Letters to the Editor

(Cont'd from P-2)

Dear Editor,

Please allow me this opportunity to thank you and your staff for the excellent coverage on KAGE/RAGE. Leigh Anne did a thorough job in covering the story, and I appreciate the space given to it.

I would like to remind everyone that February 20 is the next meeting, and that membership closes on that date. Since the article was written, we have scheduled a guest speaker for this meeting. Mr. Simm Hodges, coordinator of the gifted education program in Laurel County, will speak to us on "Olympics of the Mind". We are especially fortunate to have him as a speaker on such short notice. He is on the Ky. State Board of Directors for the Olympics of the Mind, and will share his expertise with us. I think he plans to get us pumped to participate in some of the projects on an experimental basis that night. This should be fun and quite interesting! It's best to leave the children home that night if possible. (I'm sure they could "out-do" us).

It is through the kind and generous help of other people as you and your staff that we can make a successful summer program for our children. Your efforts and concern are greatly ap-

Sincerely,
Sue Hamm, president

THANK YOU

The Scaffold Cane Cemetery Association would like to take this opportunity to thank all who donated time or money to help us improve the cemetery in 1983. Needless to say we are still improving and think we are doing well. However, your donations will be needed and greatly appreciated again in 1984.

Thanks again,
Bessie Brock

ments, principal and teacher recommendations, etc.

This application further states that tutorial, remedial and developmental activities will be used to address the needs for improved self-image, improved attendance and improved basic skills knowledge. Some of the more specific areas to be included are: problem solving, conflict resolution, study skills, career information, student responsibility, social services and computer science skills.

In addition to other operating costs, the budget includes a \$29,155 allocation for a full-time teacher/director.

In other action, the board approved a leave-of-absence for Scott D. Masters, physical education teacher at Brodhead, effective January 9, 1984 for balance of school term. Approved the transfer of Gary Scott, a physical education major, to replace Mr. Masters.

Increased Mrs. Katherine Bradley, a part-time teacher at Brodhead Elementary, to full-time to replace Mr. Scott in the 7th and 8th grade teaching science and related subjects. Employed John Nugent, a physical education major, to teach two hours per day in physical education at Brodhead and Darla Reams, a physical education major, to teach one hour daily in the physical education program at Roundstone Elementary School to meet state requirements;

approved a private telephone for Roundstone School and another line for the high school;

employed Betsy Carlottie Overbay substitute teacher, subject to certification;

approved G.E.D. certificates for Georgette A. Cramer, Anthony A. Dixon, Betty J. Bullock, Hazel L. Kirby and Murland Kirby;

employed Lucille Owens as teacher aide for trainable mentally handicapped class at Family Life Center, effective January 9, 1984 for 6 hours per day and employed Randall Adams as a bus driver for new 150 route at Brodhead at \$350 per month.

tors met and voiced their opposition to the move. William K. Bullen said Wednesday that there would be local representatives of Farm Bureau at the meeting as well as representatives from the state Farm Bureau office.

The protest movement has started in good time but, as Hyatt pointed out at Monday night's meeting, there isn't as much time as every one thinks since the closing of the line could conceivably take place as soon as 10 1/2 months from right now.

Strategy meeting held over planned branch line closing

Approximately 45 turned out for Monday night's preliminary meeting of persons interested in challenging Seaboard System's decision to abandon a 70-mile stretch of track between Livingston and a point just east of Lebanon in Marion County.

The meeting was held at the grade school and was chaired by Gatliff Craig, Executive Director of the Cumberland Valley Area Development District (CVADD) who told the group that the purpose of the meeting was to assess the concern about the abandonment in Rockcastle County and surrounding area, and to plan for the presentation to the railroad Thursday night.

Craig told the group that it "makes sense to head things the railroad's plan to file for abandonment approval with the Interstate Commerce Commission (I.C.C.) off." He said that out of the last 130 requests that Seaboard has made for closings, they have been successful in 127 of them. "If we are going to do anything (try to stop the closing), we need to do it upfront and try to avoid them (Seaboard) going on through with it," Craig said.

Craig said he had been hearing of strong support and concern throughout the area and that the protest to the railroad would probably be in the form of a two-barrel approach (1) making a case for continuing the line with the railroad, using a basis of dollars and cents and (2) the intrinsic value of the railroad to the area's lifestyle. Craig said that the protest would take advantage of whatever influence was available including government entities.

There were visitors to the meeting from other counties along the line proposed for abandonment and three representatives of the Dept. of Mass Transportation in Frankfort were also there. And, one of these, Ron Hyatt, played a sort of Devil's Advocate role to the group, explaining the railroad's rationale for closing the line and what they would be facing if the application actually

got to the I.C.C. Hyatt told the group that one of the big factors in the Railroad's decision to close the southern line was that the line runs parallel with the northern route that runs through Winchester, Lexington and Louisville and the railroad would justify their decision to close the southern route on a purely economic basis.

Hyatt said that traffic on the southern line, originating or terminating in Mt. Vernon had decreased from 94 car loads a year in 1981 to 39 in 1983 and that the railroad normally used 34 cars per mile figure to decide the loss, break-even or profit margin.

Hyatt said that thru traffic on the line, which has also decreased from 517 car loads in 1981 to 39 in 1983 and that the railroad would not be used in determining the feasibility of leaving the line open either by the railroad or the I.C.C. "As far as the I.C.C. is concerned routing of traffic (over either the northern or southern branch line) is purely a railroad management decision."

Hyatt also said that the railroad would base their decision on abandoning the line to the I.C.C. purely on economics and, in his opinion, the railroad will probably be able to show at least a \$1,000,000 loss on the Southern branch.

Art Crowe, a retired economic development director for the railroad and now associated with CVADD, told the group that they must marshal their arguments against closing the line on the fact that by routing thru traffic over the northern line, the railroad was creating more expense for shippers and causing delays by having to route the traffic thru more terminals.

However, he pointed out that the situation on this 70 mile branch was unique in that the branch line is double connected and this should be in the group's favor. And, another point raised was that the communities have time to fight the abandonment since they have started sooner than most communities in similar situations do.

Mayor Roland Mullins, who was at the meeting along with all city council members, made a brief comment to the effect that the abandonment would hurt Mt. Vernon and Rockcastle County, and "I feel strongly about this." Mullins went on to say that arguments against the closing need to be drawn from history of "what has been done here in the past and what is going to be done here in the future." Mullins pointed to a 40% growth rate in the county in recent years.

