

## Hwy. 150 project may be on hold

By: Aaron Anderkin  
The Highway 150 reconstruction in Rockcastle County could be in jeopardy. Some \$3 million dollars is an obvious question mark if additional state revenue for highways is not appropriated.

The endangered project is right of way and utilities for Highway 150 from Brodhead to Mt. Vernon.

According to a press release from Kenuckians for Better Transportation, if more revenue isn't allotted for state funded work ranging all across the commonwealth, more than 50% of planned projects and work will have to be put on hold.

The estimated cost of these projects from the fiscal years 2003-2006 is about \$2 billion. The estimated revenue available to do these projects totals less than \$900 million.

Addressing the issue, Jack Fish, president of Kenuckians for Better Transportation said, "We know that local leaders share our concerns. Projects across the state that are being stopped are important for improved safety, travel efficiency, and in many cases will help facilitate economic development."

State representative Danny R. Ford said that it wasn't unusual that for the circulation of talk of highway projects being stopped or delayed.

"There is always a plan that requires more money than what you have to spend at the time. A project being delayed could go back several years and projects," Ford said.

"From every indication I've received in the past few weeks, I do not think the Highway 150 reconstruction is in danger of being stopped," Ford went on to say.

One avenue that could be explored as a solution is the raising of automobile registration fees and the gasoline tax. Kentucky's automobile registration fees are less than any border state. Kentucky's user fee of 16.4 cents per gallon is also lower than any border state. Forty-five states have higher taxes on gasoline than does

Summertime has finally arrived in Rockcastle County with temperatures climbing near the 90 degree mark and the rainfall easing. Former Rockcastle County Magistrate John Hallbrook shows Tuesday morning in his flower garden where he has already put out over four thousand flowers this year.

## Carloftis warns that funds may not be available for any blacktopping in county

By: Aaron Anderkin  
Rockcastle County Judge/Executive Buzz Carloftis announced Tuesday that the county could be facing some reductions in spending.

While Rockcastle County expects to receive an allotted \$640,000 per year from the state, Judge Carloftis said that dollar figure can be changed by the Transportation Cabinet if the economy slows down.

"When the road fund is divided by the number of miles, only \$1,280 per mile can be spent each year. This includes employee's salaries, state and federal required burdens, liability insurance, vehicle maintenance, and materials. Carloftis said that anything left after those primary expenses can be spent on the roads."

"While this year's expected budget for the road department really isn't that much different, I do recall that, some year's back, the transportation cabinet told us that we might not receive the entire amount budgeted. And that was during very good economic times. With the obvious

sluggish economy, we are very hesitant to commit any of our county funds this year to blacktop," Carloftis said.

Carloftis went on to say this didn't mean there would not be any resurfacing or new surfacing added to the county's system. "Our county has survived and improved the roads over the years by having very good working relations with the state," he said.

According to Carloftis, the deci-

sion he did say that counties that have very few local taxes that require state support was of first priority.

In summation, the commissioner said—the reduction in spending from the federal level to the state level would eventually be heavily felt by the counties.

"There are some county projects that we had planned this year that will be put on hold," Carloftis said.

## Wildie Road name changed in honor of Ballard Parsons

A dedication will be held Saturday, June 28th by Representative Danny Ford renaming the road (Ky. 1786) that runs in front of Ballard Parsons' store at Wildie, to "The Ballard Parsons Highway."

The dedication will be part of the 14th Annual Ballard Parsons' Day!

Wildie Homecoming which will be held next to the store Mr. Parsons operated for many years in Wildie.

"We suspect Ballard would have wanted us to continue with this annual get-together," commented Dr. John Parsons, Mr. Parsons' cousin and event organizer. "We will start around 6 p.m. with a pitch-in meal."

"Ballard was an inspiration to everyone who knew him. When he passed away earlier this year, a large void was left in Wildie and in our hearts. A good man with tons of compassion, a wealth of knowledge and a tremendous sense of humor was lost," Dr. Parsons further said.

Everyone is welcome to attend this annual event in Wildie. Bring a dish and enjoy the company of old friends or come and make new friends.

## Poor penmanship thwarts robbery

A Waynesburg man on probation for two prior crimes of violence took a car from two men at gunpoint after wrecking his own Sunday appt on an unsuccessful robbery spree before police tracked him down.

