Lincoln, Pulaski & Rockcastle County Family Court

Special Report

Fall, 2000

Circuit Court

Division III

Family Court...A special court needs a judge with specialized training

Divorce, abuse, custody, child support...when one out of every two marriages end in divorce, these issues effect every segment of our society.

Debra Lambert is superbly qualified to continue the stride she has made as Lincoln, Pulaski and Rockcastle county's first Family Court Judge. Her personal and professional credentials provide her with a keen insight into the problems of today's families.

Judge Lambert has presided over Circuit Court Division III for more than a year, and she has established a smooth-running "Family Court" system.

She has worked tirelessly to break the log jam of domestic cases. Handling more than 3500 cases, she has worked day and night to create an efficient, effective and fair judicial system.

By making the Family Court more efficient and cost effective, she's not only saving taxpayers' money, she's also

reducing the amount of time professionals and families must wait before having their cases heard.

Judge Lambert, 38, is a recognized expert in family law. She is a tough but caring judge who actively seeks solutions to family problems.

Her specialized training and life experiences have given her the knowledge and compassion to solve family problems. Her undergraduate degree in Child and Family Studies with a minor in Special Education from Eastern Kentucky University has been invaluable in working with domestic relations clients. Her expertise in special education and learning and behavior disorders has been helpful in addressing juvenile issues.

Her degree from the University of Kentucky Law School, completing the Advanced Family Law Program at the University of Nevada as well as experience in practice and on the bench, have made her a recognized authority and frequent lecturer in the field of Family Law.

Debra is also the mother of two children, Joseph, 16, and John, 9. She knows what it is like to parent children today and brings her experience as a parent to the bench.

As Family Court Judge, Debra Lambert is making a difference in Lincoln, Pulaski and Rockcastle counties. She has begun many innovative programs such as child based divorce education, Juvenile Drug Court and an effective truancy prevention project. Under her capable leadership, Family Court is working everyday to help the families in our community.

Let's Keep...

JUDGE Debra LAMBERT

Lincoln, Pulaski & Rockcastle Counties

**Circuit Court Judge,
Division III, Family Court**

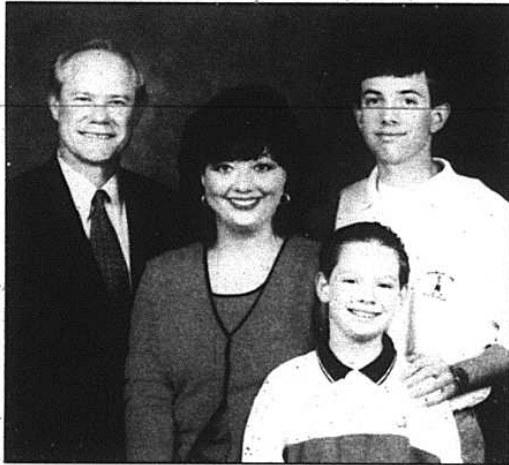

Help us continue putting children first!

A Message from Debra

I believe one judge can make a difference. I would like to continue with the strides that we have made over this year with the Lincoln, Pulaski and Rockcastle Circuit Court, Family Court.

Upon my appointment in 1999, I was not given power. I was given opportunity to serve, to help, to shape the lives of people, to shape this Court, to resolve where resolution is possible, to protect and to defend that which is right.

In my court, each decision is made on case-by-case basis with emphasis on what is in the best interest of children and families.

No person receives preferential treatment. Everyone receives fair and impartial determinations.

The Family Court, under my administration, brings together dedicated professionals and volunteers to work toward effective therapeutic justice for Lincoln, Pulaski and Rockcastle counties' children and families most in need of help.

The Family Court is an innovative hands-on court. It's fair, efficient and it is serving our communities. We are making a difference in Family Court. I am counting on your vote this November 7th to continue the strides we have made.

Debra Lambert

What others are saying about Judge Lambert

"Your comments concerning children in the News Journal were right on target. Especially 'They just need one person in authority to reach out to them'.... Thank you for caring. We can make a difference--one child at a time."

-- A Community Leader

"I know I've already said this but I am so impressed with your judicial demeanor, decisions, etc. You take such time and care to be sure that each person before you feels they've been heard. Your ability to lead the court and community to try new and different ways of doing business is commendable. I think your staff is great! They complement each other so well and do whatever it takes to get the job done."

-- Court of Justice Administrator

"I would like to take the opportunity to inform you of the success I feel has come from the creation of the Family Court. I appreciate your concern for the well being, safety, and education of the young people of the Commonwealth. You have provided families, community, and schools with a means to help resolve difficult family issues. The staff you have selected to work with you, I hold in high regard.... Within my position I realize at times truancy is not a great issue within the courts. With the conception of the Family Court you have allowed me to pursue more students and families actively involved in truancy prevention while under the watchful eye of your staff. I have found you to be dedicated, caring and above all understanding of those who appear before you."

-- A Truant Officer

"You're doing a great job. I'm impressed with how you're adding to your training and skills. This is a sign of leadership. Until recently, I was not aware your position was an elected position. You have my vote. I have used your name positively in a couple of sermons as well as spoken of you highly throughout the community, especially with many other pastors."

-- A Pulaski County Pastor

"This is to recommend Debra Lambert for the position of Family Court Judge for the 28th Judicial District.... Family court judges should have patience, wisdom and a sense of humor. She has those qualities. Temperamental 'fit' should be important in selecting Family Court Judges. In short, I recommend her without qualification. I'm enthusiastic about the Family Court concept and equally enthusiastic about Ms. Lambert as a Family Court Judge."

-- University of Kentucky Law School Professor

"Many citizens of Lincoln, Rockcastle and Pulaski counties would no doubt be shocked if we knew the number of children and youth in need of a special kind of help which must come from a person who is an authority figure, tough enough to demand acceptance of judgements rendered, compassionate enough to realize justice can best be rendered when tempered with mercy and understanding, a person with the Godly wisdom to understand that in every child there is the potential for success and even greatness, spiritually, socially and professionally. And often all that young person needs is a second chance.... I very quickly recognized these characteristics in Judge Debra Lambert."

-- A Concerned Citizen

"When I graduated Rockcastle County High School with a 3.6 GPA, I never dreamed I would end up the impoverished single mother of two children. Judge Lambert and the people of Family Court have treated me with respect and genuine concern. Thanks to their help and the help of Family and Human Resources, I start Somerset Jr. College next semester."

-- A Single Mother of Two

"With her education and background in the area of Family Studies and her experience as an attorney, she is uniquely qualified for such a judgeship.... She is a warm, caring individual--very responsible and trustworthy. In my opinion, she would put the well-being of the individual and/or the family at the center of any decision which she might be called upon to make as a judge."

-- Eastern Kentucky University Professor

Questions and Answers about Family Court

What is Family Court?

Lincoln, Pulaski and Rockcastle Circuit Family Court is the result of Kentucky's Court Improvement Project. Unlike other courts, a family court is based on the idea that all judicial proceedings involving children and families should be collected and resolved in a single court. By having one judge preside over all the legal problems facing a family, the unique family circumstances can be better understood.

While Family Court is a court of law, it is also a linkage to services in the community. Circuit Judge Debra Lambert understands that distressed families with children need much more than legal resolution of their problems. They need the assistance and support that can make families whole again and help prevent serious problems such as drug abuse, domestic violence and child abuse. By making referrals to outside agencies, and by ordering specific treatment to meet individual needs, Judge Lambert is helping families in our community.

What kinds of cases does Family Court hear?

Judge Lambert presides over divorce, child support, custody disputes, visitation, adoption, child abuse and neglect cases, domestic violence and juvenile cases such as children who are runaways, truant or beyond control, among others.

Why is Family Court better for children?

When parents are in the middle of bitter disputes, children suffer. If the process is drawn out, if the case is heard over and over again before different commissioners and judges, if decisions are arbitrary, inconsistent and

Each person deserves to be treated with dignity and respect. Nothing is more important than listening to people with a caring heart and a firm determination to deal fairly with everyone. -- Judge Lambert

contradictory, children are pulled in different directions and the suffering is compounded. In Family Court, Judge Lambert provides the consistency, perspective, expertise and compassion to make the hard decisions about what is best for the child in a timely and fair manner. Because cases are not drawn out for extended periods of time, children can start to adapt to their new situation and the process of healing can begin just as quickly as possible.

Judge Lambert also understands that the best way to help the child is to help the parent. Some parents need help with anger management, substance abuse, and parenting skills in order to have more consistent and frequent contact with the child. When making custody decisions, Judge Lambert orders parents to access these services and conducts frequent reviews to make sure they are receiving and responding to treatment so that increased contact with the child can occur. She is also quite capable of deciding when contact

with a parent is not in the best interest of the child, and will rule accordingly.

What has Judge Lambert accomplished thus far?

Each family court is as unique as the community it serves, and each Judge brings different strengths and priorities to the implementation of a family court as well. Judge Lambert's accomplishments include:

DIVORCE EDUCATION:

Judge Lambert has instituted a very successful child-based divorce education program which helps parents get refocused on the needs of their children.

CHILD ABUSE:

Judge Lambert understands that children must be safe. She serves on the State Board of Directors of Prevent Child Abuse Kentucky and has been trained to properly interview children who may have been abused. Debra has a special touch with children and works hard to make them feel at ease when they talk to her.

TRUANCY COURT:

Judge Lambert knows that truancy is the first sign of a child losing his or her way. She volunteers her time in middle schools helping parents and kids get back on track.

JUVENILE DRUG COURT:

Judge Lambert saw the need for a rehabilitation program for children

using drugs. "Drugs can destroy children and families," Judge Lambert says. "I am committed to doing all I can to help." She and her staff applied for and received a grant of federal monies to pay for an intensive judge-led rehab program. Dalton Miller has been hired as the coordinator of the program.

EFFICIENT HANDLING OF CASES:

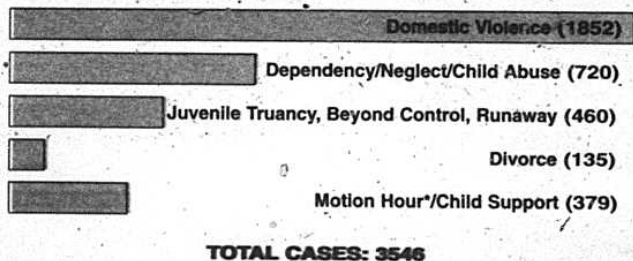

Judge Lambert knows that a family shouldn't have to wait for months or years for a decision. Most cases take less than a week.

Can concerned citizens help in this project?

Yes. Around the nation, courts have increased significantly the use of trained volunteers to improve services, minimize costs and maximize community involvement. The area of helping children and families draws considerable attention from sensitive persons. Carefully selected and properly trained volunteers provide the court with an opportunity to improve the quality of its determinations, as well as filling gaps in the delivery of its services. Stated simply, the more a community becomes involved in its problems, the more likely it is to correct them.

Your vote on Tuesday, November 7, 2000 can also contribute to this effort. Judge Lambert brings strong family values, her own positive parenting skills and a background of experiences that make her the best choice for Family Court Judge.

What kinds of hearings are heard by Judge Lambert in Family Court?

28th Judicial Circuit Family Court

Caseload October 1, 1999 through August 31, 2000

* Motion Hour includes child support, custody, and other domestic issues.

Judge Lambert and her staff: Jacindia Wells, Lisa Garner Rogers, Connie Speaks Cable and June B. Coleman.

Family Court Combining Family Values and the Law

Here in Kentucky we are truly blessed. This is a wonderful place to live and raise kids; a place where decency, community and families still matter.

I grew up in Bell County. My dad ran a body shop and my mother was a nurse's aide. Even though we didn't have a lot of money, I spent my childhood surrounded by sensible, caring adults who always stressed the importance of hard work and education.

They gave me the most important gift any child can receive. They said, "Yes, you can." They made a little girl dare to dream big dreams.

I often reflect on their love and wisdom today when I parent my own children or work with children who come before the court. A child that has been abandoned or abused may not understand a court order, but I promise you they understand encouragement, a loving touch and a little human kindness.

Nothing is more important to me than taking care of the children of family court. I have been blessed with a high level of energy and enthusiasm and I love the work I am doing. And I can promise you, I take being your Family Court Judge very seriously.

Our Family Court system in Lincoln, Pulaski and Rockcastle counties is really the hard work and dedication of many talented people: Our paralegal, Jacindia Wells from Burnside; our court administrator, Lisa Garner Rogers from Somerset; our Family Court social worker, Connie Speaks Cable from Somerset; our judicial secretary, June B. Coleman from Mt. Vernon and our Juvenile Drug Court administrator, Dalton Miller from Stanford.

I only wish I could have met and spoken with all of you during this campaign. But, as you can imagine, presiding over 3500 cases a year, being the mother of two active boys and a political candidate has kept me pretty busy the last few months.

With the election so near, please accept this note as my personal and humble request that you vote to keep me as your Family Court Judge.

Judge Lambert and Juvenile Drug Court Coordinator, Dalton Miller.

Rockets win 42-0

Four jail inmates indicted

Four inmates at the Rockcastle County Detention Center were indicted Friday by the Rockcastle Grand Jury.

Benji Jones, 31, of Sand Hill, and Karl Wayne Pittman, 26, of Mt. Vernon were indicted on one count of promoting contraband, first degree.

They are accused of knowingly introducing Oxycodone, schedule II controlled substance and Cocaine, a schedule II controlled substance into the jail on August 27.

Both men's bond were set at \$5,000 cash.

Jones is the inmate who was the subject of a highly controversial appeal bond set by Circuit Judge Dan Venters a couple of weeks ago.

In May, Jones was found guilty of two counts of unlawful imprisonment, one count of assault and two counts of menacing.

On September 25, he was sentenced to eight years in prison, although a Rockcastle jury recommended ten.

On September 29, Jones' attorney Damon Preston filed a notice of appeal in the case and asked that his client be released on a \$20,000 bond, while he awaits the outcome of the appeal.

On October 2nd, Judge Venters ruled that Jones could be released on an appeal bond of \$20,000.

But, on October 4, Commonwealth Attorney Eddy Montgomery and assistants David Dalton and Chris Brown filed a motion asking Venters to reconsider his order.

Venters denied their request, but Jones is still in jail because he is serving a nine month sentence on a different conviction in District Court.

Preston has also filed notice that he will appeal that decision.

Two other inmates, Terry Owen Mink, 37, of Hwy. 70 and Shannon Eaton, 24, of Mt. Vernon were also indicted on drug charges connected with the jail.

Mink is accused of introducing illegal drugs into the jail on July 21 and Eaton is accused of introducing illegal drugs on August 18.

Mink is the inmate who sued the Rockcastle Detention Center in Small Claims Court earlier this year, claiming money was stolen from him while he was in jail serving a weekend sentence. The case was dismissed for a lack of evidence.

Both men's bonds were set at \$5,000 cash.

Another detention center inmate, Tabetha S. Kates, 28, of Mt. Vernon was indicted on seven counts of forgery.

Livingston man robbed at gunpoint

A Livingston man was robbed at gunpoint Friday night around 11 p.m., as he walked up Sand Hill Road, off U.S. 25.

According to Livingston police officer Danny Keeney, Jeffrey Vanzani, 34, of Bullock Street, Livingston, was robbed of about \$35 and a back pack by two men wearing ski masks and carrying a shotgun and rifle.

Keeney said that arrests are pending in the case and that Vanzani was probably the victim of mistaken identity.

Kentucky State Trooper Lefe Owens and Rockcastle Deputy Sheriff Charles Gray assisted in the case.

Homecoming

Reunion of

Livingston School

Livingston School will hold its annual Homecoming Reunion at the Charcoal House at Days Inn, I-75 and Highway 192, London on Saturday, October 28.

Social Hour will begin upstairs at 6 p.m. and dinner will be served downstairs at 7 p.m. The cost is \$14.25, including tax and tip. Payment will be collected in the dining room this year. No advance reservation is required.

All Livingston School alumni are urged to attend.

Enjoying last week's Bittersweet Festival and participating in the one mile run for kids were from left: Katie Howard, Logan Cable, Danny Johnson, Jacob Bussell and Johnny Johnson. (Other Festival photos appear inside.)

Board hears good things about Alternative School

By: Richard Anderkin

Things are going extremely well in the first year of the county's Alternative School located on the campus of the Rockcastle Middle School, according to students and faculty alike. Coordinator Steve Bullock and teacher Donna Roberts, along with at least 20 students at the school, shared various stories of success with the Rockcastle County Board of Education at their regular monthly meeting last week.

The board held their monthly meeting at the Alternative School where they were treated to supper before the meeting.

Currently 15 middle and high school students attend the Alternative School, which was established by the local board in an effort to make other Rockcastle County schools safe and provide a needed service to some of the county's school children.

The recommendation for the Alternative School was the first recommendation of the school system's safe schools committee.

Coordinator Bullock was quick to point out to the board that students at the Alternative School had very, very few discipline problems, after they got to the school and in most cases, each student simply had special needs of some type that are addressed by the school.

Bullock said that he thought the individual attention provided to the students was very important and he praised the students for their hard work during the first nine weeks of school.

"These are not bad students as some would have you believe, they are just students who need more structure in their lives," Bullock said.

Currently there is room for 15 more students at the Alternative School, which is funded in part by a \$55,000 state grant. The rest of the money is provided by the local board of education.

Mrs. Loreta Powell, Director of Student Services, said that the total budget for this school year is about \$130,000.

Meeting set to discuss ATV riding in forest, on private land

There will be a citizens meeting of landholders and others from Rockcastle and Laurel counties pertaining to the operation of off-road vehicles in the area and on both public and private lands without permission.

This will be held at the ASPI Nature Center on Route 1329 in south-east Rockcastle, one mile from U.S. 25 and two and half miles from Exit 49 on Interstate 75. ASPI is located near the banks of the Rockcastle River.

The meeting will be held Wednesday, October 25 at 7:00 p.m.

All interested parties are urged to attend and voice any ideas on what to do about this growing problem. You are welcome to bring friends, relatives, children and parents. Refreshments will be served.

Powell also said that the Alternative School was here to stay. "I think everyone will agree that this something that the school system as a whole benefits from - it seems to be going well and students seem to be getting the services they need from the school," she said.

Besides the two teachers, two full-time instructional assistants, Janet Robinson and Estill McFerron, are also on staff.

The Board of Education also contracts with Comprehensive Care for counseling services for the students.

The school is totally self contained with meals being provided each day at the school.

In other business, Mrs. Powell also announced the second month attendance figures for county schools.

Mt. Vernon had the best attendance with 97.2 and the Rockcastle High School had the worst at 94.1. District wide the attendance was a 95.7 percent during the second month of school.

Rockcastle School Superintendent Larry Hammond also announced his personal actions.

Tim Merlin, Substitute Teacher:

Farmers-Business Banquet is Friday

The Rockcastle County Conservation District and Mt. Vernon Lion's Club will host the 41st Annual Farmer's Business Banquet on Friday, at 6:30 p.m. at the Rockcastle County Middle School.

The featured guest speaker for the banquet will be Jody Richards, Speaker of the House of Representatives in Kentucky.

Tickets, which are \$6.00, can be purchased from any Conservation District Board member, Mt. Vernon Lion's Club member, or may be purchased at the Rockcastle County Conservation District office in the USDA Service Center located on Highway 150.

Pleas entered

Eddy F. Montgomery, Acting Commonwealth Attorney for Rockcastle County announced Monday that Gary Denny, age 37, of 810 Bishop Road, Brodhead and Alfred Jim Britton, age 36, of 820 Hellard Road, Anville, each entered guilty pleas in the Rockcastle Circuit Court on Friday.

According to Montgomery, Denny entered a guilty plea to the offense of Possession of Marijuana over eight ounces. The charges resulted from the execution of a search warrant by the Kentucky State Police. Montgomery said Denny admitted that the marijuana belonged to him. The Commonwealth recommended a sentence of three years.

Montgomery further stated that Alfred Britton pleaded guilty to the offenses of Menacing, Criminal Mischief, Second Degree and Burglary, Second Degree. The charges resulted from a domestic incident at the home of Britton's estranged wife at Big Sandy in Rockcastle County. The Commonwealth recommended a sentence of five years imprisonment. Final sentencing for each defendant has been scheduled for November 10.

Davy Stewart indicted for Clark murder

By: Richard Anderkin

The Rockcastle County Grand Jury returned an indictment for murder Friday against an Orlando man.

Davy E. Stewart, 32, is accused of killing Patty Clark, 25, of Conaway on August 9 in a remote section of the county near Cove Branch.

Police were led to her badly decomposed body on August 13th, by Sally Hoskins, 24, of Crooked Creek, who told police that Ms. Clark had been shot to death by Stewart.

Clark's body was found in a wooded area, off a logging road near McNew Cemetery, where police had found an abandoned Jeep the day after Clark was reported missing.

Sally Hoskins told police that, Stewart and Clark were all sitting in the Jeep at the McNew Cemetery when Stewart shot her (Hoskins), after an argument.

Police said that Stewart then took the two women, both of whom he had dated or was dating, into the woods where he told them to pray for their souls.

Hoskins told police that she prayed, but that Clark didn't and Stewart shot her.

Kentucky State Police Detective Gary Lane, who is the lead investigator on the case, said that autopsy results showed that Clark had been shot twice, both times in the head.

The day after Patty Clark disappeared, Sally Hoskins walked to the home of Sammy Stewart, Sammy

Stewart is Davy's brother and is currently serving jail time. However, police say that Sandra Laswell was at the residence and that she got someone to take Hoskins to the hospital.

However, before Hoskins went to the hospital she took a bath.

Rockcastle Deputy Sheriff Darrell Doan said that Sandra Laswell told police that they thought Hoskins had been in a car wreck and that is why they cleaned her up.

Deputy Doan said that when he interviewed Hoskins about the shooting, she told him she had been hit in the head and didn't know what happened.

Hoskins would later tell police that she was scared for her own life and that is why she didn't tell police sooner about the murder.

Hoskins had been shot one time, but the bullet hit her in the wrist, went through her left leg and lodged in her right leg. According to Doan, doctors at the University of Kentucky Medical Center did not remove the bullet from Hoskins' leg because they thought it would do more harm than good.

The Tuesday night before Patty Clark's body was found, Kentucky State Police in Madison County shot Davy Stewart, after he apparently tried to steal a van from a rural residence.

Police said that Stewart was apparently high on drugs when he broke

In Presidential Race

Ky. really only has one choice

If you want to get a rise out of most people around me, mainly family members, just tell them you are considering voting for Al Gore in the Presidential race.

So far, my son has threatened to move out, my mother has threatened my job and some advertisers who support George Bush have threatened to stop advertising in the Signal.

My sister even told me to stop hiding behind my voter registration and go ahead and register Democrat.

Keep in mind that I never one time told any of them that I was going to vote for Gore, only that I might and that I really hadn't made up my mind.