"This is no time for us to set back and let this happen to us," Mullins told the group.

Crowe told the group that the ideal argument against closing the line would be to find some shippers who have been caused delay and expense by the re-routing of traffic over the northern branch. He pointed out that 1981-83 were economically poor years for everyone and that Mt. Vernon is an ideal area for expansion between I-75 and Lake Lanville. "There is no reason for the railroad to say there can't be a profitable through here. Shippers are getting better (cheaper) service from Corbin west through Lebanon Junction," Crowe said.

Lloyd Cain, director of the Harry Sparks Vocational School and a farmer, pointed out that while, for example, Stewart Fertilizer could truck in their fertilizer, the cost to them would be greater and they would have to pass this extra cost along to users in order to maintain a profit. And, he said this trickle-down effect would put additional costs on all businesses in the county but particularly agriculture.

The bottom line is that there will no doubt be a good turn-out at Thursday night's big meeting at Standford since counties all along the line are expected to send representatives and Tuesday night, the Rockcastle Farm Bureau directed.

the question.

Rep. Ford said the tone of the answers suggested to him that people felt that state government should learn to live within its budget as those who pay the taxes have to do.

The multi-banking bill apparently does not set well with the majority of people in Ford's district as 85% answered "No" to the question "Do you favor Multi-Banking?" This bill would allow a holding company to control up to 20% of the state's assets. Only 21% answered "Yes" to this question with 14% marking "No Opinion."

On other issues, half of those responding felt that Kentucky should pay a one-time bonus to Vietnam vets while 30% voted "No" and 20% said they had no opinion.

The query on "Would you support a tax bill to build new regional jails in Kentucky?" also did not receive much support—65% said "No" and only 35% "Yes." And 91% of those responding felt the Kentucky inheritance tax should be changed to reduce the tax rate and grant more exemptions.

Ron Hyatt, of the Department of Mass Transportation in Frankfort, was one of the speakers at Monday night's meeting at the grade school to begin planning the strategy which is hoped will result in Seaboard System abandoning their plan to close a 70 mile stretch of track that runs through the county. Also in the photo are city council members Richard Mullins and Pete Hurd, on the right, and Gatliff Craig, Executive Director of the CVADD, on the left.

Ford poll respondents want drunk driver bill; give education top priority

Residents in State Rep. Danny Ford's district heavily supported a strong Drunk Driver Bill; feel that teacher competency should be tested to ensure quality instruction in the classroom and favor requiring a maximum of 1 to 25 teacher to pupil ratio in the first through third grades.

These opinions, along with others, were made known through an opinion poll conducted by Rep. Ford through an advertisement placed in county newspapers the first week in February.

Ford said that most of the opinions expressed in the poll followed his own feelings on the questions. Ford also said that in the "comments" section of the questionnaire, the most often repeated comments concerned education and that the majority of these expressed the opinion that schools needed to get rid of some of the programs now in schools and devote more time to teaching the basics.

Two questions drew a 100% "Yes" answer—"Do you support a strong Drunk Driver Bill? First offense driver would go to jail for 48 hours" and "Do you favor requiring a maximum of 1 to 25 teacher to pupil ratio in the first through third grades?"

Respondents seemed to have strong interest in upgrading education while being firmly against increasing taxes to achieve the improvements.

To the query "Do you support a tax for Education?" 65% said "No" yet 70% said they consider education a top priority for this state. 73% favored higher requirements for high school pupils, i.e., raising credit from 12 to 13 and setting additional science, math and English requirements and 81% favored competency tests for teachers to ensure quality education in the classroom.

And, respondents do not want an increase in state income tax to offset the cost with 82% voting "No" on

the automobile insurance sticker law is evidently not very popular as 57% felt it should be repealed to 30% voting "No" and 13 marking "No Opinion."

Having popular support was the question "Should adults adoptees be allowed access to their adopting records? (Including the identity of their biological parents)" with 70% voting "Yes," 18% "No" and 12% "No Opinion."

And, the majority of those responding (55%) prefer the primary election to be held in May instead of August with 23% voting for the August date and 22% checking "No Opinion."

One question on the list, "Should Kentucky have a one-stop permit program for businesses?" was evidently not one that too many people were familiar with since 61% marked "No Opinion," 26% "Yes" and 13% "No."

Ford said this question pertained to setting up an office where people could call and get all the necessary forms for opening any type business.

Board makes application for drop-out program

The Rockcastle County Board of Education approved an application for a Drop-Out Prevention program at their February meeting, aimed at reducing the drop-out rate, increasing the holding power rate and decreasing the absentee rate in county schools.

The application, made to the Kentucky Department of Education, is for a 50-50 program which will see the local board of education

having to match a \$13,207 grant from the state with local monies or with in-kind contributions to the program.

According to the application, the target group for the program will consist of sixty students which have been identified as potential dropouts in grades 7-12. This group will be selected on the basis of attendance, grades, behavior assess-

RCHS students selected for all-state choral honors

Jennifer Cox and Mike Bryant were members of the Kentucky All-State Chorus February 1-3 at the Lexington Convention Center.

Jennifer and Mike passed school and regional singing auditions where they received scores of 97 and 96, respectively.

To be chosen as an All-State singer is the highest honor awarded to a high school choral music student.

During the All-State meet, the honor students were privileged to study under Dr. Daniel Noe, professor of choral conducting at Oberlin College Conservatory of Music.

Parents and friends at-

tended the concert presented Friday evening, February 3.

Mrs. Margaret Wilcox, choral director at the high school, accompanied Jennifer and Mike and said later that they all shared a great musical experience and that the program is a unique opportunity for the gifted student.

Jennifer, a senior at RCHS, is also a cheerleader and the daughter of Mr. and Mrs. Jim Cox of Mt. Vernon. Mike, a junior, is also a member of the football team and the son of Rev. and Mrs. Mike Bryant, also of Mt. Vernon.

Mike Bryant and Jennifer Cox, both selected for the All-State Chorus held recently at the Lexington Convention Center, are shown with their music teacher, Mrs. Margaret Wilcox. Both students took part in a concert presented Friday evening, February 3 at the convention center.

