

Brodhead PTA news

The Brodhead Elementary School PTA membership drive is now over. Thanks to all those who worked so hard to make our membership drive a success, our total is 187 members. This includes, for the first time, Brodhead Elementary School PTA has 100 percent faculty participation.

The classroom signing up the highest percentage of members was Mrs. Kelly Penso's 3rd grade. They were treated with an ice cream sundae party on Friday, Oct. 16. Mrs. Mary N. Cash's 7th grade came in 2nd.

In addition to parents and teachers, the following businesses and friends joined: Fletchers Grocery, Dairy Delite, Bentley's

Service Station, Brodhead Cafe, Marie's Discount, Martins Garage, Hamm's Automotive, Rita Joan Cash, Foodland, Doug's Hair Designs, Albright's, David's Tire, Dix Point, Jan's Florist, CFM, Simpson Feed, Taylors, Citizens Bank, Mt. Vernon Bank, Watson's Funeral Home, Pat's Beauty Shop, Bige Towers, Doug Hamm and Buford Parkerson.

The annual Halloween Party will be held on Friday, Oct. 30th 7 - 9 p.m. Doug Doolin, magician, will perform in this year. There will also be costume judging and distribution of treat bags and balloons. Admission will be 25 cents per person. Everyone come out for a night full of fun.

Drug and alcohol abuse

Drug and alcohol abuse costs Kentuckians three billion dollars a year. Marijuana is now found as low as the fourth grade child. One-half of all high school seniors get drunk regularly. Drunk driving is the number one cause of death among teenagers in Kentucky. One in three teenagers in Kentucky have tried drugs between the seventh and twelfth grades. Three out of four have used alcohol.

Dr. Charles Hedrick, Rockcastle County representative on the Governor's Regional Drug Council, announces a drug and alcohol rally to be held at the Mt. Vernon Elementary School on Wednesday, October 28 at 1 p.m. and then at 2 p.m. at the Brodhead Elementary School. Representing Governor Collins will be Charles Hurt, former University of Kentucky basketball player. He will

be sharing with the students in both schools how to "Just Say No" to drugs and alcohol. Special thanks goes to John Hale and Tom Payne, principals of Mt. Vernon and Brodhead for allowing Mr. Hurt to come and share with the students. Following the rally at Mt. Vernon, there will be a march against drugs from the school to the courthouse where a short program will be conducted, and then march back to the school.

October has been declared nationally and locally as "Just Say No" month against drugs and alcohol. Dr. Hedrick hopes to see a "Just Say No" club in every elementary school by the end of the year. Let's all rally and join together to keep the affects of drugs and alcohol away from our children and youth.

Questions & Answers on Estate Planning Changes in Tax Laws in 1986

An educational program will be held Monday, October 26 7 p.m. Agricultural Service Center Meeting Room

(Sponsored by Cooperative Extension Service)

Free new publications on estate planning and taxes, through University of Kentucky, will be available. Call 256-2403 for more information.

EVERYONE IS INVITED!

To the Citizens of Rockcastle County School System and Voters of District 3

This week, I would like to discuss the subject of unity in our school system. I feel this subject is of major importance to the improvement of our schools. We all know that recently there has been much division in our school system. This is not unique to Rockcastle County, Jackson, Pulaski, Laurel all have had problems and many cases much worse than ours.

The only way I see for our school system to grow and improve is for all of us to work together. In any organization, there are going to be disagreements and this can be healthy for the system. However, even though we disagree, we must work toward a common goal which is better education.

When asked to serve on the school board, I discussed this important position with several people. I felt then and now that unity in our school is required for better schools. If we are to grow we must work together. Our goal must be to make available to the children of Rockcastle County the best school we can possibly have. We can't do this if we are all going in different directions.

If elected, I promise that one of my major projects will be to try to bring unity back to the Rockcastle County School System.

Thank you,

George W. Griffith, M.D.

Rockcastle Co. Coroner Bill Dowell, assisted by State Trooper Jack Lawless, remove the body of Dave Noe, 74, from his apartment at Castle Village Apts. in Brodhead. Noe had been dead for approximately a week.

NOTICES

Notice is hereby given that James W. Mullins, Rt. 4, Mt. Vernon, Ky., and Eva Anderson, 109 Chestnut Ct. Berea, Ky., have been appointed co-executors of the estate of J.N. Mullins. Any persons having claims against said estate shall present them, according to law, to the said James Mullins and Eva M. Anderson or to Lambert & Lambert, P.O. Box 736, Mt. Vernon, Ky. on or before April 11, 1988. 51x3

Brodhead man found dead

An elderly Brodhead man was found dead Tuesday morning at Castle Village apartments in Brodhead.

Dave Noe, 74, was found dead in his bedroom by Bobby

Machal, apartment manager and Arnold Gibson, maintenance man. He had apparently been dead for about a week, according to Rockcastle County Deputy Coroner Roy Martin.

An autopsy will be performed Wednesday in Frankfort to determine the actual cause of death, but authorities believe he died of

a stroke.

Noe lived alone and no one at the 70-unit housing project had seen him since last Wednesday.

Machal said he and Gibson were starting to make their annual check of the apartments when they found Noe's body.

A retired farmer, Noe's survivor by a son and a daughter.

He was taken to Dowell and Martin Funeral Home where arrangements are incomplete.

Bradley Brock

Bradley Brock, 88, of rural Crab Orchard, died Oct. 14, 1987 at the Rockcastle County Hospital after a long illness.

He was born on July 8, 1899 in Harlan County, the son of the late John and Lizza Hopkins Brock. He was a farmer, Kentucky Colonel, and a member and trustee of the Crab Orchard Pentecostal Block Church.

Survivors are four sons, Proctor, Dallas, and Virgil Brock all of the Crab Orchard area and Mose Brock of Camden, Ohio; three daughters, Mrs. Evelyn Hilton of Berea, Mrs. Francene Ledford of Crab Orchard, and Mrs. Fay Gregory of Indianapolis, Ind.; 18 grandchildren and 16 great grandchildren also survive. He was preceded in death by his wife, Verla Mae Brummett Brock, two daughters, and three grand-

children.

Services were conducted Oct. 17 at the Crab Orchard Pentecostal Block Church with Bros. Oliver Abney, Tinsley Rector, Carsel Blanton, and Virgil Brock officiating.

Burial was in Negro Creek Cemetery, Watson Funeral Home was in charge of arrangements.

Billy D. Smith

Billy Donald Smith, 52, of Richmond, and formerly of Mt. Vernon, died Oct. 18, 1987 at the Rockcastle Hospital.

He was born in Rockcastle County Dec. 29, 1934, the son of the late Corbit and Edith Bradley Smith. He was a veteran of the Navy, an engineering technician with Trane Company in Lexington and a teacher at the Chestnut Ridge Church of

Christ.

He had just concluded a sermon at the church when he was stricken.

He is survived by his wife Glenna Rader Smith of Richmond, A son Daniel Smith of Jonesboro, Tennessee and a daughter Donna Noe of Richmond. A sister June Thompson of Richmond. Also surviving are four grandchildren and his maternal grandparents, Cirt and Fanny McDaniel of Mt. Vernon. He was preceded in death by a brother and a sister.

Services were conducted Wednesday October 21 at the Chestnut Ridge Church of Christ by Bro. Amos Owens. Burial was in the Smith Cemetery.

Pallbearers were: Oscar Bullock, Hubert Bell, Bentley McFerron, Charles B. Parsons, Sam DeBord and Wayne Gillilan. Dowell and Wayne Funeral Home was in charge of arrangements.

A hearing on said settlement will be held on November 2, 1987. Any exceptions to said settlement must be filed before said date. 52x2

Notice is hereby given that on the 13th day of October, 1987, Bige W. Towery, Jr., the duly appointed, qualified and acting administrator of the estate of Grace E. Towery, deceased, filed with the Rockcastle District Court a final settlement. Exceptions thereto shall be filed in writing with the Rockcastle District Court on or before November 2, 1987. 52x2

THANK YOU NOTE

I want to thank my many friends and relatives who were so nice to me through my surgery and recovery. For the prayers, the many who came to see me, the nice cards and telephone calls, Dr. Lykins and nurses and most of all, I thank the Lord for healing me.

Edd Taylor

The family of Mose Bradley Brock would like to thank the Rockcastle Co. Hospital, the nurses, nurses' aides and the doctors for all the care and special kindness shown to our loved one during his stay in the hospital. Also, sincere love and appreciation to everyone for all the kind words, prayers, flowers, food and any act of kindness that was shown to all our family during the sickness and death of our loved one. A very special thank you to Barbara Faulkner, Mr. and Mrs. David Blanton and Mrs. Bea Howard for the beautiful songs, Bro. Oliver Abney, Bro. Tinsley Rector, Bro. Lonnie Perkey, Bro. Virgil Brock and Bro. Carsel Blanton for the kind words and to Watson Funeral Home.

It's been a long dry spell, and it's still not over yet

By: Ray McClure

It rained! Not much, but every little bit helps, and it was a little bit, only .22 of an inch, bringing the October total to 27 of an inch the lowest in memory.

The rain Tuesday had little effect, if any at all, on drought conditions plaguing the area. Weather Service officials say.

It's indeed dry hereabouts, but Rockcastle County is not listed among the 34 counties under a state "water watch." However, the county is adjacent to counties that are, including Garrard, Lincoln and Madison.

Familiar statements heard around the county these past few weeks include, "I've never seen it this dry," and "I don't have a well anymore," and "My spring is dry for the first time that I can remember."

Glenn Bullock, who lives at Cove Branch, reported he had installed 3,000 feet of water line when his spring went dry for the first time. About 10 other residents have done the same this fall.

A state climatologist from Western Kentucky University has summed up the future. "We may have a good rain overnight that would help, but you don't suddenly get into drought conditions in one summer. It takes awhile, and it takes awhile to get over it."

"We need about several inches of rain over several weeks," he added. "And October and November are usually our driest months."

Lake Linville, which furnishes water to nearly all of the county, gradually gets lower with each day, with only one small stream now feeding the lake.

The pull-down at the lake has not been as much as it was two or three weeks ago because with the cooler temperatures comes less

usage and less evaporation.

Water Supp. Matt Powell, Jr., said the lake is now about two feet, five inches below the overflow valve.

He said if the lake goes lower, the water department would have to go to another lower valve, meaning to another six-foot level.

"And the lower we go the blacker the water," Powell related. "These cold nights are causing the lake to turn over and that only adds to the problems.

We're having a hard time keeping the water clear."

He said the city can take 12 more feet of water from the lake and still be able to get water into the water plant. But after that, no more water. He added, that at the moment, the use of another six feet of water is "on the brink."

The cause of a water shortage is obvious. No rain.

A check of records at Cox Funeral Home Weather Station shows to date only .27 has fallen

through Oct. 21. That compares to last year's October figure of 3.49 inches. There was 5.10 inches last September compared to 2.57 this year. Last November, there was 8.68 inches, a goodly amount for November.

With November and December still to go, to date this year there has been 31.27 inches of rain. The yearly total in 1986 was 41.97 inches of rain. The yearly total in 1985 was 41.71 inches.

