Red Cross babysitting courses to be taught at courthouse

April 8, 1989, a babysitting course, certified by the American Red Cross, will be taught at the Rockcastle

Courthouse. Anyone over the age of 12 can be certified. This certification makes your prospective employers know you are interested in the well-being of their children.

You will learn: the responsibility of a babysitter, how to interview for a job; what to expect of parents who hire you; what parents expect of you. Babysitting means providing safe care for infants and children.

In the Red Cross Babysitting course, you can learn to: act in an emergency or in case of illness;

prevent accidents; play with children of different ages; select safe toys and games; supervise children; diaper and dress infants; feed babies and prepare simple foods for children.

Class will be from 9 a.m. to 3 p.m. Bring your lunch bag. Classes will be held as they are needed. Please sign up by calling 256-5315 (Mary Fatin).

Our first class will be held April 8 and will be taught by Lufed Nielsen and Betty Carter.

Daffodil Days for American Cancer Society

Make a \$5 donation and get a bunch of cut daffodils (10 blooms). Help the Cancer Society with research towards Cancer.

The buds are closed and will open 6-8 hours after removal from cold storage and being placed in warm water. Cancer is all around us and everyday there are more of our fellow Rockcastle Countians being struck with this disease. It is estimated that the state of Kentucky will have 16,800 NEW cases of Cancer diagnosed this year. Help us fight this illness.

You may contact Lufed Nielsen, president, at 256-9315 or Sharon Palmer, secretary, 256-5406 to order your daffodils. They are available now and make beautiful bouquets for Easter. We will deliver if all possible.

Your Child's Health

By: Dr. John Payne

The question of whether to have male infants circumcised or not has been debated down through the ages. The ancient reasons for hygiene and clan identity in the Bible have given way to concerns over subjecting infants to a painful procedure that may not be needed. Now studies have shown that circumcision may protect boys against having urinary tract infections. Some research shows dramatic differences in the number of infections in uncircumcised babies compared with those who have had the procedure.

On the other hand, circumcision may make it more likely that the child will develop irritation and scarring of the opening where the urine comes out, thus causing a restriction of flow and potential serious problems.

If all this sounds confusing, it is. The recent studies showing more urinary tract infections in uncircumcised infants led the Academy of Pediatrics to modify its position against circumcision. The new policy is a masterpiece of sitting on the fence. It now states that "circumcision has potential medical benefits and advantages," though it stops short of recommending routine circumcision.

If a decision about circumcision must be made in your family, you must realize that there are about as many points in favor as against. If in doubt, ask your doctor. He or she will be in doubt too. You could also flip a coin or have a girl baby and not worry about it.

Pulaski Coroner rules suicide in Marshall death

Pulaski County Coroner J.B. Morris has entered a ruling of suicide in the September death of a 35-year-old former Mt. Vernon man. Arthur M. "Smokes" Marshall's body was discovered at the home of his uncle, 78-year-old James E. Marshall, after firefighters extinguished the blaze that destroyed the Tateville home in rural Pulaski County near Lake Cumberland.

Preliminary autopsy reports indicated the elder Marshall died of smoke inhalation, while Arthur Marshall died of a gunshot wound to the head.

Authorities said guns were located near the bodies of both men. Morris requested a ruling from the state coroner's office.

He said last week that the cause of Arthur "Smokes" Marshall's death will be listed as a self-inflicted gun shot wound to the head. James Marshall's cause of death has been listed as the result of burns and smoke inhalation from the fire.

"We feel that Arthur Marshall started the fire, then shot himself," said Morris.

Both men were buried in the Alex Mink cemetery in Rockcastle County September 27.

Four students suspended at RCHS because of drugs

Three students were suspended and one withdrew following a drug incident at the high school last week.

RCHS principal Ronnie Cash said Monday the incident involved a female student selling prescription medicine to other students. The medicine belonged to a family member of the girl.

One girl and two boys were suspended for 10 days, Cash said, and one boy withdrew. All four students were either sophomores or juniors.

This is not the first drug incident at the high school. A special education student was caught trying to sell marijuana on school grounds. However, the student admitted to school officials and police where he got the "pot" and a indictment resulting against Debra Hammock of Brodhead. She will be tried in Rockcastle Circuit Court on April 13.

Bowling indicted in Laurel County for two murders

Ronnie L. Bowling of Manchester, has been indicted on charges that he killed two Laurel County service-station attendants.

A Laurel County grand jury last Friday indicted Bowling, 20, on two counts each of murder, robbery and burglary.

Laurel Commonwealth attorney Tom Handy said he hadn't decided whether to seek the death penalty against Bowling.

Bowling is accused of killing Ronald L. Smith of London and the Rev. Marvin Henley Sr., of Mt. Vernon. Smith was killed January 20 and Henley February 22.

Bowling was arrested Feb. 25 after he allegedly tried to rob and kill Ricky Smith at his service station at Burr.

He is being held without bond in the Laurel County jail. His trial is scheduled for Nov. 13 in Laurel County.

Beauty Pageant scheduled for May 12 at high school

Eleven young ladies will vie for the Miss Rockcastle title on May 12 during the annual pageant at the Rockcastle County High School.

According to the organizer of the event, Mrs. Karen King, this year's theme will be "Rock Around the Clock" and the eleven girls in the pageant will perform a dance routine as part of the entertainment.

The eleven girls participating are all 17 to 25 years in age and have not been married. Each girl was sponsored by a member of the Rockcastle County Chamber of Commerce, who produces the annual event.

Last year's Miss Rockcastle, Julie Dowell will be on hand to crown this year's winner.

The winner will participate in the Miss Kentucky Pageant in July.

Mother Nature has poured 19.15 inches of rain here

With the latest 1.27 inches of rain over the past week Rockcastle County has had 19.15 inches of precipitation since January 1.

The greatest amount of rain in the past week fell Monday when 1.14 inches was recorded at the weather station at Cox Funeral Home.

During the same period in 1988 only 5.10 inches of precipitation fell.

The high temperature in March so far has been 78 degrees, last Friday, and the low this month has been 20.

Brodhead alumni banquet set for Saturday night

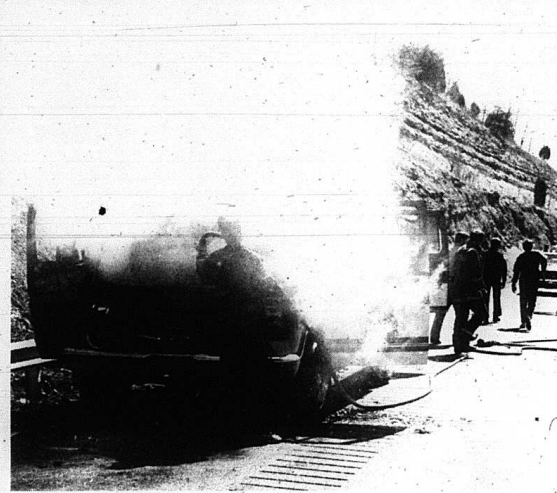

The annual Brodhead alumni banquet is a little earlier this year because Easter is earlier. It is always held the Saturday before Easter Sunday.

The annual event will take place Saturday night at Brodhead Elementary School at 7 p.m.

The classes being honored this year are 1919, 1929, 1939, 1949, 1959 and 1969.

There is still time to sign-up for the banquet. Call Brodhead School at 606-758-8512. The cost is \$7.00 per person.

