Social Security Cards: Consumers Beware

By: Hazel Jackson
County Extension Agent
for Home Economics

Consumers should be aware of businesses offering to provide social security cards for a fee. If you have recently been married, divorced, legally changed your name or had a baby in the past year, you will need a new or updated social security card. Several companies use government-looking envelopes and official-sounding literature to convince consumers they should use their services to obtain a social security card.

Social security cards are available at no cost from the Social Security Administration. You can obtain an application from your local Social Security Administration Office or by calling 1-800-772-1213. If you have recently had a baby, you can apply for a social security card on the same form you use to obtain a birth certificate at the hospital. The Social Security Administration will send the social security card directly to you; it will take approximately 4 to 6 weeks.

The Tax Reform Act of 1986 determines the age in which dependents need to have a social security number for tax filing purposes. In 1994, dependents

over one year old were required to have a social security number. In 1995, you will need a social security number to claim any dependent over two months old.

Most of the companies charging a fee for assisting you in obtaining a social security card are legitimate. However, some companies who advertise for these services are fraudulent. Be cautious when responding to ads which involve not only the offer to obtain social security numbers for newborns or notification of name changes for brides, but also obtaining social security personal earnings and benefit estimate statements. In addition to losing money unnecessarily, you could be providing cost artists with highly personal information. With it, an unscrupulous person could apply for credit in your name, obtain a driver's license or tap into your credit file.

If you decide to use a business, be sure to check out the legitimacy of the company by calling your local Better Business Bureau and the Attorney General's Office, Consumer Protection Division at 1-800-432-9237.

Renovating grass pastures with red clover

By Tom Mills

Co. Ext. Agent for Agriculture

Is it cost effective to seed red clover into pasture and hay land? For years farmers have used the dark of February's moon as a time to overseed clover into fescue. By adding clover through the renovation process, pastures are improved in three ways.

Clover will add nitrogen to the soil and benefit surrounding grass. As much as 180 pounds of nitrogen may be added. With higher nitrogen cost expected this year, clover renovation may be worth as much as 40¢ of Urea or just over \$55 per acre.

The second benefit to adding clover is the improved quality of feed. Clover is a higher protein grasses such as fescue and orchardgrass. Clover will also grow best during mid-summer when other grass has stopped growing. Not only will clover spread out the grazing season, clover will also increase the total yield.

The third benefit to adding clover is that fescue and other clover-infected with the endophyte fungus is diluted. The endophyte fungus has a "silently-lowered" cattle protein through its reproductive effects during summer months. Adding clover dilutes the amount of forage available and gives animals a choice. Clover, being more abundant and preferred by animals will then become a larger part of their diet.

Lowering fertilizer cost, increasing yield and improving the quality of feed available to

livestock makes clover very cost effective. However, clover varieties vary in results.

Research at the University of Kentucky College of Agriculture has compared the performance of common or uncertified clover with that of better certified varieties.

The cost of better varieties may be as much as \$1.00 more per pound and are well worth the benefits they provide. An additional seed cost of \$8 per acre was worth over 3,500 pounds additional hay over the first 2 years. Stands of the certified varieties were thick and vigorous going into their second winter, while the common varieties were clearly thinning. Certified varieties tested into the third season increasing their overall yield.

Farmers planning to seed clover should contact their farm supply store 10 to 14 days before you need seed. This allows store owners to be sure they have certified seed of the variety and amount you desire. For additional information on variety performance and selection contact the County Extension Office for the 1995 Clover Variety Trial Report.

Farmers are also invited to the 1st of a 4-part Beef Meeting Series to be held Thursday, February 22nd, (tonight) at 6:30 p.m. in the Agriculture Service Center Meeting Room. This weeks topics will cover pasture and hay management for beef herds.

Educational programs of the Kentucky Cooperative Extension Service serve all people regardless of race, color, age, sex, religion, disability or national origin.

Rick Jenkins: Alcohol Intoxication, \$25 fine and costs, Contempt of Court, 10 days credited 5.

In Loving Memory

(Cont. from B4)

And the sun has set for me,
I want no rites in a gloom filled room.
Why cry for a soul set free.

Miss me a little—but not too long.
And not with your head bowed low.
Remember the love that we had shared,
Miss me—but let me go.
For this is a journey that we all must take,
And each must go alone.
It's all a part of the Master's plan,
A step on the road to home.
When you are lonely and sick of heart,
Go to the friends we know.
And bury your sorrows in doing good deeds.
Miss me—but let me go.
Happy Birthday to all,
Your Loving Family

We are much more than a Long-Term Care Facility...

We are much more than a long-term care facility. Are you aware of the other services offered by your community hospital's Physical Therapy Department?

The philosophy of the department is to work closely with the physicians, industry and health delivery systems in the Rockcastle area in providing the maximum of quality care. In the rapidly changing health care system, it is important to the Physical Therapy staff to remain concentrated on the needs of the community and concerns of the local residents. They feel a strong sense of commitment to the Mt. Vernon and Rockcastle area and are dedicated to providing services concerned with the rehabilitation needs of the community.

The wound care clinic has the final components needed to provide a center-based approach to the treatment of difficult wounds. A newly-renovated hydrotherapy room, adjacent to the physical therapy department, will provide the equipment and space needed to provide a clinic-environment for the treatment of wounds. Expanding on this, the clinic will also be involved in providing education and training to caregivers and family in providing care at home. For the physician as well as the patient, treating a wound that refuses to heal is frustrating, time-consuming and expensive. Effective management usually requires a multi-disciplinary approach of working together in a collaborating, supporting manner.

Under the direction of Dr. McElwain, the members of the Physical Therapy Department -- Steve Coy P.T., Steve Marcum P.T. and Don Roberts P.T.A. -- have assumed responsibility for this program.

Steve Coy P.T. working with a patient.

We are introducing other special programs to assist the community, not only in injuries and rehabilitation after the injury or trauma, but also in educational activities to help prevent injury and trauma. These will include working in developing back injury prevention, repetitive injury prevention programs, fitness and walking program advice and other wellness issues.

These are just a few of the professional services offered by our fine hospital's Physical Therapy Department. We welcome all to stop by and tour our facility. We are very proud of what we can offer.

"IT IS WRITTEN"

Jesus taught in Mt. 23:5-10, "But all their works they do for to be seen of men: they make broad their phylacteries, and enlarge the borders of their garments, and love the uppermost rooms at feasts and the chief seats in the synagogues, and greetings in the markets, and to be called of men, Rabbi, Rabbi. But be not ye called Rabbi: for one is your master, even Christ, and all ye are brethren. And call no man your father upon the earth: for one is your father, which is in heaven. Neither be ye called masters: for one is your master, even Christ." There is a very important concept we need to gain from this passage.

Jesus is teaching us that in the body of Christ, in our relationship to God, there is not a two-tier, two-class, clergy-laity relationship. No, Jesus said "and all ye are brethren!" All the saints of God are his children, on equal relationship to God the Father. We are all sons and daughters of God, and humans can gain no higher status with God (nor do we need to). When one is born again (1 Pet. 1:22-25), God adopts us into his family, we become a part of that "chosen generation, a royal priesthood, a holy nation, a peculiar people" 1 Pet. 2:9. We are made to sit together in heavenly places in Christ Jesus, Eph. 2:6.

Now contrast this with the wisdom of men, the clergy-laity concept. The "clergy" has those special garments, robes, collars, you know the "men of the cloth." They wear those titles of distinctions. Like: Reverend, Father, Master, Dr., Pastor and such like. The clergy conduct the services and are necessary for things like weddings, funerals, baptisms, baptisms, baptisms, baptisms. Their pride and arrogance does not tolerate any questioning or disagreements with their doctrinal stands, their teachings. Yes, the problem Jesus describes in our text in Mat. 23 is alive and well today in many of the churches of men. But may we ever appreciate the Lord's way, and walk humbly before God and one another, for "all ye are brethren."

Lifelines

Here is the conclusion of the Carol Everett interview, that I submitted a white back. Carol Everett was involved in the abortion industry in the Dallas, Fort Worth area from 1977 until 1983. As director of four clinics, owner of two, Ms. Everett was responsible for the clinic's daily operation. Everett, who had an abortion soon after it became legal in 1973, now speaks out against it.

Q. What method of abortion did your clinics use?

A. For the most part, the abortion industry stopped using saline and prostaglandin procedures because of the number of live births. A live birth means you have to let the baby die, or dispose of it in some distasteful way. Most second and third trimester abortionists use the D & E (dilation and evacuation) method. The abortionists use large forceps to crush the baby inside the mother's uterus and remove it in pieces. The side effects of live births and the mother going through labor are avoided. But it is a horrible procedure in which the baby must be re-constructed inside the uterus to be certain that all the parts have been removed.

Q. How did you dispose of an aborted baby?

When she sees this picture, she may have to be carried out on a stretcher. Happy Birthday to Louise Fletcher From the girls at

Jeff and Sherry Bullock are proud to announce the birth of their second child, a daughter, born January 11, 1996 at Lake Cumberland Regional Hospital in Somerset. She has been named Kelsey Lynn and weighs 8 lbs., 8 3/4 ozs at birth and was 20 inches long. She is a welcomed home by big brother, Dustin. Grandparents are Bobby and Zannie Robinson and Benton and Teresa Bullock of Mt. Vernon. She is also the great granddaughter of Elizabeth Robinson of Mt. Vernon.

Maggie M. Leach, ET AL Plaintiffs
V.
Ruby Lawson, ET AL Defendants

NOTICE OF SALE

Pursuant to a Judgment entered in this partition action on February 6, 1996, I will offer at public auction the hereinafter described real property in Rockcastle County, Kentucky

AT THE COURTHOUSE ON EAST MAIN STREET
ON MARCH 1, 1996
BEGINNING AT THE HOUR OF 10:30 A.M.

Said property being more particularly bounded and described as follows:

Located in the city of Mt. Vernon, on the west side of Richmond Street, to-wit:

Tract No. 1 - Beginning at a stake, the northeast corner of a lot known as the Johnson Hotel property; thence N 59 W 174 feet and 6 inches to a stake, the northwest corner of said hotel property; thence N 30 East 15, 58 feet and 6 inches to a stake, the northwest corner of the property conveyed; thence N 63 West 30, 167 feet and 4 inches to the southeast corner of the M. Pennington brick business house; thence 67 feet 6 inches to the beginning.

Tract No. 2 - Beginning at a stake at the southwest corner of the property known as the Johnson hotel property and in line of a street; thence in a northern direction with the west line of said hotel property, the lot above described and owned by Dr. M. Pennington 175 feet and 6 inches to a stake in the northwest corner of M. Pennington's lot; thence in a western direction 34 feet and 8 inches to a stake; thence in a southern direction 174 feet and 6 inches to a stake in the north line of a street leading from Dixie Highway in a western direction to the property of J.M. Jones' heirs and Dr. A.G. Lovell's heirs; thence nearly east with the north end of said street, 17 feet and 3 inches to the beginning.

Tract No. 3 - Beginning at the northwest corner of C.C. Williams' garage; thence N 46 feet to a stake in Casper Martin's line; thence west with Casper Martin's line 52 and 1/2 feet to a stake in C.C. Williams' and Casper Martin's line; thence south 46 feet to a stake in line of C.C. Williams; thence east with C.C. Williams; line 52 and 1/2 feet to the beginning.

There is excepted from the above-described real property, and not now conveyed, the following described real property sold to Vernon Griffin, et ux., by deed dated October 26, 1953, of record in Deed Book 73, page 316, and described as follows:

Beginning at the northwest corner of the Williams garage at 1 on said lot; thence N 66 west 85 feet and 6 inches to a stake in the Peyton line; thence with said line, N 24 East 57 feet 6 inches to a post; thence S 66 East with the fence 34 feet 6 inches to a post; thence S 23 and 1/2 West 13 feet 13 inches to the corner of a smoke house; thence S 66 East with the fence 34 feet 6 inches to a post; thence S 23 and 1/2 West 13 feet to the corner of a smoke house; thence S 66 East 52 feet, 6 inches to a post at 5 on the plat; thence S 24 West 46 feet to the beginning.

The owners obtained their title by deed dated March 19, 1991 executed by Hubert Thacker, et ux., of record in Deed Book 142, page 264, in the Rockcastle County Clerk's office.

The property will be sold upon the following terms and conditions:

- The tracts shall be sold together and shall be sold for a cash or upon a credit of sixty (60) days with the purchaser required to pay a minimum of ten percent (10%) of the purchase price in cash on the date of sale and to secure the balance with a bond bearing interest at twelve percent (12%) per annum.
- Unpaid taxes or liens of record at the time of entry of judgment shall be paid out of the proceeds of sale.
- Buyer shall pay the 1996 County, State and School taxes on the property.
- Buyer shall have possession of the premises upon compliance with the terms of sale.
- This sale shall be made subject to all easements, set back lines, restrictions or covenants of record or otherwise.

Affordable Insurance For One Of The Most Priceless Things In Your House.

Think about what you and your spouse contribute to the well-being of your family. If anything should happen to either one of you, the loss would certainly be more than emotional. And that's true because you're two in one family or not.

Ask your Cotton States agent about life insurance coverage for your wife or husband.

You'll find the cost surprisingly reasonable. Especially when you consider the value of what you're insuring.

Cotton States INSURANCE.

Poisonous gas found in home at Roundstone

A Wildie teenager and his grandparents were treated for carbon-monoxide poisoning Saturday night after they were exposed to high levels of the gas.

Christian Parsons, 13, a Rockcastle middle school student was spending the night with his grandparents, Lonnie and Doris Brown at the Brown's home in Roundstone when he awakened around 2 a.m. in an upstairs bedroom and felt uncomfortable, according to his father David Parsons.