Letters to the Editor

Dear Editor,

This concerns the dog catcher or the lack of one and the coroner. I started trying to get the dog catcher out here the first week of October. I would call and wait a few days and call again. This went on until the first of November. In the meantime, I got somebody from Berea to destroy the dogs. And within the next few more dogs were dropped off and I had to start trying all over again to get the dog catcher out here. I called the health department and a few more people. One suggested I call Judge Jasper. He told me, yes! Jib Hasty was the dog catcher and I told him how long I had been trying to get him out here, he seemed surprised. He took my phone number and said he would get right on it. To this day I've not heard from either of them and the week before Christmas I had to get a guy from Berea to get rid of two more dogs and two more got run over on the road. Maybe all you people don't have a dog problem but I bet you all pay taxes and I wonder how many of you would pay the dog catchers fee if you had one. There is a good dependable man and deserves some help. When he is called he must respond. That dog catcher does nothing no matter how much he is called on. Not for one minute could the coroner get away with putting off and still collect. I'm sure this situation could be handled better. If I wanted a dog, it would be one I chose to keep, not some of these starved and abused animals people drop off. People should be fined for such acts of animal cruelty. As keeping them and starving them and I have grandchildren that I don't want to come in contact with these dropped animals. We know there has been a lot of rabies in Rockcastle in the last few years. So if you don't want your animals, have them put to sleep. It's much more merciful for the animals than dropping them somewhere. I hope you people that realize we need the coroner much more than a dog catcher will speak up for him. I do not know the coroner personally but I know he does his job and the dog catcher doesn't, not on this end of the county anyway.

WARNING

Tampering with this meter or theft of electricity is a crime punishable by a \$10,000 imprisonment or 10 years fine. Violators will be prosecuted. Report any tampering calls. Report any tampering to your local KU office.

Kentucky Utilities Company

Theft detection: another way of protecting YOUR interests.

Stealing electricity is a crime - just like shoplifting. And in both cases, honest customers end up paying more to make up for the loss.

Like a shoplifter, an electricity thief can be prosecuted. But stealing electricity also carries the risk of immediate termination of service. And worse even fatal injury or fire hazards, while tampering with utility equipment.

It is illegal to tamper with an electric meter and for anyone other than a Company representative to turn on

electric service. KU has an active, ongoing theft detection program, and violators are subject to prosecution.

If you know of anyone who is stealing electricity, contact the local KU office. All information will be kept confidential. And you'll be doing everyone a favor.

Miss Gilbert weds Mr. Hurst in double-ring ceremony

Miss Stephanie Lee Gilbert, daughter of Mr. and Mrs. James Gilbert of Route 3, Somerset, and Barry Layne Hurst, son of Mr. and Mrs. Donald Hurst of Route 1, Brodhead, were united in marriage at half past 2 o'clock in the afternoon on December 3, 1983 at Sunrise Baptist Church. Bro. Bradley Goforth officiated at the double-ring ceremony.

Beverly Head said, "The Wedding Song." Jesse Reynolds sang "I.O.U." and Teresa Gooch and Jesse Reynolds sang "Just You and I" and "Through the Eyes of Love." Beverly Head, pianist, accompanied them and played, "The Wedding March."

The bride, given in marriage by her father, wore a gown of acetate taffeta overlaid in lace. It featured a stand-up neckline with long Victorian sleeves and a ruffled bodice. The bride carried a three-quarter length train. She wore a modified derby bridal rat of polyester chiffon and nylon netting and carried a bride-length train. Our Ambassador to the Vatican

Brother Eugene Britnell made the following comment about our Ambassador to the Vatican in the February issue of THE SOWER, to which I say a hearty "Amen!"

"Mr. Harry S. Truman, President of the United States, nominated an ambassador to the Vatican in 1951. There was such a storm of protest among Protestants and other Americans, that he backed off and withdrew the nomination. That was 33 years ago.

Last year, Congress lifted an 1887 ban on public financing for a diplomatic post at the Vatican, thus clearing the way for an official ambassador to the "Holy See." A few days ago, the President appointed William A. Wilson to be our ambassador to the Vatican. It was announced in a one sentence statement, and relatively speaking, went unnoticed by the religious leaders in America. No more protests as in 1951? Why? People have lost their convictions in religion!

We think this is a dangerous move, in affront to all other religious organizations. Now it is time to ask: What is the Catholic Church? Is it a religion or a state or both? If it is a state, then let it stop pretending to be "the church." On the other hand, if it is only a religion, then why official recognition with nations?

The press quoted Jerry Falwell as saying, "I don't see any national outcry against it now." Of course not, people don't care. He also said that a "bad precedent is being set."

babys breath, miniature poinsettias, pearls and white streamers.

Vows were exchanged before the nuptials decorated with greenery. Red poinsettias were on each side.

Shirley Hoskins was matron of honor. Bridesmaids were Tammy Thompson and Connie Miller. They were all dressed in identical red polyester street length dresses with three-quarter gathered puffed sleeves and a peplum style waist. They carried bouquets of miniature red poinsettias, baby's breath and white streamers. Their head piece was similar to their bouquets.

Stephanie Head was the flower girl. She wore a red velvet dress with white bodice and carried an umbrella basket with miniature red poinsettias, baby's breath and white streamers.

Garry Wayne Hurst, twin brother of the groom, served as best man. Ushers were Donnie Hurst, brother of the groom, and Mike Gooch, cousin of the groom. Phillip Thompson and Russell Mullins seated the guests and lit the candles. They were all dressed in black tuxedos with red carnation boutonnieres. The groom and best man wore a white carnation boutonniere.

Allen Gilbert, brother of the bride, was ring bearer.

Robin Gooch, cousin of the groom, attended the guest book.

Mrs. Gilbert chose for the bride a white and black accessories. She wore a corsage of white carnations with red ribbon.

Mrs. Hurst, mother of the bride-groom, wore a charcoal gray suit with red blouse and red accessories. Her corsage was white carnations with white ribbon.

Followin the ceremony, a reception was held in the lower auditorium of the church. The bride and groom were decorated with red poinsettias. The three-tiered cake was topped with the traditional bride and groom. Each tier had sugar bells, red poinsettias and underneath a water fountain. Red punch was served. Assistants were Doris Gooch, aunt of the groom, Gina Dick, cousin of the groom, Emma Lee Mullins and Beverly Head.

The bride and groom's trip to Tennessee, Mr. and Mrs. Hurst are residing at Route 1, Brodhead.

Wedding parties included a miscellaneous shower hosted by Beverly Head and Gina Dick; a luncheon and bridal shower hosted by Glenna Gooch and Doris Gooch. Guests were ladies of the Sunrise Baptist Church and close friends of the bride. A personal shower was hosted by Shirley Hoskins at her home, a miscellaneous shower hosted by Hazel Gooch and a rehearsal dinner hosted by the bride-groom's parents at their home.

