

Points East

By: Ike Adams

Lola Clark Prewitt was my next-door neighbor for several years back in the eighties. Our homes were maybe the length of two football fields apart and separated by a ditchline, a ground hog den, the path-handle part of part of a cow pasture and two barbed wire fences. Take the groundhog den out of that equation and you have, what I believe to be, adequate space for fostering a congenial relationship with other folks in the community.

At least it worked that way for Lola and me. We were not right in each other's faces everytime we walked out the door but if we saw each other outside and hollered "howdy" loud enough across the field and the ground hog hill, we would wind up against the fence row and commence talking when both of us were supposed to be hectoring our gardens.

When the weeds were tall and tight, we'd simply wave and holler back and forth that it was a hot day, and weren't these bean bugs and Japanese beetles the worst we'd ever seen and then we'd bend our backs to the hoe and dig lick the dickets before it got dark.

Many times I've kept on putting around in the garden until I was sure she had quit because I didn't want to be outworked by an old woman, who could, in fact work circles around me.

Lola wore billowing dresses nearly to her ankles and long or half sleeves even in July and August. Big, towering, flowery sun bonnets with lacy embroidery on the hoods and tasseling the strings dangling down that she tucked into her apron strings. She was partial to blue material with little flowers speckled with yellow and pink and lavender stuff when it came to dressing for the garden but

the truth is that Lola was dressed for the garden 365 days a year except for the bouret.

She was 70 years old when I first met her. I had just moved in beside her on Harmon's Lick in Garard County and our dogs had gotten into a fight. My dog had crossed her fence and I was anxious to assure my neighbor that I would keep my dog tied and this would never happen again etc.

"I don't think you'll have to do that on my account", she said, "because I think my dog has just taught your dog a lesson" and she was rather amused at my concern if her smile was any indication of her real demeanor.

She scolded her dog and started loving on mine and talking to "old Patch" (now long dead) until she wagged his tail and before you knew what was happening Patch and I were sitting on her front porch. I had a cup of hot coffee and a fried apple pie and Patch had some left over chicken dumplings.

She told me her name and told her mine and we spent an hour figuring out that we were not kin to each other. We talked about gardening and fishing and teaching and agreed that we needed to become better neighbors and I went back home after dark that evening literally glowing.

And so, especially during warm weather, it got to be something we did at least once a week. We sat on her front porch or in her kitchen or leaned on the garden posts and talked and drank coffee or tea. And not gossip, mind you. Lola was not interested in anybody else's business. She didn't care what the neighbors were doing or who had divorced whom as long as they kept the fence up and the cows out of her garden.

She wanted to talk about the philosophy of education and the Kentucky Education Reform Act. She wanted to talk about Mark Twain and Zane Grey and Herman Melville, and compare whatever it was she was reading at the moment to the classic writers. And she read and read and read and reread.

Lola mothered me, nurtured me, taught me gardening tricks, showed me how to freeze beans so that they taste just like out of the garden when you cook them in January. She taught me, the way that she had taught so many hundred adolescents in her long teaching career, to be a better person than I would be without her influence on my life.

When I moved from Harmon's Lick I (probably let myself) lose touch

with Lola Prewitt on a frequent basis. Students do that even with their most favorite teachers, no matter how much they love them, and I often wonder why that is the case.

Lola Clark Prewitt was buried in

the ground she loved so well last Monday. She was 86 years old. I promise you faithfully that the world is a little less close to perfect than it used to be.

Dear Editor:
Livingston Ladies Auxiliary would like to thank everyone who donated to our auction. We really appreciate all of the help. All proceeds went to the Livingston Volunteer Fire Department.

Livingston Ladies Auxiliary
Dear Editor:
Our class has been learning about community resources. We want to thank Trooper Yates for visiting our room. We learned lots of things. He was very nice. We also want to thank Mr. Sherman Cook for talking to us about welding and getting good jobs. We want to thank the people at the courthouse, especially Mrs. Teresa Vanzanti, Mrs. Sonja Parker, Norma

Hook and the rest of the courthouse people. They were very helpful. We want to thank the staff at the Rockcastle Public Library, they gave us a tour and talked about all kinds of things. The Rockcastle County Hospital staff was very helpful, especially the X-ray department. We want to thank Brian Burdine at White Star Auto Parts for talking to us about his job. We also want to thank Mrs. Melody Salyer for letting us visit the Livingston Post Office. She was very nice. We learned many things about our community.

Sincerely,
Shane Burke and

Kiwanis Club inducts two new members

The Rockcastle Kiwanis Club inducted two members into the club on Thursday at the monthly business meeting. Claudina Cash has worked for the Rockcastle County School System for 29 1/2 years. She is presently a District Supervisor in charge of assessment and Title I. She lives in the Ottawa section of our county and is married to Charles Cash. They have two sons, Chuck and Curtis; one daughter-in-law, Sherri and a grand-daughter, Carlie.

Phillip DeBorde grew up in

Rockcastle County and later graduated from Woodford County High School in Versailles. In 1996 he retired from the Kentucky State Police, and now resides with his wife, Linda in Mt. Vernon.

The club feels very fortunate to have Claudina and Phillip to join their ranks and are looking forward to working with them on the many up-coming projects. On April 24th the club will be sponsoring an Invitational Track Meet with all proceeds going to the RCHS Track Team. On

May 5th they will be the host for an entertaining production of "Just Desserts." You will not want to miss this fun night. Reservations will be required. Contact any Kiwanis member. Also on May 5th the club will be having a Derby Day Rummage Sale in the lot next to the Community Trust Bank on the bypass. As you can see the Kiwanis Club is busy with project preparations and needs all your support in making our community a better place to live.

Fast Kiwanis president Tagmy Cox inducted new members, Claudina Cash and Phillip DeBorde with the assistance of president Donald Coyle.

In Loving Memories

In Memory of Our Beloved Son, Bobby Joe Hansel
May 13, 1960-April 21, 1993

To hear your voice,
To see you smile,
To sit and talk with you a while,
To get together in the same old way
Would be my dearest wish today.
If tears could build a stairway
If memories could build a land,
I would walk right up to heaven
Just to see you smile again.
Sadly missed by:
Dad, Mom and Family

soon will be with you in Heaven there to stay. I know you can't hear me when I call your name. But God will see there with you and comfort all your pain.
Your wife,
Charlene

In Memory of Mildred Ann Bullock

Although many years have passed since you went away, we still miss you more and more each day.

I know in each one's life there are times of heartache, grief and fears there are times of laughter and days of tears and there are painful things that make the tears begin to flow. It's times-like these that I try to begin to think of all the funny things you used to say and do and in these times I can see your beautiful face and the smile you always wore. I can vision how you always did a funny little shuffle of your feet as you came through the kitchen door.

So as the memories of you go running through my mind I find each one is more dear to my heart than the one before. I know someday we will know why you had to leave us so fast, when God reveals all things to us at last.

But until then wait for us just inside heaven's gate for we will soon be coming home to be with you again. *Deeply loved & sadly missed by:*
Mom, Dad, Sisters & Brothers

In Memory of Lin Reynolds, who passed away three years ago, April 19, 2001

Three years have come and gone since you went to your new home. The day you left you didn't have time to say goodbye you just closed your eyes and you were gone. Now your eyes are not filled with tears and you won't have to hurt anymore you are just there with Jesus in your brand new home. The rain is like the tear drop that fall on your grave, there coming down from heaven where you are there to stay. I know you are not lonely and I know you are not sad and I know you are not here with me. When I get so sick or sad I know you are, in the arms of Jesus and that's what makes me glad. You were a precious husband and a good father to, but you can't be here with us. But we can come to you, if we live a good life and, serve the Lord each day, we

Cards of Thanks

George Hayes

The family of George Chan Hayes would like to thank everyone for all of their prayers, the food that was brought, all of the beautiful flowers, the beautiful cards, and the many donations to our family. We would also like to thank Central Baptist Hospital, Dr. Hamilton, and the Rockcastle Hospital for all of the kind help you gave to our family.

We would like to thank Becky Boring, Glenn and Larry Setles for your help in preparing food, Tony and Danny Renner and Barbara Faulkner for the beautiful songs. We would also like to thank the US Navy, Dowell and Martin Funeral Home, all of the pallbearers, and Bro. James Adkins for the wonderful message that was shared. You all will be remembered in our prayers.