Michael O. "Or" Hampton, who is either 26 or 27 depending on which of his court files is correct, remains in jail this week under a \$100,000 cash bond on charges that he stole a car at gun point, robbed a passenger in the stolen car of \$200 and later burned the car after two attempts at robbing grocery stores in northeast Pulaski County.

The owner of one of those stores, Mike Brown of S&M Grocery, and Deli on KY 39, said Hampton and another man pulled up to his store just before 6 p.m. Sunday. One remained in the car and the other, believed to be Hampton, came into the store and appeared to be under the influence of drugs.

Brown said Hampton had scrawled a note on a piece of cardboard before he came in and handed it to him, Patterson, who was working the cash register.

"You couldn't hardly read it," Brown said. "I read it to me and said, 'I can't read this.'"

Brown said the writing was messy. He knew it was a robbery but played along with Patterson.

"I said I can't read the card blamed thing," Brown said and Patterson returned the cardboard to Hampton.

"He handed it back to him and told him to rewrite it."

Patterson gave Hampton a pencil and sheet of paper and he wrote another note, this time in large, plain block letters, saying "Money or I'll

kill," or something to that effect, Brown recalled Monday.

By the time Hampton finished his second note, Patterson had made her way back down one of the grocery

## Red Hill man arrested in shooting

A Red Hill man was arrested Monday night after his daughter called police and reported that he had shot at her with a rifle.

Kentucky State Police Officer Jason McCowan arrested Farlin K. Bosher, 47, around 9:30 p.m. after he wrestled him to the ground.

McCowan reported that Bosher pointed his rifle at him and threatened to kill him. However, no shots were exchanged between Bosher and McCowan.

Bosher is being held on a \$10,000 cash bond in the Rockcastle Detention Center.

## Gillum appointed Circuit Judge

Somerset attorney Robert E. Gillum has been appointed Circuit Judge for Rockcastle, Pulaski and Lincoln Counties, following the recent resignation of Judge Dan Venters.

Gillum was sworn in by Kentucky Chief Justice Joseph Lambert last week.

Tragically, Judge Gillum's wife, Frances, died just three days after the swearing-in, which she was able to attend.

Archie Bales, right, WWII veteran, receives his high school diploma from Terry Burton, chairperson of the Rockcastle County Board of Education.

## Veterans receive high school diplomas from Board of Education

Three military veterans received high school diplomas from the Rockcastle County Board of Education in a brief ceremony on June 10, 2003.

A recent Kentucky law allows school districts to award high school diplomas to veterans who were inducted into military service but did not finish the regular high school course of study during World War I, World War II, Korean War or the Vietnam War.

Archie Bales was a student at Livingston High School in 1941 and 1942. He enlisted in the Army in January 1943. James E. Maybuis, a student at Brodhead High School, was also inducted into the Army in January, 1943. Paul E. Carler had been a student at Mt. Vernon High School before enlisting in the Air Force during the Korean War in June of 1952.

Joseph Lambert, Chairman of Rockcastle Hospital and Respiratory Care Center, Inc. Board of Directors, assists as Ruby Stewart, widow of Wayne Stewart, cuts a ribbon. James Lambert and Linda Morrissey also cut ribbons representing the Lambert family and families of hospital residents and patients respectively.

## Ribbon-cutting marks official opening of Lambert Walk at Stewart Gardens

The plot of land where families once trooped through snow to select the perfect Christmas tree has been transformed into a special woodland walk for the patients and visitors of Rockcastle Hospital and Respiratory Care Center, Inc.

The Lambert Walk at Stewart Gardens was dedicated June 8th with a ribbon cutting ceremony. It was named for the late Wayne Stewart, who once owned the former tree farm property, and the late James Lambert, among whose favorite pastimes was taking nature walks.

Mr. Stewart and Mr. Lambert were affiliated with the hospital for 30 and 32 years respectively. Families of both former board members were in attendance. Many staff, residents of the respiratory care center and their family members joined in.

The property is nestled in a partially wooded area behind the hospital.

A graceful blacktop path winds along raised flower beds of hostas, azaleas, rhododendrons, impatiens and many other flowering plants. Shade is provided by mature pine trees and two gazebos.

The potential spot is the result of many hours of planning and volunteer labor, work hospital CEO Steve Estes described as, "a labor of love."