"Christian was dizzy and having trouble hearing and went downstairs to wake his grandparents," Parsons said.

"Normal levels of carbon monoxide in a human's body are about five. Christian's level was 36. Lonnie was 22 and Doris' was 19," Parsons said.

"The doctors at Berea Hospital told us that it was very unusual that Christian would wake up, we are just thankful that the Lord was watching over all of them because if he hadn't awakened they all could have died," Parsons said.

Christian and his grandparents were kept over night Saturday night at Berea Hospital and treated with oxygen to reduce the levels of carbon monoxide in their blood stream.

The Browns still haven't returned to their home until the source of the problem can be found and corrected.

Cameron arrested

A Mt. Vernon man is facing second degree burglary and theft by unlawful taking charges after an incident last week at Copper Creek.

Rockcastle deputy sheriff Doug Thomas said that he arrested Kelly Cameron, 23, on February 13, after he received a complaint that Cameron had broken into the home of Linda Gray at the junction of Copper Creek Road and Old Conway Road.

Thomas said that Cameron stole a few items from Gray's home and urinated on the floor.

The deputy said he arrested Cameron after he tracked him through the snow.

Cameron is free on bond until a March 25th court appearance.

Brodhead student critically injured in freak explosion

By: Richard Anderklu

A Brodhead elementary primary student is in critical condition at the University of Tennessee Burn Unit after he ignited an explosive device in his mouth Monday night.

Christopher David Riddle, 7, "is fighting for his life," said his grandmother Pat Cameron.

Mrs. Cameron said Tuesday that her grandson was playing with some type of fireworks at his mother's Bowling Ridge home when the accident occurred.

"She said she (Patricia Cameron)

saw Chris with something in a brown paper wrapper but he (Chris) and his other half brother and possibly his little sister were playing with it on the floor and she (Chris's mother) didn't think anything about it," Mrs. Cameron said.

"They were getting ready to go to the store, Patricia was putting her shoes on and she heard a loud noise," Pat Cameron said.

"Christopher must have put the firecracker or whatever between his teeth and used his mother's lighter to light it," the grandmother said.

Christopher was transported by ambulance to the Rockcastle Hospital around 8:30 p.m. "I can't say enough good things about the hospital staff, Christopher was in really bad shape when he got there and they kept him from dying," Mrs. Cameron said.

Christopher's grandmother said that a large portion of her grandson's throat was completely destroyed and both of his lungs had collapsed.

"It took only about 50 minutes to fly him to Knoxville and doctors worked on him until 7 o'clock this

morning," she said.

Mrs. Cameron said that doctors were very worried about infection and that it was simply a touch and go situation for her grandson.

Ironically Christopher was flown to Knoxville the same time as another burn victim.

Denver Swinney of Mt. Vernon had set his car on fire about the same time as Christopher's accident.

Christopher Riddle is the son of John David Riddle of Mt. Vernon and Patricia Cameron of Bowling Ridge.

Christopher David Riddle

Mt. Vernon man attempts suicide after domestic dispute

A Mt. Vernon man who had been arguing with his wife apparently tried to commit suicide Monday night after he was confronted by police.

Denver Swinney, 32, of Daley Street, locked himself inside his car and set the car on fire, after police were called to his residence because of a domestic dispute, according to Rockcastle County Deputy Sheriff Doug Thomas.

Thomas said that Swinney went to his car after he saw the deputy (Thomas) get out of his car. "His wife said that he had soaked the inside of the car with lighter fluid and he had also apparently put the fluid on himself," Thomas said.

"I told him to get out of the car because I needed to talk to him, but he refused," Thomas said.

York charged

Ernest W. York, 41, of Brodhead was arrested after police chased him from Foodland in Brodhead up Negro Creek Road Sunday night.

He is charged with driving under the influence, attempting to elude, disorderly conduct, resisting arrest, no operators license, no Kentucky insurance, and no Kentucky registration plate.

He was in jail Tuesday under \$6,000 bond. Arresting officers were Brodhead officer Joe Bussell and deputy sheriff Ronnie Roark and Jack Weaver.

The deputy said that Swinney lit a piece of paper and dropped it in the floor of the car and the car went up in flames.

Thomas had to break the window out of the car so he could unlock it and pull Swinney from the burning vehicle.

Swinney, who was apparently highly intoxicated at the time, was

Brock also indicted in Rockcastle Two arrested in London for drug possession

What began as the report of a misdemeanor theft from a London motel on February 12 expanded into an investigation that landed two Rockcastle County men in jail.

Charles D. Brock, 29, of Brodhead was charged with public intoxication and trafficking in cocaine after police stopped the vehicle he was riding in, in the city limits of London.

According to London police, Brock had 14.5 grams of cocaine and over \$25,000 in cash when he was arrested.

Also arrested was Ronnie D. Bradley, Jr., 18, of Mt. Vernon. He was charged with possession of drug paraphernalia. Jamise House, 43, of Manchester, the driver of the car, was charged with driving under the influence of drugs. Police said weapons

were also confiscated at the time of arrest.

Brock is being held in the Laurel County Jail and he also faces an indictment in Rockcastle Circuit Court which was returned February 9.

The indictment alleges that Brock had cocaine in his possession in November of last year.

Police served Brock with his arrest warrant for the indictment on Wednesday following the Tuesday arrest in Laurel.

Bradley and House were released on bond pending other court action in Laurel County.

Flood insurance available here

Rockcastle County has joined over 18,000 communities nationwide who are allowed to purchase Federally backed flood insurance.

This availability follows the county fiscal court's adoption and enforcement of ordinances to reduce flood losses and acceptance by the National Flood Insurance Program last year.

This action was jointly announced by Richard W. Krimm, Acting Associate Director of Mitigation of the Federal Emergency Management Agency and Elaine A. McReynolds, Federal Insurance Administrator.

Rockcastle County is eligible to participate in the NFIP effective January 26, 1996. Residents of Rockcastle County will be able to purchase flood insurance up to the limits under the Emergency Phase of

(Cont. to A8)

Teague arrested

Raymond Teague of Sand Springs Road, Mt. Vernon, was arrested by Sheriff Shirley Smith and deputies Saturday night.

He is charged with sale of alcohol beverages and illegal possession of alcohol beverages.

He reportedly sold a 6 pack of beer to Deputy Sheriff Randall Reynolds.

Jury finds fault with State Farm, awards Scott Chattelle \$32,240

It took a Rockcastle County Circuit Court jury only ten minutes last week to decide that a local man had been wronged by a national insurance company.

Jurors awarded Scott Chattelle of Marenville \$36,240 in damages because State Farm Fire and Casualty Company, his insurance company failed to honor the terms of Chattelle's insurance policy.

The trial was the culmination of a lawsuit filed in August of 1995 after State Farm refused to pay Chattelle for a car he owned that was stolen in March of 1995.

Chattelle reported the car stolen to State Farm and even after it was

found burned in Madison County by Kentucky State Police, State Farm's claim representative refused to pay Chattelle for the car, which was valued at \$8,000.

"After we filed suit in August, I thought State Farm would pay the claim, but they simply refused," said Chattelle's attorney Carl R. Clontz of Mt. Vernon.

"There was absolutely no reason for State Farm to refuse his claim," Clontz said.

Besides the \$8,000 for the stolen car, Chattelle was awarded \$25,000 in punitive damages and \$10 per day for loss of vehicle use. State Farm is also liable for attorney fees.

LEAP planning for 1996 farmer's market

Good news for farmers, Livingston Economic Alternatives in Progress, (LEAP) a local, grass-roots economic development group, is planning to operate a farmers' market in Rockcastle County in 1996.

The group has identified a need for local producers to have a means to supplement their income from livestock, tobacco, and other small farm enterprises.

"Diversifying into vegetable production has been profitable for farmers in other areas of Kentucky, but the

lack of a reliable market outlet has discouraged many would-be growers," said Larry Swartz market coordinator.

"The farmers' market concept allows vegetable growers ranging from those growing several acres to those interested in selling surplus from a home garden to have a place to sell their produce.

LEAP is currently seeking growers who are interested in participating in a farmers' market."

(Cont. to A8)

No mention of US 25 in Patton's road plan

Kentucky Governor Paul Patton's unveiling of a \$3.6 billion road plan for the state doesn't change the outlook for Mt. Vernon.

Three break-ins

Three local businesses were broken in over the past several days. Kentucky Tobacco Outlet on U.S. 25 north was entered and 15 cartons of cigarettes stolen.

Entrance was gained by throwing a rock through the front door, police reported.

Mt. Vernon Car Wash No. 1 on U.S. 150 was broken in recently.

Thieves forced a door to the office and took an undisclosed amount of change.

They damaged a coin machine and broke a window. There was considerable damage.

Citgo Service Station on U.S. 150 at West Gate Shopping Center in Mt. Vernon, owned by James Kidwell, was broken in Saturday night.

Someone saw the person trying to break in and alerted Policeman Mike Peters. When Peters arrived the man ran off.

Work on U.S. 25 north between Mt. Vernon and the I-75 interchange at Renfro Valley is still on hold as far as Mt. Vernon Mayor Gary R. Cromer knows.

About a year ago the mayor met with state road officials who promised they'd make the corridor between Mt. Vernon and Renfro three lanes (up the hill) so businesses in the corridor wouldn't have to close or change, because of a proposed new road to the interstate.

Since that meeting the mayor hasn't heard a word from the state about construction of a third lane that would alleviate traffic off the I-75.

(Cont. to A7)

Drug indictment

A Brodhead man was indicted last week for possession of cocaine by the Rockcastle County Grand Jury.

John Christopher Newland, 23, was indicted for a December 19th incident in which police apparently found cocaine in his vehicle.

Newland is free on a \$5,000 cash bond until his arraignment March 8th in circuit court.

Members of the Rockcastle County Kiwanis Club in association with WRVK radio station raised over \$4,000 during their 1996 radio auction last Saturday. Above, Kiwanis Club president Jeff Burdette and auctioneer Devin Powell auction off some of the numerous items that were sold. A complete list of contributors will appear in next week's Signal.

PRECIOUS SOULS, CHILDREN OF AN EVIL AGE, greetings and alterations from the place I call home, wonderful Wabdo, pacifically situated on the north shore of Comyns Branch, upon the waters of which you can canoe to the Gulf of Mexico, at high tide, of course. The waters will be up for sure this spring what with all the snow melting from the mountains roundabout.

Can you see yourself boating-it to the ocean? If so, get in touch with me soon? I am, get in touch with me soon? A passel of Wabdojians are planning such an expedition for late March. Cy Diffesquatt, Director of the Greater Wabdomian Exploration Society, has put together a fantastic package that includes food and beverages, camping equipment, life insurance, and a one-way, two-seater canoe from Ryder Rent-a-Vessel - all for only \$99.95. (Visa accepted, but not American Express.)

"If we can launch fifty canoes and

paddle all the way to New Orleans," said Cy, "we'll make the Guinness World Book of Records." When asked how the canoers would get back to Wabdo, Cy said that aspect of the trip hasn't been firmed up yet but noted that a CSX boxcar is a real possibility. He urges interested canoers to get their names in the pot before it's full. (Sorry, ladies, this is a "guy" thing.)

Say there, modernites, (no relation to the biblical Moabites). Have you heard? We now have local access to the Internet in Rockcastle! A slough of Wabdojians who already use the Net in their various enterprises will welcome this "way to the world" without paying for long-distance charges.

I'm not putting you on, beloved. If you want to know more, call Jeff Durham at 256-5415. Leave a message if he isn't there.)

And all you folks who think that

the Internet is nothing more than an avenue for pornography should wise up. There is wealth of good stuff out there in the ether, so to speak.

(I'm thinking I might get my own web-page and up-load a few of my more acerbic *Heresays* to see if I can get a rise out of the fundies who are out there too. If you want to join our then their cyberspace address is <http://www.god.com>.)

Speaking of porn and such, Wabdo High is looking for a math teacher to replace Suzie Stoker, who was fired when school board officials discovered she was moon-lighting as a strip-teaser at Ewell Seymore's Eat and Ogle Restaurant in Brodhead.

Wabdo's Superintendent of Schools, doesn't mind their personnel doing part-time work as long as they function adequately in the classroom and their lifestyles are within the philosophical boundaries of the board's *Abstract Principles*. "Miss Stoker," said Derndtler, "is clearly in violation of our guidelines."

Miss Stoker has sued the board. Her attorney, Ridley Somejaw, said he will contend that Miss Stokes right to live *existentially* was infringed upon. (Existentialism, simply put, is a philosophy of life that says there is no meaning in life, that we are condemned to be free, and that the best one can do is live for the moment and keep faith with one's self.)

Derndtler also said that the entire board, after witnessing her performance, agreed that she had to go. Their "visit" was in the line of duty, of course, and the cover charge for the whole entourage was only \$174.38. When asked what charge led to her dismissal, Derndtler replied, "*Exponentialism*."

Well, dear hearts, I finally made it back to church, aggravating spine and all. Right now I'm trying Sunday evening services only because they are shorter than AM services that are harder on me ole lumbar. I didn't plug in to much because I forgot to wear my hearing aid. My pastor preached about "angles." I think I'm still puzzled by one of his remarks. He said we often "entertain angels in

underwear." I wasn't sure if we have to be clad in underwear to commune with angels or if it is only angels in underwear with whom we can converse.

One thing about the evening service bugs me a bit. We commence with a song for which we stand for singing. Then, following a prayer and a brief announcements, we stand right back up again for the offertory hymn. After the plate is passed, we sing another song *sitting down*, after which my pastor delivers one of his usual thought-evoking messages.