Thank you all again,
Marie Hayes and family

Thank You

To Livingston and Mt. Vernon Fire Departments

Two weeks ago, on April 2nd our log home caught on fire. Had it not been for the hard work of the Livingston and Mt. Vernon volunteer fire departments we could have lost everything. When they thought the house could not be saved, they went in and took all our pictures off the wall and brought out some very important irreplaceable items.

Later they were able to put out the

fire and save our home. We are very grateful to them and feel they do not get the recognition they deserve. So to every member of the Livingston and Mt. Vernon volunteer fire departments we would like to say thank you from the bottom of our hearts. We would also like to thank everyone in the community and all the employees and staff at Rockcastle Manufacturing for their support and generosity. It is greatly appreciated.

The Boston Family

Mt. Vernon Message

Special Events: Testing begins next week for grades P3-5th grade. Please make sure that your child gets plenty of rest and a healthy breakfast during this time.

Nominations for Parent members of the Mt. Vernon Elementary School Based Decision Making (SBDM) Council are currently being accepted by MVES Principal Rosamond Brown. Nominations must be made in writing and given to Mrs. Brown by 3:00 p.m. Wednesday, May 2, 2001.

A parent member of the SBDM Council shall be a parent, stepparent or a guardian of a student to be enrolled during the parent's term of council service. A parent Council member shall not be an employee of that school or of the District Central Office, the relative of an employee of that school or of a local School Board member. Relative shall mean father, mother, brother, sister, husband, wife, son, daughter, aunt, uncle, son-in-law or daughter-in-law.

The parent election will be conducted by the Parent/Teacher Group, president at the regular meeting on Monday, May 14, 2001, at 6:00 p.m. Art Prize: Last week's art prize winner was Cora Smith from Mrs. White's P3 classroom. Congratulations Cora!

Artist of the Month: April's artist of the month is Brittany Calhoun from Mrs. Clark's 4th grade classroom. The title of her painting is "Spring Beauty." This landscape painting was created at a Family Art Night. The Family Resource Center sponsors free art nights for students and their families.

Our subject matter was a spring blooming tree in a landscape. When painting, an artist must paint the background first - so we made our sky and land first. Next we added the foreground trees and flowers. Brittany mixed some lovely pastel colors to give the effect of spring time. Welcome Spring!

Pack 263 held their Pinewood Derby on March 24, 2001. The pack winners were as follows: Charles Dickerson, 1st place, Jonathan Singleton, 2nd place, Justin Bretz, 3rd place. Congratulations on a great race. Special thanks to Eddie Taylor for his judging.

National Safe KIDS week May 5-12

Americans have made great progress over the past two decades in protecting children when they travel by car. Parents who did not grow up using a child safety seat and perhaps not even a seat belt, now understand that these protections can save their children's lives.

Preliminary results from a recent survey, conducted by the National Highway Traffic Safety Administration (NHTSA), showed that by 1998 the use of passenger restraints for children is increasing for all age groups:

- Restraint use among infants less than one-year-old had reached 97 percent (up 14 percent from 1996);
- Restraint use among toddlers ages 1-3 increased to 84 percent (a dramatic increase of 15 percent from 1996);
- Restraint use among youth ages 5-15 increased to 71.5 percent (up 7 percent from 1996).

Other NHTSA research shows

similar positive trends. NHTSA found that fatalities for children birth through four years old were down four percent in 1998.

But motor-vehicle crashes remain the leading cause of death for all children ages 5-15, as well as for older teens and young adults. In 1998, there were 575 motor vehicle occupant fatalities among children under five years of age. About half of the children under five who died were totally unrestrained. In that same year, children safety or seat belts saved the lives of an estimated 299 children.

NHTSA estimates that 173 more lives could have been saved, if all motor vehicle occupants under five years old had been properly restrained in child safety seats.

To emphasize the importance of the issue of child passenger safety, the Rockcastle County Health Department will be observing National Safe Kids Week from May 5-12, 2001.

Minds in the Middle

We began our final grading period this week. Report cards will be mailed home on Thursday, April 19.

This Friday, the Beta Club is sponsoring an after-school party from 3-5:00 p.m. Students must have parental and team permission in order to attend. The cost is \$5.00.

Also, this Friday has been deemed *Hot Day* by the student council. So students will be permitted to wear hats or caps this Friday only.

The Builder's Club Y-Club and softball team are sponsoring a "Penny Drive for Leukemia." The homework which collects the most pennies will win a pizza party.

Our assessment will run from April 21-May 4. We will be doing our actual testing on April 24 and 26 and May 1 and 2. Please schedule appointments around those times. It is especially important that we have perfect attendance on these days.

There will not be any 21st Century Community Learning Center activities for students during the two week testing window. Adult classes may still be conducted. 21st Century is planning some fun trips for students who attend their activities regularly. Finley's Fun Center, a Legends baseball game, and bowling. There will be more information on these trips in a few weeks. At least 25 students must sign up for the trips to be possible.

Congratulations to our track team for the excellent year they are having. They have a meet on Monday afternoon at Paducah County.

The RCMS softball team will take on Corbin at home on Thursday and South Laurel at home on Tuesday. The baseball team will play at North Laurel on Thursday and at Wayne County on Monday. On Tuesday, they play at home against Estill County.

Reading-in-Motion

The Bookclub that Travels proudly presents local performer Hasan Davis in his one-man show, "The Long Climb to Freedom-The Life of A.A. Burleigh: Slave, Soldier and Educator." This program will be held Friday, April 27 at 7:00 p.m. and it highlights the contributions, struggles and sacrifices of African Americans during the Civil War. More than 186,000 men of color fought in the war. For many people, Burleigh's is the first voice of color to resound from that bloody conflict. Through his story of sacrifice and success audiences begin to understand that people of color were well represented during the "Defining Moments" in America's history.

This program is free and open to all, and will be held at Union Chapel Church, 213 Prospect Street, Berea. Union Church is located across from

Boone Tavern, the Chapel is the smaller building right next to the church. Anyone with special needs should contact the Library at 986-7112 at least 48 hours before the performance so that arrangements for assistance can be made. For more information call 986-7112.

"Reading-in-Motion" is a partnership program by Madison County Public Library, Rockcastle County Public Library and Berea College Office of Special Programs. Reading-in-Motion is a bookclub that travels in May they are going to Richmond, Virginia. To prepare for this trip, the libraries have sponsored book discussions and programs based on the theme "The South and Southern Writers." There will be an organizational meeting and a chance to sign up for Reading-in-Motion's Richmond, Virginia tour after Davis' performance.

Briarfield Cemetery
The Old Briarfield Cemetery at Orlando belongs to the Robinson heirs. We all agreed for the markers and headstone to be taken up that has no one buried there. We want the holes filled up with dirt when you take

them up. This is just not right for this to happen. It has always been first come first serve. The cemetery will always be for loved ones to be buried there. We want the cemetery like it has always been all these years. You have until April 30, 2001 to take the markers up that takes up empty spaces.

Mt. Vernon area host families needed now

Foreign high school students are scheduled to arrive very soon for academic semester and year program homestays, and the sponsoring organization needs a few more local host families.

According to Pacific Intercultural Exchange (P.I.E.) Executive Director, John Doty, the students are all between the ages of 15 and 18 years, are English-speaking, have their own spending money, carry accident and health insurance, and are anxious to share their cultural experiences with their new American families. P.I.E. currently has programs to match almost every family's needs, ranging in length from a semester from a semester to a full academic year, where the students attend local high schools.

P.I.E. area representatives match students with host families by finding common interests and lifestyles through an informal in-home meeting. Prospective host families are able to review student applications and select the perfect match. As there are no "typical" host families, P.I.E. can fit a student into just about any situation, whether it be a single parent, a childless couple, a retired couple or a large family.

Families who host for P.I.E. are also eligible to claim a \$50.00 per month charitable contribution deduction on their itemized tax returns for each month they host a sponsored student. For the upcoming programs, P.I.E. has students from Spain, Germany,

Latvia, the Former Soviet Union, Venezuela, Argentina, Brazil, Mexico, Mongolia, Italy, Paraguay, Australia, Sweden, Yugoslavia, China, Belgium, Vietnam and many other countries. P.I.E. has also been invited to participate in a special government-funded program to bring scholarship students from the Newly Independent States of the former Soviet Union to the United States. P.I.E. is a non-profit educational organization that has sponsored more than 18,000 students from 40 countries since its founding in 1975. The organization is designated by the United States Department of State and is listed by the Council on Standards for International Educational Travel (CSIET), certifying that the organization complies with the standards set forth in CSIET's Standards for International Education Travel Programs.