"We have created a special place for our patients and those who visit them as a means of enhancing the quality of their lives," Estes said. "I want to thank all hospital personnel who so graciously gave of their time and the community volunteers who helped make it a reality, including the Master Gardeners Club, the Kiwanis Club, the Rockcastle High School Band and other friends."

Ruby Stewart, Joe Lambert, Jim Lambert and Linda Morrissey cut the

three ribbons to mark the official opening.

Morrissey, whose son Michael is a resident in the respiratory program, said she plans to spend a lot of time in the garden on her daily visits.

"It's beautiful. We've needed a place to go to read a book, to walk around, and have some peace and quiet. It means a lot," she said.

Rockcastle Hospital and Respiratory Care Center, Inc. is a not-for-profit community hospital, which is accredited by the Joint Commission on Accreditation of Healthcare Organizations. It operates inpatient and outpatient acute care programs, 60 long-term beds for ventilator-dependent patients, and a home health care service. The hospital was established in 1956 and treats patients from across Kentucky, Tennessee and several other states.

A large group of Rockcastle County fans traveled to Applebee's Park Thursday to watch the Rockets participate in the State Baseball Tournament. The Rockets lost to Louisville Male 12-2 (See story and other photos inside).

Fishing the creeks in Kentucky this summer and fall should be better than it's been in decades. Mostly because there have been no opportunities to fish flint since last fall.

The little riffles and pools below them where the overly smallmouth congregate have mostly been raging torrents all spring, at least here in central Kentucky.

Corn and tobacco fields that you need to walk through to get to the good holes have mostly stayed underwater and fish don't tend to leave the streambeds and come into the fields.

As a result, there has been almost no fishing pressure on spawning bass and if the weather ever clears up and the floods recede, all the fish that would have been caught this spring are going to be hungry and they are going to be fat and sassy as a result of all the food they've had available-washed in their high ground.

Normally, I do at least half my annual fishing in the little streams and I do it from the middle of April until the end of June. I start again in late August and fish until mid October. Normally I catch about the same amount of legal harvest-size fish in each season and almost never leave the stream on any given trip without enough for supper.

Most of the guys (and one girl) I fish with or stay in touch with and who share my passion for stream fishing have the same pattern. But nobody I know has caught a keeper fish out of Paint Lick, or Silver Creek, or Stoning Creek, or Hanging Fork, or Drover Creek, or Elkhorn Creeks, or Upper Dix River, etc. etc., all spring. We mostly haven't tried. The water has been way too high and too muddy.

So it stands to reason that the thousands of fish we "creekers" would normally have harvested this spring are still right there and they will soon be hitting a corn cob with a set of treble hooks on the end if that is what you cast out and jerk around a bit.

Personally, I'd advise that you buy some night crawlers and seine up a few crabs and some fat chubs or other minnow, if you want to put dinner on the table. And a dinner consisting of filets from redeye, smallmouth bass, Kentucky bass, she'llcrackers, catfish, or white perch (dum!) is impossible to beat when it comes to so-called seafood harvested in Kentucky. The point being that one meal is worth more than the cost of an annual fishing license.

Fishing with modern, discreet sport tackle takes a bit of learning, but you don't have to be a genius. To cook the fish, if you haven't learned to fillet, just rake off the scales, cut open the belly and take out the guts, and you don't need a bone or the hook you may have left inside it. Do that one time and you will want to become more proficient.

Kentucky is blessed with a freshwater fishery that really needs for more harvesting than it is getting. The trophy freaks (So-called Professional Bass's Seriously Serious about Small brains, are successfully applying political pressure on our Department of Fish and Wildlife Resources to increase size limits to make fish grow unnaturally large so they can achieve the dream of hanging in a creek on their walls. But these are people without much common sense, no knowledge of biology. Soon, I believe, common sense and better judgment will eventually prevail.

In the meantime, this summer and fall promise to be the best time for you to learn to fish and catch fish at the same time. Purchase a book of the individual county maps available at Walmart or your favorite bookstore and look for streams. If they are identified on the map as creeks, they probably have fish that you can catch and eat.

