Pulaski Co. man killed in head-on collision on 461

By: Richard Anderkin

A three vehicle collision three miles south of Mt. Vernon on Hwy. 461, Saturday afternoon, claimed the life of a Pulaski County man.

According to a passenger in a Campbellsville College mini-van, the wreck occurred around 1:30 p.m. after the 18-year-old driver, Clay Wheeler of Campbellsville, attempted to remove his coat, while driving the van north on 461.

The passenger said that while Wheeler was removing his coat, he lost control of the mini-van and crossed the center line into the southbound lane of 461 and into the path of a Ford F-450 farm truck driven by Boyd "Buster" Broyles, 72, of Plato Vanhook Road, Somerset.

Police say the mini-van struck Broyles' truck, causing it to cross into the northbound lane, directly into the path of a tractor-trailer, driven by James W. Franklin, 30, of Carlisle, Ohio.

Rockcastle County Deputy Coroner Marvin E. Owens pronounced Broyles dead at the scene, after members of the Mt. Vernon fire department cut his body from the wreckage.

It took firefighters about 45 minutes to free Broyles' body.

Wheeler and Franklin were taken to the Rockcastle Hospital where they were treated for minor injuries and released.

Several passengers in the college's mini-van were not injured. Broyles and Franklin had no passengers in their vehicles.

KY 461 was closed for about three hours while Kentucky State Trooper Don Trosper reconstructed the accident.

State Trooper Staci Dixon is conducting the investigation surrounding the accident and the case will be presented to the Rockcastle County Grand Jury.

A 72-year-old Somerset man was killed in a three car crash on Hwy. 461 Saturday afternoon.

Burdette calls on court to sponsor training program

At a special meeting of the Rockcastle County Fiscal Court on Friday, Rockcastle County Attorney Jeff Burdette asked the court to sponsor a training program to deal with possible security issues and the handling of a potential chemical or biological threat in the county.

Burdette suggested that the county's newly appointed Chemical Stockpile Emergency Preparedness Program (CSEPP) Director Wayne Berry, conduct the training.

Berry is the former Chief Planner for the state of Kentucky. He held that position for 28 years and was in charge of training CSEPP Directors across the Commonwealth.

Berry, who is a Rockcastle County native and former school teacher at Mt. Vernon High School, also taught Civil Defense Courses for the University of Kentucky Extension program specializing in radiological defense courses.

"If Mr. Berry, who has vast experience and connections with potential trainers would be willing, I think it would be an excellent opportunity for our local agencies to benefit from his expertise," Burdette said.

The request by the County Attorney comes after the perceived threat at the City of Mt. Vernon's water plant at Renfro Valley on October 13.

That incident drew several people from many different agencies together and since that time the county attorney has been vocal in calling for training and security measure modifications related to all utilities and water supply systems in the county.

The personnel were there and it was a learning situation for everyone, but also, a situation that led us all to believe that we need training and information in the event something might actually occur," he said.

"I think that the county and city governments along with water agencies will be making changes necessitated by these times," he added.

Burdette told the court that he thought law enforcement personnel, fire fighters, 911 dispatchers, disaster and emergency services personnel, postal employees, water agency employees, local physicians and anyone else who may be called upon in the event of a biological or chemical crisis in the county.

Carloftis told Burdette that he would discuss the training with Berry.

Public Forum to be held

A public forum will be held at 7 p.m. on Monday, November 5, 2001 at City Hall in Mt. Vernon.

Brad Swartz, a representative from the Renaissance KY program will be in attendance.

He will make a presentation to Mayor Karen King, City Council, and community members, to introduce and familiarize everyone with the program. The public is encouraged to attend.

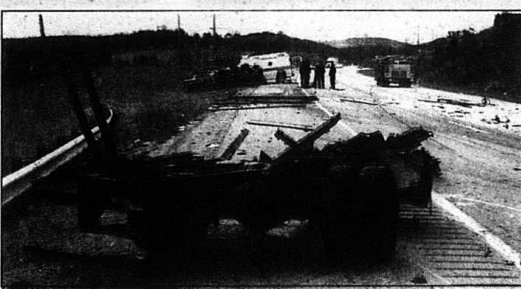

Volunteers from the community

Show Your Patriotism

Inside this week's newspaper you will find a copy of an American Flag, which is being sponsored by Citizens Bank of Mt. Vernon, Brodhead and McKee.

Proudly display the Flag to show your support for the U.S. Other flags can be picked up at either Citizen's Bank location.

Wreck Photos By: Richard Anderkin

State basically turns deaf ear on concerns about KY 461

The Kentucky Transportation Cabinet has basically turned a deaf ear on a request by Rockcastle County Judge-Executive Buzz Carloftis concerning three intersections along KY 461 in Mt. Vernon.

In August, the Judge asked the transportation cabinet to review the intersections at US 150, KY 1326 and US 25.

The Judge pointed the lack of lighting at 150 and the fact that motorists run upon the signal from both directions on 461, before they realize it's red.

The Judge told the transportation cabinet that the intersection at 1326 was dangerous because of no stop light and the four lanes of traffic that intersect there and that many young

drivers who go through there on a daily basis.

The Judge also told the cabinet that the intersection at McDonalds was dangerous because of the volume of traffic traveling toward the interstate, was usually going at a high rate of speed, which made it difficult to cross the southbound lane to turn onto US 25. The Judge said it was

also very dangerous because vehicles often backed up in the left turn lane, to the point that they were actually in one of the lanes of 461.

The transportation cabinet sent Carloftis a letter last week, saying that they found no reason to change

The Rockcastle County Conservation District and the Rockcastle County Fiscal Court began their second annual White Goods Collection drive on Monday. 1,701 large appliances, water heaters and air conditioners were collected on Monday and Tuesday. The drive will continue next Monday, but Sandy Whitaker with the Conservation District said there was only enough money to purchase 269 more appliances. The local district received a grant for \$7,500 and the fiscal court kicked in \$2,500 for a total of \$10,000. The collection of the appliances was done at Mt. Vernon Scrap Yard, who donated employee labor and space for the appliances. Above, Rockcastle Judge-Executive Buzz Carloftis talks with Johnny Purvis, Soil Conservationist with the Jackson County District.

Dell Ponder receives Everett C. Brown Memorial Award

This year's Everett C. Brown Memorial Award for outstanding community service in Rockcastle County has been awarded to Dell Ponder of Livingston.

The Rockcastle County Kiwanis Club presents the award annually to a person who has worked hard for the betterment of the county.

Mr. Ponder received the award during the club's weekly meeting last Thursday.

A Brief Biography

Dell Ponder was born and raised in Livingston. He did what most people did fifty years ago and left his hometown seeking work and a somewhat easier life for himself, his wife and two children.

He worked forty years for Tumer Electric in Ohio before retiring and heading back home to the life he loved.

Many changes had taken place during the forty years he was away.

Dell Ponder received the Everett C. Brown Award from Kiwanis member Gary Mink. Also in the photo is his wife, Gwen.

Points East

By: Ike Adams

Halloween is going to be old news by the time most of you read this. By now you have put your neat little baskets of candy and whatever other goodies out beside the front door and invited the little ghosts and goblins to take a modest helping or you have your left your porch light off and demonstrated that you are whatever Scrooge is supposed to be called on All Hallows Eve.

Some of you greeted all the costumed kids who showed up at the door wearing everything from brought-on little outfits depicting the Lion King, some princess or prince, witch or devil, John Wayne, Bill Hillary Clinton, Dubya Bush, or whomever whatever the discount stores were selling in the way of costumes that robbed Mama of a small fortune and made a hefty dent into what might, otherwise, have been a more liberal Christmas budget. You pulled out your cameras and snapped a few pics and revealed in the fact that you had done good deeds with Snickers and Reese's Cups and all sorts of other miniature candy bars.

Some of you even splurged on caramel apples, which stuck all the other stuff together like a tar baby and enabled you to unknowingly pull a fast trick after all.

A lot of kids won't get computers for Christmas this year because Mom got carried away and spent the money on an outfit that makes little Susie look just like Barney or Cinderella and little brother a mutant apparition that happened when those two mated.

Scary? You bet! Not the kids all dressed up but the fact that Mom got carried away with the outfits. And if you left your front porch light off and refused to participate in "Trick or Treat", not a single one of you got "tricked" because you were sitting on the edge of your chair with 911 already dialed in and your thumb was on the send button just in case you saw the slightest indication of misconduct. If your dog barked you called the law. But the Trick or Treaters left most of you alone however tight and inconsiderate of children you may be.

It was not that way when I was growing up.

In the first place, we didn't buy costumes on Blair Branch. Mom didn't have the money.

We'd take an old pair of panties or a tee shirt and cut it couple of eye slits and mouth hole after we'd fashioned them to fit over our heads. Then we'd steal some lipstick or

rouge from Mom or Sister to draw stuff over our facial features and if we couldn't do that, we'd use roofing tar. We'd make beards of corn silk that we got out of the crib or we'd use leaves and color them with liquid shoe polish and glue them onto the masks. We'd "borrow" throw pillows or use livestock feed sacks to bulk up and we fastened all this onto our bodies with hay-string or black tape we'd stolen from the powder shack at a local coal mine.

We did not aim at being the epitome of any particular goblin or television or political personality. It didn't matter what we looked like as long as we were not recognizable and presented a truly frightening appearance.

We never got much candy in our trick or treat bags, and what we did was usually homemade or of the loose hard stripped left-over-from-lasted-Christmas-type except for Arizona Adams who ran a little grocery store and always had a big nickel (75 cents these days and smaller) Zero or Zagnut or Three Musketeers bar for everybody who showed up at her door and more than once I've done a complete change of costume

just to go back to "Arznoy's" a second time. And I'm not the only guilty party.

Mostly we got apples, sweet potatoes and turnips and a heap of good will though.

I won't mention names, but there were folks who played the Scrooge.

More that once I have scurried around barns in the few hours of Halloween and scooped up steaming, fresh piles of cow manure and shoveled them into a brown paper bag at midnight. Since everybody had ample supplies of kerosene for lanterns in case the electric went out like it still does here on the RECC farm of Paint Lick every time a bull farts, we didn't need to look hard to complete the trick.

The trick consisted of filling up a brown paper, 12-quart poke with dressing of very fresh cow manure and dousing it with "lamp oil". We sneaked the bag of manure as close as we could get it to the front door and touched a match to it. Then we beat on the front door and ran like heck. The homeowner would come to the door and begin to stomp out the fire and surely you get the picture

Sweet and Sour

By Zi Graves

Morning Glory

This morning when I awoke my first thought was, God has blessed us with another beautiful day so, "rejoice and be glad this is the day the Lord has made."

Yep, I was quite happy upon waking to a morning filled with sunshine, and for the first time in several days I felt like getting out of bed, and without using the walker or cane, which has been my companion the past week, went about the business of getting dressed, put the coffee pot on, picked up the morning paper from the porch and prepared to sit back to enjoy watching the morning sun as it touched the trees on the distant hillside and helped them change their clothing into different shades of autumn colors. This is the scene I have enjoyed from my kitchen window

and have written so much about in the past. I am frequently told by friends when I mention a new problem or fret about an old one, "you have to take the bitter with the sweet", or "into each life some rain must fall". Or some other cliché spoken to let me know everyone had problems and the solution was, solve them yourself.

Last night I slept well but it must have rained and filled my cup to overflowing for depression quickly took the joy out of my heart when I raised the kitchen shade to look out the window at this familiar scene and saw in its place the red brick backside of the new bank building with a neat black fence taking the space where my turning place and driveway used to be, tempted me to throw a "tizzy" fit, better still, throw rocks at the lights

and gravel on what had been the city owned alley, and my exit to the next street. Reason took control when memory of the night lights being the cause of the shades being drawn, slowly seeped into my befuddled brain and I knew that wouldn't help. The lights and brick building would still be there and I would have another doctor bill to pay for depression or in this case hysteria, plus a possible night in jail for destruction of property. It just wasn't worth it, we old folks do get mixed up when things change too suddenly and our life has to adjust to another person's wishes and wants. Progress, development and destruction go hand in hand.

If any officials of the bank are interested in the problems I am having getting adjusted to the changes wrought on my life by the interference of what some like to call progress and development, but from my view point it is infringement on my rights as property owner, and

state, county and city taxpayer, they are welcome to come and see for themselves how the seven security lights on the back side of the bank, (which covers the space where the old apple orchard and lawn beneath, was the playground of squirrels and rabbits), are placed in such a way as to shine directly into each window of the house facing the bank. Now I don't mean reflecting into them, I mean, each big globe of light shines directly into each window with all the power a security lights has to protect a place afraid of the dark. This not only disturbs my sleep, the brightness of the area around the house is a handicap coming and going into the house or sitting on the back porch after nightfall. One of my small pleasures was sitting there watching the moon rise, and occasionally glimpse a twinkling star. I have been told I see beauty everywhere. I do, even in the fallen leaves covering the lawn with a carpet of mixed fall colors.

Funeral services were conducted Monday, October 29th at the Dowell and Martin Funeral Home Chapel (www.dowellmartin.com) by Bro. Bobby Owens. Burial was in the Sand Hill Cemetery.

Palbearers were: Charles Asbury, Tim Asbury, Harold Colinger, Jr., Bill Marion, Chris Stokes and Claude Stokes.

Fred Dobbs, Jr.

Fred V. Dobbs, Jr., 57, of Flat Gap Road, Berea, died Friday, October 26, 2001 at his home following a lengthy illness. He was born October 19, 1944 in Pulaski County, the son of the late Fred and Katherine Valentour Dobbs. He was a truck driver for Ennis Transportation in Ennis, Texas. He was a member of Conway Missionary Baptist Church, a member of Masonic Lodge and a

Card of Thanks

Bill Bryant

Words cannot begin to describe the heartfelt appreciation for all the support given during the illness and loss of Bill. The outpouring of love shown by the many friends, neighbors, and family members was wonderful. Thanks to everyone who helped in any way to make the difficult time a little easier. A special thanks to all for the food, flowers, money, cards, prayers, visits, and ones who took part in the service.

The family of Bill Bryant

PUBLIC FORUM

The Rockcastle County Local Planning Committee will conduct a PUBLIC FORUM on Thursday, November 8, 2001 at the Mt. Vernon Elementary School Library at 6:00 p.m. This meeting is an informal gathering to encourage local participation through community suggestions relative to future utilization of existing school facilities and construction of new school centers. These community suggestions or recommendations will be closely monitored by the Local Planning Committee in the development of a proposed Master Educational Facility Plan and District Facility Plan for Rockcastle County Schools.

The Family Room

By: Dr. Roy Don Whitehead

She Stays Because She "Loves" Him

"Love makes the world go round," the song says, but what is love? Many different kinds of feelings are called "love." It may be helpful to define love by what it is not rather than by what it is. Four stories about fictitious characters illustrate what love is not.

