

All-Seasons Comfort and Savings

The All-Seasons Comfort Home brings together all the elements of quality construction and insulation and combines them with geothermal heating and cooling.

As an added bonus, participating co-ops offer a rebate of up to \$1000 to consumers who build an All-Seasons Home.

The All-Seasons Comfort Home - one of the Comfortable Alternatives from your rural electric cooperative.

Landscaping Out the Sun

Landscaping can play a big role in beating the summer heat. A properly sited home on a well-landscaped lot can increase both energy efficiency and comfort.

Since the location of your home on the lot is often limited, landscaping can significantly reduce the need for summertime cooling and, just as important, it can increase the resale value of your home.

The southern exposure of your home is useful for maximizing the benefits of solar heat during winter. Plants can be used as air conditioners when you don't want the heat. Shading along the southern wall of a home can be achieved by planting fast-growing shrubs, vines, or trees.

Plants can be used to reflect,

obstruct and filter solar radiation before or after the sun's rays strike the surface. How much temperatures are reduced depends on which plants are used. For example, trellised vines cool surface temperatures by providing direct shade on the walls.

Blocking the sun is most effective with a canopy of dense foliage in multiple layers

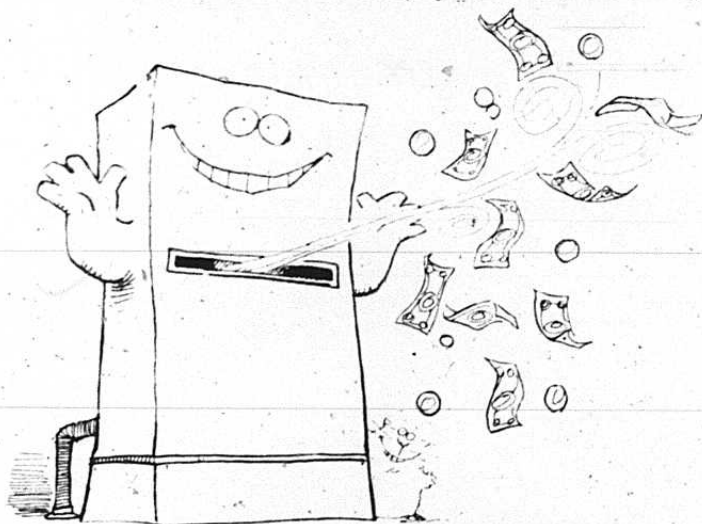

using trees such as maples, oaks and beeches. In addition, shrubs, groundcovers and lawns also moderate air temperatures near the ground and against buildings.

Your county extension agent has information on these and other energy topics about which you might want to know. (Courtesy University of Kentucky Cooperative Education.)

For more information on using landscaping to improve the energy efficiency of your home, contact your local cooperative extension office and ask about publication HO-62, *Landscape Design With Plants, Creating Outdoor Rooms*.

Geothermal Heating

It's almost like making your own money!

How? Glad you asked.

Geothermal heating is 300 percent efficient. That means for every dollar you spend to operate the system, you get three dollars worth of heat. If you're spending \$900 a year to heat with an electric furnace, baseboard or ceiling cable, you'll only have to spend \$300 a year with a geothermal system.

In addition, you get whole-house cooling in summer at the lowest possible cost and up to half your hot water heated free!

Geothermal heating and cooling... one of the comfortable alternatives from your rural electric cooperative.

Comparison shopping for home heating and cooling systems

One of the most promising devices to hit the home energy market is the geothermal heating and cooling system. It uses the constant temperature of the earth to heat and cool your home.

Working much like a conventional heat pump, the geothermal system draws warmth from the earth in winter and transfers it to your house. Since the temperature of the earth is a constant 55 degrees, the air coming into your home is warmer — about 10 degrees warmer than a conventional heat pump. In summer, the process reverses, moving hot air out of your house into the earth below.

The geothermal system makes a strong case for paying a little more up-front in order to enjoy long-term savings.

As the chart below illustrates, the geothermal system pays for itself in a very short time because of annual savings for heating and cooling.

If you are building a new house or planning to replace your worn-out heating and cooling system, you owe it to yourself to consider geothermal heating and cooling. It's clean, safe, efficient and it'll save you money for a long, long time.

Want to know more about it? Call your local rural electric cooperative.

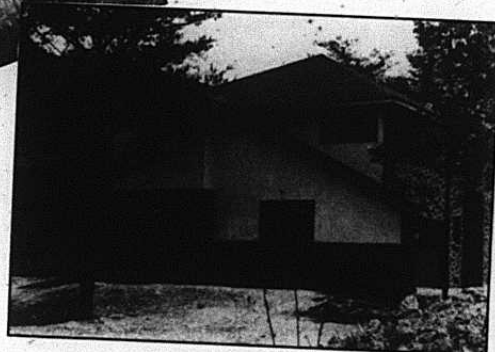

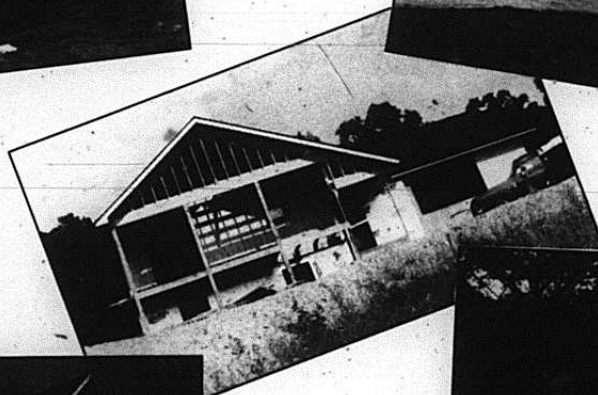

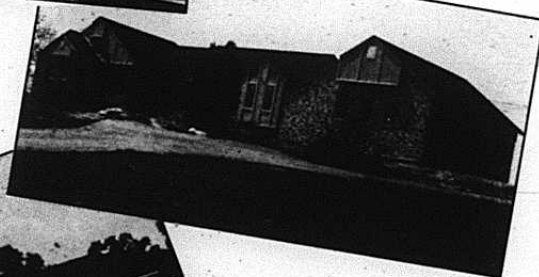

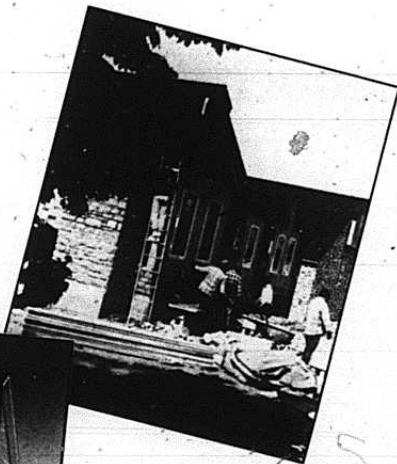

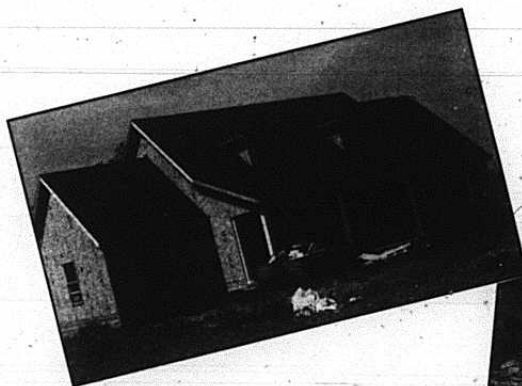

Annual operating expense

	Electricity @ 5.9¢ per kWh
Geothermal heating and cooling system	\$517
Conventional heat pump	\$859
Payback in years	7.0
Geothermal heating and cooling system	\$517
Electric furnace	\$1463
w/Central Air	
Payback in years	2.9

Cost comparisons based on standard efficiencies of equipment. Actual cost will depend on the type system you have and the energy rate paid.

The Many Faces of All-Seasons Comfort

An All-Seasons Comfort Home can come in virtually any size or architectural style. The program doesn't limit you to certain floorplans. All that's required is that a few common sense insulation standards be met and that a geothermal system be installed. Do that and you'll enjoy year-round comfort, year-round savings and you'll get \$1,000 from participating electric cooperatives.

“For an informative brochure on the All-Seasons Comfort Home, contact one of these participating electric cooperatives, or clip and mail the coupon below.”

Board will have final decision in name change

Mt. Vernon principal Johnny Hale said this week that when and if a decision is made to change the mascot name at Mt. Vernon Elementary school, it will be a decision of the Rockcastle County Board of Education. Hale said that he was still gathering information from parents, students, teachers and interested parties about a possible mascot name change at Mt. Vernon Elementary School. "Once I've got all of the input I will present the information to the board for their decision," he said.

"Each year I have had parents voice objections to the Red Devil mascot and I had to remove a Red Devil emblem with a menacing scowl because it upset some younger students," Hale said. "Many people simply don't think that a Red Devil is an appropriate mascot for an elementary school," Hale continued.

The principal said that the majority of the responses received thus far were in favor of letting the student body choose a new name.

"We will use the same colors, red and white, but if a mascot name change is to be made it should be when we enter the building," not later. Hale said that anyone wishing to respond to the matter should do so in writing to the school at P.O. Box 217, Mt. Vernon, Kentucky 40456.

Governor Wilkinson vetoes alcohol sales bill

Governor Wallace Wilkinson, vetoed a controversial bill that would have allowed the temporary sale of alcoholic beverages in "dry" areas.

House Bill 115 was targeted by the Temperance League of Kentucky, which has members in more than 3,500 churches across the state. Many of those church members urged the governor to veto the bill.

The bill would have allowed temporary sales of alcohol in dry areas if a majority of voters in a precinct approved.

The Temperance League of Kentucky contended the bill could lead to costly referendums on the sale of alcoholic beverages in 77 dry counties. Wilkinson said the measure, as amended by the Senate, would "take away the right of the citizens of a dry city or county to prohibit the sale of alcoholic beverages in the respective territories."

State Representative Danny Ford, who opposed the measure, said this week that he was very pleased that Wilkinson had vetoed the bill.

Green River Cable T.V. will provide service soon

After more than a year of waiting, calling and hoping residents in western Rockcastle County will finally get cable television service.

Gary Yocum and Roger Pittman announced this week that they had begun a sign-up campaign along Highway 70 and that service to those homes should begin by May 1.

Yocum and Pittman, who own and operate Green River Cable Company, began more than a year ago trying to provide service in Rockcastle County, but an ensuing legal dispute with Southern Cablevision, who owns the cable franchise in Mt. Vernon caused many delays for them.

After Yocum and Pittman had secured a franchise from the Rockcastle County Fiscal Court, Southern stepped in and said they wanted a franchise for the entire county, because they wanted to provide cable to everyone.

After a heated fiscal court meeting in March, the fiscal court gave everyone, including Southern, the right to run cable through the county. "But, Southern never followed through on their promise and a legal battle between Southern, Yocum and Pittman ensued."

Pittman said that Green River would offer USA, WTBS, ESPN, Cable News Network, Nashville Network, The Inspirational Network, CBN, Channel 18, 27 and 36 from Lexington, Channel 10 from Knoxville, Channel 34 from Campbellsville, KET, Channel 56 from Danville and the ACTS Network. Basic service will cost \$11.95. Paul Cash is Green River's local representative. To inquire about service call 866-2655.

Garbage contest going on in Rockcastle schools

A contest that will help clean-up Rockcastle County is now underway in county schools.

Mrs. Geraldine Mize, a member of the Rockcastle County Chamber of Commerce announced this week that the Chamber was sponsoring a contest in county schools in an effort to clean-up the nasty roadsides, hillsides and illegal dumps in Rockcastle County.

Grades 9 through 12 will compete against each other at the Rockcastle County High school with the winning grade receiving a free dinner from the Chamber. And in the grade schools, each school will compete against each other with the winners of grades 4-8 receiving a free trip to the Kentucky Horse Park with lunch being provided in Grades K-3, the winning school will get a afternoon of games and a picnic on school grounds. Each school will also receive \$20 for every ton of garbage collected.

Once garbage is picked up, it should be taken to the Kentucky Stone Quarry in Mt. Vernon where it will be weighed and tagged. The appropriate class will get credit for the garbage collected. The cities of Mt. Vernon, Brodhead and Livingston and the county will be responsible for hauling the garbage off. Kentucky Stone is open Monday through Saturday 7 a.m. until 4 p.m. The contest runs through May 5.

All garbage should be bagged when possible, although large items like stoves, washers and dryers will be perfectly acceptable.

Mrs. Mize said that more will be perfect time to clean-up some unsightly areas in Rockcastle County.

Fundraising Concert for Projection Graduation

Strait Shot will be in concert Monday April 23 in the old barn at Renfro Valley.

The concert is being held as a fundraising event for Projection Graduation a drug free, alcohol free party for graduates on graduation night.

Admission to the concert is \$3.00, with children under six free. Tickets for the concert can be purchased from any member of the project graduation committee or at the door.

Members of the Rockcastle County Chamber of Commerce gathered at the Renfro Valley Lodge for their meeting last week. The Chamber was treated to country ham and chicken and dumplings.

Chamber gets tour of new lodge

By: Ray McClure

There was fried chicken, country ham and chicken and dumplings waiting for members of the Rockcastle Chamber of Commerce and guests who attended a meeting at The Lodge at Renfro Valley last Tuesday night.

It was a "get acquainted" dinner meeting hosted by Renfro Valley Folks. About 35 attended. Guests and members complimented the hosts for the excellent food that was served.

Glenn Miller, president of the chamber, thanked Renfro officials for the food and directed the business

meeting that followed. The chamber usually meets at Miller's Red Top Restaurant.

Secretary of the chamber, Lou Vanhosen gave a report on meetings that have taken place in recent weeks.

Most of the discussion centered around a trash collection contest

(Con't to A-12)

Morgan held for Grand Jury

Marty Morgan, charged with the murder of Donnie Clemmons in Mt. Vernon parking lot on Mar. 28, was held to the grand jury at a preliminary hearing Wednesday.

