pay. The court then voted to offer Bullens \$50,000 for the service for 1982 and Bullens said he would have to think about it since the amount was less than he was paid last year and since the present contract was based on a bid made 3 years ago when diesel fuel was 50 cents a gallon. The court paid Bullens \$51,244 last year.

The court voted to extend the present contract to Bullens for one more month and told him that they would try to help alleviate his clean-up problem by passing the ordinance and offering a reward

### HOPE IN CHRIST

In the sixth day of God's creation, he said, "let us make man in our image." Genesis 1:26. Adam was made a body of flesh and blood from the dust of the earth and God breathed the breath of life into his nostrils. God had thus set in motion a long line of events that would bring forth one in his image and after his likeness. This was the dawning of the sixth day of his work. Adam and Eve were the first but God had more to do. He would bring forth a perfect man after which he would rest from his work, seeing that all things could be given unto the hands of his son."

You know how God worked in Cain and Able, Noah, Abraham, Isaac, Jacob, Lot and all that happened to Sodom and Gomorrah. You know how the children of Israel were in bondage for such a long time and how Moses was cast out so that his life might be spared from the evil masters of the day. You have seen how God labored in Moses and saw his people from the desert. He labored so that he would send them to the promised land after forty years in the wilderness. God worked his holy work, on and on, generation after generation, kings and prophets, beggars and rich men but, from all of these, none had yet been without sin. None were like God in spirit and soul but through much labor in this world, all things were made ready. A virgin conceived by the Holy Ghost and brought forth one like unto God without sin. He walked and talked as God did, he was his exact image and his likeness. After so much labor and care, God finished his sixth day of creation. After six days of work, God would now take his rest. He would enter into his holy rest, his Holy Sabbath and his son, Jesus Christ, would rule over it to keep it holy.

The holiest of all sabbaths began on the day of Pentecost when Christ returned to see his people into the rest with God, as he had promised. Commanding them to cease from their work of sin and enter into his sabbath, free from that former burden. To stop sweating and working in the fields and factories, will not cause us to enter into the day of rest with God. But, to stop our works of sin, such as is commanded by the word, will let us enter the Holy Sabbath. How do we enter? By the gift of the Holy Spirit. This holy day that the son of God rules over, began on the day of Pentecost and it will end when you and I meet death. God said, "remember my Sabbath day, to keep it holy."

Those that do not believe the scriptures do not keep the complete commandments of Christ. "And to whom aware that they should not enter into his rest, but to them that believed not? So, we see that they could not enter in because of unbelief." Hebrews 3:19. To be disobedient to the word of God will keep you from entering into the pure Sabbath of God and you will be left to wander in the wilderness of sin, even as Moses and the children of Israel did, until all things unclean are done away with. Either by death or forgiveness, sin will be removed. The unclean works of sin cannot exist in the Holy Sabbath of God. "For he that is entered into his rest, he also hath ceased from his own works, as God did from his." Hebrews 4:10.

A sabbath was established in the days of old by keeping one day a week above others. The Holy Sabbath was not yet brought forth, God still labored in the sixth day, Christ had not yet been born and the Holy Ghost had not yet fallen, so that man could cease from his works of sin. The natural sabbath, one day a week, in which those that feared God were commanded to cease from their natural work, was but a foreshadow of one to come. Do you still linger in the natural day, or have you entered into the one that Christ led us to? In the natural sabbath day they could not cook, they could only travel about two thousand paces, they could carry no burden, they could kindle no fire and many more such things were they commanded to cease from on that natural day. They entered into a natural day and were commanded to leave behind their natural works, which could not cleanse their spirit. To enter into the Holy Ghost with Christ our Lord will cleanse both body and soul. All that is natural must perish so that the spiritual can be established. Is this to say that the natural day was not good for those under the law? It is not! For that day pointed all that kept it toward Christ and his Holies of all Sabbaths. The one that all mankind is longing for.

In these United States most of our modern doctrines teach the keeping of Sunday as a sabbath day. As we under the law of Moses, they teach to cease from natural works and thereby please God. Do you keep the Sabbath as they did? If not, when did only parts of the commandments change? For whosoever will keep the whole law, and yet offend in one point, he is guilty of all, James 2:10.

No longer is it enough to keep one day a week above others, but we must enter into the eternal Sabbath, by ceasing from sin, if we are to enter into his rest. The law of Moses is no longer in effect. It was completed in Jesus Christ who is become our high priest. "For the priesthood being changed, there is made of necessity a change also of the law." Hebrews 7:12.