Explore Kentucky and fish while you are doing it. If you can't find a place to park near a bridge or alongside the road, go ask the nearest landowner. As long as you're just fishing and not swimming or peeing in the creek, chances are you will make a friend-especially if you catch a mess of fish and offer to share them. In the meantime stay off the lakes and from what we can tell, has the law enforcement people completely under its control and you will not be able to keep anything small enough to eat.

Pray for Ben Chandler's election and maybe we can rid ourselves of this injustice and finally get some brains into the KY DFWR.

Dear Editor,

It would be hard to say that the new Bush prescription drug plan is better than nothing. Very confusing, too many complicated decisions for seniors to make. Too many plans to choose from, only to find you are not covered in the end! Just another step to private medicine.

Why not lighten up on the tax cuts for the rich and have a simple prescription drug plan for seniors?

We must always keep in mind a public statement Reagan made, "Old people don't need Social Security, they should have saved enough money for old age."

## Michigan group at Christ's Outreach

An almost all adult mission work group from Kalamazoo, Michigan, spent the week of April 27-May 3rd at Christ's Outreach for the Blind.

The group representing Southridge Reformed Church consisted of 16 adults and one adolescent, Amy Parks.

The entire group put in 507.5 volunteer hours at Christ's Outreach for the Blind. They were able to bring the landscaping of the fountain area in front of the Outreach closer to its completion.

Many of the group members labored for four days tilling the ground, picking up rocks, raking soil... until finally they were able to lay 120 square yards of bluegrass sod (donated from AGR1 Sod in Lexington, Kentucky).

A skilled carpenter in the group was able to complete the crown molding in the cafeteria, and encase light fixtures in the Outreach. In addition, a plumber with help from

other group members installed bath-tubs and commodes in the remaining bedrooms.

This Christian group came to serve the Lord cheerfully. Becky Ringler, the group's leader said, "I was excited to see what He had in store for us through the week." In closing, Becky remarked, "I'm sorry to leave, but excited because we've already scheduled to come back the same week next year!"

Construction work will continue at Christ's Outreach for the Blind as mission teams from across the United States visit in June, July, and August. If you have any questions about this camp, please contact Mike Gates at 256-8858 or go to the contact page of the camp's website at [www.blind19.com](http://www.blind19.com).

## Rockcastle Health & Rehab Center holds employee appreciation picnic

Bige Towery, center, a member of the Rockcastle Hospital and Respiratory Care Center, Inc. Board of Directors, took time out to visit with the more than 200 employees who attended and thanked them for the service. Joining him, from left: Mike Deborde, administrator, and Beverly Morgan, director of nursing.

For those who had room after the lunch, which was catered by Shloh's Food, the dietary department provided an array of delicious desserts. Here, waiting to dish up some delights are Martina Alcorn, dietary manager, Joy Callahan, training director and Nel Hard, dietary.

Mary Simpson, right, one of more than 100 residents of Rockcastle Health and Rehabilitation Center, Inc. enjoys a special treat during the facility's annual Employee Picnic, held June 6th. With her is Bridgette Wagers, an occupational therapy intern. Morning View Gospel Singers, in background, entertain the crowd.

## In Memory

On June 11th our precious Peggy went away.

All our hearts grieved for we felt it was not her time to leave.

The pain we felt that day will not soon fade away.

A mother, a daughter, a wife and friend.

Comfort, happiness, laughter and love are the handprints she left in our hearts.

And we thank her for that and all the joyful memories she share.

## "It is Written"

In Revelation 7:10 we read, "And cried with a loud voice, saying, Salvation to our God which sitteth upon the throne, and unto the Lamb." The word loud comes from the Greek word, "megala" where we get the word "Mega". It means big, exceeding, great, high, large, loud, might, according to Mr. Strong's concordance. This what we see, is that this great multitude is crying out with a mega voice, "Salvation to our God which sitteth upon the throne, and unto the Lamb." Who are those that are crying out with a mega voice? "After this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands." It is the redeemed, the saints, Christians from all over the world who cry out with this "mega" voice unto the Lord. They cry out in praise and admiration to God, because of gratitude, thankfulness, humility, and their love for God. They are praising to give praise to God, for their faith and conviction moves them to cry out with this "mega" voice! They realize that as they are standing before the throne of God Almighty and before the Lamb, they can't help but stand in awe of them. Do you ever feel like praising God with a mega voice? Yes, when one thinks about all the goodness, mercy, love, and grandeur of our God and His Son, Jesus, you just can't help but cry out with a mega voice!