1. Janie has been with her husband for fifteen years. Their three children are all in school now, and she has gone back to work. "My marriage has always been difficult," she tells her counselor, "but lately I don't have enough patience to bear it."

The difficulty in Janie's marriage is that her husband has a girlfriend. George is pretty open about it: "I'll do what I want to do," he tells Janie. "Nobody is going to run my life for me."

Apparently this is not the first time George has been involved with another woman. "As far as I know, he's only had three other girlfriends since we have been married," Janie reports.

The counselor asks Janie, "Why do you stay with him?" And Janie says, "because I love him!"

2. "Why won't he stop drinking?" Marsha asks her counselor. "If he loved me, he would stop."

Marsha's twenty-five year marriage is not going well. Her husband Tom quit drinking two months ago, but now he has started again. "He's such a good man when he's sober," she says. "What am I doing wrong?"

Her counselor asks, "Why have you stayed with him for all these years?"

"Because I love him," Marsha replies.

3. Virginia missed two consecutive appointments with her counselor. The counselor called to see if

she were OK, and Virginia said she had been sick. They made another appointment for the next week.

Virginia is very subdued when she comes in for her appointment. The laughing, smiling Virginia has disappeared.

"Did he hit you again?" the counselor asks.

"No," Virginia answers, "he didn't hit me. He pushed me up against the wall... and shoved me down on the floor... and pulled me out the door by my hair."

In her tenth year of marriage, Virginia has been abused for the last five. The Department of Social Services has contacted her numerous times to see if she wants their help. She always declines.

"Why do you stay with him?" her counselor asks. "Because I love him," Virginia tells her.

4. "He never says nice things to me," Laura told me. "In fact, what he does say to me is sometimes unprintable. He calls me names, horrible names, and accuses me of going out with other men. I have never been unfaithful to him, but he won't believe me. He tells me that I am stupid and ugly and that no other man would ever have me. And he says all of these things in front of our children!"

According to Laura, all this had been going on for the last 15 years, becoming worse in the last five.

"Why do you stay with him, Laura?" I asked. "Because I love him," she told me.

[I am teaching a community seminar "You Can Beat Depression" on Monday, November 12, from 7:00 to 9:00 p.m. at the Center for Rural Development in Somerset. You are invited. Call 679-4134 or 1-877-PAS-TOR-8 to register. The cost is \$20.]

Fairview News

By Mrs. Hubert Chasteen

Hello to all this fine autumn day. Hope you are well and happy. I know it is very difficult to be happy when our country is in such a sad condition. But we must go on by trusting in the Lord to see us through. He is still in control and cares for his own. So let us all do more trusting and praying.

Rev. Albert E. Griffin delivered some wonderful and inspiring sermons at Fairview over the weekend. Sunday School attendance was 150 for which we are very thankful. I thank God many times for our little church and the love we have for one another. The world needs more LOVE.

Our community was saddened to hear of the death of Ernest L. Cope of Texas. His family especially his mother Mrs. Mary Cope of the Fairview community have our prayers. We love them all, they have been our friends for many years.

The homecoming held at the Fairview Baptist Church Sunday Oct. 21st was very successful and everyone had a very enjoyable time.

Visiting at the home of Mr. and Mrs. Buddy Gabbard and Mr. and Mrs. Gladys Rose recently were Mr. and Mrs. Dewey Thomas and Mrs. Norma Jean Tron of Murray, Ky. They also visited Mrs. Catherine Huff and Mr. and Mrs. Everett Thomas.

Cindy Roby, 19 year old granddaughter of Mrs. Myrtle (Reppert) Wilson of Berea is a patient in a Lexington hospital. She has been there for two weeks and we all in the Reppert family wish to thank everyone for your prayers. And please continue to pray for her and all friends everywhere.

Mrs. Dealie Barnett has returned home from a few days visiting with her daughter and husband Mr. and Mrs. Chuck Long of Independence. Others visiting the family on Sunday for meals and shopping were Mrs. Anna Belle Drew (Dealie's sister), and the son and wife of Mr. and Mrs. Scott Long.

Dorothy Lambert and Mary Lou Reynolds of Augusta, Ga. spent the past week with Dorothy's relatives

here. The Lambert family means alot to this community.

A speedy recovery is wished for all those who are ill, including Tip Reppert, Gladys Rose and Lucille Pender.

Mrs. Mary Cope had all her living children at her home except Alice on Saturday. Also her brother-in-law Sylvester Cope and wife of Berea.

All of our children visit us when possible. We love them all and are very proud of them and thank God for them.

Our fall revival at Fairview will begin Sunday night and will continue through Friday night, November 4-9. Evangelist is Bro. Kenny Felty, pastor of East Bernstadt Baptist Church.

Everyone is welcome. Hope to see you. We covet your prayers. Please attend church and Sunday School. Pray for one another, also our President and our country. God Bless You.

Fugate receives service medal

Fugate has been awarded the Military Outstanding Volunteer Service Medal for performing continued outstanding volunteer community service.

The medal was created to recognize exceptional community support over an extended period of time, instead of recognizing a single act or event.

Fugate is an intelligence officer/chief of reconnaissance assigned to Headquarters and Headquarters Company, 9th Engineer Battalion in Schweinfurt, Germany.

He is the son of Nathaniel and Anna L. Fugate of Mt. Vernon, Ky. His wife, LaGala, is the daughter of Judy Greer of Killen, Texas.

On September 4, 2001, the flag over the U.S. Capitol Building in Washington, DC was flown in honor of Joseph B. French, who served in the U.S. Navy during the Korean Conflict. Mr. French's father, Howard, also served in the Navy in WW II. PO2 John Mitchell, USN, was instrumental in having this honor bestowed on his father-in-law. The flag was mailed to Mr. French along with a certificate stating: "Your dedication and extreme loyalty was a great asset to our military service." Mr. French states he is very grateful for this honor and accepts it on behalf of all the men and women, who, in the past, the present and the future, have served to make our country free. Mr. French and his wife, Letha, are natives of Rockcastle County and currently live just outside of Mt. Vernon. Shown above congratulating Mr. French is Mr. Danny Ford, Kentucky State Representative.

Auction
of Cumberland Real Estate Investments LLC

**One of These
Brand New Houses**

Saturday, November 3rd at 10:30 a.m.

Valley Oak Section of Pulaski County

DIRECTIONS: From Somerset take Hwy. 80 East to Hwy. 461 and turn left. Follow Hwy. 461 approximately 3 miles to Valley Oaks Subdivision and turn right. From Mt. Vernon take Hwy. 461 to the property. Auction signs are posted.

The members of the Cumberland Real Estate Investments LLC have authorized our company to offer one of these well-constructed homes at absolute auction. The high bidder will have the opportunity of selecting the home of their choice.

This lovely ranch style home offers a large great room, kitchen, formal dining room, three bedrooms, two full baths, laundry, and an attached two-car garage. It has a deck, central heat and air, thermo pane windows, concrete drive, lots of storage and closet space, underground utilities, city water and much more. It is tastefully decorated to accommodate nearly anyone's color scheme. It is situated on a nice corner lot measuring approximately 125x150.

Style!! If that is what you are looking for in a home, this home is certainly one you will want to check out! Superior entry-way leading to a spacious family room, comfortable size kitchen with large combined dining area, master bedroom suite and two additional bedrooms, two full baths, and an attached two car garage plus lots of storage. It also has a deck, central heat and air, concrete drive, thermo pane windows, underground utilities, city water, and much more. It is situated on a lot measuring approximately 125x150.

This well built ranch style home has just been completed! It has a large living room, kitchen and dining combination, three bedrooms, two full baths, and an attached two car garage! It also has Berber carpeting, cherry stained cabinets, shingle roof, thermo pane windows, central heat and air, concrete drive, underground utilities, city water and much more. This home is situated on a nice restricted lot measuring approximately 124x150.

TERMS: 20% down the day of the auction with the balance in 30 days with delivery of the deed.

Pastor Appreciation Month

We the church would like to extend our thanks and appreciation for being a great, caring and wonderful pastor. Bro. Joe has been the pastor of New Hope Baptist Church for the past four years. Our members, families and all in our community want to say, we love you and Sister Sandy so much. Bro. Joe and Sister Sandy has been there in the death of a loved one, in sickness, in the hard times, in the sad times and in the happy times when a loved one gets saved. They have made so many visits to the hospital to visit and have prayer with a loved one. All anyone has to do is make a phone call and Bro. Joe will be there day or night. He has been to the funeral home and he always has a kind and comforting word for the family. He is a wonderful pastor and we will believe God sent Bro. Joe to New Hope to be our pastor. We have seen so many wonderful people give their life to God. We are so thankful for everyone of them. Just seeing a mother, father, sister or brother and just a precious grandchild getting saved is worth everything. We just want to thank God for sending Bro. Joe to us.

Bro. William Vanwinkle was our

assistant pastor, he passed away the 16th of October. He is gone home to be with Jesus and all the many loved ones that have gone home. Bro. William said that God had a purpose for Bro. Joe at New Hope and that was to see lost souls saved. Bro. William was a great man of God and he will be greatly missed by all that knew him. We all send our love to the family our prayers are with them.

Our pastor's wife is always by Bro. Joe's side. She always has a kind word and a hug for everyone. Sandy is so much help and support to her husband. We all love them so much not because he is our pastor, but because he is our friend also. Our prayer is that God will keep giving Bro. Joe the strength he needs to bring the good messages that he does. He will always be in our hearts and in our prayers. We hope he will be our pastor for years to come, but if not and he should go some place else he and Sandy will still be in our hearts. We love our pastor and Sandy so much, we know we can never say or do enough to show our appreciation to them.

We love you all so much,
New Hope Baptist Church

Pastoral Appreciation Celebration
Our Lady of Mt. Vernon Catholic Church
Father John Curtis and Father Al Fritch were honored Sunday, October 20 with an appreciation dinner by the members of the parish.

New School Immunization Requirements

by Melinda G. Rows, MD, MPH, MBA

In keeping with current recommendations by the Centers for Disease Control and Prevention, the American Academy of Pediatrics, and the American Academy of Family Physicians, Kentucky has revised the required immunization schedule for children to attend day care centers, preschool programs, and public and private schools for the 2001-02 school year.

Pursuant to Kentucky Administrative Regulation 902 KAR 2:060, changes are as follows:

Hepatitis B Vaccination - Three (3) doses of hepatitis B vaccine are required for:

- Any child born on or after 10/1/92.
- Any child entering the 6th grade.

Varicella (chickenpox) Vaccination - one (1) dose of varicella vaccine is required for:

- Any child at least 19 months of age up to 7 years of age, unless a parent, guardian, or physician states that the child has had chickenpox disease.

Measles, Mumps, Rubella Vaccination - Just a reminder that two doses of MMR are required for:

- Any child born on or after 10/1/90.
- Any child entering 6th through 12th grade, who does not already have this completed.

Tetanus-Diphtheria School Requirement

Due to the current severe shortage of adult tetanus-diphtheria (Td) vaccine, the school requirement for routine Td boosters during adolescence has been temporarily suspended. Therefore, provided the child has documentation of a complete baseline tetanus-diphtheria series, the school requirement for a routine 10-year Td booster (usually due between the ages of 14-16 years) should be deferred until 2002 when supplies of Td are expected to become more readily available. When this routine booster is deferred, a green provisional immunization certificate should be provided for the school record. Children who have been deferred MUST have the required booster not later than the first day of the 2002-2003 school year.

Supplies of Td vaccine should become more readily available early in 2002, and it is recommended that this

deferred dose be administered as soon as possible after vaccine becomes more available.

Pediatric formulations of diphtheria-tetanus (DT) and diphtheria-tetanus-acellular pertussis vaccine (DTaP) should not be used as a substitute for Td vaccine for persons aged 7 years or older.

During the shortage, the priorities that are indicated by the CDC for Td uses are as follows:

1. Persons who are traveling to a country where the risk of diphtheria is high;
2. Persons requiring tetanus vaccination for prophylaxis in wound management;
3. Persons who have received fewer than 3 doses of any vaccine containing Td;
4. Pregnant women who have not been vaccinated with Td during the preceding 10 years.

Other requirements - Children attending day care or school programs, who are 49 months of age and less than 5 years of age must have a booster of diphtheria-tetanus-pertussis (DTaP), polio (IPV), the second dose of measles-mumps-rubella (MMR) on or after the 4th birthday. This means that children already enrolled in day care, school programs, or any other licensed child care setting MUST get these boosters when they turn four years of age in order to remain in the program.

While not yet required by Kentucky for entrance into school or day care, the Advisory Committee on Immunization Practices has recommended that the conjugate pneumococcal vaccine (Prevnar) become part of the routine immunization schedule for newborns and that it also be given on a catch-up basis to children under age two.

If the first dose is given between 2-6 months of age, three doses are required 2 months apart and the fourth dose at 12-15 months of age. If the first dose is given between 7-11 months of age, two doses are required at least two months apart and a booster dose at 12-15

months of age. If the first dose is given between 12-23 months of age, two doses are required at least 8 weeks apart. If the first dose is given between 24-59 months of age no other doses are necessary.

The vaccine is now covered under the Vaccines for Children Program and is also covered by most insurance carriers. If you have any questions about the new vaccine requirement, please phone the Rockcastle Co. Health Center at 606-256-2242.

Early Breast Cancer Detection

The Rockcastle Co. Health Department has the ability to instruct in a method of Breast Self Examination called MammaCare. MammaCare training arms women with skills to find potentially cancerous tumors, early, before they spread and become deadly.

For years people believed that it was possible to learn the skill of breast examination by reading pamphlets or watching videos. Because breast examination is a tactile skill learning to do it well also requires special training involving the sense of touch.

The MammaCare Method of Breast Examination is highly effective because MammaCare's tactually accurate breast models teach fingers what to feel for.

Just how effective is MammaCare? The chart below shows comparative sizes of lumps found by people with various levels of training. These findings are derived directly from a number of published medical studies and are referenced on the reverse side of the MammaCare Lump Charts.

The average size lump found by accident by women untrained in BSE is 3.6 cm (about the size of a ping pong ball).	
The average size lump found by women occasionally practicing conventional BSE is 2.5 cm.	
The average size lump found by women regularly practicing convention BSE is 2.0 cm.	
The suggested standard for clinical breast examination is 1.0 cm.	
The size routinely found by clinicians or women practicing MammaCare is 0.5 cm.	
The probable lower limit of lump size detectable by clinicians or women practicing MammaCare expertly is 0.3 cm.	

In order to achieve these levels of sensitivity, our fingers must learn the feel of normal nodular breast texture and of any changes such as lumps or tissues thickening that might require attention. MammaCare accomplishes this with the aid of a model that is so lifelike it has been used to calibrate mammography machines!

After receiving MammaCare training and practicing your tactile skills on the MammaCare breast model, you will be able to perform a thorough and proficient breast examination. Unless you have been trained with this model and had the opportunity to practice on it, you have not learned MammaCare and you will not be as skilled as you could be.