In November 1986, there was

that unusual 8.68 inches of precipitation and 3.77 inches in December 1986. Adding these figures to this year's total, granted there is rain during the two remaining months, the yearly total would be about what it has been for the past three years.

To date, compared to the last two years, the area is about 10 inches short of rainfall. However, the yearly totals for the past three years are better than in 1980

All that's left of the Rockcastle River are a few stagnant pools. The above scene is the ford on U.S. 25 south of Livingston.

Vote buying widespread; Rockcastle no exception

By: Richard Anderkin

Is vote buying a problem in Rockcastle County? A recent story in the Louisville Courier-Journal stated that vote buying is prevalent in all of eastern Kentucky, making Rockcastle County no exception.

According to a local man, who asked that his identity not be revealed, for obvious reasons, vote buying in Rockcastle is as wide-spread today as it was 50 years ago.

The local man, who has been in politics and around them for many, many years said that some politicians in office today got there by way of the bought vote.

"Elections have been bought and sold in Rockcastle County as long as anyone can remember," he said. "They are bought one at a time, a handful or by the entire family," he said. "When I say family, I don't mean just mom and dad and the four kids, I'm

Harper to visit

A John Harper for governor bus tour through 16 counties in the Fifth District including Rockcastle, is scheduled for Oct. 28, 29 and 30.

Harper will attend a 7-30 breakfast at Jean's Restaurant on the I-75 Burr Interchange on Wednesday, Oct. 28.

He will spend two hours in the area.

Harper will be accompanied by state GOP leaders including U.S. Rep. Harold Rogers, State Senator David Williams and State Rep. Lonnie Napier.

talking about families with 50, 100 or even 200 people most with the same last name, that for the right amount, and usually it is not a lot, will vote for the same candidate or the same slate of candidates."

"Often times, candidates for county-wide offices here slate together and run as a whole. They pool their money so they can buy more votes," the man continued. "That makes it much easier financially on the candidates because instead of having to put up enough money or whiskey, in some cases, they only have to come up with about a fourth or fifth of whatever the total cost is, depending on the number of candidates that are on the slate."

"Anyone that knows anything about Rockcastle County politics knows that elections have been bought and sold since the beginning of elections," he related.

He added that not all present day politicians get involved in buying votes, but the majority of those who do not usually lose. That is not to say that they always lose, just most of the

John Doe buried

The body of "John Doe," an unidentified man found floating in Lake Linville Apr. 20, was buried Wednesday in Elmwood Cemetery.

The body was returned from Frankfort where efforts were made to identify him.

The man, of medium height, had been shot in the chest.

Tobacco growers have less to sell

The bulk tobacco market will open officially Nov. 23 and warehouses will begin receiving tobacco on Nov. 13, but Rockcastle growers will have about nine percent less pounds to sell this year.

The decrease in poundage is due to a six percent cut in the quota this year. Last year, growers were allowed to sell three percent over the quota something that is not allowed this year, so far.

There will be 15 sale days before the Christmas holidays. They are: Nov. 23, 24, 25 and 30; Dec. 1, 2, 3, 7, 8, 9, 10, 14, 15, 16 and 17. After the Christmas holidays, selling will start on Jan. 4 and continue until the market closes.

Harold Ballinger, county ASCS director, said there is just over 2,425,513 pounds in the county available for sale, the effective quota.

He said due to the dry weather

10 percent of the crop has been stripped and is ready for weighing. Usually, about 85 percent of the crop is sold before Christmas.

The average price support level this year is the same as the last two years, Ballinger stated. That price is \$148.80 a hundred pounds.

The Rockcastle average last year was \$154.99 for 100 pounds. A total of 3,186,848 pounds were sold by county growers last year with a total value of nearly \$5 million.

Most county tobacco growers take their crops to London, Richmond, Lexington, Danville and Somerset.

McKinney quits at local bank

After almost two years as president of the Bank of Mt. Vernon, Danny McKinney has resigned.

McKinney's move came suddenly last Thursday following a meeting of the bank's officers. McKinney said Tuesday he quit because of personal reasons.

A former branch manager for Farm Credit Services, McKinney was named to replace C.T. Huffines who had been president of the bank since Tracy Farmer purchased majority stock in the 1970s.

A spokesman for the bank said Tuesday that a new president would be named as soon as the board of directors meet.

Food bank growth rate up

The Rockcastle Emergency Assistance Program (REAP) continues to expand in its ability to assist emergency food needs of Rockcastle countians. During August and September the average number of families that were assisted was between 15-20 per month. That number is expected to increase dramatically during the winter months.

One reason for the expected increase is that the Food bank operated by the Christian Appalachian Project (CAP) is no longer operating. CAP has donated all remaining supplies to

REAP, including the use of a freezer.

As demands have risen so has donations from citizens and organizations of Rockcastle County. Because of the increase in financial support REAP was able to proceed with plans to become an associate member of God's Pantry and Crisis Food Center of Lexington.

What this means is that a large amount of many food items can be obtained there to stock the local food bank. While the food does not cost the food bank

Cont. to B

Swimming charges dropped

Mt. Vernon City Policeman Jim Rhodus wasted his time handing out tickets to persons swimming and wading in Lake Linville this summer.

Judge William Cain dismissed 26 cases involving swimming at the lake this week. Judge Cain said Tuesday he felt there was a "question" about the ordinance itself, and he found it difficult to determine what the designated swimming area is at the lake. There was also a question of signs posted.

The judge also said the city allows water skiing, but if you fall off into the water the person can be charged with swimming in a no swimming area.

There is now no designated swimming area at the lake after the beach area was closed by the Rockcastle Health Department.

Trick or Treat

Trick or treat night has been scheduled at Mt. Vernon, according to city police. The time will be from 6 p.m. to 8 p.m. Friday, Oct. 30.

It is suggested that parents or an older person accompany children on their rounds during the prescribed time.

Several citizens recently attended the Kentucky Economic Development Showcase '87 in Louisville, which was sponsored by the Kentucky Commerce Cabinet. At the Rockcastle booth are, from left: Mt. Vernon Mayor Elizabeth Baker, Karen King, Ada Noe and Danny McKinney. In a unified endeavor to induce industry to located in Mt. Vernon/Rockcastle County, area delegates campaigned aggressively with the industrial marketing representatives, stressing the amenities of our county.

Bro. Eddie Hammond and daughter Heather, met with Mary Jo Votuba, director of God's Pantry in Lexington, at the local Rockcastle Emergency Assistance Program office in Mt. Vernon to discuss and assess the local food bank.

Opinions

Dear Editor,

Some people have a destructive idea of practical jokes, if, indeed it was a practical joke....

Last weekend we, the five Johnson sisters and their families enjoyed a gathering at the old home place on Cove Branch. It was a lovely weekend and everyone enjoyed the time spent together. Some of us stayed two nights in the house we have worked so hard to replace the one burned there this past summer.

Sometime Sunday night while we were sleeping there, someone dumped two bags of nasty garbage beside the road right at our front yard gate. The bags were thrown so that they burst open

scattering beer cans, empty food cans, coffee grounds and all kinds of kitchen and bath room garbage which had to be picked up by hand, piece by piece—a nasty bad job!

My first thought was of anger and I said, "I wish I knew who did this I'd". While I was picking it up my next thought was, 'I hope I never find out who did this, because I might do something that I and my family may regret doing! Then my conscience told me that this is ignorance and whoever did it needs our prayers before it is too late to save their soul from an everlasting hell!

When I was growing up on

Cove Branch it was the most beautiful pleasant place to live and enjoy God's good gift of fresh air and a place to be proud of and love. We had good neighbors and helped each other. Now, whoever did this nasty trick, if it was to be a practical joke, please think twice before you do these destructive things. Think of us elderly people who are trying to keep Cove Branch a quiet, beautiful and peaceful place to live and let us be good neighbors and help each other to enjoy our last days on this earth with God's protection and guidance.

FHA office to close Nov. 4

The Mt. Vernon Farmers Home Administration office will be closed Nov. 4 in order for the staff to attend a state meeting in Louisville.

The Way I See It

By: Richard Anderkin
Mount Vernon Signal

Mt. Vernon City Councilman Tom Wesley upset, as I don't blame him. It seems that a couple of weeks ago someone or something, it could have been either, stole the American Flag from the pole at the city park.

This is the third such theft of the flag and the city has had to buy the fourth one and place it there.

"Don't these people realize what that flag symbolizes, besides being our country's symbol of freedom. It is there to remind us of the brave men and women that gave their lives so that we could be free and live the way we do desire," he said.

The theft of the flag is just another instance of the disrespect many of our so-called citizens have for other people's things and for the law.

But, of course, if law officers did catch them, and they ended up in district court chances are nothing would ever become of it, unless the accused party pleaded guilty, and no one in their right mind should ever plead guilty in Rockcastle District Court.

Here's an example. A few weeks back I was driving down a city street around noon one week day when I noticed the car in front of me, swerving all over the road.

When I first noticed him, I simply thought he was just driving carelessly, but as I followed I soon realized that he was drunk.

It was all he could do to control the car. I saw his car along the side of West Main Street. He finally stopped and I got to a phone and called the Kentucky State Police Post at London.

The trooper came very promptly and arrested the man. He was so drunk the trooper had to help him out of the car and into his cruiser.

The man appeared in district court recently, charged with driving under the influence and operating a vehicle on a suspended license. His D.U.I. was amended to reckless: driving

because, according to the court docket, there was no evidence that he was actually driving the car, because when the trooper got there he had parked.

Someone did not do their job. When I called and reported that the man was driving drunk, I told the dispatcher who I was and where I worked. You would think that it would be simple to follow up on it. I certainly saw him driving his car.

The man also had another D.U.I. charge against him but it was also dismissed for the same reason.

In my opinion, the worst part of the situation was that the man could have run up on the sidewalk and wiped out two or three people out for an afternoon stroll.

Quite simply, our district court system is a joke if someone pleads not guilty and asks for a jury trial.

One local attorney told me that this goes on everywhere. So it may, but it still doesn't make it right.
On another note, I would like to see a mandatory seat belt law in Kentucky passed by the next General Assembly. It certainly would help save lives....
A recent news release from "Kentuckians for Safety" revealed that 77 percent of the 805 people killed on Kentucky highways

in 1986 died on rural highways. Rockcastle County is certainly a rural county and we should all take seat belts more serious.
I know that I do not always buckle up when I should, but if there was a law I know that I would try to do so.
According to the news release 90 percent of all the victims were not wearing seat belts.
Think about it.....

Around BROADHEAD

By: Mary McWhorter

The rumor that was circulating in Broadhead last week of Mrs. Mary Adams being confined to a hospital in Louisville, very sick, wasn't true. Mrs. Bertha Adams called Mary's sisters' home and talked to Mary. She is just fine and can't imagine how that came about. I didn't believe it because Ruth would have called some of us who keep in touch with her. Mary says to tell everyone hello.

Last week's visitors of Mrs. Bertha Adams were her daughter Juanita Browning of Waynesburg. She and Bertha were in Somerset shopping in the afternoon.