I will admit for first that I was somewhat undecided because I think that Bush is driven by big money special interest and I don't think that the common man or woman has much say in the national Republican party.

Of course, if you look at the national Democrat party, you probably will find the same thing.

One thing is for certain, big money and only a handful of people decide who will be the presidential candidate in both parties.

The primary elections are set up so that each party can pump millions of dollars into small states.

Hundreds of campaign workers and the massive amounts of money for the chosen candidate make it very difficult for anyone to defeat the chosen one.

For example, I think John McCain was the better of the Republican candidates and I truly believe that he had more overall support than Bush, but the big money wore him out week to week.

In an effort to fairly choose a candidate from each party that is truly the choice of the majority of that party, the primary elections for President should be held across the nation on the same day, just as the General

Election is. A lot of factors go into why you should or shouldn't vote for a particular candidate and I have never been one to vote for a candidate simply because of his or her party affiliation.

Although some readers I'm sure would disagree.

In Kentucky it is pretty simple. The Clinton and Gore Administration have totally dismantled the farming economy in this state and their actions have caused rural Kentucky many problems.

Their blatant attack on tobacco has for the most part seriously damaged the family farms in this state and it appears as long as there is a Democrat administration there is no end in sight.

If you care about this state - then in good conscience you cannot vote for Al Gore.

Although I think they could have done more, our Republican Senators and Congressmen have fought the White House for the past eight years to try and save the tobacco program.

While the Democrats brag about the national economy being in better shape than it has ever been - they fail to mention that in many parts of this state that is not true.

When the President visited Eastern Kentucky last year he himself admitted that portions of Kentucky had been left out of the economic revival in this country.

If Gore is elected, tobacco farming in Kentucky last year he himself admitted that portions of Kentucky had been left out of the economic revival in this country.

That may not be a good enough reason for some to vote for Bush - but it is good enough for me.

One of our readers, Jim Norton, has accused me of not printing any letters concerning the Democrat party or their views.

That simply isn't true. We will print any and all letters that are not libelous even if we think some of them don't make sense or even if we don't agree with their content.

Send us those letters to Mt. Vernon Signal, P.O. Box 185, Mt. Vernon, Kentucky 40356 or e-mail us at MVSIGNAL@Sun-Spot.com.

Letters must be signed and we must be able to verify the author. We also reserve the right to edit letters. In most cases letters should be limited to 300 words.

have to make a point of ruining my supper every single day of the week. Yes, they do call on Sunday even though they want you to believe that they are Church goers of the highest caliber. I reckon they want to get in one last call before evening services but I don't know why they single me out for the message.

They want to know if I am affiliated with a political party. The answer is none that I care to admit in public.

But I am going to vote. If I have to limp to the polls. If I have to hire an ambulance to get me there, I'm going to go against the constitutional amendment that would convene the Kentucky State Legislature every year instead of every two and add 30 days for the dunderheads to sell us off to the highest bidding special interest group or snake around to see if they can get a state road built through their family farm so they can subdivide and sell it off for \$400,000 an acre.

I believe the State's best interest is in danger when the Legislature convenes at all. Kentucky is on or near the bottom of every list in the country that gauge things like quality of education, poverty, health care, environmental protection, etc. and we have our elected officials largely to thank for that.

Who, in their right mind believes that enabling the State Legislature to convene to take and pass the standardized test given to our fifth graders each year. That ought to eliminate half of them in one fell swoop.

I also believe that they ought to be required to write their own press releases. That would eliminate another large block.

It is patently dishonest to put one photograph beside a newspaper story and like credit for writing it when one probably could not spell several words in said story without asking for help. And when you see such a story about all that he has accomplished purportedly written by one of your Senators or Representatives, the chances are excellent that the story is also news to him or her.

Not only that, but if you go down the road to the next county seat you can find the same story, verbatim except that it will have a different photograph and a different story. Put enough efforts into it you can find the same story, word for word, written by 75 or so different people all of whom are members of the State Legislature.

The truth of the matter is that the Legislature have created a few jobs for writers and they use your tax dollars to pay them salaries to polish up bank and publish it in your newspaper to make them look good.

Once the big lie is perfected they take credit for writing it. And county newspaper editors ought to be ashamed of themselves for ever letting it get into print because they know how it was written as well as I do.

Let one of the aforementioned sixth graders turn in a paper written by someone else and get caught at it and he get a failing grade. Let a college student do the same thing and they kick him out of school. But in Kentucky a State Legislator will claim credit for good weather and blame an ice storm on the other party. And they expect you to believe it.

If you are fed up with the muddling that's going on in this election, please don't let that stop you from voting. Go to the polls and vote No on the Constitutional Amendment even and if you don't feel like there's a good candidate running for the official positions, try to figure out which one will do the least harm.

Write your Legislator a letter and tell him or her that which they are willing to commence dealing with real issues like the predatory leeches who loan poor people money at 400% interest and when they start putting some of these check cashing schemes out of business and when they are willing to start doing something about the garbage that litters our roads and streams you might be willing to okay a stay in the state capital.

But don't expect any of that to happen. There's no trump and good whiskey supporting it.

medical costs? Will it build more schools to take care of the crowded classrooms, and raise teachers salaries so we can keep the best in Kentucky? Will it raise the wages of the working men enough so women can stay home and care for their own children? Will hospitals be funded sufficiently so nurses and care-givers have more time for the sick and dying and allow aides to return to their job of non professional work? If that is true I am all for it.

Or, should we trust the one who is known to exaggerate and tell a few little white lies? One who opposes oil drilling in Alaska when we are in dire need of more fuel? But if oil drilling is allowed the sea of ice beneath the surface will be broken and other serious problems will have to be taken care of. And the oil companies get the cream and we get to pay the bills. I have been to Prudhoe Bay and visited the site where the oil was pumped and prepared for the huge pipes that transported it to Valdez, one of the prettiest little towns I have ever seen, perched on the Bay where oil tankers were waiting in the harbor to fill up and take off. And tall snow topped mountains standing guard close by.

A carved statue was mounted in the center and flowers were blooming. (Would you like me to tell more about the trip to Alaska and the many things I learned while there, or get back to my original theme, Who do we vote for?)

The other of whom I am speaking supported Bill Clinton when he defiled the honor of the White House?

Also the one advising him and standing by while the economy grew to its highest level in history. And stood by when oil prices did the same thing? He honored his position as Vice President being loyal to his oath and being available when he was needed. Now we, the voters have to decide which of these two "sealwags" should clean up the White House and lead the country into the next century with highly graduating classes of young people who can read and write.

Do calculations, know about chemistry and have a smattering of other

subjects worthy of those educated in the schools of the U.S.A. If each of these candidates had kept their mouth shut about their opponent's faults and spoke of the problems facing us, such as how can we improve education? Should we build more and smaller community schools? Should the best teachers be used to teach the first three grades of school so the children would have a headstart on reading, writing and math when they reach the fourth grade. Or what we can do about the aging populace? How can they be cared for when they can no longer care for themselves? What arrangements can be made for insurance they cannot afford? Should we let them die or force the pharmacies to lower the price of medicine? Also there is a problem with transportation that needs attention and plans made to correct it. That hasn't never been mentioned. It could be a part of the conversation problem that has been mentioned. There are so many things

are in the dark about it will be hard to vote for either one unless they give us some answers to the real problems. One of the biggest problems facing the most people is the economic gap between the rich and poor. The executives and members of Congress get big raises, those on S.S. get the workers at the lowest level for less an hour than a lb. of good steak costs. Has either of these candidates talked on \$500 dollars a month and paid living expenses, including telephone, insurance (health, home, car), taxes, heating fuel, water, electric and have anything left for food and medicine? I think not. So how could he talk about something he knows nothing about. That hasn't answered my concern has it? Which one is the closest to what we think we need? Will either one be willing to sit down a delegation of ordinary "poor" folks and work toward some answers? If so I would like to be invited to sit in.

Mull over our choices, they, the candidates, have done the dirty work and told you about the honesty, character and quality of who will be occupying the White House in 2001.

Whichever one gets the coveted seat - Remember - I Told You So!

Sweet and Sour
By Zi Graves

Politics - war and peace And the world came tumbling down.

A familiar quote, "Peace on earth, goodwill toward men" must have no meaning to the men bowing in prayer, on public streets, while at the same time their sons are throwing rocks or harassing and killing the sons and daughters of their neighbors across the street. And all because of a difference in their belief in God, The Creator of all things, great and small. I won't dwell on their differences for I know not what they are, but I do know, my God, The Author of "Peace on earth, goodwill to man" is a loving God and can pour oil on the troubled waters and calm the raging sea of hatred if He is called on to do so. Confrontation is not Christianity, it is only a word to identify oneself from the unbeliever. These two seem to have become amicable by a misunderstanding of those two words, religion and understanding. I had better stop before I get over my head in theology.

Right now, Peace on earth, good will to man, must be far from the minds of those being bruised and killed by stones thrown by youth on the other side of the street, possibly by ones they have been playing with a short time ago. So, gunfire is returned instead of the other cheek and war has begun. If a peacemaker isn't found who can calm the troubled waters and create an atmosphere of understanding and tolerance between the leaders of those who think their cause is just.

Now for a few problems here at home that needs a little attention also. By now, since we have seen all the babies kissed, and held in the arms of squirming office seekers, and children read to by stranger they had never seen before and probably would never see again, heard promises made to the poor and elderly, that help was on the way, along with promises of tax cuts that would help everyone, we know from past performances most of it is political hogwash with no intention of being able to live up to it. The debates have been a waste of time for the listeners.

After all the talk of the weakness, chicanery and lack of integrity of the two candidates who would like to be selected as an insider in Washington so he could live in The White House and clean it up, leaves the voter puzzled as to which candidate is fit or capable of taking on the responsibilities of The President of the United States of America. We know neither is any good because each candidate has talked about the weaknesses, faults and lack of accountability of his opponent. Therefore leaving the voters with no honest and trustworthy candidate to vote for. So, we must decide which one of the scoundrels is the lesser of two evils. Do we want to trust the one who believes a tax cut for the wealthy will also cut the tax of the working class? And will the turning down of what is left save social security and medicare? Will it lower

Points East

By: Ike Adams

I'm scared to answer the phone anymore because I've run out of cuss words for the bleepity, bleepity, air headed politicians who call several times a day in an effort to influence my vote.

They start out asking how I feel about guns or abortion or social security, or health care, or prescription drugs or health insurance and I tell them that it's none of their bleeping business and I won't know why they

Notice

Applications for paper absentee ballots must be received in the county clerk's office by October 31, 2000. These applications must be made by phone, fax, mail or in person and can be obtained by the voter or the spouse, parents or child of voter.

Absentee voting for voters who will be absent from the county on election day but are not allowed to vote by paper absentee ballot will be conducted in the county clerk's office beginning October 23 through November 6. The hours for voting will be Monday through Friday 8:30 a.m. till 4:00 p.m. and on Saturdays from 8:30 a.m. till 12 noon.

Obituaries

Ernest Sowder

Ernest Sowder, 62, of 204 Gladest St., Berea, and formerly of Mt. Vernon, died Sunday, October 15, 2000, at the Winchester Center for Health and Rehabilitation. He was born on April 12, 1938 in Mt. Vernon, the son of the late Shirley and Meada Durham Sowder. He was a car salesman and entertainer, a Kentucky Colonel, a member of Masonic Lodge #614 F&AM, he performed at Renfro Valley for over 34 years where he was inducted into the hall of fame, he enjoyed playing music, fishing, and walking, and was a member of the Silver Creek Baptist Church.

Survivors are his wife, Julia Mills Sowder of Berea; two sons, Keith Sowder and wife, Angie; of Richmond, Rickie Sowder and wife, Robyn of Berea; one daughter, Pam Ward of Berea; three brothers, Virgil Sowder of Richmond, Edward and Leroy Sowder, both of Mt. Vernon; two sisters, Irene Thomason, Martha Cox and Shirley Cox, all of Mt. Vernon; two grandchildren, Matthew Ward and Mishay Sowder.

Services were Tuesday, October 17, at the Cox Funeral Home Chapel with Rev. Mark Sarver officiating.

Burial was in the Berea City Cemetery.

Active pallbearers were Joe Anglin, Larry Todd, Dwayne Bringer, Terry Wilson, Jerry Little and Ira Thomas.

Honorary pallbearers were Billy Bowman, Luther Little, Pete Stamper, Don Gulley, Bobby Stone and Glenn Thompson.

"Jack" St. Clair

John M. "Jack" St. Clair, 83, of Betheram Street, Mt. Vernon, died Sunday, October 15, 2000 at the Central Baptist Hospital in Lexington. He was born in Lexington on January 16, 1917 the son of Albert F. and Ina McCoy St. Clair. He was retired from A.F. St. Clair and Son Plumbing and Heating, was a WWII Army Veteran, a member of the Ashland Lodge #640 F&AM and a member of the First Christian Church of Mt. Vernon.

Survivors are one son, John M. St. Clair, Jr. and wife, Kathy and one granddaughter, Jaclyn St. Clair, both of Irvine. He was preceded in death by his wife, Bessie St. Clair; two brothers, Albert and Bill St. Clair and

one sister, Charlotte McDonald.

Services were Wednesday, October 18, at Dowell and Martin Funeral Home Chapel with Bro. Eddie Hammond and Bro. Paul Dyer officiating. Burial was in the Berea Cemetery.

Pallbearers were John D. Bullen, Larry Clark, John C. Cox, Linville Dixon, Bill W. Dowell, Dr. G.W. Griffith, Jim Earl Hammons, Joe Henderson, Leo Hopkins, Preston Nunglley, Steve Owens, Charles B. Parsons, C.C. Ponder, Charles Samples, Jason Samples, Keith Smith, Bige Towery, Joe Young, Jerry Hayes, Louis Nicely, Dr. Rudolph Burdette and Gene Goode.

Contributions are suggested to Hospice Care Plus at 210 St. George St., Richmond, KY 40475 or to the First Christian Church of Mt. Vernon.

Vernon Parriman

Vernon Alfred Parriman, 75, of Goshen, Ohio and formerly of Rockcastle County, died October 16, 2000.

Visitation for Mr. Parriman will be Thursday, October 19th (today) from 6 to 8 p.m. at the Vorheis Funeral Home in Sprindale, Ohio and Friday, October 20th from 12 noon to 3 p.m. at the West Brodhead Church of God.

Funeral services will be conducted Friday, October 20th at 3 p.m. at the West Brodhead Church of God. Burial will follow in the Negro Creek Cemetery.

Marvin E. Owens Home for Funerals in charge of arrangements.

A complete obituary will appear in next week's Signal.

In Loving Memories

In Memory of E.J. Taylor, who passed away Sept. 5, 1994. E.J. would have been 70 years of age on Oct. 18, 2000.

Happy Birthday, Daddy
Safely Home
I am home in heaven, dear one; All's so happy, all's so bright! There's perfect joy and beauty in this everlasting light.

All the pain and grief are over, Every restless tossing passed; I am now at peace forever, Safely home in heaven at last.

Did you wonder I so calmly Trod the Valley of the Shadell? Oh, but Jesus' love illuminated Every dark and fearful glade!

And He came Himself to meet me On the way so hard to tread; And with Jesus' arm to lean on, Could I have one doubt or dread?

Then you must not grieve so sorely, For I love you dearly still; Try to look beyond cart's shadows, Pray to trust our Father's will.

There is work still waiting for you, So you must not idle stand; Do you work while life remains; You shall rest in Jesus' land.

When the work is all completed, He will gently call you home; Oh, the rapture of the meeting! Oh, the joy to see you come!

Deeply missed by his family!

Card of Thanks

Thank You

Thank you to Rockcastle - Mt. Vernon Fire Dept. for a great job in saving what you could of our house. It looked hopeless at first but thanks to Brodhead and Livingston for the group effort the main structure was saved. You are a great bunch of go!

Brilla Mullins

The family of Brilla Mullins expresses their heartfelt thanks to the many people who were such a blessing to us during her sickness and death. She enjoyed and was uplifted by the ministers and their churches who came to pray and Taddy and Cindy to sing for her.

Also the many, many prayers and cards of others. There was so much love and support from so many, it is not possible to list them all. Hospice with nurses Nancy Isaacs and Nona

Griffin, far exceeded their duties with the love, concern and time given to us. Neighbors and friends were wonderful, bringing loads of delicious food and sending beautiful flowers. Especially, we thank Bro. Buford Parkerson for all the time he spent with us during her illness and passing and his consoling message. Also, Bro. Ron Kadel for his comforting words and Cindy Noe for her beautiful singing. Cox Funeral Home provided their usual exemplary service. And this time we don't want to forget Harry Harmon for his gentleness and care in transporting our loved ones. God bless you all.

NOTICE

The City of Brodhead will be accepting resumes for a city policeman from now through October 31, 2000. You may bring them to city hall or mail to P.O. Box 556, Brodhead, the city has the right to refuse any or all resumes.

In loving memory of Delta Brown who would have been 95 years old on October 20th. Sadly missed by her family.

Albert Robinson For State Senate

National Rifle Association of America
Political Victory Fund
Institute for Legislative Action
11250 Waples Mill Road
Fairfax, VA 22030-7400

September 27, 2000

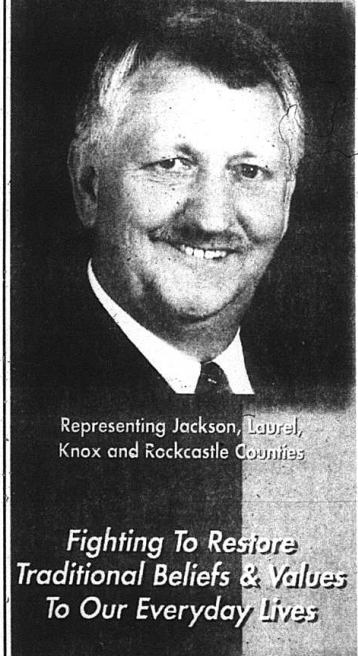

The Honorable Albert Robinson
1249 Main St.
London, KY 40741

Dear Senator Robinson,
In recognition of your commitment to gun owners and sportsmen in the Commonwealth of Kentucky, the National Rifle Association's Political Victory Fund is pleased to extend to you its endorsement for the 2000 general election.

As a result of your tenure in office, I am able to report to Kentucky NRA members your "A+" rating for the 2000 "Kentucky Political Preference Chart" which will appear in the November issues of the American Hunter, American Rifleman and America's 1st Freedom.

Please accept our appreciation for your support of law-abiding gun owners and sportsmen in the Commonwealth of Kentucky. Additionally, feel free to communicate your grade and endorsement to voters in your district as you see fit. I look forward to working with you in the days ahead to preserve and protect Kentucky's rich firearm and hunting traditions.

Sincerely,
/s/ Nicole I. Palaya

Mt. Vernon Message

Family Resource Center is sponsoring a program for all students on Thursday, October 19. Candice Corrigan will perform. The name of her program is Through A Woman's Voice. Candice is a songwriter/producer in Nashville, Tennessee. She performs ballads written from the plumes of women who lived from 1776-1859. From the Revolutionary War and early settlement period to the Trail of Tears, from the Civil War through the battle for Civil Rights, Ms. Corrigan recreates for us the world these women experienced. Her songs are based on the actual words these women penned during those historical periods.

Ms. Corrigan uses a variety of instruments such as the Cherokee cane flute and mountain dulcimer. This is a program that the students will learn about historical women in a fun and creative way.

Tune in to WRVK on Saturday, October 21 for Know Your School. MVES will be featured. It will begin at 7:00 a.m.

Red Ribbon Week will begin on Monday, October 23. FRC will be sponsoring several activities to promote a drug free lifestyle.

Thought for the week: What you think of your self is much more important than what others think of you.

Pictured is Jordan Carpenter from Ms. Peggy's P1 class. He is busy practicing his early literacy skills.

Each month Mrs. Irene's Entry Level class adopts a tree. They draw a picture of the tree and write about it.

Mrs. Irene's p.m. class enjoys dress up time.

Tiger Pause

Broadhead Elementary students would like to say, "Thank You" to the Broadhead Volunteer Fire Department for coming to school last week and teaching us about fire safety. The students really enjoyed getting to see the firetruck after watching the video. Each child received a certificate, fire safety pamphlet and locator sticker. Special thanks to Mike Cash, Tim Albright, Dave Ott, Everett Albright, Russell Owens and Diana Payne.

The PTA chili supper was a great success! Thanks to everyone that joined us. We served 140 people. The money will go toward playground equipment at our new school. PTA will be sponsoring several fund raising activities throughout the year and we need your support.

Remember: When you attend our monthly meetings your child gets a classroom coupon. If you haven't joined PTA yet when you do so your child will receive a classroom coupon. Dues: \$3.00 single, \$5.00 joint. We are in full swing on collecting our Campbell's labels. We have collected just over 900 labels. Collection on Box Tops/Betty Crocker labels began October 1st. You may also send in your Tyson Project Art Labels with your Box Tops.

PTA is selling Avon and Reliant in order to raise money to purchase playground equipment for our new school. If you aren't familiar with Reliant they sell Christmas cards, all occasion cards, wrapping paper, candles and a few other items. If you would like a catalog to help sell items

or to just look at a catalog to purchase something yourself let your child's teacher know or see Ms. Judy Adams or a PTA officer. Deadline to have orders turned in is November 9th, which is our fall festival and parent/teacher conference. We will have a table set up to collect your orders as you come to visit your child's teacher. You may also turn your orders in earlier. Just give them to your child's teacher and they will see that PTA gets them.

If you shop on-line you can help us out by going to www.schoolcash.com selecting Broadhead PTA then doing your shopping from the stores listed.

We are now selling annuals. The price is \$8.00. Payment must be made in full. Deadline for turning in annual order is December 15th.

There will be no November PTA meeting due to our Fall Festival and Parent/Teacher Conferences falling on that date which is November 9th. We are in need of volunteers. The theme is "Celebrating America." Reporter Reanna Hasty interviewed Carrie Hunt from Mrs. Cash's class to see what they were working on. Carrie told Reanna that they are studying about earthquakes. The class made buildings out of blocks then shook the tables to knock them down. This was one way of demonstrating earthquakes. They are looking forward to an upcoming field trip to Sigmon Farm. They did not have perfect attendance last week, but they are going to try harder this week.

Last week I highlighted Tiger Beat. This week I am highlighting the Astro society job of Teacher's Assistant. This job helps the people who work there learn about following rules, helping people and being a good citizen. It is fun to work with the smaller kids. (Reporter, Hannah Adkisson)

In Mrs. Dottie's class presentations have started for the Sydney

Olympics in Australia. The criteria have been passed out and progress is under way. The students will be expected to have this done by October 20. In the presentation there will have to be three articles to have a good score. The presentation I have chosen is the beginning ceremony in one article, in the next the events of trampoline gymnastics and the high bar, and in the last article the closing

ceremonies. The presentations can have any event or ceremony pertaining to the Olympics. (Reporter, Joey Chasteen)

As part of the Governor's Early Childhood Initiative, the Kentucky General Assembly enacted HB 706. This requires ALL children entering public preschool, Head Start or public school for the first time to have an eye examination by an optometrist or ophthalmologist no later than January 1 of the school year. This means if your child enrolled at Broadhead Elementary this year and has never been enrolled in a public school before he or she MUST have an eye exam before January 1, 2001. There is a specific form that the doctor must complete which you can get from the school before going to the doctor. Please schedule your child's appointment now to avoid any delay.