Day encourages families to contact the program immediately, as it will allow the proper time for the students and hosts to get to know one another before they actually meet for the first time.

Mr. Vernon area families interested in learning more about student exchange or arranging for a meeting with a community representative may call P.I.E. toll-free at 1-800-631-3818. The agency also has travel study program opportunities available for American high school students as well as possibilities for community volunteers to assist and work with area host families, students and schools.

SBDM Minutes

Broadhead SBDM Council Minutes

March 5, 2001
Present: Caroline Owens, Katrina Cash, Patsy Alcorn, Mary Ann Childress, Kathy Dyehouse.

The minutes from the February meeting were reviewed and approved by consensus.

Mrs. Caroline shared with the council highlights from the conference she and Ms. Saica Morgan, Mrs. Tammy Stevens and Mrs. Jenise Coffey attended in Phoenix, Arizona, on effective schools. The main theme was "Compulsory Learning not just compulsory attendance." More parental involvement is extremely necessary to achieve this.

The mission statement and goals for BES were discussed. These are on file in the office.

Professional Development for the 2000-2001 year were discussed with the following scheduled approach:

1 day of training on the Open Court Reading Program

3 days preparing the curriculum 1 day parent conference

1/2 day District Day

1/2 day Back to School (8-13-01)

Most staff members prefer the professional development days to prepare for the coming year to be done at the close of this year. These days will probably be the week of June 4 or June 11.

A reading grant has been applied for but results of this will be known at a later date.

Dr. Staten will be available one day a month to assist teachers with their on-going reading curriculum.

Mrs. Caroline shared with the council letters she had received from Mr. Hammond and three BES students concerning the bottled water for sale. After some discussion the council agreed by consensus to change the one we are selling, Avalon to Dasani.

The council agreed by consensus to use the available KETS money Phase II (\$18,000) to purchase workstations to establish a computer lab in our new building.

Mrs. Caroline presented the budget she had prepared using historical data to the council. It was approved by consensus.

Mrs. Caroline made the suggestion to possibly schedule an early PTA meeting in its fall to be held at the county library to introduce students and their parents to all of the resources available. Also, to have

bookmobile visit the school in the spring to make available the summer reading program to our students. This will be discussed more at a later date.

A concentrated effort will be made in the future to get more parents involved in BES and their children.

Mrs. Caroline told the council that Mrs. Jean Gentry would not be returning as part time guidance counselor next year. After some discussion the council agreed by consensus to post the position and hire a full time counselor for the next school year.

Kathy Toothman's Instructional Assistant position will need to be posted and filled in the near future.

A motion to adjourn was made by Kathy Dyehouse and seconded by Patsy Alcorn. The vote was unanimous.

Shirley G. Martin, Secretary

RCHS Council Minutes

March 5, 2001

The Rockcastle County High School Council met on Monday, March 5th, 2001 at 6:00 p.m. in the school conference room. Present were council members Ruth Allen, Chairperson, Adam Coleman, Dana Singleton and Connie Riddle, teacher members and Paul Abney and Cindy Anderkin, parent members. Also present were Betty Jo McKinney, Richard Bray, Trina Justice, Barry Noble and Keith Taylor.

Mrs. Allen presented the agenda with a request to move the SBDM Allocation items to beginning, as Mr. Bray, District Finance Officer, was present to address those items. Dana Singleton made a motion to approve the agenda with that adjustment. Connie Riddle seconded. The Council approved the agenda by consensus.

The Council reviewed the minutes from the February 1st and February 13th meetings. The only changes were to correct a typo in the word "line" in line five on the February 13th list and to change "John" to "Joe" on page six, paragraph one under "Financial Report". Adam Coleman made a motion to approve the minutes with those changes. Cindy Anderkin seconded. The Council approved the minutes by consensus.

1. SBDM 2001-2002 March SBDM Allocation

Richard Bray, District Finance Officer spoke to the group about the SBDM Allocation of funds. He explained that the Board of Education

has a Staffing Policy, which allocates staff to schools on a 20-to-1 teacher to pupil ratio. He said that the first allocation, several years ago, was based on the salaries of existing staff and that after that, whenever there is a vacancy the school is to have 95% of the district-averaged 185 day certified salary plus 1% for fringe benefits. Mr. Bray talked about the fact that less experienced teachers require a lower salary than more experienced ones, but said the Board has always said to "hire the best person", indicating that they will make up the difference if the person selected to fill a vacancy requires more than the 95% plus 1% fringe benefit. The formula governs class size, travel & equipment and that Section 9 of the SBDM funding Regulation allocates to the school 65% of Professional Development money that come from the state. He explained that what the council has always dealt with from a budget perspective is solely the instructional supply money. He said that we've never got into splitting hairs if there is a vacancy. If there is a vacancy, there is a vacancy.

Connie Riddle asked why is there no code on athletic programs? Mr. Bray said Ms. Powell was asking about submitting a budget for the Title IX. It's hard to submit a budget when you don't have money. Money from gates (of sports events) carries \$65,000 was mentioned as an estimated figure regarding the last time we did a budget for total athletics. Mr. Noble explained various costs related to athletics programs. He said many people are unaware of these.

Connie Riddle said that is why we need a budget to show up front the travel expenses, etc. so we could plan accordingly. Mr. Bray said everything we deduct (for travel costs back out of transportation 92 cents per mile. Mr. Bray said a budget is nothing more than a planning document.

and that is time consuming. Ms. Riddle said the Title IX code will have to be done every year. Mr. Bray expressed hopes that by next year, when the Board purchases software for the SBDM budget, we will be able to have this all on computer.

Mrs. Allen asked Mr. Bray, "What do you expect from the March 31st, short and to the point?" Mr. Bray said the School Council Allocation Worksheet, and he suggested that \$108,000 go to academics.

Connie Riddle said, "That's what we're doing in Department". Ms. Allen added that we have a budget and that's what's shared by Stephanie Hammack. She said that Departments are reviewing Department needs and will be submitting those to the Budget Committee. Ms. Riddle said, "Our meeting for budget papers to be returned is March 28th."

2. Setting of Special Meeting Date for SBDM Allocation Approval
The Council selected March 27th at 3:15 p.m. as the date for a special meeting to approve the SBDM Allocation.

3. Attendance Policy Amended
The Council reviewed the current running about 93% SM Keith Taylor, Chair of the Student Support Committee and Tony Taylor, Chair of the Discipline Committee discussed proposed changes in attendance policy. Mr. Taylor said one change is in the first part of the policy where "absences" are "early" are being described collectively in the new policy as "incidents." He also said that Judge Lambert attended the Discipline Committee meeting and she said she had had a lot of success with sending letters to parents in Lincoln and Pulaski Counties. Keith Taylor said he particularly supports the paragraph in the policy proposal that concerns students' privilege to participate in extracurricular activities, clubs, trips, college visits and club meetings with their school attendance record. He also called attention to the fact that this policy does not address exit exams.

Various aspects, pros and cons of exit exams were briefly discussed and Ms. Allen said this might need to be revisited later. She said if we keep the exit exams, we are really going to have to work on that. She agreed with Mr. Taylor on the value of an attendance committee, which gives more input into decisions, but allows flexibility. SM Taylor said he thinks the committee process good kids who could get hurt by a policy.

Cindy Anderkin said that is not a lot of discrepancy between excused and unexcused. SM Taylor said, "Anything after two incidents must have a doctor's excuse."

4. 2001-2002 Professional Development Proposal/First Reading
The Council reviewed and discussed the Professional Development Committee's proposal. Included were 51 hours of PD including 18 mandated hours. However someone pointed out that those Reading Across the Curriculum, District Day, Open & Closing Day, Two Parent Teacher Conferences and Junior Portfolio Scoring.

The Council took a break at 7:30 p.m. and resumed the PD discussion at 7:40 p.m.

The discussion revealed that clarification on asterisks (required) hours are needed. District Day and Opening Day need to be reversed at a time of day. On August 15th, a.m. students enroll and August 14th is the optional PD time.