For more information regarding the MammaCare Method of Breast Self Examination, please contact Diana Napier at the Rockcastle Co. Health Dept. at 256-2242.

Vietnam Veteran Affairs Chapter being formed

The V.V.A. was founded in 1978, and the Congressional Charter was granted in 1986, it consists of a national board of directors, 43 state councils, 525 local chapters, and over 50,000 individual members. The V.V.A. is a non-profit organization relying on public support and contributions.

The V.V.A. strives for individual and group empowerment and locally originated action to assist Veterans and other needy members of their community.

V.V.A.'s forming principle is "Never again shall one generation of Veterans Abandon another."

V.V.A.'s goals are to promote and support the full range of issues important to Vietnam Veterans and to create a new identity for this generation of Veterans, and to change the public perception of the Vietnam Veteran.

The V.V.A. newspaper is mailed to all V.V.A. members, it keeps members informed on all current issues concerning the Vietnam Veteran.

Self help guides on issues such as agent orange and post traumatic stress

disorder and discharge upgrading are available upon requesting them.

Anyone interested in becoming a member needs to meet these requirements, Vietnam Veterans, who served in Vietnam or off the waters of Vietnam from May 1959 to August 5, 1964, or Vietnam era Veterans who served from August 5, 1964 to May 1975.

A local V.V.A. Chapter would have a state certified Ky. Department

CAP executes restructuring

The Christian Appalachian Project, one of Kentucky's largest charities, serving the needs of over one million people through in-kind donation, crisis intervention and education for over forty years, has found

it necessary to outline a restructuring of the organization.

A number of factors have prompted the recent reorganization including, the down turn in the nation's already soft economy, the

tragic events of September 11 and the bulk of charitable dollars generated to philanthropies addressing that immediate national crisis.

In careful consideration, CAP has developed a goal of approximately a 20% reduction in workforce and expenditures. These percentages will be accomplished by an immediate freeze on new hires, enacting early retirement, voluntary reduction in work hours and employee layoffs.

"This is a very difficult and painful time for our country and now for Christian Appalachian Project as it evaluates the measures necessary to continue operation, and in how this restructuring affects people that are among the 'CAP Family'," stated Michael Sanders, President and C.E.O. of the Christian Appalachian Project.

The Mt. Vernon Signal Thursday, November 1, 2001 Pg. A7

CAP's Human Resources Department will be working with staff in order to ensure everything is handled smoothly and provide a good transition to those effected.

In an effort to practice good stewardship and accountability of the organization and the resources entrusted, CAP will execute these goals. It is the hope and prayers of all of CAP, that the action taken by management will ensure the continued service to the people of Appalachia and developing solutions to combat poverty.

P.J. Rowe, Tanner Abney and James Michael Bussell close in on a Bell County runner. The Rockets will host Greenup County in the first round of the playoffs on Friday night.

Rocket head coach Tom Larkey and assistants Tony Saylor and Chris Larkey discuss strategy during the Rockets win at Bell County on Friday night. The Rockets won 34-2.

Final Junior Pro Sign-Ups and Evaluation Drafts

The final sign-up time for the 2001-02 Junior Pro season will be Saturday, November 3rd at the Mt. Vernon Elementary School from 9 a.m. to 12 p.m.

The age groups for Jr. Pro are as follows: Junior Varsity League - 10, 11 and some 12 year olds; Training League - 8, 9 and some 10 year olds; Instructional League - 6, 7 and some 8 year olds.

The age cut-off is September 1, 2001. A player must play in the older age division at 8, 10 or 12 if their birthday is before September 1st. If their birthday is after September 1st, they default into the younger age group. For example, if a child turns 10 years old on September 4th, he/she would play in the Training League; by the same token, if their birthday were on August 4th, they would play in the JV League.

Bell County falls at home 34-2 Rockets achieve perfect mark again

The Rockcastle County Rockets ended with a perfect 10 and 0 regular season record after a 34-2 win over the Bell County Bobcats on Friday night.

It was the first time any Tom Larkey coached team had traveled to Bell County and came away with a victory over the Bobcats, who have a state title to their credit.

The win gave Rockcastle their second straight undefeated regular season and second straight district title.

The Rockets' high octane offense got off to a little bit of a slow start, with a couple of motion penalties and incomplete passes, but picked it up near the end of the first quarter.

The Rocket scoring went as follows:

Marty Reagan on a 28 yard run in the first period.

Aaron Anderkin on a one yard run in the second.

In the third period Anderkin hit Devin Taylor on a 34 yard pass and Josh Hale had a spectacular 51 yard punt return for a touchdown.

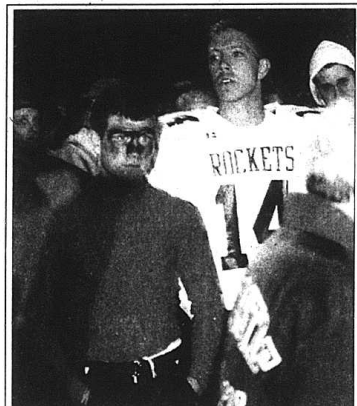

played well defensively with nine tackles and assists. He was also in on one sack.

Steve Blair was in on two sacks and had four assists.

Adam Chiles had one sack and three tackles and assists.

Jason Leger had three tackles and assists, Tanner Abney had five, Reagan, five, Dowley, six, Hale, six Josh Taylor, one, Michael Hayes, one and Nathan Brummet, one.

The Rocket's face Greenup County, a team who is five and five

Devin Taylor, left, caught one touchdown pass and another one for 37 yards, besides keeping Bell County backed up on his punts. One punt, after a safety, covered 75 yards. Aaron Anderkin, right, threw one touchdown and scored another on the ground. All total the junior accounted for 217 yards of offense.

ROCK vs. Bell County

By: Preston Parrett
 The Rock took off to log mountain To meet the Bobcats in their lair, With the district championship of 2001 Hanging in the air.

Two veteran coaches would meet up Dudley Hilton of the Hilton Hotel, And Tom Larkey of the Hardrock Cafe Would try to kick each other's tail.

These coaches were very crafty And their coaching was slick, As they'd reach in their bag And pull out a new trick.

A large Rock contingent was on hand To see the district big boys go head to head, Early on they saw a defensive battle Before the Rock put the Bobcats to bed.

Marty Reagan opened up the running game With a twenty-eight yard run, As the Bobcats fell behind And were under the gun.

Aaron Anderkin had a thirty-three yard gain Then he ran it across the line

And the Rock fans, coaches and team Were really feeling fine.

The halftime score was thirteen to zero And the Rock Posse defense was great, As they shut down the Bobcat offense And that's why Coach Saylor's defense is best in the state.

In the third Big "A" passed to Devin Taylor And the Bobcat defense they did harm, Then Josh Hale gathered in a punt And took it forty-five yards on the return.

In the fourth the Bobcats got a safety, And the score was twenty-seven to two, But Marty sealed their fate with one yard run And the Bobcats championship hopes went askew.

It was a great game for the Rock And the coaches had a great battle plan, As they rolled to victory on log mountain And came home with the championship in hand.

Reagan finished the scoring with a one yard run in the fourth, which was set up by a 37 yard pass from Anderkin to Taylor.

Bell County's only score came on a safety, after a Bobcat punt was downed at the one foot line.

Offensively the Rockets had a total of 305 yards, while their defense gave up 129, the most in any game this season.

Anderkin was bright for 18 passing for 157 yards and one touchdown. He also threw one interception.

The quarterback also rushed eight times for 61 yards.

Reagan had 10 carries for 72 yards and he caught two passes for 26 yards.

Clay Dooley had eleven yards on five carries and he caught one pass for 15 yards.

Devin Taylor had 71 yards on two catches and Cozy Reams had eleven yards on one catch.

Jays Strietzel was two for three in extra point kicks and Reagan scored on a two point conversion.

Defensive coach Tony Saylor said his unit did not tackle well on Friday night and that they have been working very hard this week to improve on that part of the game.

on the season, but a team Saylor says is the best the Rockets have faced all season long.

"They have a complicated offense and got off to a slow start, but I think they are 28 points better than Bell County," the defensive coach said.

Greenup County was tied with Lawrence County at the end of the third period and they play all juniors and seniors.

"We've got our work cut out for us and we play defense like we did at times last week, we will get beat," Saylor said.

Offensively the Rockets will change very little, according to coach Larkey.

"Some kids will see more playing time on offense than they have in the past and we have been working on some different things, but basically things will stay the same."

Larkey shared the same sentiments as Saylor, "Greenup has a good team and we must be ready to play, especially our offensive line, or we will get beat... we must have to put up a lot of points to win this one," he said.

The Rockets are fairly healthy with only a few bumps and bruises and will have the home field advantage throughout the regional playoffs.

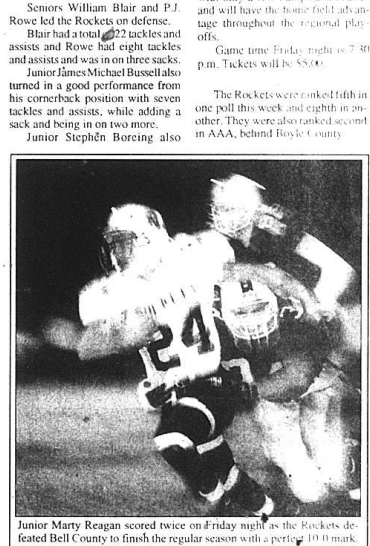

Game time Friday night is 7:30 p.m. Tickets will be \$5.00.

Seniors William Blair and P.J. Rowe led the Rockets on defense.

Blair had a total of 22 tackles and assists and Rowe had eight tackles and assists and was in on three sacks.

Junior James Michael Bussell also turned in a good performance from his cornerback position with seven tackles and assists, while adding a sack and being in on two more.

Junior Stephen Boring also

Junior Marty Reagan scored twice on Friday night as the Rockets defeated Bell County to finish the regular season with a perfect 10-0 mark.

Rockets Repeat as Champions

The RCMS 7th & 8th grade football teams finished their season Thursday night as undefeated conference champions. The 7th grade defeated South Laurel to finish 10-0 and record their seventh consecutive conference championships. The 8th grade finished with a 10-0 record by defeating Wayne County. The win Thursday marked the first time in conference play that a team has successfully repeated as 8th Grade Champions. Members of the squads are pictured above, front row from left: Zach Hale, Derrick Baker, Robert Crawford, Neshay Helton, Mikey Denny, Kenny Bartlett, Charles Cunnam, Kenny Gadd, and Brad Saylor. Second row from left: Chris Winkler, Charles Lovell, Brandon Collins, Dustin Albright, Bucky Skinner, James Howard, Matt Burkhart, Justin Albright, Cozy Lester, and Larry Lawson. Third row from left: Robbie Carasello, Adam Mink, Lynn Miracle, Martin Abney, Jarrod Brown, Chris Rouden, Travis Smith, Matt Stamper, Billy Hines, David Robbins, and Chris Harding. Fourth row from left: Justin Dobbs, Matt Wilder, Josh Garrison, Gus Sealf, Chris Decker, Brian Robinson, Izak McQueary, Shawn Childress, Chris Hurst, Josh Hancock, Chandler Hunter, and Josh Nanton. Back row from left: Cory Miller, Paul Payne, head coach Scott Parkey, coach Josh Martin, coach Brandon Hargs, coach Lee Earl Adams and student assistant coach Anthony Cook.

The Racing Reporter

By Gerald Hodges Back-to-Back Phoenix wins for Jeff Burton

Jeff Burton, driver of the No. 99 Roush Racing Ford, got by Mike Wallace on the outside during lap 279 of the 312 lap Checker 500K at Phoenix International Raceway for his second Winston Cup victory of the season.

Burton was also the winner of last year's Phoenix race. "We kept working on our car and made it a lot better than when we started," said Burton. "We're just a microcosm of what America is all about."

The win by Burton on Sunday gave Roush Racing its third win in three days. The big story of the race was tires, and Burton managed to avoid right front tire problems that plagued 10 different drivers.

"We used the recommended tire pressure, so we were less likely to have those kind of problems," said Burton's crew chief Frank Stoddard.

Mike Wallace, who replaced Jeremy Mayfield in the No. 12 Mobil 1 Ford four weeks ago, had a career high second-place finish.

"Man, it was pretty big for us," he said. "Jeff (Burton) actually had a faster car, so we're happy to bring home a second."

Ricky Rudd, the third-place finisher gained a few points on points leader Jeff Gordon, but he still trails Gordon by 380 points with only four races left. Casey Atwood, who started from the pole in a Dodge finished 14th.

"We had a great car," he said. "I guess we ran over something. There wasn't anything wrong with the tire. I guess I ran over something because I felt it go down all the way down the back straightaway. I got into three and it came all the way apart. Luckily I didn't get into the wall. I was able to get in the pits and not go too far behind. We were able to make up the lap. At the end, there just wasn't enough time."

"When you're up front all day, you can kind of relax and you don't have to drive your butt off all day. I drove really hard there after I had the right front go down to make as many spots up as I could, but it felt like a pretty short race."

Finishing order: 1. Jeff Burton, 2. Mike Wallace, 3. Ricky Rudd, 4. Matt Kenseth, 5. Tony Stewart, 6. Jeff Gordon, 7. Robby Gordon, 8. Ricky Craven, 9. Dale Jarrett, 10. Johnny Benson, 11. Kenny Wallace, 12. Bobby Labonte, 13. Ward Burton, 14. Casey Atwood, 15. Rusty Wallace, 16. Buckshot Jones, 17. Kevin Harvick, 18. Ken Schrader, 19. Mark Martin, 20. Terry Labonte, 21. Stacy

Compton, 22. Kurt Busch, 23. Michael Waltrip, 24. Jerry Nadeau, 25. Rick Mast, 26. Brett Bodine, 27. Bill Elliott, 28. Dave Blaney, 29. Todd Bodine, 30. Ron Hornaday, 31. Jimmy Spencer, 32. Kevin Lepage, 33. Elliott Sadler, 34. Sterling Marlin, 35. Joe Nemechek, 36. Bobby Hamilton Jr., 37. Dale Earnhardt Jr., 38. Bobby Hamilton Jr., 39. John Andretti, 40. Ryan Newman, 41. Jason Leffler, 42. Robert Pressley, 43. Kyle Petty

Top-10 Winston Cup points leaders after 32 of 36 events: 1. J. Gordon 4662, 2. Rudd 4282, 3. Stewart 4198, 4. Jarrett 4136, 5. Marlin 4101, 6. R. Wallace 4027, 7. Earnhardt Jr. 3977, 8. B. Labonte 3928, 9. Harvick 3918, 10. J. Burton 3874.

Earnhardt's No. 3 has uncertain future

It might be a longtime before the No. 3 is placed on the side of another Winston Cup car.