Stories compiled by Richard Anderkin

Members of the Mt. Vernon fire department extinguished the blaze but it was too late. What Laurel County ambulance attendants thought was just an overheated engine resulted in a fire on Interstate 75 that completely engulfed their Ford Ambulance, which was enroute to Lexington with a patient.

Attendants thought it was only overheating

Ambulance destroyed enroute to Lexington

A Laurel County ambulance was totally destroyed last Thursday afternoon after an engine fire spread throughout the vehicle, engulfing it in flames.

None of the five passengers were injured on the non-emergency trip to Lexington's Humana Hospital, but the estimated loss to the ambulance service was \$35,000, according to Capt. Brian Reams.

The incident occurred at the 67 mile marker on Interstate 75 in Rockcastle County.

The ambulance was a Ford Econoline 350, the type that has been recalled twice by Ford-Motor Company for engine fires.

It just so happened that the Mt. Vernon Fire Department was on an emergency run on the interstate when they came upon the ambulance.

According to Captain Garry Hansel, when he pulled the fire truck over to assist, members of the Laurel Ambulance Service waved him on saying the vehicle was only overheating.

By the time Hansel returned with the fire truck the ambulance was completely engulfed in flames. It was only about five to six minutes. Firefighters extinguished the blaze.

The same model and type of vehicle was also involved in a similar engine fire with a Madison County crew and ambulance late last year. Reams said the Madison crew almost lost their lives in that fire.

Laurel's 1985 van-type ambulance had been in operation for two years and had been serviced twice for recall work on the engine. Once the fuel tanks were revented, and the second recall was for the installation of new hoses in the engine.

Thursday's fire occurred as the Laurel crew was transporting a patient from Harlan to a doctor's appointment. Ironically, the Harlan ambulance that originally began the run broke down in London, and the Laurel service took over the trip.

Wright radioed the Laurel ambulance office that he was pulling over and that the engine was hot. Reams said that was the last he heard from the crew until he received word from the Rockcastle County emergency personnel that the ambulance had burned.

Wright went to the front of the vehicle to check the engine, and steamy smoke was coming from the hood. It was too hot to open.

Krueger said that was when Wright ordered everyone out of the ambulance. They moved the patient well away from the vehicle, and within 10 to 20 minutes, the ambulance was completely engulfed in flames.

Krueger said the heat was so intense that a bottle of sterilized water was blown approximately 200 feet from the ambulance.

The Rockcastle County ambulance Service completed the run to Lexington.

Reams said the ambulance had been purchased from near Chicago, Ill., and did not have a history of maintenance problems. It was considered the best in the service's fleet of four.

Last year it won third place in state competition for emergency vehicles and the Laurel crew had plans to enter it in competition next month in

Campbellville.

The incident is being investigated by KSP Trooper Craig Sutton and Reams said he expects a representative from Ford Motor Co. to inspect the vehicle, as well as a official from the Emergency Services Office in Frankfort and an insurance adjuster.

"We're thankful nobody's hurt and that everybody got out safe," Reams said. "An ambulance can be replaced, but lives can't."

Special meeting of City Council

The Mt. Vernon City Council will hold a special meeting Thursday night to discuss the recent notice of violation for illegal dumping of liquid sludge from their sewer plant, their audit report for 1987-88, the hiring of a new police officer and sewer for Renfro Valley.

The meeting is scheduled for 7 p.m.

For illegal dumping

Charges filed against City, HSI, Bullen

By: Richard Anderkin

Charges of illegal dumping have been filed against the City of Mt. Vernon, Helton Sanitation and William K. Bullen.

According to Annette Hayden of the Kentucky Division of Waste Management in Frankfort the three notices of violation were issued this week because liquid sludge has been dumped on Bullen's farm at Scaffold Cane.

The liquid sludge came from the City of Mt. Vernon's sewer plant.

According to Hayden, an illegal Land Farming Operation was going on at Scaffold Cane for over a year.

Hayden explained that it is quite a drawn out process that requires many permits from the state to do land farming. Hayden said that Bullen had not applied for or received any permits from the state to operate a land farm.

Land farming and other sewer treatment plants are the only two ways that liquid sludge can be disposed of, according to Hayden, who said that HSI was issued a notice of violation because they were the transporter of the sludge and the City of Mt. Vernon was cited because the sludge came from their treatment plant.

The city usually dries their sludge in their drying beds and then it is hauled to Hopper Landfill by City by HSI, according to Mt. Vernon Mayor Gary Cromer.

The question was raised whether or not the recently renovated sewer plant was adequate to handle the volume of the sewer at the plant.

He said that he had also been concerned about the possibility of the sewer plant being obsolete and had asked Richard Moore the engineer on the plant about it.

He said that Moore told him that the plant had actually twice as many drying beds as it needs, but that the extremely wet weather was causing the problems.

Mayor Cromer said Tuesday that the plant was capable of handling the volume of sewer when it is not as wet as it has been lately.

The plant was completed in July of 1987 at a cost of 1.9 million. The renovation also caused sewer bills in the city to triple in some cases, and caused much concern from city residents.

Cromer said that several times in the last few months the sludge would be almost dry in the beds and it would rain.

The mayor said that the city would have to get rid of that sludge because more was coming in all the time. The only alternative was to have it hauled off.

Cromer said that he nor any of the council members had any idea that the sludge was not being hauled to a licensed facility and that HSI would not be hauling any more sludge for the city until the problem was resolved.

The City of London is now hauling the sludge to their treatment plant. Some months, the City of Mt. Vernon has paid \$3900 to have the sludge hauled off.

Rockcastle County Health Inspector Steve Midkiff said Tuesday that Bullen had approached him about a permit to dump septic tank sewage on the farm several months back. Midkiff said that he checked the land where Bullen wanted to dump and that it was suitable for dumping septic tank sewage.

However Midkiff said a permit allowing the dumping was never issued. He also said that dumping of liquid sludge from the city's treatment plant did not fall under the jurisdiction of his office.

Cromer has called a special meeting of the city council for Thursday night to discuss the notice of violation.

\$1,900 donation

Citizen Bank President Bobby Proctor presented Forward in Fifth Treasurer Mrs. Shirley Cox with a donation of \$1,900 last Friday at the main office in Brodhead. The donation was used to help fund the recent teacher mini-grants awarded by the local chapter.

A Look Back

Elizabeth Francisco Mullins

Etta Cable taught first and second grade when I, Elizabeth Francisco Mullins, entered Brodhead Grade School. I was five years of age. Alice McCall Albright was my third and fourth grade teacher. I called her aunt Alice, as her husband Jop Albright, was my mother's first cousin. My father, William Francisco, accepted a job as a commissary manager at Golden Ash, near Harlan, when I was in the fifth grade. I attended Harlan Elementary School.

We returned to Brodhead when I was sixth grader. Henrietta Foresee was my teacher.

She was the first one I thought about when my dear mother, Floy Tharp Francisco, died with the terrible 1918 flu. How I wished to tell her of my loss!

Rose Pike Christie taught seventh and eighth grades. Later, when I taught all grades, she helped me solve

silo and paper hanging problems on Saturdays.

Brodhead's High School classes were taught in the large, rectangular shaped room called the auditorium. Prof. Pilkenton taught classes in the front of this room and the second teacher taught in the back.

Other professors, I remember, were Mr. Smith and Mr. Gray. Miss Bibbs and Mrs. Gray were two of the second high school teachers. Mrs. Gray also coached plays and musical programs.

The girls sang "Nothing Could Be Finer" and "Tomorrow" and kept in step in a chorus line.