Connie Riddle questioned whether component meetings could count as PD (i.e., if working on Consolidated Planning, Assessment, etc.). This was a first reading. The committee will look at the draft again to consider possible revisions and the Tentative Schedule will be offered to Faculty/Staff for approval. Then a final draft will be written and proposed to the SBDM Council during the March meeting.

5. Advanced Placement Program Application Information
Trina Justice, 21st Century Community Learning Center Academic Specialist, reported on a grant opportunity entitled the Kentucky Advance Placement initiative, Grant Program or K-APPI. This is a competitive grant offered through the Kentucky Dept. of Education. It provides support, including professional development, for increasing student access to Advanced Placement Classes. The deadline for submitting applications is March 31st. Ms. Justice asked the Council to approve making application for the grant. Dana Singleton made a motion to approve applying for the grant Policy Amended seconded. The Council approved by consensus.

6. Staffing
At 8:08 p.m. Ms. Allen called for a motion to go into closed session, as allowed by KRS 61.810. Paul Abney made the motion. Adam Coleman seconded. The motion passed by consensus. The meeting closed.

At 8:15 p.m. Dana Singleton made a motion to re-open the meeting. Connie Riddle seconded. The Council reconvened in open session. Ms. Allen made a recommendation to request the Board hire Ms. Alison E. Marshall to fill a vacant position of Assistant Softball Coach. She also recommended that Mrs. Jennifer Brock and Mr. Mike Hayes be hired as to fill 1/2 positions each for the second Assistant Softball Coach vacant position. The recommendations were supported by consensus of the Council.

Adam Coleman made a motion to adjourn. Dana Singleton seconded. At 8:16 the Council adjourned by consensus.

RCHS girls' track team ranked first in state; boys' 15th

The RCHS girls' varsity track and field team has moved from fourth- to first place in the latest Class 2A State Track and Field rankings...

Table with 3 columns: Rank, School, Score. Lists top 20 schools in Class 2A girls' track and field.

The RCHS boys' varsity team also broke into the top twenty-five teams in the state with several exceptional performances at Lincoln County.

Table with 3 columns: Rank, School, Score. Lists top 20 schools in Class 2A boys' track and field.

Several individuals from both boys' and girls' teams are ranked in the top ten in the state in their respective events including 15 girls and 6 boys.

Classified individual: 2nd - high jump. Mindy Bullock, 2nd - high jump. 8th - 400-meter relay.

Classified individual: 2nd - 400-meter relay. Casey Taylor, 2nd - 400-meter relay. 8th - 100-meter hurdles. 8th - 200-meter hurdles. 8th - 400-meter relay.

Classified individual: 7th - 3200-meter relay. Rachelle Hammond, 7th - 3200-meter relay.

The first meet for RCHS was the Patriot Games Invitational held at Lincoln County High School this past Friday. The RCHS girls' team hoped to defend last year's Patriot Games win...

The depth and talent of the RCHS girls' team proved to be too much for the opposition as they dominated a field of ten teams to come away with the victory and defend their Patriot Games title.

Along with the girls established track and field records, Senior Rachelle Hammond was named the meet's most outstanding female girl for her many spectacular performances.

The girls' 3200-meter relay team got the meet off to a great start with

a tremendous performance. The meet of Kayla Hayes, Elizabeth Busell, Danielle Arnold, and Jessica Asher ran a season-best overall of 1:10.70 and finished second overall in an amazing race.

Casey Taylor and Mindy Bullock ran extremely well in the 100-meter hurdles. Both girls had very little experience in the event, however, they were willing to try and fill in for their absent teammates.

Seventh-grader Jessie Asher ran an inspiring 1600-meter run and broke the RCHS record with an amazing effort of 6:05.9.

The 400-meter relay team of Joanna Abney, Casey Taylor, Chere Embs, and Sara Perkinson ran a second overall with a great time of 6:22.2.

The 100-meter dash, Cheyenne Carnack dominated the race and finished first overall with a season's best time of 1:01.3. Rachelle Hammond also ran an exceptional race and finished third overall in 1:19.3.

In the 3200-meter run, seventh-grader Elizabeth Busell set a season's best and finished fifth overall with a personal best time of 14:08.

The 1600-meter relay team of Cassie Taylor, Heather Robinson, and Shenna Swinney tried their way to an easy first place finish in an unbelievable race.

Senior Ashley Lawson performed exceptionally well and placed second. Ashley threw 268.5' in the shot put competition and finished third. She also placed third in discus with a personal best effort of 89.8'.

Rachelle Hammond dominated both the long and triple jump competitions. In long jump, Rachelle leaped a season's best 15'11" and placed first. Teammate Heather Hammond placed fourth with a solid effort of 14'2".

Eighteen-year-old Heather Hammond broke the RCHS high jump mark of 5'0" with an incredible Class 2A state-best jump of 5'2".

The 800-meter relay team of Joanna Abney, Casey Taylor, Heather Hammond, and Shenna Swinney ran a season's best time for the first time of the season and finished second overall. The girls posted an exceptional time of 1:52.8 and narrowly missed first.

The RCHS boys' team also had a tremendous meet and will be strong this season in many different track and field events. The boys did not compete in every event at Lincoln County due to the lack of depth, however, they excelled in the top five events up until the end of the meet.

In the 100-meter dash, junior Josh Hale sprinted his way to a fifth place finish in 12.2 seconds. Josh also ran an exceptional 200-meter dash and finished third overall in 24.2. Teammate Derrick Baker ran his first ever 100-meter race and finished 20th in 15.1 seconds. Stephen Hopkins ran well in the 200 and finished 14th in 27.7 seconds.

The 3200-meter relay team of Andrew Nelson, Brandon Cole, Jeremy Neesley, and Stephen Hopkins ran an awesome race and nearly broke the RCHS record in the event. The team finished fourth overall with a very fast time of 32:38.4.

Jeremy Neesley shattered the RCHS record in the 1600-meter run with an impressive time of 4:57. He finished third overall in the event. Andrew Nelson also ran a great race and finished 10th with a time of 5:19.8.

In the 400-meter dash, senior Jeremiah Myers ran an awesome race and finished third in 53.6 seconds, a personal record. Teammate Andrew Hammond also ran well and finished 11th in 59.6 seconds.

In the 300-meter hurdles, Elijah Lunaford ran very well and finished 11th in 51.2 seconds.

In the 800-meter run, Junior Josh Ramsey ran an unbelievable race and finished with an amazing time of 2:14.8. Josh finished fifth overall and narrowly missed the RCHS record.

Eight-grader Brandon Cole ran an exceptional 3200-meter run on his way to a new RCHS record time of 11:24. Brandon finished fifth overall. Teammate Andrew Nelson also ran well and finished 11th in 11:54.4.

Greg Biffle gets first Busch win

By Gerald Hodges THE RACING REPORTER LEBANON, Tenn. — Greg Biffle won his first Busch Series victory Saturday, holding off Jason Keller in the Pepsi 300 at the new Nashville Superspeedway. It was his first Busch win in eight starts, since moving up from the Craftsman Truck series.

Jack Keller finished second for his third top-five finish this season. Rookie Scott Wimmer was third, followed by Randy LaJoie and Elton Sawyer. Pole-winner Kevin Harvick ran seventh as 10 drivers swapped the lead 15 times.

"I felt a little restless sleeping last night and actually really nervous because when you have a good car it's like my cheer chief gets," the only thing you can do is make a mistake or mess it up. That's what we didn't want to do today was make a mistake. I'm thankful we didn't," Biffle said.

Biffle took the lead for good on lap 187. Keller had been working all day to loosen up his Ford, and he said his crew kept the car a little too loose during the 10th caution. Going into turn four, Biffle worked his Ford under the wheel and gave himself enough room to go by for the lead.

Finishing Order: 1. Greg Biffle, 2. Jason Keller, 3. Scott Wimmer, 4. Randy LaJoie, 5. Elton Sawyer, 6. Mike Skinner, 7. Kevin Harvick, 8. Jeff Green, 9. Mike Busby, 10. Todd Bodine, 11. Schrader wins inaugural Arca 150

LEBANON, Tenn. — Veteran Ken Schrader, in his own Federated Auto Parts Pontiac, held off late-race charges from Frank Kimmel and Tony Stewart to win the thrilling, inaugural FFG Lister Arca 150 Friday afternoon at Nashville Superspeedway. Kimmel out-dueled Robinson for second; it was Schrader's eighth career ARCA RE/MAX Series victory.