But Dale Earnhardt Jr. will race a No. 3 car in two Busch Series events next year. Richard Childress, owner of Earnhardt Sr.'s car will field the No. 3 Busch car in Daytona, FL and Concord, NC.

When asked when he planned to have another No. 3 Winston Cup car on the track, Childress replied, "I don't see a No. 3 running for Richard Childress Racing unless there is

an Earnhardt driving it." That doesn't appear likely in the future because Dale Jr. is an integral part of Dale Earnhardt Inc. that fields three Winston Cup cars, Nos. 1, 8, and 15. His brother Kerry, currently drives in the ARCA Series.

Sunday, Nov. 4: Winston Cup Pop Secret Microwave Popcorn 400, event 33 of 36 events. Starting time: 12:30 p.m. (EST). TV: TNT. Distance: 393 laps/400 miles; Size: 1.017-mile oval; Banking in turns 1-2: 22 degrees, turns 3-4: 25 degrees; Banking on straights: 8 degrees; Length of frontstretch: 1,300 feet, backstretch: 1,367 feet; Grandstand capacity: 61,000. Defending champion: Dale Jarrett, Ford.

"Ike"

(Cont. from A-2)

ture—Stomp a bag of cow poop hard enough and you can ruin the siding on the front of your house and the wax-job on both vehicles parked out front.

Before the night was over we greased the doorknobs and broke off wisps of locust or willow limbs in the keyholes of Blair Branch Grade School.

More than once school was called off on Blair Branch the day after Halloween because the teachers could open the doors. We turned the Merry Go Round upside down on its spindle, an effort that required the strength of several stout boys because it weighed five or six hundred pounds.

In the wee hours, we felled sys-

camore, willow and poplar trees across the road with crosscut saws because we could use them almost without noise, but the miners, who worked the night shifts, carried gasoline chain saws with them so they could saw their way back home at 4 or 5 the next morning.

Come daylight on November 1 the "Holiday" was over and normally nobody was really peeved unless some "real" damage had been done such as dropping a stick of dynamite down in a toilet hole (outhouse) instead of simply turning the facility on its side or upside down.

Sometimes, around three in the morning, there would be a huge bomb-like shake and the whole holler would shak and you could guess whose outhouse was in splinters and scattered for half a mile but we won't name names because we are not sure

about the statutes of limitations on these things and we certainly recommend that you do not try such shenanigans this day in time unless want to spend a lot of time in prison.

Besides that, it's a whole lot harder to steal dynamite from the coal mines now than it use to be. Most of us thought Halloween was great fun and the pranks were expected. Unfortunately most of us do not have outdoor toilets this day and time so the humor is a bit more difficult to appreciate than it was in 1961.

The moral of this story is that you should stock up on lots of chocolate covered goodies come Halloween next year and if trick-or-treaters dressed in stocking or silk panty masks come knocking at your door, you should roll out the barrel and give them anything they want including all your candy bars. They may be from Blair Branch and I may be among them. I wonder if Dubya would fall for it. I already know his dog don't bite.

disappointment of not being able to see the familiar hills dressed in their fancy fall clothes while I am having coffee and catching up on world news this morning sent me to the word processor to vent my feelings about the intrusion into my world of enjoying beauty by those who enjoy brick buildings, parking lots and concrete driveways more. Now of this is

what those well meaning folks are talking about when they tell me to be patient, for into each life some rain must fall, and you have to take the bitter with the sweet, I will happily walk in the rain, and use bitter chocolate for candy if only I can once again live in the little house beside the road where I can watch the season change and feed a squirrel out of my hand while sitting on the porch. The beauty is still there and God is still on his throne. See and you shall find both. Our country, our world, our friends and enemies, need the prayers of all believers in the Higher Power, please join us as we do so.

Hurley at Renfro Valley

Renfro Valley Entertainment Center welcomes back one of the most popular entertainers during the year when "America's Funniest Professor", Carl Hurley takes the stage at Renfro Valley, Thursday, Friday and Saturday.

Already recognized as an honorary member of the Renfro Valley Entertainment Barn Dance family, Hurley will perform at 7:00 p.m. on each night in the Renfro Valley. This will be Hurley's eighth straight year to join his friends in the Valley.

Dale Ann Bradley and Coco Creek will open for Hurley. Hurley always requests Bradley to open his shows. The Society for Preservation of Bluegrass Music Association

awarded Bradley the "Traditional FemaleVocalist" for 2001.

Tickets are \$14 and \$16 plus tax and handling. For reservations and information, call 800-765-7464 or 606-256-2538.

Part of a family of natural born storytellers from the rural community of East Bernstadt, Ky., Hurley combines his innate skills as a yarn spinner with the expressiveness of a great comic actor. Hurley spreads an infectious form of fun that is often outrageous yet always good natured and clean.

Hurley's unique comedy style, coupled with a background in public education is what earned him the title of "America's Funniest Professor".

Bryant attends church relations meeting

The Cumberland College Church Relations Board recently held their annual meeting on September 17th and 18th at the Cumberland Inn in Williamsburg, Ky. The Church Relations Board is made up of pastors and church leaders from seven states throughout the region. The members of the board aid in keeping their churches and other churches in their area involved with Cumberland College. Members encourage students to attend Cumberland by providing "College Awareness Days" and by

encouraging them to visit the campus.

The Cumberland College Church Relations Board meets on the third Monday and Tuesday of September each year. Among the members in attendance this year was Michael W. Bryant, Sr. Michael is the Senior Pastor of Faith Harvest Fellowship Church in Mt. Vernon. For more information about the Church Relations Board at Cumberland College, contact Wes Roy, Director of new clinical laboratory science programs and to monitor the salaries and vacancy rates in the profession.

Livingston High School graduate

Castleberry receives Achievement Award

Barbara Marshall Castleberry, PhD (ASCP) received the American Society of Clinical Pathologist's (ASCP) 2001 Associate Member Lifetime Achievement Award at the ASCP/CAP Annual Meeting in Philadelphia, Pa. on October 19, 2001.

The Associate Member Lifetime Achievement Award honors an ASCP Associate member who has demonstrated a commitment to the profession through work, attitude and society activities.

Dr. Castleberry, was honored for her outstanding commitment to laboratory medicine through long-standing contributions to the advancement of the profession.

After graduation from the Livingston High School Dr. Castleberry received her Bachelor of Science in Medical Technology from Cumberland College, her Master of Science in Clinical Pathology from Ohio State University and her PhD in Higher Education at the University of North Texas. She was certified by the ASCP in 1967.

That year, she began work as medical technologist at Tampa General Hospital. In 1970 she became an Education Coordinator for the School of Medical Technology at Parkland Memorial Hospital in Dallas, TX. She moved up the ranks as clinical instructor, assistant professor, acting chairman and chairman in the Department of Medical Technology, School of Allied Health Sciences, University of Texas Health Science Center in Dallas.

She served on the ASCP Board of Registry's Board of Governors as its chair before she became ASCP vice president of the Board of Registry in

1981. She held this position until her retirement in April of 1999. During those 18 years the Board certified more than 175,000 laboratory technicians, technologists and specialists. She is credited with establishing the Biannual Wage and Vacancy Survey and Survey of Clinical Laboratory Science Programs. Both of these publications monitor trends in the profession and are used by managers, educators and practitioners. These two surveys provide the data to start new clinical laboratory science programs and to monitor the salaries and vacancy rates in the profession.

Some examples of other initiatives begun during Dr. Castleberry's tenure include certifications in areas such as management, virology, phlebotomy; consensus educator conferences; research on the value of certified laboratorians in producing quality laboratory results published in journals such as the Journal of the American Medical Association; consultant to the ASCP government Relations Committee; competency assessment software development; the technical consultant directory; and the growth of the ASCP Associate Member Section.

Under her direction, the BOR implemented Computer Adaptive Testing (CAT). The exams are now more convenient, more concise and have a dramatically shorter grading period. The exams are the benchmark of the clinical laboratory certification exams.

Following her retirement, Dr. Castleberry returned to Kentucky. She lives with her husband Bryan and her mother Cassie Marshall near Climax. She is a substitute teacher for the Rockcastle County School System.

"Deaf Ear"

(Cont. from front)

anything at the Old Broadhead/Mt. Vernon Road intersection or at the intersection at McDonalds.

They did say they would put up additional lighting at the intersection at 150 and 4th and place more signs to alert motorists of the upcoming light.

"I wasn't pleased with their findings," Carlotis said.

Hwy. 461 around Mt. Vernon has become the county's deadliest stretch of roadway, since its construction.

"Forum"

(Cont. from front)

are needed for this program to be successful. Input and community cooperation are a necessity for this program to be successful. The main goal of Renaissance KY is to beautify Main Street in Mt. Vernon, thus improving our community.

There are three levels to achieve. Bronze, Silver and Gold. Rockcastle County is at the Bronze level and have already received \$5,000 from state funding. We are currently trying to achieve Silver level, and intend to finally achieve Gold level.

"The higher level we achieve, the larger the amount of money that becomes available," King said.

The program was started by Governor Paul E. Patton, to provide statewide funding to cities to make improvements and beautify Kentucky communities. King is encouraging all citizens to attend. "All input and cooperation from the public will be beneficial and appreciated," she said.

Groups typically represented in

successful local downtown revitalization programs include merchants, property owners, Chamber of Commerce, financial institutions, civic clubs, historic societies, schools, media, city and county government, historic preservation organizations and community members.

Any questions about the program should be directed to Phyllis Deatherage at city hall, (606) 256-3437.

"Ponder"

(Cont. from front)

The school where he got his education and played basketball was closed and the vandals had made a mess. Many friends had moved away and not returned. Some Main Street busi-

nesses had long ago closed their doors and gave in to the inevitable. Yet he had come home with his memories intact and he chose not to give in but to become involved and help make a difference in his community.

Mr. Ponder became involved as a volunteer and vice-president of the Rockcastle Water Association and was instrumental in getting the much needed water system extended to Red Hill-Sand Springs-Pongo-Buffalo and Sand Hill areas. He worked with others countless hours knocking on doors and obtaining easements from property owners. His dedication to this project was clearly a component to its success.

Mr. Ponder's involvement in his community is never more evident

than the annual Livingston Homecoming. He has worked several years as the chairperson of the Homecoming Committee. This is not a small effort on his part and has been met with great success each year as many people enjoy coming back to their hometown and visiting again with friends.

He is a member of the Livingston Lions Club and is involved with anything and everything where he thinks he can make a difference.

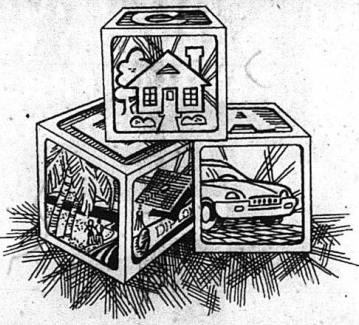

The Everett C. Brown Award was established years ago by the family of Everett C. Brown, a resident of Rockcastle County for years.

The Brown family wanted the award presented annually to someone in Rockcastle County who has shown outstanding community service.

Two Hazard women were seriously injured Thursday morning when the Toyota truck they were riding in flipped several times on Interstate 75, throwing both women from the vehicle. April Hipster, 21 and Glenna Baker, 46, were taken to the Rockcastle Hospital for treatment and Baker was later flown to the University of Kentucky Medical Center.

TOTAL LOAN SOLUTIONS TO HELP YOU BUILD YOUR LIFE.

Talk with us today to put our prompt loan service and attractive interest rates to work in your life!

Now is the time to put low interest rates to work with Citizens Bank. Perhaps it's time to remodel your home or to purchase a car. Maybe the day has arrived to take the family on a dream vacation, or to educate a child.

Begley-Hofmann

Ms. Barbara Begley, of Mt. Vernon, would like to announce the marriage of her daughter, Lisa Begley to Timothy Hofmann. Timothy is the son of Mr. Edward Hofmann of Middle Grove, New York. The couple were joined in marriage on October 20th, at Brush Creek Holiness Church by Rev. Olen McGuire. The couple would like to thank all family and friends who joined them for this happy occasion.

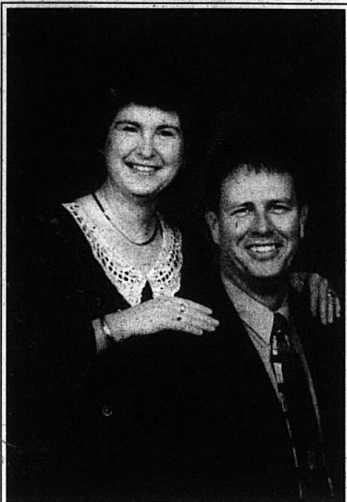

Miss Kentucky Celebration 2001

Miss Cassie Sowder, a senior at Rockcastle County High School, was recently selected for the Miss Kentucky Celebration 2001 at Harrodsburg, Sept. 11-15. The Kentucky Celebration is the championship horse show for Tennessee Walking Horses for the State of Kentucky. Contestants for Miss Kentucky Celebration are voted on by members of the Kentucky Walking Horse Association from across the state.

Cassie has actively competed in juvenile amateur walking horse classes for the past six years, most recently winning several blue ribbons on her current mount "Coin's Lady Lee." Cassie has also worked and shown other Tennessee Walking Horses from King Stables, of Crab Orchard, where her horse is stabled.

Cassie is the daughter of Bill Sowder and Terri Sowder of Mt. Vernon and the granddaughter of Ed Sowder, Jr. and Bettie Sowder of Mt. Vernon and Ralph and Terri Whits of Somerset. Cassie plans to attend UK after graduation, majoring in Physical Therapy.

Second Section Thursday, November 1, 2001

25th Wedding Anniversary

Darin and Danette Harris would like to announce the 25th Wedding Anniversary of their parents, Dennis and Darlene Harris. They will be celebrating with a renewal of vows ceremony on November 10th at Ottawa Baptist Church at 6:30 p.m. All friends and relatives are invited to help them celebrate this special occasion.

Forestry Field Day

By Tom Mills
Co. Ext. Agent for Agriculture

Local land owners are invited to a multi-county Forestry Field Day to be held Thursday, November 8, at 2:00 pm in Pineville. The field day will highlight log grading, sawing methods, and lumber grading as well as timber harvesting equipment.

Stacy White, Bell County Extension Agent for Agriculture is heading up the field day. Stacy has over 10 years experience working with loggers in southeastern Kentucky and knows the daily task in harvesting timber. His contacts with area equipment dealers will assure local loggers an opportunity to see a variety of timber harvesting equipment.

The land owner planning to harvest timber in the next 3-5 years will also find this field day useful. Determining the timber quality as well as pricing are important factors in getting timber marketed. For complete directions to the Forestry Field Day site, contact Tom Mills at 256-2403.