Some time ago I asked our song leader to make the song before the offering a sit-down song, and the one after the collection a stand-upper. "We have to stand for the offertory hymn," he replied, as if he had in mind some ancient authority.

I said something like "Oh?"

When I studied the practical aspects of worship in the seminary, I learned to space the stand-up hymns so as to give people "stretch before the sermon," somewhat like the seventh-inning stretch in baseball. If you stand 'em up right before the preacher gets up, it takes longer for them to get to sleep. Reasonable,

don't you think? And doing so would let me stretch my stressful back before I sit down to listen, not sleep.

But, back home, we don't kilter to that aspect of planning an order of service because we have to stand for the offertory hymn.

Why is that? Some songs, not necessarily offertory hymns, kinda demand we stand, for examples, "Stand Up, Stand Up for Jesus" and "Standing on the Promises of God." If you don't stand for the latter you are guilty of "sitting on the promises."

But why stand before the offering? Is it possible the ushers can not make it down the aisle to their chalk-marked spots on the carpet in front of the pulpit if the congregation is seated?

Or do we stand for the offertory hymn because deep down we are really paying tribute to the collection without which we would be up a certain proverbial creek without a paddle?

I, of course, have another explanation that sees standing for the offertory hymn as an unnecessary carry-over from yesteryear when

(Cont. to A3)

Indian. His friend is Mildred Holtz and his "Hank" sent us some cute Valentines.

I'll have to send Henry a Valentine that he can cat.

John Harding of Disputania has been in Berea Hospital for a few days and has lost some weight. He was 87 years old on January 2, 1996.

Mary, his wife, stayed with him while he was over there and all the worry and strain she had gone through told on her so she seemed to have lost weight too.

Their daughter-in-law Phyllis Harding who lives near them now works at a Bible Book Store in Berea. Last spring, she rode the school bus as a kind of guard.

Blanche Payne was in Berea one day to get a new permanent. It always helps to improve one's self with a little extra. I had four point-sets and took her one.

Cameron Bartlett could not get out of Anglin Falls Hollow due to the bad weather and snow deep roads. Guess he's glad it's over with or I guess it is.

Mya, Russell Lee Cornett came down on February 17th to check on John and I said he worried about us so he took us out to eat at the Dinnerbell Restaurant which I liked a lot.

This is the Valentine Kirk Anderson sent his pretty wife, Cindy. "I wish you much and I wish you I wish my pajamas beside your nightie. Now don't be mistaken nor don't be misled. I meant on the clothes line and not in the bed."

Till next week: I found the names and addresses of some people to go with my picture which I hope to print next week.

Roamin' Rockcastle

By:
Hilda Payne Gabbard

The other calendar I sent to Henry Volturner who lives in a rest home in

It was good to be back in church again after a long winter of cold, snow, icicles and rain.

Heather Adams preached on "a Christian is a state of being!"

There were quite a few people at the service. Flossie Stephens did not make it and is still on the sick list.

Heather Adams played the piano and did real well. Her husband, John stayed home to study for a test which he was having at Richmond in a night or two where he and Heather go to school after their jobs are finished at Berea. She is such a pretty girl and I'm kin to her!

I want to wish Cousin Lee Abney a Happy Birthday which was Sunday, February 18th.

I don't dare make a guess at his age on that day but he was 40 some years ago, but now he is "Sum-mers" in 40 when life begins it is said.

Lee works in the Galilee Baptist church, has a pretty wife, Kaye, leads the choir in singing and plays the piano for church music.

Not long ago I asked folks for New Year Resolutions and Lee made such a good one for me. If you didn't get it, I'll repeat it. "For the rest of this year to my God, my family and my church," and I don't see how, he could be a failure at anything he tries to do. Well last Sunday night on the 18th I called and told Lee I had a birthday present for him and would be come by after church to get it as John doesn't get out after dark to drive.

Now who is going to refuse to come for a birthday present. Lee is not that strong a man so he and Kaye came over after church.

I knew he wouldn't refuse either after what I said to him.

"Lee," I said, "At Christmas time we gave you something to make you smell sweet (we had given him an aftershave lotion, and I sniffed at his face, it should do the job) so I'm giving you something to make you taste sweet this time."

I make peanut butter roll candy and Lee knows how it tastes, so he and Kaye came in like two kids looking for presents.

I had fun wrapping the gifts for I had made a box for Kaye to stop any trouble. Of course, Lee's box was larger since it was his birthday. On top of the boxes I put a heart shaped Valentine sucker because Lee had almost been a Valentine baby.

Instead of getting into the box of candy, Lee started eating on the Valentine sucker like a kid. He also said he had to get up to go to work at 3:30 a.m.

Kaye seemed happy that she had gotten candy, too.

So we ushered them out the door to go home thinking of that 3:30 time he had to go to work.

I make peanut butter roll candy and Lee knows how it tastes, so he and Kaye came in like two kids looking for presents. We stopped at the Wildlife Post Office where John got two calendars that tell the signs of the weather. Cleve had asked that John get him one too.

Differing viewpoints of Rockcastle County

To the people of Mt. Vernon: It is with a heavy heart and deep regret that the children of James and Dorothy Rash write you this letter.

Sometime during the week of February 4-10 our parents trailer, located 1/4 mile off of Chestnut Ridge Road, was burglarized and burned to the ground.

Our parents were born and married in Mt. Vernon and came to Dayton in 1939; but in their hearts they always called Mt. Vernon home. After scrimping, saving and raising 9 children, our mother bought the "Old Home Place" from her brothers and sister, the place where she and dad longed to spend their final years of retirement, a beautiful isolated homestead built with LOVE for them, their children and grandchildren to enjoy.

55 years of longing to be home was destroyed. First, it was senselessly burglarized with their belongings stolen and some dumped along the beautiful countryside that was farmed and loved by generations of the Denny, Kirby and Rash families.

As if this were not enough of a sick and twisted pleasure to the perpetrator, it was burned to the ground for no reason.

People, we are very sad for our parents. They, as well as we, are in a state of shock. We believe the people or persons responsible for this hideous crime should and will be punished to the fullest extent of the law.

Please help us see that justice is done for this malicious and vicious crime.

A substantial reward is being offered for the arrest and conviction of person or persons convicted of this crime. Please call the Kentucky State Patrol 878-6622, with any information and may God be with you everyone.

The children of James and Dorothy Rash Submitted by: Kimberly L. Rader 1003 Huffman Ave. Dayton, Ohio 45403

I would like to ask you to mention two outstanding people, Mrs. Melody Savyers and Mr. Bobby Jones.

My purse was stolen while I was at work on Monday, February 5, 1996 at 2:15 p.m. At 3:15 p.m., Melody Savyers, post master at the Livingston Post Office, called to say she had

my purse. Bobby Jones, a young man from Livingston, had found it beside a building just a block from the post office and turned it over to Mrs. Savyers. I had my purse back with everything still in it just two hours after it was taken from me.

I would like to thank Bobby Jones who cared enough to do a kind deed and Mrs. Savyers for helping him accomplish this deed. I appreciate what these two individuals did for me and offer my thanks.

Sincerely,
Melissa Howard
3890 Tom Cat Trail
London, KY 40741

Dear Editor,

An unforgettable experience occurred Saturday, February 10 on Livingston Road. A group of disadvantaged youths from Lexington came down with volunteers from Life Adventure Camp to cave in Sinks of the Roundstone. Their mission was to teach the youths trust in adults and their environment. All went well until their departure from the cave. There, they found that the vehicle that had brought them had been broken into and many items stolen; such as 2 starter jackets, a CD unit, checkbook and food. All that was taught during the cave trip was lost due to the theft.

As a caver, visiting every weekend in Rockcastle County, I find this unsettling and disappointing. We covers spend great amounts of money at Jean's Restaurant and area motels. We sponsor an Annual Open House at Great Saltcreek Cave. We are constantly improving the grounds and the environment surrounding the Great Saltcreek Cave Preserve.

It is truly a sad statement of your community when we must post guards at our vehicles so that further damage and stealing will not occur. We are proud of your county and we like the people that we have met. Please help us preserve the relationship that is developing between us.

Sincerely,
David Newman
1194 Millcreek Dr.
Lexington, KY 40517

Dear Editor,

An abortion specialist in Kansas has finally debunked the argument that a fetus is simply a glob of tissue no more significant than a tumor or

other troublesome growth that can be removed and discarded without incident. He has come right out and called it a baby. Of course this is not to imply that the butcher who performs this grisly procedure through the ninth month of pregnancy has reformed or repented. Hardly!

In the most recent newsletter distributed by Right to Life of Greater Cincinnati, Inc., we find the following:

"BELIEVE IT OR NOT- The famous "Tiller the Killer," a 2nd and 3rd trimester abortionist in Wichita, has the following instructions for the mother or parents of a late-term baby after he has killed him/her by an abortion. Part of it reads: "The time following your delivery is very important. Many women elect to view or hold the baby after they have recovered from anesthesia. Some initially find this a very frightening thought, but, in our experience, parents who wish to view or hold their child are able to work through the grief process better. When couples elect not to see their child, they may later regret omitting this option. Grief is a very complex process, and we attempt to make your experience in our center comforting under very stressful circumstances."

"Unless previous arrangements have been made for funeral transportation of the baby to your local funeral home or further scientific studies are needed, the baby will be cremated in our mortuary-type crematorium located at our center. If your doctor or genetic counselor suggests an autopsy or other confirmatory studies, they must call prior to your arrival to make the arrangements." End of quote.

For those of us aware of the partial-birth technique used in late-term abortions, it is difficult to imagine a more horrifying scene than a mother cradling a lifeless baby whose brains have been suctioned out and its tiny head collapsed!

Since Roe vs. Wade was enacted in 1973, it has been said—and generally accepted by those seeking the termination of an unwanted pregnancy—that procedure causes no grief, pain or lasting psychological effects. But almost any woman who lives through it—and many don't!—will tell you there is no end to the agonizing grief and remorse associ-

ated with having a child aborted, especially when the purpose was less than a medical necessity to save her own life. The guilt from a purely

selfish decision can become devastating.

Christine McKinney
6030 Tylersville Road
West Chester, OH 45069

Dear Editor and Judge Carolfus

I appreciate your response regarding the recent movement of the Historical Society from the Public Library. However, your explanation of the events leading to this movement are very surprising and I again voice my contention of this matter.

The Senior Citizen Center having relocated, had used the Public Library and with their permission in 1984, the Historical Society was allowed to use the "small" room (office) in the rear area next to the community room. If there was some disagreement to this, why didn't the Fiscal Court, having knowledge, voice their concern and disagreement previously?

The Public Library building, as you've stated, "is owned by the Rockcastle County Fiscal Court." Would the library and its functions be only under the guidance of the Fiscal Court, not "owned", since the building and Fiscal Court are funded by the tax payers of the county? It's my opinion that the library is known as the "PUBLIC" library and therefore owned and exist for the public.

The Rockcastle County Public Library being an extension of the county government? The county government is only there by the existence of the people. Therefore, the government is an extension of the people and the library, as the government, is an entity of the people.

With the library outgrowing its present space, the request to expand by applying for a state grant (against tax funds) and the Fiscal Court permitting the library to take possession of the entire building, without expense to the county, "it would only seem likely that the small space (room), previously used by the Historical Society, would not have any impact with the foreseeable expansion."

I suggest that the Fiscal Court, the Library Board and your office did not act prudently in the best interest of the public and the preservation of history, but made your decision based more on that of a "personal" or "personal" indifference.

With the Historical Society functioning only with donations and membership fees, it is very impractical, costly and impossible for it to exist

without any income. The history, records and materials that are being maintained by the society can only be beneficial if the information is available to all the public. The library, now, has only limited material for genealogy research. Most research has only been available through the society, which was only available once a month, and the endeavors of those volunteering to maintain and preserve the history.

My contention and suggestion is that the Fiscal Court, Library and the Society could coordinate this project hand-in-hand. The Library could have a separate section, as was before, of all genealogy material, which would be available during normal business hours. The material would not be allowed to leave, but only used within the confines of the library. The material would be under the control of the library, but would be maintained by the Historical Society personnel. This could easily be accomplished by the Librarian and the Society Coordinator working together in a congenial capacity. In my travels

to many different areas the "public" libraries have been the place to visit to research genealogy material. Clark, Fayette and Jessamine County Libraries offer these facilities and even a small town in Virginia, Pennington Gap, houses genealogy materials, with the assistance of the historical societies.

I truly believe that this matter could easily be accomplished and resolved with little or no expense to the county. Most importantly to benefit the public and the people of Rockcastle County. Further, I respect your intervention and continued efforts to secure the materials that are very important to the preservation of History to Rockcastle County and its people. I remain,

Sincerely,
Glenn A. Wallin

"Heresay"

(Cont. from A2)

men did most of the giving, when trouser pockets were really deep, and loose change made up most of the plate money. Back then folks stood for offertory hymn so men, standing up, could easily get to the coins in those deep pockets while the prayer was being uttered. Doing so sitting down was a chore, especially if a man were portly. And, since Baptists are quick to turn a tradition into a biblical imperative, the custom continued. I am doing historical research on the subject right now, using *Herburt's Encyclopedia of Ecclesiastical Traditions, Customs, Hymns, and Meaningful Motions*.

If only Herburt's monumental treatise were on CD-ROM, I could do a search and find the info in the twinkling of an eye. Alack and alas! I'm reading the entire 21-volumes hoping to find insights that will enlighten us, and when I do find such, I will let you know right away in *Heresay*, because I know what a burning issue "standing for the offertory" is with many of you out there in *SignalLand*.