Finishing Order: 1. Ken Schrader, 2. Frank Kimmel, 3. Shawn Robinson, 4. Rick Curren, 5. Mike Swain Jr., 6. Jason Jarrett, 7. Tim Bucic, 8. Stacey Barrett, 9. Andy Belmont, 10. Mills Harmon, 11. Both girls' and boys' teams closed in on several other records throughout the course of the meet. Overall, the Patriot Games was an exciting event to what could be the greatest

RCHS track season ever. Both boys' and girls' teams will travel to Somerset this Saturday for the Lake Cumberland Classic.

Rachelle Hammond was named most outstanding female girl for her performance during the Patriot Games invitational held at Lincoln County High School.

ing the same things they always do because safety has always been an important issue," said Stewart. They've always done a good job, so I don't feel like they have to do anything extra. As long as they keep doing what they've been doing than everything's good."

FANFARE: Teams in the Pits

In the early days of racing most races were a one-day affair that usually consisted of only 100 or 150 laps, so crew members needed except to change out an occasional tire and add fuel.

The Wood Brothers was one of the first teams to recognize the need for faster and better pit strategy in the early 1960's. They were recruited by Graham Hill to service his car at Indianapolis Motor Speedway. When he won the 1965 Indianapolis 500, however, he spent less time in the pits than other teams; pit stops and pit strategy was born.

Pit stops for four fast tires in Winston Cup events have been reduced from 35 seconds to 15 seconds and, sometime less. Each half-second is so precious that teams have hired physical fitness experts to train and keep them in top physical form for Sunday races.

Almost every team reviews their crew's performance with a small camera that is mounted on a pole and hangs out over the car when it stops. The camera is triggered when the car enters their respective spot on pit road.

In a regular four tire pit stop, it can take less than 16 seconds to change four, 40-pound tires and empty two 11-gallon cans of fuel. The windshield and radiator are cleaned and the driver is handed a cup or bottle of water or cold drink. The crew chief and pit crew make adjustments are necessary, those are made.

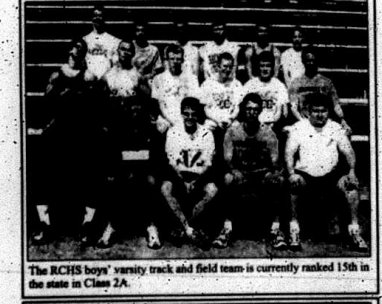

The contribution of pit crews might be no more than 90 seconds during a 500-lap race, but they are very crucial seconds. At superspeedways like Daytona and Talladega, one second in the pits would be equal to a car traveling 100 yards or the track.

The RCHS girls' varsity track and field team is currently ranked 15th in the state in Class 2A.

The RCHS boys' varsity track and field team is gearing up for perhaps their best season ever and they have been ranked first in the state in Class 2A. The ranking comes as a result of the team's first outdoor meet of the season at Lincoln County on April 6th. The girls won the Patriot Games Invitational dominating the field of ten teams.

On March 24, 2001 at the National Shaolin Karate Tournament in Lexington the Grand Champion trophy was presented to Eric Bullock by Grandmaster Sin The'. Eric received this honor after earning the most points in the entire blackbelt competition against competitors from all over the United States. He received first place in weapons forms by performing the three sectional staff, first place in empty hands forms by performing Ground Dragons and second place in point sparring. Eric has been in this style of martial arts for seventeen years. He holds the rank of fourth degree blackbelt and is the instructor of the Mt. Vernon Shaolin Karate Club. He is shown here, at left, receiving his trophies from Grandmaster Sin The'. Eric is the son of Donna June Bullock and the grandson of Mr. and Mrs. Ernest E. Bullock, Jr., all of Mt. Vernon.

On March 25, 2001 in Lexington, two students from Eric Bullock's Mt. Vernon Shaolin Karate Club tested before Grandmaster Sin The' and a committee of high ranking blackbelts. Shown here with their instructor Eric Bullock, left, are Brandon Abney, middle, who tested and received his second degree blackbelt and Joe Harmon who tested and received his third degree blackbelt.

Turkey season outlook

In 1978, Kentucky turkey hunters harvested only 44 birds. Most of this harvest came from remote areas of the Daniel Boone National Forest in eastern Kentucky and the Land Between the Lakes National Recreation Area in western Kentucky.

Back then, outdoors enthusiasts could get their entire lives without seeing one of these regal birds in the wild in Kentucky.

Today, it's a much different story. They live all over the state in areas that would have been inconceivable just a few years ago.

Wild turkeys have even been observed perched on a fence, far away from any trees, in a spacious paddock on one of central Kentucky's world famous horse farms.

"It's good all over!" exclaimed George Wright, turkey program coordinator for the Kentucky Department of Fish and Wildlife Resources (KDFWR).

Hard work and good management by agency personnel is primarily responsible for the expansion of wild turkey numbers in Kentucky.

A cold winter this year should place the spring turkey season at the peak of the mating season. The mild winters of previous years caused the peak of turkey mating to be a little ahead of the hunting season. That, in turn, caused harvest levels to be slightly below expectations. This year, however, "the timing looks good," Wright said.

This year hunters will have the largest turkey flock in modern history to hunt. There are more than 160,000 turkeys now in Kentucky. There were 18,607 turkeys checked in last year with a hunter success rate of 29 percent. An estimated 65,000 hunters participated in the 2000 spring turkey season and that number is expected to grow.

The flock has grown to the point where no area of the state is markedly better than any other area. "Hunt anywhere you can get permission," Wright said, "because our distribution is good over all the areas with decent habitat." Traditionally, the top turkey counties in terms of harvested birds are in the lower Green River Watershed such as Ohio, Muhlenberg, Butler and Hopkins.

However, central Kentucky counties like Owen, Pendleton, Hardin, Bracken, Adair and Nelson are really coming on as turkey producers. "Hunters are capitalizing in more and more areas each season," Wright explained. "There's no secrets about turkeys."

The Kentucky spring turkey season runs April 14 through May 4 statewide with a season limit of two male turkeys or turkeys with visible beards. Shooting hours are one-half hour before sunrise to one-half hour after sunset. Only one gobbler may be taken in any one day.

"Let's all be very careful, too," Wright warned. "It could be more crowded than normal in the woods. Be safe and respect other hunters."

Youth hunters should also be aware that on May 5, this year, those under 16 will be able to turkey hunt as long as they are accompanied by an adult if using a shotgun.

The new Youth Turkey Day is designed to give younger hunters an extra opportunity without having to compete with adults. Youth hunters

must comply with all other regulations and limits governing turkey hunting during this one-day hunt.

Lastly, all turkeys taken in Kentucky must be appropriately tagged and reported through the state telecheck system by calling toll-free 1-877-285-4263 on the day the bird is taken.

Hunters not issued tags when they purchase a turkey permit, or hunters not required to have a permit, must make their own carcass tags to use while hunting.

With a great flock and good weather, this year should offer the best chance at a turkey since Simon Kenton hunted them.

Sportsman's License Outdoors enthusiasts have a way to save time and money this year by purchasing a Sportsman's license. The \$40 Sportsman's license seems a little steep at first, but includes a hunting and fishing combination license, spring turkey permit, statewide deer permit, state waterfowl permit and a trout stamp. These licenses and permits bought separately run \$87.50. The only things not covered are the federal waterfowl and migratory bird permits and fall turkey permits. Persons who purchase a Sportsman's license do not receive carcass tags for turkey and deer, and are required to make their own while hunting.

Quota elk hunt applications are available until May 31, 2001 for Kentucky's first elk hunt. They are

Richmond Raceway news

For the second week in a row summer like weather covered the area with traps into the 80's, that combined with ninety race cars competing in three classes made for a sizzling good show for fans and racers alike at "The Action Track".

In the first week of the season for the Ump Modifieds 28 machines posted qualifying times on Richmond's 3/10 clay oval, with not less than five cars within 5 of the track record. Jimmy Robinson (current record holder) led the charge and posted fast time to earn the pole for the feature. In the feature Robinson took command at the green with Rookie Keith Denny close behind, on lap eight Denny took over the lead and looked strong for four laps until

reared problems sent him to the pits. All the while Gary Northern was working his way toward the front. Robinson once again took the lead with Northern in two. Robinson would lead until the white flag was in the flagman's hand, Northern slipped by Robinson for the lead. He would lead the last two laps for his first feature win. Northern started in the 11th spot. He was followed by Robinson and from the ninth spot in

third was Gary Ward.