Mr. and Mrs. Sherman Drew of Florida were recent visitors of Mr. and Mrs. Joe Bussell and family.

Mrs. Velma Singleton of Ohio was a recent visitor of Me and her mother, Mrs. Cuba Croley.

Recent visitors of Maggie and Audrey Fletcher were Patricia Faye and Lindsay Kaye Alcorn of Berea, Tonya Parrett and Katie Miller.

Mr. and Mrs. James Bradley, Stephanie and friend Carrie Ross, Regina Cash, Mr. and Mrs. Joseph Brinegar and sons, Bruce and Brian Hayes, Mrs. Judy Vanzant and son and Everett Lee all enjoyed a picnic at Cumberland Falls Saturday.

Miss Carrie Ross spent the weekend with Miss Stephanie Bradley and attended church at Providence with her on Sunday and Sunday night.

Pat and Freddie Pruitt Jr. and I visited with Gervis, Carol, Craig, Leslie Gayle, Allen and

Hazel Singleton and son Chris at London, Saturday evening. I also visited by phone with my sister-in-law, Mrs. Willa Baker.

Mr. and Mrs. Lester Peters of Lebanon, Ohio visited the Roy Hubbard family Saturday. Mrs. Peters is a former co-worker of Mrs. Hubbard, they all attended the get together at Renfro Valley.

Mr. and Mrs. Roy Hubbard were in Richmond last Tuesday for Roy's check up with his doctor and got a good report for which they were very thankful.

Jack Bussell took his wife Annette and son Kevin and his mother, Mrs. Lula Bussell to Jean's restaurant for dinner Sunday, celebrating Annette and Kevin's birthdays.

Mrs. Beulah Long of Ohio and her sister Mrs. Thelma Brown of Crab Orchard were Saturday afternoon visitors of Mr. and Mrs. Delbert Long. Other visitors were Jess and Helen Taylor, Oakley Collins, Diane Helton, and Johnny and Beverly Taylor.

I talked to my sister-in-law, Mrs. Willa Baker of London, Tuesday. She was happy to have her nephew Olin McWhorter and wife Judy of Louisville and her niece Eva McWhorter of Findlay, Ohio visit her Monday. They also visited their cousin Doris Caudill Willa and they had dinner together which they enjoyed very much.

LADIES AID MISSIONARY SOCIETY

The Ladies Aid Missionary Society met at Loraine Newland's home, Oct. 13, at 7:30 p.m.

The ladies walked around some

of the most colorful fall leaves hanging on trees in Broadhead, when they entered the yard. Of course, some of the leaves on the ground were carried into the house, as they stuck to soles of the women's shoes.

Barbara Watson read the story poem "What a Friend." Later Charles C. Converse composed the music for the words of this poem. This song still speaks to millions of people.

Poor health kept Joseph Scriveren out of military academy. In 1847, on the eve of his wedding, his fiancé drowned. After this he was converted to Christianity in Ireland. His family disapproved, so he went to Canada. He gave his valuables to those who needed them worse than he. More tragedy struck! His second fiancé died of pneumonia. He continued living a constant Christian life. His set cond poem "Pray Without Ceasing" was set to music, also. This, too, was an inspiration to all Christians.

For the groups old business, the nursing home visits were reported and Mr. and Mrs. Tommie Baldwin's household shower was planned for Oct. 25 at 2 p.m. - 4 p.m. in Broadhead Christian Church newly decorated Fellowship Hall.

In new business, Ella Mae Martin passed around several

cards for all of the ladies to sign for nursing home patients.

Also, some of the group made plans to go to Sowder Nursing Home to hang some pictures in some of the rooms, Wed., at 1:30 p.m.

A call to Troy, Ala., Tues, let the women know that the fresh crop of pecans would be picked in two weeks. So they will be shipped to Broadhead by the end of October. The ladies can start taking orders to be sold for the same price as 1986's price.

Refreshment time! The dining room tables' center piece formed a circle of small gourds with colorful stuffed cloth leaves placed among them.

Loraine's specialty - rhubarb cake plus apple pie, dip to be dipped with celery and carrots sticks, etc. all were on the table for us to choose. Hard choice, so most of the women took some of each thing, plus choice of drink.

In November the group will meet at Ruth Shivel's home and Lou Payne will have the lesson.

Elizabeth F. Mullins

QUAIL NEWS

By: Mrs. Vivian Owens

Monday visitors of Pattie Baker were, Mrs. Florence Albright, Ruth Mink, Christine Brown, Mrs. Jessie Taylor and Vivian Owens.

Mr. and Mrs. Jesse Baker of Leitchfield was Wednesday visitors of his mother Mrs. Pattie Baker.

Mr. and Mrs. Butch Carl and family, Mr. and Mrs. Steve Tracy and Angie of Versailles were visitors of their parents Mr. and Mrs. Robert Hayes.

Jeff Carl and Charles Cooper of Versailles spent Saturday night with Mr. and Mrs. Donnie Hayes

and Josh. Mr. and Mrs. Estill J. Owens and daughter Vicki of Springdale, Ohio were Sunday visitors of his mother, Vivian Owens.

Auction
of Mr. and Mrs. Benny Phillips' House and 28 Acres, more or less and Personal Property
Saturday, October 31, 1987 1:30 p.m.
Located near Great Saltptre Cave, Rockcastle County

LOCATION: Turn off U.S. 25 at Livingston onto State Road 1955 (Red Hill Road). Follow the Red Hill Road to the junction of 1004 (Saltptre Cave Road). Turn on the Saltptre Cave Road and go about 4 mile to the property. Auction signs will be posted to direct you.

Mr. and Mrs. Phillips are in the process of purchasing property in Somerset and will be moving and have authorized our firm to offer this desirable small farm for the high dollar.

The house has large living room, kitchen, built-in cabinets, family room, 2 bedrooms, 1 1/2 baths, utility room and built-in back porch. It also has washer/dryer hook-up, 2 window air conditioners, wall to wall carpet, excellent flu and ceiling fan. Water is provided by a well. House is fully insulated.

Besides the house, there is also a good hay and livestock barn, and an extra building that was formerly used as a store building which could be easily converted into a small apartment. Also, there is a chicken house, good fruit cellar, orchard and T.V. satellite dish. There is a pond for stock water.

There is approximately 28 acres of land with about 8 acres cleared and ample space to run a few cattle or horses and enjoy country living at its best.

PERSONAL PROPERTY: Wood burning stove, fire wood.

Auctioneer's Note: Mr. and Mrs. Phillips have done extensive remodeling work on this property the last few years, and it is ready for you to move into and enjoy one of the most scenic spots in Rockcastle County.

TERMS: 20% down day of sale, balance in 30 days with delivery of deed on real estate. Cash or good check day of sale on personal property.

Fishing activity light to moderate

Fishing activity over the October 17-18 weekend was light to moderate statewide. Comfortable weather provided good fishing conditions during the weekend, as well as a chance to enjoy the fall colors. Largemouth bass and crappie were being caught with the most consistency. The lake-by-lake rundown, as reported by conservation officers or creel clerks at each lake: Kentucky: Creel Clerk Buddy Boyd reports that black bass were hitting plastic worms and jig-and-lead combinations off deep, rocky points 5-9 feet deep; white bass were hitting slab spoons and minnows off rocky ledges 12-14 feet deep; clear to murky, stable at four feet below summer pool and 62 degrees. Barkley: Creel Clerk Norman Brantley reports that white bass were hitting slab spoons and jigs along sand bars 2-10 feet deep; black bass were taking plastic worms and crankbaits off gravel points and over stumps 2-10 feet deep; clear, stable at four feet below summer pool and 62 degrees. Barren River: Creel Clerk Ralph Shipley reports that black bass were hitting crankbaits along stump rows 3-10 feet deep; crappie were hitting minnows over creek channel stump rows 10-15 feet deep; heavy discharge is hampering tailwater fishing; clear, falling, four feet below summer pool and 66 degrees. Rough River: Conservation Officer Harold Belt reports that crappie were hitting minnows over brush and cover 6-12 feet deep; black bass were hitting crankbaits off rocky points and along stump rows 6-12 feet deep; clear, stable two feet below summer pool and 65 degrees. Herrington: Chimney Rock Marina - Owner Don Strong reports that black bass were hitting topwater lures in the jumps Cont. to 8

Rockets running back Mark Sowder found very little running room as did most of the Rockets in their 14-0 loss at Cawood Friday night

Rockets lose second district game to Cawood; no playoff hopes left

By: Leslie Norton and Cindy Witt The Rockcastle Co. Rockets traveled to Cawood Friday night where they received their second loss of the season, 14-0, and a bomb threat that cleared the stands. In the first quarter, the Rockets were playing evenly with the Cawood Trojans. Rockcastle moved the ball well on the opponent's play using Chris Larkey, Mark Sowder and Kevin Rowe to carry the ball. Late in the quarter, the Rockets had a good drive going, but Cawood picked off a pass and ran it back to the 40 yard line. Added to this was a 15 yard penalty for a late hit. The Trojans then picked up the first down on the 35-yard line before the quarter ended. On the second play of the second quarter, Cawood completed a pass for their first touchdown. The extra point was good and made the score 7-0 with 10:50 remaining in the quarter.

On the kickoff, the Rocket's had a good return of 40 yards by Larkey. On the next play, a pitch-out to Sowder moved the ball up to the 20 yard line. From Cawood's 11 yard line Rockcastle was in a 4th and 1 situation, but the Rockets missed the opportunity for the first down and gave the ball up to Cawood. Neither team made a scoring threat the rest of the half. Early in the third quarter Cawood completed a 40-yard pass to the 15 yard line. On the next play, Pete Harrison recovered a Cawood fumble. Rockcastle's offense could get nothing going and were forced to punt. Cawood hooked up on a 25-yard pass for their second TD of the game. The extra point made the score 14-0. Neither team made much progress in the 4th quarter. The most exciting event of the quarter was the bomb threat which forced the fans to watch the game from the sidelines. The leading rusher in the game was Harrison with 12 carries for 50 yards and also one fumble recovery. Leading tackler was Chad Williams with 4 solos and 11 assists. "I don't feel like the team had their mind on the game," said Coach Larkey. "We played Cawood with less intensity than we've played all year." Coach Larkey felt that everyone was sharing the loss of his mother and that this affected the atmosphere of the game. Larkey's mother died Friday before the game. This Friday night, the Rockets will play Whitley County in their last home game of the season. This will be senior-parent night. Also several prizes will be given away, such as, the game ball signed by the coaches and players, two R.C.H.S. football sweat-shirts donated by Lowes, a large pizza and pitcher of Pepsi donated by Pizza Hut, two meals and salad bar donated by Druher's and two cases of Pepsi donated by Pepsi Bottling Co. of Corbin.