By Lella Stokes

I was anxious to know how the folks were faring in Mt. Vernon during the heavy snow and ice. When I couldn't contact my sister here by phone, I decided to call niece, Joan Spurluck in Somerset. So glad to hear Amanda say that they were all safe and warm although the temperature was below zero and the snow icy roads making it difficult to get to Mt. Vernon. Then the next day I heard from Mrs. Jewell Brown that the temperature there was 10 below and that she was snowed in a week.

The days that Jewell Brown was unable to get her car out on account of inclement weather she and Cynthia Cox would keep in touch by telephone. Both were counting their blessings and thanking the Lord that they were warm and had plenty of food on store.

Mrs. Dess Donovan of Mt. Sterling is recuperating at the home of her sister, Nell and Larry Travis from injuries from a fall.

Mrs. Sallie Deborde and son, Robert and Mrs. Jewell Brown had dinner during the holidays in Lancaster with Jack and Evelyn Deborde and returning to Mt. Vernon for a 6 o'clock dinner with Frank and Lucille Deborde.

Mr. and Mrs. Ernest Dotson were delighted to hear their daughter, Mrs. Kathy Smith's voice from Lewisburg, Ohio on the telephone congratulating them on their sixty-fifth wedding anniversary, January 21, 1984.

Linda Young, manager of the traveling agency in Sebring, Florida is on a

tour in Italy. Linda is the granddaughter of Ernest and Julia Dotson.

Mrs. Omega Whitt of Mt. Sterling spent the holidays with her mother, Mrs. Julia Burdette.

Shannon Bales surely had someone else in mind when she wrote these kind words, "I have intended for some time to write and let you know how much David and I enjoy reading your column in the Signal. It is truly amazing that you a thousand miles away can keep up with Mt. Vernon much better than we can. I have enclosed one of our shop's calendars for you.

The new officers of the Willing Workers of the Mt. Vernon Christian Church are Juanita Davis, president; Faye McCauley, vice president and Marie Cox, secretary and treasurer.

Mrs. Ann Greene is visiting her brother, Rev. Bradford L. Coffey and family in Chaplin.

Mrs. Frances Funk of Virginia has written two books of the 15 generations of the Cummins family which includes the family of the late Mr. Matthew Cummins, father of Mrs. Julia Cummins Dotson. Mrs. Dotson expects to get her copy soon.

Mr. and Mrs. Herman Gadd of Ohio visited Mr. and Mrs. Ernest Dotson recently.

I was so happy to receive a note from Mrs. Isabella Peters that she had discarded both brace and cane and is doing fine now from several months suffering from a broken hip and thigh. Perhaps dare, you and I can visit your sister, Sinnie Nicely and my sister, Amanda McGard in Mt. Vernon some time in the future.

Kenneth and Eula Wells and daughters, Cynthia and Rosemary of Somerset, were

recent visitors of Mrs. Wells brother, Wendell and Virginia in Mullins. Miss Cynthia Stokes is a student in the Vanderbilt University in Nashville, Tenn. and Miss Rosemary Wells is accomplished interior decorator in Louisville.

Mr. and Mrs. Willie Furman will return to their home in Hamilton, Ohio in March from three months residing at Bradenton Beach. While here they frequently visit Mrs. Ella Ponder, the Frank McDaniell's and The Wendell Mullins.

Wendell Mullins, who calls his mother, Mrs. Hattie Mullins on the phone in Mt. Vernon every Sunday morning keeps Mrs. Ella Ponder and I in touch with here.

Mrs. Ethel Greenwood of Bedford, Indiana is visiting her sister, Mrs. Lella Stokes and her nieces, Mrs. Joyce Wisner and Mrs. Martha Turner and families in Bradenton and Sarasota, Florida. Mrs. Greenwood's guests Tuesday at the apartment of her sister, Mrs. Stokes, were her daughter, Annie and Bob Thornton of Indianapolis, Indiana and her nephew, Milburn and Dolores Cunningham of Olean, New York.

Mr. and Mrs. Robert Thornton of Indianapolis, Indiana are visiting his sister, Gertrude and George Lynch in North Fort, Florida.

Sincere sympathies extended to the friends of Mrs. Sinnie Noe. May the Lord comfort each and everyone in their bereavement.

Mrs. Ella Ponder who resides in Bradenton, Florida enjoys her Signal and most of these Livingston's guests Tuesday when she lived in Mt. Vernon. Mrs. Ella and the late Mr. Ben Ponder lived in Livingston for many years and had many dear friends there.

Personals

Weekend visitors of Dr. and Mrs. Joe Henderson were their daughter, Mary and U.K. classmate, Miss Jo Ann Hughes of Portsmouth, Ohio.

By Mrs. George Burton

Mr. and Mrs. Ervin Barron visited Mrs. Alta McFerron at the U.K. Medical Center in Lexington, last Tuesday.

Mr. Charles Shephard has returned home from the Rockcastle County Hospital. We wish him a speedy recovery.

Mr. W.R. Coffey will celebrate his 99th birthday February 20th. We wish him a happy birthday.

Mrs. Nora Bradley underwent surgery at the Central Baptist Hospital in Lexington recently. We wish her a speedy recovery.

Mr. and Mrs. Virgil Brock visited Mr. and Mrs. Robert Kirby last Thursday.

Mrs. Mattie Owens and Samuel Newton of Somerset spent Sunday afternoon with her parents' Mr. and Mrs. George Burton.

Mrs. Mary Smith is very ill in the Berea Hospital. We wish her a speedy recovery.

Paul Owens of Brodhead visited Mr. and Mrs. Gravelly Burton, Sunday.

Mr. and Mrs. Gravelly Burton were in Berea, Monday.

Mr. and Mrs. J.R. Blanton and Rodney visited Mr. and Mrs. Carol Blanton, Sr. Sunday afternoon.

We applaud Rep. Danny Ford's recent attempt to get the ideas and suggestions of his constituents on several major issues.

Rep. Ford has the reputation among his colleagues for being one of the hardest working legislators in the House and we concur in this opinion. Not only is Rep. Ford a conscientious, hard-working legislator, but he is one of high integrity and intelligence.

It would be nice if all our lawmakers would go to the lengths Rep. Ford does to acquire the opinion of those he represents.