## Library News

We had a wonderful day last Tuesday, June 17th at Story-Hour. Several of the children had their picture made with a big bookworm. Ms. Traci Parsons was on hand to help read books to the children and assist with the activities. The Intermediate craft session is going very well. The puppet theatre has been painted and the children are scripting a play and using finger puppets. They will continue to decorate the different community buildings and prepare for their presentation.

The scrapbooking class also went very well with Hazel Jackson. There were several in attendance. The last day of the scrapbooking class is Monday, June 30 at 1 p.m. We hope to have some pictures in next week's Signal.

The Story Book Chautauqua presentations went extremely well. Travis Barton gave of his time to come out and be a part of the presentation, even though he has already graduated from RCHS. Travis presented "Henry David Thoreau." We appreciate you, Travis, Allison Carter did a wonderful job portraying "Betty Ross." Jessica Denny portrayed "Pocohontas." Our hat is off to you, Jessica, Harold Burdette came out with a show, presenting "Johnny Appleseed," and Traci Parsons did her usual great job of presenting.

"Sally Ann Thunder Ann Whirlwind Crockett." These fine young people are to be commended for granting their time to their local library. We appreciate you all for the fine performances last Thursday, door prizes were won by Tiffany Davidson, Brandon Nichols, Tasherra Davidson, Nora Nichols and Harley Davidson. At the end of the program, the drawing took place for the bonnet on display at the library this past month, made by Charlene Gentry, Eddie Nichols won the bonnet and we all teased him because the ladies really wanted to win. Eddie said he had a nice doll at home on which the bonnet would fit displayed. Congratulations for winning!

We are winding down with Summer Reading. Don't forget to number the books you have read in your log and bring it to the library to collect your coupons. The logs must be turned in to a librarian by Saturday, July 5th! It won't be long before July 5th will be upon us and Ronald McDonald will be here for the closing program. Today (June 26th) at 4 p.m. at the library, the Live Animal Show will be taking place, so come on out on out and enjoy it with the children. Make the connection, connect @ your library!

The Rockcastle County FFA members pictured above participated in numerous activities during the week of the Kentucky State FFA Convention. The various contests that our chapter participated in was Variety Chapter Meeting Contest, members were Heather Adams, Daniel Bustle, Mathew Whitaker, Zach Hale, Bryanna Bussell, Jordan Hall, Mark Dyhouse, Mathew Faulkner, Donnie Sowder and Jessie Wright. Our chapter also participated in various speaking contests. Participants were Heather Adams, Nathan Don, Jordan Hall and Zach Hale, Mathew Whitaker, Heather Adams and Chris McGuire were all State finalists in the State proficiency areas based on their FFA projects. Heather Adams proficiency placed third on the state level in Dairy Entrepreneurship, Daniel Bustle and Mathew Whitaker participated as delegates at State Convention. Mark Dyhouse and Donnie Sowder were on the courtesy core at State Convention. Eric Adams interviewed for a state office and was elected as our Kentucky State FFA treasurer.

Bryanna Bussell, above, and Heather Fingleton received their Kentucky State FFA degree at the Kentucky State FFA Convention recently. Bryanna and Heather both qualified for the state degree by having state, regional and local FFA activities and by maintaining a Supervised Agricultural Experience Program.

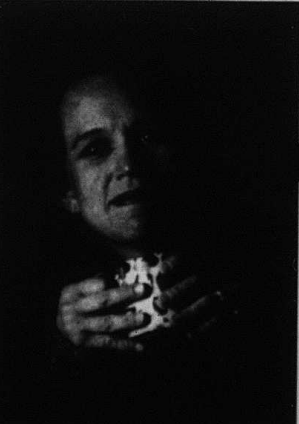

The Rockcastle County FFA received numerous awards for their accomplishments at the 74th State FFA Convention. These included the Community Development award, the Chapter Safety Award and the Kentucky State Gold Emblem. Our chapter was very active in the Christian Appalachian Garden project, community landscaping and Project PALS to merit winning the community development award. Our chapter received the safety award for numerous safety activities such as farm safety days, held with local 5th graders and for tractor, farm and shop safety. The State Gold Emblem is awarded to chapters based on their accumulation of activities. The Rockcastle County FFA Chapter joined the elite chapters in the state in receiving this honor, which is the highest a chapter can receive for the state level. Pictured above are Donald Sowder and Daniel Bustle with the Community Development and Chapter Safety Award.