Wildcats and Redskins go undefeated in league play

By: Clarice Kirby Thursday, Oct. 15th ended our Youth League's regular football season. All players on all B teams played hard. This meant a lot of these boys last game to be played at the lower team level. Some would be moving up to play with and against older and bigger guys, next year. A victory for the Wildcats against the Redskins, not only would give the Redskins their first loss in this year's league, but would give the Wildcats second place, all to themselves. The first half was dominated

stopping them this time. Six plays later Chris Dillingham ran a 25 yard Bucc's TD. Extra points were good by Ashley Jasper. The next Bengal drive was stopped by a fumble, and then the Buccs fumbled right back to them. Half time score was Bengals 18 - Buccs 8. Tough defense for both teams prevented any score in the 3rd quarter. In the 4th quarter a 15 yard run by Ashley Sargent gave the bengals another TD but no extra points. Then a 20 yard run by Chris Dillingham for the Buccs another touchdown and the extra points by Ashley Jaspers kick ended the game with the score 24-16 Bengals.

THE BEGINNING OF THE END By: Clarice Kirby For the A teams' last season game there was a lot of excitement being generated before game time. Everyone was getting out early to their game. The Rockets were still holding practice on the field and we could visualize our 8th graders being among those Rocket J.V. players next year! The Buccs and Bengals were doing their warm up drills at each end of the field. This game could mean a tie for second place if the Bengals won, but the loss of a key player Doug Hughes hurt their chances. A win for the Buccs team would be one well deserved. I could feel a lot of sentiment for the Buccs team as William Hellard ran in the first TD of the game. He also got the Buccs extra point.

Newland again scored for the Bengals and quarterback J.D. Bussell's pass to Toby Moblely was good for the extra point. Time ran out ending the game with a score of 20-14 and a victory for the Buccs.

NAPA and Rebels II are first in bowling league

NAPA and Rebels II are tied for first place in the Rockcastle Bowling League at Maroon Lanes in Richmond with 17 wins and 7 losses. The Jets are in second at 13½ and 10½ and the Pin Busters, Madfis and Alley Cats are tied for third at 13 wins and 11 losses each. High team series for the week went to the Top Guns with a 2481. The Alley Cats were second with a 2450 and Rebels II reports third with a 2352. High team game also went to the Top Guns with an 862 and the Alley Cats took second and third high games with an 837 and 825. Jamie Noe had high men's series with a 584. Henry Vanzant was second with a 568 and James Noe, third, with a 553. Jamie Noe also had high men's game with a 223; Vanzant was second with a 216 and Clifton Daugherty and Bill Reynolds tied for third with a 203. *Jamie Bryant took high women's series with a 516; Perlina Anderkin was second with a 511 and Evelyn Mullins, third, with a 508.

BENGALS VS. BUCCS B Team Placed In League Redskins 6 - 0 Wildcats 3 - 3 Bengals 3 - 3 Buccs 0 - 6 WILDCATS SAID, "WE CAN DO IT" "Wildcats said, "We can do it!" That was before they played on Tuesday, Oct. 13th game against the Redskins of Roundstone. The team was letting their "Defense" speak for them. Good offense all year had been cited but the proud way our defense held for every league game was awesome. In the second half against the Redskins I became doubtful. It looked as if Coach Coleman's strategy to get a Redskins touchdown was inevitable. They kept getting first downs in the 4th quarter with Durham carrying the ball for the long yardage. Key tackles down to about the 7 yard line from David Mink, Mike Bradley, Jason Kirby, Matt Bryant, Mike Akorn, Curtis Cotton, and Johnathan Saylor, along with the rest of our defensive crew showed the Redskins that the Wildcats defense was tough. Deep in Wildcat territory with a minute to go the Wildcats regained possession. The board showed all points on the Wildcats side when time ran out. They were scored by Stacy Nicely's 50 yard run in the 1st for a touchdown, Matt Bryant made it 12-0 with his touchdown before the half, in the 3rd quarter Nicely scored his second TD. A pass was on for the extra point attempt. Quarterback Jason Kirby couldn't find an open receiver so he ran it in to add the extra point. This made the final 19-0. Yardage and 1st downs were picked up by Johnathan Saylor, Curtis Cotton, Chad Neal, Robert Miller and David Bentley. Besides by all the above mentioned people good tough blocking and tackles were laid down all year by: Mike Bradley, Clark Mullins, John Shepherd, Porter Smith, Karl Pittman, Donnie Lunsford, Donnie Cromer, Neal Bray, Stacey Kirby, and Mike Alcorn.

Those Goosie Rock Rockets put on a good drive round the middle and held possession of the ball for almost the entire 2nd quarter, before scoring the touchdown and getting their extra points to tie it all up with 25 seconds left on the clock. Their outside kick to the Redskins was recovered by the Rockets but time ran out for half time with the score 8-8. The 3rd quarter began with the Redskins' kicking off to the Rockets. In no time flat though those Redskins had regained

ROCKCASTLE YOUTH 7TH AND 8TH GRADE AGAINST CLAY CO. The Rockets kicked off to the Redskins and early in the 1st quarter William Bullens carried the ball in for the games first TD. Scott Parkey ran in to add the extra 2 points - 8-0. Those Goosie Rock Rockets put on a good drive round the middle and held possession of the ball for almost the entire 2nd quarter, before scoring the touchdown and getting their extra points to tie it all up with 25 seconds left on the clock. Their outside kick to the Redskins was recovered by the Rockets but time ran out for half time with the score 8-8. The 3rd quarter began with the Redskins' kicking off to the Rockets. In no time flat though those Redskins had regained

Jim VanHoose, left, and Joe Howaru caught 25 Chinook on a recent fishing trip to Lake Huron. The 25 fish were the two men's limits for the 2½ days they fished. The fish had average weights of 5 lbs. each.

"Fishing Report"
Cont. from Pg. 6

early and late in the day; bluegill were active on worms and crickets off steep banks 12 - 15 feet deep; low water level is preventing launching at some ramps; clear, falling, 30 feet below summer pool and 66 degrees.

Green River: Creel Clerk John Williams reports that crappie were taking minnows over submerged cover in 4-8 feet of water; black bass were hitting spinnerbaits over stick ups 1-6 feet deep; clear, stable at one foot below summer pool and 62 degrees.

Cumberland: Conservation Officer Mike Bowman reports that black bass were hitting crankbaits, plastic worms and topwater lures over stump runs and off points 1-20 feet deep; bluegill were hitting red worms 5-15 feet deep; clear, falling, 29 feet below summer pool and 67 degrees.

Dale Hollow: Conservation Officer Marvin Edwards reports that black bass were hitting large minnows off steep banks and points in 25-30 feet of water; bluegill were hitting worms and crickets off banks 6-10 feet deep; clear, falling, 20 feet below summer pool and 71 degrees.

Laurel: Conservation Officer Kenneth Mobley reports that bluegill were hitting worms and corn at night over main lake drop offs about 20 feet deep.

Wildcats take Dragons for eighth win, Monday 36-6

For the first time all year the Wildcats took the toss. They kicked off to begin the game, to the Dragons. Like a bat Mike Alcorn was down the field and tackled the Dragon ball carrier on the Dragon's 43 yard line. Two plays later Robert Miller got into the backfield to tackle and cause the Dragons a 5 yard loss. On the Dragons next play from the 45 1/2 yard reception to a man in open field went all the way for a Dragon touchdown with David Bentley in hot pursuit but could never catch him. The extra points were no good. The score was 6-0 Dragons.

The kick off to Stacy Nicely carried the Wildcats' ball up to the 38 yard line. On the 1st down Johnathan Saylor carried the ball to about the 44 yard line. On the next play Matt Bryant made a beautiful run all the way into the Dragon's endzone, only to be brought back on a clipping call.

From there on through the first half the Wildcats could not generate anything offensively. Their defense held strong though and the score at half time showed 6 for the Laurel Creek dragons and 0 Wildcats.

When the game was said or done at the field there has been good medicine for the Wildcats. They came out on that field wild as

Wildcats should be! On the Dragons kick off Stacy Nicely returned the ball from about the 22 yard line knocking loose tackles and with some good Wildcat blocks in front of him carried it all the way for a 56 yard TD. A big roar from the fans told the rest that the extra points were good on Johnathan Saylor's run. The score was now 8-6 Wildcats.

Upon possession by the Dragons, Jason Kirby went in for a sack to their quarterback and that put the Dragons back to their own 20 yard line. It was turned over to the Wildcats one play later and Johnathan Saylor ran in for the second Wildcat touchdown. Matt Bryant put the extra two points on the board.

For about the third time on the kick off team, Mike Alcorn got the tackle deep in Dragon territory. On the next play Mike Bradley's tackle brought up 3rd and 6. On a pass for the first down, David Bentley picked it out the ball ran 11 back for a Wildcat touchdown. The extra point try was no good.

On the 1st and 10 for the Dragons on the 42 yard line with 2:11 to go number 70 for the Dragons was headed for a Dragon 1st down. Impossible was what that was with the Cats playing defense, but they had 3rd down and 2 and the Wildcats got a face mask penalty called on them. This brought the Dragons up to the 45 yard line and had a 2nd and goal when Mike Bradley deflected the pass that was a sure Dragon touchdown, if caught.

The Wildcats took over on their own 5 yard line. That was ok, because on the first play Matt Bryant ran the 95 yards distance for yet another Wildcat touchdown. The try by Curtis Cotton for the extra points was no good.

The score at the end of time running out Stacy Nicely ran it from the 50 yard line, scoring TD and extra points.

The final score was Wildcats 36 and Clay County/Laurel Creek Dragons - 6.

Cont. from Pg. 4

should be brought up in the house of the Lord and taught the good things of life while they are here. We older people should always be willing to love and help them anyway we can. You will never go wrong (no matter who you are) by being good to a child.

We extend our sympathy to all those who have lost loved ones recently, including the families of Nathan Mullins of Climax, Mrs. Edna Burdette of Roundstone, Mrs. Anne Lakes of Madisn County and Mrs. Myrtle Davidson of Kirksville. Mr. God comfort the loved at this time.

Attending the visitation period of Mrs. Hazel (Gatliff) (Bryant) Bennett in English, Ind., recently were Mr. and Mrs. Ernest Lakes of Mareburg, Mr. and Mrs. Edmund Todd of Berea and Mr. and Mrs. Carl (Edna Gatliff) Lawless of Somerset. Mrs. Bennett, daughter of the late Mr. and Mrs. Wilburn Gatliff, Sr., died at her home in Orleans, Ind., Sept. 19, 1987 and was buried in the Mathers Chapel Cemetery. Her family and loved ones also have our sympathy and prayers. The Gatliff family lived for many years in the Scafold Cane area.

We all were blessed with some good preaching and good attendance during our recently held revival at Fairview. Baptist services were conducted Sunday evening Oct. 18. We thank God for the one that was saved and for all that was accomplished during this series of meetings. God is so good to us in so many ways.

Mrs. Lucille Ponder and members of her Sunday School Class enjoyed the evening of Oct. 10 with a hayride and Weiner and marshmallow roast on Scafold Cane. Class members were Roy McCollum, Rodney Mullins, John Blair, Michael "Pickie" Tammey, Charles Jenifer Isaacs, Cindy Croucher, Beth Ponder, Twila Witt, Dawna Croucher, Scott Ponder and Carl McCray. Guests were Roy Lee Croucher,

Velma Croucher, Fanny Martin and Teresa Brown. They all enjoyed the evening very much.