It is important that as many people as possible attend Thursday night's meeting at Stanford on ways and means to block the board's plan to close 70 miles of rail line—a plan that would no doubt create economic hardship on the people of this county and all along the proposed abandonment.

The turn-out to Monday night's preliminary meeting was very good. According to

Judy Lawless of the Cumberland Valley Area Development District, about 12 people were expected and 45 showed up and there was good valuable input into the discussion. The main meeting will be at the Farm Bureau Building, on N. Hwy. 27 near Stanford at 7:30 and will reportedly be hosted by Cong. Harold Rogers and we understand there will be no less an important personage than the president of the Sea-board System will present. Senators Ford and Huddleston were scheduled to be present but we understand now that they will not be there due to a schedule conflict with a Democratic meeting somewhere. Oh well, what's a little thing like 70 miles of railroad compared to an important political meeting, especially in an election year, right Sen. Huddleston?

At last week's meeting of the Board of Education the agenda was light but, as the last item on the agenda, Supt. Parsons included the statement, "I am working on a recommendation to submit to the board within the next sixty days on curriculum development and educational improvement for the school system. I will be asking board members, administrators and teachers for advice and suggestions during the next few weeks."

Mr. Parsons declined to go into specifics at the board meeting. He referred to what until the was compiled.

While we think that in light of recent news stories concerning the state of education in the county, the fifth district and across the state and counties, such a recommendation is needed, we do feel that Mr. Parsons is leaving out one important aspect of the total picture.

We have many dedicated parents in this county who, while realizing the limits and resources schools have to contend with, would be able and available to give Mr. Parsons an important input on the entire program. And all that was

Kelly Lynn Farthing, daughter of Mr. and Mrs. Harlin (Buck) Farthing celebrated her 4th birthday December 27th with a party at her home. Those present to help celebrate were, Karen, David Lynn and Talona King, Georgia and Garylon Noe, Kaye and Dana Singleton, George and Stacy Durham. Kathy is the granddaughter of Mr. and Mrs. Earl P. Adams of Brodhead and Mr. and Mrs. Arthur Farthing of Morrill. Kelly wishes to thank all for the many nice gifts received.

NOT said to say that I would want to be included because I don't. There are a great many parents better qualified than I, who would be glad to provide input.

This Spring-like weather we have been having really revs up the old ambition-glands. I find myself sitting around planning the painting, wallpapering and new draperies I need and dragging out the garden seed catalogues and allotting freezer space. Mind you those ambition-glands will probably wear out before any of these projects get started, or completed any how. Besides, my neighbors would probably just settle for jamming off the carpet and front porch...

SUNSHINE HOMEMAKERS MEET RECENTLY

It's that time of the year again, income tax time. The Sunshine Homemakers Club is getting prepared for it. Our lesson for this month was "What to keep and what to Throw Away" efficiently presented to us by Carolyn Chastain. We learned how to organize our very important papers and where we should keep them so when it comes this time of the year or an emergency would arise we can go straight to them.

After our lesson it was time to relax and enjoy each others company. We had eleven members present and we thank God for each one. Our refreshments were provided by Toni Beams.

Our next meeting is scheduled for March 6, 1984 at 7:30 p.m. Our lesson will be concerning "Breast and Ovarian Cancer." This is a subject which could concern us all. Guests and new members are welcome.

Varsity basketball teams unbeaten in last five outings

Both the boys' and girls' teams had a good week with the boys taking all three of their games over Monticello, Jackson County and Lynn Camp and the girls winning both of their games over Jackson County and Lynn Camp.

After an early 3-0 deficit, the boys took the lead from Monticello near the end of the first quarter and led at all the quarter stops after that for the final 66-58 win.

Roger Isaacs and Chris Cornelius tied for high scoring honors with 19 each; Shannon Bishop got 7; Chad Brock and Greg Mink, 6

each; Tony Harrison, 4; Jackie Woodall and Bruce Blanton, 2 each and Harold Graves, 1.

Then, on Saturday night, the Rockets avenged an earlier 4-point loss to district-rival Jackson County by turning back the Generals 87-63.

Rockcastle trailed at the first quarter stop 14-11 and was tied with the generals 24 all at half-time. Then, in the third quarter, the Rockets took the lead and held it the rest of the way for the win.

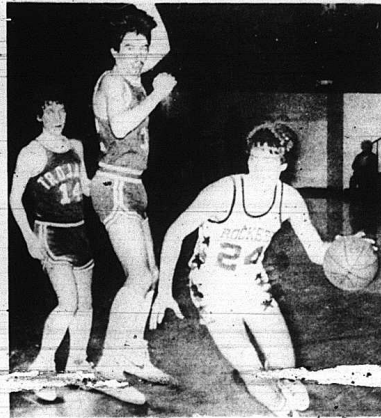

Center Chad Brock, after scoring only six points the night before, came back to take high scoring honors with 24; Isaacs got 14; Cornelius, 12; Bishop 10; Woodall 6; and Bruce Blanton 1.

Then, Tuesday night, in a boys' and girls' double-header with Lynn Camp, the boys again got sweet revenge for an earlier season loss by downing the Wildcats 86-67.

The boys played hard throughout the game and turned in a fantastic outside and inside shooting game.

Senior guard Chris Cornelius seemed to only have to put the ball in the air. But again, it was center Chad Brock who turned in a sterling performance with 29 game-high points but Cornelius and Isaacs also contributed their share by pouring in 23

Junior forward Shannon Bishop, No. 24, drives against two Monticello Trojans in action last Friday night at RCHS. The boys picked up three wins in their last three games. Bishop got 9 points against the Trojans.

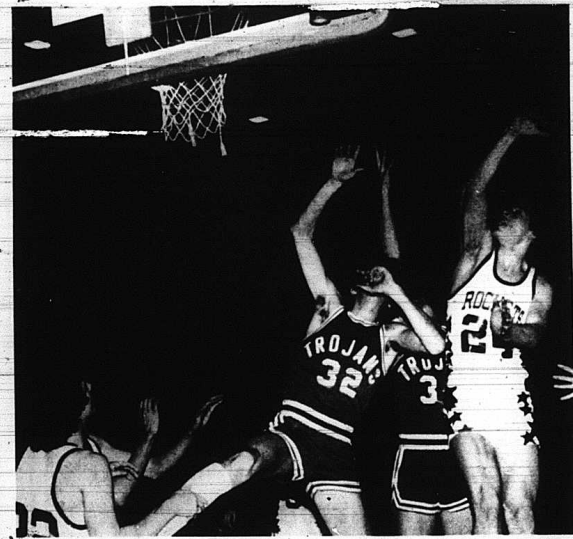

JCHS guard Ricky Rose looks for help against center Chad Brock, No. 44 and guard Roger Isaacs during the Rockets-Gen-

eral game Saturday night at Jackson County. The boys avenged an earlier 4-point loss to take a 67-63 win.