Houseplants and Clean Air

By: Hazel Jackson
County Extension Agent for Family and Consumer Sciences

Since most of us spend a great deal of time in our homes, especially during the winter months, making sure we have healthy air is important. Live plants can and do promote clean air. The lush green jungles and rain forests are an important source of our planetary fresh air. Wouldn't it be great to forget about those household poisons that create our scratchy eyes, sinus congestion, sore throat, headache and fatigue?

Growing plants indoors can give you the same benefit as opening your windows. Plants actually "purify and revitalize" the air we breathe.

Our personal breathing zone is 6 to 8 cubic feet. Plants placed with this area add humidity and remove toxins from the air. For the greatest benefit, arrange five or more medium-sized plants in each area where you spend a great deal of time (bedroom, den, etc.).

Persons who suffer from asthma or allergies from mold and mildew are frequently warned to avoid having plants in the house. However, to get the clean air benefit, and eliminate the problems associated with asthma and allergies, cover the soil in the pots with 1-2 inches of aquarium gravel. This will keep the surface of the plant dry. In addition, do not allow water to stand in saucers.

Some examples of house plant air cleaners are: lady palm, English ivy, corn plant, Warneckei dracaena, mother-in-law tongue, rubber plant, peace lily, pothos, schefflera, spider plant.

For more information on indoor plants, contact the Extension Office at 256-2403.

Extension Office News

Holiday Idea

Join in a free Holiday Idea Sharing on November 1, 6:30 p.m. at the Extension Office. Bring a sample and instructions to share with others. Copies will be shared at the class. Call 256-2403 for details.

Announcements day of sale take precedence over printed matter.

Harold Bustle - Auctioneer
Jeff Cromer - Apprentice Auctioneer

NOTICE Rockcastle County Schools Plan For Inclement Weather School Closings Early Dismissal

Every effort will be made to keep parents and concerned citizens informed as to school closings, early dismissals and possibly a delay plan.

The number one concern is the safety of students. After an extensive evaluation of road conditions in the county, taking into consideration all roads, a decision will be made in regard to closing school.

School closings will be announced on radio stations and three television stations. They are as follows: Radio - WRVK (AM 1460), WVLC (FM 93), WBUL (FM 98.1), WMXL (FM 94.5), WLAP (630 AM), WRSL (FM 96.3), WLKT (FM 104.5) WKQQ (FM 100.1). Television - WKYT (Channel 27), WLEX (Channel 18), WTVO (Channel 36). If possible, the closing will be announced the evening before the closing date. If a determination cannot be made the day prior to the closing date, every possible effort will be made to reach a decision by 6:00 a.m. The announcement will be made no later than 6:30 a.m. This will be conducted the same for the delay plan, if it is concluded the delay plan would be the appropriate plan of action.

If the delay plan is used, breakfast will be served upon the arrival of students at school.

Early dismissal of school due to inclement weather will be announced on WRVK. Roads will be closely monitored as school is in session to determine if there is a need for early dismissal. If the need for early dismissal does occur, parents should make arrangements to meet children as they arrive safely.

Parents and students should not call any radio or television stations to inquire about school closings. This could delay the information distribution to the necessary channel by tying up the phone lines.

Rockcastle County School System Delay Plan

Occasionally, there are mornings when an additional hour is needed to check bus routes and temperatures/weather conditions sometimes can change between 6 a.m. and 7 a.m. As a result, the Rockcastle County School System will consider a one hour delay in school opening due to weather conditions.

If a one-hour delay status is warranted, the delay will be announced by the following radio stations: WRVK (AM 1460), WVLC (FM 93), WBUL (FM 98.1), WMXL (FM 94.5), WLAP (630 AM), WRSL (FM 96.3), WLKT (FM 104.5), WKQQ (FM 100.1), and the following television stations: WLEX (Channel 18), WKYT (Channel 27), WTVO (Channel 36), at 6:00 a.m. or as soon as possible.

There may be a time when a few isolated bus routes may not be made or may be delayed for an hour while the rest of the bus routes will be made on the regular schedule. These bus routes will be announced only on WRVK radio station.

In instances of a delay schedule, breakfast will be served as soon as students arrive at school.

Absolute

Auction

of Mr. and Mrs. Carl E. Ruppe, Sr.'s

Doublewide Mobile Home, Garage and
15 1/2 Acres More or Less

Saturday, November 3, 2001 • 1:30 p.m.

Red Hill Section of Rockcastle County

Agricultural News

By Wanda Alexander, FSA Director

No P&CP Signup for TLAP 00

During fiscal year 2000, FSA provided payments through the Tobacco Loss Assistance Program 2000 (TLAP00) to quota holders and producers to help them defray income losses in the 2000 crop year because of quota reductions. One of the eligibility requirements for TLAP00 was that farm must have received Planted and Considered (P&CP) credit for the 2000 crop year. This statute has been amended to provide that TLAP00 payments may be made to person(s) who are otherwise eligible without regard to whether the quota was used for the production of tobacco during the 2000 crop year.

Applications will be accepted starting November 1, 2001 through December 14, 2001. Late file applications will not be approved.

Any farm which was not approved for a payment during the initial TLAP00 signup because there was no P&CP.

Eligible types of tobacco includes: burley, type 31; flue-cured, types 11-14; dark fire-cured, type 21 and cigar binder types 54-55.

Payments will be based on FY2000 information with rate the same as those in the initial TLAP00 signup.

All eligible persons or entities must agree on the division of payments before the application form, CCC-950, can be approved.

REMEMBER: The application signup period is November 1-December 14, 2001.

Marketing Cards

Rockcastle County producers who have received marketing cards are reminded to carefully check their card for complete and accurate information. Please compare the farm number, warehouse number and pounds listed on the card to the information provided on the notification letter mailed with the card. If you find an error return the card immediately to the office for correction(s).

Remember: You are responsible for the information listed on the card.

Warehouse Designation Legislation now requires all farms with an effective quota greater than zero to file a designation of pounds to a specific warehouse, receiving station or dealer with which they intend to market tobacco by filing a form FSA 808.

Producers who have not designated or those who have designated and wish to change their designation

period is October 29th through November 2, 2001.

If producers miss this deadline they must wait until December!

Barley Tobacco Penalty Rates: Penalty rates that will be charged to producers, dealers and warehouse operators for marketing excess tobacco during the 2001 marketing year has been announced at \$1.47 per pound.

Producers are reminded to review the pounds available for marketing and pounds marketed to avoid marketing pounds above the 103% of the effective quota to avoid the penalty and/or reduction in the next year's quota.

Production Flexibility Contract Payments

The Agricultural, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2000, provides producers the option to receive Production Flexibility Contract (PFC) payments for FY2002, as either: two 50 percent payments or one 100 percent payment prior to August 1, 2002.

Once designated, any changes to the farming operation, including, but not limited to, payment shares and change of operators, must be reported to FSA, and applicable forms complete by August 1, 2002. Failure to report and complete changes by August 2, 2002, may result in all producers on the farm being ineligible for payments.

Producers are reminded all PFC payment shares and necessary signatures must be obtained on the PFC and received in the county FSA office by August 1, 2002.

Fiscal Year 2001 Payments Issued

During fiscal year 2000 (October 1, 2000 through September 30, 2001) Rockcastle County Farm Service Agency issued payments to Rockcastle County farmers for the following:

- Tobacco Loss Assistance, \$95,244.64; Tobacco Loss Assistance Supplemental, \$372,133.54; Production Flexibility, \$68,958.00; Market Loss Assistance, \$78,468.11; LDN Deficiency, \$37,465.36; Oilseed, \$2,161.00; Dairy Market Loss,

\$117,166.52; Pasture Recovery, \$8,287.00; Graze Out, \$2,106.80; Conservation Reserve, \$1,200.00; Lamb Meat Adjustment Assistance, \$80.00. Total Payments \$1,653,420.97.

Rockcastle County Disaster Declaration

On August 16, 2001, President Bush declared a major disaster in Kentucky based on damages and losses caused by severe storms and flooding that occurred on July 27, 2001. This declaration has been amended to include Amendment #1, #2 and #3.

The Kentucky counties declared as disaster areas and eligible for Federal disaster assistance, including FSA Emergency Loans for eligible family farmers and the Kentucky counties named as contiguous counties were eligible family farmers may qualify for FSA Emergency Loan assistance, pursuant to the Consolidated Farm and Rural Development Act included Rockcastle County declared a disaster area under Amendment #3. Applications may be accepted for both physical and production losses, and applications pending on the specified dates may be processed and completed when filed by the termination dates of April 29, 2002.

Office Closure

The Rockcastle County FSA Office will be closed Monday, November 12th in observance of Veterans Day. The office will reopen Tuesday, November 13th at 7:30 a.m.

stretched that they must make hard decisions about heating (or cooling) in their homes and eating. After our crews provide services, this means that hundreds of dollars are put back in their pockets to buy groceries, visit a doctor, buy medicine, or improve some standard of living. Who wouldn't be proud of a program that can do this every day? For us, it's Weatherization Day every day!

October is also designated as Energy Awareness Month. Each year, DOE uses the onset of winter to promote energy conservation, renewable energy, and new technology use in the energy industry. With the rising cost of fuel oil still here, the higher prices of natural gas, and the ever-fluctuating electric prices occurring due to market restructuring, celebrating a successful conservation program like the Weatherization Assistance Program is essential.

Serving as the nation's core program for delivering energy efficiency services to low-income households, the DOE Weatherization Assistance Program prioritizes the elderly, per-

sons with disabilities, and households with children. Each year, tens of thousands of households experience improved energy efficiency, financial, and health and safety gains through the services provided by the program.

The program's professionally trained crews use computerized energy audits and advanced diagnostic equipment to identify energy-saving strategies in single-family, multi-family, and mobile homes. Cost-effective weatherization measures and those that are essential for health and safety are then performed, including, but not limited to, insulation, furnace and boiler retrofits, and cooling measures for warm climates. The Weatherization Program serves every county in the nation through its partnerships and 970 local agencies. For more information about the Weatherization Program, please visit the national web site at www.energy.gov or call Daniel Boone Development Council, Incorporated at (606) 256-5315.

Weatherization Day proclaimed

Governor Paul Patton announced that Tuesday, October 30, 2001 will be known throughout the State as "Weatherization Day 2001". The dedication of this day (October 30th) as Weatherization Day celebrates the

wonderful accomplishments of this excellent federal, state and local partnership," said Governor Patton. Patton further explained that, "This program has helped nearly 125,000 families in our state to conserve energy and reduce their costs for heat, cooling, and electricity. The money saved by reducing their energy bills can now be used by these families to pay for better housing, clothing, food, and other essentials in their daily lives."

Gail McKinley, National Director of the Weatherization Program, offered these comments about Weatherization Day: "Every day, staff from more than 970 local agencies working in every state, and ever community are hard at work in the homes of truly needy families making a real difference in their lives. For many of these families, the money is so

48 Acres More or Less in Tracts House & Barn — Timber

Saturday, November 3, 2001 • 1:30 p.m.

Woodstock Section of Pulaski County

Location: From Somerset take Hwy. 39 approximately 15 miles north to Hwy. 935 and turn right. Follow Hwy. 935 approximately two miles to the property. Auction signs are posted.

In order to devote more time to his home farm, Mr. Head has authorized our firm to sale this well located productive property at absolute auction.

Tract #1 consists of 12.98 acres of which all is good productive farmland. It has 230 feet of frontage along Hwy. 935. This tract would make a dandy small farm in itself. City water is available.

Tract #2 consists of 1.71 acres, which is all cleared except for improvements. It has 220 feet of frontage along Hwy. 935. This tract is improved with the above-pictured frame house. The house has living room, eat-in kitchen, three bedrooms, baths, attached one car garage and full-unfinished basement. It has hardwood floors, storm doors and windows, new vinyl siding, shingle roof, central heat and air, plus much more.

In addition to the house there is a 32x40 combination barn with 12 ft. shed.

Tract #3 consists of 1.81 acres and this tract is also basically cleared. It has 195 feet of frontage along Hwy. 935 and city water is available. This tract would make a nice country building lot.

Tract #4 consists of 2.70 acres of which is all cleared. An easement will be retained across Tract #3 for access and for water.

Tract #5 consists of 4.04 acres and this tract is also well cleared. Access to this tract will be through an easement across Tract #3 and water can be obtained through the same easement. There are two ponds to provide stock water to this tract.

Tract #6 measures 3.78 acres. This tract is primarily wooded land. Access and water will be obtained by the easement on Tracts #3 and #5. This tract would also serve nice wooded areas for building.

Tract #7 consists of 14.09 acres of which most is in timber. Access and water will be through an easement through Tracts 3, 5, 6 & 8.

Tract #8 consists of 7.08 acres of which most is good cleared cropland and there is also some good timber. This tract is accessed and water can be obtained through an easement across Tracts 3, 5 and 6.

Timber: The timber will be offered separate from the farm, which consists of approximately 19 acres. There is a variety of good marketable hardwoods.

AUCTIONEER'S NOTE: Each of the tracts and the timber will be offered in separate units and then combined selling in whatever manner reflects the best returns for the owner. When combined there is a total of 48.21 acres and approximately 646 feet of frontage along Hwy. 935.

Note: The purchaser of a single family residence, built before 1978, has a maximum of 10 days to inspect the property for the presence of lead base paint. The period for inspection begins October 23rd through November 2nd, 2001. All bidders must sign a waiver of the 10 day post sale inspection period.

Auctioneer/Broker/Seller Disclaimer: The information contained herein is believed to be correct to the best of the auctioneer's knowledge. The information is being furnished to bidders for the bidder's convenience and it is the responsibility of the bidder to determine the information contained herein is accurate and complete. The property is being sold in its "as is" condition. No warranties express or implied.

TERMS: 20% down day of auction with the balance due on or before 30 days with delivery of the deed.

What Women Want: Top 10 Reasons Women Love Birth at Fort Logan Hospital

- JACUZZI TUBS** – At Fort Logan Hospital each birthing suite has a relaxing Jacuzzi tub to relieve the discomforts of labor and soothe postpartum pains.
- GARDEN PATIOS** – Each birthing suite has its own full-length glass door leading out to our private garden. Relax by the sparkling fountain. Smell the roses. Have lunch under the gazebo. Visit with your guests.
- MOM, DAD AND BABY STAY TOGETHER** – Our unique LDRP design lets mom, dad and new baby stay together in their private birthing suite until they are ready for home.
- LOW C-SECTION RATE** – Our unique family-centered birth design allows us to maintain the lowest C-section rate in the state of Kentucky.
- CHILDREN WELCOME** – Our kids plan is personalized for each family, whether simply holding their new brother or sister, releasing extra energy outside on the patio, or being present at birth, we want this to be a special time for each family.
- OPEN VISITATION** – Each woman may experience the miracle of birth with just her spouse, or share the celebration with family and friends.
- LDRP ROOMS** – Simply put, only Fort Logan Hospital lets each woman stay in the luxurious birthing suites with Jacuzzi tubs until she is ready to go home.
- FATHER ASSISTED BIRTH** – Our "dads deliver" option prepares interested dads-to-be to assist in the birth of his new baby.
- PERSONAL NURSING CARE** – The same nurses who help each woman through labor and delivery provide personalized care for both mom and baby until they go home.
- YOUR FAMILY DOCTOR** – Drs. Miller and Sims both offer personalized maternity care. Each one is typically on call every night, so each couple's own trusted doctor can be present to help with the birth of their baby.