ABSOLUTE

Auction

of Mrs. Flora Dalton's
3 Modern Houses - Barn
35 Acres, m/I, in Tracts & Tobacco Base
Farm Machinery & Personal Property
Sat., October 28, 2000 at 1:30 p.m.
Walnut Grove Section of Pulaski County

Location: Turn off Hwy. 461 at the Pulaski-Rockcastle line onto Hwy. 934 West. Proceed 2 2/10 miles to Latham Road and turn right. Proceed to 450 Latham Road. Or, from Hwy. 39, turn onto Hwy. 934 and follow the auction signs. Auction signs are posted.

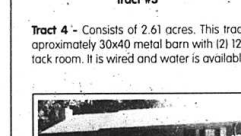

Mrs. Dalton is moving to Louisville, due to health reasons, and has authorized our company to sell these outstanding properties for the absolute high dollar. There is no minimum, no reserve and owner financing is available.

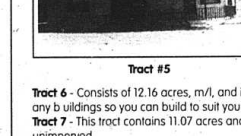

Tract 1 - Consists of 1.47 acres of nice level land. This tract is improved with the pictured ranch-style brick house which is only 3 years old. The house has formal living room and dining room, fully equipped spacious kitchen and breakfast nook, 3 bedrooms, 2 1/2 baths, family room, utility room, Florida room and 3 car attached garage. It has central heat and air, thermopane windows, hardwood flooring and carpet, satellite TV, security system, circle drive, and much more. Mrs. Dalton had this home custom-built and spared no cost in seeing it done to perfection.

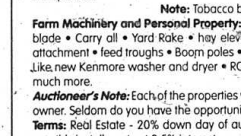

Tract 2 - This tract consists of 2.30 acres. It all lays level and has its own pond. There is approximately 300 feet of frontage along the entrance drive. This could be the spot you're looking for to build your dream house.

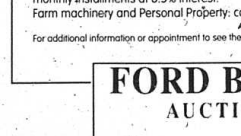

Tract 3 - This tract consists of one acre, m/I, and fronts the drive entrance. This tract is improved with a 2 story vinyl sided house which is approximately 2 years old. The first floor has a Florida room and 2 car garage. The second floor has living room, eat-in kitchen with oak cabinets, two bedrooms and bath. It has central heat and air, wall to wall carpet, satellite dish and much more.

Tract 4 - Consists of 2.61 acres. This tract has both cleared land and woods. It is improved with an approximately 30x40 metal barn with (2) 12x40 attached sheds. It is stalled for stock, has a hay loft and tack room. It is wired and water is available.

Tract 5 - This tract consists of 4.14 acres, which is cleared and woodland. This tract is improved with the pictured ranch style vinyl house. It has a spacious great room with fireplace, kitchen/dining combination, 2 bedrooms and 2 baths. It has central heat and air, wall to wall carpet, front and back porches and much more. This tract also has a 3 car detached metal garage, like new, and a small storage building.

Tract 6 - Consists of 12.16 acres, m/I, and is both cleared farmland and woodland with some marketable timber. This tract doesn't have any buildings so you can build to suit yourself. It does have a pond for stock water.

Tract 7 - This tract contains 11.07 acres and it also has cleared land and woods with some marketable timber. This tract is also unimproved.

Note: Tobacco base of 573 lbs. will be sold separately from the farm and not grouped.

Farm Machinery and Personal Property: Massey Ferguson 230 diesel tractor, 1261 hours • Bushhog brand rotary mower • Woods grass blade • Carry all • Yard rake • hay elevator • New western saddle • Bridle • Cedar saddle stand • Murray power mower with grass attachment • feed troughs • Boom poles • Farm hand tools • Square bales mixed hay • Concrete picnic table and benches • Wood swing • Like new Kenmore washer and dryer • RCA electric range • step ladder • Roper electric range • Whirlpool refrigerator • Exercise bike and much more.

Auctioneer's Note: Each of the properties will be offered separate then combined, selling in whatever manner reflects the best returns for the owner. Seldom do you have the opportunity to purchase property of this quality at your own price and with such attractive terms.

Terms: Real Estate - 20% down day of auction, balance due in 30 days with delivery of deed, or owner will finance over 10 years equal monthly installments at 8.5% interest.

Farm machinery and Personal Property: cash or good check day of auction.

Announcements day of sale take precedence over printed matter.

Minds in the Middle

This Friday is the deadline to order pictures and yearbooks. Money and order forms should be turned in to the homeroom teachers. The cost for a yearbook is \$20.00.

Mr. Alexander began the Student Technology Leadership Program (STLP) this week. The group meets every Wednesday from 3-4:00.

Last week our 8th graders selected their Who's Who for the upcoming yearbook. Aaron Cash and Johnna Abney were selected as Mr. and Miss RCMS. Since we are beginning a new millennium, the yearbook staff decided to focus on where their classmates will be in the future. They viewed Tara Rowe and Max Saylor as future professional athletes; Katie Stevens and Donald Brown as circus clowns; Amy Parsons and Delon Graves as brain surgeons; Casey Taylor and Ronny Lee McClure as fashion consultants; Katie Parsons and Blake Roberts as models; Johnna Abney and Aaron Cash as celebrities; Jordan Hall and Sarah Parsons as Presidents; Genna Cummins and Matthew Whitaker as teachers; and Amy Parsons and Max Saylor as millionaires.

Josh Blair, Steven Renner, Lura Cash, Hillary Proctor, Leanne Holden, Lisa Robinson, Rebecca Cummins, and Laura DeKaurwe. These students had the highest grade averages on the team: Jill Owens - Math; Lura Cash - Language Arts; Anna Reynolds - Language Arts, Science, and Social Studies; Reading - Lisa Robinson and Hillary Proctor; Hillary Proctor had the most Accelerated Reader points for the Voyagers.

The 8th grade football team will begin playoff action on Thursday. Last Thursday, they defeated South Laurel 54-6. The 7th graders won by a score of 48-0.

The RCMS PTG held its monthly meeting on October 5th at the Rockcastle County Library to help kick off the new Career Planning Center sponsored by GEAR UP. PTG is proud to be affiliated with GEAR UP as well as the 21st Century Community Learning Center. If you are not familiar with these programs, contact Andy Beichler for GEAR UP or Anthony Coffey for 21st CCLC at RCMS. PTG is currently planning fund raising activities that will include selling scented candles and a spaghetti supper as well as planning a benefit concert in the spring. The spaghetti supper will be held on October 19th from 5-7:00 p.m. in the RCMS cafeteria and will coincide with the district middle school play-offs. The cost is \$3.00 per person, and all proceeds are to benefit the RCMS PTG. Their membership drive is continuing through at least the end of October. Homeroom teachers will collect any dues brought in by students. The homeroom with the highest number of parents to join will be treated to a field trip, probably during the week before Christmas break. If you are not a member, please join to show your support for your child's school. Dues are \$3.00 per person or \$5.00 per couple and all dues will stay within the RCMS PTG to pay for awards and activities for the students. The mission of the PTG is to act as a liaison between parents and teachers, to enrich the education of our children and recognize achievements. We shall also work to keep open lines of communication between parents, teachers, and the community.

Saturday the 6th grade girls basketball team defeated Southern Pulaski by a score of 23-13. They will compete at Meece Middle School this Saturday at 11:00 a.m. On Monday, the 7th and 8th grade teams competed against South Laurel. Both came away with two point wins. The 8th graders by a score of 39-37 and the 7th graders won 30-28. They will play at Wayne County on Thursday evening and at home Monday night against Southern Pulaski.

Students who are participating in the 21st Century Community Learning Center activities may ride the bus home each day. The buses run at 5:00 on Mondays and Tuesdays and at 4:15 on Wednesdays and Thursdays. Remember that ESS tutoring is now available on Wednesdays and Thursdays.

The Voyager team would like to applaud their students that have gone the extra mile during the first grading period. The following students had straight A's and perfect attendance: Anna Reynolds; Jill Owens;

Back row from left: Brad Bussell, Jeremy Davidson, Warren Whitaker, Zach Gentry, and Chris McGuire. Front row from left: Eric Adams, Chris Childress, Rebekah Lyons, and Crystal Mills.

Jon Bishop

Rock vs. Panthers

By Preston Parrett
The Rocks traveled to Panther land And if they played up to Par, To their district laurels They'd add another star.

The Rocks opened up the scoring With Deuce Bussell on a thirty-four yard run. When quarterback Chris went out with an injury The Rocks showed they had another gun.

Aaron Anderkin came in for Chris And hit Clay Dooley with a pass. And Old Clay charged over Into the endzone grass.

At the end of the first quarter The score was fourteen to zip And the Panthers had another shoe The Rock was sinking their ship.

The Rock defense was stout And the Panthers couldn't score. When Clay on a six yard run Tacked on six points more.

Aaron again threw a strike And Greg Harper went in from the thirty-four. And at the intermission The Panthers were headed for defeat once more.

The Rock came out in the third And they were fighting strong. As the Deuce got loose And sung his touchdown song.

Josh Hale ended the scoring When he went over from the five And the Panthers had another shoe Which makes their program thrive.

Congrats to coaches, team and support cast.

You're really doing well. As you roll along eight and O And in the house of winners dwell.

Thank You

Thank You to the Mt. Vernon and Brodhead Fire Departments for their efforts in trying to contain the fire at the home of Phyllis Polly and the late Cordie Gibbons.

Thanks to the nice lady who stopped and donated \$100 to the family, also to Gary and Gertha Mink and the two ladies who live near Maretburg Church for all their assistance.

God Bless You All
Martha Renner

FFA does well at State Fair

By Eric Adams

At the beginning of the summer the Rockcastle County FFA advisors began to consider the team rosters that would go to the state fair to compete. They were looking for FFA members that would put forth the effort and devote the time that would be needed to win.

After selecting the teams, the practicing and preparation began. Members of the teams spent a lot of time during the summer practicing together as well as studying on their own. The FFA team members had very high expectations as they prepared for their

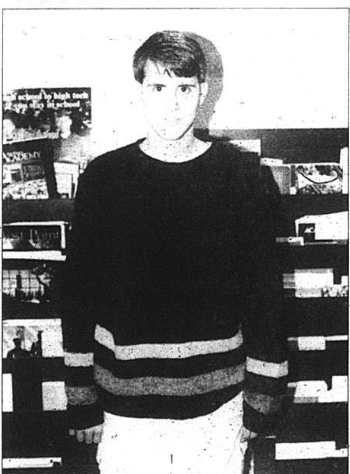

competitions. The Small Engines Team was made up of John Dyehouse, Jonathan Bishop and John Renner. They placed first over-all, rolling over the competition in a very impressive win. Congratulations - First in the State. Jon Bishop was the state high individual in this competition. The tobacco grading team, consisting of Jeremy Davidson, Eric Adams, Brad Bussell and Chris Childress, averaged a ninety out of one hundred in the contest which tied them for first place in the state. However, to break the tie, the judges com-

pared the individual scores and tobacco grading team fell a little short leaving them with second place overall. A special congratulations to Jeremy Davidson who tied for high individual in the state with a 97. Other scores were Eric Adams, 83; Brad Bussell, 85 and Chris Childress, 84. The Seed Identification Competition is harder than most people realize. However, Rebekah Lyons shined in this competition and placed second overall in the state. She scored a 240, which was just off the top score of 345. Congratulations also go to Rebekah for second in state!

Whoever said that the FFA was just for the guys? After the Nursery judging competition Crystal Mills showed that girls can succeed in FFA. Crystal showed up the guys by scoring a team high of 288 just beating out Chris McGuire who had a 285, Zach Gentry and Warren Whitaker. Congratulations to this team for winning fourth in the state.

As the old saying goes "hard work pays off" and that is exactly what these FFA teams accomplished. This was one of the best state fairs that the Rockcastle County FFA has ever had.

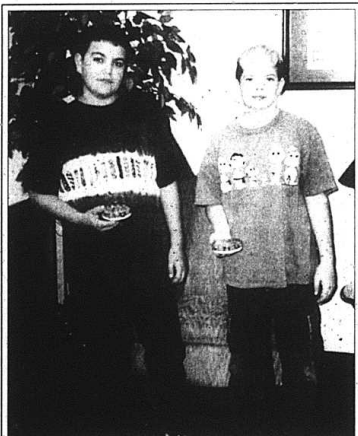

Academic Honor Roll

Stephen B. Hopkins, son of Tony and Donna Hopkins of Mt. Vernon, has a perfect 4.0 grade point average in the 2001 Class at Rockcastle County High School. Stephen has scored a 31 on the American College Test and is considering attending U.K., Georgia Tech or Texas A&M with a major in the engineering field. At RCHS he is a member of the Y-Club, Beta Club, FBLA, FCCLA, National Honor Society and Academic Team. He serves as President of FBLA and Treasurer of the FCCLA. He is a member of the golf team, indoor track team, track and field team and he is the statistician for the girls basketball team. His main hobby is working with computers.

ABSOLUTE Auction
of Mrs. Ruby McFerron's
Commercial Building and Lot
Sat., Oct. 28, 2000 at 10 a.m.
Main Street, Mt. Vernon

In order to settle the estate of the late Mr. Ronald McFerron, our firm has been authorized to sell this property for the absolute high dollar.

The above-pictured two story building, measuring approximately 28x90, formerly known as McFee Department Store, is a Mt. Vernon landmark and could be used for retail or converted to office space. The building has fuel oil/water heat, city water and city sewer. The lot fronts on Main Street and extends to U.S. 25 in the rear.

Auctioneer's Note: If you're looking for an investment or need a good location for your business, then come look this property over before the sale, bid last and buy. Don't forget this is an absolute auction on Saturday, October 28 at 10 a.m.

Terms: 20% down day of sale, balance in 30 days.
Business hours only. Day of sale sale proceeds over posted matter.

For additional information, contact the selling agents.

Junior Josh Hale, #10, heads around right end in the Rockets 42-0 defeat of Knox Central on Friday night. Also in the photo are #6 Clay Dooley and #64 Michael Brummett. The Rockets travel to Harlan on Friday night to take on a much improved Cawood team.

Rocket Junior Varsity loses in play-offs to West Jessamine 27-26

The Rockcastle County High School Junior Varsity football team suffered their first loss of the season Monday night.

West Jessamine defeated the Rockets 27-26 in one of the most entertaining JV games ever played at the ROCK.

The Rockets junior varsity is now 7-1 on the season after the loss in the first round of the junior varsity play-offs.

The Rockets were behind 7-0 in the first quarter, but took the lead 8-7 after quarterback Aaron Anderkin found Michael Hayes on a 30 yard touchdown pass.

West Jessamine would score two

more times before the half to take an 19-8 lead into intermission.

West Jessamine was threatening to put the game out of reach in the third period, when James Michael Bussell picked off a pass in the end zone.

The JV then marched the ball 80 yards down the field, behind great receptions by Stephen Boring and P.J. Rowe and good running by Josh Taylor.

Anderkin culminated the drive with a three yard sneak into the end zone.

Taylor caught a pass for the two point conversion and Rockcastle closed the gap to 19-16.

Rockcastle took the lead in the fourth period when Anderkin found P.J. Rowe in the end zone on a 25 yard touchdown pass.

Taylor scored the two point conversion on a run around right end and the Rockets led 24-19.

An offside penalty on fourth down kept a West Jessamine drive alive and they scored with three minutes left in the game to take a 27-24 lead.

A fumble on one possession and an interception on another, following a safety, gave West Jessamine, who were also 7 and 1 on the season, the victory.

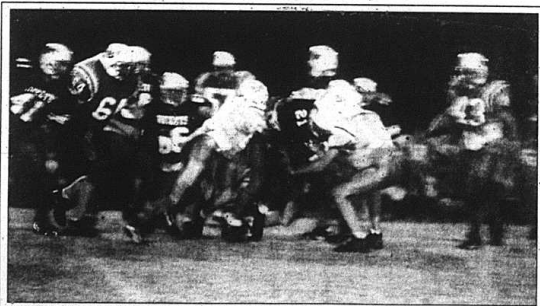

The JV are now scheduled to play Somerset Monday night at Rockcastle at 6 p.m. for third place in the play-offs.

Senior Sean Smith, #54, chases down the Knox Central quarterback in Friday night's game at Barbourville. The Rockets remained undefeated with a 42-0 win. Smith was later injured in the game, but is expected to play Friday at Cawood.

Senior linebackers Greg Harper, #12 and Travis Ingram, #33 combine to stop a Knox Central runner in Friday night's action. The ROCK won 42-0. Knox Central was held to minus 107 yards.

RCHS Junior Varsity player Josh Taylor #21, played extremely well against West Jessamine on Monday night, but the JV lost 27-26. Also in the photo is #66 Benny Northern and #41 Michael Hayes.

Freshmen win sixth straight

The Rockcastle County High School freshmen football team is still undefeated in 2000 after a 44-0 win over Knox Central on Tuesday night.

Fullback Brandon Campbell, who had rushed for over 100 yards the week before, scored on the Rockets first play of the game with a 50 yard run.

Also in the first period, Josh Brewer scored on a 65 yard run and he also added the two point conversion to give the Rockets a 14-0 lead.

In the second period, Devin Taylor scored two touchdowns, both on runs inside the ten. Devon Bussell added one of the two point conversions and the Rockets led 28-0 at halftime.

In the third period, Josh Brewer scored on an 80 yard run and Josh Hayes caught a pass from Taylor on the two point conversion.

In the fourth period, Taylor scored a touchdown and the extra two point conversion for the 44-0 win.

RCMS Eighth Graders host play-off game

The Rockcastle County Middle School eighth grade football team will host Southern Pulaski on Thursday night in the first round of the play-offs at 6 p.m.

The eighth grade and seventh grade are both undefeated in conference play in 2000, but the seventh grade will not play until October 26, when they will take on Wayne County.

If the eighth grade defeats Southern Pulaski County on Thursday, both games will be played at RCMS on October 26. If the eighth graders lose the seventh grade game will be played away.

Rockets defeat Central 42-0, remain unbeaten

By Richard Anderkin

The Rockcastle County Rockets continued their trek toward a perfect regular season with a 42-0 victory over Knox Central on Friday night.

The Rockets are 8 and 0 on the season and 3 and 0 in the district. Rockcastle's win Friday night did not come without some problems for the Rockets.

Senior quarterback Christopher Parsons went down in the first quarter after he re-injured his left shoulder.

Senior outside linebacker and offensive guard Sean Smith went down in the third period, after he strained his knee.

Junior Coty Reams also injured his back on a kick-off. Reams and Smith were both taken to the hospital by ambulance in the third period.

The good news is that all three will most likely be ready for Friday night's district match-up with Cawood in Harlan.

Smith will be the only one of the three who will be in a somewhat guarded condition and for that reason his playing time may be limited.

Against Knox Central, Rockcastle scored twice in the first quarter, the first on a 34 yard run by senior Derrick Bussell, who made an outstanding run around the right side, after he adjusted on a run up the middle.

Senior place kicker Greg Terry added the extra point and the ROCK led 7-0.

Starting quarterback Chris Parsons then found junior Josh Hale on a touchdown pass on the next series, but the touchdown was called back because of a holding penalty against the ROCK.

Parsons was also injured on that play when a Knox Central player hit him late. No call was made, but Parsons was out for the game.

On that same series, sophomore Aaron Anderkin replaced Parsons and Parsons later, he found junior Clay Dooley on a 16 yard touchdown pass.

Terry's kick was good and Rockcastle led 14-0.

In the second period, Clay Dooley scored again - this time on a six yard run and Terry's kick made it 21-0.

Also in the second period, Senior Greg Harper scored on a 34 yard touchdown pass from Anderkin.

Terry's fourth extra point attempt was good and Rockcastle led 28-0 at half time.

Rockcastle scored at the beginning of the third quarter when Bussell went around right end on a sweep play that would result in a 25 yard scoring run.

Terry's kick was good and the Rockets were ahead 35-0.

Josh Hale ended the scoring for the Rockets when he scored on a five

yard run and Terry's kick made it 42-0.

No one scored in the fourth period and the Rockets had secured their eighth win of the season.

Knox Central's offense was terrible and they were no doubt the dirtiest team Rockcastle had played all season long.

It seemed like the only thing the Panthers could do well was play dirty, because on offense they netted a minus 107 yards for the game.

On offense the Rockets gained 314 yards on just 40 offensive plays.

The Rocket defense was led once again by middle linebacker Travis Ingram, who turned in a 13 tackle and assist performance and two sacks.

The Rocket senior was pulled in the third period or he would have no doubt had a 20 tackle night.

Sean Smith also had an outstanding game before he was injured with seven tackles and an assist. He also had a personal best five sacks and recovered a fumble.

Junior Adam Childress also turned in a seven tackle and assist game and he also was in on two sacks.

Defensive end Dackery Larkley had five tackles and assists and he

had a sack.

Harper, who seems to always be around when the football hits the ground, picked up another fumble recovery and he also had four tackles and assists. He also had a quarterback sack.

Junior Steve Blair, who has seen a lot more action as of late, had four tackles and assists and a quarterback sack.

Backup middle linebacker P.J. Rowe had three tackles and assists and he also picked up a quarterback sack.

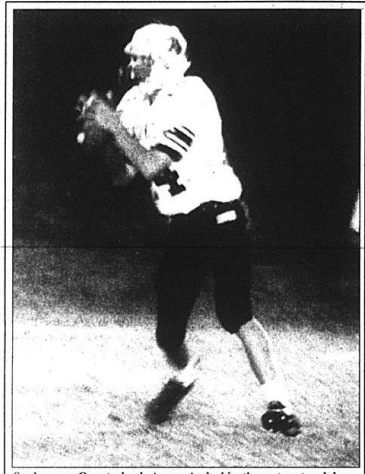

Josh Taylor, who will play a lot this week because of Smith's injury had three tackles and a sack.

Other Rockets getting tackles or assists on defense were Tanner Abney, 1, William Blair, 3, Josh Hale, 4, Clay Dooley, 2, Marty Reagan, 1, Stephen Boring, 1, Matt McClure, 1, and Brad Wesley, 1.

Offensively, backup quarterback Aaron Anderkin completed seven of ten passes for 104 yards. He rushed once for 12 yards and threw two touchdowns passes.

Before he was injured, Parsons completed one pass for eight yards.