Prof. Gray had a tennis court made and taught us to play tennis as an extra curriculum.

Oh yes, both boys and girls played basketball.

In my senior year, we traveled by train to Barboursville for a tournament.

When our girls' opponents, Pineville, came onto the court wearing shorts and sleeveless tops, we were embarrassed. We pulled our long black blouses up as far as they would go!

The referees whistle kept blowing everytime I threw a ball into the court. Finally I asked the referee, "What am I doing wrong?"

He replied, "You step inside the line!"

We didn't have a line on our outside court!

Oh yes, Pineville won!

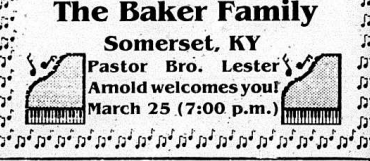

After I graduated from high school, I went to Circleville and lived with the Amy and Cili Frith family. I worked at Alms and Depekes Department Store.

 MT. VERNON, KY. — 254-2345

With Sallie Brooks' \$100 gift and what I'd saved from my working, I was able to enter Eastern Teachers College at age 18.

I had the easiest job on the campus, that paid for my meal tickets. I picked flowers from the colleges small greenhouses and made bouquets to see her and there in the cafeteria. I also kept the salt and pepper shakers filled.

I received a teacher's certificate and was lucky enough to get Conway School, located near Highway 25.

But I don't feel lucky when I saw from 60 to 70 pupils lined up like soldiers to come into the school room. Well we managed! We displayed every child's work at the County School's School Fair that year.

The next year Brodhead School Board hired me as a third and fourth grade teacher.

I was paid around \$70 monthly until the depression. Then I only received \$39 each month.

Later I took a leave of absence and taught at seven month schools, Negro Creek, Coppers Creek and Little Rock, for three years. I did this in order to be able to attend college in Spring Semesters, as well as in the summer time and to take extension classes at night in Mt. Vernon.

I finally became a college graduate in 1957.

At 62 years of age, I retired, after teaching my last year in the Home-bound Program of Rockcastle County. The Brodhead School Faculty invited me to their Retirement Dinner and presented me with a rocking chair. Bless their hearts!

After my husband, F. Earl Mullins' death, I substituted as a teacher in every school in our county. I found happiness again, in a schoolroom.

At my request, dozens of young men and women that worked in classroom stand, at Brodhead School's Banquet Dinners. I almost burst with pride! I think, "I've had a small part in their lives!"

At my request, dozens of young men and women that worked in classroom stand, at Brodhead School's Banquet Dinners. I almost burst with pride! I think, "I've had a small part in their lives!"

Dreamstakes tickets arrive in Louisville

The first shipment of DreamStakes lottery tickets arrived at the Kentucky Lottery Corporation's warehouse in Louisville on March 14. A second shipment arrived March 15 and the final shipment of DreamStakes tickets will arrive Thursday, March 16. The DreamStakes lottery game, which will award some lucky winner \$1 million, will be decided by the winning horse in the 115 running of the Kentucky Derby on May 6.

Featuring the twin spires of Churchill Downs, the DreamStakes game is a \$2 instant "scratch-off" ticket. Game players simply rub off the entire latex covering with a coin or fingernail. Ticket holders who uncover three like dollar amounts, win that cash prize. Game players uncovering three "Derby" will win \$5,000, plus a chance for an expensive Kentucky Derby weekend and \$1 million.

The DreamStakes game will award up to \$29 million in instant cash prizes. Odds of winning are better than 1 in 4.5.

The DreamStakes lottery tickets were printed by Webcraft Games, Inc., a New Jersey-based printing firm.

To the People of Rockcastle County:

The decision to run for County Judge/Executive has not been an easy decision for me to reach. With young children, mortgage payments and the ever present uncertainties, it is very scary. But you, as voters have given me strength and courage. Based on that and being dedicated to the following issues, I have announced for the Republican nomination for County Judge/Executive.

Jobs - I know first hand the employment needs of Rockcastle County. At age fifteen I left the state to find a job. Then as an adult, I have driven 150 miles a day to work. I will, therefore, fight a vigorous day to day battle to recruit jobs and to maintain the jobs we now have.

Good Treatment - None of us should have to face the pangs of being ignored, or seeing our ideas discounted, or of having our needs considered unimportant. Each of us deserves to have a voice, to be given special consideration, and to have our needs recognized. Since the county is yours, the Judge/Executive is to serve you.

Water - A large percentage of families in Rockcastle County have no public water. Knowing first hand the hardships of not having enough water, I intend to attack this problem immediately and forcefully in 1989.

Roads - I was born on the banks of Crooked Creek over a mile from the nearest road. I am familiar with the road problems and needs of our county. You can be sure that if I am elected, the county road fund will be stretched toward every household in the county.

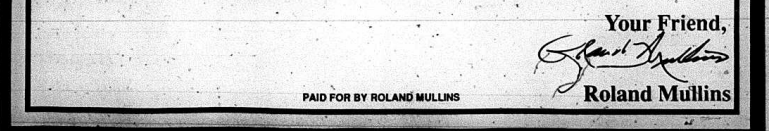

Garbage - The other person's filth is always dirtier than our own. Roadside dumps and illegal disposal is other persons' filth to each of us. And think how it must look to tourists and industrial prospects. This situation must be remedied. Also, county facilities must be maintained, kept clean and attractive.

Taxes - If I am nominated and subsequently elected Judge/Executive, I will get the most for your tax dollar, seek alternative funding for eligible items, and mind the treasury on a daily basis.

Economic Development - Endeavors that introduce new dollars into the county allow for a scope of development. The expansion at Renfro Valley will tap the thousands of cars that pass on I-75 daily bringing new money. The development of U.S. 150 will prompt building along that corridor. Promoting regionalism of business to reach the 100,000 plus population South and the 100,000 plus population North, both less than an hour away, will bring in new dollars. Leadership can tackle this.

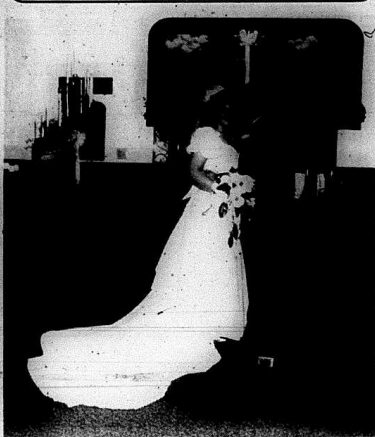

Community Development - Encouraging the individual to produce by opening avenues for producing enhances any community. Assisting organizations to build, to develop, to expand to do better, to serve more, promotes the common good and results in community development. This should be the commitment of any leader.

So, if you nominate me as your County Judge/Executive, and I am elected this fall, I will serve with the other leaders at the county gates endeavoring to do a job that you can be proud of.

Your Friend,

Roland Mullins

Mr. and Mrs. Michael W. Collins

Burdette-Collins vows said at Freedom Baptist Church

Traci P. Burdette, daughter of Edward and Barbara Burdette of Mt. Vernon and Michael W. Collins, son of Clifford and Patricia Collins of Mt. Vernon, were united in marriage Dec. 17, 1988 at Freedom Baptist Church in Mt. Vernon. Reverend Tommy Coffey of Hodgenville officiated the ceremony with Reverend Walter Lewis assisting.

The bride wore a gown of glowing acetate tulle, sweetheart neckline, sequins and pearls detailing the bodice. Maid of honor was Vicki Sturgill.