I must go. Spring is in the air and I must go nail a new rug to our ladder so Nancy can get on top of our house and tar-patch. I do apologize for not submitting an article last week. I went to see a man about a horse. When I got there, I found the horse had died and his carcass given to the Old Plug Glue Factory in Pongo, which used the horse's mane to make really big eyelashes for TB's hostesses.

So, until next week, the Almighty willing, ponder the words of Rev. Augustus D. Siderwind, beloved pastor of Wab's Full-Gospel-And-Then-Some Church, and part-time peddler of Hummerdink's Pieces of Pine for Park-Bench Whittling. The good reverend, discussing the antics of presidential politicians, remarked, "All politicians stand for what they think most people will fall for." ☺

Library News

By Geroldine Robbins

"Public Library Day" was held at the Staff Capitol on February 8th.

Organized by the Public Library Section of the Kentucky Library Association, public library employees and officials gathered at the Capitol on February 8th to meet their legislators and share their views on the invaluable services Kentucky's public libraries render to their local communities. They emphasized the opportunities awaiting Kentuckians as public libraries prepare themselves to become "on-ramps" to the information highway.

Kick-off ceremonies was held in Room 111 of the Capitol Annex, led by Governor Paul Patton, President Pro-tem of the Senate John "Eck" Rose, and Speaker of the House Judy Richards. A mock library was set up in this room, featuring technological advances now available in some Kentucky libraries, while artwork and personal testimonies about libraries' worth was displayed in the tunnel connecting the Capitol and the Annex. Those attending from Rockcastle County were Geroldine Robbins, Library Director, Betty Lindcock Children's Librarian and Pam Chaliff Bookmobile Librarian.

We met with our Representative, Danny Ford, in his office and he escorted us to Room 111 to view the mock library and have our picture

taken. He also went with us to the tunnel to see all the fine artwork and essays that were displayed. We were very pleased to see all the fine work that I had submitted from the students in our county. We had an excellent exhibit and I want to personally thank every one of the students that helped us with this project. One of our high school students, Slade Moore, had submitted very nice, matted artwork and these were prominently displayed in the mock library.

Governor Patton, in a proclamation naming February 8, 1996, "Public Library Day," noted that while "public libraries are recognized as The People's University because they are free accessible and at the core of our educational system," they also have the potential to become every Kentuckian's gateway to the global information highway.

Due to the renovation in our library, we will not be having our Annual Art Show this year. We will be moving the offices and other sections about the time that was planned for the show but hopefully next year there will be a special place for our exhibits. We will be planning for a bigger and better Art Show then.

The renovation is moving along according to schedule and we will be seeing a great improvement soon. Painting of the back part of the li-

brary is being done this week. We ask that you please excuse our mess during this period of renovation. We are expanding to serve you better.

Some new fiction books now available are... THAT CAMDEN SUMMER by LaVyrle Spencer... The twentieth century is still young as free thinking Boston divorcee Roberta Jewett returns with her three daughters to Camden, Maine, the seaside village where she was born and raised. Modern times have come to Camden in the form of the motorcar, but Roberta quickly learns that a divorced woman is still considered little better than a prostitute. Condemned by her mother, harassed by her brother-in-law, and scorned by the townfolk, she nonetheless perseveres in her struggle to forge a good life for her girls and herself. Behaving as no "respectable" woman would, Roberta gets a job as a county nurse, learns to drive and buys herself a Model T.

When Roberta is brutalized on a lonely country road, and the abysmal hypocrisy of Camden's solid citizens threatens to generate the aggressor at the expense of her and her family, she is determined to fight for justice.

Spirited as its heroine, incarnated as the love-affair at its heart,

LaVyrle Spencer's THAT CAMDEN SUMMER is a triumphant paean to the power of love.

GUILITY AS SIN by Tami Hoag... Ms. Hoag plunges us into the world of the criminal court system, where an unlikely suspect stands accused of a horrifying act and a community faces the aftermath of a shattering crime.

The abduction of eight-year-old Josh Kirkwood sent small-town Deer Lake, Minnesota, into a tailspin. Even now, after the arrest of a suspect and the return of the boy, fear maintains a firm grip and questions linger. What happened to Josh in the hands of the kidnapper? Why has he not spoken a word since his return, not even to name his abductor? Is the nightmare over or just beginning?

Assistant County Ellen North knows her assignment to the Kirkwood case has landed her in the hot seat, a position she thought she had left behind in the crime-choked Minneapolis court system. But politics and ulterior motives abound even in rural Park County.

Pulsing with tension that will keep readers on the edge of their seats, GUILITY AS SIN is another page-turning thriller.

is March 15. Producers seeking a refund of their withheld assessment should submit proof of marketing for 1994 and 1995. Most milk buyers will supply producers with information needed.

Catastrophic (CAT) insurance is again a requirement for producers in

1996. Farmers who will market tobacco in '96 are required to seek insurance through FSA or other agency which sells crop insurance. New applications must be taken NO LATER THAN MARCH 15. The cost is \$50 tobacco/\$50 corn for grain. Producers who had insurance through FSA last year and will keep their insurance at FSA this year, have until July 15 to file required paperwork and pay fees.

Producers who gross less than \$20,000 per year in income may apply to be waived of these fees, but receive the coverage required. Producers who meet the following requirements may also apply to be waived of these

fees: If your primary income is from farming with a gross of \$20,000 or less and off the farm income does not exceed farm income. New waivers must be applied for NO LATER THAN MARCH 15. Producers who were waived last year and will be waived this year have until July 15 to file necessary paperwork.

Producers who had insurance through FSA last year and wish to CANCEL need to come by the office and sign a cancellation notice BY APRIL 15. If a cancellation is not signed you will be billed for fees.

Any questions regarding insurance, or any of the programs offered through FSA may be addressed by phoning 256-2525 or by stopping by the office on weekdays from 7:30 a.m. until 5:00 p.m.

Classified deadline is NOON Tuesday

Agricultural News

by: Warden Alexander, County Executive Director

Producers who have not returned their marketing cards need to do so as soon as sales are final. The cutoff date for recording sales has been set for January 26. Notices for '96 crop year are scheduled to be mailed March 1. Producers who have a sale after January 26 are urged to bring

the tobacco sale bills for reconciling the markings prior to the '96 notices being mailed. Producers who fail to bring the sale bill will not receive the '96 quota notice until a later date.

Leasing of burley tobacco will begin after '96 tobacco quota notices are mailed to producers. Dairy Refund Program deadline

Bige Towery honored by Forward in the Fifth

Forward in the Fifth, a nonprofit organization promoting education in southern and eastern Kentucky, will present the Earl D. Wallace, Sr. Memorial Award to Bige Towery, Jr. on February 29 at the Boone Tavern Hotel in Berea. Towery is the retired superintendent of the Rockcastle County School System and a current Forward in the Fifth board member. Towery served four years on the organization's Executive Committee. Forward in the Fifth will hold its executive committee meeting from 4 to 6 p.m. A dinner will follow at 6 p.m. where JoAnne James will present the award.

Ginny Eager, Forward in the Fifth's Executive Director said the board felt Towery had exemplified high ideals as did the former founder, Earl Wallace. He served as an excellent role model for Rockcastle teachers and students, especially during the first few years of implementing the education reform law. This Earl Wallace award recog-

nizes a person, or persons, who have contributed to the improvement of education in eastern and southern Kentucky. Towery was selected because he demonstrated effective leadership qualities for teachers, principals, and others in Rockcastle County. He was interested in school reform before KERA. He also encouraged students, professionals and teachers to be more creative and try new and different ways to improve education in Rockcastle County.

"Bige has a love for education and students. He once said he'd rather be in the classroom than be the superintendent," said JoAnne James, former Forward in the Fifth chair and current Board member. James described Towery as a gentle person with good ideas who works well in groups.

Forward in the Fifth works to bring communities and schools together to ensure all children have the educational opportunities needed to live full and productive lives.

process throughout his school experience.

Mt. Vernon Elementary Calendar of Events February, 19

- Fri., Feb. 23: KIRIS results released to schools
 - Tues., Feb. 27: ESS Tutoring 3:10-4:40 p.m.
 - Thurs., Feb. 29: Leap Year (1 day add)
- Please work with us to promote good school attendance. School attendance and academic performance are directly related. It is important for students to be at school each day to take advantage of the valuable

classroom activities. The following items pertain to school attendance:

- 1. Mt. Vernon Elementary School day begins at 8:10
- 2. Tardy bell rings at 8:15
- 3. Please schedule appointments after 1 P.M. if possible
- 4. Students are required by state law to attend school each day that school is in session unless they have a justifiable excuse for their absence.
- *Parents: We continue to encourage you to get your child's 6th grade physical and 2nd MMR. Fifth Graders must have these before enrolling in Sixth Grade. Please turn in MVES as soon as you complete this. For your convenience, we will hold until your child enrolls at RCMS.

Busy Bee Homemakers

Busy Bees Homemaker Club met on the 13th, at the home of Wynona Isaac. We would like to extend a warm welcome to our newest Busy Bee, Miss Shell Gilliam. There were eight in attendance for the first meeting of 1996.

Barbara Prater called the meeting to order and asked for the devotion. I would like to share a part of the devotion with you.

"The home is more than a place to eat and sleep. It is an environment that prepares individuals for the great task of keeping our society together. The homemaker plays the leading role in making a home what it is—a place where love radiates; a place where loving hands labor to make life pleasant and comfortable."

Roll call was given, and we announced.

(Cont. to A8)

Honored on Retirement

Mrs. Mary Bussell recently retired from the cafeteria staff at Brodhead Elementary School after twenty-two years of service. In the photo at right Mrs. Bussell, who received a plaque for her dedicated service, is shown with Glen VanWinkle, food service director. At right, with Mark McKinney, BES principal. Mrs. Bussell also received a quilt stand and quilt handmade by the cafeteria staff.

Tiger Pause

There will be an Adult CPR certification course held at the Brodhead Family Resource Center on Thursday, February 22, (tonight) from 4:00 p.m. - 8:00 p.m. You must register in advance by calling 758-5182. Mrs. Jeanine Parsons will be conducting the class for the American Red Cross and refreshments will be served. The cost is \$2.50 per person. Class size is limited to 20 now!

We have begun saving Pepsi School Caps which are worth five cents each toward the purchase of new equipment for our school. The

Pre-School or Primary class and the Intermediate class that collects the most caps by May 24, will each win a pizza party. The caps must be marked "Pepsi School Cap" in order for them to count.

The faculty and staff of B.E.S. held a retirement party on behalf of Mrs. Mary Bussell on February 9. She was presented with a plaque on behalf of Rockcastle County Schools from Food Services Director, Mr. VanWinkle. Mrs. Bussell was also given a quilt stand on which she can display her new quilt made by the cafeteria staff. We miss you!

Mt. Vernon Message

MVES Spelling Bee Winner: Dustin Robinson.

We would like to congratulate Dustin Robinson at the MVES 1996 Spelling Bee winner. Dustin competed with winners from each of our 4th and 5th grade classrooms. Hats off to all those who participated in this event. Dustin goes on to compete with Roundstone, Brodhead and the Rockcastle Co. Middle School winners on Wednesday February 21 in the District Spelling Bee. Dustin is a student in Mrs. Kincaid classroom and is the son of Howard and Debra Robinson of Mt. Vernon. GOOD LUCK DUSTIN!!!

PROFESSIONAL DEVELOPMENT

The MVES Professional Development Committee met last week to make plans for completing the 95-96 plan and begin planning for the 96-97 school year. The following dates were established for teachers to complete their 95-96 plan:

Wed., March 6: 3:15-5:15 Ana-

lyze Data and Plan for 96-97 MVES PD

Wed., March 13: 3:15-5:15 Writing Portfolio Analysis Training

Thurs., March 14: 3:15-5:15 Writing Portfolio and Analysis

Tues., May 28: 8:30-2:30 Math Portfolio Training and Analysis

MVES is working hard to provide staff training that will lead to student success.

Portfolio Deadlines

The 4th grade writing portfolio and the 5th grade math portfolio deadlines are March 22. Parents, grandparents, and other family members can help students by asking questions about the student's portfolios, as students work toward completion. Also, by encouraging students to do their very best on their portfolios.

A portfolio is a collection of the student's work over a time period. Assessment portfolios in the 4th and 5th grades will reflect the student's

state to KY 461.

"They kept saying it would be three lanes in the late 90's," the mayor explained. "That it was all in the 6-year road plan. But since then we've changed administrations. So I don't know when the project stands now."

The governor had a few changes in the road plan, but not Rockcastle County.

"All I ever promised was a six-year road plan which could be completed in six years with the revenue which could reasonably be expected," said Patton. "I'm not going to be a party to deceiving the people."

Patton's plan removed \$546-million of what he said was "fluff money" in a plan compiled by the Brereton Jones administration two years ago. That plan, he said, relied on unrealistic predictions of federal funds.

Under the 6-year road plan, I-75 would be 6 lanes from Lexington to the Tennessee line.

But under the new plan, in our area, only London would benefit. Patton's plan calls for starting design work to widen I-75 to six lanes

in the London area.

Other widening projects on I-75 is north of Lexington. The remainder is on a "long-term proposal."

One project now under construction is Clay's Ferry Bridge. Other major projects are in the governor's plan. It includes segments of Ky. 119 between Pikeville and South Williamson, reconstruction of U.S. 421, over Big Hill in Madison and Jackson counties, and relocation from Daniel Boone Parkway to Tynar.

The highway needs of Kentucky includes an I-66 across southern Kentucky and a connector from I-65 near Shepherdsville through the Danville area to I-75 near Berea.

Lincoln County got some news about U.S. 27, which will be four lane between Stanford and Camp Nelson.