His bond of \$30,000 was continued.

A witness at the scene of the shooting, Debbie Rowe, testified she was with Clemmons at the time of the shooting and that Clemmons approached Morgan and Morgan told Clemmons he didn't want to fight with him every time they saw each other. She said Clemmons agreed and handed a gun to Morgan.

Mrs. Rowe said she took the gun

and put it in the truck on the front seat and then she heard a shot and saw Clemmons fall. She said she did not actually see Morgan fire the shot, but saw Clemmons stagger and fall.

Ricky Madden, who was also at the scene, testified that Morgan got in his truck and wanted to leave, but was blocked in by the Clemmons car. He said Clemmons walked up to the truck and put a gun to Morgan's head and said to Morgan "I got the drop on you this time." He added that Mrs. Rowe tried to stop him but Clemmons elbowed her away.

Madden said he did not see the shooting, but saw Clemmons on the

ground and a gun beside him.

Attorney for Morgan, Jerry Cox, asked Madden if Morgan provoked Clemmons, and Madden said, "Marty

Bike-a-thon April 21

Wanted: Riders for the St. Judes Wheels for Life Bike-a-thon.

The Bike-a-thon will take place Saturday April 21 at the Rockcastle County High School from 10 a.m. to 2:00 p.m.

Prizes will be awarded for those who raise the most money. Come join the fun and help save a child's life. Call Lynn Fields, coordinator at 256-4093.

GOP announces county officers

Plans for the District Republican Convention were discussed at a meeting of Rockcastle County Republicans Monday night.

The district Republican convention is scheduled for Corbin Civic Center beginning at 1 p.m. June 1. The state convention is scheduled for 1 p.m. June 9 at the Lexington Center.

Announced at the meeting were district convention positions as approved at a previous meeting.

Permanent chairman is Alonzo McCollum, Permanent secretary is Juanita Witt.

District Convention positions are as follows: Alonzo McCollum, vice chairman of the district convention; Juanita Davis, assistant secretary of the district convention; Denver Miller, committee on permanent organization; Calvin Mize, rules committee; Buzz Carlolis, credentials committee; Shirley Smith, resolutions committee, and Roland Mullins, nominations committee.

Republican county officers elected for two years in addition to McCollum, county chairman, and Juanita Witt, secretary and treasurer, were: Juanita Davis, vice chairman and Ricky Ray Kirby, youth chairman.

Delegates elected for the district and state conventions were: McCollum, Juanita Davis, Roland Mullins, Joe Clark, James H. Lambert, Buzz Carlolis, Libby Smith, Norma Hux, Denver Miller and Calvin Mize.

Alternates to the conventions are: Curtis Bradford, Shirley Smith, Juanita Witt, Donald Clark, Geraldine

Mize, Tina Gibbs, Brenda Lambert, Patricia Kirby, Ricky Ray Kirby and Shelley L. Mullins.

Precinct officers also announced are as follows, with the captain listed first, followed by co-captain and youth captain.

North Brodhead -- Norma Hook, Charles D. Holbrook and Douglas Brock.

North Mt. Vernon -- Bobby Kendrick, Christine Graves and Teresa Lunsford.

South Mt. Vernon -- Jack R. Bradley, Paulette Bradley and Linda Howard.

West Livingston -- L.D. Bond, Irene Bond and Eula Mink.

West Mt. Vernon -- Denver Miller, Carolyn McKinney and James D. Miller.

Brown -- Donald J. Clark, Paula Clark and Tim Bullock.

West Brodhead -- Archie French, Amanda LaFavers and Ricky Ray Kirby.

West Mt. Vernon -- Calvin Mize, Geraldine Mize and Bentley Cromer.

Conway -- James H. Lambert, Brenda Lambert and Boyd E. Alexander.

Roundstone -- Stewart Parsons, Libby Smith and Carolyn Thacker.

Climax -- Shelley L. Mullins, Sam Mullins and Bobby Owens.

East Mt. Vernon -- Juanita Davis, Ray Kirby and Charles T. Davis.

Orlando -- Glyn Bullock, Juanita Witt and Kenneth Higgins.

East Livingston -- Joe Clark, Mrs. Roland Carpenter and Janie Clark.

County will get money for local annex

By: Ray McClure

The Kentucky Legislature has passed and Gov. Wallace Wilkinson has signed the Justice Department budget, which includes \$575,000 for a courthouse annex at Mt. Vernon. Supreme Court Justice Joseph Lambert confirmed this week that the budget was passed and presented to the Legislature.

Under the provisions the only cost to the county for the annex will be the purchase of a site. He said the Administrative Office of the Court will pay architectural fees and construction costs.

Now that the budget has been approved, it should be "full speed ahead" for the project, Justice Lambert stated.

To date, the county has two options on a location. One is from Henry Hines, a lot across First Street known as the Fred bark property, now vacant. The other is from the Farm Bureau, a lot adjacent to the former Farm Bureau office on East Main street.

A third piece of property could be the closing of First Street that is already owned by the county, and adding the annex to the present courthouse, is at present, just that, speculation.

Mrs. Ruth Leach, who owns the property along with 32 acres in the same area, said this week she had not been approached by the county or County Judge/Executive, Roland Mullins about the property behind the courthouse.

Although she did not file out the sale of the property, or a portion for the annex, she did say she preferred to sell all the property in one piece, if at all.

Livingston water system project money awarded

The final money for a \$904,654 project to improve and expand Livingston's city water system has been awarded by the Appalachian Regional Commission (ARC).

Fifth District Rep. Harold Rogers announced this week the ARC had awarded the city a \$150,000 grant bringing the total for the project to the \$904,654 figure, the required figure.

According to Rep. Rogers, "the 30-year old water system serving Livingston has deteriorated badly."

"The cost to constantly repair and maintain it is just too high and the people are left with low water pressure and leakage," he continued.

Livingston residents will once again have fresh, clean running water.

City Engineer Bill Kenney of Lexington reported the city will now proceed with the design of the project.

Kenney said he hoped to advertise for bids in the early fall and at least get started on the project this year.

"We've had some mild winters," Kenney observed. "so perhaps we can get some of the work done this fall."

Under the financing, \$293,654 will come from a Community Development Block Grant and \$280,000 in

loans and \$181,000 in grants from the Farmers Home Administration.

The project includes new water lines to 46 new customers, to connect

the system along U.S. 25 to Woods Creek Water District. A 25,000 gallon storage tank will be constructed along KY 1955. There will also be replacement lines within the city.

Ky. Stone awarded bid

Kentucky, Stone Company of London was the low bidder to reconstruct 750 feet of Hummel Road at Renfro Valley at a called meeting of the Rockcastle Fiscal Court Thursday.

The company's bid was \$60,513. Work will begin as soon as the state Highway Department approves the bid.

There were three other bidders. Next lowest was \$64,477 from Elmo Greer of East Bernstadt, followed by Statewide Paving Co., of Barbourville at \$64,533. Govt Construction Co., of Brodhead bid \$69,725.

The stretch of highway begins at U.S. 25 and goes 750 feet along Hummel Road.

Clarification

In a story in the Signal entitled Project Graduation on March 29th reported that two cars to be given away at Project Graduation were donated by MADD. The cars were donated by Richmond Ford.

Our Readers Write

Dear Editor,

In less than two months the Second Annual Broadhead Homecoming will be a reality. Preparations for this special time for our community have been going on for several months and it is proving to be an even greater event than the 1989 Broadhead Homecoming. The cooperation and enthusiasm have been overwhelming.

Beside the events of last year's homecoming, we have been fortunate to be able to add several more which can only add to the excitement of the weekend. There will once again be something for everyone plus much more.

Anyone wishing to participate in the Second Annual Broadhead Homecoming in any way is asked to attend our next meeting on Monday, April 16, at 7:30 p.m. at the Broadhead Firehouse.

Sincerely,
Diane Ott
Coordinator

Dear Editor,

I read several stories in the April 5th, 1990 addition that all linked together as to the two stories about concerned citizens. I am totally in agreement with the colored man from Lexington and also wonder do people shoot people for past time in Mt. Vernon? and better to say if the poor colored man had come to Mt. Vernon he would have most certainly gotten shot before getting out of his car. It really makes me wonder what is going on in Mt. Vernon. I haven't been there for some time now and the way this year has been I feel like the colored man. I don't want to come back, if there isn't some changes.

As to the best law enforcement I must agree that someone isn't doing their job with so many killings in town and one right in front of the local courthouse that the shot was heard at the local jail. How could anyone say that Mt. Vernon has the best law enforcement? It is my opinion like the Laurel County citizen said, Who gets paid to protect citizens from crime and crimes does begin with the Law enforcement as we all know to prevent us all from crime.

So seemingly Mt. Vernon could no way possibly have the best law enforcement: Killing is a very bad crime although it happens every where but when it happens right in the city something is wrong. All this crime has been a tragedy for everyone and it really ached my heart when I read the stories of children being killed and the criminals having their bond set so low in a short period that they are on the streets again.

What could anyone ever do or even be considered doing that a child should die? Children are the greatest gift of God and were not put here to be killed. I personally don't know Mr. Roland Mullins but someone needs to get Law enforcement and court in better order that people who commit these crimes do not walk the streets especially these crimes where children have been killed for no cause. Maybe then people would stop shooting others for past time.

No one in their right mind would come to Renfro Valley with all this crime. A child would not deserve to be killed especially shot in the back for no reason.

The only way Mt. Vernon could live this disgrace down is never let these criminals live in society again through this won't even bring the lives back of the ones already killed.

As the story read the streets of Mt. Vernon turned bloody once again sounded as if murder is no crime and you people like to see blood. So what is going on in the once so lovely little town. Let's not say we have the best law enforcement with all this crime as I am sure the families of these crimes would age murder nor blood is not a joking matter. Someone isn't doing their job but instead allowing crimes be committed every week. I support these families to the fullest extent especially mothers who have lost their children through these unnecessary crimes. Clean it up and we will come and see you all.

Changes will have to be made for Mt. Vernon to live this disgrace down. If all the law enforcement get there goes to sleep at dark down these ones to stop this crime.

As someone spoke of the dirty flag, people's life is more important. After all the old dirty flag is standing there but these human lives are gone and can't be replaced.

Put a stop to crime so the little town of Mt. Vernon will bloom again. Don't worry about the dirty flag. The flag isn't as big a disgrace as the crime going on down there. The flag has no feelings but the families of these children feel the pain daily I hope you all get it together down there, whatever the problems. Renfro will never bloom if the crime so nearby don't stop. People won't bring their children there to maybe be killed before they get back home. It sure isn't safe

Points East

By: Ike Adams

People probably shouldn't get as attached to their pets as I was to Newton, the Bassett Hound who has been my outdoor companion for the last two years. Newton just got killed on Highway 52 and I'm pretty torn up about it. I'm not blaming anybody and it isn't the road's fault. That's why he got killed. I honestly thought he was intelligent enough to stay away from the road if it had cars on it. He'd already had a couple of close calls and I thought he had learned how dangerous an automobile could be. In fact I had watched him, from inside the house, sit beside the road and look around carefully, check out the traffic situation and not move if anything was in sight. Then he'd dash across the road. He wouldn't do it if I was outside or if he knew I was watching.

If anyone is to blame, I am the person who decided that it was safe to let him run free; and that's ultimately why he got killed. I honestly thought he was intelligent enough to stay away from the road if it had cars on it. He'd already had a couple of close calls and I thought he had learned how dangerous an automobile could be. In fact I had watched him, from inside the house, sit beside the road and look around carefully, check out the traffic situation and not move if anything was in sight. Then he'd dash across the road. He wouldn't do it if I was outside or if he knew I was watching.

But he would sneak and do a lot of other things I didn't approve of either. Bones from old cattle carcasses constantly littered the yard. Two deer hides turned up right after the gun season. Rabbit heads, possums, groundhogs and dead snakes were regularly among the things that Newton found worth bringing home. If anyone slaughtered anything within five miles of our house, I would have whatever they didn't want lying in my front yard the next day. Hooves and hog heads were in our garbage almost every week.

The great thing about living here is the running room the dogs have. They can go for miles behind the house without having to cross a major road. Other dogs stop in and visit us too and most of the time I have no idea who they belong to. But when you live in the country, you can tell the difference between a well-kept dog and a

to drive through Mt. Vernon that is done proved out.

Sincerely,
Jackson Lee Issac
London, Ky. 40741

we were eating outside, he would lie down in my line of view with his back turned and then just sort of glance mournfully back over his shoulder, make eye contact that would break the closest heart and then he'd get a whole hamburger.

It wasn't his cuteness though that caused me to care for him so much. Newton saw me off in the mornings and he'd follow my vehicle to the end of the driveway. He met me every day and acted like I'd been gone a month. He made me feel appreciated.

I swear he could tell when I felt down and out. He knew precisely when it was appropriate to jump and lick or tug on my pants leg and he knew when the right thing to do was just sit nearby and be quiet. When I mowed the grass, Newton would act like I was supervising. When I worked in the garden, he was always there to make sure it was done right. And like me, he enjoyed life more when the fish were biting.

Everybody tells me to get another dog but I don't want an animal that I have to keep tied and I don't ever want to go through having another one killed on the road. Nor do I think I'd get much company out of one of those little toy dogs that stay in the house all the time.

Old Newton was born in the head of Blair Branch in Letcher County no more than a hundred yards from where I came into the world. Maybe that's why we were so close. Maybe that's why he seemed to understand me so well and vice versa. And maybe that's where I need to go back to if I ever decide to get another dog. Right now I don't know that I will because I can tell you for sure that nothing could ever replace the one I just lost.

Oops!

Charting Rockcastle

By: Richard Anderkin
Managing Editor

As I looked for yet another paper dispensing machine that was stolen from Drutler's Restaurant this week, my thoughts turned to just how bad crime really is in Rockcastle County and more particularly Mt. Vernon.

