Note about early dismissals

Since the snow season is here, it might help parents to know the school policy concerning early dismissed time.

Principals are advised to keep school clocks set with WRYK radio station over which early dismissal announcements will be made.

Anytime school is to be dismissed early at a given hour it is understood that the high school will dismiss 20 minutes earlier to the elementary schools. For example, if it is announced that school will dismiss at 20 minutes to get to the elementary schools. For example, if it is announced that school will be dispensed in the elementary schools would dismiss at 2-p.m. with the high school being dismissed at 1:40 p.m. in order to allow 20 minutes for the buses to travel to the elementary schools by 2 p.m.

Early dismissals will reportedly be kept to a minimum.