Patton eliminated only three projects from the 1994 version. About 300 projects mostly big construction items were delayed and 90 were advanced. About 80 projects were added.

"Busy Bees"

(Cont. from A6)

swered to the question, "What are you going to do, to change your life for the better this year?"

Minutes were read by our secre-

tary, Carolyn Gilbert. Treasurer's report was given by Barbara Prater.

Discussion of the Area-wide Homemakers Meeting scheduled for October 12th began. Those who couldn't attend the county meeting held last week were informed of plans and themes.

Lesson for the month was on: Meadows and Backyard Niches in Wildflowers. After the lesson we did a craft that was shared by Lydia McLemore. We made a heart-shaped wall hanging using straw ribbon and filling with a flower arrangement. Refreshments were served before we left for the evening. Next meeting will be March 14th at 6:30, at the ASCS building in Mt. Vernon.

Jr. Pro Tourney

This weekend at MVES, Rockcastle County Jr. Pro will be hosting a Training League Invitational Tournament for 8 and 9 year old teams. The double elimination tournament will run at MVES on Friday from 5:30-10:30 p.m., on Saturday from 9 a.m.-11 p.m., and on Sunday from 1-6 p.m. Teams competing in the tournament are from Rockcastle County, Casey County, Scott County, Madison County, Pikeville, and Lexington.

Friday Night at MVES-Rockcastle Co. #1 will face Madison Co. at 5:30 p.m. Rockcastle Co. #2 will face Pikeville #2 at 9:15 p.m.

Christie Wallin is shown practicing first aid on Zella Nickell. Christie and Zella are practical nursing students at Harry Sparks Vocational School.

Rockcastle Community Bulletin Board

Singles Club
The Singles Club will meet each Sat. night at 7 o'clock in the community room at the library. The club will also meet the last Friday of each month, same time, same place. Snacks and games will be provided. Dues are \$1 per person at each meeting. All singles are welcome. For more information, call 256-4347.

Line Dance Classes
Country Western Line Dance Classes for Beginners will begin Monday, March 4 at 6 p.m. Clogging classes for beginners will be starting Thursday, March 7 at 6 p.m. See ad in this week's Signal for more details.

Kiwanis Meeting
Kiwanis Club will meet at the Rockcastle Steak House Thursday at noon and will be the New Membership Kick-Off day. Sean Mize will be the guest speaker.

TOPS Meetings
TOPS (Take off Pounds Sensibly) meets Thursdays at 6 p.m. at the First Church of God on Main St. Ph. 256-2490 or 758-4047.

Bookmobile Schedule
Mon., Feb. 26: Scaffold Cane, Disputanta, Anglin Falls, Clear Creek and Wilde.
Tues., Feb. 27: Buffalo, Castle Village and Negro Creek.

Wed., Feb. 28: Ottawa and Bee Lick.

Discount Buying Class
Attend a Discount Buying Class on March 1st at 10 a.m. at the County extension office. Attend this free class and receive tips on shopping at outlet malls, discount shops and retail stores. Call 256-2403 for more information.

LEAP Notice
Livingston Economic Alternatives in Progress (LEAP) will be accepting garden seed applications at the office from now until March 15. For further information, call 453-9800.

Baseball Coaches Needed
Anyone interested in coaching or managing a Little League baseball team this summer, contact John Hale at RCMS no later than Tues., Feb. 27.

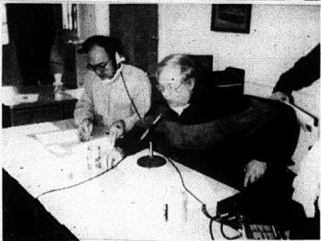

Chili Supper
The RCMS cheerleaders will be sponsoring a chili supper Tuesday, March 5, 5 to 7 p.m. at the Middle School. Tickets are \$3 per person and donations will be appreciated. Proceeds will benefit the RCMS cheerleading program.

TCE Program Note
The TCE program, sponsored by K.C.E.O.C. along with Wil Kinser, has help available for the people of Rockcastle County if they need help with their taxes but can't afford to pay for it? Help is available. Bring your tax forms to: Rockcastle County Courthouse (256-2856) on Thursdays between 1 p.m. and 4 p.m. on Feb. 22 and 29; March 7, 14, 21, 28 and April 4, 11. Or to the Rockcastle Senior Citizens Center (256-4316) on Thursdays beginning February 1st through April 11 from 9 a.m. till noon.

GED Practice Testing
Free OED tutoring is available at the Christian Appalachian Project Adult Learning Center or you can contact CAP to have a School on Wheels teacher come to your house. New rules regarding the Official GED Test now require a practice test first for "test readiness" - you can take this practice test on Wednesdays between noon and 4 p.m. For more information, call 256-5307.

Beef Meetings
The first of a four-part Beef Meeting Series will begin Thursday, Feb. 22nd (tonight) at 6:30 p.m. in the Agriculture Service Center meeting room. This week's topic will cover pasture and hay management for beef herds.

Attention Little League Baseball Players
LAST CHANCE to register for baseball this summer! All children MUST register whether already placed on a team or not. See application form elsewhere in this week's Signal or sign-up at Rockcastle Co. Middle School no later than Wed., Feb. 28.

The Rockcastle Kiwanis Club raised over \$4,000 in a radio auction held last Saturday. In the top photo, Bethanie Hammond, Sue Hammi, Maude Randolph and Vicki Cox take bids over the phone. In the middle photo, Mayor Gary Crigler and Bank of Mt. Vernon CEO Bill Ackerman donate their time during the auction and in the bottom photo, Rebecca Hammond and County Attorney Jeff Burdette keep track of the items being bid on.

"Farmer's Market"
(Cont. from front)

An organizational meeting will be held March 11 at 7 p.m. at the LEAP office on U.S. 25 between Mt. Vernon and Livingston at Calloway.

The group is looking at some alternative sites for the market. "Prospective growers are urged to make suggestions at the meeting," Swartz said.

Current plans are to operate the market one or two days per week throughout the growing season. "Several growers who plan to maintain production all season are needed to make the market successful," Swartz said.

Persons interested in participating in a local farmers' market this year should call the LEAP office at 606-453-9800 or Larry Swartz, market coordinator, at 606-986-7400.

"Flood Insurance"
(Cont. from front)

the program. However, there is a 30-day waiting period before the coverage goes into effect. For single family homes, this limit is \$35,000 and \$10,000 for the contents. Renters can also protect their belongings through the contents coverage. For

commercial properties, this limit is \$100,000. After the initial Emergency Phase, higher limits of coverage will be available.

Lenders must require borrowers whose property is located in a designated flood hazard area to purchase flood insurance as a condition of receiving a Federally backed mortgage loan in accordance with the Federal Disaster Protection Act of 1973.

The NFIP, implemented through the Federal Emergency Management Agency, is a self-supporting program, requiring no taxpayer support to pay claims and operating expenses. There are nearly 2.8 million flood insurance policies in the more than 18,000 participating communities. Federal flood insurance can be purchased at local insurance agencies.

Lady Rockets win two of three games

The Lady Rockets had an easy time in two out of three of their outings, defeating Madison Southern last Thursday night 63-41 and taking the measure of Barbourville Tuesday night 76-28. But, against the Garrard County Lady Lions Monday night, the girls' efforts were just not enough as they fell 44-37.

The girls offense took a while to get on track offensively against the Lady Lions, getting down 7-2 in the first quarter before rallying to come back to be down by four at the quarter stop 13-9. In the second quarter, the girls kept up with the Lady Lions for a 25-21 half-time deficit. But, in the third quarter, the Lady Rockets outscored the Lady Lions 8-4 to knot the score at 29-29 at the end of the quarter.

However, the girls couldn't sustain the rally, going to the 3-49 mark in the fourth quarter before getting on the scoreboard and, by that time, Karen Flannery had taken charge and scored 7 straight points for the Lady Lions to put them ahead 36-32.

Junior Suzie Carpenter, who led the scoring for the Lady Rockets with 10 points, was hurt with 49 seconds left in the game and will be out of action at least until Saturday. Point guard Jessica Albright got 7 points;

Melinda Alcorn 6; Amy Robinson and Kristi Moore, 4 each and Ginger Mink, Dee Reams and Tiffany McClure, 2 each.

Against Madison Southern last Thursday night, the Lady Rockets were in control all the way as nine Lady Rockets scored, three in double figures. The girls led at all the quarter stops: 23-9; 35-18; 47-28 and the final 63-41.

Carpenter led the scoring with 14 points; Jessica Albright got 11; Amy Robinson 10; Dee Reams and Kristi Moore, 8 each; Melinda Alcorn 6 and Ginger Mink, Brandy Reynolds and JoAnna LewAllen, 2 each.

At Barbourville Tuesday night, the Lady Tigers were just no match for the Lady Rockets in the 76-28 rout. 16 Lady Rockets saw action with 14 of them getting in the scoring column. No lady Rocket made it to double figures but that was because Coach Christy Noble kept switching the entire squad out to give everyone maximum playing time.

The Rockets led 26-9; 47-13 and 63-16 at the quarter stops.

Melinda Alcorn, Jessica Albright, Kristi Moore and JoAnna LewAllen each scored 8 points; Tiffany McClure and Amanda Osborne each got 7; Suzanne Brown and Jessica Rickets

scored 6 each; Amy Robinson, Ginger Mink and Brandy Reynolds each got 4 and Dee Reams, Jennifer Cromer and Brooke Roberts, 2 each.

Jayvees win two more

The Lady Jayvees also won at Madison Southern Thursday night, 34-23 with Nikki Bullock leading the scoring with 10 points. Other Jayvees scoring were Tiffany McClure with 7; Amber Coffey 5; Suzanne Brown and Amanda Osborne, 4 each and Jennifer Cromer and Brandy Reynolds, 2 each.

Against Garrard County Monday night, the girls had a little harder time, winning by two, 32-30.

Rockets lose three; now 7-14 on season

Last Friday night, the Rockets began a three game series that would see them go the wrong way in their win-loss record, nothing added in their win column and all three to the loss side.

The first game was at McCreary Central Friday night where the Raiders would looking to avenge an earlier season loss at the Rock and they did just that, taking a 61-56 win from the Rockets despite Gary Burns and Dusty McClure combining for 39 points.

The second game found the Rockets at North Laurel and although the Rockets had a 32-26 half-time lead, the Rockets came up on the short end of the score at the final 67-63.

Tuesday night, the Rockets hosted the Barbourville Tigers and it didn't resemble the two teams' first encounter at all where, at Barbourville, the Tigers barely eked out the win. Tuesday night, it was all Tigers as they held a 70-46 lead before both sides started play subs and the Rockets came back to cut the lead to the 72-59 final.

At McCreary Central, the Raiders came out strong and had the Rockets down 6-2 before Burns got baskets and Chad Severance added two free throws to cut the first quarter lead to 13-10. In the second quarter, Burns tossed in six more points; Dallas Rigby hit a three and Chad Severance and Dusty McClure each scored to take a 23-22 half-time lead for the Rockets. However, it wasn't a good third quarter for the Rockets as McCreary Central outscored the Rockets 19-10 for a 41-33 lead at the quarter stop. Despite a valiant fourth quarter effort by the Rockets, cutting a 56-43 lead down to a 58-53 edge, the Rocket rally fell just short. McClure, who went into the fourth quarter without any fouls, turned up his defensive efforts to the extent that he fouled out of the game with 1:21 remaining, the only Rocket to exit by fouls.

In addition to Burns 19 and McClure's 20; Dallas Rigby and Chad Severance each got 7 and Travis Anderson scored 3. 12 of McClure's points came from the free throw line

The Lady Rockets are now 9-14 on the season and will finish their regular season Thursday night against Paris.

The girls trailed at the first quarter stop 11-6 and at halftime 17-16 but came back in the third quarter to outscore the Lions 10-5 and take a 26-22 lead. In the fourth quarter, the Lady Jayvees were outscored 8-6 but managed to hang on for the win.

Jessica Rickets led the scoring with 8 points; Nikki Bullock, Suzanne Brown and Tiffany McClure each got 6 and Amber Coffey, Amanda Osborne and Jennifer Cromer, 2 each.

where he was 12-14.

At North Laurel Saturday night, the Rockets again gave a valiant effort, which included a 21 point performance from Burns and Severance.

The Rockets sailed through the first half, holding a 16-10 first-quarter lead and a 32-26 edge at half-time. But, in the last of the third quarter and with an 11 point lead, the Rockets went cold and the Jaguars went on a 13-1 run to take a 47-46 third quarter edge.

The fourth quarter seasawed back and forth with the Rockets last lead at 61-60. The score was tied at 63 all but a Jaguar went to the free throw line and hit two freebies to put the Jaguars ahead 65-63 with 6:8 seconds on the clock. The Rockets had that long to tie or win but a baseball inbound pass to Burns was intercepted and the Jaguars wound up with two more baskets for the final 67-63.

Besides Burns' and Severance's 21 each; Dallas Rigby got 6; Dusty McClure 9; Corey Scott 3 and Eric McGuire 1.

Monday night against Barbourville, the Rockets and Tigers were all knotted at the end of the first quarter, 12-12 but, the Tigers came out hot in the second quarter and turnovers by the Rockets contributed to the 33-21 half-time edge for the Tigers.

Things just got worse for the Rockets in the third quarter, as the Tigers padded their lead to 53-37 at the quarter stop and, were down 70-46 when both coaches started clearing their benches and the Rocket subs brought the score back to a final 72-59.

The Tigers had the edge in the free throw column, hitting 23 of 38 to the Rockets 13 of 17.