Bridesmaids were Alicia Machal and Barbara Buscle. Each wore an emerald green satin gown with sweetheart neckline. Karan Bowls, cousin of the bride was flowergirl.

Bestman was Tommy Parker. Groomsman were Brian Burdette, brother of the bride, and Shelly Mullins. Ushers were Ronnie Spoonamore and Geoffrey McGuire, cousins of the groom.

After a trip to the Bahamas the couple now reside in Mt. Vernon.

Ladies Aide Society meets

By: Elizabeth F. Mullins
Reporter

The Ladies Aide Missionary society met March 14 with hostess Willie Lawrence. She had the missionary group to meet at Dix Point's extra room for dinners, etc.

Elizabeth Mullins told the story of Jack Eckard's life that consisted of starting Eckard Drug Stores all over the southern states of U.S.A.

He had always been liberal in donations of money and time for his church, Salvation Army, museums, and art, but he felt that something was missing.

When he finally let Jesus come into his heart and life, he received the joy and contentment that he'd never experienced before: His motto is Joy! J for putting Jesus first, then O for others to help, and then Y for yourself, last. A good motto for all of us. Barbara Waison closed this part of

our program with prayer. Disken's missionary letter was read. Get Well Cards they send were ordered; Bibles for high school graduates bought and March's birthday cards for patients at Sowder Nursing home signed.

Ella Mae Martin, president, mailed Brenda Disken's package of clothes that she had collected from the group. All of us signed a letter to send to her.

We discussed our community Sun Rise Service to have early Easter morning on the camp's hill. Ella Mae Martin and Barbara Waison are in charge of the program. Our minister Bro. Steve Ritter will give a short sermon after songs of praise and prayer.

To end this meeting, Willie served raw vegetables on a Lazy Susan with dips in the center. Then she brought out butterscotch pie, so we had to have an extra amount of coffee, etc.

Our next meeting will be at Betty Machal's in Mt. Vernon. Jenney Gilpin will present the lesson.

'Capitol to the Counties'

During his "Capitol to the Counties" visit to the 6th Congressional District, Governor Wallace G. Wilkinson has announced the Kentucky Transportation Cabinet is allocating some \$7.2 million statewide for improvements to rural roads.

The funds will be expended by the

Cabinet on the state's Rural Secondary Road System, a network consisting of approximately 12,000 miles of "farm-to-market" roads. A formula is employed to allot the monies among all 120 counties and local government officials provide recommendations as to the specific projects to be accomplished in their areas.

Rockcastle will receive \$62,353 from the money allocated.

Jeff Abney of Mt. Vernon is now associated with Cummins Chrysler in Berea.

Jeff invites all his friends to stop by and pay him a visit.

Six to receive CAP's Mountain Spirit Award

Recipients of the Mountain Spirit Award for 1989 have been selected by the Christian Appalachian Project.

The Hon. Harold D. Rogers was selected for his contributions to economic advancement; Wayne Stewart, for his contributions to education; Dr. Orville J. Stein, for his contributions to health; Herby E. Smith and Elizabeth Barret, for their contributions in promoting a better understanding of Appalachia and its people; and Rev. Bennett D. Poage, for his contributions to spiritual enrichment.

Selected because of their significant contributions to improving the quality of life in the region, the recipients will receive their awards at a reception and ceremony April 27 at Boone Tavern, Berea.

Rep. Rogers, who represents Kentucky's Fifth Congressional District, is being recognized for his role in bringing diverse people together in southeast Kentucky and forming the Southern Kentucky economic devel-

opment Corp., which has been responsible for hundreds of new jobs in the district. He has been personally involved in attracting new industry and industrial expansion in the region.

Stewart, administrator of the Rockcastle County Hospital in Mt. Vernon, is being recognized for a career in encouraging people to continue their education on a personal level, for a training program at his hospital that gives incentives for employees to complete or further their education, for his commitment to regional and local vocational education, and for his efforts to improve education in his community.

Dr. Stein, a family practice physician in Somerset, is being recognized for giving his skills as a physician to caring for the health of disadvantaged people in Pulaski and surrounding counties.

Smith and Barret, film makers for Appalshop in Whitesburg, are being

Teacher Mini Grants
Iris Young, Joy Cook and Nancy Mullins were lucky recipients of teacher Mini grants that were recently awarded by the local chapter of the Forward in the Fifth. Mrs. Young's grant of \$600 will be used to produce a video tape. Mrs. Mullins grant of \$300 will be used for a field trip to Berea College for cultural stimulation and college motivation and Mrs. Cook's grant of \$179.75 will be used to 16 different level math games. The grants were presented by local chapter treasurer Mrs. Shirley Cox, far right.

County Schools should benefit from audit

Rockcastle County Schools will benefit from a management audit of 18 randomly selected school districts, State Auditor Bob Babbage predicted.

noted that "Kentucky taxpayers want more accountability before they commit more resources to education. The rest of this project can build citizen confidence," he added.

The leadership of the Kentucky legislature directed Babbage to study Kentucky schools, to look for examples of waste and mismanagement and to make recommendations to correct any problems he found in time for consideration by the 1990 General Assembly.

The request followed Franklin Circuit Judge Ray Corns' decision, which called education funding in Kentucky "unconstitutional".

"At this historic time, we welcome any opportunity to make a contribution to the future of education in Kentucky," Babbage said.

Babbage noted that an initial field study in two of the nearly 50 school districts which volunteered to be audited revealed good management practices and several cost-saving ideas which could be used throughout the education community.

Babbage said the management audit may include a review of such areas as noninstructional employee staffing, cash management practices and capital construction planning.

The Auditor said he expected work to begin in the districts in early April, and his final report to be ready for release to the legislature by this fall.

Babbage explained that each superintendent in the audited districts would have the opportunity to review the auditors' findings and to respond to them prior to the release of the final report. He noted that the superintendents' comments would be included in the final report.

Audit work will be performed by members of the Auditor's Economy and Efficiency (E&E) staff and by auditors from the firm of Peat Marwick Main and Co. of Lexington. (Cont. to A11)

Fain on Berea College baseball team

Gary Fain of Mt. Vernon is a returning member of the Berea College baseball team.

The team, in its first season under head coach Steve Ridder, is scheduled to participate in 32 games this season, 18 of which will be played at Berea's Wyatt Field.

Fain, a junior physical education major, will play outfield for the Mountaineers.

Coach Ridder, a 1981 graduate of Berea, earned four letters in basketball and three in baseball, setting records for the most strikeouts and best earned run average in a season. Ridder received his bachelor's degree in business administration from Berea and his master's degree in sports administration from Eastern Kentucky University. He also is assistant coach of the men's basketball team.

A graduate of Rockcastle County School, Fain is the son of Mr. and Mrs. Oscar Fain.

Broadhead asst. principal Sue Hamm, a member of the local chapter of Forward in the Fifth presented mini grants to Broadhead teachers Kelly Pensol, Sharon Mckinney and Shirley Martin. Pensol's grant of \$284.35 will be used for a listening center for her third grade class. Mckinney's \$600 will be used to take the entire 5th grade on a field trip to the Louisville Zoo and Martin's \$504.85 will be used to take the entire first grade on a field trip to the planetarium at Eastern.