Library News

By Kathy McKibben
Children's & Young Adult
Librarian

Things are going well at the Rockcastle County Public Library. Stacy Richards and Jennifer Alsip continue to assist patrons with information needed, whether it is via the Internet, reference materials, or checking out a new book. Speaking of new books here are three new titles for the Adult Library "Midnight Bayou" by Nora Roberts, "Emerald Ashle" by Ralph McInerney, "The Kiss" by Danielle Steel, "Floored" by Carol Higgins Clark and "Isle of Dogs" by Patricia Cornwell. Stacy and Jennifer are also working diligently keeping up-to-date information on the Library website <http://www.users.kih.net/~rcpl/index.html> Our website is definitely worth a look. In the near future there will be some book reviews added on.

Thursday evening, October 18th we had a wonderful presentation by a group of talented Rockcastle County High School students here at the library, along with Ms. Wanda Burdine, Honors English instructor and Ms. Allen Cornelius, Arts and Humanities instructor. Several of the students read favorite poetry and some presented their own original poetry, some of which is on display in the library. Also some short skits were

presented. These teens did a great job in their presentations. All who were in attendance had an enjoyable evening. We hope to continue our joint efforts with the high school and our partnership with the service-learning, under the coordinator, Ms. Kathy Bobo. The new young adult titles that we received due to this effort were on display during the evening and are now available for checkout. The new collection is comprised of 116 new titles, reference, poetry and fiction for teens, and we encourage our youth to come and take a look at what has been added with you in mind. This collection comes from the Best Books for Young Adults 2001 and 2000. Many of the books are award winners. We want to thank all who participated in this event and look forward to other events as well.

The Library Director Ms. Pam Chaffin and the library staff wishes to say a big "Thank You" to Mr. Allen Pensol, Library Board Chairman for his dedication to the arts and literacy, and working so hard to ensure a new updated young adult collection. The library is certainly fortunate to have the guidance of Mr. Pensol and the board members.

Several Kentucky Colleges and Universities responded to our information needs for the Teen Career

Center. We would like to acknowledge their contributions at this time. Berea College donated the computer and printer last year in conjunction with the Gear-Up program. Informational pamphlets, pennants, admission forms and catalogs were all donated from these colleges; different colleges donated different items. Mid-Continent College; Owensboro Junior College of Business, which has recently had a name change to Daymar College; Pikeville College; Kentucky Mountain Bible College; University of Louisville; Indiana University; Central Kentucky Technical College; Sullivan University; TTT Technical Institute; Midway College; Draughtons Junior College; Bellarmine University; Asbury College; Centre College; Spencerian College; Morehead State University; Alice Lloyd College; Murray State University; Central Kentucky Technical College; Cumberland College and Eastern Kentucky University. We

want to encourage the middle school and high school students to visit the teen career center and take advantage of the resources in this room, and check out the other areas in our library just for teens.

"What Saith the Scriptures"

Last week we noticed from Acts 20:17&28 that the elders are the bishops or the pastors. We noticed that in the N.T. pattern that there is a plurality of elders in each church. Ac:14:23. Let us continue on this topic. In the denominational world the idea is, that "the preacher" in the local church is "the pastor." And that "the preacher" who may travel around is "the evangelist." You may have a young single man who serves as "The Pastor" in some local church. But as we noticed from Acts 20:17&28, the bishops are the pastors, or the elders. In the qualifications of the bishops Paul said "A bishop then must be blameless, the husband of one wife. . . One that taketh well his own house, having his children in subjection with all gravity. (For if a man know not how to rule his own house, how shall he take care of the church of God?)" 1 Tim3:2-5. So for one to be ordained or appointed to serve as a bishop or a pastor, you must be a married man with children. Now it is possible for one to serve as a bishop or pastor, and also do the work of an evangelist or preacher. Peter served in both capacities. 1 Pet 5: 1-3. One of the important lessons to see in all this, not only point of being accurate with the above biblical terms, but the importance of "rightly dividing the sword of truth." 1 Tim2:15

LEADING THE WAY...

Knowledge. It's something Betty Purcell, RN, MSN, has always pursued. As director of nursing for Rockcastle Hospital and Respiratory Care Center, Betty's 34 years of experience have taught her a lot. But so has her formal education. She recently completed a master's degree in rural community health nursing.

Betty believes the opportunities in nursing today are limitless, and that no matter what your age, there's always more to know. The hospital also believes this. That's why a new nursing scholarship program was created. And it's why the hospital offers tuition assistance to employees.

"It is the caring aspect of nursing that ignites my passion. I believe caring is at the heart of our profession, and that caring is our real contribution to society."

— Betty Purcell, RN, MSN

... in Nursing Careers

ROCKCASTLE
HOSPITAL AND RESPIRATORY CARE CENTER, INC.
Accredited by the Joint Commission on Accreditation of Healthcare Organizations

Unlimited opportunities. Diverse work settings. Making a difference.
Just some of the reasons Rockcastle Hospital is leading the way in nursing careers.

RCHS Rifle Team at Montgomery Bell Fall Classic

RCHS Rifle Team places fourth in Fall Classic

The Rockcastle County High School JROTC Rifle Team traveled to Nashville, Tennessee on Friday, October 12th to compete in the Montgomery Bell Academy Fall Classic on Saturday morning for the 4th straight year. The Montgomery Bell Fall Classic is one of the largest high school rifle meets in the United States. This year, there were a total of 61 teams competing in both Sporter & Precision categories from ten states with a total of 329 shooters. The team is coached by Sergeant Major Keith Taylor.

The A Team placed 4th out of 36 Sporter teams competing with a score of 1952/2400. Those shooters were:

Zach Shepherd with a score of 509/600; RCHS Senior-Tim Tyler shot a 506/600; Senior-Shannon Bullock-439/600; Senior-Tara Thompson-438/600.

The Precision team placed 18th out of 25 teams competing in the Precision category with a score of 2086/2400. RCHS Senior-Jonathan Noe had a score of 555 out of 600 placing him 54th out of 153 shooters. Ronald Willey had a score of 532/600; Adam Stallsworth-511/600; and Josh Hayes-488/600.

The B Team Sporter shooters placed 29th out of 36 teams with a score of 1566/2400. Those shooters

were: Erik Stallsworth-422/600; Melissa Jones- 384/600; Russell Willey-383/600; & Derrick Hainsley-377/600. Individual shooters also competing at Nashville were Senior-Chris Eldridge- 369/600; Sarah Steele- 296/600 & Karen Barber-197/600.

The team will be traveling to Clarksville, Tennessee on November 17th, followed by the Kentucky State Rifle Team Championships in Owensboro, the Wolf Creek 600 in Atlanta & the NRA Sectionals in Louisville all in December. Also traveling with the team was Mrs. Jenny Taylor.

Tim Tyler, team captain, shooting in prone position.

Adam Stallsworth and Josh Hayes standing position

Students from Rockcastle County High School took the first step toward a possible teaching career when they attended Future Teacher Day at Eastern Kentucky University recently. Over 400 students from 18 area schools participated in the event, designed to attract more of the best and brightest students to careers in education. The students heard several presentations, participated in breakout sessions corresponding to their interests and toured the campus.

Service Heroes Reading Program

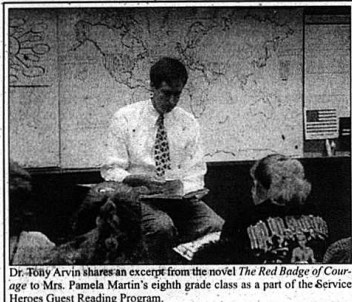

The Rockcastle County Middle School's 21st Century Community Learning Center in conjunction with the America's Promise Guest Readers Program has begun an exciting partnership. Several community members were involved in the Service Heroes Guest Readers Program. "Service Heroes" from the community were invited to be guest readers in the classrooms at RCMS. Dr. Tony Arvin, Corey Craig from the Community Trust Bank, John McQueary from the County Extension Office, Bro. Adam Dooley from the Freedom Baptist Church, and Asst. Police Chief Eddie Delaney from the Mt.

Vernon Police Department all participated in this year's program.

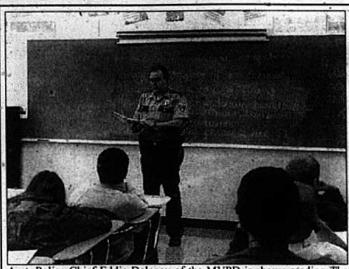

These "Service Heroes" read a selection from their favorite children's book to a selected class and then shared with class about the importance of lifelong reading skills and the positive impact that reading has had on their lives. Guest readers are reading models who involve students in reading in a very inviting and informative ways. The America's Promise-Guest Readers Program is an excellent way to connect with, involve and inform community members about our school and to draw upon community resources.

John McQueary reads *Jack Tales* to Ms. Regina Burton's sixth grade class as part of the Service Heroes Guest Reading Program.

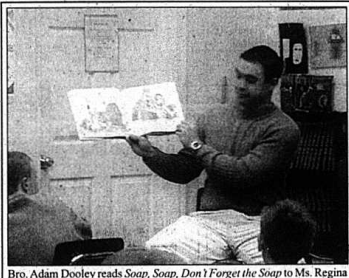

Dr. Tony Arvin shares an excerpt from the novel *The Red Badge of Courage* to Mrs. Pamela Martin's eighth grade class as a part of the Service Heroes Guest Reading Program.

Asst. Police Chief Eddie Delaney of the MVPD is shown reading *The Terrible and Horrible, No Good, Very Bad Day* to Mrs. Pam Logan's sixth grade class as part of the Service Heroes Guest Reading Program.

Corey Craig, Branch Manager of the Community Trust Bank in Mt. Vernon reads a proficient short story from a student's portfolio completed last year to Mrs. Karen Powell's seventh grade class as a part of the Service Heroes Guest Reading Program.

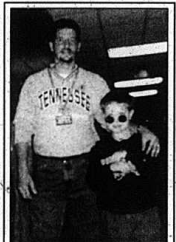

Bro. Adam Dooley reads *Soap, Soap, Don't Forget the Soap* to Ms. Regina Burton's sixth grade class as a part of the Service Heroes Guest Reading Program.

Mt. Vernon Message

Students in Mr. Lee's fifth grade classroom have completed their research and are ready to present their projects in the Biographical Hall of Fame. Presentations will be on Friday, November 2 at 2:00 p.m. in the MVES library.

Our Family Resource Center sponsored Red Ribbon Week as an emphasis on drug-free living. One of the special activities was Team Up Against Drugs day. Pictured are Zachary Hatt and Mr. Roark as they proudly wear their Tennessee shirts to team up against drugs.

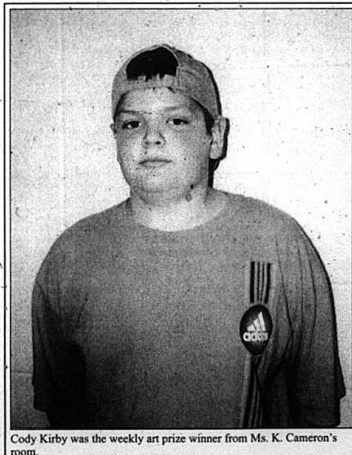

Mr. Roark and Zachary Hatt team up against drugs.

There will be no school on Nov. 5 and 6. Project narrators for last week included: Devon Davidson, student; Josh Robbins, RCIS student; Roy Martin, parent; Sonya Parker, parent; and Mary Ann McNew, Instructional Assistant.

Thanks to all the participants. The quote for this week is, "Keep your eyes on the stars and your feet on the ground."

Last week's art prize winner was Cody Kirby from Ms. Kaye Cameron's classroom. Congratulations Cody.

Cody Kirby was the weekly art prize winner from Ms. K. Cameron's room.

Thornberry student teaching at EKU

An Eastern Kentucky University student from Mt. Vernon is among 63 teacher education students who are student teaching this semester.

EKU's College of Education places its student teachers in classrooms to gain practical teaching experience, said Dr. Bruce Bonar, director of professional laboratory experiences. The student-teaching experience is required for certification and follows on-campus instruction in teaching fundamentals, methods and subject-matter areas. Prior to student teaching, Eastern student teachers spend at least 150 hours in a variety of schools learning about teaching.

The student teachers are working at the secondary, elementary and middle-school levels and in special education classrooms.

Local residents and the school to which they have been assigned include Anthony G. Thornberry of Mt. Vernon. His assigned schools are Rockcastle Middle and Berea Community.

"Each student teacher works closely with an experienced classroom teacher and a member of the College of Education faculty who is committed to this important learning experience and student's success," Bonar said. "Our teacher education graduates are well-prepared, and we

are confident that they will meet the educational challenges of the 21st century."

EKU students preparing for teaching careers also have the unique advantage of gaining practical classroom experience at Model Laboratory School, the only laboratory school in Kentucky and one of the largest in the nation. Model Lab provides educational experiences that might otherwise be unavailable for future teachers.

Eastern is the Commonwealth's largest producer of classroom teachers and school administrators.

"The success of our teacher education program is based on high admission standards, a dedicated faculty and a course of study that combines strong content and methodology with practical experiences in a variety of school settings, including our own nationally-recognized laboratory school, before our students student-teach," said Dr. Mark Wasiesko, dean of EKU's nationally accredited College of Education. "We believe it is our duty to prepare the best possible future teachers who in addition to teaching their subjects will positively impact the lives of students and improve their communities."

Local student enrolls at Centre College

Ashley Lawson of Scaffold Cane has enrolled this year at Centre College, joining a freshmen class marked by unusual academic strength: Fifty-six percent are in the top 10 percent of their class, while the average G.P.A. is 3.73.

Centre enrolled its fall term with the highest enrollment in the school's history.

Centre registered 1,071 students on the first full day of classes, Sept. 3, 2001.

body that represents twenty-three states and territories and five foreign countries.

Lawson is the daughter of Terry and Marlene Lawson of Scaffold Cane and is a graduate of Rockcastle County High School.

Kentucky's highest ranked national institution, Centre is listed by U.S. News and World Report among the country's top 50 national liberal arts colleges. Centre leads all colleges and universities in the percentage of alumni who give annual financial support.

Senior Night royalty crowned

On October 19th, Rockcastle County High School's newest royalty was crowned. For the first time in our school history a Prince and Princess were crowned at the dance following the senior night football game. The RCCHS FCCLA (Family Career and Community Leaders of America) sponsored this year's dance. Club advisors are Darlene Martin and Carla Parsons.