Sophomore Jackie Woodall pulled down a rebound during the Rockets-Trojan game. Woodall scored 2 points in the contest.

Other Rockets in the photo are Chris Cornelius, No. 22; Shannon Bishop, No. 24 and Chad Brock, No. 44.

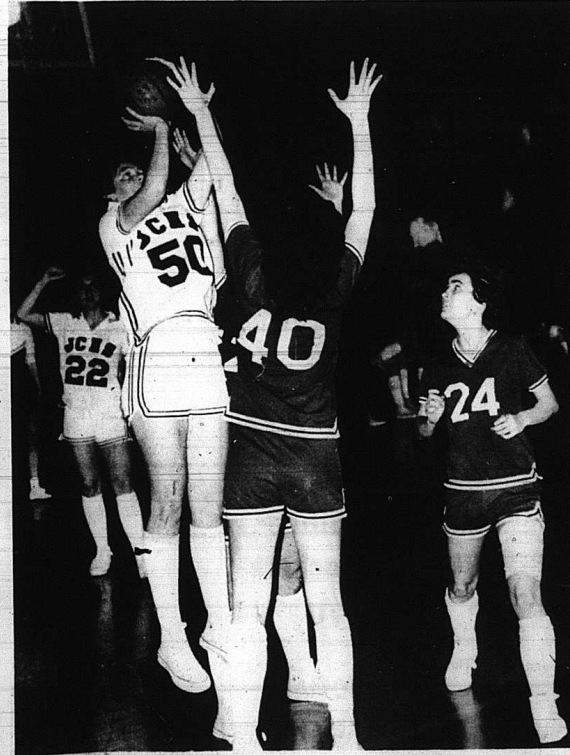

Bishop was fighting hard for a rebound in the above photo taken during the Rockets-Trojans game Friday night. Ready to grab the ball if it comes his way is senior guard

Chris Cornelius who provided much of the early offense for the Rockets Monday night in the revenge win over the Lynn Camp Wildcats.

Junior forward Betty Milburn grabbed a rebound in action last Thursday night at Jackson County. Milburn scored 6 points in the game. Also in the photo is senior Kristi

Martin. The girls had a sluggish first quarter, scoring only 3 points but came back strong for their 37-21 win over the Lady Generals.

Freshman Sandy Hunter tries to block Lady General Michelle Seals shot during action at Jackson County. The girls beat JCHS and Lynn Camp in their last two outings and will have to face Clay County, along with

the boys, in the opening round of the 49th District Tournament beginning February 28th at Jackson Co. Also in the photo is Paige Anderkin, No. 24.

These twelve members of the Rockcastle Chapter of the FFA recently received the Chapter Farmer Degree. They will receive a pin symbolizing their accomplishments. They were awarded this degree at the chapter meeting held Tuesday, February 10th at the high school. These members are, front

row, from left: Mark McClure, Benny Stevens, Keven Jones. Second row, from left: Ernest Singleton, Tim Jones, Tim Sparks, Mike McFerron, Benny Rader. Back row, Scott Wolfe, Jeff Bullock, Dwayne Benton, Dallas Gibbons.

Soil conservation news

By David Stipes
District Conservationist

"Eight Kentucky counties saved 1,050,000 tons of soil from erosion on a total 22,400 acres as a result of the Targeting Program," said Randall W. Giessler, State Conservationist for the U.S. Soil Conservation Service (SCS). "The concentration of additional technical expertise and cost-sharing on areas of greatest resource need is getting encouraging results." Marshall, Hickman, Fulton, Ballard, Carlisle, Graves, Calloway, and McCracken were the first counties selected for targeting. 22 additional counties have been approved and applications have been submitted for 13 others according to Giessler. "Over production is not our only farm problem," said SCS Chief Peter C.

Myers. "A number of land users also are degrading our soil and water resources." "That's why we are targeting to take care of the

soil. We can maintain our unparalleled record as a producer of farm goods. We're putting more technical people and more cost-sharing dollars into areas where erosion threatens potential productivity."

State resource agencies and conservation districts together planned and are carrying out the targeting programs. Cost-Sharing to farmers is provided through the Agricultural Conservation Program administered by the Agricultural Stabilization and Conservation Service (ASCS). To be targeted, a farmer must meet the following criteria: soil erosion or water shortages must have a sig-

nificant impact on the nation's agricultural productivity; progress in treating the problems must be likely; and people who live in the areas must support the work.

Lady Rockets beat Jackson; outscore Lynn Camp, 56-32

The girls had a hard time getting started at Jackson County last Thursday night, against a team they had "girl-handled" in their first encounter but get on track they finally did for their 37-21 win.

In the first quarter, a field goal by Teresa Sturgill and a free throw by Betty Milburn was all the offense the Lady Rockets could muster while the Lady Generals weren't doing much better with only 6 points to their credit. But, in the second quarter with the score at 7 to 3, the Lady Rockets, with a combination of good shooting and pure hustle, reeled off 7 unanswered points before the Lady Generals could recover. The girls were up by 7 at half-time 17-10.

In the third quarter, the

girls increased their lead by 2, 25-16 and spent most of the last quarter at the free throw line, finally straightening out some shaky free throw shooting to add to their margin of victory at the charity stripe.

Senior Theresa Sturgill led the girls with 11 points; Tammy Faulkner got 8; Betty Milburn, 6; Melissa Partin, 6; Sandy Hunter, 3 and Kristi Martin, 2.

In Tuesday night's game, the girls bounded out and outscored the Lady Wildcats 6-2 in the first quarter only to see Lynn Camp come back and go ahead 8-7 at the first quarter stop.

The girls picked up speed in the second quarter however and outscored the Lady Wildcats 24-5 to put

the game on ice early. Coach Preston Parrett got a chance to clear his bench in the 56-32 win.

Sophomore Paige Anderkin led the scoring with 13 points; Sturgill got 10; Milburn and Partin, 6 each; Penny Brown scored 5 points; Martin and Hunter got 4 each and Caroline Machal, Tammy Faulkner and Anita Burke all scored 2 points.