Only one Rocket, Dusty McClure with 13, was in double figures. Burns washed to 9 points; Rigby, Nathan DeLeon and Andy Hale got 7 each; Severance 6; Anderkin 5; Layne Nicely 3 and Eric McGuire 2.

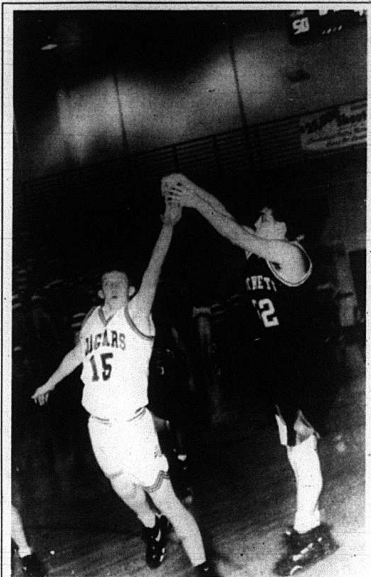

The Rockets are now 7-14 on the season and will finish their regular season play Friday night against the Danville Admirals. The seniors will also be honored during the game.

DeLeon 3 and Brown 2.

Against Barbourville Tuesday night, 10 Jayvees scored and Layne Nicely got a season high 25 points to lead the Rockets to a 63-25 rout of the Jayvee Tigers.

The game was never in question from the opening tip-off with the Rockets ahead 15-4 at the first quarter stop; 37-8 at half-time and 49-17 at the end of the third quarter.

Besides Nicely's 25, (out 100) and

Corey Scott goes for and gets a three against North Laurel Saturday night in an action-packed game which saw the Rockets come up on the short end of the score 67-63.

8th grade wins in tourney

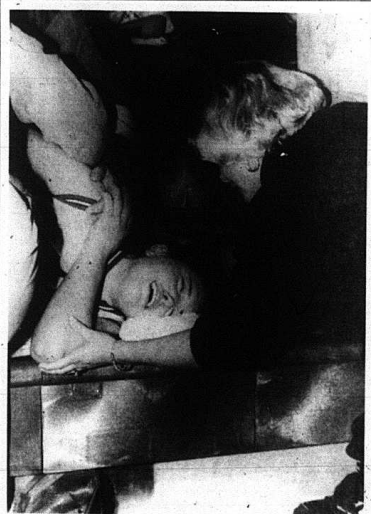

The 8th grade Rockets, seeded second, traveled to Northern Pulaski last Friday night where they soundly defeated seventh seed South Laurel in the opening round of the conference tourney 61-43.

The Rockets jumped out to a 16-5 lead in the first quarter and coasted to a 38-12 halftime lead.

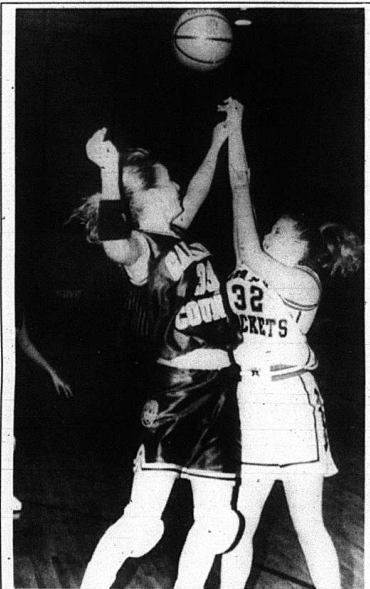

After the game, Coach Jason Coquer praised the play of Daniel Morgan (10 points) and Matt Brown (8 points). Morgan and Brown com-

bined for 15 rebounds. Coquer said, "If this team will come out as aggressive each time as they did against the Coquers, they have a chance to go all the way in the tourney."

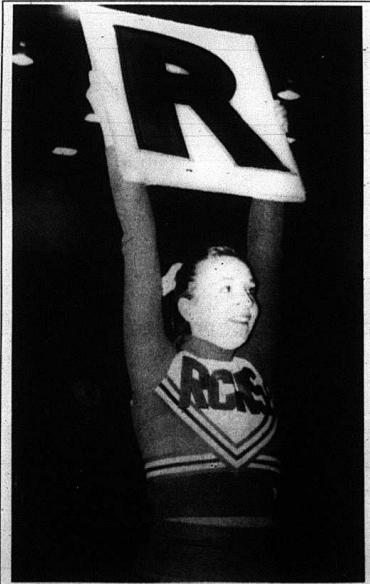

Morgan's 10 points led the Rocket scoring; Andrew Cash and Chris Parsons each got 9 points; Josh Singleton added 8; Jacob Burdette got 5 points; Luke Hayes and Greg Harper both scored 4; Jon Renner had 3 and Steve Robinson 1.

Junior Suzie Carpenter is comforted by coach Christy Noble after being hurt in action Monday night against the Lady Lions. Carpenter was going after a loose ball when she jumped over the scorer's table and wound up about three rows up and hit her lower back on the edge of a bleacher. Carpenter escaped with severe bruises and strained muscles and will be out of action until Saturday.

Lady Rocket Ginger Mink gets a shot off against a Garrard County Lady Lion defender Karen Flannery during action Monday night. The girls lost 44-37, mainly due to the efforts of Flannery who scored 20 points. Mink was 2-4 from the free throw line in the game.

Sophomore cheerleader Heather Burton tries to get the Rocket crowd into the action at Saturday night's game at North Laurel.

Last second shot by Nicely gives Jayvees win

A last second three-point shot by Layne Nicely gave the Rocket Jayvees a one-point 34-33 victory over the Jayvee Raiders. At 1:02, the score was knotted at 31 all and a Rocket turnover resulted in a Raider basket and a 33-31 edge. However, Nicely unleashed a three point shot with just seconds on the clock and it sailed through for the win.

It was a hard-fought game with the Rockets down 8-4 at the end of the first quarter and 7-1 at half-time. But, the Rockets took the next two quarters by a 10-8 margin each. Blake Childress led the scoring with 13 points, including 11-11 from the free throw line; Nicely got 6 second-half points; Andy Hale also scored 6; Nathan DeLeon got 4 points; Billy Kirby 3 and John Brown 2.

At North Laurel Saturday night, Michael Vaughn came through with a last second basket to knot the score at 21 all in regulation and Nicely scored the only basket for the Jayvees in the first overtime to keep up with North Laurel's output and bring on a second overtime. However, in the second OT, the Rockets could only manage one basket, a two pointer by Vaughn, while the Jaguar Jayvees were scoring 7 for the 34-27 final.

Nicely was the only Rocket to break into double figures with 11 points, off three three-point baskets and a two. Childress got 7 but was uncharacteristically cold from the free throw line, going 3-8; Vaughn got 4;

Senior Night at RCHS

Senior night for the Lady Rockets basketball players was held Monday night prior to the varsity game between the Lady Rockets and the Garrard Co. Lady Lions. Honored were the three senior members of the squad, who were escorted by their parents and/or grandparents. In the photo are, from left: Melinda Alcorn and her parents, Shellie Alcorn and Connie Kirby; Ginger Mink and parents Harold and Lora Le6 and Dee Reams with her mother, Norma and grandparents, Elmo and Della Reams. Dee is also the daughter of Roger Reams who couldn't be present. The girls were presented with plaques and flowers by head coach Christy Noble.

Junior Pro Finale

The 1995-96 Rockcastle County Junior Pro season finished for the year after completing the double-elimination league tournaments for the competitive Training and JV League over the past week and a half. The non-competitive Instructional League for 6 & 7 year olds also finished their season during that time span. Listed below is a recap of the many games that took place in each

tournament. Congratulations to the MAGIC AND THE SUNS on their Tournament wins in the Training League and JV League, respectively!

JV LEAGUE
CELTICS 39 HEAT 33
 The first game of the JV tourney set the tone for the rest. This was a dandy of a game that can best be described as spurt-filled. In the 1st period, the Heat blistered the Celtics

with a 12-2 run. In the 2nd period the Celtics surged back on an impressive 12-6 run led by Aaron Anderkin, who had the whole dozen Green team points. Another surge by the Celtics saw them outscore the Heat 16-8 in the 3rd quarter. In the final period, the Celtics managed to hang on for the narrow, but impressive 4 point win to advance. For the Celtics: Anderkin led the way with 26 points

and several rebounds in an outstanding performance; Steven Coffey stepped up with an impressive season best 9 points; Jonathan Baker added 4 points in a nice game; Derrick Shelton added 2 points and good point play and Ben Taylor and Rod Shelton contributed good board work inside. For the Heat: Jason Reynolds put together an excellent game highlighted by 13 points and several rebounds and assists; Kane Holbrook and Matthew Bastie each added 5 points and leadership; Josh Bray and Austin Miller each connected for 4 points on nice outside shooting; Darrin Harris and Rodney Payne each gave 2 points and nice rebounding while Joey Gustems, Matthew Mullins, and Rebekah Lyons all added nice hustle and defense off the bench.

SUNS 45 HORNETS 27
 The second and third place finishers in League Play squared off in this one, which was expected to be a dandy. In their early season match-up these two teams provided the crowd with an exciting game, and this crowd expected the same. However, on this day the Suns would have been matched by very few teams as they came out clicking on all cylinders and put together a very impressive showing enroute to a shockingly easy run-away win over a very good Hornets team. For the Suns: Chris Settles put on a show with 21 points and several steals and assists; Michael Hayes connected for 14 points and pulled down about that many rebounds; Stephen Boreing fired in 6 points, while sister Angela hit for 4 points; Justin Cornelius added 1 point for the Sun attack, while Adam York, Jarred Stevens, and Jason DeBord all provided hustle and grit off the bench. For the Hornets: Devin Taylor led the way with 12 points and several steals; Alex Martin stepped up with 8 points and aggressive hustle; Matthew Renner added 5 points and several rebounds; Brad Wesley scored 2 points and provided inside muscle, while Jackie Weaver, Shawn Denny and Justin Rogers provided hustle off the bench.

CELTICS 30 CELTICS 27
 This was an outstanding ballgame that saw the 5th place finishers in League Play nearly knock off the undefeated regular season champs. The Celtics unquestionably took their game up to a new level in this one as they overcame a 20-8 first quarter deficit to wind up trailing by just one at the end of the 3rd quarter. With just 1 minute remaining, the Green team appeared on the way to the upset victory as they held a 3 point lead. However, the Warriors refused to quit, and clamped on a full court press that forced several quick turnovers. This would be all the Warriors would need as they used this to their advantage and scored the final 6 points of the game to claim the victory. For the Warriors: Aaron Cash scored 16 points including 10-11 from the charity stripe; Amber Denny scored 8 points and provided strong rebounding; Tim McIntosh drained 3 long jumpers for 6 points; Clay Smith and Courtney Alexander each added 4 points; and Jessica Thacker tallied 2 for the cause. For the Celtics: Aaron Anderkin hit for 16 points and led the Celtic attack in all areas; Rod Shelton stepped up for a season best 9 points

The Mt. Vernon Signal
 and rebounds; Jonathan Baker fired in 6 points; Derrick Shelton added 3 points and nice point play; Ben Taylor connected for 2 points and had some nice boards and Steven Coffey added 1 point and nice interior play.

HORNETS 37 HEAT 26
 These two evenly matched teams squared off against each other knowing only one could advance. Neither stepped back or flinched as they used their up-tempo offensive attack to go for the victory. In this one though, the Hornets would be the team to advance as they were buoyed by their potent inside-outside attack of Devin Taylor and Matthew Renner who connected for 16 and 12 points respectively; Alex Martin added 3 points and aggressive defense and Shawn Denny finished out the tally for the Hornets with 1 point. For the Heat: Austin Miller fired in a season best 13 points in an excellent game; Jason Reynolds added 10 points and several boards; Kane Holbrook, Darrin Harris and Josh Bray all added 4 points and great hustle and Rodney Payne finished with 1 point and several rebounds.

HORNETS 36 CELTICS 29
 The Celtics fresh off their near upset of the Warriors, hoped to stay alive in the tourney by knocking off the always tough Hornets. The Celtics appeared to have a good leg up in doing so at the half as they held a point edge at that time. However, the Hornets: Matthew Renner powered the way with 18 points and about a dozen rebounds; Devin Taylor hit for 13 points and several steals, and Cole Hammond added 5 points and good defensive effort on the press. For the Celtics: Aaron Anderkin again did a good all-around job with 15 points and several rebounds and steals; Derrick Shelton added 6 points and good perimeter defense; Rod Shelton had 4 points and several boards; and Steven Coffey and Jonathan Baker each contributed 2 points to the Celtic effort.

CELTICS 48 SUNS 1st game
SUNS 53 WARRIORS 24 final championship game
 The Warriors came into this one tired from having to fight their way through the bottom bracket to the championship game, but ready to avenge their only loss of the season by eliminating the Suns. The Suns were sitting in the catbird seat at this point though. By virtue of the fact that the tournament was double elimination, the Warriors would have to beat them twice to claim the tournament title. In the initial game, the Warriors managed to stay alive and kept the double title hopes alive as they knocked the Suns off in a game that was just as exciting to watch. Each team played intensely and tempo, but it belonged to the Warriors who forced the deciding final game. In the final game, the Suns just proved to be too much as they shellacked a tired Warriors club 53-24. However, both teams are commended for their great effort and hustle in this grueling double elimination tournament. In the first game: For the Warriors: (Cont. to A12)

SUNS 24 WARRIORS 24
 The unbeaten Warriors hoped to continue their charge through the season and add the tournament championship to their League title. However, the Suns were encouraged by the Celtics near upset of the Warriors and came out looking to do the job themselves. Using a full-court press to full advantage in the second half, the Suns made it happen as they handed the Warriors their first loss of the season by outscoring the Warriors 24-16 over the final three periods of play. For the Suns: Chris Settles fired in 14 points and did a splendid job at the point; Stephen Boreing scored 7 points and added a good rebounding effort and Angeloreng, Michael Hayes, Jarred Stevens and Adam York all put in 2 points toward the Suns upset margin. For the Warriors: Tim McIntosh led the way with 8 points on some nice jumpers; Aaron Cash had 6 points; Amber Denny and James Michael Bussell hit for 3 points a piece and Courtney Alexander and Clay Smith

Jayvees Win
 (Cont. From A10)
 ets scoring were Hale with 8, Vaughn got 7, Blake Cahoun 6, Blake Childress 4; Jeremy Martin 3 and Matt Ford, Billy Kirby and Nathan DeLeon each Brown didn't score but pulled down the most rebounds for the Jayvees. (6)
 The Jayvees are now 12-8 on the season.