Adam Caperton, son of Jennifer Caperton of East Bernstadt and grandson of Richard Shivel and the late Marjorie Shivel of Brodhead, was recently published in *Who's Who Among American High School Students and the National Honor Roll* for the third year in a row. Adam, a 17-year-old who just finished his junior year at Cornerstone Christian School in Lily, also has been recognized by the United States Achievement Academy and was the last Hugh O'Brian Youth Leadership ambassador to represent All Saints High School. Adam has participated in Civil Air Patrol, Cornerstone basketball, All Saints basketball, and student government. He plans to attend Berea College and Regent University in Virginia Beach, VA after high school.

Eric Adams, from the Rockcastle Co. FFA chapter, was recently elected Kentucky State FFA treasurer. Eric went through a day of interviews on agricultural issues, current events, and FFA leadership abilities. He will be responsible for the state finances as he represents our chapter in his one-year term as our Kentucky State FFA treasurer. He will be traveling over 10,000 miles across the state of Kentucky visiting several chapters as they participate in various contests, banquets, conventions, as well as camps. Congratulations Eric, on behalf of the Rockcastle County FFA Chapter we are all very proud of your accomplishment and we wish you luck in your upcoming year. Pictured above is Eric with parents, Roy and Judy Adams, after the announcement of his office.

# Rockets lose to Male in State

The Rockcastle County Rocket baseball team's quest for a state championship came to a screeching halt Thursday in the Elite Eight at Applebee's Park. The Rockets fell to eventual state runner-up Louisville Male 12-2.

In the first three innings it looked as if a pitching duel was in the making as Male junior ace Scott Green and Rocket freshman Colby Brown held their opposition scoreless.

However the fourth inning saw Louisville Male post five runs on the board and force Rockcastle County to play from behind the remainder of the game.

The Rockets then posted one run in the bottom of that inning on a throwing error that allowed Rocket sophomore Ronny Lee-McClure to score from third base.

In the top of the fifth, Bulldog designated hitter Doris Wright took Brown deep to right field for a 2-1 ballgame and virtually putting the Rockets out of contention. Rockcastle County put together three consecutive singles in the bottom of that inning to score one more run but it wasn't enough as the Rockets ended the year with a 12-2 defeat in six innings.

After the game, Coach J. D. Bussell was pleased with his team and their effort in making the tournament and spoke about the standard for winning being raised. "This gives our underclassmen something to build on. This is a big step for our program and I think our success can continue to grow because of this experience."

Coming into the game, the Rockets saw themselves at a dis-

tinct disadvantage as the previous week's horrid weather forced their section to be the last one played. This put the Rockets pitching staff on very little rest and even disqualified senior ace Aaron Anderkin for the first game of the state tournament.

Anderkin threw 7 innings in the rubber game of the 3 game series with Hazard on Monday. KHSAA rules state that a pitcher that throws seven innings must then have 3 full days rest. Brown threw 6 innings, which required two days rest, and made for a sore arm in the process.

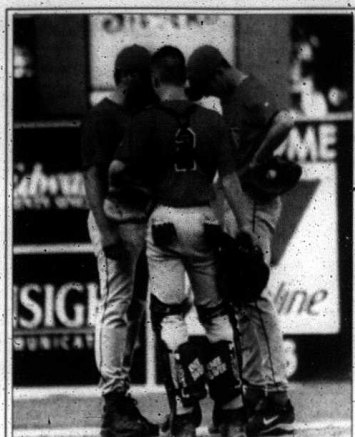

"The pitching situation was very unfortunate. I wish that we could have come into the tournament with a loaded pitching arsenal along with the rest of the teams, but it didn't happen," said Bussell.

The state championship game featured Paul Lawrence Dunbar and the Louisville Male team that defeated Rockcastle County in the first round.

Rockcastle County fell to Dunbar 1-0 in May. At the time, Dunbar was touted as the number one team in the state.

Saturday night's championship game was hyped to be a great pitching match-up as both teams had their ace primed and ready. The match-up featured Dunbar's Wake Forest signee Josh Ellis and promising prospect Scott Green from Male.