Thirteen clubs made a bid for the crown by nominating prince and princess candidates. Each candidate created and displayed a poster about themselves and the club they represented. Students who attended the dance made the final decision as they voted for their favorite candidates. Travis Burton, representing the French Club and Elizabeth Matekovich, representing FCCLA were crowned Prince and Princess by Miss Angela Boring, 2001 Homecoming Queen and Jens Streitzel, Frog Prince. Runners up and part of the royal court were Adam Childress, representing FCCLA, Jessica Thacker, Key Club, Tyler Strunk, Chess Club, and Courtney Alexander, Teen Leadership Council.

Other nominees and their clubs were: Austin Miller, KEY Club; Kane Holbrook and Jamie Ornela, Spanish/National Honor Society; Jessica Denny, Chess Club; Jameson Cable, Y-Club; Genna Cummins, Eastern Kentucky Leadership Network; Brittany Asher, French Club; John Bray, TLCC; Jon Burdette and Wendy West, Job Quest; Devon

Bussell and Cassie Sowder, National Honor Society; Amber Thacker, BETA Club; Ricky Barrett and Cassie Smith, STLP; Aaron Cash and Jessica Jones, Rocket Club.

Special thanks go to Wendy's for donating a \$5.00 gift certificate to the winners and to Aletha's Flowers and Gifts for donating a beautiful bouquet of flowers for the Princess. Thanks to all who put much time and effort into making this event possible.

School Menus

November 7-9, 2001

- Breakfast**
Wednesday: Sausage/egg biscuit or cereal, toast/jelly, juice and milk.
Thursday: French toast stick with syrup or cereal, toast/jelly, juice and milk.
Friday: Egg/cheese biscuit or cereal, toast/jelly, juice and milk.
- Lunch**
Wednesday: Manager's choice.
Thursday: Chili and crackers, sandwich, veggies and dip, fruit and milk.
Friday: Hamburger on bun or sandwich, lettuce/pickles, french fries, applesauce and milk.

Candidates from left to right, front row: Tyler Strunk, Jessica Denny, Wendy West, Cassie Sowder, Elizabeth Matekovich, Jessica Thacker and Travis Burton. Second row: Jon Burdette, Devon Bussell, Derrick Hensley (Escort), Austin Miller and Brittany Asher. Third row: Jameson Cable, John Bray, Genna Cummins, Kristy Chislum (escort), Amber Thacker, Courtney Alexander and Aaron Cash.

Elizabeth Matekovich, the FCCLA, and Travis Burton, the French Club, were voted and crowned Princess and Prince at the Senior Night Dance.

The Theatre and Music Departments at Cumberland College are proud to announce the cast members of the upcoming production of *Oklahoma!* Lori, Lora Beth Payne, a senior at Cumberland College, will play the role of Lora Beth in from Mt. Vernon, and is the daughter of Faith and Dennis Payne.

Oklahoma! is set in a Western Indian territory just after the turn of the century. The high-spirited rivalry between the local farmers and cowboys provides the colorful background against which Curly, a handsome cowboy, and Laurey, a winsome farm girl play out their love story.

Oklahoma! runs November 1-4, at the Grace Crum Rollins Fine Arts Center located on the Cumberland College campus. All shows begin at 8:00 p.m. nightly except for the Sunday matinee beginning at 2 p.m. General admission is \$20.00 for adults and \$5.00 for children and students. For ticket information call the Box Office at (606)539-4535.

Natasha Mason Happy 27th Birthday on November 3rd With all our love: Perry, Tiffany, Perry, Jr., Clarissa, Larry, Katherine & Tommy

Birth & Birthdays Celebrated

"Mommy" I'm so blessed to have you in my life I hope I've been a good enough daughter without bringing too much stress in your life. I love you in so many ways, you're more than just my mom. You're a person that touched me and helped me and kept me strong. You've helped me with all my problems even if that meant you couldn't be there, your voice stayed strong and always remained in my head. You gave me life and taught me how to live now it's my turn and I hope that's something I can give. Thank you for being all you could be and being my friend. I will always have your back the way you've had mine. You're a major part of me and in my heart everyday you are special, to you Angel Singleton I love you and happy birthday.

Happy 18th Birthday on November 2nd Love Your Little Girl, Natalie Jamaica Danielle Singleton

Last time we saw your birthday picture you had a yard sale...you made enough to buy you a boat??? Happy Birthday, October 26th!

Happy Birthday to Our Two Little Angels... Jacqueline Renee and Heather Gene Barnes. Jacqueline will be 3 years old November 3. Heather will celebrate her 1st birthday November 6th. One big party at their house 4:00 Sat., Nov. 3rd. All family and friends are invited. Jacqueline and Heather also have a big sister, Michele Barnes, who is a great student at RCMS.

Happy Birthday Love, Mommy, Daddy & Sissy (Chele), Papaw & Mamaw Rowe and Mamaw Barnes

"Daddy" You walked into my life when I was only nine months old. You held me in your arms and loved me just like your own little girl. A daddy is somebody that's always there when a child needs a helping hand, and that is what makes you special in every way. You made me and mommy so happy knowing you brought joy to our hearts. Daddy, today is your day and that's special to me. I know I have a father, but it takes someone special to be my daddy, and that person is you. Happy 21st Birthday on November 5th Love Daddy's Little Girl, Natalie Jamaica Danielle Singleton "I love you"

Keith and Jenny Taylor of Broadhead are proud to announce the birth of their first grandson born to their oldest son, Jeff and his wife, April of Grant County. Austin Keith Taylor was welcomed home by his big sister, Jessica Lynn. He was born Saturday, October 20th at Georgetown Community Hospital at 8:41 a.m. weighing 7 lbs., 4 oz. and 18 1/2 inches long. His maternal grandparents are Ethel and Gerald Howard of Grant County. His great grandparents are Nannie Hillman and the late Kenneth Hillman of Cornhill and Lescal and Betty Taylor of Williamstown. Austin's great grandmother is Naomi Lawrence of Bellevue.

Citizens Bank of Brodhead Plaintiff

David Hale and Andrea Hale Defendants

NOTICE OF SALE

By virtue of a judgment and order of sale of the Rockcastle Circuit Court entered on the 12th day of October, 2001, to produce the sum of thirty-three thousand four hundred sixty-nine dollars and two cents (\$33,469.02), together with accrued interest thereon at the rate of \$9.20 per day from October 10, 2001, plus interest at the Note Rate from October 10, 2001 until paid, I will offer for sale at public auction on the 19th day of November, 2001 at the hour of 2:00 p.m., at the Courthouse door on Main Street in Mt. Vernon, Kentucky, the following described real property to-wit:

Beginning at the junction of Raymond McGuire Lot No. 1 and Lot No. 2, approximately 100' South of US 425 and approximately 50' East of the McGuire Subdivision Property line; thence with the East side of the McGuire Road N. 1 S. 2 deg. 10' E. 50.0' to a steel pin and S 21 deg. 20' E. 90.0' to steel pin; thence said road and running with McGuire tract N. 89 deg. 45' E. 24.0' to steel pin (corner to Lot No. 2); thence with N. 2 N. 1 deg. 30' E. 120' to steel pin on the south side of McGuire Road No. 2; thence with said road N 76 deg. 30' W 63.0' to the beginning.

This property will be sold to the highest bidder on terms of 25% of the purchase price in cash at time of sale and the balance payable in thirty (30) days with the purchaser being required to execute bond with surety approved by the Special Master Commissioner to secure the unpaid balance of the purchase price; said bond shall bear interest at the rate of 12% per annum until the purchase price is paid in full. The purchaser shall have the privilege of paying all or part of the purchase price in addition to the down payment, or paying said bond before maturity by paying the balance of the principal together with all accrued interest thereon.

Upon the default of said deposit or posting of bond by the Purchaser, the Special Master Commissioner shall immediately resell the property upon the same terms and conditions as set forth herein.

The herein described real property shall be sold free and clear of the claims and interest of all parties herein, excepting however, all easements, covenants and restrictions of record in the Office of the Clerk of the Rockcastle County Court or which may be visible upon an inspection of the property.

In the event that the successful bidder is a party to this action, which has been adjudged to have a lien on that particular tract or parcel of real or personal property bid upon, then and in the event, a said party shall not be required to make any cash deposit or bond. If said party is the superior lien holder, the expenses of sales allowed by the Court shall be paid by said party within thirty (30) days. In the event said party is a junior lien holder, the full purchase price shall be paid within thirty (30) days. The purchaser will have possession of the premises after complying with the terms of sale.

Risk or loss on any improvements shall be on the purchaser after complying with the terms of sale. Unpaid taxes or liens of record at the time of sale shall be paid out of the proceeds of the sale.

The purchaser shall be responsible for payment of the 2001 County, State and School taxes. The sale shall be made subject to all easements, set back lines, restrictions or covenants of record.

A Federal right of redemption shall exist if any Federal agency has a lien or interest against said real property.

John D. Ford, Special Master Commissioner

There is exempted from the above-described property the following:

BEGINNING at a post set in concrete a corner of Larry Kirby and Bonnie Kirby DB 118, Pg. 423; thence with the line of Bonnie Kirby the following call: thence South 24 degrees 21 minutes 02 seconds West, 137.36 feet to a post set in concrete a corner of J. Robinson DB 159, Pg. 121; thence with the line of J. Robinson the following calls: thence North 60 degrees 49 minutes 14 seconds West, 344.98 feet to a post set in concrete set in the line of Floyd Kirby DB 139, Pg. 457; thence with the fence line of F. Kirby the following calls: thence North 18 degrees 04 minutes 05 seconds East, 164.77 feet to an existing steel pin with cap 1837; a corner to Larry Kirby; thence with a corrected line with Larry Kirby the following calls: thence South 78 degrees 15 minutes 31 seconds East, 86.09 feet to a set 1 1/2" steel pin with cap 1837; thence South 54 degrees 19 minutes 29 seconds East 283.28 feet to a 1 1/2" steel pin with cap 1837 and post; thence South 24 degrees 21 minutes 02 seconds West, 18.63 feet to the point of beginning, containing 1.402 acres, more or less.

Larry R. Kirby and Angela Marcum obtained title to the above described real property by deed dated October 4, 1999, executed by Iva J. Kirby, single, same being of record in the Rockcastle County Court Clerk's office in Deed Book 176, Page 532.

The terms of sale shall be as follows:

(a) Purchaser or purchasers of said real property shall be required to pay the sum of ten percent (10%) down in cash at the time of sale. In the event the Plaintiff is the purchaser, no down payment shall be required.

(b) The balance thereon on credit of 30 days at the lawful rate of twelve percent (12%) per annum, except that Plaintiff shall be entitled to a credit to the extent of its judgment on the real property which is the subject matter thereof.

(c) The purchaser or purchasers of said real property shall be required to execute a bond with sufficient surety thereon, and the bond shall have the full force and effect of a judgment in order to secure the payment of the balance of the purchase price, and said bond shall constitute a lien upon said property until paid. If Plaintiff is the purchaser, this provision shall not apply.

(d) Any purchaser shall have the privilege of paying all or any portion of the purchase price or pay said balance before maturity by paying the principal thereof together with all accrued interest thereon.

(e) Said property shall be sold free and clear of all claims of all parties to this action and all liens and encumbrances, except for easements and restrictions appearing of record in the Rockcastle County Clerk's office. The Special Master Commissioner of this court shall, if requested to do so, release such liens of record, for which he shall recover his costs and a reasonable fee.

(f) All taxes and assessments for 2001 and prior years upon said property shall be paid from the sale proceeds. All taxes and assessments for 2001 and subsequent years shall be paid by the purchasers.

(g) In the event any purchaser or purchasers of the aforesaid real property fail to comply with the above terms of sale, then in such event the Special Master Commissioner shall immediately resell said property upon the same terms and conditions set forth herein, excepting only necessary in time and date of sale.

(h) Risk of loss on the improvements of the real property shall pass to the purchaser or purchasers at time of sale, and any purchaser or purchasers shall have possession of the real property to be sold hereon upon payment in full of the purchase price.

The proceeds of said sale shall be first applied to the costs of sale, then unpaid taxes, and then shall be applied to attorney fees, and properly recorded liens and the debt, and the balance, if any, then distributed to the defendants, as their interest may appear.

The bond, if any, shall have the full force and effect of a Judgment and should execution be issued thereon, no reply shall be allowed. A lien shall exist and be retained by the Special Master Commissioner on the property sold under this judgment as security for the purchase money.

This property is being sold to raise the sum of \$79,845.89, further, Plaintiff is entitled to reimbursement costs, which the plaintiff has been granted judgment against the defendants, in the Judgment and Order mentioned above in this action, and the Court costs thereon.

William M. Gregory, Special Master Commissioner
Rockcastle Circuit Court

At the Courthouse on East Main Street
Mt. Vernon, Kentucky
on Friday, November 16, 2001
Beginning at the Hour of 1:00 p.m.

Said property being more particularly bounded and described as follows:

Being Lot No. 5 and Lot No. 6 on plat duly recorded in the office of the clerk of the Rockcastle County Court in Deed Book 2, page 20, (Slide No. 89), reference is made to said plat for a more complete description of said lot.

BEING ALL OF THE SAME PROPERTY acquired by Merrill Chandler and Patsy Chandler, husband and wife, by deed from Gerald Mirac and Margaret Mirac, husband and wife, dated November 28, 1997 and recorded in Deed Book 168, at page 32329 in the office of the Rockcastle County Court Clerk at Mt. Vernon, Kentucky (Lot #5) and acquired by Merrill Chandler and Patsy Chandler, husband and wife, by deed from Charles Ivan Johnson and Sandra K. Johnson, husband and wife, by deed dated May 6, 1998 and recorded May 9, 1998 in deed Book 127, at page 628, in the office of the Rockcastle County Court Clerk at Mt. Vernon, Kentucky (Lot #6).

The property shall be sold on the following terms and conditions:

- The real property shall be sold for cash or upon a credit of thirty (30) days with the purchaser required to pay a minimum of twenty-five percent (25%) of the purchase price in cash on the date of sale and to secure the balance with a bond approved by the Master Commissioner.
- The bond shall bear interest at the rate of twelve percent (12%) per annum until paid in full. The bond shall have the force and effect of a judgment and shall be and remain a lien upon the property sold as additional surety for the payment of the purchase price.
- Unpaid taxes and liens of record at the time of entry of judgment shall be paid out of the proceeds of sale.
- The purchaser shall pay the 2001 local, county and state property taxes.
- The purchaser shall have possession of the real property upon compliance with the terms of the sale.
- The sale shall be made subject to all easements, set back lines, restrictions or covenants of record or otherwise and shall be sold as is.