It was Eighth Grade Honors Night last week at the RCMS's games with Corbin. Honored were the athletes, cheerleaders, dance team members and statisticians and their parents. In the above picture are, from left: statistician Cassandra Falin and her mother Juanita Falin; Natasha Bishop and her father, Mark Bishop; Kathy Mullins and her father, Jerry Mullins and Brooke Roberts and parents, Glen and Donna Roberts.

In the above photo are, from left: Angela Owens and parents, Steve and Onna Kay Owens; Erica Kirby and parents, Ricky and Patty Kirby and Kristi Brown and mother, Karen Cash.

In the above photo are, from left: Jacob Burdette and mother, Larva Durham; Neil Childress and parents Mike and Myrna Childress; Daniel Morgan and parents, Terry and Karen Morgan and Stephen Robinson and mother, Renee Robinson.

From left, Jon Renner is shown with his parents, Michael and Cecilia Renner and Luke Hayes and parents, Steve and Patty Hayes.

Other ballplayers honored were, from left: Andrew Cash with his parents, Clayton and Debbie Cash and Matt Brown with parents, Cleis and Rosamond Brown. Two eighth graders were unable to be present: Brad McNew, son of Wayne and Mary Ann McNew of Mt. Vernon, who could not attend because of illness and Robert Clark, son of Mitch and Sandy Nolan of Livingston who could not be present because of a death in the family.

Dance team members honored were, from left: Jessica Childress, and parents, Danny and Connie McClure; Lindsey Hall, and mother, Debbie Hall and grandmother, Kris Brown and Courtney Hansel and mother, Charlotte Hansel.

Other dance team members were, from left: Carissa Louallen and parents, Steven and Brenda Louallen; Cathy Moberly and parents Henry and Barbara Moberly of Berea and Debbie Spencer, daughter of Geraldine Spencer, who was escorted by her sister, Tammy Wynn. Also honored was Marisa Frederick and her mother, Susie Horn of Brodhead, who could not attend.

Junior Pro
(Cont. From A11)

Aaron Cash hit for 21 points and several steals and assists; Clay Smith stepped up with a clutch 11 point performance; Tim McIntosh buried four jumpers for 8 points; Courtney Alexander hit for 4 points and pulled down several boards, as did Amber Denny who added 3 points; Jeremy Rowe added 1 point for the Warriors for the Suns. Chris Steute hit for 14 points, as did Stephen Boring who played a simply marvelous game; Michael Hayes scored 4 points and added nice defense; Angie Boring, Adam York and Jarred Stevens popped in 2 points, while Justin Cornelius and Jason DeBorde added good hustle. In the Final game: For the Suns: Chris Steute did a super job running the point for the Suns, hitting for 23 points and adding several steals; Stephen Boring again played well with 10 points and as many rebounds; Angie Boring stepped up to provide clutch defense; Michael Hayes chipped in with 6 points and as many boards; Justin Cornelius, Adam York and Jarred Stevens all managed to connect for 2 points while adding hustle and enthusiasm. For the Warriors: Aaron Cash led the way with 8 points; Clay Smith followed with 6 points; Amber Denny scored 4 points and pulled several boards and Tim McIntosh, Courtney Alexander and Jessica Thacker all added 2 points for the Warriors.

TRAINING LEAGUE
TIMBERWOLVES 18 BULLS 15
The opening round of the Training League tourney began with the 3rd seeded Timberwolves clashing with the 6th seeded Bulls. This was a contest of wills that was decided until the final horn sounded. Both teams came out of the gate like houses afire as they lit the scoreboard up with an impressive offensive display that saw the Bulls ahead 9-8 at the end of the 1st quarter. From that point on, each team turned on the "D" and worked hard to shut each other down. In the end though, it was the T-Wolves who hung on to capture the win and advance to the second round of the tournament. For the T-Wolves: Jarred Burdette led the way with 8 points and several rebounds; Kyle Mullins fired in 4 points and led the team; Anthony Cummins, Jonas Adams, and Andrew Nelson all connected for 2 points and several boards; and Mike Blair, Brandon Falin, and Nicholas Eaton all added hustle and defense for the cause. For the Bulls: Matthew Evans and James Isaacs led the way with 4 points each; Cody Alexander added 3 points and banged the boards; Weston Riddle and Nicholas Eaton each added 2 points while Phillip Boring and the Consiglio twins, Dustin and Justin added great hustle and spark.

HORNETS 20 LAKERS 14
This was an intense contest and a good one to watch. Each team showed hustle, enthusiasm, and determination to advance. However, there could only be one team that could advance onward and on this day it was the Hornets. The difference in this one would be the middle sequence of the game, when the Hornets outscored the Lakers 12-4 during the second and third quarters. For the Hornets: Colby Brown put together a strong performance highlighted by 10 points and several rebounds and steals; Ronny Lee McClure added 4 points on some nice outside shooting and Derrick Hurst, Brandon Griffin, and Timmy Simpson all added 2 points and good hustle as did Matthew Whitaker, Mark Dyehouse and Matthew Carter. For the Lakers: Nathan Doan was the force for the Lakers in this contest as he put on a great show that included 10 points, several rebounds, and nice defense. Jacob Taylor rounded out the scoring for the Lakers with 4 points and also hit the boards hard; Max Taylor, Brandon Reams, Dustin Lear and the Cuginas, Chad and Charles also stepped up to add great hustle and intensity for the Lakers.

CELTICS 17 RAPTORS 15
This was not a game to watch for the faint of heart. The lead changed several times and was tied just as many times. Both teams hustled and scrapped for every loose ball and rebound. The Celtics had several opportunities to pull away down the stretch, but they couldn't sink their free-throws and the Raptors wouldn't let up on shooting. With less than a minute to play, and the score tied, clutch rebound put back by the Celt's Jesse Hamm proved to be the difference. The Raptors had one last chance though, a long range jumper that made everyone in the gym hold their breath as it just glanced off the front of the rim as the horn sounded. For the Celtics: Matthew Silcox put on a show with 11 points and several steals; Hamm had his 2 clutch points as well as several rebounds; Matthew Burkette added 2 points and great defense; while Devon Russell added 7 points and great boardwork; Josh Hayes, Chris Tolle, Justin Burkhardt, Josh

McFerron and Brad Seylor all stepped in to add great hustle for the green team effort. For the Raptors: despite being double-teamed DeLon Graves put on a show that included 9 points and several rebounds and steals; Brandon Cameron and Chris Mullins each added 2 points and good hustle; Luke McCauley and Matthew Allen each scored 1 point and great defense; and Nathan McQueen added nice hustle and defense.

RAPTORS 28 BULLS 23
In this match-up in the Lower bracket, a loss meant immediate elimination and an early exit from the tournament. Each team came up just short in their first-half match-ups and wanted to average those hard luck losses with a victory here. For the Raptors, the season would continue as they put together a balanced attack to eliminate the Bulls and avenge an earlier season loss to them. For the Raptors: DeLon Graves powered the way with 13 points and several rebounds and steals; Nathan McQueen stepped up with a big game highlighted by 8 points and several rebounds; Luke McCauley added 5 points and several rebounds; and Matthew Allen chipped in with 2 points and more good rebounding. For the Bulls: Cody Alexander put together a super game highlighted by 11 points and at least as many rebounds. Nicholas Williams fired 6 points and Matthew Evans added 4 and Weston Riddle finished out the scoring for the Bulls with 2 points.

CELTICS 21 TIMBERWOLVES 18
DOUBLE OT
It would take 2 overtimes to decide this one. Each team came out and played hard as they tried to secure a place in the finals of the Upper (winners) Bracket of this Double Elimination Tournament. The T-Wolves put together an excellent scoring attack, but would not be enough on this day as the green team, behind some clutch free throw shooting and aggressive rebounding marched onward with a narrow victory. For the Celtics: Matthew Silcox and Jesse Hamm each led the way with 8 points and strong over-all games; Matthew Burkhardt added 3 points and Devon Russell put in 2 points. For the T-Wolves: Jonas Adams, Jarred Burdette and Caleb Blair all fired in 4 points to lead the T-Wolves; Andrew Nelson contributed 2 points and good defense; Kyle Mullins popped in 2 points and Cody Moore added 1 point.

MAGIC 23 HORNETS 18
This was another dandy of a ball game. Either team had the opportunity to advance, as the lead changed hands or was tied on a number of occasions. In the end, however, the Magic took advantage of the Hornets fouling problems and connected on their free throws to win the game. For the Magic: Blake Roberts led the way with 10 points and several rebounds; Dereck Hurst fired in 8 points and led the attack from the point in nice style; Jackson Bray and Daniel Pingleton added 2 points and nice defense for the Magic while Jeffery Cromer, Mikah Reams, and Ricky Samuels all added aggressive defense and nice hustle. For the Hornets: Colby Brown and Ronny Lee McClure led the way with 6 points each and had nice perimeter games; Brandon Griffin added 4 points and inside muscle and rebounding; and Nathan Simpson and Brent Clontz each picked up 1 point and played good defense.

RAPTORS 28 LAKERS 27 OT
This was another excellent game that regulation time could not decide; and extra period of overtime was required. The Raptors were aided by five going into the final period, but charged back by outscoring the Lakers 9-2 in the fourth quarter to force the OT. In the overtime, the Raptors Nathan McQueen took over and scored all Raptor buckets to lead his squad to the victory. For the Raptors: McQueen had a stellar game of 14 points and numerous rebounds and steals; DeLon Graves added 5 points and several rebounds and assists despite being double-teamed; Amanda Rogers had 4 points and several rebounds; and Brandon Cameron, Matthew Allen, and Chris Mullins each popped in 2 points. For the Lakers: Jacob Taylor fired in 15 points and pulled down several rebounds in an excellent game; Nathan Doan, Brandon Reams, and Chad Cuginag all connected for 4 points to round out the scoring.

TIMBERWOLVES 30 HORNETS 26 Overtime
In yet another demonstration of the parity of the Training League, this game required an overtime to decide the winner. Each team played very well and got after each other on each side of the floor. But in the end, Jarred Burdette led the T-Wolves to the "W" by scoring all seven of the T-Wolves' points in the extra period. For the T-Wolves: Burdette finished with 15 points and numerous rebounds and assists in a great all-around game; Kyle Mullins added 7 points and headsy play during the point guard slot and Brandon Falin picked

up 4 points and a bushel of rebounds off the glass. For the Hornets: Colby Brown paced the attack with 14 points and several rebounds and assists in a nice all-around performance. Brent Clontz pumped in 4 points and garnered several boards; Ronny Lee McClure and Brandon Griffin each fired in 3 points and did a nice job off the glass and Timmy Simpson tallied out the score with 2 points.

MAGIC 23 CELTICS 22
In the final game of the winners bracket, these two teams squared off to see who would maintain the distinct advantage of not having to come out of the ottom bracket for the championship game of the tourney. This was a tight one, as would be expected in a showdown of the 1st and 2nd place teams from League Play. In this one, despite the best effort of the green team, it would be the 1st place Magic that advanced. For the Magic: Blake Roberts had an excellent game that included 17 points and about a dozen rebounds; Dereck Hurst popped in 6 points and led the Magic from the point; and Jackson Bray scored 2 points and pulled down several rebounds. For the Celtics: Matthew Silcox led a balanced attack for the Green team with 7 points; Jesse Hamm and Devon Russell, the inside force of the Celtics each connected for 6 points and combined for many boards; while Josh Hayes added 1 point for the Celts.

TIMBERWOLVES 22 RAPTORS 14
In the semifinals of the bottom bracket, the T-Wolves and Raptors squared off in a do-or-die match-up. Victory meant advancement losing meant end to the season. This was a tight one, but the T-Wolves managed to barely keep their hand throughout the match. The T-Wolves led by 4 at the half, and by the end of the 3rd period and managed to keep hold of the victory by making their free-throws in the clutch in the fourth period. For the T-Wolves: Jarred Burdette led the way with 14 points and several boards in a strong all-around game; Kyle Mullins scored 3 points and tallied several assists from the point; Jonas Adams and Andrew Nelson each scored 2 points and added good defense; and Brandon Falin picked up 1 point and several boards for the tally. For the Raptors: DeLon Graves led the way with 6 points and several assists and rebounds despite being double-teamed most of the game; Nathan McQueen added 6 points and several rebounds; Chris Mullins popped in 4 points and added nice defense.