This machine was the second one stolen in the past few months. They each cost \$300.

The scam that took the first machine was unable to get any money out of it, although they did destroy it to the point, where it cannot be used except for parts.

This time however they were much more prepared and took a cutting torch to the machine. What they got was about \$2.00. What I got was another rack, totally destroyed.

The whole ordeal made me wonder what type of person would go to all the trouble of stealing one of those racks, which will weigh about 125 pounds and then get a cutting torch just to steal what little money they got. It seems to me that a person or persons that industrious could find a well paying job. But then again it would probably be hard to find a job that pays more than crime in this county.

I sincerely believe that our crime rate is high in this county because all too often, crimes go unpunished. There was a time when I thought it was a lack of prosecution or that maybe there were too many deals being made between prosecutors and defendants.

But, I think Rockcastle County as a whole is simply too soft on crime. Jurors just don't find guilty people in this county for whatever reason. We just don't.

Part of our beloved constitution states that everyone in this country is innocent until proven guilty. In Rockcastle County, it seems that with often overwhelming evidence to the contrary, most criminals are innocent until proven innocent.

There are people that have suffered because of our apathy toward crime. A couple of years ago a Rockcastle jury found two men not guilty of an armed robbery at a local pharmacy. The pharmacist identified the two men who were arrested the same night in another Kentucky county, but the jury found them not guilty. Many of the jurors said the Commonwealth attorney did not prove his case, but what more proof do you need than a positive identification.

Certainly anyone charged with a crime in Rockcastle is not guilty, but then again everyone is not innocent either.

Both of our machines were taken from in front of businesses in the city limits of Mt. Vernon. Both were hauled away, one in the trunk of a car. I know they can't be everywhere all the time and probably could not have stopped the thieves, but I'm also wondering if they were on I-75 or

down at Livingston. They spend an enormous amount of time away from the city that pays their salary, assisting other law enforcement officials.

Quite frankly our crime rate is high because criminals know they can get away with just about anything in Rockcastle County. They have for years and will continue to do so until we decide to do something about it.

This week we are carrying a story about the number of abuse and neglect cases reported in Rockcastle County in 1989. 166 were reported in 1989 up from 160 in 1988.

That is only the number reported, think about how many go unreported, it is probably three times that amount.

There are all types of criminals, but there is none worse than someone that would intentionally harm or neglect a child. If you know of such a situation please inform social services at 256-2138. Your name will be held strictly confidential.

There is no worse crime in my mind than child abuse, and there is help for these people if the proper people are notified. Don't let a child's suffering go unnoticed.

Help Keep Our County Clean!

From our files --

5 years ago, 1985 -- Scott Adams, Caroline Machal, James Hamilton, Beth Miller, Randall Hayes, Joe Gregory, Tamey Cummins, Tina Cummins, Steve Johnson and Troy Williams attended a Math Contest at Cumberland College. They competed in four categories: Algebra I, Algebra II, geometry and advanced Mathematics.

Mr. and Mrs. Owen Hensley of Orlando, announced the engagement of their daughter, Kimberly, to Nelson Bond, son of Mr. and Mrs. Franklin Doe Bond, also of Orlando.

Mollie Bryant received her 50-year pin for membership in the Mt. Vernon Woman's Club.

10 years ago, 1980 -- Bo Huffines, 18, son of Mr. and Mrs. C.T. Huffines, Rt. 1 Mt. Vernon, left for Lackland Air Force base, Texas.

Winners in the "Hat Contest" for all 6th grades at Mt. Vernon Elementary were: Tim Renner and Shirley Martin, silliest; Stacy Henderson, most original; Paige Anderkin, prettiest; Bobby Cummins, prettiest and Kenny Graves, most original.

The Mount Vernon Signal, Thursday, April 12, 1990 P-A3
Mrs. Mary Sue Alsip, 18, daughter of Mrs. Geraldine Alsip of Brodhead, was selected to be a Finalist in the 9th Annual Miss Kentucky National Teenage Pageant.

20 years ago, 1970 -- The wedding of Miss Beverly Sue Harris, daughter of Mr. and Mrs. Clyde Harris of Mt. Vernon, and L.A. McKinney, Jr., son of Luther A. McKinney, also of Mt. Vernon, took place at Freedom Baptist Church.

Jennifer Ponder and Debbie Sheehan were speech winners in the 4-H Rally Day.

Pvt. Boyd McGuire, son of Mr. and Mrs. Manley McGuire of Orlando completed his basic training at Fort Knox and was stationed at Fort Ord, Calif. for further training.

25 years ago, 1965 -- Lana Gay Halcomb, daughter of Mr. and Mrs. Dennis Halcomb of Mt. Vernon, celebrated her 6th birthday at her home with 10 guests present.

Maggie Cooner and Roy "Schooler" Lucas, both of Mt. Vernon were married at the home of and by G.H. Griffin.

School Happenings

Local EKU student honored with Allen Foundation Grant -- Thelma Paulita Thomason of Mt. Vernon, a freshman pre-engineering major at Eastern Kentucky University, has been awarded a \$1,000 Allen Foundation Scholarship for 1990. With her is Dr. Jerry Faughn, chair of the EKU Department of Physics and Astronomy. The scholarship is for students with high academic excellence and future promise in engineering.

Poster Contest announced

In order to promote Nurse Appreciation Week in May, the Rockcastle Hospital is having a poster contest. Prizes will be awarded in three age groups: 6 and under, 7 to 12, and over 12. The deadline for entering is April 30th. There will be prizes to \$25 in each category. The poster should reflect how you think of nurses and what they do. All entries must be of uniform size and color and the poster boards required may be obtained at the front desk (switchboard) at the Rockcastle Hospital. The contest is sponsored by our local pharmacies and all entries will be displayed at various locations.

If you are interested in learning to read or to improve your reading skills please call the Rockcastle County Library at 256-2388. All classes are free and private. Please call or stop by the Library we are always glad to help. 256-2388 or 758-8288.

Kirby named All-American scholar

The United States Achievement Academy announced that Blake Kirby has been named an All-American Scholar in science and mathematics. The USAA has established the All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the academic disciplines. Less than 10% of all American high school students receive this award, therefore his name will appear in the USAA official yearbook.

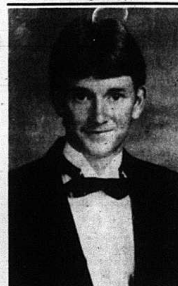

The academy selects winners upon the exclusive recommendation of teachers, coaches, or other school sponsors and upon the standards or selection set forth by the academy. The criteria for the selection are a student's academic performance, interest and aptitude, leadership qualities, responsibilities, enthusiasm, motivation to learn and improve citizenship, attitude and a cooperative spirit.

Blake holds a 3.85 grade average and has received awards for leadership in French and science, principals awards for scholastic excellence, certificate of merit for outstanding achievement in Contemporary International Affairs, Superintendents Commendation for the highest level of achievement in academics and extra-curricular activities, Department of Education certificate for scholastic achievement.

Blake is a member of the wrestling, soccer, tennis, and war of wits teams. Blake is the son of Butch Kirby and Phyllis Hanna of Ohio and the grandson of Floyd Kirby of Crab Orchard and Vivian Pennington of Berea, and Mr. and Mrs. Richard Shivel of Brodhead.

Blake Kirby

Lexington Electronic Institute is proud to announce the acceptance of James Morgan into our training program. At the end of our two year program James will receive an Associate Degree in Electronic Engineering Technology. The training program will begin July 1990. James will graduate from Rockcastle County in May 1990.

Fain member of BC baseball team

Garry Fain of Mt. Vernon is a returning member of the Berea College baseball team.

The team is coached by Chris Posey who is in his first year as a member of the athletics staff. Posey, a four-year letterman at Georgetown College, was a graduate assistant at Eastern Kentucky University for two years, leading the Colonels to Ohio Valley Conference regular season and tournament championships.

Last year, Berea's team finished with a record of 16-13, advancing to the National Association of Intercollegiate Athletics (NAIA) District 3 playoffs. While in high school, Fain played baseball, football and basketball.

Fain, a senior physical education major at Berea, is a graduate of Rockcastle County High School. He is the son of Mr. and Mrs. Oscar Fain of Mt. Vernon.

Brown honored

A Rockcastle County student was among more than 200 Eastern Kentucky University students who received awards at the annual EKU Honors Day program held Sunday, April 1.

She is Theresa Gaye Brown, of Rt. 1 Brodhead, who received the Mary King Burrier Scholarship Award in the Department of Home Economics. This award is given to juniors and seniors demonstrating scholarship, leadership, dependability, service and loyalty.

The recognition program honors EKU students who have distinguished themselves by scholarship, leadership, and hard work, according to EKU President Hanly Funderburk.

On Dean's List

Cumberland College student Caroline Machal, of Mt. Vernon, daughter of Mr. and Mrs. Charles Machal, is among 190 students included on the Dean's List for the 1989 Fall Semester, according to Cumberland College President Jim Taylor.

The Dean's List is published in recognition of academic excellence of students registered for 12 or more semester hours, who have no grade of "I", and who attain a minimum cumulative scholastic standing of 3.50.

Cumberland College is a four-year private, liberal arts college located in Southeast Kentucky in the city of Williamsburg. Cumberland offers six degrees in 21 major fields of study, as well as 10 pre-professional programs.

Parent Workshop scheduled by Interagency Council

The Rockcastle County Preschool Interagency Planning Council is sponsoring a parent Workshop. The workshop will be geared for parents of preschool and kindergarten aged children but ALL PARENTS and OTHER INTERESTED PERSONS are welcome and encouraged to attend.

The purposes of the workshop are to provide useful information to parents, promote parental involvement in our school system, and to introduce parents to agencies and services supportive of parents and children in our community.

Sessions will cover a variety of topics including: "Teachables Out of Trashables," "Health and Nutrition," "Speech and Language Development," "Handicapping Conditions," "Finding and Using Related Services." Special guest speaker will be Debbie Schumacher from the State Department of Education. Her topic will be "The Importance of the Preschool Years." She will also give a brief update on the legislation pertaining to early childhood.

The workshop will be held on Tuesday, April 17 from 9:30 a.m. to 2:30 p.m. at the First Baptist Church in Mt. Vernon.

Lunch, snacks and childcare will be provided free to those in attendance. Door prizes and gifts for the children will also be provided free.

If you have any questions or if transportation is a problem, please contact Tammy Gabbard at 256-2125. Also, if you think you might attend please call Tammy Gabbard at 256-2125. This will not be a commitment on your part—it will merely help in the planning or food, gifts, and so forth.

Troy Williams places second in UK engineering competition

Student Troy Williams placed second in the Engineer's Week Project competition at the University of Kentucky with his project entitled "Environmental and Economic Evaluation of an Alternative Sediment Basin Design: Computer Aided."

Troy is majoring in Agricultural Engineering. Troy, the son of Wendell and Linda Williams, graduated from Rockcastle County High School in 1985. Since that time he has attended EKU and is now enrolled at UK. Troy will complete his undergraduate degree requirements in May.

The project involved the use of computer simulation to model alternative sediment basin designs. Sediment basins are used to control soil loss from stripmine and construction sites. Runoff water entering these ponds is retained for a period of time to permit the suspended soil particles to settle to the bottom of the pond. Troy investigated a new method of removing water from the pond resulting in more efficient and lower cost designs.

Students from all departments in the College of Engineering were invited to submit projects for the competition. The competition is held each year during the Engineer's week "Open House." This year's activities took place Feb. 24 in Anderson Hall and the Center for Robotics and Manufacturing Systems on the UK campus.

Troy Williams

Some of the other projects entered in the competition included a coal gasification pilot plant study and a computer program to optimize aggregate distributions in concrete. Engineers from local industries and consulting firms judged the competition. Troy received a second place award of \$75 for his effort.

The time has come for a new kind of full-size luxury.

RCHS Minute

Report Cards

Now that Spring Break is over and everything is getting back to normal. (Cont'd to A-12)

Reported child abuse cases up in county for 1989 to 166

In 1989, child protection workers with the Rockcastle County Office of the Kentucky Department for Social Services investigated 166 cases of reported abuse and/or neglect of children -- an increase from the 160 reports filed in the community in 1988. Of those 166 Rockcastle County cases, investigators substantiated more than 50 incidents of child abuse or neglect. April is Child Abuse Prevention Month in Kentucky, and Social Services staff in Rockcastle County hope to use the occasion to accomplish

two tasks: first, to keep the public aware of the importance of assistance to an abusive or neglectful home, and second, to better inform Rockcastle Countians on the types of help which the department is able to provide in their community.

"When we become involved with a child abuse or neglect situation, our first efforts are to protect the child and, if possible, to do while maintaining the family intact," said Mike Bryant, Family Services Office Supervisor.

(Cont. to A8)

Tiger Pause

If you missed our "Spring Thing!" on March 29, you really missed something. Our students did an outstanding job with their performances. It's always so thrilling to see them on stage; that energy is something else! Their teachers worked hard to make this happen and they did so well. We appreciate the ones that supported this program; we had over 350 parents, grandparents, etc. We want to take this opportunity to thank our great cooks for volunteering their help with our soup-bean supper. These ladies believe in getting involved and we're so appreciative.

The Alumni Banquet is this Saturday, April 14, at 7 p.m. We hope you will be able to join us in this annual event.