(Cont. to A11)

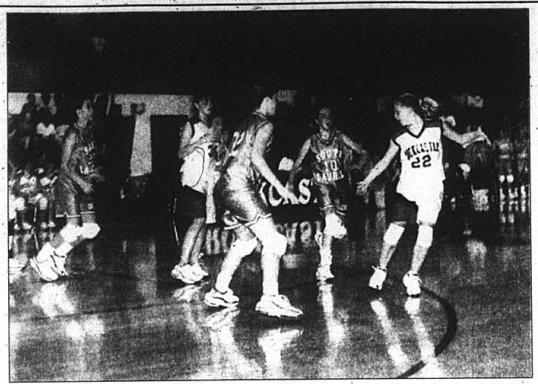

Sophomore Quarterback Aaron Anderkin threw two touchdown passes against Knox Central on Friday night. Anderkin replaced Christopher Parsons who was injured in the first quarter. The Rockets won 42-0.

Rockcastle Co. High School Welcomes Family, Friends, Community Members, and all Rocket fans to join us for SENIOR RECOGNITION NIGHT

Senior Recognition Awards will be presented as follows: Friday, October 27, 2000 6:45 P.M. Rockettes Dance Team Rocket Cheerleaders Rockets Marching Band Rockets Football Senior presentations will be prior to the game between the Rockcastle Rockets and the Bell County Bobcats. The presentation will begin at 6:45 P.M. Parents need to be checked in on the track no later than 6:40 P.M.

Johnna Abney, #22, scored 12 points and Heather Hammond, #35 scored four points as the RCMS Eighth Grade Girls' team won their 51st straight game Monday night with a win over South Laurel 39-37. The eighth graders have never lost a game at the middle school dating back to the sixth grade.

Rockets beat Panthers

(Cont. from A10)

Bussell gained 80 yards on nine carries. He caught two passes for 22 yards and he scored twice.

Clay Dooley had 18 yards on three carries and he caught one pass for 16 yards. He scored twice.

Josh Hale had 20 yards on three carries. He caught two passes for 12 yards and scored once.

Greg Harper caught one pass for 34 yards, which was a touchdown.

Dackery Larkey caught three passes for 19 yards and Stephen Boreing caught one pass for nine yards.

Greg Tery was perfect in extra points, hitting six of six.

James Michael Bussell had 17 yards on five carries. Josh Taylor had 15 yards on just two carries and Devin Taylor had 28 yards on four carries. Devon Bussell rushed once for a yard.

The Rocket offensive line comprised of William Blair, Sean Smith, Steve Blair, Michael Brummett, Tanner Abney, Jason Leger, Dackery Larkey and Greg Harper did another good job of creating holes for the Rocket backs and providing enough time to throw.

The Rockets will travel to Harlan on Friday night to take on Cawood, a much improved team from a year ago.

Cawood is four and four on the season and has been in every game this season.

The Rockets are ranked in the top 20 in the state overall and number two in Class 3A.

IF Rockcastle beats Cawood, Bell County will be their only obstacle to a perfect season. Something that has never been done at the ROCK.

Many teams have finished the regular season at 9-1 but no team has gone 10-0.

The Rocket have never defeated the Bell County Bobcats, who play Whitley County this Friday.

If the Rockets defeat Cawood Friday night, they will be guaranteed a runner-up district finish and they will host the first round of the district.

Time for Jr. Pro Sign-ups

The time to sign up for Rockcastle Jr. Pro Basketball for the 2000-2001 season and locations. The following sign-up times and locations have been scheduled.

- Tuesday, October 17th at the Roundstone Elementary School from 6:00 p.m. to 8:00 p.m. during Little League Football games.
- Saturday, October 28th at the Roundstone Elementary School from 1:00 p.m. to 3:00 p.m. during Little League Football games.
- Saturday, November 4th at the Mt. Vernon Elementary School from 10:00 a.m. to 12:00 p.m.

Rockcastle Junior Pro Basketball is a member of the National Junior Pro Association and follows all rules issued by the National Leadership. Players are divided into three leagues based on age:

- The Junior Varsity League**
For children with birthdays between September 1, 1990 up to August 31, 1992. Evaluations and team selections for this age group will be Monday, November 6th at 6:30 p.m. at MVES gym.
- Sign-up fees for the Junior Varsity & Training Leagues are \$25 per player. Sign-up fees for the Instructional League are \$15 per player. There is a \$5 discount for each extra child per family in Jr. Pro.**

In order for a child to be eligible to sign up, parents must bring a copy of a birth certificate for all who did not play Jr. Pro last year.

For those interested in coaching or officiating, please contact Randy Dillingham at 758-8185, Derrick Singleton at 256-1219 or Johnny Boone Saylor at 758-9636.

Enroll in the Junior Pro as a school sponsor; for information do not contact the schools, instead contact one of the three above individuals.

Stewart was shot once in the upper right chest and he also received a head wound from a fragmented bullet after police arrived on the scene.

Police said that Stewart was apparently trying to steal the van and pointed an assault rifle at them when they arrived at the scene.

Stewart was treated at the University of Kentucky Medical Center and is now being held in the Madison County Detention Center on numerous charges in both Rockcastle and Madison, including the murder indictment.

Sonia Nicely, Instructional Assistant/MVES; Sandy Johnson, Instructional Assistant/MVES and School Grounds Monitor/RCHS.

Resigning were Theresa Mize, Instructional Assistant I/MVES and Penny Hensley, Health Service Assistant/RCHS.

Inmates

(Cont. from front)

Kates is charged with forging her grandmother's name on checks she cashed.

Kates has also been charged in Rockcastle District Court with introducing illegal drugs into the jail on October 6.

According to Jailer James Miller, Kates had marijuana, valium and other drugs in her possession. Miller said that case would be presented to the Grand Jury in November.

Christopher Sean Mullins, 25, of Carter Drive, Mt. Vernon was indicted on two counts of theft by unlawful taking and two counts of criminal possession of a forged instrument.

The cases date back to February 1999.

Kimberly Bullock, 20, of Clark Street, Mt. Vernon was indicted on one count of passing a forged prescription at Mt. Vernon Drug Store.

Dean Clark, 35, of Mt. Vernon was indicted on one count theft by unlawful taking over \$300. He is accused of taking property from a rental house owned by William Blument.

William Raymond Plummer, Jr., of Benbrook, TX and formerly of Mt. Vernon was indicted for fraudulent non-support in the amount of \$7,350.

Rebecca Denney McGuire, 19, of Brodhead, was indicted on five counts of criminal possession of a forged instrument.

David Hood, 33, of Mt. Vernon was indicted on theft by unlawful taking charge. He is accused of taking an Arctic Cat ATV belonging to Walter Sturgill on August 27.

Stewart

(Cont. from front)

into a mobile home three miles east of Richmond and demanded the keys to a vehicle.

Police said that Stewart was armed with an assault rifle and handgun at the time.

Police said that a woman at the residence told Stewart that she would drive him where he wanted to go.

Police say that Stewart left the mobile home and that the woman locked the door behind him and called police.

Stewart was shot once in the upper right chest and he also received a head wound from a fragmented bullet after police arrived on the scene.

Police said that Stewart was apparently trying to steal the van and pointed an assault rifle at them when they arrived at the scene.

Stewart was treated at the University of Kentucky Medical Center and is now being held in the Madison County Detention Center on numerous charges in both Rockcastle and Madison, including the murder indictment.

Chief Justice Lambert to speak at CVADD meeting

Chief Justice Joseph E. Lambert, of Mt. Vernon, will be the featured speaker for the Cumberland Valley Area Development District Board of Directors Meeting, scheduled for 12:00 noon, Wednesday, October 25, 2000. The meeting will be held in the Cumberland Valley Area Development District Office Conference Room, which is located in London.

Chief Justice Lambert was elected to the Supreme Court of Kentucky in

1986 and took the oath of office as Justice on January 5, 1987. On October 2, 1998, after being elected by his colleagues, Justice Lambert was sworn in as Chief Justice of the Supreme Court of Kentucky.

The Cumberland Valley Area Development District Office serves Bell, Clay, Harlan, Jackson, Knox, Laurel, Rockcastle and Whitley counties.

Fred Moore, left, of Brodhead was one of the lucky winners in last week's drawing for \$50 in the Signal's Red Carpet Days promotion. He accepts congratulations from Rick Anderkin of the Signal.

Jody Adams, center, a patient at the Rockcastle Respiratory Care Center from Nicholasville, was recently honored with the designation as Kentucky Colonel. The certificate was presented by John Keith, right, of Corbin, who told Adams he had been an inspiration to him while his wife (Keith's) has been hospitalized at Rockcastle. Also in the photo are Adam's Aunt and Uncle, Calvin and Maggie Shockey of Stuart, VA. Adams has been a patient at Rockcastle since August of 1997 and suffers from Muscular Dystrophy.

\$54,000 grant will help cleanup dumps

U.S. Representative Harold "Hal" Rogers has announced that two projects in Rockcastle County have been awarded a total of \$54,400 for cleanup activities associated with the Kentucky PRIDE program.

The Rockcastle County Fiscal Court, the Kiwanis Club, the Rockcastle PRIDE Committee and the Board of Education, have won a joint PRIDE grant of \$50,000 for community cleanup efforts at 23 illegal dumps. Dump sites at the following locations will be targeted in the effort. SR 490, Burr Hill, Chestnut Ridge, Possum Kingdom, Piney Branch, SR 1249, Boone Cromer Road, U.S. 150, Buckeye Church Road, Hummel Road, U.S. 25, Ford Hollow Road, Mullins Station Road, Jarber Road, Dudley Station Tunnel, Northern Road, Maret Cemetery Road, Jamie Kirby Road, Marter Hollow Road, Price Branch Road, Miller Cemetery, Basil Moore Road and Medal of Honor Road.

The City of Mt. Vernon has won a \$4,400 PRIDE grant for continued efforts to clean garbage and debris

from the shoreline of Lake Linville. The funding is being provided through a competitive grant program offered by the PRIDE office, using federal funds secured for the PRIDE program by Congressman Rogers. More than \$6 million in PRIDE community and education grants have been distributed through the 40-county PRIDE region since the program began in 1997.

"These grants provide a helping hand to communities who need assistance in meeting the challenges of this massive cleanup effort," Rogers said today. "This work is vital to our continued efforts to build our economy, create new jobs and promote tourism. By cleaning up illegal dumps, removing trash from our roadsides, and restoring our streams and rivers, we're sending a clear message that our home is a great place to live, to visit and to do business. These grants are critical to the ongoing success of this important program."

Kentucky PRIDE—Personal Responsibility In a Desirable Environment—was created in 1997 by Con-

gressman Rogers and Kentucky Secretary of Natural Resources and Environmental Protection Jim Bickford. PRIDE is a comprehensive, region-wide effort that links local, state and federal agencies to clean up the region's rivers and streams of garbage and sewage, to end illegal trash dumps and promote environmental educational and awareness, while renewing citizen pride in eastern and southern Kentucky.

For more information about local PRIDE activities, contact Rockcastle County PRIDE coordinator Don Coyle at 758-0179.

Penzol speaks at D.C. Arts Conference

Last Friday, H. Allen Penzol, Basic Arts Coordinator for Rockcastle County Schools spoke at the Arts Education Partnership Conference in Washington, D.C. Penzol had been asked to deliver an update on the challenges and successes in building a strong arts education district and was representing Rockcastle County Schools which was profiled in the groundbreaking 1998 study "Gaining The Arts Advantage: Lessons From School Districts The Value Arts Education."

The conference, held at the National Education Association headquarters, provided an important and timely opportunity for updating and expanding on the findings of the original report which reveals the success strategies of 91 school districts in 42 states.

Produced by the Arts Education Partnership and the President's Committee on the Arts and Humanities, the report was released by First Lady Hillary Rodham Clinton in March 1999.

Addressing the topic "Are We Still Gaining the Arts Advantage?", Penzol included comments on sustaining Rockcastle's commitment to arts education for all students, the impact of evaluating arts education, are financial resources increasing or decreasing and the most challenging factor in arts instruction.

The agenda included a welcome

by Bob Chase, president of the National Education Association, five breakout sessions focused on the school district's learnings and an afternoon panel discussion on arts education moderated by Bill Press of CNN's "Crossfire," with closing remarks by Richard J. Desay, director of the Arts Education Partnership.

A report of the conference will be related later this fall by the Arts Education Partnership in cooperation with the President's Committee, the National endowment for the Arts and the U.S. Department of Education.

According to Penzol, "For Rockcastle County Schools to be counted among the leaders in arts education at a national level is very exciting. When you think of the size of other districts cited in the report, such as Atlanta, Chicago, Los Angeles County, and Fairfax County, Virginia, Rockcastle County stands out as an example of what any school district can do with the complete support of the school board, administrators, principals, teachers, students and community. I guess when it comes to arts education in Rockcastle County, the phrase 'Just do it' says it all."

Fiddler's Festival at Renfro begins October 27th

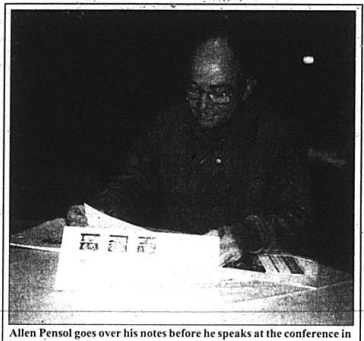

Not all the best in country, mountain and bluegrass music is to be found on the radio airwaves. Some of the best is still being heard on front porches, in living rooms and local community events. This is especially true of fiddle players. While most every country band worth its mettle boasts a skilled fiddle player, there are still plenty of masterful musicians who simply pick up their fiddles for the love of playing for family and friends.

On October 27, 28 & 29, Jim

Gaskin invites fiddlers from both sides of the fence - professional and amateur - to join him for a weekend celebration of fiddling at Kentucky's County Music Capital, Renfro Valley. For three days and nights, the Renfro Valley stage will be filled with fiddlers from all walks of life, from all parts of the country, and of all ages, brought together by a common bond - their love for the fiddle. It's hard to tell who's having more fun, the participants or the audience. Old standards and country classics come to life under the masterful bows of scores of fiddlers. The music gets underway at 7:00 p.m. on Friday, October 27, and continues on into the night. The fiddlers return on Saturday at 10:00 a.m. and fiddle until 4:00 p.m. and again on Sunday beginning at 1:00 p.m.

Tickets for the Friday and Sunday sessions are \$8.00 plus tax and Sunday session tickets are \$10.00 plus tax. A weekend pass for all three sessions is \$21.00.

Our Readers Write

Dear Editor,
I appreciate your getting in there at nearly closing time for The Mt. Vernon Festivals. Do you help get a sponsor for our annual event? Although you've published the responsible parties for having or not having the festival wrong. We still had a really good festival.

Maybe the City Council, have never before had any say in the Bittersweet Festival. It has always been coordinated and hosted by the Mayor and City Clerk. At a late date we were notified at a council meeting that we weren't going to have the festival after I asked had the date for it been changed. Several of us council members protested on the news of not having the festival. We asked for ads to be placed in the Mt. Vernon Signal and to not give up on it. The City Clerk handles the ads.

Anyway, I appreciate that thank Carol Kirby and all the rest for pulling it off. It was a really good time and I know everyone that attended did. These people worked really hard and deserve a lot of appreciation shown. All the folks that participated in any way gets my praise. Maybe everyone will really early to get our festival planned next year. I hope so.

Now I'd like to address another of the subjects in your editorial last week. The Occupational and Net Paying Tax. As everyone knows I fought hard against that tax. When the Council by majority voted that tax in at .5% I urged them to make several amendments to the Ordinance, one of which was to earmark the tax money for priority purposes but it was rejected.

We found out in December of 1998 that the City's audits were behind. I guess the Mayor and City Clerk of the City Clerk's work to incorporate the new tax ordinance instead of getting all necessary paperwork to our CPA, so that audits could be done. As of a week ago, he still didn't have the books for the City Hall to do '98, '99 or 2000 audits. I have explained to the rest of the Council that we were sworn in as Council members to uphold the law and that the law stated the year's audits were supposed to be reviewed before saying OK to the Mayor's budget. If not, would like to be able to find out what's going on with my finances but I alone cannot force work to be done by the Clerk. I'm really good for she says it, so, how can the council get anything done since we don't have any authority over employees? A lot of the public heard me at some of the special called tax meeting telling the Mayor we didn't know anything about what we had or didn't have because of the audits not being done. It's been almost two years and I'm wondering if I need to tell the man from Frankfurt to go ahead and come on down to visit with us. Someone else is going to have to tell the rest of the Council.

Blame can be placed here or there but that doesn't get things done. I'd like to see some job performance, not just get promises from City Hall! I'll be the rest of the Taxpayers would too.

By the way our meetings are still the first Monday of each month at 7:00 p.m. unless the Mayor changes it, as she does sometimes. A good report from each meeting to the public would be good and not by taking someone else's word of what went on. I tape record each meeting, so what I have proof of what I said. I don't like being made out to be a liar or things twisted around. I've always heard the old saying, "The truth shall set you free," but that's not always necessarily true. I have been a Mt. Vernon City Council member for 12 total years. Right now it's more trying than it has ever been in my life. I still need by the people.

I appreciate you printing my letter, editor and letting me tell my side. Sincerely,
Clarence R. Kirby
Mt. Vernon City Council Member

Dear Editor,
Everyone has memories to excitement and reminiscence about and not so good. In promoting our theme for the AARP Health and Independence Living Festival, October 26, at the Williamsburg Tourism Center this is just what will be taking place. Aside from the public men and women who served in the defense of our country will be special guest.

A large variety of service promoters and information booths on various subject matters will be provided for anyone wishing to display items of any kind in remembrance of family or friend who served.

Awards and lots of celebrated entertainment and door prizes will all the fills of red, white and blue will be enjoyed.

"Let's laugh our Battle - Let's help them fight theirs."
Help make our theme come true

by informing a veteran of the occasion.
Call 606-528-4207 or 523-9671 for more information.

Dolly M. Sears
AARP Coordinator HAS-FCIL
Dear Editor,
On behalf of the Council for Burley Tobacco, Inc. and our burley tobacco farmers I would like to thank Senator Mitch McConnell and our entire Kentucky Congressional delegation for what they have accomplished in regard to the 1999 Burley Tobacco Crop.

If this 1999 drought stricken crop had remained in the quota formula it would have most certainly driven thousands of our burley farmers out of business.

Your leadership and dedication to our family farms is very much appreciated. Thank you again for your amazing accomplishment.
Sincerely,
William Friz
President

Dear Editor,
I want to say a big thank you to the Bittersweet Festival Committee. The committee amazed us with the three and one-half weeks that they were able to dedicate in organizing the festival. They did a terrific job given the time they had. The Bittersweet tournament was a great success and so was the beauty pageants. Enjoying the festival was very evident from any of the festival attendees.

The committee consists of Carol Kirby, Phyllis Deatherage, Janet McClure, Sharon Thacker, Sherry Hansell, Minnie Kirby, Theresa Bussell, Lisa Sutton, Chris Kirby and Roy Mac Allen. You did a great job and as Mayor and President of the Mt. Vernon City Council, we want to say thank you for stepping up and supporting Mt. Vernon with your time and efforts that you put in on the Bittersweet Festival.

If the City of Mt. Vernon had more concerned citizens, then Mt. Vernon could have so much more. Thank you,
Mayor Karen King
and Mt. Vernon City Council
Dear Editor,
A very grateful thank you to all the Rockcastle County and surrounding areas that contributed in any way to help make the Bittersweet Festival a reality in 2000. If we neglected anyone from the list, please know it was unintentional.

A very heartfelt thank to all those who braved the cold weather to entertain, compete and attend the activities. The committee's purpose for the festival was to promote a celebration that all residents, friends and family of Mt. Vernon and Rockcastle County could come together and enjoy a time of festivity. Our desire was to provide activities that all ages would have something to enjoy.

A special thank to Rockcastle Jailor James Miller and the volunteer workers who helped clean up and decorate before and after the festival. It was nice to see business owners putting a new face on their stores as citizens cleaned the streets and decorated the town. We were determined to have a good time to make the weather predators.

We feel the festival had a degree of success (thanks to all of you) although we learned much from our mistakes. It was the first year for all committee members to undertake this challenge. The words of encouragement we have received from many of you have given us the desire to try this undertaking again.

Next year we would like to guarantee, the Lord willing, that the Bittersweet Festival continue. If you have any desire to be a part of the festival in any way, please notify one of our committee members or Mt. Vernon City Hall. As you can see from the list below it takes a tremendous amount of people and effort.

A. Above, A Touch of Class, ALL Booth Vendors, Amber Thacker, Austin Miller, Barry Adams, Barry McClure Builders, Betty Minor, Bill Mink, Chief of Police, Bittersweet Cloggers, Brindle Ridge Vol. Fire Dept., Broadwood Vol. Fire Dept., Bud Cox, Calvary Hill Singers, Carrers Market, Charles & Lou Bussell, Dr. Larry Smith Chiropractor (give away UK tickets and color-TV), Chuck Grey, Citizens Bank, City of Mt. Again, thank you to all of us and we hope you enjoyed some part of the festival because everything was done with your enjoyment in mind. The Bittersweet Festival Committee.

Remember the Christmas Parade. Floats and candy donations are needed. The Parade is scheduled for Saturday, December 9, 2000. The theme will be announced at a later date.

Dear Editor,
Today is Sunday. As I write this, we, and millions like us across this country, are getting ready for church. Hymns will be sung and prayers said for our nation and for our leaders. And we will come away feeling good, having fulfilled our weekly ritual.

How dare we? What right do we have to expect God to listen; to bestow special blessings upon a nation that has turned its back upon Him; a nation where even His name is forbidden in the classroom, where clergymen must be politically correct lest the church lose its tax exemption; a nation where the streets and squares no longer allowed to crack the walls and hallways of public buildings, and most horrible of all, a nation where unborn and mostly-born babies are slaughtered daily in astounding numbers.

We, the people, yes, even practicing Christians, have ignored the sin, and in many instances, actually supported it in various ways as the practice ceased to be unspokeable heights. I repeat, how dare we, our leaders, God asking favors with the blood of these precious little ones dripping from our hands? I do believe God will one day demand an accounting of us who did nothing or nothing to stop this atrocity called "abortion."

My husband and I were around when Roe vs. Wade was being debated, and while we were vocal in our opposition, this seemed too barbaric to ever become law. But we are and we're partly to blame. God forgive us! There is one thing we have both practiced with utmost consistency. We VOTE PRO-LIFE. We are registered Republicans and try to support party candidates, but if we detect a whiff of opportunity for killing babies, we take a look at their opponent before making a final judgment. If both are pro-aborts, we leave that space blank. In this small way, we're trying to atone for past sins and not to repeat them.

Though I am sure space will not be allowed to enumerate many of the horror stories we've collected over the years, but, please, could I relate just a few? You older folks will recall that abortion was billed as a way to save the life of the mother in cases where she would most surely die without it. And it would be performed only in those rare instances — and only through the first trimester — as one phase was accepted, another was added and then another, each becoming more and more gruesome.