We at Fairview enjoyed seeing our visitors and friends at the Association Meeting held at our church on Saturday, Oct. 17. We had a special day for the occasion for which we were very thankful. I'd like to say to those attending and other too, if you ever have the opportunity, come back and see us again, you are always welcome at Fairview.

Hubert and I and my brother Tip Reppert and family enjoyed so much the visit of our sister Mary Jane and her husband Earl Sorah of Ohio recently. It was so good to see them again. Bless their hearts, we love them.

A cook-out was held at the home of Mr. and Mrs. Willie Cope on Saturday evening Oct. 10th. Six of their children attended; Mr. and Mrs. John (Alice) Shupe of Cleveland, Ohio and their son David Shupe and family of Lafayette, Ind.; Mr. and Mrs. William Cope and a grandson of Dayton, Ohio; Mr. and Mrs. Francis (Jean) Hayes of Winchester; Mrs. Christine Barnett and Mrs. Helen Powell of Berea; Mr. and Mrs. Buddy Cope of Little Clear Creek Road and Sylvester Cope of Berea. Their oldest son Ernest and family of Texas were absent and they all missed them. Mr. and Mrs. Cope are blessed with some good children that care deeply for their parents. We ask God's blessings on all the family.

Visiting Hubert and me on Sunday afternoon were Joyce Seals and daughter Kim and Jewell Davidson. Mr. and Mrs. Eugene Alexander and grandchildren Jenia and Jody were guest Sunday afternoon of Mrs. Nerva Maiden of Barbourville. Visiting Mrs. Hazel Cope Sunday afternoon in Richmond were Mrs. Mary Cope and daughters Helen Powell and Christine Barnett. Mrs. Cope has been ill for some time and is now in a nursing home. She has many friends who love her and her husband Sylvester.

"REAP growing"
Cont from Front

anything, a storage fee per pound has to be paid in order to pick up food.

Mary Jo Votruba, executive director of God's Pantry was in Mt. Vernon recently to examine and assess REAP's food bank. This was the last step in receiving membership. Membership has been approved. She was very impressed with the set up and even commented that record keeping was excellent. She plans to work with the local food bank in making the food bank capable of meeting even greater needs of Rockcastle Counties.

"According to Eddie Hammond, church/community liaison, 'REAP is here to stay as long as there is a need in this county. The organization is made up of you, citizens of Rockcastle County,'" he said. "We depend solely upon you for food donations, financial support, and volunteer help. We are people helping people and we need your continued support by way of food donations, financial support, and volunteer help. We are a non-profit organization and all donations are tax deductible."

Financial donations can be sent to Clark Brown, treasurer, P.O. Box 487, Mt. Vernon, Ky. 40456. All food donations can be brought to the food bank located on Main Street next door to the Signal office. The hours of operation are Monday through Wednesday, from 10 a.m. to 2

"Vote buying"
Cont. from Front

p.m. The members at large meeting is the fourth Thursday of each month. Anyone can be a member by volunteering their services. The public is invited to drop in during hours of operation and view first hand what REAP is all about.

"I've seen some politicians pay for votes right on Main Street in broad daylight," he said. "It is no problem, if people know you are running they are like parasites, they will come to you for money and guarantee you that they can deliver so many votes for a certain amount of money."

Republican leaders at Frankfort have asked Gov. Martha Layne Collins to propose the introduction of a bill into this special session of the General Assembly that would make it a felony or a much stiffer penalty if someone is convicted of vote buying. But local State Representative Danny Ford said Monday that he did not think it would be introduced, at least in the special session.

It would likely be left to the next General Assembly to remedy the problem.

"Things dry up"
Cont from Front

when there was only a yearly total of 34.80 inches of rain.

After 1980, the area recuperated some of its water table. In 1981, there were 52.77 inches. In 1982, there were 56.49 inches. In 1983, the total was 47.13 inches and in 1984, the total was 56.22 inches.

The lack of rain the last three years, 1985 through 1987, is the immediate culprit in the current shortage. Combined with a few months of low rainfall in the late 1970s, the general outlook has been all downhill in the last 10 years.

Although Lake Linville appears to be relatively stagnant, the city has not issued a water watch or asked customers to conserve water.

Powell said it would be helpful if residents did not use unnecessary water.

Not only Lake Linville, but other major streams in the county are in trouble. Renfro Creek and close-by Buck Creek no longer runs. Roundstone is dead in its tracks. The Rockcastle River has only pools.

Livingston's water supply comes from the boils adjacent to Roundstone Creek, but there has been no report of any water problems at Livingston, as yet.

Brodhead receives water from Lake Linville through Mt. Vernon Water Works.

ABSOLUTE Auction

of Mrs. Vietta Simpson's
House and 4.8 Acres - In Tracts and Automobiles - Personal Property
Friday, Oct. 23, 1987 4:30 p.m.
Located in Lincoln County, Kentucky

LOCATION: Located approx. 6 miles south of Crab Orchard on Hwy. 39 at the jct. of State Road 618.

Mrs. Simpson is in the process of moving to Ohio to be near her son and has authorized our firm to sell this highly desirable property for the absolute high dollar.

TRACT NO. 1 - Measures 199 feet on Hwy. 39 and 134 feet on Hwy. 618. It is a dandy corner lot with ample space for a garden and "tebbow room."

This tract is improved with the pictured frame house. The first floor of the house has living room, kitchen with built-in cabinets, 2 bedrooms, utility room and bath. The upstairs has 2 bedrooms. In addition, the house also has aluminum siding, storm doors and windows, city water and a large front porch in good fresh country air.

TRACT NO. 2 - Is an excellent building lot and lies directly behind Tract No. 1 and fronts on Ky. 618, a distance of 75 feet. It has city water available.

TRACT NO. 3 - Contains 0.920 acres. It fronts on Hwy. 39 and has city water available. A choice building or mobile home site.

TRACT NO. 4 - Contains 1.195 acres. It fronts on Hwy. 39 and has city water available. A choice building or mobile home site.

TRACT NO. 5 - Contains 1.166 acres. It also fronts on Highway 39 and has city water available. A choice building or mobile home site.

When combined, there is a total of 4.8 acres. Each tract will be offered separately and combined in any manner and as a whole, selling whichever way reflects the most favorable results. There is a tobacco base of approximately 353 lbs.

ELECT CLARICE KIRBY
Mt. Vernon City Council

[November 3, 1987 General Election]

With Nov. 3rd, Election Day, drawing night; folks, it's time to think seriously about your candidate for Mt. Vernon City Council. I am one of these.

My name is Clarice Kirby. I'm a 35-year-old female, married to Paul Kirby, and we have 3 boys. I graduated from Mt. Vernon High School in 1969 and we've lived in Mt. Vernon ever since, except for about 4 months.

I have been a dedicated person all my life to any worthwhile cause. By working with the other 5 elected councilmen and our Mayor, I feel I might be able to accomplish a lot of good for our city and county.

I will question all questions and think through things brought up before I make decisions or vote on anything - if you will elect me to one of these seats.

YOUR VOICE OF SUPPORT AND A VOTE FOR ME WILL BE GREATLY APPRECIATED.

Thank you,
Clarice Kirby

for Mt. Vernon City Council

WALDEN

Chevrolet & Oldsmobile, Inc.

529 South Main St. 864-5184 London, Ky.

News and Personal Notes

that one of her fondest memories of the past was when the Meridian Club (associated with the Woman's Club) sponsored a contest for the best decorated door in town. She won a silver cup that she still cherishes.

Mrs. Betty Jo McKinney was impressed by the first class organization and the various age groups who interact in the club.

After these comments, the group read the "Collect," and adjourned for refreshments, served by Mrs. Cheryl Witt, Mrs. Jean Allen and Mrs. Karen Noe.

The next meeting will be Oct. 27.

Melanie Reynolds, daughter of Mr. and Mrs. Eddie Reynolds of Rt. 1, Crab Orchard, will represent this district in the state dairy princess contest to be held in Louisville in February.

In the Marines

Two Rockcastle men have left for Marine recruit training and two have recently joined the Corp.

Darin S. Sigmon and Bennie L. Kirby have both left for Marine Corps Recruit Depot, Parris Island, S.C. where they will undergo 11 weeks of training.

Sigmon is the son of Bill and Nancy Sigmon of Mt. Vernon and Kirby is the son of Lloyd and Cuba Kirby, also of Mt. Vernon.

Ronnie Lee Hurley and Shannon Martin both joined the United States Marine Corps through the

Delayed Entry Program.

Hurley, the son of Ronnie and Peggy Hurley of Livingston, will report for active duty in May, 1988. Martin, whose mother Mrs. Grace Martin lives in Mt. Vernon, is being joined for the quality enlistment motor transport program, will report for active duty in March, 1988.

Both men will undergo 11 weeks of recruit training, to include instruction in drill, first aid, general military skills, physical fitness and weapons familiarization.

BANQUET

The Mt. Vernon Lions Club will sponsor the 28th Farmer-Business Banquet this year at the Rockcastle County High School. The banquet, set for Nov. 6, is open to business people and farmers of the county, along with their spouses. And admission will be by ticket only. No tickets will be sold at the door.

The tickets sell for \$6 each and are being sold by members of the Mt. Vernon Lions Club and the Rockcastle County Soil Conservation District who sponsor the event every other year. Door prizes will be given.

To Be Wed . . .

Mrs. Mary Faulkner would like to announce the forthcoming marriage of her daughter, Tammy Yvonne, to Richard E. Barnes, Jr., son of Mr. and Mrs. Richard E. Barnes, Sr. of Livingston. Miss Faulkner is also the daughter of the late Donald Faulkner. All relatives and friends are invited to attend the ceremony which will be held October 31 at 2 p.m. at the Sand Hill Baptist Church with Rev. Jimmy Williams officiating.

Woman's Club Meets

By: Brenda Lambert

The Woman's Club of Mt. Vernon conducted its first meeting for 1987-88, Sept. 22 in the Rockcastle County Library. Fifteen members attended, including a new member, Pam Pensol. A total of 26 members is anticipated.

After a devotional by Mrs. Alta Bullock and the minutes of the last two meetings, President Jean Allen informed the membership that Mrs. Vickery Farthing had resigned as treasurer and that she had appointed Mrs. Jean Walker to fill that position. Prior to this meeting, the treasury held \$75.67.

The president relayed several communications. One concerned the contests for members and students in art, arts/crafts, short story, essay, speech, and music. Chairmen Dorothy Landrum and Jean Allen plan to contact potential entrants. Another important communication was an invitation to attend the Ninth District Meeting, Oct. 22 at the Ramada Inn in London. Mrs. Allen, Mrs. Elizabeth Mullins, Mrs. Emily Glovak, and Mrs. Pam Pensol plan to represent the Mt. Vernon Club at that meeting.

Other business included naming committees by Mrs. Cheryl Witt, who also announced that Mrs. Margie Wilcox and a group of her chorus students will present the October program.

After the business was concluded, Mrs. Allen asked if a few members would share their feelings about being a member of

RISE AND SHINE HOMEMAKERS

On Tuesday, Oct. 13th, a group of ladies from our club took a trip down to Cumberland Falls to eat lunch at Dupont Lodge.