We will be hosting all the elementary schools today (Thursday) for grades 4-8 with a presentation of "MacBeth" presented by Lexington actors. We and Roundstone will see the play at 9 a.m.; Livingston and Mt. Vernon will watch it at 1 p.m. On Tuesday, April 17, at 1:30 we will see "Sleeping Beauty" by the Vagabond Puppets. PTA is helping us sponsor this, admission will be fifty cents. Tonight's (Thursday) PTA meeting is cancelled. Our next meeting will be on May 10. Rep. Danny Ford will discuss the new school reform. This week we are featuring our Chapter I teachers. These ladies assist the regular classroom teachers in grades 1-6 in the areas of math and reading. Mrs. Rita Shaffer, our newest teacher, has just begun in Chapter I this year. She also teaches kindergarten on alternating days and received her B.S. from EKU. Mrs. Bobbie Durham teaches Chapter I math and has her B.S., Rank II, from EKU. Mrs. Kathryn Payne, our who teaches math in grades 2-6, has her Rank I from EKU. Mrs. June Taylor teaches both reading and math; she has her B.S. from EKU, also. We appreciate the extra support these teachers provide for our students. We are pleased to join in the celebration of Chapter I week!

Chapter I teachers from BES are, from left: Rita Shaffer, Bobbie Durham, Kathryn Payne and June Taylor.

Births and Birthdays

Mrs. Christine Brown celebrated her birthday Feb. 24 at her home with a surprise party given by her children. Those to help celebrate were Clinton and Joann Brown, Robert Brown, Bonnie and Richard Lawrence, Clotis, Rose and Matthew Brown, Billy, Donna and Shawn Brown, Gary and Doris and Leigh Ann Caldwell, Ruby Thompson, Brenda, Heather and Troy Wilson, Rickey and Keena Lawrence. We wish her many more Happy Birthdays.

Mrs. Lila Jane Woodall, wife of the late George Woodall, celebrated her ninety second birthday Saturday, March 22nd with her family and friends with nice luncheon at her home where she received many nice gifts. Hope we can have another birthday with her next year. Love you aunt Lila, Jean Wilmont

Lordy, Lordy!
Look who turned 43?
Love,
Mom and kids

Miss Leigh Ann Caldwell celebrated her 3rd birthday Saturday March 24, 1990 with a party at her home. Those to help celebrate were: mommy and daddy, Grandma Brown, mama and papaw Caldwell, Carole, Harold, Dana and J.C. Harris, Bonnie Lawrence, Rickey, Debbie, Keena Lawrence, Donna and Shawn Brown, Debbie Suzanne and Colby Brown, Ben and April Cromer, Darryle, Jennifer, Jeremy and Jenni Beth Neely, Donnie Cherie, Sherman and Delilah Collins. Many nice gifts were received and everyone enjoyed cake and ice cream. Leigh Ann wishes to say thank you to everyone.

Christopher Edward Decker, son of Machele Decker, will celebrate his first birthday April 13th. He is the grandson of Eddie and Sherry Decker, great-grandson of Lucille and the late Delbert Stewart, Sheby and the late Elmer Decker and Bert and Marie Gentry. Great-great grandson of Elizabeth Dalton and Jimmy Decker.

William and Geraldine Thomas of Livingston wish to announce the birth of their daughter, born March 19, 1990 at Humana Hospital in Somerset. She was named Courtney Leeann Thomas and weighed 6 lbs. 7 ozs. She was welcomed home by onesister, one brother-in-law and five brothers. Proud grandparents are Emmett and Wilma Thomas of Livingston and the late Nellie King of Livingston, also grandparent and step-grandparent, Burgess and Charlotte King of Brodhead.

Brandon Michael Durham celebrated his 2nd birthday, March 17, with a Duck Tales Party. Those present were: Jennifer, Joseph and Jacob Wallin of Georgetown; Chantel Leger of Lexington; Chad Francisco of Livingston, Tara and Kayla Barnett, Stacy Wilder of Mt. Vernon; Derrick Hensley, Krystal Carpenter and Bridgette Lear of Orlando and family and friends. He thanks everyone for the nice gifts and money. Brandon is the son of Earl and Sandy Durham of Orlando. His grandparents are Joyce Wilder of Mt. Vernon and Charles Miller of Bethany, Ohio and Ollie and Martha Durham of Orlando. His great grandmother is Dona Shepherd of Mt. Vernon.

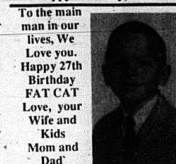

Guess who's
42?
Happy Birthday Mom

Tommy and Eilan Wright are proud to announce the birth of their first child, a son, Bradley Wade Wright. He was born Mar. 14 at Pattie A. Clay in Richmond. He weighed 7 lbs. 7 ozs., and was 21 inches long. Maternal grandparents are Robert and Lillian Ramsey Sr. of Mt. Vernon. Paternal grandparents are Ruth Wright of Berea and David Wright Jr. of Richmond.

We remember this sweet blonde boy at age three... But now he's turned fifteen.
Happy Birthday, Sean

To the main man in our lives, We Love you. Happy 27th Birthday FAT CAT Love, your Wife and Kids Mom and Dad

Around Brodhead

By: Mary McWhorter

Melvin Harrison and David Brock visited Homer Jones Sunday evening, April 1st, at the Berea Hospital.

Mary Harper and Leon McClure were Sunday afternoon visitors of Willie and Mabel Taylor.

Recent visitors of Fannie B. Albright were Clarence and Lucille Majors of Florence; Tina Riley, Mae Doan, Kathy Houk and Deloris Albright.

Mr. and Mrs. George Adams, Violet Cash and Donna Lynn were in Lexington Thursday for a visit with Jerry Adams and also visited Mr. and Mrs. Bruce Sargent, Danny Bruce and Dennis in Berea.

Monday visitors of Mr. and Mrs. George Adams were James and Deje Maynas of Hamilton, Ohio and Doug Adafis.

Mr. and Mrs. George Adams, Violet Cash and Donna Lynn were in Lexington Thursday for a visit with Jerry Adams and also visited Mr. and Mrs. Bruce Sargent, Danny Bruce and Dennis in Berea.

Mr. and Mrs. George Adams, Mr. and Mrs. Don Cash and Donna Lynn were visitors over the weekend with Mrs. Lillian Gall in Reading, Ohio and Mr. and Mrs. Jim Gallagher of Wyoming, Ohio.

Mrs. Mae Doan visited Mrs. Bertha Adams one day last week.

Mrs. Elizabeth Owens was a Sunday afternoon visitor of Mrs. Bertha Adams.

Mrs. Carolyn McKinney was a Friday guest of her mother Mrs. Bertha Adams.

Bertha Adams reports that around eight of the members of the Brodhead Baptist Church attended the Association Meeting at Livingston Baptist Church this past Friday evening.

Mrs. Geneva Farris of West Chester, Ohio spent a week with her sister Mary Bussell, Dee and family.

Dee and Mary Bussell had a big surprise given by their children at the home of Teresa and Roger Shaffner and daughters Brittany and Ashley

for their fortieth wedding anniversary. Others attending were Rick and Cindy Bussell and children Kristy, Ashley and Ricky D., Jim, Nancy, Angie Ainsley, J.D. and Derrick, Ricky, Mary Ann, Rachal and Monica Childress, Barry Bussell, Jack and Annette Bussell, Ruth Bussell, Janet Hampton, Brenda Hayes, Eric McKinney and Geneva Farris. Everyone enjoyed the occasion very much and we hope they have many more years together. I love Mary and Dee very much.

Mrs. Nora Perry and husband Harold of Lexington were recent visitors of Harold's father Roy Hubbard and wife Esther.

Bob and Linda Clark of Lebanon, Ohio visited her mother Mrs. Esther Hubbard and husband Roy Sunday. Linda attended church with her mother.

Mrs. Esther Hubbard says her son Norman Lewis of Union Lake, Michigan is now enjoying Renfro Valley music on Sunday morning. He accidentally got it on the radio while looking for something else and is really enjoying it. He used to travel with Jimmy Skinner.

Bill and Opal Houston of Morrow, Ohio were visitors of Maggie, Audrey, Charles and Judy Fletcher Saturday afternoon.

Mrs. Judy Walker of Fairfield, Ohio spent from Friday to Sunday with her mother and sister, Mrs. Maggie Fletcher and Audrey and also visited Charles and Patsy Fleicher and Mae Doan awhile Saturday night and Walter at the nursing home. Walter is some improved at this writing.

Miss Kendra Faye Bussell spent Monday night with her grandparents, Mr. and Mrs. Joe Bussell.

Mr. and Mrs. Joe Bussell attended the funeral of Bill Gregory in Somers, grandnephew of Christina, Jamie and Judson Gregory.

Poet's Corner

Help Us Celebrate

By: John Holbrook

On March 21 she was eighty nine and she'll tell you she's feeling fine.

There was lots of times she had it rough
So I've concluded she must be tough.

Raising nine children was quite a trip
not to mention two broken hips.

Very soon she'll have hoo in hand
Doing all she can to til her land.

She confesses she not at her best
And has to sit down quite often just to rest.

She always wants a job well done
So working for her may not be fun.

Many folks she has given flowers to
She regrets it, if she missed you.

She can't see real well, I got the hint
If you have time, call or stop a while.

She likes to laugh and likes to smile
If you have time, call or stop a while.

We as a family have set aside a day
So you can come by and say, hey

This affair is at the Family Life Center
And it's down under the hill that you enter.

We hope to see you on April one four (14)
There will be someone to greet you at the door.

At 1:30 p.m. it is to begin
And at 4:30 we bring it to an end.

So come ye one, come ye all
And we will try our best to have a ball.

In the Shadows
By: Willa Jo Roberts

I stood in the shadows
And watched Him go.
His face so weary,
His steps so slow.

I stood in the shadows
And whispered His name.
I did not run to Him,
How can I live with this shame?

I stood in the shadows
And saw the thorns placed upon His head.
How can I live with the thought
It should have been me instead?

I stood in the shadows
And felt the presence of Love Divine
As He died on the Cross
For this life of mine.

Trash
By: John Holbrook

One more time I'm going to hash
Rockcastle County's problem with
garbage and trash.

Garbage and trash are all the same
Except the spelling of the name.

If you don't believe there's a problem,
take a ride,
You see it strewn all over the
country side.

As much trash as there is all around
(Cont. to A10)

WE MAKE FARMING MORE PROFITABLE

Reported child abuse cases on the increase...

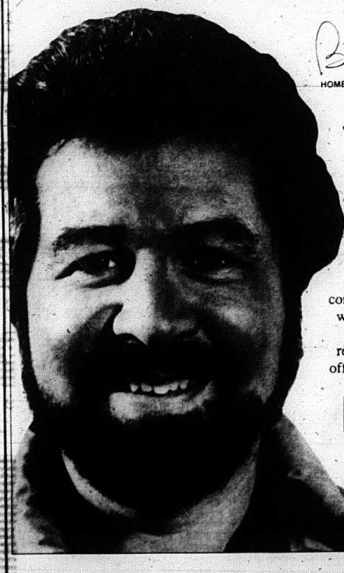

(Cont. from A5)

"Our 'family-based services' approach allows removal of the child if that is necessary," Bryant said. "However, we also have at our disposal other services, such as protective-day care, parent education, counseling and referral to other agencies with very specific family assistance services."

"Not every situation can be resolved with the child remaining in the home," he said, "but we know that, if the help can involve the whole family working together on the problem, it is usually less traumatic than removing the child from his or her natural surroundings and other family members."

Social Services Commissioner Larry Michalczuk (mih-HALL-check) said, "With 24-hour days and intensive child-client needs often facing our social workers, the assistance of the public is crucial. People make a positive difference by reporting suspected child abuse and enabling a family in trouble to get help."

"The heat pump does it all - heats, cools and saves."

Bob Vin
HOME IMPROVEMENT EXPERT

The flameless electric heat pump will keep you comfortable all year 'round.

It's the only all-in-one cooling and heating system. In the summer, it gives you whole-house central air conditioning. In the winter, it heats your home very efficiently.

For clean, safe, efficient comfort, the electric heat pump is the wise choice. To find out more, contact a customer service representative at your local KU office.

Here's Hope.
Jesus cares for you.

Mrs. Gene Senter is on the sick list. We wish her a speedy recovery.

at the Fairview Baptist Church over the weekend. Sunday School attendance was one hundred and thirty three. It is such a blessing to be able to be in the Lord's House on the Lord's Day. There we meet and fellowship with our brothers and sisters in Christ and friends and neighbors whom we have known and loved for many years.

Very often I hear our elderly people say "I have gone to church most of my life, but now I'm not able to go anymore. But God understands, so we shouldn't worry about it. We have a very loving Father who knows all things. He knows what we can do and what we can't do, and what we would like to do if we were able to do it. So let's all keep on trusting, keep on loving and keep on praying. And always let's remember our elderly people when we pray, they are so dear to us."

To those who have lost loved ones recently, we'd like to say, "You have our sympathy, our love and our

Band Boosters

Rockcastle Co. Band Boosters will meet April 16 at the Rockcastle Co. High School band room at 6:30. All parents urged to attend.

Brodhead Homecoming
There will be a meeting for the Brodhead Homecoming on Mon., April 16 at 7:30 p.m. at the Brodhead firehouse. Everyone is welcome.

prayers."

Mrs. Mary Cope recently spent a few days in the Berea Hospital, but thank the good Lord she is now home and improving nicely.

Enjoying a very pleasant day in Pleasanton, Tenn. last Thursday were Cleus Peters of Fairview, daughter Beverly Brock and her two children Brian and Tara of Paint Lick, and Mike Peters, son of Mr. and Mrs. Cleus Peters, all of Fairview.

A birthday dinner was given Sunday, April 8 in honor of Tip Reppert at his home on Scaffold Lane. His birthday was Saturday April 7 but they chose to celebrate on Sunday. His family were all present for this event, Florence (his wife) and daughter Melody, and sons and families Mr. and Mrs. Ronnie Reppert and son Ronnie Dale of Conway and Mr. and Mrs. Lennie Reppert and daughter Allis of Berea. He received nice gifts, cards and phone calls. All in all it was an enjoyable day. So to my brother I'd like to say congratulations. May the good Lord continue to bless you with many more years of good health and happiness and I love you.