Today the procedure must be described in the most delicate terms, else the news media will refuse to use it. Example: the unborn baby is a "fetus" or a "glob of tissue," and its death simply a "termination of pregnancy."

See, doesn't this sound better than calling it exactly what it is? Even the staunchest advocates of "a woman's right to choose..." cannot bring themselves to finish that sentence. Since 1973, I've strained my ears to hear one of them do so. And I'm still expecting the pro-choice candidate to demand that his pro-choice opponent describe this "right" in detail. I should live so long!

In the early days I recall how abortions were performed by injecting a saline solution into the womb to kill the baby, which was then suctioned out in small pieces. It was the attending nurse's duty to reassemble the parts to be certain they got it all. Failure to do so could cause infection, or, perhaps death of the mother. Dr. Wilk, a Cincinnati physician, told of seeing nurses with tears streaming down their faces as they carried these dissected babies from the "procedure room" in bedpans.

One New York nurse, who had not yet been introduced to the new system at her hospital, told of opening the wrong door and finding a tiny newborn lying naked on a cold table. All the skin had been literally burned off its body. "It looked like a piece of raw meat," she said. But it was alive, gaping and twitching. The uninitiated wrapped the baby in a towel and rushed it to ICU. Whereupon, she was fired! Her superior lashed out at her. "This woman paid for an abortion. How can I give her a live baby?"

It can't get any worse, right? Wrong! This was only the beginning of a nightmare that has led to "partial-birth" abortion, or as the Ohio doctor who perfected this extension of "a woman's right to choose..." calls it, "the Cadillac of abortion techniques."

We first heard about this new "technique" in 1993 from Brenda Shafer, a former pro-choice nurse who attended a partial birth abortion in Ohio. Testifying before a congressional committee, she described the experience thus: "The doctor delivered the baby's legs and arms, everything but his little head. The baby's body was still attached and his fingers were clasped together and he was kicking his feet. The doctor took a pair of scissors, which he jammed into the back of the baby's head, and the baby's arms and legs jerked out in a flash, as a startled reaction like a baby does when he thinks he might fall. Then the doctor opened the scissors up. Then he stuck the high-powered suction tube into the hole and sucked for our nation and for our leaders. And we will come away feeling good, having fulfilled our weekly ritual."

Which is my advice to all office workers: I suggest that you go to Court Justices' Monday, or even a couple of hours, in one of America's many abortion chambers, then tell us whether or not you're supporting the right to choose or you're just witnessing what you see. You feel about the harvesting and selling of aborted baby parts, which is now a lucrative business. In any way, a lawmaker, or wannabe, as first-hand knowledge of a questionable issue, should his/her views be accepted as a reasonable approach to the problem.

In closing, if anyone doubts that fully-developed babies are being aborted and that a price list of available parts exists, we can supply a copy. But we would suggest you don't eat anything just prior to reading it!

Sincerely,
F. Christine McKinney
West Chester, Ohio

Dear Editor,
I would like to make a statement to Christians of all denominations. The defining issue of this November's election is not education, or the economy, or foreign policy... as important as those issues are... The defining issue is: What kind of Supreme Court will the next President create? With several of the current justices well beyond retirement age, the next President could appoint two, or three, possibly even four or more justices.

With a single appointment, the delicate balance of this Court could shift, either toward the preservation of your religious liberties, or further away... The newly created balance could easily last for two decades or more because Supreme Court Justices are appointed for life. This is a critical time for America! As you know recent Supreme Court rulings by these

Cross County Leasing Referendum Coming Soon!
FSA is now gearing up for the upcoming Cross County Leasing Referendum. The referendum will be held October 23-27th to determine whether cross-county leasing of burley tobacco quotas should be permitted.

If more than 50 percent of the eligible burley tobacco producers voting in a state referendum favor cross-county leasing, then the lease and transfer of a burley quota from one farm to any other farm in the state would be permitted. If 50 percent or more of the producers voting in the state referendum disapprove, the lease and transfer of burley quota would continue only for leases and transfers with the same county.

The eligibility to vote in the referendum will be the same as the eligibility standards for votes taken on the triennial marketing quota referendum and will be limited to active burley tobacco producers.

Phase II Tobacco Payments
Tobacco growers, tenants, lessee owners and growing farm operators who produced tobacco in 1999 and shared in the risks of production are eligible to receive a portion of

Kentucky's share of the National Tobacco Growers Settlement Trust (Phase II). The funds will be divided equally with 1/3 for quota, 1/3 for land, and 1/3 for labor.

Applications will be mailed, like last year, to all farm operators involved in tobacco production. The forms will go out in mid-September and will be due back at the end of October. Applicants will find this year's form looks a bit different than last year's. It's easier to understand and easier to complete.

A toll-free phone help line will be up and running a week before applications are distributed. You can get answers to funds by calling 1-877-549-2537 beginning September 10th. Funds will be distributed by December 31, 2000. Exact rates for payment will be known after November 15, 2000.

The Farm Service Agency has been authorized to help operators fill out the Phase II forms by phone at 256-2525 or in the office on Mondays and Tuesdays only. If anyone needs assistance completing their applications on other days, we encourage you to call the Rockcastle County Extension Office at 256-2403 or the

toll free number of Phase II. County Committee (COC) Election

The Farm Service Agency (FSA) is now soliciting everyone's help in obtaining names and addressing of all eligible voters before the COC election scheduled for December 2000. FSA continues to seek voters and candidates for the upcoming COC election. All eligible voters, including spouses, are urged to contact the local FSA office if they have not received election ballots in the past.

Nomination forms are now available from the FSA office for the area of LAA#2, Community B. This area is the southeast section of Rockcastle County bound by Pulaski and Laurel County. Highway boundaries are Highway 70, Highway 150 and 25.

To work best, the COC must represent the whole of local agriculture. By seeking diversity, FSA will bring a greater range of expertise, different perspectives, and a broader understanding of the various business and marketing aspects to the committee's work.

FSA Quiet Time

The Farm Service Agency will be processing payments on Wednesday mornings, therefore, limited service will be available during these quiet hours. Applications and other documents may be left on the front counter. The quiet time became effective Wednesday, September 20, 2000.

Loan Deficiency Payment
Producers who retain beneficial interest in a commodity eligible for a loan or a loan deficiency payment (LDP) are eligible for payment. If all of the following remain with the producer:

- Control of the commodity
 - Risk of loss
 - Title of the commodity
- One of the eligibility requirements for Loans and LDP's is the crop must have been produced on contract acreage (AMTA), exception to soybeans.

A recent bill will now allow non-contract crops to be eligible for LDP's for 2000 year only.

For further information on the LDP program contact the local FSA office.
2000 Oileseed Program
Rockcastle County Farm Service Center announces an oileseed sign-up to be held Oct. 16 through January 12, 2001. Eligible producers must have planted or shared in the production of an eligible oileseed in 2000. Eligible oileseeds are as follows: Soybeans, canola, crambe, flax seed, mustard seed, rapeseed, safflower

seed, sesame and sunflower seed. A producer who planted an eligible oileseed in 2000 is eligible for payment only for that specific oileseed. Planting 1 oileseed does not make another oileseed eligible for payment.

Oileseed applications shall be submitted to the county that controls a producer's payment limitation for the producer. A new producer of an oileseed is a producer who shared in the production of an oileseed in 2000, but did not share in the production of that specific oileseed in 1997, 1998 or 1999 on any farm. A producer may be considered a new producer of one oileseed and an established producer of another oileseed. New producers are eligible to receive payment on their share of the 2000 planted acreage.

If a producer did not file a 578 (crop Report) the final date to report acreage using FSA-578B is January 12, 2000, for producers submitting CCC-780 for the first time, under the 2000 Oileseed Program.

A postcard will be mailed from KC-ITSDO the week of October 16, 2000, to notify 2000 oileseed producers of possible eligibility, provide the

address of control County office, instruct the producer to apply at the control County Office. 2000 OP payments will be issued after the end of the signup which is January 12, 2001.

"What Is Written"

From time to time in talking with people about the Bible, I have been asked what is wrong with instrumental music in worship. This can be easily answered, there is no Bible authority for it. Paul said we prove what the will of the Lord is; not assume it; "And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God." Rom 12:2. We must do what the Lord says and not act on presumption, guess work, supposition and assumption. There is no passage of scripture that gives justification or authorization from God for the use of instruments of music to be used in worship to God. Citing Ps 150 will not work, because that is an Old Testament command, and we are not under the Old Testament of Gal 5:1-4, Heb 8:6-13. We can find plenty of verses in the NT the commands us to sing (Col 3:16, Eph 5:19) but not one verse that commands us to play on mechanical instruments of music. Until we find a verse that would justify it's use, it remains a work of iniquity. If you know any verse that would authorize instrumental music in worship, drop us a note, we would happy hear from you.

ELECT MIKE DUNCAN

Circuit Judge, Division III

"Seventeen Years Experience as Lawyer and Prosecutor"

Duncan named prosecutor

MIKE DUNCAN, left, was sworn in yesterday by Circuit Judge Tim Vesters at the county's District Courthouse in the office of Commonwealth Attorney Benny Ham. Duncan, a Somerset native, has practiced law here since leaving the bar exam last spring.

In January of 1984, Mike was named by the Hon. Benny E. Ham as Assistant Commonwealth Attorney. During his career as a Prosecutor, Mike has tried and convicted felons in Rockcastle, Pulaski and Lincoln Counties.

Jury gives maximum sentence for DUI

...sentenced to the maximum sentence for the crime of Driving Under the Influence (DUI) of alcohol. The jury found the defendant guilty of DUI and sentenced him to 12 months in jail. The judge sentenced the defendant to 12 months in jail, 6 months of which will be suspended. The defendant is currently on bond for trial in another case.

After the law changed in July of 1992 making Fourth Offense D.U.I. a felony in Kentucky, Mike obtained one of the first "maximum sentence" D.U.I. felony convictions in the Commonwealth when in February of 1993 a Pulaski County jury recommended a five year sentence in a case which Mike prosecuted.

Vote MIKE DUNCAN for Circuit Judge

28th Judicial Circuit, New Division III, Non-Partisan

Barry D. Dauton, C.P.A., Treasurer

SBDM Minutes

Editors Note: Each month the *Signal* will run the minutes from the Site Based Council meetings at each school. The minutes which are published will be the last approved minutes and will be dated. Some of the minutes will be for meetings that were held more than a month before.

Brodhead Elementary SBDM Minutes

September 11, 2000
Present: Caroline Graves, Patsy Alcorn, Kristi Reynolds, Mary Ann Childress, Kathy Dyehouse and Katreka Cash.

The BES Mission Statement was reworded so the students have a better understanding of its meaning.

The one year goal for BES was discussed with the council agreeing by consensus to postpone the revising of the current curriculum format with Mr. Steve Baxter until the second semester.

The second reading of the policy on vacancies was approved by consensus, with the section on consultation being added to the policy.

The SBDM Conference will be in Louisville on October 9-12. All council members that are available at the time plan to attend.

ESS was discussed and it was agreed by consensus to offer after school tutoring focusing on reading, no transportation provided, beginning in early October and continuing until December resuming in early January and continuing until funds are depleted. Services will be offered on Tuesday and Thursday afternoons.

Mrs. Caroline has been in touch with Dr. Slaten to receive some recommendations for a strong tutorial reading series.

(Cont. to B-5)

Kennedy Alexandra McGuire celebrated her fourth birthday on August 28th with a Barbie Princess party at her home. Kennedy would like to thank all of her friends and family for all the nice gifts she received and for sharing in her special day. Kennedy is the daughter of Brian and Paulita McGuire of Shelbyville, Indiana and the big sister of Bryce Chandler McGuire. Grandparents are Paul and Faye Thomason of Mt. Vernon and Bruce and Charlene McGuire of Middletown, Ohio. Great grandmother is Mary Hellard of Mt. Vernon.

Rebekah Carol Hurley, Sept. 16, 2000 8 lbs 11 oz.
Danny and Nancy Hurley would like to announce the birth of their second child, Rebekah Carol Hurley. She was born September 16, 2000 at Lake Cumberland Regional Hospital. She weighed 8 lbs. 3.25 ozs. and was 20 inches long. She was welcomed home by her big brother, John David and a lot of family and friends. Grandparents are Bobby and Barbara Anglin and the late Daisy Marksberry and Edwin Hurley.

Happy 38th Birthday Aunt Tene Tene Love, Kayla

Letter containing a survey will be sent to parents informing them of the goals concerning ESS.

Attendance was discussed and it was agreed to work with PTA and do the "Perfect Attendance Pencils" at the end of each month. Also as an extra treat every two weeks all students with perfect attendance will be given a small treat. Remembering short goals are easier for small children to visualize.

Mrs. Caroline asked that all members of the SBDM Council and Mrs. Shirley Martin serve on the following committees: New School and Safety (Safe Schools).

The motion to adjourn was made by Patsy Alcorn and seconded by Kathy Dyehouse. The vote was unanimous.

Rockcastle Co. Middle School SBDM Minutes

September 25, 2000

Attendance: Brenda Click, Ray Hensley, Charlotte Bullock, Tammy Miller, Terry Parkey and John Hale.

Visitors: None. The meeting was called to order by Principal John Hale at 3:30 p.m.

The minutes of the previous regular meeting was read and approved as read.

Business:
Three staff members (one per grade level) has been registered to attend the Kentucky Middle School Association Conference. They will attend presentations by Barren Co. Middle School, another high performing Kentucky middle school, and make recommendations on planning visits to the school by our staff.

The council reviewed scores from the 1999-2000 Degrees of Reading (Cont. to B-6)

Happy birthday to Shane Michael Coriell. Shane will be 3 years old on October 22nd. Love - Mommy, Randy, Casey, Mama & Papa

Though I look like my siblings Make no mistake, I'm unique for a Stayton Just look at the date. I arrived 10 days early Just the way that God planned. So join Mommy and Daddy And spread the news through the land. My name's Coby Jordan And I'm proof for all to seem That once again God has blessed The Stayton Family.

Power Assessment (DRP). The 1999-2000 sixth grade class demonstrated an 11% improvement in scores between the August, 1999 Pretest and the May, 2000 Posttest. The DRP was originally scheduled for use at RCMS because we had no assessment which provided nationally normed data on our students' reading levels. Wenow give the CTBS, CATS as a nationally normed component, and Reading Renaissance gives similar information. Mr. Hale recommended discontinuance of the DRP to provide more instructional time. The council agreed by consensus to change policy by deleting DRP requirements from the promotion policy and discontinuing the use of the DRP. Second reading of this change will occur at the next meeting.

CATS Assessment Data is embargoed until October 1. Terry Parkey made a motion to enter closed session in order to review the assessment data. Ray Hensley seconded the motion. The council unanimously agreed to return to an open session. Charlotte Bullock made a motion to charter to open session. The motion was seconded by Tammy Miller. The council unanimously agreed. Mr. Hale stated that assessment scores will be released to the public next week.

Mr. Hale informed council members that the South Central Educational Board Making Schools Matter Initiative would include a visit October 16-17 from a Technical Assistance Team. The team will visit classrooms and review the school programs, and improvement plans. RCMS is one of only twenty-four schools, nationwide, selected to participate in the Making Schools Work Initiative.

Mr. Hale read a letter of resignation from Melanie Gray. She has accepted another job and will resign effective October 6. The council agreed by consensus to post the position.

The meeting adjourned at 4:26 p.m.

**Rockcastle Co. High School
SBDM Minutes**

September 7, 2000

The R.C.H.S. SBDM Council met in regular session on Thursday, September 7th, 6:00 p.m., in the conference room. Present were: Council Members Ruth Allen, Principal; Paul Abney, Parent; Cindy Anderkin, Parent; Dana Singleton, Teacher; Adam Coleman, Teacher and Connie Riddle, Teacher. Also present were: Trina Bustle, Daniel Moore, Carissa Settles, Lisa Clontz, Doris Adams, Daphne Adams, Betty Jo McKinney, Christina Rose, Lindsey Parsons, Jayne Jones Peyton Rogers, Cathy Rogers, Janella Jones and Rhonda L. Rose.

Chairperson Allen welcomed everyone and opened the meeting. She presented copies of an agenda with nine items and said Rhonda Rose requested adding two items—a discussion about a Pep Club and one on academic eligibility requirements for cheerleaders. Ms. Allen also said that Trina Bustle wanted to add a 21st Century Learning Center report. Council members reviewed the agenda. Dana Singleton made a motion to accept the agenda with three additions. Cindy Anderkin seconded. The council approved by consensus.

Chairperson Allen noted that since the room was crowded and more seats were needed the meeting should move to the library. The group left the conference room and reassembled in the school's library.

Ms. Allen presented copies of the August 1st and August 8th Council Meeting Minutes and requested council review and approve them. After a brief review, Connie Riddle made a motion to approve both sets of minutes. Adam Coleman seconded. The Council approved by consensus.

Dance Team Uniforms
Christa Rose, teacher and dance team coach, requested guidance on uniforms for dance team members. She showed a picture of the dance team and a catalog with examples of what many teams wear. Several members of the dance team were in attendance wearing a two piece uniform which Ms. Rose requested they continue to use until new uniforms could be obtained.

Ms. Allen provided council members with a copy of the school's dress code and read sections 3 and 7, in parts, states, "Only those students that participate in a sport or club have sleeveless shirts that are a recognized part of an official school uniform, will be the only ones to vary from this. Those types of shirts can only be worn during regular practice/competition times following the conclusion of the school day." Section 7 states "See-through clothing, bare midriffs and clothing containing holes which show bare skin above the knees are prohibited, as is any article of clothing considered indecent or distracting."

After several comments from those present, Ms. McKinney said that was not really a matter for the school council as they are a policy making body and should not be involved with decisions on individual issues. She said the council could not make a policy change on the spot because two readings are required. She said Ms. Allen might choose to accept the decision and that the might want to talk to council members before doing so. Ms. Allen asked council members what they thought. Both parent members said they had no problem with what the dance team members were presently wearing (at the council meeting). None else voiced opposition to that idea.

It was pointed out that Section 7 of the RCCHS Code has previously been interpreted to allow coaches to select uniforms. Ms. Allen then suggested that Ms. Rose as Dance Team Coach, select something which meets the school and various agencies might work together this time. Trina Bustle told Mr. Moore about the 21st Century Learning Center grants and mentioned Youth Opportunities Unlimited as a possible connection. She said she would be glad to help make connections between these projects. Ms. McKinney suggested that maybe the C.A.P. project would provide appropriate placement for some of the Co-op students with whom David Rader works. Ms. Allen thanked Mr. Moore for the information and invited him to come back to the school to meet with Ms. Bustle, school administration and/or others.

Review of Consolidated Plan

Chairperson Allen distributed to parent council members copies of the 2000-2002 Consolidated Plan. (Teacher members had received their copies earlier.) Ms. Allen explained that the staff and council will be discussing, gathering evidence for and revising the two year plan throughout the school year.

Review of Consultation Policy

Chairperson Allen presented a sample consultation policy developed by the Kentucky Association of Schools Councils. She said that legislation which became effective in July, 2000 requires consultation policy to address situations in which members of the council are not available for consultation. Ms. Allen explained that this was not covered in RCCHS existing policy and that the KASC sample provides one way this could be covered. The appropriate paragraph from the sample reads:

"Within two weeks after interviews are complete, the council shall meet in closed session to receive the committee's report, discuss the applicants, offer comments on the contributions each could make, and provide any additional input requested by the principal. If a quorum of the council fails to attend the meeting called for this purpose, the principal may either call another meeting or declare an emergency meeting, and the required discussion with the members who are present at the meeting."

Adam Coleman made a motion to add the paragraph above from the KASC sample policy to the RCCHS consultation policy. Cindy Anderkin seconded. By consensus, the Council approved the motion as a first reading for policy revision.

Review of Voting/Selection Procedures for Homcoming and Jambores

Chairperson Allen provided copies of pages X-33 through X-38 and X-11 and X-12 of the RCCHS Student Handbook, which state policies on the topics listed above. Dana Singleton said some requests had been made to have a king for homcoming and if that should be done, a procedure needs to be added. There were several favorable comments regarding this issue. Ms. Allen said if the idea is adopted, it should be put in place for next year. Cindy Anderkin said there is no way to get it done for this year. Several typing corrections were suggested for the pages from the handbook. No action was taken.

At this point the Council took a brief break, then reconvened.

Rocket Club

Rhonda Rose presented a plan for beginning a Rocket Club. Co-sponsors would be Debbie Cash and Nancy Bussell. There would be a \$15 Membership fee. The club would be simi-

lar to the former Pep Club with purposes of:

- Increasing school spirit
- Making signs to support all teams
- Increasing spirit and participation at athletic events
- Forming a pep section at athletic events
- Making treats to support all teams
- Organize senior signs for pep rallies

After favorable comments from council members all around, Ms. Allen agreed to accept the proposal to begin the club.

Academic Requirements for Cheerleaders

Rhonda Rose discussed academic requirements for cheerleaders. She said that By-Laws 3 through 9 of Kentucky High School Athletic Association no longer holds cheerleaders to eligibility standards. Ms. Rose added that she wants to include an academic standard for eligibility for cheerleaders, beginning next year (2001-2002). There was general

agreement that the Council is supportive of that practice. No specifications were requested or taken.

Discussion of FHA Trip

Ms. Allen presented copies of a proposal for a PCLLA trip from November 16th to the 20th in Minneapolis, Minnesota. There was brief discussion that some students cannot afford to go. Students will have fundraising opportunities before November. Connie Riddle made a motion to approve the trip. Adam Coleman seconded. The Council approved by consensus.

Discussion of School Council Conference

Ms. Allen presented a flyer with information about the Kentucky Association of School Council's Annual Conference. It will be held October 9-12. She asked council members if they wanted to go. She said that Professional Development money is limited, but she would discuss the subject with Shelby Reynolds. Dana Singleton said she might go. No ac-

tion was requested or taken.

Cross Country Assistant Coach Position

Ms. Allen presented a letter from Dawn Quigley, Head Cross Country Coach, recommending Mark Brummett for the Assistant Cross Country Coach position which was created in the Spring of 2000. Dana Singleton made a motion to accept Mr. Brummett as the Assistant Coach. Paul Abney seconded. The motion passed by consensus.

Other Adjournment

Ms. Allen made a motion to adjourn. Cindy Anderkin seconded. At 8:30 p.m., the Council adjourned by consensus.

Rockcastle Co. High School SBDM Minutes

Sept. 18, 2000

The Rockcastle County High School SBDM Council met in special session Monday, September 18th, 2000 at 3:30 p.m. in the school's conference room. Present were:

Council members Adam Coleman and Dana Singleton, teachers; Cindy Anderkin and Paul Abney, parents and Ruth Allen, principal. Also present were Barry Noble, Jenny Sweet and Betty Jo McKinney.

1. Intramural Volleyball program

through the 21st Century Community Learning Center.