P-A10 The Mt. Vernon Signal, Thursday, March 23, 1989

ELECT
Charles D. HOLBROOK
Magistrate, First District

Your Vote and Influence Will Be Greatly Appreciated
Charles D. Holbrook

Pat. for by candidate

To the Good People of Rockcastle Co.
I have been making and selling bird feeders and houses for the Blue Bird and Purple Martin for 25 years.
The Eastern Bluebird eats nothing but bugs and worms from your garden and flowers. They raise three to four families each-year.
For some reason, Rockcastle Counties have put up fewer than all surrounding counties.
I have for 26 years, sold the Bluebird houses for \$5 each. I have given elderly and promising boys and girls 389 houses.
I am old now, 81 years, and won't be able to make many more.
I will lose money, but to Rockcastle and surrounding counties from now until April 15, I will sell the houses for \$3 each. Where mailed, postage costs about \$1.50.

Best Wishes To All
Graydon B. Cummins
Pine Hill, Ky.

"I believe in the heat pump so much, I own one myself."

BOB VILA
HOME IMPROVEMENT EXPERT

In the summer, the electric heat pump keeps my family cool and comfortable. Plus in the winter, it keeps us warm and cozy with clean, safe, even heat.

And because it's so energy-efficient, the heat pump does it all at an affordable price.

For reliability, efficiency and safety, you can't beat the modern, flameless electric heat pump.

Find out more by contacting a customer service representative at your local KU office today.

KENTUCKY UTILITIES COMPANY

The Broadhead Elementary Academic team recently competed in District and Regional Competition. Members of the team are pictured above from front row left to right, Beth Collins, Jason Lear, Bobby Missely, J.D. Russell, Kevin Robinson and Rebecca Chambers. Second row from left, Eric McKinney, Adam Trebelo, Jason Scoggins, Jamie Alcorn and Adam Compton. The team finished 2nd in the district and 4th in the region in quick recall, 1st in the district and 4th in the region in future problem solving, 1st in the district and region in the FPS skits, Jason Lear finished 3rd in the district math division and Adam Trebelo finished 2nd in social studies in the district and 4th in the region.

Two local students make Dean's List

Two Cumberland College students from Brodhead are among 205 students included on the Dean's List for the 1988 Fall Semester, according to Cumberland College president Jim Taylor.

The Dean's List is published in recognition of academic excellence of students registered for 12 or more semester hours, who have no grade of 'F', and who attain a minimum cumulative scholastic standing of 3.50.

Students named to the Dean's List included: Harold and Melissa Harper, son and daughter of Harold and Edna Harper.

Morgan makes Phi Mu Sorority

The Delta Chi Chapter of Phi Mu Fraternity is pleased to announce Saitea Lymie Morgan as an initiated member for the spring semester.

Saitea Morgan is the daughter of Mr. and Mrs. David Morgan and is currently a sophomore at Eastern Kentucky University.

Somerset Community College News!

"Refresher Typing" will be offered on Tuesdays from April 4-25 from 6:30-9 p.m. Taught by Belinda Taylor, cost is \$40. This is a perfect refresher course with emphasis on the keyboard and parts of the typewriter. Proper typing techniques and basic typewritten applications, including letter styles, envelopes, memos; centering, job application forms, checks and invoices, and more, will be included.

"Living and Learning for Senior Citizens" will be offered April 4-27 on Tuesdays and Thursdays from 6:30-7:30 p.m. Taught by Zella Pearson, cost is free. This program began approximately 18 years ago, and SCC is the only institution in Kentucky that has continued the program. Each session has a different topic with a different speaker, and topics range from very informative and beneficial to very entertaining. Participants range in age from 55 to 90 years old, and many have been attending for several years. All persons age 55 and older are urged to attend this program.

"Pencil Drawing" will be offered three to four on Wednesdays from 7-8

"SCHOOL AUDIT" (Cont. From A10)

The Economy and Efficiency Division of my office is directed by Tom Graham, who holds a Master's Degree in Education. Our E&E staff has over 35 years of combined experience and includes auditors with CPA and Master's Degree credentials," Babbage said.

"In their five year history, the team has identified over \$34 million in potential savings for state government during their examinations of areas including uninvested state funds, real property management and purchasing," Babbage added.

"I am especially pleased that the Peat Marwick firm is joining my team in this project because Peat Marwick is recognized as a leader in education management audits. This firm provides us with a team of experts who have participated in over 100 education management audits across the nation," Babbage said.

Babbage said he and his staff have sought information from education professionals, virtually every education interest group in the state and from citizens statewide.

He said he is still receiving suggestions about the project and will continue to seek professional and citizen input throughout the project.

"HONOR ROLL" (Cont. From A10)

Kimberly Barnes, Angela Bussell, Dorrina Leetce, Jason Chastain, Charles Johnson, Charles Abney, Christy Callahan, Clarissa Hodge, Angela McKinney, Heather Reynolds, Brenda Wilkinson, Julian Croner, Brigitte DeBorde, Tammy Denny, Wanona Elkins, Kristy Fletcher, Wanda Hayes

Twelfth grade: Oskar Bakkevig, Teena Carter, Michael Decker, Angela Jones, April Scaff, Alison Sowder, Amy Baker, Christopher Lewis, Noreen McClure, Susan Norton, Thelma Thomason, Meleré Wren, Sara Anderkin, Marla Bryant, Joseph Ferguson, Tammy McGuire, Andrea Rowe, Anissa Wilson, Charles Kirby, Arthur Anderkin, Kimberly Bullock, Timothy Burdett, Sheila Burton, Tona Halcomb, Fannie Martin, Clinton McCown, Susan Smith, Michelle Bowles, Stacy Craig, Franklin Denny, Kathy McClure, Sandra Miller, Julie Peurey, Amy Pingstone, Lisa Rader, Shifra Turner, Paula Bussell, Jenny DeBard, Chad Hodges, Stony McGuire, Sheila Taylor, Treva Wallen

p.m. Taught by Jerry Wayne Howard, cost is \$25 plus supplies. This class will include instruction in the basics of pencil drawing and fundamentals of sketching, and advanced techniques in pencil drawing. Subjects will consist primarily of drawing portraits using a number 2B pencil. Drawings will be done from both photographs and from life. Participants should bring a sketch pad, various hard- and soft-lead pencils (2B, 6B, etc.), and a clean eraser.

Local students now doing student teaching

Four Rockcastle County students at Eastern Kentucky University are among more than 481 teacher education students gaining practical classroom experience during the 1989 spring semester.

EKU's College of Education places its student teachers in classrooms for the last 12 to 13 weeks of the semester, according to Dr. David Rush, director of EKU's professional laboratory experiences office.

"The practical experience follows three to four weeks of on-campus instruction in teaching fundamentals. Student teaching experience is required in Kentucky before a college graduate may be certified," Rush said.

"At EKU, we've designed our program to ensure that our students are well prepared for this experience."

Students preparing for teaching careers at EKU may also gain practical classroom experience at Model Laboratory School before student teaching. Model is the only university-operated laboratory school in Kentucky. It is designed to provide educational experiences for future teachers that might be otherwise unavailable.

"As one of the state's largest producers of teachers, we feel a special obligation to our students and to the Commonwealth to provide as many educational experiences as possible," Rush said.

This fall 134 EKVU students are student teaching at the secondary level. 216 are teaching in elementary classrooms, and 131 are assigned to practicum arrangements, he said.