Mr. and Mrs. William Cope of Dayton, Ohio spent a few days here recently with his mother Mrs. Mary Cope. Other guests have been her daughter Mrs. Frankie Hayes and Mrs. Hayes' daughter Brenda Hall and children of Winchester.

Mrs. Eugene Alexander and daughter Jewell Davidson visited Mrs. Charlene Hall in a Lexington hospital last Thursday. Mrs. Hall came home on Saturday. Charlene has many friends who love her and hope she will be in better health soon. Bless her heart she has suffered so much.

Visit Mrs. Edith Mullins of Snider and other relatives over the weekend from Franklin, Ohio were Mr. and Mrs. Virgie Tinch and his brother-Russell Tinch; and Mrs. Becky (Tinch) Wright and children Lora and Todd. We all enjoyed seeing them at church.

Others visiting Mrs. Mullins on Sunday afternoon were Mrs. Elva Mullins of Snider and her son Darryl Mullins and children of Berea.

Visiting at the home of Mr. and Mrs. Eugene Alexander and Kenny recently have been Mr. and Mrs. J.T. Gadd, Larry Alexander and two sons and Allen Alexander, all of in and around Berea.

Mr. and Mrs. R.J. Ridgell and Sherry visited his parents Mr. and Mrs. Elmer Ridgell of Corbin on Sunday.

Recent visitors in our home have been Wayne and Carolyn Chasteen, Berea; Joyce Seals and Kim of Paint Lick, Tip Reppert of Scaffold Lane, Jackie Alexander of Madison, Ind. and Darryl and Kristie Christian of Berea. We always enjoy having guests in our home.

Well to each one of you who reads this (both far and near) may the good Lord smile upon you and give you peace, good health and happiness.

"Poet's Corner"
(Cont. from A8)

Some folks think it made for the ground.

It's in the ditches, it's in the fields
Stoves, refrigerators, water heaters,
bed springs, over the hills.

There's pop bottles, cigarette butts,
and candy wrappers
Old clothing, shoes and flip floppers

And there's dead animals great and small
Just look a little further you'll find it all

We all stop at a fast food place
And get us something to feed our face

Some don't want to mess up their car.
So they start throwing before going far.

Other's save their trash till they have finished lunch
Then throw it out in one big bunch.

Doing it right may not be fun
But it's a good example for the little one.

When they become a man or woman
Then for their trash they will have a good plan.

When everyone, for Rockcastle County, is filled with pride
Trash will not be seen all over the country side.

The county cannot be kept clean by only a few
So I am appealing to each of you.
Save the trash at home and in your car
There is a place for it and it's not that far.

"Rockcastle Co. is beautiful" the tourist will shout.
Because they will not see any trash lying about.

Try to be in Sunday School and church every time you can. Pray for one another, especially the unsaved and live and be good to little children. All we Christians need to live a good life everyday. Let's be a good example for our young people because someone may be patterning their life after us, so let's lead them down the straight path to Jesus. God bless you.

Check it out in our Classifieds!

A Big Thanks for A Job Well Done!

A special "Thank You" is due the citizens who participated in the garage clean-up of the Johnetta Road on Saturday, April 7, 1990. This improved the appearance of the roadside tremendously.

The people participating were: Laura Owens, Owen and Martha

Allen, Wayne Allen, Berkeley and Sheila Allen, Eddie Miller, Mike and Vicky Miller and children, Steve and Judy Anglin, Donald and Rena Anglin, Thelma Ballinger, Lula Mac Anderson, James and Delina Bowles and children.

THANKS AGAIN!!!

On Monday, April 2, Cub Scout pack 263 held the Pinewood Derby race at First Christian Church in Mt. Vernon. Those participating in the race were: Justin Thomas, Anthony Reams, Eric Denney, John McClure, Timothy Tyler, Jason Bullock, Nathaniel Bullock, Mark Proctor, Jason Proctor and Alex Tyler.

Pinewood Derby Winners were Anthony Reams, first place; Alex Tyler, second place; and John McClure, third place.

School board okays greenhouse at RCHS

Most teachers rehired for 90-91 school year

By: Richard Anderkin

In an effort to provide a better variety of classes to the student body at the Rockcastle County High School, a new horticulture class will be offered next Fall.

RCHS agriculture teacher Roy Reynolds told board members last week during their regular monthly meeting that less students were taking the agricultural classes and that a new class, horticulture, needed to be introduced. To do so a greenhouse must be built on school grounds.

The board approved the greenhouse which will be constructed behind the high school, near the agriculture department. Reynolds told board members and Superintendent Bigge Towery Jr., that staff members of the University of Kentucky Horticulture Department had been to RCHS to help them find the best spot for the greenhouse.

Towery told board members that not only would the greenhouse enable the high school to offer horticulture, but it would also be a useful tool for the biology and science departments at the school. Towery said that

two horticultural classes will be offered this Fall.

Superintendent Towery also recommended the re-employment of certified personnel for the 1990-91 school. Towery recommended that the majority of personnel be re-hired with the exception of Kenwood Abney, Shannon Bales, Brenda Ballinger, Chyestelle Beaver, Regina Bell, Lois Renee Burdett, Lucille Carloffis, Rebecca Fain, Lisa Johnson, Janice Miller, Karen Powell, Michael Roark, Terry Slover, Susan VanWinkle, James Ward and Cheryl Yocum.

The superintendent explained that most of the personnel not reemployed were first year teachers and that most of them would indeed have a job this Fall. Towery said that there were some that would not be re-hired as well.

Before the board will hire a replacement for former RCHS girl's coach Judy Bullock, a survey of the staff will be conducted to see who might be interested in the head coaching position at the high school. That motion came after a recommendation by Towery, who said, he felt

there were qualified people in the system that may be interested in the job. If no one is interested or if they are not qualified, the board will then advertise the job.

Bullock resigned at the end of this season. Her teams did not post a winning season during her tenure.

Before work crews can demolish the old Mt. Vernon Elementary school this summer, all of the asbestos must be removed. Towery told the board that the Environmental Protection Agency had informed the school system that the asbestos must be removed before the school is demolished. "It is ridiculous that we have to do this," Towery said, "but there is no way around it," he said.

Hibbit Brothers from London got the low bid of \$36,053 on the asbestos removal, but Towery said this week that he did not think that Hibbit was going to honor their bid. "They said they transposed figures and the bid should have read \$63,000 instead of \$36,000," Towery said. The next lowest bid was \$74,000. If they don't take the bid they will have to forfeit an \$1,800 bid bond. Some asbestos must also be removed from the central office.

In other business the board voted to approve G.E.D. Certificates for

Timothy Benge, Richard E. Bullock, Donna J. Cromer, Sherry L. Decker, Lois A. Dess, Chris S. Estes, Lewis J. Estes, Carol A. Harris, Danny L. Hicks and Debra K. Kendrick.

Melanie Lyons was also hired as a substitute teacher and John and Janet Walls resigned as academic coaches at RCHS.

Chamber Meeting

Cont. from Front

sponsored by the chamber for students in county elementary schools. Under the plan students will collect trash and take it to Kentucky Stone in Mt. Vernon where it will be weighed and credited to that particular class. Prizes will be awarded for most trash collected.

Some of those who attended the meeting were told that work is progressing well on the new 1,500 seat auditorium at Renfro as well as other buildings in what is to be Renfro Village.

It was announced that the Miss Rockcastle beauty pageant will be

held this year in the new auditorium on June 11, sponsored by the chamber.

This year the pageant will be limited to 18 contestants. Contestants must be between 17 and 25 years old, single and a resident of Rockcastle County.

The chamber members will not be the only local persons who will get acquainted with Renfro folks. Letters went out Monday to various businesses in the area inviting owners and employees to coffee and pastries at The Lodge beginning at 9:30 a.m. Thursday (today).

"RCHS Minute"

(Con't from A-5)

It is time once again for report cards, which will be given out Friday in homeroom.

"What Saith the Scriptures"

In Col. 3:18, we read, "Wives, submit yourselves unto your own husbands, as it is fit in the Lord." For a few moments, let's look at the wife's responsibilities in the home.

First, we see that she is to submit to her own husband. Now it did not say unto her mother's husband. Sometimes women still look to their father for guidance and direction when they should be looking to their husband. There is supposed to be a "leaving of father and mother" when a new home is established.

Subjection and submission of wives to their husbands does not make women inferior any more than does Christ's submission to God the father make him any less divine, 1 Cor. 11:3. There is a limitation to a woman's submission to her husband as Paul points out and that as it "is fit in the Lord." Peter describes the inward adorning that is essential to subjection, he called it "a meek and quiet spirit, which is in the sight of God of great price." 1 Pet. 3:4.

Now, in sharp contrast to this attitude, is the disposition of the adulterous woman in Proverbs 7:11, "She is loud and stubborn, her feet abide not in her house."

Another responsibility wives are supposed to have is found in Eph. 5:33b "And the wife see that she reverence her husband." She is to respect her husband for his place of authority in the home. She should look to his leadership as he guides the home.

Finally, we read in 1 Tim. 5:14, "I will therefore that the younger women marry bear children, guide the house, give none occasion to the adversary to speak reproachfully." Wives are to "guide the house" which suggests the idea of ruling the household, master of the house, management. She is the "domestic engineer" around the home. She shines the brightest in her abilities to cook, clean, sew, wash, change diapers, decorate, can, mending, and the endless amount of chores to be done around the home. Sometimes, people ask if my wife works, to which I always respond, "Yes, all the time." Many people degrade the vocation of homemaking but God gives her this responsibility. Someone may ask is it wrong for a woman to work a public job? The worthy women of Pr. 31 made money. Lydia was a seller of purple in Ac. 16. Priscilla helped her husband in tentmaking in Ac. 18, so making money is not wrong. Yet women have the responsibility of guiding the house and if she can work a public job and fulfill her responsibilities at home. I don't believe she would be wrong.

New Mt. Vernon Elementary almost completed

The new \$5,000,000 Mt. Vernon Elementary School will be ready for students when school starts back this fall. Tuesday, Danny Davis and Derek Martin were busy putting down the floor in the new 108x80 ft. gymnasium while other workers were putting the final touches on the central heating and cooling system. Each classroom is complete with two chalkboards and a restroom. The outside of the building is almost completed and the inside will be completed by the time school is out in May. At that time, furniture will be moved out of the old school and it will be torn down. (photos by Rick Anderkin)

RCHS girls softball win one, lose one

The Rockcastle County girl's softball team split a two game series Monday and now stand at 3 and 5 this year.

They were defeated 18-14 by host Somerset in the first game but came back in the second game to give Somerset a 3-1 whipping.

It was trouble on the mound that cost the Rockets in the first game. Head coach Debbie Cash went through the three pitchers while walking in 11 runs first inning.

It was senior Stephanie Northern that finally settled things down and went the duration of the first game and the second.

The Rockets had another big night with the sticks. They hit .510 as a team in the first game and .560 in the second game for an excellent combined total of .510 of course. Four batters did not hurt either. Kristy Sargent had two roundtrippers while Shonda Renner and Shanda Middle-

ton each had one. Coach Cash can definitely be pleased with the run output for her team. A .500 or better percentage from the plate is tremendous for any softball team and with that high of a percentage you can't do anything but score runs.

Seven players hit .500 or better with Cindy McCauley taking top honors with an outstanding .857 for the night. Shonda Renner, Christy Coleman and Karla Bullock all had a .666 nigma for a close second.

Some of the starting ten players put RBIs in the scorebook. Bullock had six during the two games to lead the Rockets and McCauley topped her outstanding night off with five of her own.

Tuesday's home game against Madison/Southern was cancelled due to rain but the Rockets will be back at Thursday (tonight) when they take on host Pulaski County at 4:30 p.m.

Bowling Report

The Sand Buggers have retained the lead in the Rockcastle Couples League at Maroon Lanes in Richmond and have an 82 and 41 record.

The Rockets are one game behind at 81 and 42 and Babe's Bunch is a distant third at 71 and 53.

The Jets took high team series for the week with a 2404. The Top Guns were second with a 2391 and the Misfits third at 2355.

The Top Guns took high team game with an 835. The Jets were second with an 831 and the Coasters third at 829.

Rick Anderkin took high men's series with a 590. Perry Noe was second with a 559, one pin better than James Noe who was third with a 558.

Anderkin also took high men's game with a 226. James Noe was second with a 221 and Jim Anderkin third with a 213.

Janice Bryant took high women's

series with a 588. Debbie Bugg was second with a 551 and Kim Daugherty third at 537.

Janice Bryant also took high women's game with a 213. Kim Daugherty was second with a 206 and Debbie Bugg third with a 196.

Jim Anderkin had high men's series handicap with a 632. Perry Noe was second with a 631 and Jack Lawless third at 626.

Jim Anderkin also took high men's game handicap with a 248. James Noe was second with a 239 and Spencer Benge third with a 235.

Janice Bryant had high women's game handicap with a 239. Jackie Cummins and Kim Daugherty tied for second with a 231 each and Shirley Cromer was third with a 230.

Janice Bryant also had high women's series handicap with a 669. Aslee Bray was second with a 625 and Debbie Bugg third at 617.

RCHS Track and Field team begins season Saturday at Clay County

The Rockcastle County High School track and field team, under head coach Tom Larkey, were scheduled to begin this year's track and field competition Tuesday but bad weather will force them to wait until Saturday, when they travel to Clay County.

According to Coach Larkey a track meet will not be just one school competing against another but in fact several schools will make the trip to compete in the events and each meet will have 16 events.

In the field events there are the high jump, long jump, triple jump (boys only) and the throwing of the shot and discus. Pole vaulting also falls within this category but like many schools Rockcastle has elected not to participate due to safety, expense and the amount of time needed to prepare for the event. The track events consist of the 100m, 200m, 400m, 800m (1/2 mi.), 1600m (1 mi.), 3200 (2 mi.), 100m hurdles, 300m hurdles, 400m relay, 800m relay (girls only) and the 1600m relay.