Chairperson Allen opened the meeting and asked Barry Noble to present background information on the Intramural Volleyball agenda item. Mr. Noble said that on a survey students had requested the volleyball as a preferred sport. He said that this new sport for RCCHS girls would need to be intramural at first, but if the council approves, the long term plan is to request recognition as a high school competitive sport, then request our Board of Education for a supplement to support it. He explained that Title IX requires an equal number of sports for boys and girls, equal monetary support and that schools show a history of making things as

equitable as possible. Having volleyball as an intramural sport would be a step toward meeting those requirements. Mr. Noble explained that the 21st Century program had offered to help and he requested Council approval for RCCHS to offer intramural volleyball through the 21st Century program this year. Dana Singleton asked if that meant the sport would not be governed by KHSAA this year and would not require drug testing. Ms. Allen confirmed both conditions to be true. Ms. Singleton also asked what would happen if boys wanted to play. Mr. Noble answered that Title IX does not address male equity.

Ms. Allen asked Jenny Sweet about who did the interviewing when other 21st Century positions were filled. Ms. Sweet said they had been able to fill positions using teachers. Ms. Allen said we need Council approval to offer intramural volleyball through the 21st Century program.

Dana Singleton made the motion to appoint Cindy Andertin seconded. The Council approved by consensus.

2. Posting of School Grounds Monitor Position:
Chairperson, Allen provided a job description for the position of school ground monitor and asked Mr. Noble to address the situation. Mr. Noble said that four years ago a Security Guard was hired from Commonwealth Security, then later replaced through the Sheriff's Department. He said the Sheriff's Department did not bid on the service this year. Ms. Allen called for Council approval to post the position. Cindy Andertin made a motion to do so. Adam Coleman seconded. The motion passed by consensus.

Ms. Allen pointed out that Council By-Laws require a selection committee to meet within seven days and should include the principal, at least one certified staff member and one parent. The council named Barry Noble, Tony Saylor, Ruth Allen, Paul Abney and Doug Mullins to the selection committee. Dana Singleton made a motion to adjourn. Paul Abney seconded. At 4:05 the Council adjourned by consensus.

Roundstone Elementary School SBDM Minutes
September 25, 2000

The Roundstone Elementary School Council met on Monday, September 25, 2000.

Council members present were David Pensol, Principal, Michelle Atkin, Renee Burdett and Beverley Owens, teachers and Susan Jordison and Tena Mullins, parents.

The minutes of the July meeting were reviewed and discussed. The council held no August meeting. The principal reported on the financial status and reviewed the monthly statement. The council heard a request from Mr. Larry Miller, representing Concrete Health, to be allowed to have a designated area for him to sell health supplement policies to school staff. After some discussion, the council agreed to continue with the existing procedure that allowed the salespersons to leave information about products to be placed in school staff mail boxes. Arrangements will be made for any staff members who wish to talk with a salesperson. The council discussed the teaching staff allocation and agreed to post a teaching position based on increased enrollment at Roundstone. The council formed a hiring committee that would be composed of the principal, team teacher, a parent and an instructional teaching assistant. The school counselor reviewed the current CTBS scores and reported that Roundstone scores continued to look very good across all subject areas. The principal remarked that Roundstone was seventh in the state on the overall score, and that the scores have been in the top ten in the state for the last four years. The council reviewed and discussed the current teaching practices and agreed that Roundstone staff continues to use developmentally appropriate techniques. The group agreed that all council assets would be used to complement this approach. The Fall Arts night was set for October 5th at 6:00 p.m. The group set the next council meeting for Monday, October 23, at 4:00 p.m. The meeting was adjourned.

Mt. Vernon Elementary School SBDM Minutes
October 2, 2000

The meeting was called to order at 5:07 p.m. Present: Rosamond Brown, Michael Robbins, Paula Cowan, Bobby Webb and Roy Martin.

Mr. Martin made a motion to accept the agenda as presented. The motion was seconded by Mrs. Cowan. The council agreed by consensus. Mr. Robbins made a motion to accept the minutes as written. Mr. Webb seconded the motion. The council agreed by consensus.

Mrs. Brown consulted the council to fill two instructional assistant positions. The screening interview committee recommendations were to hire Shelia Nicely and Sandy Johnson for the positions. The council and Mrs. Brown agreed to accept the recommendations. Mrs. Nicely will work as a regular education assistant and assist with greeting visitors. Mrs. Johnson will work with a special needs student.

Mrs. Brown and the Council reviewed the CATS Assessment results and discussed the process for analyzing the scores and developing a plan to improve students learning. The areas of focus are reading and mathematics.

The Council reviewed components of the school's consolidated plan. Discussed additional activities that may need to be added to achieve the plan. No motions were made. The next meeting will be November 2, 2000 at 5:00 p.m. in the school conference room.

Mr. Martin made a motion to adjourn. Mrs. Cowan seconded the motion. The meeting was adjourned at 5:40 p.m.

(Cont. from B-Front)

nine men and women have taken much of our religious freedom from us. It is chillingly clear how strongly they control our lives!

We need a Court that values the moral foundation of this Country. A Court that respects the sanctity of human life and the importance of the family.

A Court that will not allow Christians to be discriminated against. The makeup of the Supreme Court is crucial to your future, your freedom, your freedom, the freedom of our families.

Rise up Christians as a mighty army and make a difference for God and Country at the Polls.

Sincerely,
Shirley Wilson

Dear Editor,

On November 7, many of us will be casting our votes for the candi-

dates of our choice for public office. The State Senator election is one that you must consider very important for Rockcastle Co. As a citizen and voter in the 21st District (Jackson, Knox, Laurel and Rockcastle counties), I am endorsing Lawrence Kuhl and encourage each of you to take action at that choice before you vote.

I have known Lawrence Kuhl for 36 years and have kept up with him during all that time. My first acquaintance was on the football field as a player at London High School. Besides being a coach, teacher, and school administrator, Lawrence has been a banker and long time civic leader. He has been very successful and has helped numerous people. He has been either an officer or on the Board for Directors for over 25 large organizations. It is a fact, that when the community needed something done it was Lawrence Kuhl they went to for help. Lawrence is well acquainted with nearly all of the legislators in Frankfort and has had

excellent working relations with all of them. Lawrence Kuhl is constantly working toward progress. He will make Rockcastle County an outstanding State Senator. I also know his opponent, Albert Robinson, which is a fine person, but the voters in the 21st District have suffered the past few years with Albert Robinson. We need a State Senator that will go to work for the people in his district. Lawrence is a strong advocate for education, a stronger economy and he will work to continue the tourism for Rockcastle County. After Lawrence Kuhl is elected, you will see that progress will be made. He will work for you and use his influence in Frankfort to get what you need to make Rockcastle County more prosperous.

Tom Larkey
Head Football Coach
Rockcastle County High School

Dear Editor,
Flaming a tailgate party? You might want to skip the hot dogs, un-

less you like a little listeria with your mustard and pickle relish. The Lay Packing Co. of Knoxville, Tennessee, recently recalled 48,000 pounds of hot dogs, which were sold in Kentucky and six other states, because of possible contamination with listeria, a potentially deadly bug that can cause flu-like symptoms, meningitis and blood infections. Eighty-eight percent of people who are seriously infected with listeria end up in the hospital and 25 percent die.

Listeria isn't the only nasty ingredient lurking in your winners. In *Hot Dog Farm* magazine, a USDA official confirmed that "hot dogs contain skeletal muscles, along with parts of pork stomach, snout, intestines, spleen, edible fat and yes, lip." Hot dogs also contain nitrates, the preservatives used in many processed meats, which are converted to highly carcinogenic nitrosamines in the body.

Don't forget about the hearty dose of animal suffering. On a typical factory farm, pigs are crammed into

crates barely larger than their own bodies, pumped full of hormones and antibiotics, fed offal and other junk, and then unceremoniously shipped to slaughter. Each year, 92 million pigs are killed in the United States alone.

Fortunately, consumers can still enjoy hot dogs without eating left-over pig parts or promoting animal abuse. Health food stores and most large supermarkets sell a variety of vegetarian "pups" that have all the taste of the "real thing" - but none of the cruelty, contaminants, or pig lips.

Sincerely,
Paula Moore

Dear Editor,
I am some what disturbed at the social engineering that is going on in Rockcastle County. It used to take a search warrant for the government to invade the privacy of one's home, but they are finding more and more

(Cont. from B-8)

ways to get around that little problem.

The courtroom has come to the classroom. It seems as if the schools and the government is merging into one big happy family. It's the children, who are being manipulated and victimized by the social engineers and the "It takes a village to raise a child," mentality that is being forced upon us. "Hillary's Village" is certainly in full operation in Rockcastle County. The children are constantly being monitored and evaluated, looking for one flaw in their personality or some other anti-social behavior; as they're being sized up for some special education, counseling or some other social program; and it becomes a part of their permanent record. The schools are one big social program with counselors, programs and social workers.

Most people seem to think it's just wonderful, one lady told me a white back boy she was expecting a great future to break out in the school system just any time now, that many of the teachers and school employees were now "spirit-filled." Some of them are "spirit-filled" all right. I think I may know one or two that have several of them.

They now have video cameras in the hallways. The children are constantly aware they're being watched (except when they're using the restroom and I'm not too sure about that).

When I was a child we were always being warned about God's all-seeing eye, but we were never told about "big brother" all seeing.

The school children are not the only ones living in a fish bowl. We are all being monitored for anti-social behavior. Our society has gone program happy and counselor crazy. If you've got a problem, we've got the program. There are more counselors than counselees. We've got rehabs, therapies, support groups, shelters and counseling programs unlimited. As our president likes to say, "We feel your pain," and we got the program that will change your life. As if people can be reprogram like a computer.

People cannot change themselves. They may change their environment, circumstances or lifestyle, but they cannot change their wants, desires, lust and cravings. We were born in the image of the "first man Adam," the only way we can change is be born again "in the image of the second man, Adam," people cannot be reprogrammed.

I know of a couple of cases of couples who filed for divorce then soon after changed their mind. The judge wouldn't drop the case and ordered them to counseling. Not only did they have to listen to some State-appointed Psychotalk about "the joys of marital sex." They had to pay the bill. It's a money racket. The judge, lawyers, counselors and everybody gets to make a little money from "feeling your pain." Maybe that's why the economy has been doing so well. If only we could just keep up the pain, and create a new program for every pain.

It seems to me that we're on a slippery slope. Every time we turn around, another program is being implemented. The more government intrusion into our lives, the more people seem to like it. Which leaves me to wonder what their response will be when the proclamation is made that a new program is being implemented that all those that buy or sell or participate in the economy will have to take a mark in their right hand or in their forehead.

Bill Mullins
Mt. Vernon, KY

Dear Editor,

On behalf of the officers and members of the Rockcastle County Middle School Parent-Teacher Group I would like to thank Mr. Andy Beichler, Ms. Drama Gentry and the Gear Up staff at Berea College for the generous donation in the amount of \$1,168.00. This money was provided in the form of matching funds to reimburse PTG for award trophies handed out to academically deserving students at the end of 1999-2000 school year. This has permitted us, as an organization, to begin the new school year on a positive note financially.

We are very proud to be affiliated with a program like Gear Up. We feel that together, we can help any student in this county achieve what they all deserve- and that is to have a chance at success in life after leaving middle and high school. The best thing we can give our children is an education, in addition to preparing them to be responsible adults. This is what Gear Up and PTG are about.

The mission for the RCMS PTG is to act as a liaison between parent and teachers, to enrich the education of our children and recognize achievements. We shall also work to keep open lines of communication between parents, teachers and the community.

Thank You
Ray Hensley
President, RCMS PTG

Rockcastle Hospital cholesterol screening popular with community

Rockcastle Countians have been paying attention to the health warnings about high cholesterol and heart disease. Last month, nearly 550 took advantage of free cholesterol screenings offered by Rockcastle Hospital and Respiratory Care Center, Inc. The test usually costs \$70. "We are overwhelmed by this tremendous response," said Lee Keene, president and CEO. "It demonstrates just how eager our community is to participate in preventative health measures. The cholesterol screenings are one of many that we offer throughout the year, and our goal is to meet the healthcare needs of our neighbors in as many ways as possible."

The next test offered by the hospital is scheduled for October, when

mammograms will be available at a reduced cost in conjunction with National Breast Cancer Awareness Month. To schedule a mammogram, call 256-2195. Each participant will receive a gift bag full of health information and other items.

Rockcastle Hospital and Respiratory Care Center, Inc., is a not-for-profit community hospital, which is accredited by the Joint Commission on Accreditation of Healthcare Organizations. It operates inpatient and outpatient acute care programs, 60 long-term beds for ventilator-dependent patients, and a home health care service. The hospital was established in 1956 and treats patients from across Kentucky, Tennessee, Alabama and several other states.

Rockcastle Hospital receives large grant from WHAS Crusade

For the first time in the nine years of participating in the WHAS Crusade for Children, Rockcastle Hospital and Respiratory Care Center, Inc., has received a full grant from the event. Hospital officials have been notified that they will receive \$411,112, the entire amount requested.

The grant will be utilized for a variety of therapy materials that will benefit pediatric patients who are receiving physical therapy, occupational therapy or speech therapy at RHRCC. Some of the items include:

- A portable bathing system that allows patients to be lifted into a tub right in their rooms.
- A wheelchair accessible swing that will be installed outside the hospital.
- A portable pediatric ventilator.
- A library that will provide books for parents on caring for children

with speech and language problems. Rockcastle Countians donated a total of \$4,000 to the Crusade this year. Local donations play a role in determining the grant amounts, which must be used to benefit children. "As in the past, we wholeheartedly thank the community for its support and donations to the project," said Linda Gregory, directory of speech therapy. "This is truly a community effort, and without our local businesses, friends and neighbors it would not be possible."

Singleton named Senior Consultant with Prominence Communications

Prominence Communications, Inc., a Louisville-based employee communications consulting firm, has appointed former Rockcastle resident, Ron H. Singleton, CEBS, to the newly created position of senior consultant. Singleton, a long-time human resource consultant with the Louisville office of William M. Mercer, as well as former director of national accounts with Anthem BlueCross, BlueShield, will spearhead business development and client management initiatives for the fast-growing company.

"I looked at several great opportunities prior to committing to Prominence," said Singleton, "but their concept is the most innovative one I encountered. Prominence is well positioned to capitalize on the growing

trend to outsource human resource and other employee communication processes, including online information and administrative functions."

"We're very excited about having Ron on board," said Wayne Carroll, a principal of the firm. "He has an outstanding record, both in developing client relationships and in providing first-in-class consulting advice. He'll play a key role in helping us move into the next stage of our development."

Singleton is a native of Brodhead, the son of the late Mary McWhorter. He is a graduate of Brodhead High School and Berea College.

Browning and Abney attend VP debate

Danville, known as "the city of firsts," was just that as it hosted the only vice-presidential debate this election. On October 5, Centre College was the smallest higher education institution ever to host a presidential or vice presidential debate. After 18 months of preparation and a million dollars spent, Centre is said to have hosted the best debate ever. So how did a small college in a small town in the heart of Kentucky persuade the Commission on Presidential Debates to send the Candidates to Danville? Centre has produced two vice-presidents and two US Supreme Court justices. But what the school pitched most vigorously was an appealing campus in a town that many Americans can relate to and where students are actively engaged in college life. For an evening, the nation's eyes focused on a school that is making an aggressive push to move beyond a regional to a national reputation.

The debate at Centre College drew favorable coverage in the media ranging from the Boston Globe to the Washington Post. Nick Clooney of the Cincinnati Post said, "the smallest college ever to host one of these debates was also the best organized."

Mary Beth Browning, a sophomore at Centre, and Stewart Abney, a freshman at Centre, were two of the fifty students who received tickets to the debate. Both students agreed that attending the debate was an experience of a lifetime and one that they will never forget. Both students are graduates of Rockcastle County High School.

Daniel Dull completes basic training

Marine Corps Pvt. Daniel Dull, son of Debra and Daniel Dull of Rt. 1, Brodhead, recently completed basic training at Marine Corps Recruit Depot, Parris Island, South Carolina.

Dull successfully completed 12 weeks of training designed to challenge new Marine recruits both physically and mentally.

Dull and fellow recruits began their training at 5 a.m., by running three miles and performing calisthenics. In addition to the physical conditioning program, Dull spent numerous hours in classroom and filed assignments which included learning first aid, uniform regulations, combat water survival, marksmanship, hand-to-hand combat and assorted weapons training. They performed close order drill and operated as a small infantry unit during field training.

Dull and other recruits also received instruction on the Marine Corps' core values—honor, courage and commitment, and what the words mean in guiding personal and professional conduct.

Dull and fellow recruits ended the training phase with The Crucible, a 54-hour team effort, problem solving evolution which culminated with an emotional ceremony in which the recruits were presented the Marine Corps Emblem, and were addressed as "Marines" for the first time since boot camp began.

Ordinance No. 00-101

An Ordinance of the City of Brodhead, Kentucky, establishing procedures and requirements for the acceptance of streets into City maintenance.

Be it ordained by the City of Brodhead that the city desires to establish procedures for the acceptance of streets within the city limits, into the maintenance schedule of the City, and to accomplish this goal, the City proposes to enact the hereinafter stated provisions:

Now therefore, the City of Brodhead does explain as follows:

1. Any street, road, avenue, court, cul-de-sac, alley or other thoroughfare (hereinafter referred to collectively as "streets") over which motorized vehicles travel, located within the city limits of Brodhead, Kentucky, and which has not been accepted into the schedule of the city for maintenance prior to the enactment of this Ordinance, and which are constructed or used with the primary purpose of public use for travel, shall not be maintained or improved by the use of public funds.

2. Prior to a street being accepted in the maintenance schedule of the City, the owner of said street or any person who owns property adjacent to said street, shall petition the City Council, or other legislative body of the City of Brodhead, to have said street accepted into the maintenance schedule. Said petition shall be in the form of a written statement requesting the City Council to approve or deny the request to have the street accepted into the maintenance schedule.

3. Prior to constructing any street, the developer must submit detailed plans to the City Council. If the plans meet the basic guidelines and the street is constructed in compliance with the plans and the basic guidelines set forth herein, upon completion of the street it will be accepted. The following basic guidelines must be met before any street may be accepted into the city maintenance schedule:

a. The traveled or paved portion of the street must be a minimum of 18' in width, and there must be a dedicated right-of-way of 40' minimum.

b. The foundation of the street must be constructed with a minimum depth of 8 inches of DGA base, 2 inches of binder, and the surface must be constructed of a minimum thickness of 1.5 inches of Class 1 surface.

c. All streets shall have curb and sidewalks installed prior to acceptance, and sidewalks shall be 4 feet in width, and be a minimum of 4 inches thick, and made from #4000 mix with fiberglass reinforcements, and shall be constructed on a base of minimum thickness of 3 inches DGA.

d. All curbs shall be a minimum of 6 inches in height and 6 inches in width, and shall be constructed of #4000 mix with fiberglass reinforcements, and constructed on a base of a minimum thickness of 3 inches DGA.

e. All streets shall be engineered and constructed in such a manner that drainage from the street will run to the curb and into storm drains.

f. Entrance pipes installed for access to the street shall be a minimum of 24 feet in length and 15 inches in diameter, and all shall be installed prior to entrance being made.

g. All crosscuts shall be completed before the permanent roadway is constructed, and all cuts in the roadway will be back-filled with rock in the roadway portion.

h. All materials specified herein must meet the Kentucky State Highway/Transportation Department specifications.

4. No street shall be accepted into City maintenance until 75% of the lots which adjoin said street are developed and the finished roadway has been in place a minimum of one year subsequent to its construction.

5. Any street accepted into the City maintenance schedule pursuant to this Ordinance shall be deeded to the City of Brodhead.

This Ordinance shall be effective upon its adoption and publication. Given first reading on 10/9/00

Given second reading and adopted on October 16, 2000

City of Brodhead
Walter Cash, Mayor

Attest:
Rebecca Russell, city clerk

Old Memories

Submitted By Mae Taylor

I've been reading Mrs. Graves in the Signal about bridges and it brought back memories when I was seven or eight-years-old. My parents lived at Poplar Grove and my Grandpa and Grandma Siepp lived at Bandy, which was around six or seven miles and I would walk and go to see them. I would stay three or four days and I would have to cross a creek. And the way you crossed the creek was a crossie for the bridge, it had a wire to hold to and I was so afraid to walk on it for my head would swim. So if it wasn't to full I would wade the creek. In a few years they built a bridge, it was called a swing bridge and was longer and built out of slates two or three inches apart. And it had a wire on each side to hold to, so as you walked on it, it would move and weave with you. And I still didn't like to walk on it for it was higher than the

one with the crossies.

But I loved to go to grandpa and grandpa's. She was so little and sweet. They cooked on a wood stove and had a fireplace. So they saved all the ashes, and grandpa would take all the pieces of heavy metal and make what he called a ash hopper and in one side at the bottom he made a hole. They put all of the ashes in this hopper, under this hole at the bottom he made a little trowl. I would help grandpa carry water and pour in this hopper so when all of these ashes were all wet it came out in a little stream in this trowl and into a big creek. And the ashes made lye. She would use a big iron boiler, put so much water in it and then her meat scrapes, then she add this lye till it eat up all the meat scraps and it sure was lye you never heard of mery war lye then. Grandpa always had six or seven of bees, I'd set on the porch and

watch grandpa rob them. He had a bad leg and had to walk with a stick for you never heard of canes then. He had something he called a blower he would use it when he was robbing the bees. You pressed on it and it would smoke the bees, all he could take out the honey. I've seen him take out a hard can fall and sometimes more. It wasn't as pretty as honey you buy in stores but it was good. When I would start back home I always had honey to take home with me. Grandma was up early and had that old wood stove, make the best biscuits, have ham and honey and real butter. I often think of them and how she made her soap.

When I married at 17 and started my family, you could get mery war lye then for 10 cents a can. I made two kinds of soap. I made one like grandpa, then I made one was called cold water soap. I would save my old grease till I got a four pound lard tennet, then put that grease in an enamel pan. I used a paddle to stir

with. I started pouring the lye a little at a time till it eat up all the grease and by the time it had ate it up it would be thick and so hot it would burn you. I let it set till it got cold, then cut it out in cakes. It would be hard and white; this is what I washed dishes with.

I'm 90 years old and I just could set down and write the back memories and had I not had them and could get by it would make a big book. But they were good days and I think the way we had to live back then made me appreciate more what we have today. We have lots more than we need. Children these days has so much and still want more. I don't know if it's good for them or not.

We aren't thankful enough how good the Lord is to us. When I think of grandpa and grandpa. How times were then... They raised what they had to eat. Grandma would dry pumpkins when they had fire in the fire place. She would take a stick and fasten it with a wire on each end

across the fireplace. She would cut the ring off of the pumpkin and cut it round in one half to one inch wide and hang that stick full of pumpkin. When it dried she would store in in put it in a big iron kettle with a big piece of fat meat and bake a big long baker's of corn bread. And it was good then, don't know how it would be today. I wouldn't take any thing for the good memories of grandpa. She taught me to cut up my first chicken. They had their chickens, milk and butter and had their own meat.