They enjoyed the drive and looking at the beautiful hills along the way alive with color on this lovely October day.

After lunch a brief meeting was held and our club president Mrs. Juanita Davis gave out the lesson for October to the members.

They took the long route home to enjoy more scenery across route 90 to 27 and into Somerset.

They ended a delightful day with some shopping at Summit Mall. The ladies who were present on this trip were Rise and Shine Homemaker members:

Jeannette Baker, Alta Bullock, Juanita Davis, Lavada Graves, Irene Hopkins, Joyce Hopkins, Pauline Kinier, Faye McCaully, Ruby McKenzie and Bessie St. Clair.

Reporter

Woman's Club. Mrs. Evelyn Gregory gave a eulogy about the club, saying she has always been impressed by the graciousness of the members and that she wants to keep the club intact.

Mrs. Landrum, who joined partly because the group once sponsored the Girl Scouts, said she had seen "the peaks and valleys of the club" and had always enjoyed the fellowship.

Mrs. Bessie St. Clair said she had enjoyed a long association with the club and remembered when they had helped make the Rockcastle County Library a reality.

Mrs. Elizabeth Mullins said

Stone age idea — Space age technology

Everyone knows that the earth holds tremendous potential for heating and cooling. That's why early man sought out caves for shelter. But until recently, it was difficult to harness energy the earth had to offer. The ground-coupled heat pump has changed all that!

A ground-coupled heat pump consists of a compressor, heat exchanger and a loop of plastic pipe filled with antifreeze. In winter, heat from the earth is absorbed by the antifreeze in the pipe and transferred into the house. The liquid is then cycled back underground where the action is repeated.

In summer, the ground-coupled heat pump provides whole-house cooling by reversing the process. Heat from the house is absorbed by the liquid and given off underground.

And by taking advantage of the constant temperature of the earth (about 52°), the ground-coupled system's efficiency is improved far beyond conventional heat pumps, which draw heat from the air and its wide swings in temperature. Year-round comfort. Year-round savings.

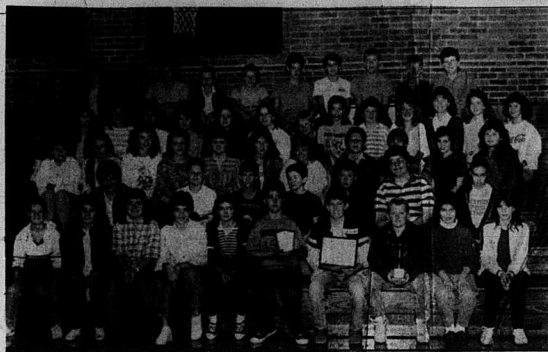

YES! Please send me more information about the ground-coupled heat pump & the cooperative incentive program.

Local district conservationist promoted to Somerset office recently

David Stipes, local District Conservationist for the Soil Conservation Service has been promoted to the position of Conservation Agronomist in Somerset, and will be transferring there effective Oct. 26. In his new position David will be responsible for providing Agronomic assistance to 24 county offices of the Soil Conservation Service in the South Central portion of Kentucky.

David has been located in Rockcastle County since 1981 and has provided assistance to landowners and units of govern-

ment through the Soil Conservation Service and the Rockcastle County Soil Conservation District. As of present a replacement has not been named, however, a trained Soil Conservation Service employee will be transferred to the local office in the near future.

David has enjoyed his stay in Rockcastle County and wishes to thank everyone for their cooperation. He plans to revisit Rockcastle County in the future and visit with the friends he has made while working in the county.

GOOD NEWS FOR BURLEY GROWERS

Fifth District Congressman Harold Rogers said the U.S. Department of Agriculture has agreed to drop a proposal to cut price supports for most grades of burley tobacco by one cent per pound this fall.

Rogers said U.S.D.A. agreed to hold price supports for most grades at \$1,488 per pound this fall after meeting with Kentucky farm leaders in Washington.

"This agreement to hold the line on price supports for the major burley grades is good news for our tobacco growers," said Rogers. "It will allow our growers to keep more of their hard-earned dollars."

Rogers said an official announcement of the 1987 burley support prices will be made later this fall.

"I am pleased that we could get U.S.D.A. to rethink its proposal, and I will continue to work for higher tobacco prices for our growers and further improvements to our tobacco economy," Rogers added.

The world's smallest flower is the daisycweed, no larger than a tack-head.

Poster contest

Annual conservation and essay contests begin soon

The 1987 Conservation Poster-Essay Contest sponsored annually by the Courier-Journal and the Rockcastle Conservation District will begin soon throughout the Rockcastle School System. This year's theme "Soil Conservation in My Community" is a very timely subject. The Poster Contest will be held in grades 1 thru 6 and the Essay Contest will be held in grades 7 thru 12. The top three entries from each school in

each contest will be submitted to the local Soil Conservation District for local and state judging by December 1, 1987.

Information on the subject will be delivered to each school by the local Conservation District to assist students in preparing their respective entries. Additional information can be obtained from the Rockcastle County Library and from the local Soil Conservation District office at 156-2541.

Hospital Will X-Ray Candy Free

Between 5 p.m. and 11 p.m., Halloween night, the Rockcastle Hospital and Radiology Department will sponsor **FREE** x-raying of candy collected by Trick or Treaters. Just bring your little "goblin" with his/her sack of candy to the Emergency Room where the candy and fruit will be taken and viewed for foreign objects. **All children must be accompanied by an adult.**

Three Safe Hints for Trick or Treaters

1. Trick or Treat at houses you know are safe.
2. Never Trick or Treat alone.
3. Have **ALL** candy and fruit viewed for foreign objects.

Have a Happy and Safe Halloween!!

Outstanding 4-H Club

Mrs. Patsy Morgan's and Mrs. Regina Burton's 6th grade 4-H Club, The Jolly Green Giant, received the 1986-87 Outstanding 4-H Club award. The club is from BES. Club members are shown at left.

Auction

of the late
Mr. and Mrs. Charlie Hasty's
83 Acres, more or less
In Tracts
Farm Machinery
Antiques and Personal Property
Sat., Oct. 24, 1987 10:30 a.m.
Quail Section of Rockcastle County

LOCATION: Approx. 9 miles southwest of Mt. Vernon and 7 miles southeast of Brodhead on Hwy. 70 near Bell's Grocery. Follow auction signs.

In order to settle the estate of Mr. and Mrs. Charlie Hasty, their heirs have authorized our firm to sell for the absolute high dollar this well located property and personalty.

The farm will be offered in tracts, reserving the right to re-group in any manner to reflect the most favorable results.

Tract No. 1 - contains 6.9 acres and is located on the county gravel road.

It is improved with the above-pictured house. The house has living room, kitchen, dining room, 2 bedrooms and bath. The exterior of the house has aluminum siding. Besides the house, there is also a combination stock and tobacco barn, fruit cellar and storage buildings on this tract.

Tracts 2, 3 and 4 - range in size from 3.4 to 4 acres, all level cleared land and front on the county gravel road.

Tract No. 5 - contains 2 acres and fronts on state road 618 and has city water available.

Tract No. 6 - contains 1.7 acres and fronts on state road 618 and the county gravel road. City water is also available.

Tracts 7, 8 and 9 - range in size from 1.4 to 1.7 acres and front on the county gravel road.

Tracts 10, 11 and 12 - range in size from 1.1 to 1.6 acres, fronts on highway 70 and has city water available.

Tract No. 13 - contains 4.4 acres and has 252 ft. of road frontage on highway 70 and has city water available.

Tract No. 14 - contains 29.3 acres with 300 ft. of road frontage on highway 70 and has city water available.

Tract No. 15 - contains 18.7 acres and fronts on highway 70. This tract has approximately 3 acres cleared land.

The tobacco allotment on the entire farm is 1013 lbs. Should the property be sold in tracts, the tobacco base will be divided by the ASCS office.

VEHICLE: 1954 Chevrolet pick-up truck with approximately 34,000 actual miles.

FARM MACHINERY: International 140 tractor; cultivator; mowing machine; plows; disc; trailer; horse drawn wagon; horse drawn mowing machine; corn planter; hay rake; approximately 200 bushels of corn; seed sower; spring seat for a wagon.

ANTIQUES AND PERSONAL PROPERTY: Primitive table with flour bin - old kitchen cabinet, excellent condition - round oak table with claw feet; Home Comfort electric range; Frigidaire refrigerator; Frigidaire deep freeze; kerosene lamps; F-Z Bake wood cooking stove; excellent oak wooden ice box; heating stove; dining room suite with 6 chairs; buffet; china cabinet; 2 iron bedsteads; Norge automatic washing machine; oak library table; Warm Morning heating stove; old oak trimmed living room suite; 2 wicker rocking chairs; old oak sewing machine; dresser; old copies of the Mt. Vernon Signal, Progressive Farmer and old catalogs.

ALSO: Large trunk; oak wardrobe; walnut wardrobe; Torrid Windsor heating stove; living room suite; end tables; old Victrola with records; library table; Victrola radio; radio bench; wardrobe; Alladin lamp; unusual floor lamp with alabaster base; magazine rack; lots of crocheted pieces; pillow case, doilies, etc.; rugs; dinner bell; lots of figurines; depression glass; dishes of all descriptions; quilts; granite buckets; scalding pan; tarpaulin and step ladder.

ALSO: hand and garden tools of all description; barb wire; roofing; pump; cross cut saw; well buckets; lawn mowers; rotary tillers; plus many more miscellaneous items.

Auctioneer's Note: If you're looking for a small tract of land or several acres, mark your calendar now to attend this important auction, or if you are interested in good machinery, personal property or antiques, there will be something for everyone.

TERMS: 20% down day of sale, balance in 30 days with delivery of deed on real estate and cash or good check day of sale on personal property.

CHILD CARE FOOD PROGRAM

The Christian Appalachian Project, Inc. announces participation in the USDA Child Care Food Program sponsored by the Kentucky Department of Education.

All enrolled children will be served the same meal at no separate charge regardless of race, color, national origin, sex, age, or handicap and there will be no discrimination in the meal service.

If you believe you or any individual has been discriminated against in the Child Care Food Program, write to the Secretary of Agriculture, Washington, D.C. 20250.

The Christian Appalachian Project, Inc. sponsors the Family Life Child Development at Mt. Vernon.

LEAP meets at Livingston; Eleven new members reported

The Board of Directors of Livingston Economic Alternatives in Progress, held their monthly meeting at 7:30 p.m., Oct. 19, at the LEAP Offices in Livingston.

Present were Faye Baker, Juanita Medley, Jimmy Taylor, Ina Taylor, Tammy Gardner, Denise Carpenter, Bernice Carpenter, Freda Sturgill, Carol Blackburn, Geraldine Thomas, Judy Scalp, Iris Parker (visitor) and Wilma Thomas (visitor).

The meeting was called to order by Faye Baker, Chair, and the minutes of the Sept. 21 meeting were read and unanimously approved.

Ina presented the treasurer's report with total income for August of \$2,629.82, total expenses of 2,404.43 and a net income of (\$874.60). A copy of the income statement and balance sheet were given to members.