With this many events, you need a lot of athletes so Coach Larkey has put together a squad consisting of 18 boys and 17 girls to compete this year. Their photo will be featured in next week's issue of the Signal.

The Rockets are competing in Class AA, region 6, this year which is the largest region in the state and will compete in this year's regional, sectional and state finals at the University of Kentucky.

Region 6 consists of Anderson, Boyle, Cawood, Clay County, Corbin, Estill County, Franklin County, Jackson County, Madison County, Marion County, Mercer County, Middleboro, Rockcastle County and Western Hills.

Coach Larkey said that only two athletes can enter a single event from each school during the regionals,

which will start May 12. The top four will advance to the sectionals, held May 19, and will compete against the top four of region 8. He said that only two athletes from each event will have the honor of advancing from the sectionals to the state finals which begin May 26.

Since Rockcastle does not have a track, all track meets will be away this year.

Rockets baseball lose 10-0 to Laurel County

The Rockcastle County Rockets are finding this road to come by and resulting in men finding it hard to score.

The Rockets went on the road Monday where they got only two hits in their second loss this year to Laurel County, 10-0.

Although their hitting was not there, everything else looked good. "Old fielding was superb," head coach Ryan Riddle said, "we covered everything that was hit to us," he added. Junior pitcher Mike Spires was on the hill for the Rockets and went six and one-third innings with a good performance. "I was pleased with Spire's performance," Coach Riddle said. "He tired at the end but put in a good day for us."

Senior ace Mike Lopez was called on to get the final two outs of the game.

The Rockets are showing signs of improvement but Riddle is still emphasizing hitting so after Tuesday's rainout with Lincoln County, they were back in the batting cage. Overall the Rockets are hitting around .080 as a team and as long as they keep that stat, Riddle will have them in the batting cage.

Riddle did say that some players are hitting the ball solid and should come around shortly but that a lot of the players still need to stay with it.

Thursday night, April 19, at 7:30 p.m., the Rockcastle County Athletic Association will sponsor a "Gospel Gold Jubilee" featuring America's No. 1 award winning gospel quartet, "Gold City." At the 1989 Singing News Fans Awards, held during the National Quartet Convention in Nashville, Gold City walked away with nine awards in the 11 categories they were nominated in. The awards were: Group of the Year, Album of the Year, Video of the Year, Favorite Lead Singer, Ivan Parker, Favorite Tenor, Brian Free, Favorite Baritone, Mike Lefevre, Favorite Bass, Tim Riley, Favorite Young Artist, Brian Free, Favorite Male Singer, Ivan Parker.

"Gold City's first visit to Rockcastle County in September, 1988 drew 700 people from all over Kentucky and as far away as Georgia and Alabama.

Seating is limited for this concert, so be sure to get tickets early. Tickets are \$6 advance, \$7 at door. Tickets are available at Saylor Pharmacy in Mt. Vernon or call 256-2282.

"Gold City" to be at RCHS April 19

The Streetwise Kid wins at Keeneland

Hoyle Miller and Disputanta Farm picked up another win Saturday. The Streetwise Kid won the third race of the day. The Myrtlewood, a \$21,300 allowance race over a mile and a sixteenth.

The three-year-old son of Cojak covered the distance in 1:46 and 4/5.

The Raymond Ginter Jr., trained entry, gained the lead and the rail at once coming from the fourth position. In the backstretch the Kid lost the lead briefly to Cantabayrhill but Jockey Jack Neagle managed to pull out away at the end.

The Kid paid \$20.80, \$6.40 and

\$3.40. "We were very pleased with his performance," said owner Hoyle Miller. "He will probably run again before Keeneland closes," he said.

The Streetwise Kid won two races earlier in the year at Turfway race course in Florence.

Trainer Raymond Ginter Jr., and groom Arthur Bishop were all smiles last week as The Streetwise Kid won the third race at Keeneland last Saturday.

News from around the state

Lexington couple slain at dry cleaners Monday

A young Lexington couple were gunned down and their 2-year-old son was wounded as they were about to open a North Limestone Street dry cleaners Monday morning.

Edward Lee Earley, 25, and his wife Ernestine "Tina" Lynn Earley, 22, were shot about 7 a.m. in front of Earley Bird Dry Cleaners. Their son, Christopher, was shot once in the left foot while sitting on his mother's lap in their car's front passenger seat.

No arrests have been made. Lexington police Lt. Fran Root, who is leading the investigation, said detectives had several leads. He declined comment on a motive or two witnesses' descriptions of the shootings.

"We have obviously got some ideas and theories, but until we get some more evidence, I don't want to narrow things down," he said.

The child was in fair condition at Good Samaritan Hospital after undergoing surgery and will be released into the care of grandparents on Thursday.

When police arrived on the scene they found Eddie Earley lying on the pavement between the store and his car. His wife and son were in the passenger seat.

Police said the assailant apparently rammed into the driver's side of the Earleys' Chevrolet car, got out of his car and shot the couple several times and fled.

Gun falls, fires through trailer, killing 2-year-old

A 2-year-old Flemingsburg child died Saturday night after she was shot accidentally in the stomach, Fleming County officials said.

Kimberly Bragg, of Rt. 1, Hillsboro, died Saturday during surgery at Fleming County Hospital, Coroner Joe Denton said.

Kentucky State Police at Morehead said the child was shot about 7:30 p.m. when a 12-gauge shotgun fell and discharged outside her parents' trailer, 12 miles east of Flemingsburg on Royce Hollow Road.

The blast went into the trailer and struck the child. Her parents, Douglas Bragg and Peggy Smith, took her to the hospital, where she was pronounced dead at 12:45 p.m.

No charges have been filed. State police are investigating the shooting.

Tractor accident kills Boyle County famer

A 60-year-old Boyle County man died Saturday afternoon at the University of Kentucky Medical Center after being run over by a tractor, Fayette County Coroner Charles Dixon said.

Louis Shepherson of the Forkland community was working on a tractor about 2:30 p.m. when he either fell off the tractor or knocked the tractor out of gear and was run over by Dixon said.

Shepherson was pronounced dead at 7 p.m. Saturday at the U.K. Medical Center. An autopsy was being conducted to determine the cause of death, Dixon said.

One dead, one injured in auto-truck accident

A collision involving a car and truck Monday afternoon left a 33-year-old Johnson County woman dead and a Martin County woman hospitalized, state police said.

Parisia Ann Witten, of Van Lear, was pronounced dead on arrival at 3:35 p.m. at the Paul B. Hall Regional Medical Center in Paintsview by Johnson County Coroner J.R. Frnsby.

Brenda Fay Crum, 30, of Davella, was admitted to the Highlands Regional Medical Center in Prestonsburg, where she was listed in fair condition.

According to state police, Witten was driving north on Van Lear Road in Johnson County in a 1980 Mercury. Crum was driving in the opposite direction in a 1970 Chevrolet truck when she crossed into the path of Witten's car, striking it in the side. No charges were filed.

Lewis man guilty of killing eight-year-old

A mildly retarded Lewis County man who had been charged with murder in the shooting death of an 8-year-old girl has been convicted of a lesser charge.

Jurors deliberated 80 minutes Friday before finding Buck Issac Royster guilty of second-degree manslaughter. Royster, 25, of Shultz Fork Road near Quincy, was accused of shooting Amanda Bloomfield in the chest with a .410 gauge shotgun as she stood in his backyard March 2, 1989.

The jury recommended he be sentenced to seven years in prison. Lewis Circuit Judge James W. Lyon Sr. is scheduled to sentence Royster on April 19.

2 arrested after Mercer man is shot to death

Two Central Kentucky men were arrested on murder and kidnapping charges Saturday after the shooting death of a Mercer County man Friday night.

Michael Riley, 29, of Clay Lick Road in Lawrenceburg, and Jerry Young, 26, of Folkstone Drive in Lexington, were arrested early Saturday and placed in the Anderson County jail pending an arraignment, state police said.

Arnold D. Moore Jr., 32, of 1695 Bohon Road in Harrodsburg, was shot killed after an argument at a farm on Ky. 513, 2 1/2 miles south of Lawrenceburg in Anderson County, said state trooper Glenn Walton.

Riley and Young apparently got into an argument over some wood with Moore and Thompson Friday afternoon, but police said they did not know the exact nature.

"It's a trivial matter when compared to taking somebody else's life," Walton said.

Riley and Young left the farm and returned with a rifle about 7:40 p.m. Friday, Walton said. Riley then allegedly shot and killed Moore, police said.

Moore was a masonry contractor. He is survived by his wife, Flora Jean Moore and five children.

Morgan held over for Grand Jury

Cont. from Page A-1

told him two or three times not to do this."

County Attorney James H. Lambden asked Madden if Mrs. Rowe had

essentially told the same story as Madden.

Mt. Vernon City Detective Larry Thompson also testified to Mrs. Rowe's statement to him following the shooting, and Mt. Vernon Police Chief Joe Howard was called but did not add to the events following the shooting.

Rowe was elbowed out of the way by Clemmons when she tried to keep him away from Morgan.

Also testifying was Kevin Holt of Berea who was called to the stand by defense attorney Jerry Cox. Holt

Crab Orchard council will disconnect water customers

Crab Orchard has cut off water service to nine customers who were behind on their water bills and the city commission is threatening to cut off more.

The commissioners decided last week that anyone who has an overdue bill on April 21 will have their water service cut off on April 22.

"You can't keep going if you don't have any money coming in," said Mayor Marjorie Bunch of the decision to crack down on those who fail to pay their water bills.

She said the city has to buy the water and maintain the lines to get water to the customers and can't do so if people won't pay their bills.

The water bills carry the warning that bills paid after the 10th will incur a 5 percent late charge and customers whose bill remains unpaid after the 20th of each month will have service cut off.

Millard Harris, a city commissioner, said the city has been lax in enforcing its water bill collection policy in the past.

Customers who have service discontinued have to pay their bill in full and a \$25 reconnection fee before service can be restored.

Cleaning up the city, the subject of some discussion at the commission's March meeting, also was on the minds of the commissioners this month.

The mayor said she had received several complaints about a yard on Meadowlark Street that contained junk cars, a trailer, a boat and trucks.

Harris described the yard as "like a junkyard" and added there is one nearly as bad on his street, Elm Street.

Bunch said that as far as she knows, the city has an ordinance governing yards overgrown with weeds but has no law prohibiting junk yards.

She said she will seek the advice of the city's attorney James W. Williams on what, if anything, can be

Brown, who patrols the streets in his own car, is prohibited by state law from having a police radio in a privately owned vehicle. By leasing the car from Brown, the city can put "official" license tags on it and the police radio will be legal.

The city will continue to pay Brown a \$115 monthly expense allowance for operating the car.

Diabetes Education classes set for April 16th and 17th

The Kentucky Diabetes Control Program, in cooperation with the Rockcastle County Health Center, is planning a series of patient education classes. These classes will be Monday, April 16 and Tuesday, April 17. Each session will begin at 6:30 p.m. and end at 9 p.m.

These classes are free and open to the public. However, pre-registration is necessary. You must pre-register no later than Friday April 13. A door prize will be given away on the last day of the class.

For further information and to pre-register, please contact your local health center at 256-2242 or 256-5717.

Obituaries

Herrin

Mrs. Mable Herrin, 79, of Mt. Vernon, died April 5, 1990 at the Chandler Medical Center in Lexington.

Born in Mount Gilead, Ohio, Nov. 23, 1910, the daughter of Ed and Desse Albright Lamb. She was a self employed bookkeeper and a member of the First Christian Church of Mt. Vernon where she served as church secretary.

Survivors include a son, Ray Herrin of Mt. Vernon and a daughter, Mary Ann Randall of Lynn, Massachusetts; two brothers, Walter Lamb of Middletown, Ohio and Tony Lamb of North Vernon, Indiana; a sister, Christine Linthicum of Pickingway, Ohio, eight grandchildren and 13 great-grandchildren.

Services were conducted April 7th at Dowell and Martin Funeral Home with Bro. Eddie Hammond officiating. Burial was in the Providence Cemetery.

Palbearers were Donald Swishem, Eddie Thompson, Tim Moers, Noel Johnson and Joe Thompson, Mt.

Hensley of Mt. Vernon; two sisters, Mrs. Lottie Smith of Cincinnati, Ohio and Mrs. Myra Osborne of Mt. Vernon, and two grandchildren. He was preceded in death by his wife, Mrs. Christine Gentry Hensley.

Services were held April 11 at the Cox Funeral Home Chapel with Bro. Buford Kirkpatrick officiating. Burial was in Marebun Cemetery.

Palbearers were Junior Renner, Conley Wicker, Bruce Houk, Shawn Hamm, Dale Bray, and Darren Hensley.

Gadd

Casper Gadd, 72, of Rt. 5 Mt. Vernon, died April 3, 1990 in Pattie A. Clay Hospital, Richmond.

He was born in Rockcastle County, and was a retired carpenter and a member of the Holiness Church. In addition to his wife, Lizzie, he was survived by four sons, Billy Ray Gadd of Mt. Vernon and John L., Robert and Donald Gadd, all of Berea; two daughters, Betty Coffey and Rose Elam, both of Berea; two brothers, John and David Gadd, both of Mt. Vernon; three sisters, Sarah Gadd and Margaret Spier, both of Berea, and Ruth Adams of Coolidge, Ga.; 21 grandchildren and 17 great-grandchildren.

Services were held at Crestview Holy Sanctuary with Revs. Harold Deeds, Bill Rose, Charles Elam and Clyde Coffey officiating. Burial was in Scaffold Cane Cemetery. Lakes Funeral Home was in charge of arrangements.

Palbearers were Douglas Gadd, Jimmy W. Gadd, Ray Gadd, Kenneth

Gadd, Larry Coffey and Lewis Coffey. Honorary bearers were Bobby Gadd and Greg Elam.

Church Announcements

There will be a Gospel Meeting at Fairview Church of Christ April 15 - 20 at 7:30 p.m. with speaker Harold Carter.