NOTICE

The Brodhead City Council will hold a Special Meeting on October 16, 2000 at 7 p.m. at City Hall for the Second Reading on Ordinance 000-101 and for reviewing applications and possible hiring of water and sewer personnel.

Printed below is a facsimile of the ballot which will be used in East Livingston and West Livingston precincts in the General Election in Rockcastle County on Tuesday, November 7th.

Norma Hawk, County Clerk

Fordyce - Wyatt wed

Rita E. Wyatt, daughter of Hobert Wyatt and the late Lottie (King) Wyatt of Livingston and Tom Fordyce, son of Juanita Fordyce and the late Clyde "Dip" Fordyce, formerly of Livingston, were united in Holy Matrimony September 15, 2000 at Buchel Church of God in Louisville. The pastor Mark Cox officiated at the ceremony.

The Matron of Honor was Sylvia (Halcomb) Waddle and the Best Man was Terry Waddle.

A celebration with family and friends followed the ceremony. The bride is employed by Baptist Health System as an LPN. The groom is employed as a supervisor for a Louisville factory. The couple will make their home in Louisville.

Third Section Thursday • October 19, 2000

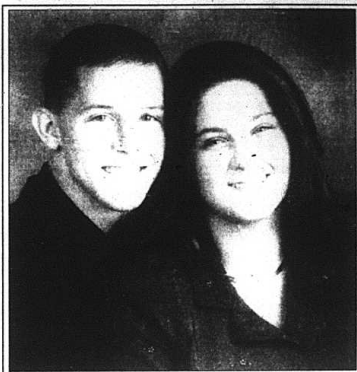

Cummins - Scoggin

Mr. Gary Cummins and Larry and Ann Todd would like to announce the engagement and forthcoming marriage of their daughter, Rachel Jean Cummins, to Jason Dale Scoggin, son of Mr. and Mrs. Dale Scoggin.

Cummins, a 1995 graduate of Lincoln County High School and a 1998 graduate of Cumberland Valley Health and Technology Center, is currently employed at North Garrard Family Medical Center as an LPN.

Scoggin, a 1994 graduate of Somerset High School and 1998 graduate of Kentucky Technical College, is currently employed in Tool and Die Maintenance at Matsushita in Berea.

The wedding will take place Saturday, November 4th at 1 p.m. at the Ottawa Baptist Church in Broadhead. All family and friends are invited to attend.

Bradley - Adams

Mr. and Mrs. William Kenneth Bradley of Berea would like to announce the engagement of their daughter, Breama Kay, to Jonathan Lee Adams, son of Mr. and Mrs. Randal Adams of Broadhead.

The couple was engaged June 13, 2000 and are planning their wedding for the summer of 2002.

Go to the first red light and take left onto road East 80. Go 3.5 miles to road 830 and take a right. (road is directly beside a small grocery store.) Go 2 miles, white house on right. Oct. 20th & 21st. 8 to 11 p.m.; 26th 8 to 10 p.m.; 27th & 28th. 8 to midnight and 31st 7 to 10 p.m.

Riddell - Reams

Mr. Joe Riddell of Irvine and Mrs. Shirley Riddell of Somerset would like to announce the forthcoming marriage of their daughter, Jody Ann Riddell to Anthony Dean Reams of Orlando. Anthony is the son of Delia Reams and the late Elmo Reams of Orlando. Both bride and groom are employed by the Franke Company of Lexington.

The wedding will take place on Saturday, October 21 at 2:30 in the afternoon at the Flatrock Baptist Church in Orlando.

The custom of open church will be observed with all friends and relatives invited to attend. After the wedding the couple will reside in Orlando.

Real People. Real Progress.

A Real Reason To Celebrate!

Citizens Bank is proud to announce that we're growing to serve you even better. Join us for a very special grand opening celebration at our new location on U.S. Highway 150 West in Mt. Vernon.

Now through Friday, Citizens Bank will be celebrating with special events, including a drawing where you could win a television or DVD player to be given away each day. Friday, we will host a hot dog and chili supper at our

new location and, weather permitting, hot air balloon rides. Come in and sign up... space is limited. Don't miss Citizens Bank's grand opening celebration of our new location, U.S. Highway 150 West in Mt. Vernon.

It's just one of the many reasons Citizens Bank has to celebrate real people making real progress.

Notice to Voters

Since a large voter turnout is expected for this November election, the Rockcastle Board of Election Commissioners encourages all voters to **READ AND UNDERSTAND** the two amendments on this election's ballot before coming to the polls. The amendments are as follows:

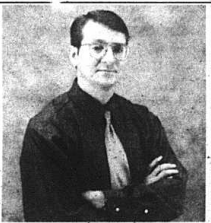

Constitutional Amendment 1

"Are you in favor of amending the Constitution to establish annual sessions of the legislature, in addition to the current 60 legislative day regular session in even numbered years, by requiring the Kentucky General Assembly to meet in odd-numbered years for up to 30 legislative days during which the General Assembly may consider any issue except that the General Assembly shall be prohibited from passing any bill raising revenue or appropriating funds unless agreed to by three-fifths of all members elected to each house?"

Constitutional Amendment 2

"Are you in favor of amending the Constitution to abolish the Railroad Commission, and transfer its duties to another State agency?"

Pamphlets explaining each of these amendments are available at the county clerk's office. Pamphlets can be picked up at the county clerk's office or to receive one by mail call Norma Houk at the clerk's office at 256-2831.

The following first appeared in the Mt. Vernon Signal on September 13, 1997. It was recently transcribed from microfilm of that issue of the Signal. With these submissions, I am sharing these gleanings with the Signal's present readers.

Livingston News
W. Mullins never here this week on business. J.A. Oliver has returned after spending a week in Knoxville, Tennessee, buying fall goods. He also visited relatives and friends in North Carolina. J.A. Mullins accompanied his brother, W.C., to his home in LaFollete, Tennessee, where he will spend a few weeks. Among those attending the Baptist Association from Livingston are Mesdames Geo. Cook, James Anderson, Bert Whitehead, J.E. Singleton, Dr. and Mrs. Childress, Mr. and Mrs. Ed Woodruff and mother, Mr. and Mrs. Drummonds, Mr. and Mrs. L.H. Davis, Miss Susan Kirby, also Rev. Briscoe, of Mt. Vernon and Mrs. G.E. Painter, Mr. and Mrs. A.E. Albright and little daughter, and Rev. A.J. Pike from Brodhead. Dock Oliver and wife accompanied by their mother, Mrs. George McClure, were here from Lebanon Junction last week visiting Mrs. J.A. Oliver; they were also looking them out a home. Mr. Joe Stanley is on the sick list at this writing and is not expected to live.

Mrs. Sam Hicks is very low with consumption. Mr. J.T. Chewning is in Mt. Vernon on business. Mrs. Lela Shelton is spending this week with her sister, Mrs. Joe Dickerson. L.H. Davis is in Cincinnati buying goods. Mrs. J.B. Hayes is visiting her many relatives and friends near Mt. Vernon and Brodhead. Ed Mullins is visiting his parents, Mr. and Mrs. Carl Mullins. Mrs. J.H. Browning returned Saturday from a pleasant visit with her mother, Mrs. Kate Magge at Crab Orchard. Mrs. Arthur Bourne is spending the week with her husband. Her school at Parkville was closed for a week on account of measles. Mrs. Lou Quinn and daughter, Miss Bessie and niece, Miss Beulah, of Paris are here visiting relatives and friends. Rev. R.D. Harding and charming wife, of Dayton, were here Monday, and although they were here only a few short hours they met many friends and the voice of the whole town, if heard, would be sung out in tones so loud that a listening ear could easily hear the words. "Come back again and stay longer."

Mrs. Harry Jenkins has returned after a short visit with her sister, Mrs. Ed Quinn of Paris. The Jr. O.U.A.M. will present the "Red Hill" school with a bible and will sing. A very large crowd will be there and dinner will be served on the grounds. Any one from town is invited to attend and the only charges will be, "You furnish your transportation and a basket full of good things to eat for yourselves and the writer, don't forget the letter. Misses Grace and Pearl Fields returned Sunday after a pleasant week with their grandfathers, Mrs. Henry Rice, Hayes, counselor for the Jr. O.U.A.M. lodge here, is attending the National convention at Middlesboro as the representative from the Livingston Council No. 167. Wedding bells are ringing with de-

fending sounds as there will be a double wedding in the near future. Mr. and Mrs. Clyde H. White left Sunday night for their new home in Tucson, Arizona. Harry OnDorff is visiting his parents, Mr. and Mrs. OnDorff and sister, Mrs. J.C. Hocker and Mrs. Mary Hagan. Purd Martin was here Sunday calling on a pretty young lady. The presentation of the Bible housing of the flag by the Jr. O.U.A.M. Monday was a grand success. Rev. R.D. Harding gave an excellent lecture on the aims and object of this grand order. Rev. Harding also preached an exceeding able sermon on the Christian Church Monday evening to about 200 people. T.M. Dees has purchased the lot, store house and dwelling on Main Street from J.C. Hocker for \$950. Dr. W.J. Childress has purchased the magnificent home on Main Street from Dr. Cooper for \$1500. We are glad to see John Quinn back home again. Mr. and Mrs. Quinn was a very sick man a year ago, and some of the best physicians in Covington and Cincinnati attended him in the last stages of consumption, but advised him to change climate. He did so and since has been in New Mexico, Colorado and Arizona and a number of other places but each time was advised to go further, and as last resort went to Blue Ridge, Georgia, and while on his way was stricken down in Atlanta. His relatives were telegraphed to come after him that he could not live much longer. Mr. and Mrs. Ed Quinn, his brother, Mrs. Mary Ed Quinn had him and brought him home to his mother here where he is rapidly improving and gaining flesh every day and now is able to walk to town every day. All text is said to show that Livingston is in the way of a health resort.

Quail News
W.M. Owens is on the sick list. Mrs. George Parsons of Crawfordsville, Indiana, is visiting relatives in these parts. Crawford Scott and Melvin Owens were in Mt. Vernon on Monday. Mrs. Mary E. Harris and son, Isaac, have been visiting her daughter, Mrs. D.M. Preston, of Cincinnati. The protracted meeting at Bethel is progressing nicely. Errine Herrin is doing some carpenter work at Brodhead. Jacob Elder of Brodhead, was in this section Tuesday. H.G. Sutton, our hustling merchant at this place is doing a splendid business.

Robnett News
Rev. Clark will preach at Oak Grove the Fourth Sunday. W.R. Allen of Cincinnati, is visiting homefolks this week. Miss Linda Ballard will leave Saturday for Lexington to visit for a few days. She will go from there to Louisville to attend the fair. Miss Nannie Coyle, of Lexington, is visiting her aunt, Mrs. Bettie Miller. Mr. and Mrs. Gather Filbeck were the guests of Mr. and Mrs. Cam Mullins at Red Hill Sunday. John M. Mullins was here first of the week on business. Misses Bessie and Lona Lakes were the guests of Misses Linda and Nell Ballard Monday. We are sorry to hear that D.C. Clark has typhoid fever. Tom and Willie Campbell are in Clay County this week on business. Miss Effie Drew visited Miss Cleo Campbell Sunday. Our Sunday School is progressing nicely. Robert Allen is on the sick list. We are glad

to learn that Miss Aura Lakes is better. Our school here is progressing nicely with Miss Linda Ballard as teacher, Mr. and Mrs. Henry Ballard are in Mt. Vernon this week visiting relatives. Eugene Rose lost a fine mule about a week ago. Corn crops look well in this part of the country. Miss Nell Ballard, who has been visiting friends and relatives in Mt. Vernon, has returned home and reports Mrs. G.M. Ballard much improved. Madam Rumor says there will be a wedding here soon. Bruce Powell was in McKee Monday on business. Miss Ella Lakes was visiting homefolks at Berea Saturday and Sunday. A large crowd attended church at Union Sunday. We are sorry to say that Mrs. Jim Mullins is no better. Robert Allen, who is running an automobile for the Ice Delivery Co., of Cincinnati was visiting homefolks last week. He returned to Cincinnati Tuesday accompanied by his sister, Miss Margaret, who will spend two weeks in Cincinnati and Covington.

Mareburg News
Mr. and Mrs. Dock Chandler and wife, of Bromo, are visiting Mr. and Mrs. Sam Chandler and family. Mr. and Mrs. Robert Dodd and sister, Lillie returned home from a two week stay at Green Hill, where Mr. Dodd has been conducting a singing school. Mr. and Mrs. S.H. Martin is having a dwelling house erected just North of Mareburg. Miss Julia Reynolds who is teaching in the country spent Saturday and Sunday with homefolks. School at this place is progressing nicely with Prof. S.E. Chandler as teacher. Mr. and Mrs. E. Griffin, wife and little son, Rex, also T.M. Griffin, of Corbin visited relatives here first of the week. They were enroute to St. Louis, Mo. and Wichita, Kan. Mr. and Mrs. G. F. Reynolds and little son, Cecil of Corbin, are the guests of Mrs. Rebecca Reynolds. Mrs. W.E. Perkins and children, Sam and Bird, of Crab Orchard, were visiting Mrs. Reynolds last week. Mrs. Ella Roberts spent Sunday with her sister, Mrs. R.E. Dodd. Mr. S.H. Martin and wife spent the day Saturday with their daughter, Mrs. L.E. Houk Mr. and Mrs. Jas. Taylor, of Livingston, visited their parents at this place.

Brodhead News
Mrs. W.K. Shugars and son have returned home from a two weeks visit to McKinney and Somerset. Chas. Pike is home laid up with a broken arm which was done at Etowah, Tennessee while skating. Mr. and Mrs. A.E. Albright and daughter, Miss Hazel, attended the Baptist Association meeting at Gauly this week. Miss Rosa Pike and G.M. Frith left Monday for Berea where

they will enter school. Misses Bettie and Eliza Pike and Messrs. B.E. Albright and C.R. Pike are visiting in Livingston this week. H.H. Hutcherson has returned from Somerset, where he organized a Band and Trust Co. C.H. Frith was in Louisville Wednesday on business. J.R. Karsner of Owenton, was here Tuesday morning when it was announced that Miss Sallie Evans had died at 4:30 a.m. She took seriously ill at 11:30 Monday night and at 4:30 Tuesday morning she had passed into the great beyond. She was the daughter of Mr. and Mrs. W.T. Evans of this place was but nineteen years old and was considered one of the brightest and most beautiful girls in this part of the state as well as one of the most popular. She was a member of the Baptist church having joined about one year ago also a great Sunday School worker. Her class will greatly miss her. Besides her mother and father she has six brothers and two sisters and a host of friends who are left to mourn her loss. We extend to the bereaved ones our heart felt sympathy.

Personal News
Judge R.G. Williams was here Sunday. Mrs. Elbert Hinsel is visiting relatives here. Mrs. John Ramsey is very sick at this writing. Chester Landrum is attending school at Winchester. Mrs. A.A. Albright was the

guest of Mrs. Owen Jarret, Mr. and Mrs. J.T. Genry visited homefolks here this week. Spurgeon Smith has returned to the Blind school in Louisville. Dr. W.D. Edmonston was up from Crab Orchard Wednesday. Mrs. J.B. Hayes, of Livingston, was the guest of Mrs. S. Riddle. Mrs. Ann Owens of Livingston, is with relatives here for a few days. D.E. Davis has returned to Tyrone where he has a splendid revenue position. Mrs. Mary Conn is spending a few weeks with relatives in the Hiatt neighborhood. Mrs. Lou Boulware returned yesterday from several weeks visit at Berea and Kingston. Mrs. Ann Foster, of Burnside is visiting the families of her brothers, Dr. S.C. and W.A.B. Davis. Mrs. Dec Bryant and children of Lebanon Junction spent several days with relatives near Level Green. J.L. Moyers, who have been suffering considerably with his eyes for several weeks, is much improved. Mrs. E.S. Albright was called to London yesterday on account of the serious illness of her sister, Miss Bettie Brock. Mr. and Mrs. T.J. Nicely are rejoicing over the arrival of a fine boy on last Sunday morning to bless their hearts. Mrs. Matilda Jane Cummins who has been in Missouri for the past year, is here on a visit to her children and other relatives. Eugene Mullins, who has been so very sick for several months, is decidedly improved and

much hope for his recovery is now entertained. Mrs. Fanny Adams, Misses Mat Williams and Reba Baker and Little Tevis Bethurum have returned from a month's stay at Crab Orchard. Mrs. Belle Galestreath of Deland, Florida, has been visiting her sister, Mrs. J.L. Monday and Mrs. Lillie Butner of Lexington. Miss Orpha Bardette who is low with consumption was able to be carried from her home to her sister's, Mrs. P.D. Ramsey, last Saturday and back Tuesday. H.H. Wood, the Wildlife merchant, was here for a several days buying goods. Mr. and Mrs. R.K. Powell went to Richmond yesterday to have their baby examined by a specialist. It has been having something like spasms for several months.

Mrs. H.H. Wood, of Wildlife, and Miss Mary Stewart, of Deland, Florida and a daughter of Judge J.A. Stewart, were guests of Mr. and Mrs. G.T. Johnson the last of the week.

The Face of the Future

Ask a farmer why they grow burley tobacco and the answer will probably be, because that's what their families have relied on to feed them for generations. There's a pride in their land and burley tobacco is a product that enjoys world-wide demand. Most burley is grown on small, family-owned farms that could be devastated without tobacco.

For decades, the Burley Price Support Program and auction system has helped tobacco growers support their family farms and their communities. The Program keeps tobacco prices stable and ensures our family farmers are able to continue growing burley, a crop world renowned for its superior quality.

The Burley Price Support Program. A program that works for everyone.

Low-Income Home Heating Program

The cost of home heating is a problem for many low-income Kentuckians.

Your Community Action Agency, Daniel Boone Development Council, inc. may be able to help. If you live in Rockcastle Co., apply at the DBDC office in Ashlee's house at 105 E. Main St., Mt. Vernon, Ky, for the Home Energy Assistance Program (HEAP). Applications will be taken by the last name of the head of the household from November 6 through December 13, 2000. See the list below for your assigned day.

Bring with you (1) Social Security numbers for everyone living in the household, (2) Proof of your household's income for the preceding month, (3) Your most recent heating bills or verification from your landlord that the heating expenses are included in your rent. All eligible households that apply will receive assistance. Liquid resources cannot be over \$1500 and gross monthly income must be within the guidelines listed below. Households not receiving food stamps with no income will be required to fill out a self-declaration form prior to signing up date. DBDC will assure that persons who are working or commuting under the agencies typical business hours may apply for LIHEAP. Call 598-5127 for more information.

- If Your Last Name Begins With**
- A apply on Nov. 6
 - B apply on Nov. 8, 9
 - C apply on Nov. 13, 14
 - D or E apply on Nov. 15
 - F or G apply on Nov. 16
 - H apply on Nov. 20, 21
 - I or J apply on Nov. 27
 - K or L apply on Nov. 28
 - M apply on Nov. 29, 30
 - N, O, P apply on Dec. 4
 - Q or R apply on Dec. 5
 - S apply on Dec. 6, 7
 - F or G apply on Nov. 16
 - T, U, V apply on Dec. 11
 - U, V, W apply on Dec. 12
 - X, Y, Z apply on Dec. 13

Crisis applications can be made from January 8 through March 15, 2001, or until available funds have been expended.

Our Farmers...Our Future.

From left: Kiwanis president Donald Coyle, sponsor Sae Hamm, new members Kristiana Burk, Mike Greer and Tracy Thompson, sponsor Jeff Burdette and Tammy Cox, past president.

Kiwanis welcomes new members

The Rockcastle County Kiwanis Club welcomed three new members into the club on Thursday at the regular meeting. Kristiana Burk, Mike Greer, Tracy Thompson and their sponsors took part in the induction service: Kristiana recently moved to Mt. Vernon after accepting the position of Director of the Rockcastle County Library. She graduated from Western Kentucky University with a double major in Library Science and Education. She brings many skills, enthusiastic energy and a willingness to work hard on our projects, as well as a spirit of cooperation and caring. She will certainly be an asset to the club.

Mike Greer moved to our county after accepting a position with County Attorney Jeff Burdette. Mike was born and raised in Pike County, and went to high school at Johns Creek High School. He majored in Social Sciences and graduated in 1991 from Pikeville College. He received his law degree from the University of Kentucky and worked for some time for both Brown, Todd and Heyburn and Frost and Jacobs. In 1997 he worked for the Department of Public Advocacy for Floyd County and later for Jessamine County. His experience and knowledge will also be an asset to the club.

Tracy Thompson is a native of Mt. Vernon who graduated from RCHS in 1981. He graduated from the University of Kentucky in 1986 and spent twelve years in the Restaurant Industry with Bob Evans and Applebees. He is presently employed as a Finan-

cial Consultant with Merrill Lynch in the Ashland, Kentucky office. Tracy is the son of Fay Thompson and the late Jerry Thompson of Mt. Vernon. He is married and has two children,

Justin, 7, and Hannah, 3. The club is very pleased that Tracy chose to join in the work with us in our community.

Cunningham attends symposium

James A. Cunningham, M.D., whose medical office is in Mt. Vernon, was among more than 350 physicians who attended the 50th Anniversary Annual Obesity and Association Conditions Symposium October 5-7 in Arlington, Virginia, under the sponsorship of the American Society of Bariatric Physicians (ASBP).

Dr. Cunningham has been a member of the ASBP since 1989.

The meeting featured some of the nation's leading obesity researchers and clinicians, and was designed to expose the participants to the latest tools and techniques for combating overweight and obesity, one of the nation's leading health problems and the cause of some 300,000 preventable deaths each year.

Keynote speaker for the meeting was Randolph F. Wyckoff, M.D., M.P.H., Deputy Assistant Secretary for Health in the Department of Health and Human Services. He spoke on "The Epidemic of Obesity" and the steps being taken from a public health standpoint to slow the progression of

obesity across the nation. Obesity is one of the most serious chronic diseases in the U.S. and is the second leading cause of preventable death in the nation. An estimated 97 million American adults are overweight or obese, and are at increasing risk for developing diabetes, hypertension, dyslipidemia, coronary artery disease and other life-threatening conditions.

The incidence of obesity among American children and adults is rapidly increasing and many children are developing medical conditions, such as type 2 diabetes, which are more commonly found in adults.

Bariatrics, is the medical specialty dealing with the treatment of overweight and obese patients. ASBP's Bariatric Practice Guidelines call for treating the overweight patient with a comprehensive program of proper diet and nutrition, appropriate exercise, behavior modification (lifestyle changes) and when indicated, the use of prescription anti-obesity medications and other drugs and supplements.