The Quik Six was won by Brian Seales. Heats went to Mickey Kahlen, Anthony Reams and Buch, Shay, Robbie Mattingly won the Last Chance event.

In the Bomber Division, David Freeman was hot (maybe a little to

hot as an engine fire halted the race on lap 10). After the fire was out Freeman went on to lead the remaining laps in the caution filled race for the win. Tim Griffith was in the runner-up spot with Bill Porter in third. Heats went to Freeman and Terry Lintville.

Road Hogs must think the points race is near the end because they raced four wide in the turn all night. In the end Tony Hunter was able to hold off Kenneth Short for the top spot. Dailey Sandlin came across in third. Heat wins went to Hunter, Short and "Wool Born" Jason McGill won the Last Chance race.

As added special attraction was the "Cyclone" or mini cup cars. Michael Chilton of Harrodsburg, crossed the line in first. He was followed by Brian Realty of Lawrenceburg and in third was Kimmel of Sellersburg, Indiana. The heat win went to Kimmel.

Rockets are perfect 6-0 on Florida trip

The Rockcastle County High School baseball team, which was ranked fourth in the entire state last week, went six and 0 during Spring Break week at Cocoa Beach, Florida.

The JV ended the week 3 and 4. Before the Rockets left for Florida they also defeated Estill County and Clinton County TN.

But on Monday night the Rockets suffered their first loss of the season when the Corbin RedHounds defeated them 4-2.

The Rockets bounced back on Tuesday with a 12-4 victory over Oneida, in a game that saw the Rockets down 4-0 going into the third inning.

Senior Christopher Parsons hit a grand slam and added another homerun to pick up six RBIs in the win.

Shea Taylor struck out 11 in picking up the victory. The following is a short summary of each game, since April 5:

Rockcastle 3 - Estill County 1
Senior Greg Harper pitched up his third win of the season, going all seven innings. He gave up four hits, struck out 12 and walked 3.

The Rockets picked up seven hits and two stolen bases. Christopher Parsons had a homerun.

ROCK JV 7 - Estill County 3
Tim McIntosh pitched up the win in six innings. He gave up three runs, seven hits, struck out six and walked only one.

Aaron Anderkin had two doubles, James Buswell and Brandon Campbell each had one double. The JV had a total of nine hits.

Rockcastle 4 - Clinton TN 1
Brandon Bishop pitched five innings to pick up the win. He struck out six, walked three and gave up only three hits. Anderkin got the save, going two innings, giving up two hits, striking out three and walking two.

The Rockets had only five hits and only one extra base hit, that by Brandon McIntosh, who had a double.

The Rockets left five runners on base.

Rockcastle 12 - South Laurel 2
Greg Harper pitched only three innings to pick up the win. He gave up two runs, two hits, struck out four and walked two.

Shea Taylor pitched two innings, gave up two hits, and struck out one.

Devin Taylor pitched one inning, gave up no hits and struck out one.

Derrick Buswell had a triple, and stole two bases.

Shea Taylor had a double and stole two bases.

Christopher Parsons, Billy Hackworth and Brandon Bishop all had doubles. All total the Rockets had ten stolen bases.

Rock JV 9 - Boyd Co. 6
Tim McIntosh pitched up the win after coming in in relief for Adam Hensley, who had come in for James Buswell after the first inning.

Buswell and Hensley gave up three runs apiece.

Stephen Boring had a triple and Buswell added a double. The JV stole nine bases.

Rockcastle 13 - Lincoln Co. 1
Christopher Parsons pitched up the win, pitching three innings. He gave up one run, one-hit, struck out four and walked three.

Aaron Cash pitched two innings, giving up no hits, striking out three and walking two.

Billy Hackworth had two doubles and Derrick Buswell stole two bases.

Rock JV 4 - Chargin OH 5
Marty Reagan got the loss after coming in for Stephen Boring.

The Rockets managed only six hits and two stolen bases. Tim McClure had a triple.

Rock JV 10 - North Laurel 5
Cody Alexander pitched three innings to pick up the win. Devon Buswell and Tim McIntosh each pitched two innings.

Buswell struck out four and McIntosh three.

Tim McClure and Austin Miller each hit a double.

Rock JV 17 - Wakefield VA 6
Adam Hensley pitched up the win. John Bray and Brandon Campbell also pitched in relief.

Austin Miller had a homerun, James Buswell and Tim McClure each had a double.

Rockcastle 9 - Scott Co. 7
Aaron Anderkin gave up four runs in the first inning, but managed to pick up the win, after allowing only two more runs in the next five. Christopher Parsons pitched one inning to get the save.

Anderkin gave up 13 hits, two walks and he struck out three.

Parsons gave up one run, one hit, struck out one and walked one.

Derrick Buswell had a triple and Parsons a double. All total the Rockets had eight hits.

Buswell had four stolen bases and the Rockets had a total of eight for the game.

Rock JV 9 - Scott Co. 11
Brandon McIntosh pitched up the loss. Devon Buswell and Austin Miller pitched in relief.

All total Rocket pitchers gave up ten hits, three walks and struck out only one.

The Rockets hit Scott County 11-10 and stole four bases. Devin Taylor, Miller and Anderkin each had two hits.

ahead of schedule-to the contributions of mature workers.

Launched in 1998, the National Prime Time Awards Program has become our nation's premier older worker recognition event. In addition to recognizing employers of the year, it also honors America's Oldest Worker, identified by a nationwide search and outstanding older workers selected by each state, the District of Columbia, and Puerto Rico.

Green Thumb is a national not-for-profit organization, is America's leader in older worker training, employment and community service. Its mission is to strengthen families, communities, and the nation by providing older and disadvantaged individuals with opportunities to learn, work and serve others. Founded in 1963, Green Thumb was first chartered to assist "green thumbs" of retired farmers to improve our nation's parks and highways. The four-state pilot project soon evolved into one of the most innovative and cost-effective of all workforce initiatives, the Senior Community Service Employment Program. Over its history, Green Thumb has expanded its services to bring workforce opportunities each year to more than 125,000 mature individuals in 44 states and Puerto Rico. Green Thumb Inc., receives funding under grants and contracts with the U.S. Department of Labor and approximately 75 state and local governments. Green Thumb is looking for 2001 Outstanding Workers

Because the business community is integral to the success of older workers, Green Thumb, Inc., will recognize three outstanding employers representing small, medium and large businesses during its Natural Prime Time Awards activities in Washington, D.C. in September 2001. These awards acknowledge employers who have broken from traditional human resource models and developed exemplary programs in retaining and recruiting mature workers," says Green Thumb's president and CEO Andrea Wooten.

Criteria include providing exemplary models for promoting positive older worker images, developing aging friendly workplaces, targeting recruitment of older workers, retaining older employees, creating innovative programs for older workers and demonstrating how their commitment to hiring older workers has made a difference to the company. Companies may apply for consideration or be nominated by an outside party. Applications may be downloaded or submitted online at www.greenthumb.org. Completed applications may also be mailed to Green Thumb, Inc., P.O. Box A, Beattyville, KY 41311 no later than May 1, 2001.

Last year's national winners include: Gulf South Supply of Houston, Texas in the Under 50 Employee category; Poorman-Douglas of Beavertown, Oregon in the Under 1000 Employees category; and Wal-Mart Stores, Inc., headquartered in Bentonville, Arkansas in the 1000+ Employees category. The U.S. Census Bureau received special recognition. "We appreciate the leadership of each of these companies in recog-

nizing the value that seniors bring to the workplace," Wooten says.

John Denny, president of Gulf South Supply calls older workers a "secret weapon" in the success of his business. Poorman-Douglas believes older workers are a reliable and respected segment of its workforce and company culture. Company president Jeff Baker told members of the Senate Special Committee on Aging that employing older workers is "win-win."