Juanita reported new members as Barbara Smith, Donna Newcomb, Roland and Katha Carpenter, Russell and Carol Blackburn, David Patton, Todd and Rosie Mink, Myrtle Durham, Jane Smith, Pat Agnew and Freda Sturgill. We appreciate all these people who are concerned with progress in the Livingston area.

Carol had a few comments on her recent trip to Jackson's Mill, W. Va., where she attended the annual Commission on Religion in Appalachia projects' assembly. She spoke to many other project members from around the region about LEAP's work, answered questions and made friends. It's an experience she'll never forget.

In old business, a few members will be attending the City Council meeting, Nov. 2, to present a proposal to them concerning the use of the senior citizens' building. Two corporate resolutions were signed. One is to give Tammy Gardner authority to open a NOW account at People's Bank and Trust in Berea. The other is to request funds from the Citizen's Bank in Brodhead. Leap will have a fundraising drive during the month of November. It will consist of sell-

ing Buckeye Candies, which is a new food item of the OFW (Opportunities for Women). Faye suggested that Tammy coordinate with the women project in making the candies. Everyone will be involved in selling them, and an order form will be available. They will be packaged in beautiful decorative tins. For more information or placing an order call 453-9800.

Under new business, we have established a Personnel Policy. The treasurer will sign the directors payroll and reimbursement checks. We also accepted a Staff Wage Policy which was included in the minutes of Oct. 19.

Faye suggested we think about hiring a new director. She informed everyone that Tammy will be leaving in late 1988. Also Denise informed the Board that she will be turning over her position as assistant manager. A full-time position will be available and will be listed in the Revival. There will be a deadline of a week after the Revival is out. At that time the position will be filled.

Faye contacted legal services to see if there was a conflict of interest having project participants on the Board of Directors. She reported back that according to state law we can have an employee on the board.

Tammy discussed the Heifer Project, which gives away female animals to families and communities to earn extra income. A committee was formed to learn

more about the project. Jimmy Taylor, Juanita Medley, Carol Blackburn, Judy Scalp and Geraldine Thomas are on the committee. They will plan when to have a special community presentation.

There will be a "worker-owned" training session in Athens, Ohio, Oct. 27-28. Board members and project members will be attending. The workshop is to promote worker-owned businesses and will be very informative. It is given by WON "Worker Owned Network".

The next Board of Directors meeting will be at 6:30 p.m., Nov. 16, at the LEAP office. The meeting was then adjourned and everyone visited.

Retired teachers assoc....

Rockcastle County retired teachers need help by joining the Kentucky Retired Teachers Association (KRTA).

The KRTA is the only organization in Kentucky that has as its sole purpose the improvement of the welfare of retired teachers across the state.

The KRTA develops a legislative program each year which is designed to improve the financial benefits of retired teachers.

The local group meets at the Rockcastle Library on the fourth Monday of every other month. Dues are \$2 a year. Next meeting is at 3:30 p.m., Oct. 26th.

RE-ELECT Larry Burdette

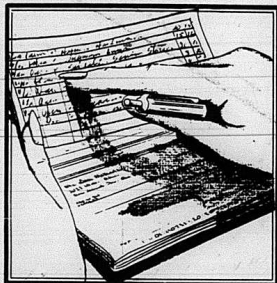

for Mt. Vernon City Council

I'm listening to you, the voters and citizens of Mt. Vernon. You're wanting more industry for more jobs at home. This goal is a priority in serving as your councilman for the next two years.

Please pull lever No. 4 on Nov. 3rd. Thank you for your vote and support.

LARRY BURDETTE
City Councilman

52x2p

Checks have been around for years and are widely accepted at home and away for payment, with proper identification.

Carrying a checkbook eliminates the need for carrying large amounts of cash. Our checking program gives you safety and protection from losing money by accident! Too, with checking, you'll discover your purchasing habits will be wiser, and you'll never be short of cash to take advantage of a sale.

Paying all household bills by check insures a complete payment record that is easy to verify.

Now that the Winter months are fast approaching... you'll like being able to pay bills from the comfort of your home. Plus, shopping from the catalogs at home are made easier when using a checking account from our bank.

Begin your checking experience today with us and you'll always have a complete picture of your spending habits!

Our senior friends and students enjoy free checking every day!

JOLLY GREEN GIANTS - OUTSTANDING 4-H CLUB

Mrs. Patsy Morgan and Mrs. Regina Burton's 6th grade 4-H

club, the "Jolly Green Giant," received the 1986-87 outstanding 4-H club award at our recent 4-H Recognition Banquet. This club was very active in each 4-H activity and worked very hard to be the most outstanding club. Members of the club were: Mike Albright, Beth Amyx, Tim Argerbright, April Abney, Perry Baker, Lee Roy Barnett, Richard Birney, Jennifer Bishop, Crystal Bradley, Chris Brummett, Darrell Brummett, Susie Bryant, Eric Burke, Donna Carter, Gary Caudill, Amy Childress, Jennifer Childress, Corey Craig, Shannon Day, Laura DeBord, Charles Delph, Jacinda Denney, Eugene Durham, Shana Durham, Brenda Evans, Scott Everette, Tony

Greene, Jamie Gregory, Leslie Gregory, John Hamm, Gregory Haxter, Michael Houk, Bobby Johnson, Christy Johnson, Missy Kidwell, Jason Kirk, Jenise Masters, Wesley Mays, George Miller, Toby Moberly, Melissa Owens, Tracy Owens, Michael Pingleton, April Poynter, Rebecca Price, Shaun Robinson, Michael Shaffer, Anna Stevens, Phillip Thornton, Adam Trebolo, Angela Turner, Tiffany Turner, Shannon Vaughn, Sarah Whitt, Susan Whitt, Angela Wilson and Shanda Woodall. This club also won first place in the county, and area Variety Show, which enabled them to go on to the State Fair Variety Show. The club also received first

place in their community pride project in the county which will go on to compete at the area level. Coming in second place for the outstanding club was Mrs. LaJoy Graves' 6th grade club from Livingston. In third place, was Mrs. Bussell's 4th grade club from Broadhead. Congratulations to all of these clubs!!!

Council presented two special awards that they normally would not have done. The Rockcastle County Homemakers and the 4-H Teen Club were presented plaques in gratitude for the help they have given in raising the county's quota for the Leadership Center. The Rockcastle County Homemakers donated over \$1,000 from cookbooks they sold. They also helped in a radio auction which was sponsored by the 4-H Council. The Rockcastle County teens sponsored teen dances over the past year and raised over \$2,500. The 4-H Council would like to say thanks again to these two organizations!!!

NEW PROBLEMS FOR NO-TILL CORN GROWERS

Corn farmers in Kentucky, especially those who grow by the no-till method, are apt to experience increased problems with a relatively new disease for most of them.

Until now, Gray Leaf Spot generally has been confined to small patches of corn near woodlands primarily in Eastern Kentucky where dew could remain on the leaves longer and where the crops were not rotated much.

Now, however, the disease has broken out in larger acreages in major corn growing areas of the state.

Don Hershman, Extension plant pathologist with the University of Kentucky College of Agriculture, said that although the disease resulted in relatively little damage this year, it could possibly cost farmers 50 to 60 bushels per acre in the future. That's about half of the 110 to 120 bushels per acre Kentucky farmers can usually expect.

"The bottom line is the potential is there for a very severe problem," Hershman said. "It's like a freight train coming down the road, and it's going to get worse. We've not experienced the impact of the train yet, but we've seen enough to let us know."

Hershman, who works out of UK's Research and Education Center in Princeton, said the disease could strike especially hard in western Kentucky where farmers frequently use no-till methods because of severe erosion problems.

Hershman said much of western Kentucky farmland is erosion-prone and many farmers will be "locked in" to a certain extent to no-till agriculture for erosion control purposes if they want to participate in federal subsidy programs.

"So western Kentucky farmers are being set up for a severe problem," Hershman said.

The problem is more severe for no-till farmers because the disease can overwinter easily in the stubble left in the field, he said. Tilling, by turning over the land, disturbs the disease's habitat and reduces its impact the next season.

For those farmers who are locked into no-till farming, about the only thing that can be done if a farmer has Gray Leaf Spot problems is to plant resistant varieties of corn. Because the disease has not been widespread in this state, UK has done limited field testing of corn varieties for resistance to the disease.

However, Hershman said other states, notably Virginia, have done research in this area and Kentucky's Cooperative Extension Service will provide results from those experiments to farmers.

Gray Leaf Spot is easy to detect, Hershman said. The leaf looks gray. Lesions are as much as one and one-half inches long by one-fourth inch wide. Farmers can even tell from the dead leaf if it died from the disease.

"If the disease strikes prior to tasseling, the damage will be more severe," Hershman said. "If it hits after that there may not be much damage."

It looks like the disease came in late enough this year that most farmers escaped great losses, even though about 30 percent of the farmers in the Green River area who were using susceptible corn reported problems. In the Pennyrile area, about 20 percent of the farmers reported the disease.

"It's the type of disease that builds from one year to the next," Hershman said.

Second row: Patricia Stanfield, Stacy Moore, Alicia Machal, Jennie Reynolds, Angie Dowell and Trudi Lay. Back row: Mrs. Margie Wilcox, choral director, Jarrod Amyx, Greg Daugherty, Angie Senters and Melissa Rader. Not present for photo were: Chad Abney, Juanita Robbins, Susan Smith, Toni Baker, Patty Hayes, Cindy Witt, Amanda Napier and Ricky Rice

Housing Authority members named

Two new members have been named to the five-member Mt. Vernon Housing Authority. They are Dr. Joseph Korn, Veterinarian, and Bobby Ken-

drick. In approving the new members, the city council filled one seat that had been vacant for some time, and another recently vacated by Claude Sanders.

Other members are Bud Cox, Harry Harmon and Bob Baker.

Citations reported

A total of 167 drivers were issued citations in Rockcastle County for traffic violations, according to a report from the Kentucky State Police Post at London.

Sixteen were cited for driving under the influence of intoxicants, and 30 were issued courtesy notices. 39 motorists were assisted with breakdowns.

There were a total of 21 traffic accidents, with 10 property damages, 11 personal injury accidents with 22 persons injured. There were 11 criminal investigations resulting in 9 arrests.

In the London Post area, 1,195 were issued traffic citations and 114 for driving under the influence of intoxicants. There were 5 fatal accidents.

In parts of England it was once believed that seeing a hen and rooster through a keyhole on St. Valentine's day foretold one's marriage within the year.

Births and Birthdays

Jessica Shantal Hayes celebrated her 3rd birthday Sunday at her home. She was honored with a Mickey Mouse birthday party with many friends and relatives attending. She received many nice gifts and everyone enjoyed the party. Jessica is the daughter of Alvin and Lorretta Hayes of Mt. Vernon, granddaughter of Donald and Linda Hayes of Mt. Vernon and Leroy Howard and the late Betty Miracle Howard and great granddaughter of Ollie Souder of Mt. Vernon and Mary Miracle of Brodhead.

Auction

of Mr. and Mrs. Ronald McFerron's
COMMERCIAL BUILDING
Saturday, October 31, 1987
10:30 a.m.