If we enter into the Holy day of rest with Christ, we cease from our work of sin, by keeping his commandments, until we reach over into this body of flesh and then begin a new week, which is eternal. Can you see? Write to:

### Letter to the Editor

Dear Editor:  
Sunday morning, January 24th, our office was burglarized. Due to the quick response of Mt. Vernon City Police officers, Dickie Collinsworth and Joe Howard, two suspects were apprehended. We understand that both Mt. Vernon officers were at home and in bed when they received the call. They arrived at our office within four minutes, caught the suspects and as a result all stolen items were recovered. We appreciate the work these officers did on Sunday and would like to express our thanks.

### Dear Editor:

The Board of Directors of Sowler Nursing Home, Inc. would like to express their thanks and appreciation to the dedicated men of the Brodhead Volunteer Fire Department for their response to our facility last week.

At 10:20 Tuesday night, January 12th, the fire alarms in the nursing home were activated by the malfunction of two sprinklers in the attic. Several gallons of water per minute were released in the attic and if the nursing home staff and the firemen had not responded so quickly and efficiently there could have been thousands of dollars worth of damage done. However, the firemen

working together soon had the flood under control. They then continued to work until the faulty sprinkler heads were replaced and the sprinkler system reactivated. They stayed to help mop up water and dry equipment. We are very fortunate to live in a community like Brodhead where people are willing to help each other in emergencies, even if it is without pay and in the middle of the night. Again, we want to say, "Thanks, Brodhead Firemen and nursing home staff. We can be proud of the service you give to your community."

Sincerely,  
Linda L. Witt, Adm.  
Sowler Nursing Home, Inc.

### Dear Editor:

This morning I received a copy of a very interesting newspaper called the Mount Vernon Signal and since I wasn't quite sure who to thank just decided to try anyway. I feel you just might be the nice lady that I talked with on the telephone concerning the Whitley family of Rockcastle. I do send my thanks and appreciation for your kindness, and would like to say that I found the article on the VanHook family of much interest, especially concerning Winifred d/o Samuel and Hannah Wilson Williams. I have much information on the William Chapman/Chapman Whitley family of Crab Orchard included in the copy of the William Jr. Bible records. My ancestor was William A. Whitley s/o Samuel Whitley and Rebecca Ann Brown of Saltville, Smyth County, Va.

Again, my thanks, you are appreciated!

Sincerely,  
Mrs. Mary F. Long,

# Circuit Judge Wicker speaks.

Circuit Judge Phillip Wicker was guest speaker at the Mt. Vernon Woman's Club Tuesday night, January 26.

Judge Wicker explained the present court system and voiced the concerns and frustrations he has experienced in the 6 years he has been Circuit Judge. Wicker's 8-year term expires in 1984.

Judge Wicker's presentation was followed by a question and answer session.

The public affairs committee, with Kathy Cromer as chairwoman, made the program available.

Hostesses for the meeting were Mary Gregory, Alma Bullock, Jean Allen, Alta Kendrick, Karen Nee and Evelyn Gregory.

## Miss Bullock Honored

Miss Karen Bullock has recently been named to "Who's Who Among Students in American Universities-Colleges."

Selection for this award is made by a campus nominating committee and is based on academic standing, community service and leadership ability.

Miss Bullock has also been selected for the "Milestone Hall of Fame Award." This award is given to the outstanding graduating Senior at E.K.U.

Karen is a senior biology major at E.K.U. and is the daughter of Mr. and Mrs. Glen Bullock of Orlando.

Miss Kathy Lawrence entered student competition with 12 other students while attending Collins School of Cosmetology in Middlesboro recently. She received second place in designing new hair fashions for spring. She is the daughter of Mr. and Mrs. W.H. Lawrence.

For some reason the Mt. Vernon Signal has been the best newspaper in the whole USA to me. A weekly publication that probably goes to many towns and cities in each of the 50 states. And every subscriber has the privilege of sending in news items, letters, pictures, etc. We love to read your letters to the Editor.

Where can you get any better news than our Rockcastle County newspaper. Most everyone knows some of the folks mentioned in the several correspondence news, and since Disputanta is coming to the front by Hilda Gabbard and includes a large portion of our County people. It is fascinating by her unique way and expressions "It takes the Signal to cure the blues," which is so true.