This Thursday night, the girls travel to McCreezy Central for a rematch and then play Garrard County, Monday.

"BASKETBALL"

(Cont'd from P-11)

Coach. Bishop got 5; Woodall 4 and Mink 2.

The Rockets took an early 4-0 lead and then saw

Sophomore guard Tammy Faulkner, No. 20, fights for a rebound with Samantha Baker of JCHS during the Rockets-General game last Thursday night at JCHS. Faulkner had

8 points in the game which the girls won easily 37-21. Also in the photo are senior Kristi Martin, No. 32 and Sheila Browning, No. 22 for JCHS.

The Brodhead Tigers were winners of the Lions 5th and 6th Grade County Tournament. Members of the team are, front row, from left: Kevin Goff, Barry Carol, Tim Cottrill, Donovan Smith, Roger Hasty,

Freddie Moore and Mike McKinney. Back, from left, Coach Gary Scott, Arron Purcell, Gary Santo, Chris Bishop, Kevin Rowe, Scott Owens, Willie Ashley Dane Cox.

The Wildcats fight back to within one-point at the end of the first quarter, 15-14. But, it was all Rockets the second quarter as they held the Wildcats to 13 points while getting 28 points of their own. In the third quarter, the Wildcats again made a run at the Rockets outscoring them 20-10 but the Rockets mainly on the strength of some great board work by Sturgill and the outside shooting of Isaacs and Cornelius went on a scoring spree and added 33 points to their total while the Wildcats could only score 10.

This Thursday night, the Rockets play Clay Co. **BIT ON CHANNEL 18**

The Brodhead Invitational Tournament was filmed almost in its entirety on Saturday night, February 11. Allen Cullen, sports announcer at WLTX-TV has informed us that a large portion of it will be televised this Saturday, February 18 at 1:00 on "Inside Sports."

The championship game was won by Science Hill, and the second place trophy went to the Brodhead Tigers. Mt. Vernon Red Devils won third place over Pulaski County in the consolation game.

The tournament was deemed a huge success by all who attended.

Cancer-What Can You Do About It?

Breast, ovarian and uterine cancer information, prevention and research news will be the topic of a program sponsored by the Rockcastle County Homemakers.

Dr. Van Nagel, cancer researcher and specialist with the University of Kentucky Medical Center, and Gloria Sams with the McDowell Cancer Network will be presenting the educational program on Tuesday, February 28th, 1984 at 7:00 p.m. at the PCA meeting room in Mt. Vernon.

The homemakers are extending an invitation for anyone interested to attend.

Cancer is one of the most dreaded of illnesses. Three out of ten persons will have cancer during their lifetime, so in all likelihood, it will touch every family at some point in time. Yet, of all the major diseases, cancer is the most curable. 46 percent of cancer cases are cured. Many risk factors of cancer are smoking, pollutants, alcohol and diet which can be prevented.

Over 7,000 persons a year die of cancer in Kentucky. This figure is twice the national average.

Cancer is the number one cause of death in women in the 35-39 year age group, and second cause of death in 30-35 and 40-40 age groups following heart disease. Breast cancer is the most preventative, then lung, colon, leukemia, ovarian and urinary in that order.

It is estimated that 49 new cases of cancer will develop in Rockcastle County this year and 27 persons will die of cancer.

The program will deal with prevention and early detection of breast, ovarian and uterine cancers.

Wilderness Trail Area Homemaker Leadership Conference

Norrietta Thompson, WTA Extension Homemakers President, will be conducting a leadership conference for homemakers on Saturday, March 24th at Corbin. All club and county officials are invited to participate. Topics of the workshop include personal improvement, volunteerism, club publicity, speaking effectively, member recruitment and being an effective teacher. For more information and to register, contact the county extension office, 101 S. Courthouse, before March 9.

February is International Month

Kentucky Extension Homemakers celebrate International Month in February. Rockcastle County Extension Homemakers are

Mt. Vernon Signal Thursday, February 16, 1984 P-13

planning an international "tasting dinner" on Friday, February 24th at 6:30 p.m. at the County Library Community Room. All homemakers are invited to attend and bring a foreign dish, along with the recipe. Homemakers may also bring other souvenirs from other countries for display.

SPECIAL SERVICES

Special services will be held Friday and Saturday, February 17 and 18 at the Philadelphia Baptist Church on the Bryan Ridge Road, off Nigger Creek. There will be special singing and preaching. Everyone is welcome attend the 7:00 services.

SPECIAL MEETING OF ARCHERY CLUB

There will be a special meeting of the Rockcastle County Archery Club on Tuesday night, February 21, at 7:30 in the little courtroom at the Courthouse.

Please note that this is a change from the regular Monday night meetings.

NEW FLAG

The new flag now flying in the city's triangular park, was donated by Mrs. Zelma Hansel, in memory of her late husband, Claude L. Hansel.

"Friends of KET"

On the evenings of February 27 and 28, Rockcastle Counties will be conducting a county-wide campaign asking others to become Friends of KET.

Organized by Ann Henderson, Rockcastle County coordinator, the annual TeleFund call-out is part of a state-wide effort to raise money for evening and weekend programming on KET.

Some of the programs that will be supported by the Friends of KET Call-Out are "NOVA," "Great Performances," "Sesame Street," "The Kentucky Legislature," "American Playhouse" and "Comment on Kentucky."

This is our chance to support quality television in the state of Kentucky. Please be ready to show your appreciation by saying "Yes" when a local friend calls to ask you to become a Friend of KET.

What is KET? KET is Kentucky Education Television. Quality educational and public television programs are transmitted throughout Kentucky to some 1.3 million households and into neighboring states like Ohio, West Virginia, Tennessee, Missouri, etc. KET currently is celebrating its 15th anniversary year and has the distinction of being the nation's largest PBS network.

How can I find out about KET programs? The best way is via membership in the Friends of KET since members who contribute \$30 (Sr. Citizens/Students \$12) receive KET's monthly program guide which includes programming feature articles and a daily timetable for programming. KET's daily programs are also listed in your local newspapers TV section and in cable publications.

Can I contribute less than basic membership? All contributions are gratefully accepted, but the basic membership is \$30 or \$12 for Sr. Citizens/Students. Basic membership provides many viewer benefits such as the monthly program guide, and all membership levels can be budgeted via installment giving to make your support as convenient as possible.

How many installment payments can I make? The number of payments can be 12 per year. The minimum amount is \$3 for billed installments. KET also offers ACT, an automatic installment plan which features a monthly check transfer of \$5 or more for a 12-month period. No installment reminders and no postage!