Willis G. Coffey, Master Commissioner
Rockcastle Circuit Court

Golden Rule Realty and Jim Kirby present Halls Gap Estates II and Hilltop Acres

Tours of the area will begin on Saturday and Sunday, November 3 and 4 from 2 to 5 p.m. each. These tours will begin at the beautiful new home built by Terry Huffman, on the large entry lot to the new Halls Gap Estates II development. This home could be yours for the holidays!

The development is filled with lots that are beautifully wooded. There is a creek running through the development with a shared picnic area in the woods by the creek that has already been marked off and set up for your enjoyment as a new owner.

The developers: Charlie and Fran Coulter are offering door prizes, a beautiful Canon Elph camera along with Red Lobster and Chili's gift certificates!!! The winners will be drawn at 4:30 p.m. on Sunday, come register, that winner could be you.

Use your own builder or we have a builder available to help plan your dream home come true.
 For more info., phone 1-888-484-3346 or 859-749-4915

Low-Income Home Heating Program

The cost of home heating is a problem for many low-income Kentuckians.

Your Community Action Agency, Daniel Boone Development Council, inc. may be able to help. If you live in Rockcastle Co., apply at the DBDC Outreach Center located at Ashlee's Home in Mt. Vernon for the Home Energy Assistance Program (HEAP). Applications will be taken by the last name of the head of the household from November 5 through December 31, 2001. See the list below for your assigned day.

Bring with you (1) Social Security numbers for everyone living in the household, (2) Proof of your household's income for the preceding month, (3) Your most recent heating bills or verification from your landlord that the heating expenses are included in your rent. All eligible households that apply will receive assistance. Liquid resources cannot be over \$1500 and gross monthly income must be within the guidelines listed below. Households not receiving food stamps with no income will be required to fill out a self-declaration form prior to signing up. DBDC will assure that persons who are working or commuting during the agencies typical business hours may apply for HEAP. Call 598-5127 for more information.

If Your Last Name Begins With

- | | |
|---------------------------------------|--------------------------------------|
| A apply on Nov. 5 | M apply on Nov. 29, Dec. 3 |
| B apply on Nov. 7, 8 | N, O, P apply on Dec. 4 |
| C apply on Nov. 13, 14 | Q or R apply on Dec. 5 |
| D or E apply on Nov. 15 | S apply on Dec. 6, 10 |
| F or G apply on Nov. 19 | T apply on Dec. 11 |
| H apply on Nov. 20, 27 | U, V, W apply on Dec. 12 |
| I or J apply on Nov. 26 | X, Y, Z apply on Dec. 13 |
| K or L apply on Nov. 28 | |

Crisis applications can be made from January 8 through March 15, 2001, or until available funds have been expended.

PUBLIC NOTICE CUMBERLANDS WORKFORCE INVESTMENT BOARD

FUNDING: Workforce Investment Act, Title I, National Program.

ACTION: Notice of Request for Proposals. This request is for the creation of a Marketing Campaign. The Cumberland Workforce Network is striving to meet the following objectives thru this Marketing Campaign. The objectives of the proposed marketing campaign are to: a) Create a positive identity for the Cumberland Workforce Network brand name. b) Increase public awareness of the Cumberland Workforce Network centers and their mission. c) Increase the customer flow at Cumberland Workforce Network centers by; informing the public of the array of services available through the career centers, informing the public of the Cumberland Workforce Network Career Center and affiliate site locations, and presenting a welcoming, customer-friendly image to the public. d) Increase public awareness of the leadership role of the WIB in shaping workforce development services. e) Increase public awareness of the success of WIB initiatives.

DATES: The closing date for receipt of application is December 12, 2001, by 4:00 p.m. Central Time. All applications received after this date will be considered as funding becomes available.

APPLICANTS: Agencies or individuals interested in obtaining an application shall submit an inquiry by fax or mail to: Darryl McGaha, Workforce Development Director, Lake Cumberland Area Development District, P.O. Box 1570, Russell Springs, Kentucky 42642. For more information call 270-866-4200. This program is funded by the U.S. Department of Labor, through the Cumberland Workforce Investment Board and administered by the Lake Cumberland Area Development District, Inc.

From Long Ago...

ray.evans@att.net

The following first appeared in the Mount Vernon Signal on May 29, 1908. It was recently transcribed from microfilm of that issue of the Signal. With these submissions, I am sharing these gleanings with the Signal's present readers.

PERSONAL NEWS
J. W. Rider is at home this week. Frank Meyers was with homefolds Sunday. Mrs. Henry Catron is visiting relatives in the country. Miss Mattie Joplin has returned from school at Lexington. Mrs. G. B. Lawrence is with her sisters, Mesdames Lawrence and Mazer. Elmer Lechtler took the third degree in Masonry Monday night. Mrs. M. J. Miller, Jr. spent several days in Louisville last week. Mrs. E. S. Albright and children are with relatives at London this week. Edgar Mullins has a position as traveling salesman for a Cincinnati shoe house. Mrs. McMullin, mother of Jack McMullin, is very low and not expected to live.

Mrs. A. W. Soward, of Harbourside, is visiting her mother, Mrs. Carmical. Mrs. L. J. Joplin is here this week mixing and mingling with his many friends. Miss Lula McCoy has returned from Midway where she attended school last year. Chester Landrum has returned from Winchester where he attended school last year. Mrs. J. W. Riddle, of Walnut Grove, is visiting her daughter, Mrs. Hale at this place. Mat Cummins was over from Cartersville for a few days this week visiting relatives and friends. Dr. E. J. Brown, of Stanford, is spending three weeks in Chicago attending a special course of lectures. T.M. Noe and F. W. Hensley are in Harlan County this week looking after some business matters. Mr. and Mrs. N. H. Oliver were guests of the families of A. H. Hamlin and James Meadows from Sunday until Tuesday. Misses Lilla Hiatt and Jennie Davis are spending the week in the country, the guests of Miss Minnie Hiatt, of Hiatt, Ky. Little Miss Sallie Stewart, a Brown Memorial student, spent Saturday and Sunday with her father, L. T. Stewart at Wilde. Dock Chandler and Wix Dillon completed

their work in the postal service Tuesday. Mr. Chandler will teach at Corbin this fall. Miss Elizabeth Adams returned from Campbell-Hagerman College yesterday. She has as her guest her school chum, Miss Theodocia Peck. Mr. J. M. Hensley, of Texas, is visiting the families of his brother-in-law, I. A. Bowman, of Conway, and nephew, Felix Bowman of this place. Mrs. C. B. Henderson and children have returned to their home at Somerset after spending three weeks with her father, W. A. B. Davis of this place. Dock Langford was in London Sunday to see his brother, Eliza, who is getting well faster, being sufficiently improved to go about most any place he desires. Hon. W. H. Shanks, of Stanford candidate for Democratic Executive Committeeman for the Eighth District, was here between trains Wednesday. All Democrats whom we have heard express themselves are for Lincoln County's candidate, a splendid man and good candidate.

LOCAL NEWS
A party about of twenty-five from the Hiatt neighborhood, spent a most delightful day Wednesday on the banks of Roundstone Creek, fishing and picnicking. Mr. Jim Baker is able to go out again after an illness of two weeks. Mr. Beatty is progressing nicely with his mill house. A council of Red Men is being organized here. Dr. R. W. Dyche is the promoter. See the entertainment at the Court House this evening for benefit of the Christian Church. Whooping cough is still raging, there being several new cases developed in the last few days. Little Lilly Ada, six year old daughter of Mr. and Mrs. Milt Mize is dead. Rev. A. J. Pike will preach at the Baptist Church Saturday evening and Sunday morning and evening. Next week will be the closing exercises of the Brown Memorial School and everybody is cordially invited to attend. "CHEAP RATES" The L & N will sell tickets to Lexington Nov. 8, to 10, limit 15, for \$4.12 round trip, on account of General Association of Kentucky Baptists. Jarvis Noe, age 17 years, son of M. T. M. Noe, was poisoned Sunday by eating strawberries, Dr. S. Davis was called at once and in a short time had him out of danger. He is now able to be on his work. We call attention of our marshal to the shooting on the streets with 22 rifles at birds, which if not stopped will certainly result in something serious. So long as it is done only by the grown up people, there is but little danger, but boys will soon be the principle ones and then the danger comes, not from any intentional act but from carelessness. The jury in the trial of Charley Cooper failed to agree. The jury stood ten for conviction and two for acquittal. The report was circulated here Saturday afternoon that the jury stood ten for life sentence and two for hanging, but it was entirely wrong and we do not see how such a serious mistake could have been made. A game of ball between Mt Vernon and Walnut Grove is scheduled for this afternoon to be played on the former grounds. The private school of Miss Ida May Adams closes today. Ice cream and cake will be served to the entire school this afternoon at her father's residence. We would suggest to our town board and the marshal that there are several hog pens within the corporate limits, which should be removed.

ENTERTAINMENT: The "Merry Widow" given under the auspices of the Willing Workers for benefit of the Christian Church at the Court House Friday Evening May 29th. CAST OF CHARACTERS, Mrs. Milford, Miss Anna Tate; Polly Milford, Miss McKensies; Polly Doopl, Miss Lizzie Adams; Soolby Button, Miss Daisy Fish; Kile Brantford, A. B. Furnish; Frank Colewood, C. D. Sutton; Joe Hopper, W. H. Krueger; Zeke, W.H. Fish; Sheriff, Dr. Dyche; Night Riders, Chas. Chas. F. L. Thompson, Jr. and Shirley Tate.
BROODHEAD NEWS
Mr. A. W. Hiatt has returned home from a three week stay at Dunmore, where he was the acting cashier of the Dunmore bank, while Cashier McClary was attending the bedside of his wife, who is much improved in health we are glad to say. Fred Pike, of Livingston, was visiting relatives here Wednesday. Quite a crowd of the youngsters spent Sunday afternoon with Bogue Smith in the country. They reported a very enjoyable time eating strawberries and cake. Miss Rosa Pike is

spending the week on Copper Creek with her sister, Mrs. Robert Hicks. Miss Rosa Wesley, of Liberty, is spending a week here with her grand mother, Mrs. Mollie S. Dabham. G. L. Waterbury, Asst. Cashier of the Pine Knot Banking Co. at Pine Knot, Ky. was here Tuesday to see Cashier J. W. Hutchison. W. J. Featherstone and W. H. Krueger, of Mt Vernon, were down Sunday calling on two of our good looking girls. Chas. S. Pike is improving very fast and we hope to be able to see him out in a very short time. Mr. and Mrs. A. J. Noe have moved to Williamsburg where Mr. Leece holds a very lucrative position with the L & N. Mrs. A. M. Mermion and children, of Cynthia, are guests of her sister, Mrs. Percy Benton. H. F. Brooks and John Robins were in Mt Vernon on business last Monday. Mrs. W. H. Hunt returned Wednesday from a visit to her father-in-law, Mr. Pack Hunt at Mareburg. Dr. W. F. Carter and Miss Etta Cable visited friends in Casey County last week. Miss Mattie Willmot left last Saturday for Williamsburg to spend two months as the guest of her sister, Mrs. G.W. Brooks. The announcement in the Signal last week with reference to Ed Smith going to get married proved to be untrue much to the regret of some of Ed's friends, as they were expecting to get a big treat. Mrs. J. W. Hutchison left Tuesday for a month's stay in Mercer and Owen counties.

LIVINGSTON NEWS
Louis Elmore, of Ettawa, Tenn. who has been spending a week with his friend, Casper Adams, has returned to his home. Mrs. W. H. Haver and children, of Ohio, who have been spending some weeks with her mother, Mrs. J. R. Orndorff, returned to their home Sunday. William McClellan Johnson of Lancaster was in town Monday but only of a maintained between trains. J. J. Brampus, the dry goods salesman from Cincinnati was with us Sunday and Monday. F. B. Endicott, the piano salesman, of Winchester, is with us again this week. Dr. Dean, the dentist who has been with us for ten days left Monday for Danville. There are two more dentists yet at the Eight Gables. The ice cream and strawberry supper was a great success every respect, except the strawberries which was not altogether a failure.

The committee placed the order with H. C. Lee for the berries but Harry did not get the order in time and had it not been for the kindness of J. P. E. Drummond we would have been completely disappointed but Pete, as usual was equal to the emergency and let us have ten gallons which he had just received for his own tooth, so that it could be said that we had strawberries. The Endeavor Society wish to thank the good people who took such an active part in this affair and wish to doubly thank the entire public for their liberal patronage. The net profits moved about \$35.00, and every one present seemed to enjoy themselves to the fullest extent. The "Red Men" (failed) to organize last night (Wednesday) on account of a sufficient number not being present. They will try again later. We are sorry to say that "Dad" Pope does not improve to the satisfaction of his many friends. We certainly hate to see a good man as "Dad" confined to his bed when we know how greatly he desires to be out and moving about in such fine weather. W. F. Sheridan, Inspector of Transportation for the L&N, spent Friday and Saturday among his many friends here. He was stopping with his old friend L. M. Westerfield. Mr. Smith, from Louisville, and clerk of the Superintendent's office at that place, was in our city Tuesday. We suppose he was discharging the duties of straightening out our Chief Dispatcher, R. J. Lemons. Mrs. Annie Barber and daughter, of Boston, Ky., are visiting Mr. and Mrs. W. C. Preston. Mrs. Preston has been very sick but is some better at present. Wm. Daugherty, Mrs. Preston's uncle of Boston is also visiting them this week. Mr. and Mrs. Benner, of Falmouth, were guests of Mr. and Mrs. Howard Bowers first of the week. W. H. Anderson, General Roadmaster Mammy and Roadmaster Shos, Walker spent Wednesday and part of Thursday in our city. Gene Orndorff is at home for a few weeks vacation and much needed rest. We call attention of our town board again regarding the cleaning of our streets and premises. The citizens will talk among each other about such things and will give our board the very best because they don't look after and clean up such places when it is their duty as citizens to go before the Board and make complaint and ask

for such nuisances to be removed. There are some very offensive places in our little town and we are satisfied that our Board will have them looked after, but let's give them a fair deal and then if they don't do it we will be justified in giving them hail Columbia. The following crowd of young folks spent Sunday afternoon at the noted pleasure spot, the "lettered rock" Messrs Jackson, Tipkin, Kettig and Jackson, of the Bell Telephone corps of engineers, and W. C. Digger, the snake charmer, and Misses Georgia McFerron, Anna Fishback, Cora Wright, Florence and Flora Pennington and Frank Alcorn. The crowd was chaperoned by Mrs. W. H. Magee and Mrs. W. W. Wright. As they have especially requested me to say nothing about their getting lost, I will of course respect their wishes. All report a delightful time, especially the ride behind the splendid team of the engineers corps. There was services at the Baptist Church Sunday last, conducted by the regular pastor, Bro. Bush. Thos. Dees and S. E. Pennington are beautifying their store houses by new coats of paint. Let the work go on to our certainty adds to the credit of our town to see newly painted buildings.