Ever so interested in Rick Anderkin's Sports Newscast. And, of course, I was very much interested in January 14th Signal of the picture and event in full of the wedding of the Roberts-Graham. I didn't get to attend but I closed my eyes and visualized little Jason Hunt, walking proudly to the groom (his uncle) as ring bearer, in his pale blue tuxedo with navy trim, ruffled blue shirt and Miss Kristi Graham, niece of the groom, who wore a

What is the Hurry? By Juanita Fordyce

It's a hurry up world, We live in today, And it seems no one, Has a moment's delay, Hurry to bed, hurry to rise Hurry up breakfast some one cries.

Hurry to school, hurry to work, don't be late, Seems we've all got in a terrible state, We hardly have time to talk to a friend, I wish we could slow down And the hurry would end.

We hurry through life day after day, We look at the calendar, and wish time away, We tell our children, hurry, We can't wait any more, Come on, if you're going, Hurry, shut the car door.

We rush into the grocery, Grab up some stuff, Rush out again, it really is rough, I'd love to slow down, And it would be fine, If I could go shopping, And just take my time.

When Heaven's gates open, And I start to walk in, I hope God don't say hurry Or I'll close them again.

In Memory of our Loving Mother  
By Della Reynolds  
Who Passed Away Feb. 6, 1975

There is a family who misses you sadly, And finds the time long since you went, And We think of you daily and hourly, But try to be brave and content, But the tears that we shed in silence, And we breathe a sigh of regret, For you were ours and we remember.

To all the world forget, Not dead to us, who loved you my dear, Not lost but gone before, But though we're parted for awhile, I know we'll meet again, Some day, we hope to meet you, Some day, we know not when, We shall meet in a better land, And never part again.

Your Children

soft blue long dress and distributed the rice bags. I envisioned a picturesque sight lovely to behold.

Since arriving at the home of my family, Danny and Joyce Wiseman and sons, Scott, 18 and Steve, 15, in Bradenton and visiting at the home of Mr. and Mrs. Ernest Dotson, I was given a Memorial Tribute to Orla Dotson Blanton, Ernest's sister, born 1895 - died 1981. Services were held for Mrs. Blanton at Wray Funeral Home in Berea and interment in Berea Cemetery at 2:30 p.m., Tuesday, December 1, 1981. She was the oldest child of the late John and Addie Dotson of Wildie. Our deepest sympathy is extended to the Blanton and Dotson families in the passing of their beloved Orla.

My daughter and I had lunch one day recently with my niece, Mrs. Martha Kincer Turner in Sarasota. She is the daughter of Mrs. John Kincer of Erlanger, Martha and Dave Turner and children moved recently from Mississippi to Sarasota. Mrs. Turner has also spent some time in Bradenton with us. We are expecting to visit us soon.

Mrs. Cleo C. Platt writes that she doesn't remember the weather ever being so cold as it has been this winter at Rising Sun, Indiana. She had received word from her cousin, Ruby Rice in Mt. Vernon, that her mother has been in very ill health again. Let's continue to pray for Ruby's mother, also, for Mrs. Louanna Cromer, Mrs. Fannie Thomason and many others who are on the sick list in Rockcastle County.

Congratulations to my sister, Mrs. Ethel Greenwood of Bedford, Indiana, Mrs. Elizabeth Zieger, and Mrs. Greenwood's daughter, Mrs. Bob Thornton, as their birthdays fall on February 1st.

It was a joy to receive cards and letters from many dear friends and relatives. Mrs. Sula Wallen Splitter writes from California saying, "Wish you were here to enjoy fresh radishes and lettuce from my fall garden and I will have new peas by New Years." Mrs. Florida Doan writes from Muskegon Heights, Mich. where she spent Christmas with her family. A good letter from Mrs. Ella Ponder saying that her sister, Miss Fairy Dooley and Frankie McDannell came from Ohio and spent the holidays

Jordan Scott Kirby celebrated his first birthday January 16. He is the son of Mr. and Mrs. Robert E. Kirby of Route 1, East Bernstadt. Grandparents are Mr. and Mrs. Herman Kirby and Mr. and Mrs. W.B. Hellard, all of Route 1, East Bernstadt. The mother is the former Bonnie Hellard.

I share my letters and cards with the Wisemans - Joy says, "Mother, it's only when you are here that we hear so often from our relatives."

Edward Craig Sower, son of Mr. and Mrs. Bill D. Sower of Route 1, Mt. Vernon, celebrated his first birthday, December 31, 1981. Helping him celebrate were Susan Whittis and sons, Shawn and Drew, Mr. and Mrs. Lester Bullock and Carla and his aunt, Tracie Sower. He is the grandson of Mr. and Mrs. Edwrd Sower, Jr. of Route 1, Mt. Vernon and Mr. and Mrs. Ralph Whittis, Route 1, Hustonville.