Can I "charge" my support? Yes, KET currently honors VISA and MasterCard. Your support can be a one-time charge or KET can process installment charges.

What are the KET membership categories? The current membership levels in the Friends of KET are: 250 Leaders' Circle \$180 Directors' Guild \$120 Program Users Club \$60 Family Member \$30 Individual Member \$12 Sr. Citizen/Student

Can I receive a KET membership gift? Yes, all new members can receive a gift if they pledge \$30, \$60, \$120, \$180 or \$250. Different gifts have been established for each membership level. Renewing members can select a gift when they increase their support to the next higher membership level. And some qualifying members designate a gift-save the money for programming.

Is KET membership support tax-deductible? Yes, membership contributions qualify for a federal tax deduction. No state tax deduction currently exists.

Why should I support a State agency? State funds are provided for our daytime in-school programming. KET's afternoon, evening and weekend public television programs like Sesame Street, NOVA, Masterpiece Theatre, This Old House, Julia Child, etc. are supported by the Friends of KET. KET provides the funding for many KET productions such as Comment on Kentucky, Kentucky Reports and Mary McVey's bridge series.

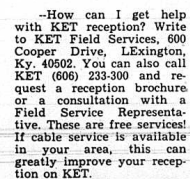

How will my membership contribution be used? KET will use membership contributions to support its evening and weekend programming in four areas: children's programming, cultural programs, public affairs programs, and "how to" programs. During 1984, KET membership revenue has been budgeted at almost \$1,000,000 (almost double that of 1983). The current Friends of KET includes approx. 15,000 supporters which is only 3% of our total viewership.

What is the Sesame Street Birthday Club? This is a special club KET has created for children. The membership levels are the same as regular membership, and special Sesame Street gifts have been included in our gift listing. You can designate your favorite child or grandchild (name/address/birthday) as club members who receive a special Sesame Street Birthday Club membership sticker and birthday greeting from KET.

Does KET receive matching gifts? Yes, more than 90 Kentucky employers contribute matching gift support to KET when their employees make membership contributions. Some companies match on a 2:1 ratio, most match on a 1:1 ratio. Matching gift employers and any matching "minimums" indicated on the TeleFund Pledge Form.

How can I get help with KET programs? Write to KET Field Services, 600 Cooper Drive, Lexington, Ky. 40502. You can also call KET (606) 233-3333 to request a reception brochure or a consultation with a Field Service Representative. These are free services! If cable service is available in your area, this can greatly improve your reception on KET.

Brodhead Junior Beta Club inducts 23 new members

Andy McKinney, reporter

The National Junior Beta Club is a service organization that is open to those seventh and eighth graders who demonstrate outstanding character and achievement.

The Brodhead Junior Beta Club inducted 23 new members on Friday, January 27, at 1:30 p.m. in the school gymnasium. These new members joined the other 43 students who were inducted into the organization last year.

Mrs. Mary N. Cash and Mr. John Hamm are the very capable sponsors of the Beta Club.

This year's officers are: president, Amy Hamm; vice president, John Ford; secretary, Holly Hopkins; treasurer, Randall Hayes; reporter, Andy McKinney; Beta

pledge leader, Diane Allen; American flag pledge leader, Celena Lear.

Parents and students were invited to the ceremony. After the new members were officially inducted, their parents and the faculty were invited to meet with the members to congratulate them upon their achievement. Refreshments were served in the music room.

The Beta Club should serve as motivation for all students to try to excel in their grades and in their character. It is indeed an honor to be a member of the Brodhead National Junior Beta Club.

The faculty and staff, as well as the entire student body, voiced their congratulations to these students!

he will recover quickly. He is to be moved to the Rockcastle County Hospital soon.

Mrs. Betsy Smith is a patient in the Ephriam McDowell Hospital in Danville. She had surgery Monday and is doing well. We wish her a speedy recovery. Mrs. Gladys Buswell and Mrs. Emily Glovak visited Mrs. Smith.

Mrs. Bertha Adams, Mr. and Mrs. Ronnie Adams and Brandi were in Danville shopping Friday, also Mrs. Carolyn McKinney and Mrs. Bertha Adams were in Mt. Vernon Saturday on business.

LADIES AID MEETS

Ten members enjoyed the Missionary Society meeting at Linda Adams' home to discuss missionary needs, hear Lou Payne present the lesson and enjoy a social hour as they partook of Linda's delicious refreshments.

After Barbara Watson opened the meeting, Elizabeth Adams showed the group the handy Kwik Kut Stainless Steel Cutters that chops leafy vegetables as well as harder foods such as nuts, etc. Several members bought one for \$2.00, as well as others for gifts, but others are left to sell to help with their missionary pledges.

A thank-you letter was read from Theresa Glovak for their recent small monthly pledge for her K.C.C. education continuation.

For the lesson, Lou Payne chose "What Will Man Give in Exchange for His Soul?" She started off with Psalm 1, the psalm of the two ways everyone joined her in repeating the 23rd Psalm, Ecclesiastes 12:13 was read—the duty of man; and she ended with the story of Job. Kaye Carr ended this lesson with prayer.

The next meeting will be with Ella Mae Martin and Barbara Watson will give the lesson.

CPR Modular Course being offered

Feb. 25 and 26

The Berea Area Chapter of The American Red Cross will be offering the CPR Modular Course on Saturday and Sunday, Feb. 25 and 26, to any person interested in saving lives. The classes will be held in the Nursing Building on the Berea College campus. The hours are 9 a.m. to 6 p.m., both days.

The instruction is free by certified Red Cross instructors but there is a supplies and materials fee of \$10. There are still several slots left which are filling up fast. A person is considered registered when the \$10 fee is mailed to: The American Red Cross, Berea Area Chapter, Holly & John Sts. (American Legion Building), Berea, Ky. 40403.

The skills are easily learned. We know when we may have to use the skills in emergency accidents or illnesses with family members, co-workers or strangers. Most people are eager to help in cases of emergencies, but do not know what to do. We teach people what to do and what not to do so they will feel confident and competent in these situations. The CPR Course is a programmed learning system that teaches a person what to do if breathing has stopped, if the heart has stopped or if a person chokes on something which is obstructing the airway. The care of both conscious and unconscious persons, infants and adults are included in the course.

Please call Gladys Parker, Executive Director, as soon as possible, regarding registration for this Lifesaving CPR Course (606) 986-4221.