There will be a Weekend Revival April 20-23 at Clear Creek Baptist Church beginning at 7:30 p.m. each evening. Evangelist will be Bro. Tim Hampton, Pastor Bro. Wayne Henson.

There will be a Weekend Revival at Evans Chapel Holiness Church with Larry McIntosh, April 13, 14 and 15th. Friday and Saturday night services will begin at 7 p.m. and Sunday at 6:30 p.m. Pastor Jasper Carpenter and church welcomes everyone.

There will be a Revival at Freedom Baptist Church beginning April 16 through 22nd at 7 p.m., each evening with Evangelist Gene Hanstford, Pastor Bro. Don Cummins and congregation invite everyone to attend.

Pastor Appreciation Day - The Reverend Roger Ballinger will be the man of the hour, when Conway Church of God observes Pastor Appreciation Sunday April 29th. Pastor Roger Ballinger has served the Conway Church of God since 1986. During his tenure, the congregation has tripled in size. The church has added two Sunday School rooms. Roger and his wife Wanda have two children, Brain and Tammi.

Gospel Singing

The Cumberland Mountain Boys will be singing at the Skages Creek Baptist Church Saturday night, April 14 at 7 p.m. Everyone is welcome.

There will be a singing at Rose Hill Baptist Church April 14th at 6:30 p.m., featuring singers "Joyful Noise". All singers welcome. Bro. Mosey Cameron and the church invites everyone.

There will be a singing at Sand Hill Baptist Church April 14th beginning at 7 p.m., featuring The High Top Singers and a group from Hazel Patch. Everyone is welcome.

Blood donors are "Quiet Heroes"

There are few of us who would hesitate to save the life of another human being if we were given a direct and obvious opportunity to do so. We've all had visions of ourselves facing a burning building to save a small child or rescuing a car crash victim from the wreckage which binds him. However, heroism isn't always displayed in the midst of flashing lights and sirens, there is another act we can perform to save a life - Donating Blood. It's a quiet, simple act of heroism that gives life and new hope to those who desperately need. You may never know the name of the patient who receives your donation but real heroes no praise just the quiet knowledge that they made a difference.

Central Kentucky Blood Center urges you to be a quiet hero by donating blood at the Rockcastle County blood drive on Tuesday, April 17th, from 12 noon to 7 p.m. at Agricultural Services Center. For more information about this drive, please contact Cheryl Winkler at 256-2403. As a special thank you from the Bank of Mt. Vernon, all donors will be eligible for a random drawing for a \$50 savings bond.

"On named coordinator" (Cont' from B-11) programs of this internationally recognized hospital.

We sincerely appreciate the concern that Diane Ott has for our work to help children like Ellen Marie, and we hope the citizens of Brodhead will support the Bike-A-Thon this spring to help provide the funds needed to preserve the world's greatest asset... our children.

Hensley

Frank Hensley, 78, of Mt. Vernon, died April 8, 1990 at Brithaven Nursing Home of Somerset after a long illness.

He was born on Feb. 11, 1912 in Harlan County, the son of the late James and Betsy Ann Lee Hensley. He was a retired trucker and farmer, and was a veteran of World War II.

Survivors are two sons, Charles Hensley of Tucson, Ariz., and Frankie

About Rockcastle Countians

Barbara Bustle to wed Shelly Mullins Jr.

Mr. and Mrs. Carl Coffey of Mt. Vernon would like to announce the engagement and forthcoming marriage of their daughter Barbara Kay Bustle to Shelly Lee Mullins Jr. son of Linda Bradley of Lexington and Shelly Lee Mullins Sr. of Climax. The wedding will be an event of April 21, 1990 at the First Baptist Church in Mt. Vernon at 1 p.m. All friends and relatives are invited to attend. No invitations are being sent.

Carpenter to wed Northern

Alfred and Audrey Carpenter of Rt. 1 Orlando, announce the engagement and forthcoming marriage of their daughter, Jennifer Lynn Carpenter to Johnny Ray Northern, son of Charles and Beincil Lynn Carpenter of Clear Creek. Miss Carpenter is employed by A.C.S. at Berea. Mr. Northern is employed by I-75 Chevron, Mt. Vernon. The wedding will be an event of May 5, 1990, at 3 p.m. at the Livingston Pentecostal Church, Livingston. All friends and relatives are invited to attend.

Lisa Rader to wed Timothy Durham

Ms. Barbara H. Rader of Orlando and Emanuel V. Rader of Lexington would like to announce the forthcoming marriage of their daughter, Miss Lisa Gail to Timothy Dwayne Durham, son of Mrs. Alma England of Orlando and Frank Durham of Orlando. The wedding will take place on May 5th at 2 o'clock at Brush Creek Holiness Church. All friends and relatives of the couple are invited to attend.

Mrs. Florence Albright is shown here with her three daughters on the occasion of her 91st birthday celebration. From left are: Verla Casey of Louisville, Lucille Ponder, Mrs. Albright and Alice Cupp all of Brodhead.

Birthday celebration

Mrs. May Holbrook will celebrate her 89th birthday on Saturday, April 14th at the Family Life Center from 1:30 - 4:30 p.m. All friends and relatives are invited to come share in this celebration.

Mrs. Albright honored on 91st birthday

The family and friends of Mrs. Florence Albright met with her Saturday, Apr. 7 in the community room at the Rockcastle County Library to help her celebrate her 91st birthday.

Those present were: Verla and Charles Casey, Danny, Barbara, Bethany and April Casey, Karen and Sean Lucas, Alice and Charlie Cupp, Janice Baker, Larry Lowry, Tammy Baker and Danicle Davidson, Johnny and Linda Cupp, Erin and David, Juretta Rhodes, Lori and Cora, Todd Smally, Jeff, Cheryl, Sarah and Brian Cupp, Elmer and Lucille Ponder, Deborah Phitbeck and Jennifer Rogers, Phyllis Reynolds, Roxanne, Jamie and Rhonda, Judy Owens, Rusty and Jeremy, Thelma Bullock, Tana and Donna, Linda Reynolds, Joey and Emily, Clarence and Lucille Major, Glen and Vaunetta Major, Betty Stevens, Mory and Brian Bullock, Louise Ping, Rhonda and Mandy Grigsby, Cathy Campbell, Ruth Ray, Lorraine and Cassandra Florence, Ola Phelps, Alyne and Philip Davis, Verla Brown, Carolyn Brown.

Her family and friends wish her many more happy and healthy birthdays. We really had an enjoyable day.

KET airs Easter Concert

World-renowned soprano Dame Kiri Te Kanawa joins the 320 members of the Mormon Tabernacle Choir and the Utah Symphony conducted by Julius Ruel for an Easter concert airing on KET at 4 p.m. Sunday, April 15.

The Mormon Tabernacle Choir: An Easter Gift of Music was taped during a live concert in the Mormon Tabernacle on Temple Square in Salt Lake City. The program includes sacred, operatic, and theater selections chosen to appeal to a broad audience of music lovers.

Reception to honor Mrs. Cummins

A reception will be held at 11 a.m. Friday at Sowder Nursing Home in Brodhead to honor Mrs. Sally Cummins on the occasion of her 100th birthday. Friends of Mrs. Cummins are invited to attend.

Card of Thanks

The families of George W. Mullins would like to thank Dr. Michael and Jan Gutierrez and staff, Dr. George Griffith, the Rockcastle Hospital and staff, Cox Funeral Home, the pallbearers, Brothers Zade McClure and Jackie Renner and Kiehl, Doris and Donnie Sowler for their beautiful hymns. To all of you that visited at the hospital or in our homes, a grateful thanks. Also a special thanks for the many prayers, flowers, cards, calls, food and to those of you that helped in any way - we deeply appreciate your love, friendship and kindness in the death of our beloved daddy.

Card of Thanks

The family of Charlie Carmack would like to express our sincere thanks to each and everyone who helped during his illness and death. Thanks, also, for all of the food, cards, and beautiful flowers that were sent. A special thanks to the Brothhead Senior Citizens who were such good friends to our father and grandfather during the last few years. We wish to thank Watson's Funeral Home and Brother Randall Adams for their services.

Sadly missed by, Daughters, grandchildren, friends and neighbors.

Card of Thanks

The family of Johnnie Blackburn would like to thank Gary McGuire, the Rockcastle Ambulance Service, Rockcastle Hospital staff, Cox Funeral Home, and Cox Florist. A special thanks to everyone that brought food, sent flowers, gave money or even just came by; the singers and Brother Billy Hammond for his comforting words.

Elmwood Cemetery Report

This is a 10 Year Report on Elmwood Cemetery Perpetual Care Corporation.

On April 28, 1980, Mrs. W.H. Cox, then Secretary of Cemetery Association resigned her post and turned the books over to a new group. Mr. Wm. Landrum was the only one that had worked with the previous association. On August 14, 1981, the membership met and voted to incorporate and acquire Federal Tax Exempt Status. At this point, the Association had approximately \$4,000.

Early in 1982, a letter was drafted and mailed to approximately 300 people. This drive was fruitful. By this time, the officers were upgrading the cemetery. The appearance improved each year, our Memorial Day collections increased, and so did our net worth.

In 1986, the Directors voted to seek a Trust Contract with a bank for an account from which only interest could be drawn out and used for the cemetery upkeep.

At this time, we set a goal of \$100,000. For the trust in 1987, such a contract was negotiated with a bank in Liberty, Kentucky.

Our starting deposit was \$82,000. Since that time, interest and money collected have increased that amount to meet our goal in 1989 of \$100,000. We have been told by several people that their estate will make a donation for them when they are gone. The board thanks them for this consideration, and we will continue to accept donations.

The directors considered future improvements and hope to be able to do some each year. Those under consideration are black-top drives, reset stones, and trim trees. There have been other requests such as a fence around the cemetery with gates to be closed at night and lighting to stop parking and beer drinking. Some of the improvements will require funding above our estimated income from the trust fund.

This report would be incomplete

without a word about our directors, Wm. G. Landrum, our oldest, served with the association 30 years and with the Corporation 35 years, director emeritus since 1987. Robert L. (Bud) Cox, Bill Dowell, Henry Cox have served since April 1980. At our last meeting Bud Cox resigned in order to spend more time in his work with Rockcastle County Rescue Squad, assistant chief of the Mt. Vernon Volunteer Fire Department and Director of Housing for the Aged.

Sam Ford, director for six years helped with secretary and treasury. Shared his office with the Corporation for resigning was that he needed more time for Ford Business. Clayton Ponder served five years as director. He spent many hours in the cemetery helping with maintenance. Clayton's reason for resigning was poor health. Ralph Sigmon served as director for five years. He resigned as voting director in 1988 because of a possible conflict of interest. Lewis Nicely served as a director four years, and Ed Hunt has served three years.

Kelly Roaden, Paula Mink and Jean Allen have served three years or more as secretary and treasurer. Treasurer acted as finance officers and were bonded.

Many others have helped in many ways - to name some, Clontz and Cox (Attorneys), Gregory Mullins (Potter and Co.) McNew Monument Company, the Signal, Berea and Mt. Vernon V.F.W., Stephen Owens, Danny Ford, Clarence Carter, Russell Robbins, Herbert Coffey, E.H. Hale, Irene Bales also shared her office for contacts and collections.

The most important group in our corporation is the donors. They have been many and generous. Without them, there would have been no 10 year report.

The directors want to express their thanks and appreciation to all who have added in any way to improve Elmwood cemetery and create a \$100,000 trust for future care.

Mt. Vernon News By: Mrs. George Burton

Shirley Burton and Mildred Hunt were in Somerset last Tuesday.

Visitors of Mr. and Mrs. C.S. McKinney Friday were Mrs. Lavada Graves and her daughter-in-law Mrs. Stanley Graves.

Mr. and Mrs. Glen Vaught of Woodstock visited Mr. and Mrs. C.S. McKinney Thursday night.

Mrs. Sharon Lovins and grand-daughter Jamie visited her parents Mr. and Mrs. C.S. McKinney Saturday. Mark McKinney also visited Mr. and Mrs. C.S. McKinney Saturday.

Jack Lovins and girlfriend Sandy visited his grandparents Mr. and Mrs. C.S. McKinney Sunday night. Jack is recovering from a motorcycle wreck.

Mr. and Mrs. C.S. McKinney visited their daughter, Mr. and Mrs. Joe Lovins and family Sunday. They also visited Mrs. Geneva Cromer.

Recent visitors of Mr. and Mrs. James McClure and family were Mr. and Mrs. C.S. McKinney and the McKinneys. They also visited Mr. and Mrs. Blaine McFarquar.

Mrs. Linda Eaton and daughters Alysne Eata and Patricia Holland were in Richmond Saturday.

Shirley Burton was in Richmond Sunday afternoon.

Sympathy is extended to the family of Frank Hensley in their time of sorrow.

Mrs. Charles Holt and children of Louisville spent Tuesday night and Wednesday with her mother Mrs. Archie Kirby.

Clay Masdon of Louisville visited Mr. and Mrs. Ervin Barron last week.

Ott named Bike-A-Thon coordinator for Brodhead

St. Jude Children's Research Hospital announced today that Diane Ott has agreed to be the Coordinator of the St. Jude Children's Research Hospital Bike-A-Thon in Brodhead on 4/28/90.

St. Jude Children's Research Hospital was founded by entertainer Danny Thomas. The institution

opened its doors to the public in 1962 to combat catastrophic diseases which afflict our children. St. Jude Hospital is non-sectarian, non-discriminatory, and provides total medical care to all patients.

At St. Jude, scientists and physicians are working side by side seeking not only a better means of treatment, but also the causes, cures and prevention of these terrible killers.

All findings and information gained at the hospital are shared freely with doctors and hospitals all over the world. Thanks to St. Jude Hospital, children who have leukemia, Hodgkin's disease, sickle-cell anemia, and other child-killing diseases now have a better chance to live.