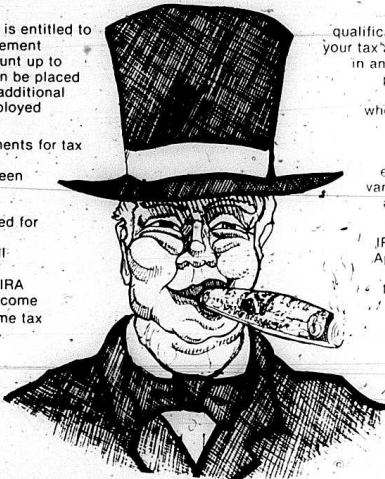

Eastern Kentucky University at Richmond serves more than 13,000 students through a variety of programs in its nine colleges and the graduate school.

Local EKVU Students who are now student teaching include:
 Lois Burdett, Mt. Vernon, teaching at Roundstone Elementary; Christopher Cornelius, Mt. Vernon, teaching at Model and Cassidy Elementary; Lisa Raines, Mt. Vernon, teaching at Silver Creek Elementary; Jim Ward, Brodhead, teaching at Roundstone Elementary.

Admission requirements for the Senior scholars program include: completion of the junior year of high school; a strong academic record in a college preparatory program; the name of a teacher or counselor who can furnish a recommendation; submission of a current high school transcript, and, for some courses, high school preparation in certain academic subjects.

Every wage earner is entitled to an Individual Retirement Account. Any amount up to \$2,000 annually can be placed in an IRA with an additional \$250 for a non-employed spouse.

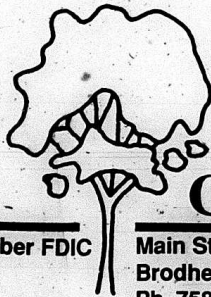

While the requirements for tax deferral on your contribution has been changed, interest earned on an IRA remains tax deferred for everyone. Most individuals can still deduct their contribution to an IRA from the current income year. For IRA income tax

qualifications, consult your tax advisor or stop in and talk with our people, trained professionals, who can assist in determining individual tax eligibility and explain IRA advantages for now and the future.

Ask today for IRA assistance. April 15th is the deadline for 1988 Individual Retirement Accounts!

You don't have to be a "fat cat" to enjoy deferred taxes. We make it all so easy with an IRA, just ask!

Rockers, Pin Busters and Babe's Bunch head league

The Rockers lead the Rockcastle Bowling League at Maroon Lanes in Richmond with 67-1/2 wins and 40-1/2 losses.

Tied for second are the Pin Busters and Babe's Bunch at 62-1/2 and 45-1/2.

High team series for the week went to the Pin Busters with a 2470. On the team are Sam and Evelyn Mullins, Alice Faulkner and Jim Cromer.

The Sweetwater Pears took high team game with an 845. Members of that team are Phyllis and Ray Isaacs and Barbara and Bill Turner.

Rick Anderkin had high men's series with a 598. Jim Cromer was second with a 588 and Clifton Daugherty third with a 542.

Rick Anderkin also had high men's game with a 233. Jim Cromer was second with a 209 and Clifton Daugherty third with a 207.

Debbie Buggs had high women's series with a 534. Alice Faulkner was second with a 517 and Annette Thompson third with a 507.

Annette Thompson took high women's game with a 201. Alice Faulkner was one pin behind with a 200 and Debbie Buggs one pin behind that with a 199.

Rick Anderkin took high men's series HDCP with a 649. Jim Cromer

was second with a 645 and Ray Isaacs third with a 618.

Rick Anderkin also had high men's game HDCP with a 250. Jim Cromer was second with a 228 and Henry Vanzant third with a 224.

Annette Thompson took high women's series HDCP with a 669. Alice Faulkner was second with a 634 and Phyllis Isaacs third with a 621.

Annette Thompson also had high women's game HDCP with a 255. Alice Faulkner was second with a 239 and Jamie Bryant and Evelyn Mullins tied for third with a 228 each.

Clifton Daugherty has high men's average with a 182. James Nye is second with a 179 and Rick Anderkin third with a 178.

Debbie Buggs' 168 is high average for women and Jamie Bryant and Evelyn Mullins have second high at 161 each.

Kentucky offers unique fishing opportunities

Kentucky is well known for its rivers and lakes, having more miles of running water than any other state except Alaska. Any place with that much water has to have fabulous fish-

ing -- and Kentucky does!

Part of Kentucky's popularity is due to the variety of lakes and fish found here. There are deep, clear lakes with cold-water species like muskie, trout, walleye and smallmouth bass. There are also largemouth bass, catfish, sunfish and bluegill typical of the lower Mississippi River delta states. Cave Run Lake, at the northern edge of the Daniel Boone National Forest, is one of the best muskie lakes in the country. Another beautiful forest lake, Laurel River Lake, is known for rainbow trout. Smallmouth bass are most plentiful at Lake Cumberland and Dale Hollow Lake.

The western lakes, particularly Lake Barkley and Lake Malone, are top producers of largemouth bass. Kentucky Lake is known as the place to be each spring for famous crappie runs. Oldtimers say the crappie run coincides with the dogwood bloom. Crappie Nation U.S.A., hosted by Lake Cumberland, Dale Hollow Lake, Lake Barkley and Kentucky Lake, is scheduled for March 11 through May 9. This is a 60-day tag tournament that offers thousands of dollars in prizes to spring crappie fishermen. The one-day buddy tournament will be held on April 8.

Lake Cumberland State Resort Park will host Spring Fishing Unlimited from March 31 through April 2. Trophies will be awarded in five classes and there will be evening seminars on fishing tactics.

One of the most interesting fishing events in Kentucky is night fishing for rainbow trout at Paintsville Lake State Park. According to the manager, Bob Dixon, "Anglers are out there in their boats in the dark with their lights flashing -- it's totally different!"

"People fish until the wee hours of the morning," he added. Night fishing begins in late May, when the hot days drive the trout deep into the lake, and lasts until late August.

No matter what your fishing interests, Kentucky's variety of lakes and rivers can satisfy you. There is no closed season on fishing in Kentucky. With a few exceptions, all fishermen between the ages of 16 and 65 are required to have a license.

For more information on fishing and fishing events in Kentucky, contact the Department of Fish and Wildlife Resources, One Game Farm Road, Frankfort, Ky. 40601, or call (502) 564-4336 or 1-800-225-TRIP.

Walleye/Sauger begin runs

The official first day of spring is just around the corner, and that means it's time to think about fishing. Walleye

and sauger begin spring spawning runs in several of the state's waterways this month. Watch for walleye at Cumberland and Nolichucky lakes and sauger in the tailwaters of the Ohio and Kentucky rivers.

Early in the month walleye anglers should try the tailwaters of Cumberland, Laurel and Kentucky lakes, all good locations for toothy lunkers. And don't forget the spots where creeks empty into lakes, especially if they contain warm-water areas produced by discharge from power plants. Warmer waters attract shad, a dietary delicacy for predator fish species, which means you could find not only walleye, but white bass, black bass and striped bass as well.

Good numbers of walleye can also be found in the North, Middle and Big South forks of Cumberland River during March. Live minnows and minnow-imitating lures are effective for catching walleye in river pools and below riffles. At night walleye move to riffles and shoals to feed, and when the water temperature reaches 46-55 degrees, eggs are dropped.

Later in the spring, walleye return to Cumberland and Nolichucky lakes. In these waters anglers should try live bait and spinner rigs around rocky points.

Sauger begin moving upstream this month, but because man-made obstacles slow their progress, these fish tend to congregate near locks and dams. Anglers will find the best sauger fishing below locks and dams on the Ohio and Kentucky rivers and below the dam at Kentucky Lake.