## Disputanta

By Hilda Payne Gabbard

Hello from Clear Creek. The January thaw has been in effect over here with lots of rain which means more work to clean the earth in preparation for the new season that is about to come upon us in proof of God's promises. I see the branches of clear water rushing down the hillsides, leaping from one rock to another as if saying, "I must hurry and get things ready for the greening of life that will spring forth from the rich earth, green shoots and tiny wild flowers that will give us new hearts of a winter worn people."

Don't say time can't be turned back. I saw proof heavy snow that the Clear House Hill above our home. John called me to come and look at a group of young married men who were sliding down the icy hill. The Harding men, David, son, Terry Wayne, Perry and cute wife, Phyllis, were descending it in "Speedsters" with the speed of a bullet (almost) daringly. The funniest thing about it was a bump in the road that would throw me out if I didn't know how to hang on. They didn't tell Phyllis that and you talk about a girl flying through the air into a snow bank! I thought of the poem which says, "Men are only boys grown tall" when Phyllis chased Perry up the road with a snowball for me to hit.

Joyce Thomas, daughter Rita and son Kirk, were recent visitors of Joe and Ruben Abney who are always glad to see family folks. I'm sure there was a lot of "lifting lids, sniffing and looking around" in the kitchen to a woman who had been baked for the kids can always count on Grandma to do something good to eat when she thinks they'll be around. Joe, as usual, always tells a tale of what they are missing by not being on Clear Creek with Spring coming.

Benny James writes from Arlington, Texas, as if she is echoing Joe Abney's philosophy, "I don't have to tell you what a wonderful thing spring is on Clear Creek. There's no other place like it on earth." The woman sounds very, very homesick for these beautiful hills and valley.

Phyllis Harding says she spent the weekend carrying rocks in preparation for building a chimney to the log house she and Perry are building up on the hill above John and Mary Harding's home. Sure nice to be close in case they smell ham frying down at Dad's.

Well, you never saw happier people than Raymond and Lorene Hurley with the new arrivals at their house. I couldn't believe it when I heard the news. Raymond takes his religion seriously for they gave them the names of Esau and Jacob. You know the finally will spoil them to death since there hasn't been any young life around lately. So call Raymond and Lorene Hurley and congratulate them on their fine cow giving birth to twin calves which are the prettiest animals you ever saw. I'll let you know of their progress in future.

"Featuring People" It was 1865, a warm July 7th, when word spread through the neighborhood in a section near Mt. Vernon that George William and Elizabeth Drew Payne had a new baby boy born to them and they had named him Orestes Mitchell Payne. In later years that baby became my dad and went by the initials of O.M. Payne.

In memory of the wonderful father he has been to 11 children, six boys and five girls, on this 31st anniversary of his death in January 1931, at age 65 years, I wish to feature him and his career as an outstanding citizen of Rockcastle and the Clear Creek

section. Within two years of his birth, Dad's father died. Life was hard for pioneer people after the Civil War and his life was no exception. He gained as much education as was possible then through the McGuffey Readers (of which I have a set, first through sixth grades). He certainly learned enough higher to enable him to enter the business world later.

At age 24, he fell in love with a pretty black-eyed girl, Martha Jane Abney, a 15 1/2 years old with a wealth of long black wavy hair that hung about her shoulders, and they became man and wife. Dad, who had inherited some money from his father through his service in the war, took Mother on a honeymoon trip on the "railroad cars", staying at the Phoenix Hotel in Lexington. Today, that would be equal to a trip to Hawaii on a super jet. We kids heard much of this fabulous trip in after year which was a highlight of a young mountain girl who had hardly been out of Brush Creek Hollow where she lived at the time.

They returned

This is a picture of O.M. Payne and wife, Martha Jane, parents of Hilda Payne Gabbard, made on their honeymoon to Lexington in 1869.

Bottom, Ky. where Dad started a store selling goods needed by the community. You can bet it was no supermarket, but he liked the opportunity it presented to make a living without dealing with the harshness of nature in the backwoods, as was the work of most men in the county. Due to his father-in-law, Taylor Abney, moving to the Clear Creek section of this county, Dad sold his store and moved from Clover Bottom to the location now owned by Matilda Miller here in Disputanta. With Mother's uncle, Ruben J. Abney (written about in a previous column), he again went into the store business here which he ran for several years. Later he

bought his partner's half of the business and it became "Payne's Store" for a period of 73 years.