Wal-Mart views seniors as associates who bring both work and life experiences to their positions—from the famed people greeters to company executives and board members. More than half of the Census 2000 workforce was 50+ and the Census Bureau credits its ability to complete the monumental tasks of the census-

Fairview News

By Mrs. Hubert Chastain

Hello again to all.
Spring time has arrived, we had a few days of hot weather with temperatures in the 80's. But it has now cooled with temperatures in the 40's this Monday morning, April 16th.
I hope each of you had a happy Easter weekend. Due to illness I hadn't been able to attend church and Sunday School for the past two weekends, but thank the good Lord we were able to attend Easter Sunday and Sunday night.
Rev. Albert Griffin (our full time Pastor) filled his regular appointment at Fairview over the weekend with a wonderful congregation Sunday morning. Sunday school attendance was 144. I hope everyone stopped

long enough to thank God for all the great blessings we receive every day.
Visiting Mr. and Mrs. Anthony Abbey and Tonya recently were Mr. and Mrs. Scott Abbey of Berea.
Around 45 persons attended the sunrise service at Fairview Sunday morning.
Easter dinner guests of Mrs. Hallie Alexander were Mr. and Mrs. Gerald Alexander and family and Mr. and Mrs. Rex Davidson and family, also Loren Naper and Jason Rawlings.
Spending a short weekend in Augusta, Georgia recently were Mrs. Nancy Williams and daughters, Judy Cummings and Doty Pugsions. They visited Mrs. Williams sister, Dorothy Lambert and her friend, Mary Lou Reynolds.

Attending the funeral of Mr. Marion Jett of Jackson, were Mrs. Hallie Alexander, Mrs. Jewell Davidson and family, Mr. Gerald Peters and family and Mrs. Wanda Ingram.
Mrs. Jett is a sister of Hallie's and Mrs. Ingram, Hallie, Jewell and Wanda spent the night with her.
We all extend our sympathy and prayers to all the Jett family and relatives.
Mrs. Mary Cope's children, William and son, Billy, Mrs. Jean Hayes, Helen Powell and Christine Barnett have all visited her recently. William and son were Easter dinner guests of Mr. and Mrs. Buddy Cope.
Sherry Lynn McCurdy of Winchester spent Friday night with her parents, Mr. and Mrs. R. Ridgell. Sherry also visited her grandparents,

Hubert and Anna Lee Chastain. (We love all our grandchildren like we do our children.)
Other recent guests of Mrs. Hallie Alexander have been her brother, Harold Powell and wife, Mrs. Powell and Dennis Hudson all of Dayton, Ohio. And also Lorain Ward of Fairborne, Ohio.
Some of our most recent guests have been Lloyd Jordison and son, Buddy Hubbard and Oscar Alexander, and of course our children. Also Fred Mullins, Jr. we always enjoy company.
Please remember church and Sunday School. Invite others to worship services. Pray for one another and love and treat people good. God bless you all.

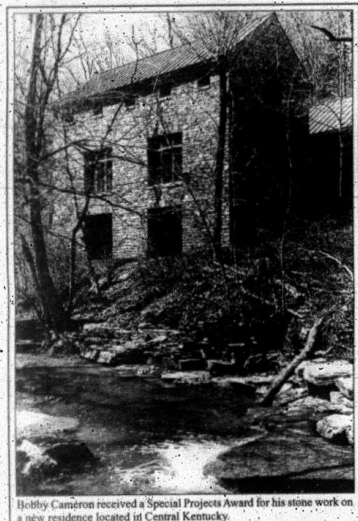

FREE DISPOSAL SERVICE

In an effort to help keep your cemeteries clean for Memorial Day, the county will provide free disposal service for old flowers from cemeteries through Friday, May 25th. If anyone would like to have old flowers from cemeteries disposed of properly, please call County Judge Buzz Carlotif's office (256-2856 or 256-2310) with directions to the cemetery.
Keep in mind that:
• Discarded flowers must be placed in bags
• The county will pick up only discarded flowers that are placed on the outside of the cemetery
• The county will not enter into the cemetery to remove flowers

Cameron receives Special Projects Award

The Kentucky Masonry Institute (KMI) held its Twenty-First Annual Architectural Awards program for Excellence in Masonry Design on Friday, April 6, 2001 at the Marriott's Griffin Gate Resort in Lexington. Local Stone Mason, Bobby Cameron of Bobby's Cabinet Stone Masonry received a Special Projects Award for his stone work on a new residence located in Central Kentucky.

Stone from the owner's personal property. Stone was selected for the most weathered face to be laid face out. The exterior use of stone was carried into the entry on the walls, fireplaces and on the floors.
Cameron, a stone mason for approximately 16 years is recognized state-wide for his work and has previously received a KMI Award for a masonry project at Natural Bridge State Park.
Others contributing to both projects include James Hughes, Tom Sutfin, Jack McCormick and Randy Graves.

Bobby Cameron received a Special Projects Award for his stone work on a new residence located in Central Kentucky.

Portable cattle handling equipment includes For-Most head chute with squeeze sides along with palpation cage for easy access. The chute is mounted on portable Paul scales. Corral panels and alley panels are available on a separate trailer. For information on scheduling, contact Dabney Feed Supply at 758-8513.

Cattle handling equipment

By: Tom Mills
County Extension Agent for
Agriculture and Natural Resources

Rockcastle, Pulaski, and Lincoln County Extension Agents, with the assistance of Dabney Feed Supply, are working together to provide portable cattle handling equipment to local livestock producers. The three county councils utilized Department of Agriculture Value Added Grants to purchase a For-Most squeeze/catch chute mounted on portable Paul scales along with corral gates and alley panels. Dabney Feed Supply of Willitsville, which is centrally located to all three

counties, will handle the rental, storage, and signage rental contracts. Rental rates for the chutes/scales are \$15 for 1st day, \$10 for 2nd and 3rd days, with maximum 3-day rental. Rental rates for the corral panels and alleyway are \$5 per day when rented with the chute and \$10 per day when rented without the chute. Please have proof of insurance available on vehicle moving equipment. This equipment is being made available to assist producers in implementing herd health practices. Special thanks goes to committee members working on the project: Geoff McGuire, Anthony Asher, Donnie Hurst, Roy Reynolds, Rockcastle Beef Cattle Association,

Rockcastle Young Farmers Association, and Barbara Reynolds, along with Pulaski and Lincoln County Extension representatives.

4-H Camp dates approaching

By: Jolin McQuary

As school ends for another summer, thousands of young people will continue the learning process through 4-H camps. It is a community setting in miniature, helping young people to develop and practice social skills, experience leadership roles and make friendships that sometimes last a lifetime.

Each camp is staffed with many volunteers. In addition, each camp is also staffed with emergency medical technicians, certified lifeguards and instructors for nature and recreation. The 4H camping experience emphasizes personal development as well as providing young people with a chance to learn lifetime hobbies. Some will learn to swim, paddle a canoe or square dance. Crafts, nature study, fishing, archery, and

shooting sports are also a part of the long list of activities available to keep everyone involved throughout the day.

The Rockcastle County 4H Camp will be held for youth ages 9 to 14 at J.M. Felner 4H Camp in London, Kentucky. Dates for the camp are June 11-15. The modern facilities include cabins, dining hall, swimming pool, and a lake for canoeing and fishing. Cost of the five-day residential camp is \$74 per person and partial scholarships are offered. The costs include transportation to and from the camp, 3 meals and two snacks per day, and four nights lodging. Sign-up process has just begun, with June 1 as the absolute deadline. Openings are on a first-come, first served basis so get your application in early. Contact the Rockcastle County Extension Office at 256-2403 for additional information on 4H Camp.

Demonstration field day on high tensile fencing

The Rockcastle County Conservation District and the USDA Natural Resources Conservation Service will be hosting a demonstration field day on high tensile fencing. The field day will take place Wednesday, April 25th at 1:00 p.m. on the William T. Bylles, Jr. farm located along Highway 1786, between the communities of Roundstone and Wildie. During the field day, attendees will see hands-on demonstrations for different techniques on the installation, location and uses for high tensile fencing.

There will be information on such programs as CRP, EQIP, WHIP and State Cost Share. Attendees will also see first hand practices offered under these programs that have been installed on Mr. Bullen's Farm such as a stream bank stabilization, stream

crossings, pipeline and tank, and Riparian Buffers. This field day is free to any and all that attend! For more information, contact Randi Templeman, District Conservationist at 256-2525 Ext. 3.

Walk-Ins Welcome

Storing Winter Clothes

By: Hazel Jackson
County Extension Agent for
Family and Consumer Science

With the arrival of warmer weather, many of you might soon be putting your cold-weather clothing into storage. In addition to protecting winter clothes, your extra effort will pay dividends in more closet and drawer space.