Brightly colored jigs with twister tails, minnows and crankbaits are the most effective lures for this smaller cousin of walleye.

Sometimes fishermen have trouble telling the difference between walleye and sauger. The glassy-eyed walleye has a long, slender body and a mouth filled with canine teeth. Coloring is light with indistinct markings except for a dark blotch near the bottom rear portion of the dorsal fin and a white tip on the lower tail fin. Sauger has a long, slender body and canine teeth, but this silver and black fish is distinguished by a dark saddle of vertical blotches across the back and a series of dark spots arranged in irregular diagonal rows on the sides and dorsal fin.

Cyanide in grapes

The Food and Drug Administration said today it has found and confirmed traces of cyanide in a small sample of seedless red grapes from Chile and, as a result, is detaining all grapes and other fruit from that coun-

try and is urging that they be withdrawn from the U.S. Market.

Consumers are being advised to check the source of any fresh, non-citrus fruit and not to eat any Chilean fruit they have on hand. Virtually all fresh grapes currently sold here are from that country--and grapes constitute about two-thirds of the shipments of the Chilean fruit recently imported. U.S. officials estimate.

Other Chilean-originated fruit sold in the United States at this time are peaches, blueberries, blackberries, seedless watermelon, cantaloupes, Juan Canary and honeydew melons, raspberries, nectarines, quince, Granny Smith green apples, cactus pears, pears and plums. While no cyanide has been detected in any of this fruit, as a precaution consumers are advised to avoid any fruit from Chile at this time.

More than 70 million decks of cards are sold each year in the U.S.

James Kidwell caught a large mouth bass that weighed 5 lb. and 5 ounces and claimed a \$1,084 big fish pot that had been building since October of 1983 during the Rockcastle County Bass Club tournament at Dale Hollow lake last weekend. Kidwell also got \$95 for winning the tournament. He caught a total of 3 fish that weighed 10 lb. 7oz. Ronnie McCure placed second with 8 lb. and 8 ounces and Mark Blanton was third with 4 lb. and 8 ounces.

Mt. Vernon Personals by Mrs. George Burton

Mrs. Ora York has returned home after spending several days in the Rockcastle Hospital.

Mr. and Mrs. George Burton visited Mr. and Mrs. Emory Martin and Mr. and Mrs. Doug Griffin and family recently.

Deepest sympathy is extended to the family of Dale Singleton of Lexington in their time of sorrow. Mr. Singleton was formerly of Rockcastle County.

Mr. and Mrs. James Houston of Ohio visited his parents Mr. and Mrs. W.C. Houston Saturday.

Mr. and Mrs. Sam Newton of Somerset and Mrs. George Burton were in Louisville Saturday. They visited Mr. Newton's aunt Bernice.

Newton in the Nursing Home.

Mr. and Mrs. Robert Barron and daughter and children of Paris and Barry Kirby of Columbus, Ohio visited Mr. and Mrs. Robert Kirby and Mr. and Mrs. Raymond Kirby Saturday.

Mr. and Mrs. Bernard Purcell visited Gravely Burton awhile Sunday afternoon.

Mr. and Mrs. Troy Roberts of Rutledge, Tenn. visited Shirley Burton awhile Saturday.

Sympathy is extended to the families of Mrs. Gertrude Mounis, Mrs. Sarah Dodson, Casper, Spivey and Walter Bullock in their time of sorrow.

Rise and Shine Homemakers meet

By: Bea Hensley Reporter

Our club met March 14th at the McCauley home. Members had received calls from the hostess and co-hostesses informing them of their plans for a brunch instead of the usual pot luck. This turned out to be a real treat with Fayced Juanita combining their cooking skills and Sharon as co-hostess. There was plenty of country ham, sausage, angel biscuits and all the other goodies to keep us going back to the kitchen for more.

The meeting was called to order after everyone had finished eating and scuttled into the living room. The devotionals was given by Alta

Bullock. She also was acting secretary and treasurer in the absence of Helen Duncan who couldn't be with us this month.

Mr. and Mrs. Lu Ed Nielson and Lois Baker our guest had eight members present.

Alice Cloud, our club president, reported the March 13 International Dinner a huge success. We had some discussion about our Area Meeting coming up in October. Homemakers Club members were asked to send their favorite recipes to Sharon Palmer who will type them and get them ready for a cookbook. The cookbook will be one of the favors given to our guests at the Area Meeting this fall. Sharon said the recipes could be

turned in at the bank for her if you couldn't reach her at home.

Sharon had the lesson for the club this month. The lesson was about 'Updating your Bathroom'. The ladies were shown pictures and given information on updating the bathroom and enjoyed the lesson.

The plans for our April Meeting include a trip to Lexington for lunch. We plan to shop and just enjoy the afternoon. For more information call Juanita Davis.

Busy Bee Homemakers

The Conway Busy Bee Homemakers met at the Rockcastle County Library March 7th with nine members and one visitor present.

Joyce, Debbie and Becky were the hostesses with everything decorated in green to celebrate St. Patrick's Day. The refreshments were delicious even the cake and punch were green. These girls put a lot of work into this and deserve a big thank you for a terrific job.

The roll card was answered by telling something that you are looking forward to about spring. There were lots of different answers but we all will be glad when spring arrives - whatever the reason.

Our lesson was on 'Decorating your Bathroom' taught by Debbie and Becky. Everyone enjoyed this lesson very much and plan on putting these ideas to good use.

Our next meeting will be April 11th at Mrs. Lakes.

Members, let's not forget our fund raising supper at Weatona's Friday March 31, at 6 p.m. See you there! Reporter

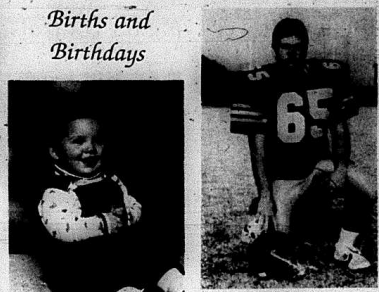

Happy 16th Birthday From All of Us!!

Amanda May Sue Shafer celebrated her first birthday January 10. Amanda had a very nice birthday party and received many nice gifts. She is the daughter of Joyce and Eddie Shafer. Amanda wishes to thank everyone for all her gifts and Dennis, her sister Samantha and her brother, Thomas her birthday party.

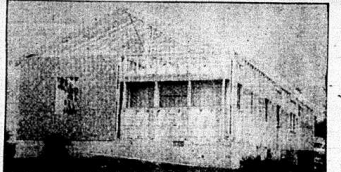

Angie Renee Slusher celebrated her 1st birthday March 1 at her home with her parents, Wayne and Tammy. Other family members were there to help celebrate. She got wonderful gifts and cake and ice cream were served. Grandparents are Dave and Cecilia Taylor of Brodhead and Callie and Robert Slusher of Red Hill.

Births and Birthdays
Hi, my name is Dustin Lawrence. I celebrated my first birthday March 17, 1989 at my home. Many friends and relatives were there to help me celebrate. I want to thank everyone for the money and gifts I received. My daddy and mommy are Larry and Jeanine Lawrence. My grandparents are Gene and Betty Lawrence of Brodhead and Alvin and Teddy McClure of Mt. Vernon. My greatgranny is Mazie McClure of Mt. Vernon.

16th Birthday
Tim McCracken, son of James T. and Barbara McCracken of Seymour, Tenn., celebrated his 16th birthday Feb. 24. Tim is a sophomore at Seymour High School where he plays football and has received his football letter. Tim is the grandson of Ed McCracken of Orlando and the late Anna McCracken and of the late James L. Ball and Margie L. Ball of Covington.