Next week I will tell of Dad's facing a drunken, disorderly Magistrate of this section, and how he restored order to the crowd. This was another one of his jobs that he had taken as a citizen of Clear Creek.

Till then: Not being able to take it with you is not the problem anymore. The problem is managing to leave some behind!

The Willing Workers Homemakers met at the home of Gladys Bussell on January 28th. Margie Shivel was co-hostess.

The meeting was called to order by president, Geneva Brooks. Members responded to roll call with ways to save money at the grocery. Seventeen members were present and three visitors from a new club.

Business discussed included the blood drive, extension budget, state home-

made and fund raisers. The club is planning to put on the play "Hessie of the Hills."

Homemakers filled out special interest program forms and forms for lessons for 1982-83 year.

The lesson was "Eat Well for Less" and was given by Betty Machal.

(Cont'd to P-16)

Corey Craig celebrated his 7th birthday on January 5th at the home of his parents, Mr. and Mrs. Benny Craig. Helping him celebrate were his sister, Stacy, Mrs. Mary McWhorter, Mr. and Mrs. Willie Taylor, Pat Frait and Freddy and Austin Mobley. Mr. and Mrs. Curtis Bradley took Corey and Stacy out to eat before the party. Mr. Bradley was celebrating his 40th birthday also.

Cumberland Production Credit Association  
 Plaintiff  
 V. Notice of Sale  
 Robert E. Northern and Phyllis J. Northern  
 Defendants  
 By virtue of a Judgment and Order of Sale rendered on the 15th day of December, 1981, by Circuit Action No. 81-CF174, I shall proceed to offer for sale at public auction to the highest and best bidder for cash and upon credit of three months with twenty percent of the purchase price to be paid down upon the date of sale, on February 23rd, 1982, at or near the hour of 1:30 p.m. local time, on Tuesday, at or near the front door of the Rockcastle County Courthouse in Mt. Vernon, Kentucky, the following described property, to-wit:  
 Beginning at a corner of the said Dixie Highway at the most northern corner of land owned by J. Fish (now Holbrook) at the easterly side of said old highway; thence easterly 125 feet along the southerly line of lands owned by Richard Sowder (now Taylor); thence southerly along the westerly line of land owned by Richard Sowder (now Taylor); 430 feet to a stone corner; thence westerly along the line of said Richard Sowder (now Taylor), 215 feet to the corner of the land owned by Richard Sowder (now Holbrook), 430 feet to the point of beginning.  
 There is excepted herefrom and not conveyed such area on the South side of the property as necessary to maintain a bill board or sign and the

existing roadway to the presently existing sign.  
 Further as a part of the consideration herein granted, covenants are made to damage or disturb any sign placed on the excepted area.  
 Defendants, Robert E. Northern, and Phyllis J. Northern, obtained title to said real property by deed dated november 1, 1977, executed by Willie Young, a widower, and of record in Deed Book 106, Page 340, in the office of the Clerk of the Rockcastle County Court, Mt. Vernon, Ky.  
 The amount to be raised is the sum of \$12,880.16 plus interest at the rate of \$4.37 per day from November 1, 1981, until paid.  
 The purchaser or purchasers shall be required to pay the 1982 property taxes.  
 If sold on credit of three months, purchaser or purchasers shall be required to pay twenty percent of the purchase price down upon the date of sale, and shall be required to execute bond with an approved surety for the payment of the remainder of the purchase price same to be paid and payable on or before the date of judgement, and shall be and remain a lien upon the property sold as additional surety for the payment of the purchase price.  
 Bidders shall be prepared to promptly comply with the aforesaid terms and conditions.

between 30 and 50 degrees. Many people just don't believe such weather can be dangerous, and so they don't take the precautions they would in much colder weather. They don't dress as warmly, and they may stay out longer. Wind, wetness and exhaustion aggravate the situation. But outdoor sports lovers can save the day, and perhaps even a life, by knowing the weather forecast, knowing their capabilities, and choosing the proper clothing.

The following are suggestions on how to "dress defensively" for cold weather sports:

1. Dress in layers of clothing that can be taken off or added depending on your level of activity and the weather. The energy you expend, the body heat you generate, and the air temperature all may change during your outing. Several light layers also provide warmth as dry, warm air is pocketed between layers.
2. Begin with heavy, knit underwear with high heat retention and good breathing characteristics. Wool is best for warmth. Cotton is good, but offers little warmth when wet.