TIMBERWOLVES 21 CELTICS 17
In the finals of the bottom bracket, the 2nd and 3rd place teams from League play connected for the 4th time each other again. Only the night before, they had thrilled the crowd with an incredible double OT game, and this one proved to be another game. OT wasn't needed for this one though, as the T-Wolves managed to stretch it to a 9 point lead by the end of the 3rd period and held on for the win despite a furious 4th quarter rally by the Celtics. For the T-Wolves: Jarred Burdette led the way with 10 points and several rebounds; Kyle Mullins had 5 points and as many assists from the point; Andrew Nelson added 2 points and several rebounds and Jonas Adams and Brandon Falin each connected for 2 points and added good defense. For the Celtics: Matthew Silcox led the way with 7 points and several assists; Devon Russell scored 4 points and had several boards while Matthew Burkhardt, Jesse Hamm and Chris Tolle had 2 each to round out the scoring.

MAGIC 24 TIMBERWOLVES 22
The tourney title was on the line in this one as the Magic squared off against the T-Wolves. The advantage definitely belonged to the Magic in this one, as they faced a team playing their second game of the day. The Magic zapped out to a quick 10-2 first quarter lead and the folks in attendance thought this one might be a lop-sided affair. However, the T-Wolves had other ideas, as they had come this far and did not want to leave without a claim to the 1st place trophies. They roared back from a 9 point deficit at the start of the 4th quarter by outscoring the Magic 12-5 in the final period. Despite the impressively rally, it was not enough on this day, as the Magic hung on for the gritty win by showing the same determination and never quit attitude that helped them capture the Championship in League Play as well. For the Magic: Blake Roberts led the way with 10 points and pulled down about as many rebounds; Dereck Hurst hit for 5 points and did another nice job at the point; Ricky Samuels scored 5 points and provided tenacious defense and hustle; and Daniel Pingleton added 2 points for the cause. For the T-Wolves: Jarred Burdette hit for 8 points and added a number of boards; Kyle Mullins scored 3 points on 3 of 6 FT shooting. Andrew Nelson added 4 points and several rebounds; and Jonas Adams and Anthony Cummins each connected for 2 points and provided rebounding and nice defense.

Rockcastle students, student teaching

Eight Eastern Kentucky University students from Rockcastle County are among 210 teacher-education students doing their student teaching this spring semester.

EKU's College of Education places its student teachers in classrooms to gain practical classroom experience, said Dr. David Rush, director of EKU's professional laboratory experiences office. The student-teaching experience, which is required before a college graduate can be certified, follows on-campus instruction in teaching fundamentals, methods and subject-matter areas.

Local residents and the school to which they have been assigned include Daniel Stevens, Lee Scalf, Gina Nicely, Kathy Howard, Christopher M. Frith, Calvin Creech, Bonnie Allene Cornelius and Julie B. Coffey.

"The student-teaching experience is periodically supervised and evaluated by University supervisors who are all former teachers and who are knowledgeable about recent school reform," Rush said. "We believe our students are well-prepared to be outstanding teachers."

EKU students preparing for teaching careers also have the unique advantage of gaining practical classroom experience at Model Laboratory School, the only laboratory school in Kentucky. It is designed to provide educational experiences for future teachers that might otherwise be unavailable.

The student teachers are working at the secondary, elementary and middle school levels, and in special education settings.

"Eastern is the commonwealth's largest producer of classroom teachers and school administrators."

"The success of our program is based on high admission standards, a dedicated faculty, and a course of study that combines strong content and methodology courses with practical experience at the laboratory

Tara Cox brings home honors from convention

Once again, students from Images Model and Talent Agency have swept the competition! Twenty-four students ventured west to be one of the newest finds at the International Modeling and Talent Association's (IMTA) Los Angeles Convention. The convention was held January 7 through 14 at the Westin Bonaventure Hotel.

"This is truly a once-in-a-lifetime opportunity for the potential model or talent," said Janie Olmsted Hed, Images' owner/director. "Our students met and auditioned for scores of modeling and talent agents that they would never have had the opportunity if it weren't for IMTA's convention."

The top modeling and talent agents in the industry attended this convention, searching for new faces and fresh talent. This convention continues to open doors and broaden horizons for Images' students.

Tara Brooke Ann Cox, daughter of Tamara and Robert Cox of Mt. Vernon, brought home honors in Fashion/Print (Honorable Mention) and received many agency callbacks.

Over 3,000 aspiring models and actors attended this event where Images' student brought home over 200 contracts, trophies and honorable mentions.

school before our students student-teach," said Dr. Kenneth Henson, adjustments as needed as school reform unfolds, ensuring our continued success."

Eastern Kentucky University is a comprehensive university serving about 15,700 students on its 560-acre Richmond campus, throughout its 22-county extended service region, and beyond.

Beauty Pageant

Libbi Taylor, Executive Director of the "Miss Kentucky Scholarship" Pageant in Lexington, has announced the "Miss Richmond Area Scholarship Pageant" competition to be held Saturday, March 23, 1996 in the Gifford Theater on the EKU campus.

There will be a "Little Miss Richmond Area" ages 4,5,6,7,8. In addition there is a "Miss Richmond Area" title for young ladies ages 9,10,11,12,13. "Teen Miss Richmond Area" must be ages 14-16 as of March 23.

Miss Richmond Area must be a 17 year old high school senior (as of March 18) and not over 24 years old

as of Sept. 30, 1996. She will represent this area in the state competition in June in Lexington.

Contestants from the counties of Madison, Garrard, Estill, Clark, Lee, Jackson, Rockcastle and Laurel are being sought. EKU and Berea students are also welcome.

"Miss Richmond Area will compete in talent, interview, swimwear, and evening wear competition. The pageant is offering a \$1,000 gift package and \$500 in scholarships.

Little Miss, Junior Miss, Teen Miss Richmond Area will compete in formal wear, interview, and sports wear.

The Miss Richmond Area Committee is non-profit and is an official Miss America Preliminary. Applications may be obtained by calling (606) 623-0426. Local citizens interested in serving on a committee may also call the same number.

50th Anniversary Celebrated

Ernest and Loretta (Lunsford) Bowling of Brohead celebrated their 50th anniversary recently. They were married in Brohead by Bro. Whitley on December 31, 1945. They have four children: Ernie of Brohead, Sue (Powell) of Berea, Bro. Walter of Lancaster and Casper of Mt. Vernon.

Olden Anniversary Celebration

Children and grandchildren of Mr. and Mrs. Walter Shepherd extend the honor of your presence at a reception to celebrate their 50th olden anniversary. The reception will be held Sunday, February 25, 1996 from 2 to 4 p.m. at First Baptist Church, Mt. Vernon, fellowship I. All friends and relatives are invited. No gifts please.

75th Wedding Anniversary Celebration

Children of Owen and Martha Allen, Rt. 2, Orlando, request your presence to help celebrate their 75th wedding anniversary on Saturday, March 2, 1996 from 1 to 4 p.m. at the Family Life Center in Renfro lley. All family, friends and neighbors are invited to attend. No local stations will be sent.

The Rockcastle County High School Academic Team finished fourth out of 13 teams in the Lake Cumberland Academic Conference tournament at Wayne County. Above are members of the team from left: Matt Challif, Bonnie Graves, Emily Mullins, Chad Hensley, and Chris Bradley. In left, sophomore Chad Silvers, left, and junior Arch Bradley are shown with their trophies for being high scorers for the junior varsity and varsity academic team for the year.

Today In Banking

Some "Straight Talk" On Banking Today... That Can Make Banking Better For You...

IRA — You Can Start Small

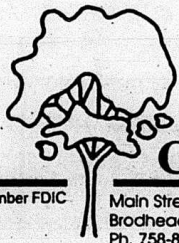

Usually when Individual Retirement Accounts are advertised, the main point of the ad is the fact that you can invest \$2,000 annually (\$2,250 if your spouse doesn't work). This is the maximum contribution allowed each year.

Because of the fact that the ads on IRA's always emphasize the maximum contribution, many people have been left with the feeling that you have to contribute \$2,000 annually. This is not true. You can contribute whatever amount you want as long as it doesn't exceed the maximum.

The important thing is that you get started with an IRA even if you can only contribute \$200 a year initially. Come in and see us about an IRA. Substantial penalty for early withdrawal.

Making Banking Better For You!

Obituaries

Frederick

David Saley Frederick, 54, of Mt. Vernon died Wednesday, February 14, 1996 at the University of Kentucky Medical Center in Lexington after a short illness. He was born on October 25, 1941 in Rockcastle County the son of the late Saley and Julia Southard Frederick. He was a retired machinist having worked for the North American Phillips Lighting Company, and was also a member of the First Baptist Church.

David Saley Frederick

Survivors are two sons, Anthony David "Tony" Frederick of Lexington and Roy Dale Frederick of Mt. Vernon; two brothers, Jesse Vernon Frederick of London and Julian Brock Frederick of Mt. Vernon; one sister, Mrs. Carol June Harmon of Mt. Vernon; seven grandchildren; one step-grandchild; one aunt, Mrs. Clea Southard of Mt. Vernon and one dear friend, Mrs. Ethelene Cash. He was preceded in death by one brother.

Services were Saturday, February 17, 1996 at Carver Funeral Home with Bro. Harvey Pensel officiating. Burial was in the Hanes/Frederick Cemetery.

Pallbearers were Kenny Stubblefield, Dennis Bullishak, Hal Holbrook Jr., Ellis Kirby, James Frederick and Doug Proctor.

Honorary pallbearers were Frank Bradley, Jim Houston, Mike DeBord, Swanny Cornet and Johnny Dooley.

Moore

Mrs. Retha Moore, 78, of Mt. Vernon died Wednesday, February 14, 1996 at the Rockcastle Hospital.

She was born on May 22, 1917 in Rockcastle County, the daughter of the late Henry and Nannie Blanton Deboard and was a homemaker and a member of the Town Hill Holiness Church.

Survivors are three sisters, Mrs. Edna Hayes of Fairborn, Ohio, Mrs. Grace Deboard and Mrs. Ethel Bowling, both of Mt. Vernon; one special great grand nephew, Eligha Dean Lovell, and a host of nieces and nephews. She was preceded in death by her husband, Ed Moore.

Services were Saturday, February 17, 1996 at the Watson Funeral Home Chapel with Bro. Virgil Bibe officiating. Burial was in the Deboard Family Cemetery.

Hall

Clarence Hall, 66, of Rt.3, Mt. Vernon died February 12, 1996 at Hindman, Ky. He was born in Knott County, January 15, 1929 the son of Corn Bentley Hall and the late Crockett Hall. He was a member of the Baptist Church and a retired truck driver for the Kentucky Department of Highways.

In addition to his mother, Cora Bentley Hall of Rt. 3, Mt. Vernon, he is survived by a daughter, Eileen Lunstford of Big Hill; a son, David Wayne Potter of Iowa Park, Texas;

two half brothers, Byrd Hall and Stanley Hall; six half sisters, Alma Hammonds, Lona Mae Moore, Bertha Calhoun, Malvey Bailey, George Gibson and Ruby Moore all of Knott County; two grandchildren, Johnny Dale Abney and April Elaine Abney and several nieces and nephews. He was preceded in death by his wife, Charlene Oliver Hall.

Services were Thursday, February 15, at Dowell & Martin Funeral Home with Bro. Ira Dean officiating. Burial was in the Berea Cemetery.

Pallbearers were Lewis Barber, Ronnie Barber, Danny Barber, Larry Barber, Dale Barber and Mark Barber.

Honorary pallbearers were Troy Bailey, Johnny Barber, Stanley Hall, J.R. Gibson, Mike Potter and Scott McQueen.

Dees

Walter Dees, 86, of Brandon, Mississippi died Tuesday, February 13, 1996 at the Crossgates Manor Nursing Home in Brandon. He was a Mason and a member of the Broadhead Baptist Church.

Survivors are two sons, Bobby Dees of Brandon, and Gary Dees of New Miami, Ohio; one daughter, Mrs. Betty Green of New Miami, Ohio; one sister, Dora Scarbrough of Indi-

anapolis, Indiana; eight grandchildren and six great grandchildren. He was preceded in death by his wife, Myrtle Dees.

Services were Friday, February 16, 1996 at the Watson Funeral Home Chapel with Rev. Mark Whicker officiating. Burial was in the Piney Grove Cemetery.

Pedigo

Mrs. Patsy Ruth Pedigo, 63, of Apache Dr. Paint Lick, died on Monday, February 19, 1996 at U.K. Markey Cancer Center. She was born in Glasgow, the daughter of Gobel and Ruth Jones Good and was a homemaker and a member of Berea United Methodist Church in Berea. She was also a member of the Berea Homemakers.

Survivors include her husband, Tandy Pedigo; two sons, David Pedigo of Lawrenceburg, Tennessee and Joel Pedigo of Tompkinsville; two sisters, Rachel Burtram and Saba Hancock of Scottsville; and two granddaughters, Kelli and Becky Pedigo. She was preceded in death by her parents, and one brother, Jerry Jones.

Services were Wednesday, February 21, 1996 at Lakes Funeral Home with Rev. Charles W. Bertrand officiating. Burial was in the Glasgow Cemetery.

Cards of Thanks

Retha Moore

The family of Retha Moore would like to thank each and everyone for their kindness shown during the sickness and death of our loved one. A special thanks to Virgil Bube and Bessie for their wonderful message and songs. Also to Walter Bowling for the beautiful song and also to Home Health, Dr. Orson Arvin, Watson Funeral Home and all the pallbearers. May God bless each and every one of you.

The family of Virgil Abney Moore

The family of Virgil Abney would like to thank this opportunity to thank friends, neighbors and relatives for their prayers, flowers, cards, food and many acts of kindness during the loss of our loved one. Our special thanks to Barbara Faulkner, Brother Ron Roberts, and Bro. Gary Messer. Also would like to thank Dowell and Martin Funeral Home. May God bless you all.

The family of Virgil Abney

In Loving Memory of Eugene and Liddle Repper and their children. The most special of them was May Jane.