"It's comments like this that inspire me to keep on writing." She told me all about her children and grandchildren, also brothers and sisters. She was raised near Disputanta, a daughter of Tip and Gladys Smith. Delavencia isn't very well and not able to get out much but thankful to be alive. She spoke about her church and goodness of God. She has one daughter still at home. So, for her and her family we pray and wish them all the very best in life. Thanks again, Delavencia for the phone call and I'll try to stay in touch. God bless you.

Visiting Mrs. Mary Cope recently were her daughter Mrs. Christine Barnett and her brother-in-law Sylvester Cope both of Berea and on Sunday another daughter Mrs. Jean Hayes and husband Frankie of Winchester.

Mr. and Mrs. Gerald Alexander and children visited Mrs. Alexander's mother Mrs. Christine Napier of Evans over the weekend.

Visiting Mrs. Jewell Davidson and children Sunday afternoon were Mrs. Shirley Turner and son of Kirksville. I'm glad to be able to report my nephew Michael Greer of New London, Ohio is much improved from his illness, and back in school. Thank the good Lord.

On Easter morning March 26th a Sunrise Service will be held at Fairview.

Our Spring Revival is scheduled to be held March 27 - April 2nd with Rev. Ronald Rose, pastor of the Gray Hawk Baptist Church in Jackson County. Time 7 o'clock each evening. We extend a warm welcome to everyone.

Please attend church and Sunday School somewhere and to each one of you I wish a blessed and glorious Easter.

Always remember Jesus loves you and He is always close to those whose hearts are breaking. God bless you.

Fellow Citizens of the 3rd District

I've chosen to run as Magistrate because of my convictions of what our district and our county should be doing -- money is certainly not the reason. If I'm elected, I'll be available for you seven days a week to listen to your problems and concerns. I'll work with the fiscal court and county judge to address problems such as garbage and road maintenance and I'll look for ways to bring in new businesses to offer more jobs for our community.

I've been actively employed in Rockcastle County for 27 years and have been in business at DeBoard Oil Company for the past 10 years. I've traveled the roads in the third district daily. I know a better job can be done and I hope you'll give me the opportunity to speak up - speak out and address the needs of our district and our county.

Thursday, March 23, 1989

Second place club act went to Young Guns from Roundstone Elementary. Mrs. Makin and Mrs. Todd are their leaders and the name of the act was "It's a Smash".

First place club act was the 4-H Farouts from Brodhead Elementary School, Mrs. Burton's club. This act also competed at the WFA 4-H Variety Show and received a blue ribbon. The name of their act was "Friendship".

4-H NEWS

By: John McQueary
County Extension Agent
for 4-H

On Tuesday night, March 7, the Rockcastle County 4-H Council held their 4-H Variety Show.

Over 90 4-Hers participated in 4-H Club Acts and 21 in Specialty Acts.

Top Club Act was the 4-H Far Outs from Brodhead Elementary, Mrs. Burton's club.

Second place club act was Jessica Rosenberg - "Don't Worry Be Happy".

Second place Specialty Act was "The Twist" by Barbic Adams, Adrienne Gabbard, and Emily Gistler.

All other acts did a great job as well, they were in last week's news article.

The top club act and specialty act went on to area competition. Both acts received Blue Ribbons and should be congratulated on a job well done.

Second place Specialty Act were Barbic Adams, Emily Gistler and Adrienne Gabbard. "The Twist" was the name of their act. Congratulations to them. They did a great job.

Master of Ceremonies for the Variety Show was Tiffans Turner, Missy Owens, Renee DeBorde from Brodhead. These young ladies did a fine job.

Apply now for Vets' bonus

Kentucky veterans of the Vietnam conflict may now apply for the new Kentucky Vietnam Veterans Bonus. Application forms became available March 1. The bonus was approved by last year's special session of the General Assembly.

Application forms for the bonus are available at county clerks' offices, Department of Employment Services field offices statewide and at each National Guard armory in Kentucky. The veteran or his/her beneficiary will have a year, from March 1, 1989, through February 28, 1990, to submit the application. Applications not postmarked by midnight, Feb. 28, 1990, will not be processed.

Vietnam veterans who have any questions about the program or the applications can now call 1-800-223-0713 toll free for more information. The hotline number is for calls from inside Kentucky only. Its hours of operation are 7:30 a.m. to 4:30 p.m., Eastern time. The majority of the questions veterans ask are answered in the detailed instructions attached to each application form.

Each eligible veteran must also submit a DD form 214 with the application. If that form is not available, the veteran should write to the Military Records and Research Branch, Boone Center, Frankfort, 40601. In the letter, the veteran must include full name, date of birth, social security number, service number (if applicable), the year he or she entered military service and the year he or she left the service. For information on making any needed changes on the DD 214, call the Kentucky Center for Veterans Affairs at this separate toll-free number: 1-800-752-6994.

Veterans entitled to receive the bonus include those from Kentucky who served in Vietnam between July 1, 1958, and May 15, 1975. They are eligible to receive \$25 per month of service up to a maximum of \$300. Those who were in active service

First Place Specialty Act was Jessica Rosenberg - "Don't Worry Be Happy". Jessica went on to compete in the Area Variety Show in Bell County where she received a blue ribbon.

with the military at least 90 consecutive days, other than for training, outside Vietnam between August 5, 1964, and May 15, 1975, are eligible for \$15 per month up to a \$300 maximum.

No payments of the bonus will be made until after April 1, 1990.

An eligible veteran must have been a Kentucky resident at least six months before enlistment. Bonuses can be paid to families of veterans who are no longer living. The precedence for paying the bonus to surviving family members will fall in this order: surviving spouse, child or children (sharing equally) or mother and father (equally).

Officials of the Kentucky Veterans Affairs Division believe up to 108,000 veterans are eligible for the bonus. A veteran may choose to request on the

application form that the bonus be deposited into a trust fund administered by the Department of Military Affairs. This fund will be used to support veterans programs.

Special meeting of City council

The Mt. Vernon City Council will hold a special meeting Thursday night to discuss the recent notice of violation for illegal dumping of liquid sludge from their sewer plant, their audit report for 1987-88, the hiring of a new police officer and sewer for Renfro Valley.

The meeting is scheduled for 7 p.m.

Gary Eldridge of the Family Life Center School and School on Wheels at Renfro, accepts a framed certificate from First Lady Martha Wilkinson in recognition of continuing partnership with adult education. The presentation was made at the Governor's Mansion during National Adult and Continuing Education Week March 12-18.

School on Wheels GED graduate Sara Charlene Hall was recognized as one of thirteen outstanding adult learners in Kentucky at an appreciation luncheon that was held at the Governor's Mansion last week. State Superintendent of Public Instruction John Brock talks with Sara and teacher Cathie Bailey at the recognition ceremony at which Sara received a Certificate of Merit from the State's First Lady, Martha Wilkinson.

DATES OF HOLIDAYS MAY CHANGE, BUT NOT THEIR MESSAGES

The calendar quite frequently may have to change a date. But those events of history are there to celebrate. Two faiths will honor, with a feast which may not coincide. The time of Hebrew slaves released. Or when the Savior died. Yet both occasions are the same. As either faith explains. With each occurrence in the name of freedom from our chains. So let the joyful time begin. And issue this decree: That slaves from slavery or sin. All mankind must be free.