Synthetics also are warm but do not retain heat when wet. Look for synthetics labeled for cold weather protection. Add a shirt sweater, warm, tight-fitting pants and a 60/40 parka or wind-breaker (60% cotton, 40% nylon). A 60/40 parka is not heavy, and the cotton allows the fabric to breathe, while the nylon offers outer protection. Wear good head covering, preferably a knit cap and a hood on the parka to flip on in rain or snow. Heat loss from your uncovered head can account for 20 percent of your body's total heat loss.

**"WILDCAT"**  
(continued from page 6 of last week's Signal.)

Garrard reported on October 10 that he had only 975 noncommissioned officers, musicians and privates in the regiment and complained that he was getting little help from the command of Colonel Frank Wolford's cavalry, some of whom had been drunk even on picket duty.

When Zollicoffer moved forward on October 16 with 4,500 men, Garrard issued an ultimatum to his superiors declaring that if he did not get more troops, he would retreat toward Camp Dick Robinson saying, "I have no idea of having my men butchered up here."

Reinforcements were moved in along with a new commander of troops in the Rockcastle Hills, a Hungarian refugee with engineering experience, named Albin Schoepf.

When Zollicoffer reached London, he was aware of the number of reinforcements reaching the enemy. He decided to "feel of them with two regiments and some cavalry."

On October 21, 1861, in the first major skirmish of the war in Kentucky, the Tennessee 11th and 17th regiments along with the 2nd Tennessee Cavalry attacked the enemy's entrenched position on the Rockcastle Hills.

Clambering up the rugged cliffs with shouts and cheers, the troops approached to within 40 paces of the Union muskets, when they were met by a galling and deadly fire. Courageously, the 17th Tennessee charged the Union line forcing the cavalry to waver and retreat in some confusion. The commander of the Union troops in an effort to prevent further panic among his troops, rushed forward and commanded, "Go D— you, stand your ground if there is a million of them!"

Order was quickly restored and after several hours of severe fighting on both sides, the Confederates withdrew, bearing off a portion of their dead and wounded.

That night the Union troops lay on their guns on Wildcat Mountain expecting the enemy to attack again. Fires could be seen burning in the Confederate camp a couple of miles away and they could hear the sound of wagon wheels which were presumed to be bringing forward reinforcements for the grand assault.

But when morning came, it was discovered

that the Confederates had retreated during the night in the direction from which they had come. "Zollicoffer was satisfied with the Yankees for a time," concluded a Union soldier, "and sadly retired to pick his flint and try again."

Some historians have referred to the confrontation as rivaling the retreat at Bull Run, however, facts do not bear out the claim of either a Confederate or Yankee victory.

Zollicoffer acknowledged that he had seen fit to fall back from the Rockcastle Hills. Writing to his superiors of the account, he said, "The Rockcastle Hills position, a natural fortification, was almost inaccessible. Having reconnoitered in the heavy fire for

several nights on the right, left and front, I became satisfied that it could not be carried out otherwise than by immense exposure, if at all. The enemy has received large reinforcements." He acknowledged 42 wounded and 11 killed and missing. He took 21 prisoners, 100 guns and 4 horses. "The country is so poor, we had exhausted the forage on the road for 15 miles back in 24 hours. Our subsistence nearly exhausted, I deemed it wiser the next day to fall back."

The Union officers themselves did not boast of an overwhelming victory, one saying that "the attack was unsuccessful, simply because it was 24 hours too late."

Five days after the battle, Zollicoffer and his troops reached Camp Buckner at Cumberland Ford. One being asked why it took them longer to make the trip to Wildcat than it did to return, one of the men replied that they marched there to the tune

of "Dixie" and came back to the tune of "Fire on the Mountain, Run, Boys, Run." Zollicoffer became convinced that he could not advance further into Kentucky by that route. He traveled westwardly. Union forces moved out to Crab Orchard Springs and set up headquarters there.

Zollicoffer was killed less than three months later on January 19, 1862 during the Battle of Mill Springs as he attempted to enter Kentucky and route Union forces via another passage.

**IT'S A FACT!**

**SIGNIFICANCE TO PUBLIC**

These fast-growing trees, planted at Georgia-Pacific's 10,000-acre experimental plantation in Southwest Florida, are good news for consumers because they cut the price of growing the raw material for pulpwood, fuelwood, fence posts and plings, and this can help reduce the cost of paper and other products made from wood.