As with most things, there's a right way and a wrong way to store your winter clothes.

Here are some helpful hints:
Make sure you launder or dry clean clothes before you store them. When you launder clothes, avoid using starch, garment sizing, fabric softeners or chlorine bleach. Make

sure laundered clothes are thoroughly rinsed before you put them away for the season.

To prevent mildew problems in storage, be sure all garments are completely dry before you put them away. Don't wrap stored clothes in plastic bags. Instead, use cloth bags because they allow your clothing to breathe.

Select a storage area that's clean, dry, and dust-free. It's a good idea to vacuum and dust the storage area first. And avoid storing clothes in basements, attics, or garages if these areas are prone to dampness or

extreme heat or fumes from automobiles and equipment. Trunks and suitcases make excellent storage containers. If you store clothing in pillowcases or sheets, these can be easily removed when you need the trunk or suitcase needed for travel.

For more information contact the county Extension office at 256-2403 for a free publication on clothing storage.

The Family Room

Misguided Individuals Sometimes Misuse Religion

Sarah (not her real name) came to the abuse shelter because her husband had beaten her. This was not the first time this had happened. Sarah was a Christian and very confused about what God would have her do in this situation. "My pastor told me that I should give him another chance," Sarah told me, "but I don't want to. If I don't, am I going against God?"

Sarah is one of many battered women who have run into a brick wall when trying to discern what God would have them do. "After I left him, John (not his real name) has started going to church," she added. "Last Sunday he got saved, and I hear he is getting counseling with the pastor now. My mother told me he bought a new Bible and carries it with him everywhere."

Battered will use any means possible, even religion, to convince the spouse to come home. Many abusers have gotten saved or rededicated their lives or confessed sin in front of the church the first week their wives moved to an abuse shelter.

Christians and even pastors are sometimes fooled by this display of religion. How could they not believe a man who stands in front of the church weeping and confessing to abusing his wife? They see this as an indication the batterer has changed and improve the wife to "give him another chance."

Most of the time these people do not know the history of the relationship. They do not realize that the victim has kept the abuse secret, hidden from the public. She has covered her bruises and her emotional hurts so well that no one knows what she has endured. They do not know that she has already given him a second chance "at least a hundred times." They do not know that she has heard these same promises over and over again, only to have them broken every time.

Immediately after an abusive incident, the abusive relationship often goes through a "honeymoon stage." In the honeymoon stage the abuser will say he is sorry and make promises he cannot keep. He may bring home flowers and candy. If she has left him, he will write her letters or

try to find her. He may promise to stop drinking, to see a counselor or never to hit her again. Most victims of abuse have heard these promises many times before.

If the victim believes the promises and returns home, the honeymoon stage will last for a little while. Gradually, though, the abuser reneges on his promises. He stops going to church and refuses to see a counselor. He begins to show more and more anger, and soon he abuses her again. Then comes another honeymoon stage and the cycle continues. Many abuse victims have reported that cycle literally hundreds of times.

Battered are often good cool men and can make a person believe the

sky is red. They seem so sincere when they make their promises. Perhaps they are sincere, but the real question is: do they have the ability to keep their promises? Most do not. For those who believe the abused woman should always stay with her abuser and try to "work it out," I have a question: do you really think that God wants a woman to continue to be abused and to raise her children in the midst of that abuse?

I lead an ongoing support group for victims of domestic violence. The group is sponsored by Bethany House Abuse Shelter and there is no charge. Please call Bethany House for more information at 679-8852 or 1-800-755-2017. Group membership is confidential.

of more than \$1.1 billion is now available under USDA's Crop Disaster Program (CDP).

To be eligible, farmers must have suffered at least 35 percent loss in one or more of their 2000 year crops due to natural disasters. Eligible farmers will receive payment soon after approval of their application.

Signup for the CDP began January 18, 2001 and the deadline to file an application will be announced later.

Burley Tobacco Designation Announced

Jeffery S. Hall, State Executive Director of the Kentucky Farm Service Agency, has announced that Burley tobacco farmers will be required to report to FSA the pounds and specific warehouse, receiving station or dealer where they intend to market their tobacco this season. The initial designation period will begin June 1, 2001 and end on August 1, 2001. Farmers will be allowed to re-designate pounds and sale locations at various times throughout the marketing season.

The Burley Tobacco Advisory Committee, established by the Secretary of Agriculture, recommended on July 4, 2000, that a method be developed that would enable better allocation of tobacco graders and warehouses sales opportunity. Warehouse designation has been in place for Flue-Cured tobacco for several years.

FSA is making this change in the tobacco program in response to a request from Burley tobacco growers and the industry," Hall said. Begin-

ning with the 2001 marketing year all Burley tobacco marketing cards will be issued for the specific pounds and selling location designated by the farmer. Only those pounds designated on the marketing card to a specific buying location may be pre-empted for sale at that location," Hall said.

Farmers selling at traditional auction warehouses will receive a marketing card similar to cards they have used in recent years. These cards will indicate the producer's designated warehouse. Marketing cards for producers selling at non-auction sites will be issued by thermal bar coded card. These cards will indicate the designated buyer.

For additional information contact your local FSA County Office.

Burley Tobacco Lease Date

April 2nd is the first date producers shall execute a lease for the 2001 quotas. Leasing will end on July 1, 2001. Any producer wishing to post their name to the Tobacco Lease In or Lease Out Listing may do so now. You do not need to wait until April 2nd. If you are unable to come to the office you may notify the office staff to post the listing by calling 606-256-2525.

Burley Tobacco Acreage Reports

New legislation requires all farms with an effective quota greater than zero to report acreage planted to burley, including zero acres.

Farms with an effective burley quota that will not plant burley or lease quotas from the farm MUST report a zero acreage for burley tobacco, or the farm will be subject to quotas forfeiture for the applicable burley marketing quotas next established for the farm, unless the State Committee and the County Committee determine that the reduction is not applicable.

Grazed 2001 Wheat, Barley, Oats (Graze-Out)

The Agricultural Risk Protection Act of 2000 (ARPA) enacted on June 20, 2000 and the Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act 2001 (the 2001 Act) enacted on October 28, 2000 provides for Graze-OUT payments instead of Loan Deficiency Payments (LDP's), for the 2001 crop year only, to eligible producers who elect to use

acreage planted to wheat, barley, or oats, for the grazing by livestock and agree to forgo any other harvesting of the commodity on such acreage during the 2001 year.

Graze-OUT is available to producers who are otherwise eligible for marketing assistance loans and LDP's according to regulations to W-LP, grazed 2001 crop acreage planted to wheat, barley or oats; do not harvest the same crop on the same acreage.

Applications for GRAZE-OUT begins on the first day of mechanical harvest, May 14th, as determined by COC and ends on August 31, 2001. Producers may file an application for GRAZE-OUT anytime during this application period.

Regulations for GRAZE-OUT are available on the PSD home page at <http://www.fsa.usda.gov/dal/psd/>.

USDA Announces Programs for Apple Growers

USDA can now begin payments to eligible producers who elect to use acreage planted to wheat, barley, or oats to graze livestock and give up any other harvesting. The payment will be determined using the loan deficiency payment rate in effect as of the date of the agreement.

The new deadline date for filing WAMLAP II applications is extended to May 3, 2001. The WAMLAP II sign-up period provides extended title for producers who produced and sheared wool and mohair during the 2000 marketing year to sign applications for payment.

"What Saith the Scriptures"

In 2 Cor 2:17 we read, "For we are not as many, which commend the word of God, but as of sincerity, but as of God, in the sight of God speak we in Christ." Paul speaks about those who corrupt the word. The word corrupt means according to Mr. Strong's dictionary, "from kapelos (a huckster), to retail, i.e. (by-implication) to adulterate." Yes, they had their religious hucksters who were peddling religious error, like a huckster who peddles "genuine Rolex watches for the low, low price of \$19.95." They are not true bonafide Rolex watches, any more than the religious hucksters who peddle their erroneous ideas in the true gospel of Christ. Paul alerted the brethren in Gal 1:6-8, "I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel. Which is not another; but there be some that trouble you, and would pervert the gospel of Christ. But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let them be accursed." Next time we shall look at some of the perverted doctrines of men who adulterate the word of God, religious hucksters.