Free and reduced cost mammograms are available

In conjunction with Breast Cancer Awareness Month in October, the Kentucky Women's Cancer Screening Project is promoting the availability of free or low-cost mammograms and breast exams to eligible women.

This year, more than 175,000 women in the United States will learn for the first time that they have breast cancer, and more than 43,000 will lose their lives - 700 women in the state of Kentucky alone. In 1997, breast cancer was the second leading cause of cancer deaths among Kentucky women accounting for 615

deaths. However, early detection and prompt treatment can significantly reduce the suffering and deaths caused by this disease.

"While treatments and medical technology advance, women still die from this disease and as we get older, the risk factors become more acute," according to Kentucky First Lady Judi Patton, honorary chairperson of the Kentucky Breast Cancer Coalition. "The greatest weapons we have for detection are clinical breast exams and mammograms. These steps are the first line of defense for detecting breast cancer in its early stages. And every woman in the commonwealth, beginning with her fortieth birthday, should make these a routine part of her yearly physical exam."

Women ages 40 and older with incomes at or below 100 percent of the federal poverty level who are uninsured are eligible for free annual mammograms and clinical breast exams through their local health department.

Uninsured or underinsured women age 40 and older whose incomes is from 101 percent to 250 percent of the federal poverty level are eligible for these services at low cost on a sliding fee scale. Women younger than 40 years of age may be eligible to receive screening services if they have a family history of breast cancer.

Experts stress that all women are at risk for breast cancer and the earlier breast cancer is detected, the better a woman's chance for survival. Breast cancer incidence increases with age. Women age 40-44 are nearly twice as likely to be diagnosed with breast cancer as women age 35-39,

with incidence rates of 118.8 per 100,000 women compared to 61.1 respectively. The incidence rate doubles again at the age group 50-54 to a rate of 250.9, and continues to increase, such that in the age group 60-64 the rate is 347.4, and by the age group 75-79, it is 480.8 per 100,000 women.

Experts also say the key to an early diagnosis is a mammogram, or breast x-ray, because it can detect a tumor before a woman or even her physician can feel it. Women diagnosed early by an annual mammogram experience a 90-95 percent survival rate.

The American Cancer Society recommends that women age 40 and over receive a mammogram every year.

Since its first year of operation, the Kentucky Women's Cancer Screening Project, sponsored by the Kentucky Department for Public Health, has provided over 103,000 mammograms to low income across the state.

According to Patty Sewell, program coordinator for the Kentucky Women's Cancer Screening Project, "Kentucky has an advantage over many states in that the women's cancer screening project has strong support from the governor's office and our legislators. For state fiscal year 2001, an additional \$200,000 was provided to increase the number of women receiving mammograms. That additional money was distributed to the areas that need it the most based on several factors including percentage of late stage breast cancers, the proportion of women with

low incomes in the population and the percentage of those populations being reached in those areas."

Sewell said these additional funds will be used to increase the number of screening mammograms in the Allen County, Bullitt County, Floyd County, Greenup County, Jefferson County, Johnson County, Oldham County, Magoffin County, Martin County, Moore County, Montgomery County and Pike County health departments and in the Barren River, FIVCO, Gateway, Little Sandy and North Central district health departments.

Prior to 1990, local health departments in Kentucky were providing limited breast cancer screening services consisting of instruction in breast self-examination and counsel-

ing on risk factors for breast cancer. When new state funds became available in 1990, services were expanded to include clinical breast exams performed in local health departments, referrals for screening mammograms and referrals for follow-up diagnostic tests. In each of Kentucky's 120 counties, breast cancer screening services are provided through local health departments using local mammography facilities, five mobile mammography vans, one portable unit and local physician's offices.

For more information about the Kentucky Women's Cancer Screening Project, contact Pamela Spradling, Public Education Coordinator at 502-564-7996. For questions about where to get a mammogram, call your local health department at 256-2242.

SOUP BEAN SUPPER
Fri., Oct. 27, 5 to 7 p.m.
RCMS cafeteria before football game
\$3 per person
 (tickets may be purchased at the door)
 Soup beans, cornbread, onions, relish,

Get a mammogram now so you'll be around to take care of your family later.

Call 256-2195 to schedule an appointment.

If you're like most women, you spend your time taking care of others, and disregarding your own needs. It's time to do something for yourself.

More than 40,000 women die of breast cancer annually. Many could have been saved if the disease had been discovered sooner. In fact, there is a 97 percent survival rate when breast cancer is diagnosed in its early stages.

Throughout October, Rockcastle Hospital and Respiratory Care Center, Inc. is offering mammograms at a reduced cost in conjunction with National Breast Cancer Awareness Month.

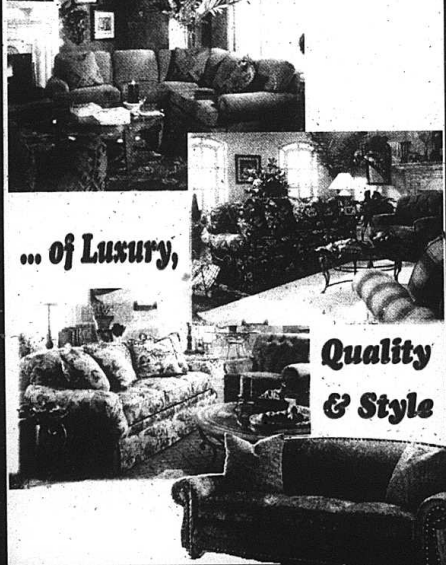

Do something for yourself for a change. Get a mammogram. It's only \$65, and it could save your life.

Berea College

Berea College is a well-established undergraduate institution distinguished by its student labor program, history of interracial education, service to the Appalachian region, continuous, integrated learning environment, and emphasis on perspectives and values deeply informed by the Christian faith. The campus is located 40 miles south of Lexington, Kentucky in the town of Berea (pop. 10,000).

As a continuous learning environment built upon Berea's Great Commitments and Common Learning Goals, Berea College expects all workers to be active learners, workers, and servers, and to be placed where the Christian values of human compassion, dignity and equality are expressed and lived.

Preschool Teacher

Child Development Laboratories

The Preschool Teacher is responsible for planning, teaching, supervising, and managing classroom activities for four-year-olds. This includes development of curriculum units, facilitation of parent meetings, supervision of student practicum experiences, supervision of student workers, and attendance at professional conferences. Undergraduate degree in Early Childhood Education or Child Development required; related work experience with preschool children preferred. Additional certification includes annual professional development, first aid/CPR certification, Kentucky "Request for Conviction" records check, and TB skin test. This is a full-time nine month position.

Workplace Expectations: Berea College expects each worker to: exhibit enthusiasm for learning, serve others, work as a team, value all people, act with integrity and caring, encourage plain and sustainable living, and celebrate work well done.

Applications are available at Rustic Cottage on the Berea College Campus or send resume and cover letter to Carolyn Howard, Berea College, CPO 2189, (BC), Berea, KY 40404. Review of applications will begin immediately and continue until the position is filled. For information on current vacancies, please call the Job Line. (859) 983-3053.

In keeping with the College's inclusive Christian tradition and its emphasis on the dignity and worth of all people, Berea embraces and values diversity through encouragement of applications from women and members of minority groups. Employment decisions are based on training, education and experience related to the requirements of the job. All applicants for employment are considered without regard to race, color, religion, sex, national origin, age or disability. Berea provides reasonable accommodations to qualified individuals with disabilities.

Commonwealth of Kentucky 28th Judicial Circuit Rockcastle Circuit Court • Division 1 Civil Action No. 99-CI-00212

The Bank of Mt. Vernon Plaintiff Bobby Bowman and Sandra Bowman Defendants

NOTICE OF SALE Pursuant to a judgment and order of sale entered in this action on September 29, 2000, for the purpose of satisfying the judgment against the defendants in the amount of THIRTY THOUSAND SEVEN HUNDRED ELEVEN DOLLARS AND 56/100 (\$37,111.56), plus interest, costs and attorney fees. I will offer at public auction the hereinafter described real property in Rockcastle County, Kentucky.

At the Courthouse on East Main Street Mt. Vernon, Kentucky on Friday, October 27, 2000 Beginning at the Hour of 1:30 p.m.

Said property being more particularly bounded and described as follows: Beginning at an iron stake in the right of way of Interstate 75 and line of Frank Halton's; his; there North 25 E 62 1/2 poles to a stake on county road; there with the old road as follows: South 17 East 6 poles; North 83 East 8 poles; North 86 East 26 3/4 poles to a white oak; corner of Fred Overbay; there; South 13 East 16 poles to a nature set between the branch and the present county road, corner of Overbay and James Lambert; there; South 65 East 15 3/4 poles to a hickory; there; South 15 East 7 1/2 poles to a black oak; there; South 31 East 9 1/2 poles to a white oak; there; South 21 East 11 poles to a mound of stone where a popular is called for; there; South 9 East 60 poles to a down spotted oak; there; South 14 East 6 poles to a stone; corner of Lambert, Sylvester Kirby and Kinoy Pittman; there; South 68 1/2 West 17 poles and 5 links to a stake in the white oak stand; Pittman's corner; there; South 82 1/4 West 25 3/4 poles to a stake in the right of way of Interstate 75; this beginning and continuing thirty five (35) acres, more or less.

Bobby Bowman and Sandra Bowman obtained title to the above described real property by deed dated June 28, 1988, executed by Raymond Taggart and Deed Book 159, page 498, of record in the office of the clerk of the Rockcastle County Court, Mt. Vernon, Kentucky.

The property shall be sold on the following terms and conditions: 1. The real property shall be sold for cash or upon a credit of sixty (60) days with the purchaser required to pay a minimum of twenty-five percent (25%) of the purchase price in cash on the date of sale and to secure the balance with a bond approved by the Master Commissioner. 2. The bond shall bear interest at the rate of twelve percent (12%) per annum until paid in full. The bond shall have the force and effect of a judgment and shall be and remain a lien upon the property sold as additional surety for the payment of the purchase price. 3. Unpaid taxes or liens of record at the time of entry of judgment shall be paid out of the proceeds of sale. 4. Buyer shall pay the 1997, 1998 and 1999 County, State and School taxes on the property. 5. The purchaser shall have possession of the real property upon compliance with the terms of the sale. 6. In the event that the plaintiff is the successful bidder and the sale price does not exceed the amount of the plaintiff's judgment, no deposit or bond shall be required. 7. The sale shall be made subject to all easements, set back lines, restrictions or covenants of record or otherwise and shall be sold as is.

I will offer at public auction the hereinafter described real property in Rockcastle County, Kentucky.

At the Courthouse on East Main Street Mt. Vernon, Kentucky on Friday, October 27, 2000 Beginning at the Hour of 1:00 p.m.

Said property being more particularly bounded and described as follows: Beginning at a stake in Mattie Hasty's line; there with her line N 61 3/66 feet to a stake; there N 27 W 68 feet to a stake in the right of way of the Barnett Road; there with the right of way as follows: S 2 W 25 feet S 50 W 55 feet, S 3 1/2 W 284 feet to a stake; there S 25 feet E 4 feet to the beginning

There is included in this transaction grantors 1984 Wood mobile home, v.n. no. 34166, 14x70, beige/brown Kimberly Dale Robinson obtained title to the above-described real property by deed dated August 4, 1991, of record in Deed Book 147, page 226, in the office of the clerk of the Rockcastle County Court, Mt. Vernon, Kentucky.

The property shall be sold on the following terms and conditions: 1. The real property shall be sold for cash or upon a credit of thirty (30) days with the purchaser required to pay a minimum of twenty-five percent (25%) of the purchase price in cash on the date of sale and to secure the balance with a bond approved by the Master Commissioner. 2. The bond shall bear interest at the rate of twelve percent (12%) per annum until paid in full. The bond shall have the force and effect of a judgment and shall be and remain a lien upon the property sold as additional surety for the payment of the purchase price. 3. Unpaid taxes or liens of record at the time of entry of judgment shall be paid out of the proceeds of sale. 4. The purchaser shall have possession of the real property upon compliance with the terms of the sale. 5. In the event that the plaintiff is the successful bidder and the sale price does not exceed the amount of the plaintiff's judgment, no deposit or bond shall be required. 6. The sale shall be made subject to all easements, set back lines, restrictions or covenants of record or otherwise and shall be sold as is. Willis G. Coffey, Master Commissioner Rockcastle Circuit Court

Commonwealth of Kentucky 28th Judicial Circuit Rockcastle Circuit Court • Division 1 Civil Action No. 99-CI-00211

The Bank of Mt. Vernon Plaintiff Billy Durbin and Lois Durbin Defendants

NOTICE OF SALE Pursuant to a judgment and order of sale entered in this action on September 29, 2000, for the purpose of satisfying the judgment against the defendants in the amount of TWENTY FOUR THOUSAND THREE HUNDRED SIXTY FIVE DOLLARS AND 28/100 (\$24,365.28), plus interest, costs and attorney fees. I will offer at public auction the hereinafter described real property in Rockcastle County, Kentucky.

At the Courthouse on East Main Street Mt. Vernon, Kentucky on Friday, October 27, 2000 Beginning at the Hour of 1:00 p.m.

Said property being more particularly bounded and described as follows: Tract No. 2 - beginning on a stone in J.D. Miller's line; there west 170 yards more or less to a stone in Walker Buswell's line; there north direction about 60 feet to a stone; there west about 50 feet to a stone; there west about 50 feet to a stone (sic); there north about 18 feet to a stone at the county road; there with the county road to James North's line; there with the right of way line an east course to J.D. Miller's line; there with his line to the beginning corner, and containing fourteen (14) acres more or less.

Defendant obtained title to the above described property by deed dated October 31, 1995, executed by Raymond Taggart and Deed Book 159, page 498, of record in the office of the clerk of the Rockcastle County Court, Mt. Vernon, Kentucky.

The property shall be sold on the following terms and conditions: 1. The real property shall be sold for cash or upon a credit of sixty (60) days with the purchaser required to pay a minimum of twenty-five percent (25%) of the purchase price in cash on the date of sale and to secure the balance with a bond approved by the Master Commissioner. 2. The bond shall bear interest at the rate of twelve percent (12%) per annum until paid in full. The bond shall have the force and effect of a judgment and shall be and remain a lien upon the property sold as additional surety for the payment of the purchase price. 3. Unpaid taxes or liens of record at the time of entry of judgment shall be paid out of the proceeds of sale. 4. Buyer shall pay the 1997, 1998 and 1999 County, State and School taxes on the property. 5. The purchaser shall have possession of the real property upon compliance with the terms of the sale. 6. In the event that the plaintiff is the successful bidder and the sale price does not exceed the amount of the plaintiff's judgment, no deposit or bond shall be required. 7. The sale shall be made subject to all easements, set back lines, restrictions or covenants of record or otherwise and shall be sold as is. Willis G. Coffey, Master Commissioner Rockcastle Circuit Court

Ladybugs and Buildings

With the approach of fall and cold weather, lady beetles begin congregating on the sides of homes and infesting buildings. This phenomenon has become a recurring fall event in Kentucky and throughout much of the U.S. The culprit is the Asian lady beetle in search of protected places to overwinter. In Kentucky, movement into buildings begins in mid to late-October, continuing through mid-November.

Lady beetle flights are heaviest on warm sunny days, when temperatures climb above 60 degrees F. They tend to initially congregate on the sunny, southwest sides of buildings in mid-afternoon. Structures that are shaded and not brightly illuminated by afternoon sun are less likely to attract the beetles.

Once the beetles have alighted, they attempt to enter cracks and other dark openings in search of hibernation sites. These locations may be anywhere on the structure, but especially beneath exterior siding, around window and door frames, soffits, fascia boards, and through weep holes and attic or crawl space vents. Sealing exterior cracks and openings with caulk, screening, weather stripping, etc. is the most effective long-term, preventive measure against beetle entry.

Once the beetles are indoors, the best way to remove them is with a vacuum cleaner. Insecticides tend to be less effective and may stain or leave unwanted residues on walls, counter tops, and other exposed

surfaces. While sealing openings is the more permanent way to deny beetle entry, pest-proofing is time-consuming and impractical for many clients. If a household or business continues to be troubled by lady beetles, owners may want to enlist the services of a professional pest control firm. Some companies offer pest proofing services and may offer insecticide treatment of the building exterior, which helps to prevent pest entry. Fast-acting "professional strength" synthetic pyrethroid formulations (e.g., Demand, Demon, Commodore, Optem, Saga, Tempo) tend to be most effective, and can be applied around eaves, attic vents, windows, doors, underneath siding and other likely points of pest entry.

Homeowners bent upon performing exterior treatment themselves will probably get the most for their efforts using either Spectracide Bug Stop (permethrin) Enforcer Overnight Pest Control Concentrate (cypermethrin) or microencapsulated (slow release) Dursban, sold by some hardware/lawn and garden shops. The key is to apply the treatment before the beetles enter buildings to overwinter. Finally, concerned clients should be reminded that lady beetles play an important role in nature, and that their entry into buildings is a sporadic and short-term event. Lady beetles do not injure humans, nor can they breed or reproduce indoors like fleas or cockroaches, i.e., they constitute a nuisance only by their presence.

- 4-H'ers cannot use the same speech this year in the county speech contest if he or she won with that speech at the county, area, or state level last year.
- Junior age categories are 9, 10, 11, 12 & 13. Senior age categories are 14, 15, & 16-19.
- Junior age category talks are 3 to 5 minutes long. Senior age category talks are to be 4 to 7 minutes long.
- A participant may secure assistance from anyone he chooses in writing or preparing his talk. There is no specific topic; any suitable topic can be used.
- The participant and those who may work with him should be familiar with the enclosed:
 - Objectives of the 4-H Talk Meet Program
 - Judge's Score Sheet
 - Selecting and preparing the speech

- Pointers for giving a speech
- Each contestant will be introduced, along with the title of their talk, by the room chairman.
- After being introduced, the speaker will present the talk. Talks should not repeat the title of his talk.
- Each representative for the County Talk Meet must register by calling the County Extension Office at 256-2403 by Friday, December 1, 2000. We need the participant's name, date of birth, full address, grade, teacher, school, and title of speech.
- Each representative for the County Talk Meet should be aware that if they with first or second place in their age category they will have the opportunity to go to the area contest which will be in April of 2001 in conjunction with the Area Demonstration Contest and Variety Show.

Fortney receives award

On September 25, Lynnett Fortney, dietitian at the Rockcastle Health Department was presented a recognition award at the 27th Annual Region IV Conference for Maternal and Child Health, Family Planning and Children with Special Health Care Needs. The annual awards recognize recipients for their outstanding contribution to the health of mothers and children. The award was presented at the Maternal and Child Health Department at the University of North Carolina at Chapel Hill.

Ms. Fortney was nominated for her efforts in preventing birth defects in infants. Ms. Fortney wrote and was awarded a March of Dimes grant which enabled Cumberland Valley District Health Department to initiate a community awareness campaign on the benefits of folic acid.

Folic acid is a B vitamin found in liver, some vegetables and fruits, particularly orange juice and fortified breads and cereals. There is compelling evidence that this vitamin can prevent birth defects of the brain and spine. Therefore, women of childbearing age are encouraged to take 400 micrograms (mcg.) of folic acid daily. Although folic acid is found in many foods it is difficult for the body to derive a sufficient amount of this vitamin from food. Women of childbearing age should take a folic acid supplement or a multivitamin with folic acid daily.

Folic acid helps build red blood cells and can prevent certain ane-

mias. It may also prevent heart disease and strokes by lowering the risk of clogged arteries. Therefore, men are also encouraged to consume 200 mcg. of this vitamin each day.

The community awareness campaign spearheaded by Lynnett Fortney 10,000 tray liners describing the benefits of folic acid were used at McDonald's and Dairy Queen establishments in Rockcastle, Jackson, Bell, Harlan and Clay counties. Restaurants in Rockcastle County also displayed attractive table tents describing the benefits of folic acid during national nutrition month. The table tents were also displayed at Rockcastle County High School at a theme day in May. On that day, the high school food service prepared meals with foods high in folic acid. Fortified cereal and orange juice was served for breakfast. Bean burritos and salad was served for lunch.

Ms. Fortney, a graduate of Berea College and the Community Nutrition Master's Program at Eastern Kentucky University, is a representative for the Kentucky Folic Acid Partnership. She serves as Secretary of the Kentucky Public Health Association. Ms. Fortney works with the Kentucky Cardiovascular Coalition and serves on the Jackson and Rockcastle Community Health Counties' Health Councils. We, at Rockcastle County Health Department, congratulate Lynnett on her efforts to improve the health of our community.

Lynnett Fortney, Dietitian - Rockcastle Health Department

Tips for a Safe Halloween

By: Hazel Jackson
County Extension Agent for
Family and Consumer Science

Halloween is a favorite holiday of many children and adults alike. It's important to make sure all activities stay within the bounds of safety. Nothing can ruin a good time for a bunch of goblins faster than an accident or someone getting hurt. So, here are a few guidelines to keep your little princesses, princes, and super-heroes safe and sound.

- *Make sure an adult has carefully checked all candy before children eat it.
- *Accept only wrapped candy. Check for tampering.
- Costume Safety:**
 - *Choose costumes that are flame resistant. Advise children to steer clear of candles, especially if their costumes are flimsy or loose-fitting.
 - *Make sure costumes are bright enough to be seen by motorists. For added safety, attach strips of reflective tape to the child's costume.
- *A costume should allow the child to walk freely without danger of tripping. Pay close attention to scarves and make sure shoes fit well.
- *Be sure the child's vision is not obscured. See that hats and scarves are secure and will not slip over the child's eyes. Make sure masks allow for full vision.
- *Masks should allow for proper breathing. Consider face-paint as an alternative.

- Pedestrian Safety:**
- *Young children should always be accompanied by an adult as they go door to door.
 - *Bring a flashlight if you plan to be out after dark.
 - *Obey all normal pedestrian safety rules, such as only crossing streets at corners, not running out from between parked cars, and staying on the sidewalk.
 - *Stay in neighborhoods that you know.
 - *Watch for cars backing up or turning.
 - *Motorists should be extra cautious **Safe Houses:**
 - *Children should only approach well-lit houses.
 - *Children should not enter the home.
 - *People expecting trick-or-treaters need to make sure their porches and lawns are clear of potential dangers such as objects that children might trip over.

4-H Speech Contest

By: John McQuary

The Rockcastle County 4-H Council will hold their annual speech contest at 6:00 p.m. on Tuesday, December 5, 2000 at the Mt. Vernon Elementary School in the gymnasium area. Just last year, the contest will be held as a joint project with the schools. Through 4-H, winning speakers will have the opportunity to advance to area and state competition.

TALK MEET RULES

1. Any boy or girl, age 9-19, may participate in the 4-H Talk Meet Program. (The participant does not presently have to be enrolled in 4-H.)
2. The top speeches from each grade will compete against other youth of their own age category and not necessarily against their grade. The age category is determined by their age as of January 1, 2000.