Located on
Main Street
Brodhead, Ky.

Mr. and Mrs. Ronald McFerron have decided to offer their property for the high dollar and have authorized our company to handle the sale.

This three story commercial building is a Brodhead landmark and has a definite commercial potential.

First floor has two store fronts and could be utilized as one store or two. The building will measure approximately 50 x 60. The second floor has a 6 room apartment and a 5 room apartment, each has a bath. Third floor has two four room apartments, each has a bath.

This is an ideal investment opportunity for someone wanting monthly income. If you are interested in an income producing property, be sure to attend this auction on October 31, 1987, at 10:30 a.m. in Brodhead, Kentucky.

TERMS: 20% down day of sale, balance in 30 days.

For additional information, contact the owners Mr. and Mrs. Ronald McFerron at 256-5867 or

School news...

M.V.E.S. HELPING YOUR KIDS "JUST SAY NO"

In what is quickly becoming an annual event, thousands of schools nationwide are making plans for "Just Say No" Declaration Month, which is held in October, for the third consecutive year.

All across America, students in elementary and high schools are publicly declaring their commitments to say NO to drugs and schools and communities are declaring their support for "Just Say No".

This year's Declaration Month comes on the heels of the national "Just Say No" pledge campaign. Many schools are building on the enthusiasm and momentum generated by the pledge campaign in planning and carrying out their Declaration Month events.

Mt. Vernon Elementary School PTA has been working with Dr. Charles Hedrick this month on "Just Say No". The students have been making posters and displaying them, several classrooms have made posters, "I Say No To Drugs" in which students are signing. Many of the local business' in Rockcastle County as well as several Fund Raiser Companies in the state have declared their commitment to have a drug free community by funding our T-shirt campaign. We have 1100 red shirts with the "Just Say No" slogan in white. All the students and the faculty of the school will be purchasing these shirts for a very small fee, anyone wishing to purchase a shirt may place their order with Alicia Mobley or Sharon Palmer, we can't guarantee to fill all the outside orders.

Next week the students will be signing pledge cards, they read "I pledge to lead a drug-free life. I want to be healthy and happy. I will say NO to harmful drugs. I will help my friends say NO. I pledge to stand up for what I know is right." By signing the pledge cards and reciting the pledge, he or she is stating in effect, "I don't use drugs and I don't want drug users for friends. I don't want drugs in my school and I don't want them in my community." The pledge reflects the philosophy of the "Just Say No" Foundation. These pledges will be sent to Mrs. Nancy Reagan, Honorary Chairman of the "Just Say No" foundation.

October 28th will be a big day at school. That morning the students will be signing another pledge against drugs. At 1 p.m. the school will kick off with a rally featuring Charles Hurt. Charles is a former University of Kentucky basketball player and works with "Just Say No". Our other speaker will be Buford Parkerson who is with our local schools' board.

Immediately following the rally, all the students and faculty of M.V.E.S. and the PTA will march against drugs. They will be marching from the school to the court house where there will be another speaker. Treats will be given.

The students will return to the

school up Richmond Street to School Street, on returning to the school we will launch 1,000 helium balloons filled with the students pledges declaring their promise never to use drugs. Along the march the local police department will hand out rulers with the "Just Say No" slogan.

If we're going to reduce drug use in this country, we've got to change the way kids view drugs. We want them to see drug use not as 'cool' but as the dangerous folly it is. We're promoting the notion that saying "no" is not a sign of weakness or immaturity, but that giving in to peer pressure is. Say NO to drugs is a sign of strength and maturity. We need to convey this.

Those businesses in Rockcastle County demonstrating their support to "Just Say No" and co-sponsoring this campaign with M.V.E.S.-PTA are: Larry Burdette and Cumberland Media, Inc.; Dr. Charles Hedrick; The City of Mt. Vernon; A Cut Above Beauty Shops; Appliance Service Center; Bank of Mt. Vernon; Donald Bradley Garage, Inc.; Carters Market; Citizens Bank of Brodhead; Dale Coffey, D.M.D.; Cox Funeral and Home; Dowell and Martin Funeral Home; Druthers of Mt. Vernon; First Christian Church; Ford Realty and Auction; Dr. George Griffith; Mt. Vernon Foodstuffs; Mt. Vernon Plastics; John Parson, D.M.D.; Mt. Vernon Signal; Pizza Hut; Rockcastle Hospital; Rockcastle Manufacturing; Saylor Pharmacy; Sears; Sparks Flower Shop and Young's Pharmacy; and Kevin Fletcher of Fletcher Sign.

We not only have the local support but regional with donations from Parker Seals of Berea and Pepsi Cola Company of Corbin and CSX Transportation of Corbin; Several of the states fund raising companies as Meyers Photographic-Family Portrait Fund Raising and Success Sales Fund Raising of Louisville; and Smart Magic of Cincinnati. The purpose of raising companies is not to just raise money for themselves, but by this selfless commitment they are strengthening our kids. Pledge to remain drug free. M.V.E.S. PTA appreciates the above businesses for their generous donations and contributions to our kids.

M.V.E.S. PTA is challenging you to "Just Say No" by your support to the school and community but most of all to our children.

Join us October 28th by showing your support, come out and rally with us.

Alicia Mobley
PTA President

M.V.E.S. - PTA RESURRECTS "BATES HOTEL"

The night is October 30th when all the ghouls and goblins across the nation come out and spook us all. The streets will be filled with miniature, ghosts, monsters, and full of merriment. Treats will be given.

[Cont. to 16]

CERTIFICATION

I hereby certify that printed below is a facsimile of the ballot to be used in the November 3, 1987 General Election in Rockcastle County in the North Brodhead and West Brodhead precincts.

Norma Houk, County Court Clerk

Earl and His Family: Trina, Tamey, Genna, Amanda and wife, Norma.

VOTE FOR Earl Cummins School Board Member District 3

West Mt. Vernon, Bullock and North Mt. Vernon

Earl Cummins, a life-long resident of Rockcastle County, is a graduate of Eastern Kentucky University with a Rank I in Industrial Education. He presently teaches at Laurel Co. Vocational School and has his children and your children's educational needs at heart.

Pd. for by candidate

McFerron scholarships are awarded to local students

Berea College has awarded J.D. McFerron Scholarships to ten Rockcastle County residents. The McFerron Student Assistance Fund was established upon Mr. McFerron's death in 1978. Annual income from the fund is used to provide financial assistance for Berea students from Rockcastle County where Mr. McFerron worked as a schoolteacher, principal and superintendent.

The 1987-88 McFerron scholarship recipients are: Jackie Dale Arnold, Livingston, a sophomore English major and son of Ms. Sally Mae Arnold, Livingston; Gary Wayne Brown, Brodhead, senior physics major and son of Robert G. Brown, Brodhead and Dawn Taylor, Brodhead, Garry Fain junior and Cynthia Fain, fresh-

man business majors, son and daughter of Mr. and Mrs. Oscar Fain, Mt. Vernon; Rita Gail Lewis, junior, home economics major, daughter of Mr. and Mrs. Carl Lewis, Brodhead; James Edward Mullins, Renfro Valley, a sophomore chemistry major, son of Norma Mullins, Renfro Valley; William Earl Philbeck, Crab Orchard, freshman, son of Mr. and Mrs. Thomas Philbeck, Crab Orchard; Tammy Gail Robinson, Mt. Vernon, freshman, daughter of Mr. and Mrs. Dennis Robinson, Mt. Vernon; Tamela Jane Russell, freshman, daughter of Wanda Russell, Mt. Vernon and Noel Brown of Berea; and Beverly Sexton, Brodhead, a freshman, wife of Marion Sexton of Brodhead.

Seniors Celena Lear and Shannon Burton were elected "Special Friends" of F.H.A. and F.F.A. recently at R.C.H.S.

An R.C.H.S. Minute

The junior class magazine sales will end Tuesday, October 27th. The goal for total sales is \$9,000. So far, \$1,600 worth has been sold.

The RCHS Academic team is among 64 Kentucky teams recently invited to participate in a Thanksgiving Tournament at the University of Kentucky. Six members from the local Varsity and Junior Varsity teams will be chosen to compete as a team. The students who go will be treated to a pizza party and a U.K. basketball practice. The four winning teams will be eligible for scholarships to U.K.

The last day to pay for pictures is this Friday, October 23rd. Six weeks tests will be given November 5th and 6th.

Wallace Wilkinson and 10 or 12 campaign aids will be visiting the high school Friday, October 23rd, according to Mr. Cash, RCHS principal. Mr. Wilkinson called him early this week and asked if he could visit between 11 and 11:30 a.m. Wilkinson's helicopter will set down near the Rocket out front.

Last Saturday, the boys' Varsity Cheerleaders competed at Middlesboro against nine other areas and won third place. Congratulations girls!

Friday night is the last home football game. The Rockets will go against Knox Central.

"BATES MOTEL"

[Cont. From 15]

given out and a few tricks will be played. Over the years this night for children to fantasize has become somewhat of a nightmare for parent's of children who have become the victims of sick minds.

Instead of worrying about those treats that your children will receive, why not join MVES-PTA in their "Bates Motel". We guarantee a fun-filled night, this place is for young and old; those brave and those not so brave.

The haunted house will be christened "Bates Motel". The ole favorite characters from the past and present will be there. Those who love Friday the 13th will be amazed to meet Jason the person; Michael returns from Halloween; and Freddy comes to seek his revenge on Mt. Vernon. Count Dracula will not be found in his coffin on this night, he may be lurking under the stairway for a midnight feast. Samantha the witch will be arriving on her broom stick with candy treats for all. Take a try at our Witches' Brew or visit the Murders of the Rue Morgue Museum.

Bates Motel will have two sections, those who love to be thrilled and chilled and those faint at heart or too young to be scared can delight in a milder version of the haunted house.

Tour the graveyard if you dare and beware, unseen forces may be at work.

You don't dare miss this one, it only happens once a year when the moon is right. Remember Halloween night, October 30th on Williams Street near Thrifty Lumber. Admission is \$1.00. The Bates Motel will open at 5:30 until 10 p.m.

Alecia Mobley
PTA President

PUBLIC NOTICE REGARDING APPLICATION APPROVAL

The Upper Cumberland Special Education Cooperative recently received approval of a project funded through the Kentucky Department of Education with federal funds under EHA, Part-B (P.L. 94-142).

The project provides services to handicapped children in the school districts of Barbourville Independent, Bell County, Corbin Independent, Jackson County, Knox County, Middlesboro Independent, Pineville Independent, Rockcastle County, Whitley County and Williamsburg Independent. The project has four main purposes: (1) inter-agency planning and coordination of services in the cooperative area, (2) providing direct and related services to handicapped children, (3) supplementing the purchase of skill and age appropriate materials and (4) planning and developing a curriculum guide for basic skills areas.

The application for this approved project and any subsequent evaluation, periodic program plan, or report relating to the project is available for public inspection by contacting the Superintendent's office in each of the ten participating districts. For further information on this project, contact: Phyllis G. Bullock, Upper Cumberland Special Education Cooperative, Rockcastle County Board of Education, Route 5, Box 69, Mt. Vernon, Kentucky 40456.