The Bike-A-Thon program this year is dedicated to Ellen Marie Haynes, a six-year-old solid tumor patient at St. Jude Children's Research Hospital.

Ellen developed a malignant tumor in her abdomen which was diagnosed in June 1986. After treatment at St. Jude Hospital, which consisted of surgery, radiation and chemotherapy, Ellen Marie was taken off all therapy in January 1987.

Although she isn't cured of her cancer yet, as long as she has people helping her through the Bike-A-Thon program, there is always hope. Ellen Marie is a living example of the research, patient care and educational search, patient care and educational

***All-Seasons
Comfort Home***

What Is An All-Seasons Comfort Home?

In 1988, specialists in the fields of energy usage, insulation and building standards got together to try and devise a uniform set of construction guidelines for Kentucky. Their aim was to develop a program in which consumers could enjoy maximum comfort for minimal energy costs. Their recommendations evolved into the All-Seasons Comfort Home program.

It features insulation recommendations designed specifically for Kentucky's fickle climate. In addition, it takes advantage of state-of-the-art building techniques and also features the unmatched efficiency of geothermal heating and cooling.

The men and women who set out two years ago to create a program in the best interest of consumers did their job. Now electric cooperatives are doing theirs—bringing you the message about year-round comfort, year-round convenience and year-round savings.

The All-Seasons Comfort Home is a better value today and tomorrow.

Insulation

The best advice for you when the weather turns cold is to bundle up. The same is true for your house. A good blanket of insulation prevents heat from

being lost through ceilings, walls and floors and it keeps you more comfortable. The same is true in summer. Adequate insulation means your cooling system can operate more efficiently, less expensively and keep you cool.

Insulation material varies, but the most common types are fiberglass batts or loose fill foam or fiberglass that is blown into place by special equipment.

The type you use depends largely on your builder or insulation contractor. What's important to remember is the R-value of the insulation. R-value means the insulating material's ability to block heat loss. The higher the R-value, the better it is in blocking heat loss.

The recommended levels for the All-Seasons program are:

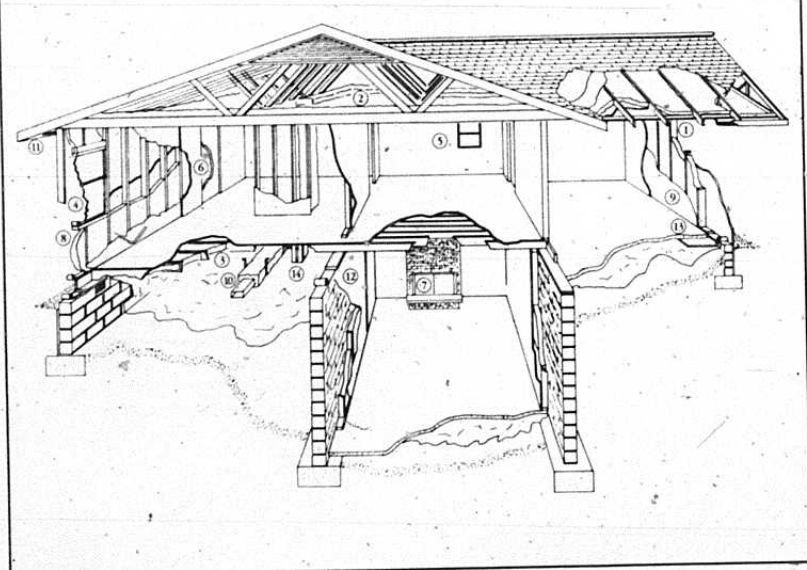

Ceiling	R-38
Walls	R-18
Floors	R-19

If you settle for something less, you'll pay for it now and in the future. For example, if you reduce the above insulation levels to R-30 ceiling, R-13 walls and R-13 floors, you'll pay **12 percent more to heat your home**. And remember, you'll be paying that for as long as you own the home.

1. Walls, R-18
2. Heated basement walls, R-11
3. Floors, R-19 insulation
4. Windows, double-pane or single-pane with storm windows
5. Window area, less than 10% of total floor area
6. Doors, metal doors with foam

7. Fireplace, tight-fitting glass screen and tight damper
8. All outside openings are sealed or caulked.
9. Vapor barrier on inside of wall and all openings sealed
10. Ductwork, R-4 insulation
11. Attic/roof ventilation

12. Basement, R-11 wall insulation
13. Slab floor, R-6 perimeter insulation
14. Geothermal heating and cooling system sized according to heat loss/heat gain of home.

Geothermal Heating and Cooling

The other major key to the All-Seasons program is geothermal heating and cooling. It's the most efficient system on the market and higher efficiency means lower operating costs.

How much lower?

Consider this. A geothermal system will meet the heating requirements of an 1,800 sq. ft. house for about \$310 per year. Heating the same house with a standard heat pump will cost \$532 and a propane furnace will run \$576. (We should add here that the propane rate is based on 85 cents per gallon—not the \$1.25 price some distributors charged in December, 1989. At that price, it would cost \$847 to heat the home with propane!)

Geothermal systems capture free heat from the earth and transfer it to your home with

clean, safe electricity. A loop of fluid-filled plastic pipe is buried underground and attached to a heat exchange system. By drawing heat from the constant temperature of the earth, the system works more efficiently than any other—bar none. In fact, most geothermal systems are rated by ASHRE (American Society of Heating and Refrigeration Engineers) at a minimum 300 percent efficiency. That means for every dollar you spend on fuel, you get three dollars worth of heat.

Geothermal systems are equally impressive when it comes to cooling. The yardstick by which cooling system performance is measured is EER (Energy Efficiency Ratio)

or SEER (Seasonal Energy Efficiency Ratio). The higher the EER or SEER the better. A standard central air conditioning system has an EER of about 8 or 9. A heat pump in the cooling cycle has an SEER of 10. A geothermal system has an SEER of 12—30 to 50 percent more efficient than the central air system.

There's more!

Geothermal systems are so efficient, they can heat up to half your hot water absolutely free. For the average family of four, that can represent savings of about \$150 a year—every year you own the home.

Geothermal helps put comfort, convenience and savings right at your fingertips.

"Our Mom Gets Half Her Hot Water Free"

(Thank Goodness)

When it comes to kids, hot water is real important!

With a geothermal heating and cooling system, you can heat up to half your hot water free.

Geothermal heating and cooling and hot water heating...part of the All-Seasons Comfort Home program from your electric cooperative.

Offered by participating cooperatives of the East Kentucky Power system.

Read a good book and other ways to trim your fuel bills

So you've added insulation, turned down the thermostat and water heater, and used the most efficient appliances available. Yet, you think the monthly fuel bill is still too high. Maybe it's time to examine your home to identify the real problem.

The first place to look is in the kitchen. If you use an electric range for most cooking, time and money are being wasted because specialty appliances can handle most chores less expensively and more conveniently. Roasting a turkey in the oven for four hours will cost 72-cents. Cooking the same bird in a microwave oven will cost only 12-cents and take less than half the time. Simmering a big pot of vegetable soup on the range for five hours will cost about 60-cents. Cook the soup in a crock pot or slow cooker and you'll save 54-cents.

Why split hairs over a few pennies? Well, those pennies soon add up. The average family of four spends about \$72 each year to cook meals. By making use of microwave ovens and other specialty

appliances in the kitchen, that expense can be cut in half.

While we're in the kitchen, let's look at the refrigerator and dishwasher. About \$9 worth of electricity is used to operate a refrigerator each month. In fact, under normal conditions, refrigerators and freezers use more electricity monthly than any other household appliance. Make sure they are operating efficiently. Check the rubber gaskets around doors. Loose, cracked or broken gaskets allow cold air to escape, so the unit must operate more. Freezers are most efficient when filled. On the other hand, refrigerators need open space inside so cool air can circulate.

The dishwasher has some control over energy usage. In certain older models, almost half of the energy is used during the drying cycle. A few water spots are a small price to pay for the reduced cost. So, just shut the unit off and let the dishes dry naturally.

Next stop, the laundry room. An electric clothes dryer costs almost 30-cents for each hour of operation. Make sure it is

operating efficiently. Check the door gasket. If broken, hot air can escape, which means a longer drying time for a load of clothes. Clean the filter regularly; a lint-covered filter can cut down on dryer efficiency. Follow manufacturer's recommendations for the size load; it isn't very efficient to run through a cycle for a single piece of clothing. By the same token, a load too large will require additional drying time, which costs money.

Final stop, the living room. Most Americans spend more than six hours each day in front of a television, sometimes watching, sometimes not.

On those occasions when the TV set is little more than background noise, why not turn it off and read a book, instead.

A book we highly recommend is the *Home Energy Adviser* published by the University of Kentucky Cooperative Extension Service. It is full of energy saving ideas for the home. Information about the book is available from your county extension agent.

Put All-Seasons Comfort to work for you. Just call your electric cooperative for more information.

Savings Are Important Today and Tomorrow

Everybody likes a bargain. Quality is important, too. And with electricity, you get the best of both worlds through dependable, time-saving electrical appliances that do a yeoman's job around your house for only pennies a day.

But there are ways to make electricity work even better by considering the efficiency of appliances. They might cost a little more immediately, but in years to come, they'll save you money — a lot more than you

might expect! Manufacturers always are improving the appliance's efficiency.

The typical household uses about \$700 worth of electricity to operate lights, refrigerator, freezer, water heater, range, washer and dryer. Add another \$800 for heating and cooling and an average electric bill for the year is \$1,500. However, if the most energy efficient appliances were used in that same household, the bill could be reduced by about \$670!

Keep your cool

Did you ever wonder why your neighbors air-conditioning costs are lower than yours? There are a lot of factors, including the amount of insulation the two of you have and personal lifestyle. They may keep the thermostat at 76 during the summer, while you put yours at 70. Obviously, they will use less energy.

But, with all other factors being equal, the efficiency of your central air system will determine who saves money on cooling costs.

Cooling efficiencies are expressed as EER (Energy Efficiency Ratio) or SEER (Seasonal Energy Efficiency Ratio). The higher the number, the better. How much better?

The chart below shows how much is saved when cooling an 1,800 sq.ft. home with various cooling systems. The efficiency ratios range from 7.5 — common for standard central air conditioning systems — to 11.5, featured with many geothermal systems. As you can clearly see, geothermal cooling saves you money.

Type system	EER or SEER	Annual Cooling Costs
Std. air conditioner	7.5	\$149.50
Std. heat pump	8.5	\$131.88
High eff. air cond.	9.0	\$124.55
High eff. heat pump	10.0	\$112.10
Geothermal system	11.5	\$ 97.50

Building a new home?

"An *All-Seasons Comfort Home* combines optimum levels of insulation with the efficiency of geothermal heating and cooling.

And you qualify for a \$1,000 rebate from participating rural electric cooperatives.

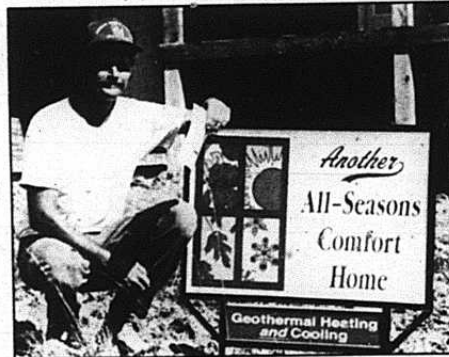

Call **your** co-op for more information."

A Sampling of Satisfied Customers

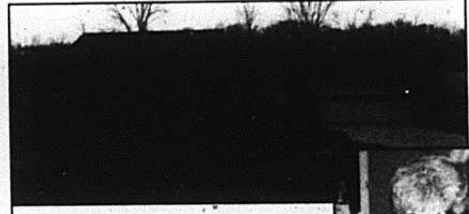

"It's an economic, comfortable, clean heating system . . . It uses heat from the ground and I like that idea. It seems to get better as we go along . . ."

Frank and Emily Burford
Owen County

"The combination of high insulation standards and the geothermal heating and cooling system makes sense to me, and building houses is what I do for a living. So when I went to work on my own home, All-Seasons was the choice for me."

Roger Hagan
Nelson County

"I'm very pleased with how low my energy bills are."

Frances Hanks
Anderson County

"Our (heating and cooling) bills have been a lot less. We're glad we made the decision to go with the geothermal system."

Dr. and Mrs. John DuPlessis, Jr.
and family
Hardin County

"I've never had a doubt about this decision. Our new geothermal system is a lot cleaner than gas."

Joe Smothers
Jessamine County

"The long-term system with geothermal system clean heat."

Frank and

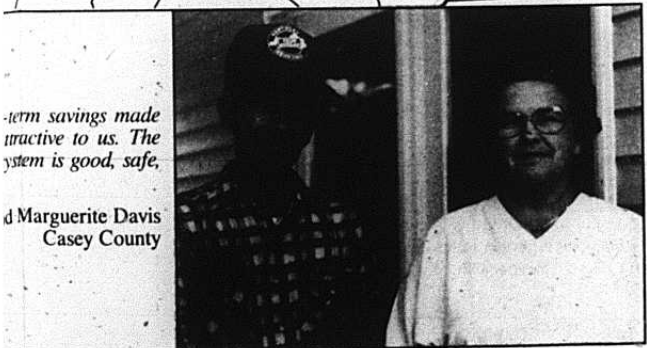

"We are completely satisfied with the Geothermal Heating and Cooling System... [there is] no comparison to other systems. We are pleased with the cost of operation and the comfort of the system."

Paul Huffman
Harrison County

"We really didn't want to install an air-to-air heat pump—the geothermal system seemed best for our area. I think [the All-Seasons Comfort Home program] makes sense."

Marshall Abney
Madison County

term savings made attractive to us. The system is good, safe.
d Marguerite Davis
Casey County

"We really do like [the All-Seasons Comfort Home], we wouldn't change a thing."

Lou Ann and
Jimmy Flanagan
Russell County