Most of the game's scoring would happen right away as Male committed three errors in the top of the 1st and allowed Dunbar to score 2 unearned runs. Although they got 8 hits off of Ellis, Male never could put them together as Dunbar went to capture their first ever state title 3-1.

Rocket head coach J.D. Bussell visits freshman pitcher Colby Brown in the fourth inning on Thursday. Brown ended the year second on the team in ERA with a 1.91 and four wins.

# Reagan plays in State All-Star game

Rockcastle County All-Star running back Marty Reagan became only the third player in Rocket history to take the field and represent his state in the Kentucky-Tennessee All-Star game last Saturday.

Reagan, who holds all single season and career records at Rockcastle County in rushing and all-purpose yardage along with scoring, played tailback and special teams for the Kentucky All-Stars.

For the second consecutive year and the third time in the past four years, Kentucky defeated Tennessee. This year Kentucky took the game 28-14. P. The 2003 game saw a Kentucky passing attack engineered by Mr. Football Michael Bush that completely dismantled the Tennessee defense.

In that high powered offense, Reagan caught one pass for 21 yards and he also got three runs inside the 10 that he made good for 8 yards.

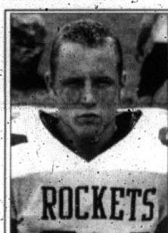

However, the noticeable highlights from Reagan occurred on Special Teams. Reagan recovered one fumble and made one tackle good for negative yardage during his duty on special coverage.

Lexington Herald-Leader writer Mike Fields called Reagan pound for pound, inch for inch the best high school football player in the state of

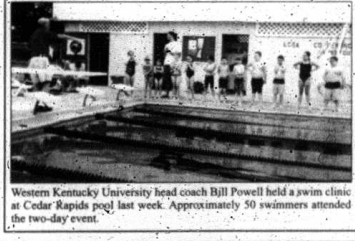

Kentucky. Even making his all-star game appearance sweeter, Rocket Head Coach Larkey was named reigning backs coach for the 2003 game and worked with Reagan the entire week.

Larkey will be the head coach of the All-Star game next year. He was voted to that capacity by the member coaches of the Kentucky High School Football Coaches Association.

Marty is the son of Kelly and Lisa Allen of Mt. Vernon.

Running back Marty Reagan took part in the Kentucky-Tennessee All-Star game last Saturday.

Western Kentucky University head coach Bill Powell held a swim clinic at Cedar Rapids pool last week. Approximately 50 swimmers attended the two-day event.

# Finish 3rd at first annual LCSA Relay Meet Dolphins take a "bite" out of Barracudas

The Cedar Rapids swim team began the 2003 season with a victory over the Laurel County Barracudas last Thursday at Crooked Creek Country Club. Despite having several older swimmers not participating due to other commitments, the Dolphins took 36 first place finishes out of 134 events. The final score was 725-691.

This year's swim team is being coached by two former Dolphin swimmers. Head coach is Andrew Hammond and assistant coach is Tara Burton. Andrew, who just completed his first year swimming for legendary coach Bill Powell at Western Kentucky University, is in his first year of coaching. Tara was an assistant coach on last year's team. She now attends the University of Kentucky. Both were part of Cedar Rapids championship teams in the Lake Cumberland Swim Association in 1994, 1998 and 2000.

On Saturday, June 21st, Cedar Rapids traveled to Barbourville and Union College for the first annual LCSA Relay Meet. Despite having only 26 swimmers available, the Dolphins put on a strong showing for a third place finish. Outstanding performances included the 11-12 year old mixed breast stroke relay which took first place and the 15-18 relay team of Sarah Mullin, Ryan Graham, Allison Anderkin and Cody Alexander which took first place in the mixed medley relay and several second and third place finishes against really great competition. The Dolphins were home against

Monticello this week, travel to Somerset for a meet on July 1 and are back in action at home against two-time defending LCSA champions Lakewood Marlins on Tuesday, July 8th. The meet time is 6 p.m.

This year's Dolphins are 71 members strong and include: Ass. Adams, Brittany Adams, Cody Alexander, Allison Anderkin, Megan Anderkin, Ashton Arvin, Sydney Arvin, Callie Asher, Joseph Baker, Rebecca Bairon, Dustin Bishop, Brittany Boring, Kayla Bryant, Ashley Bullock, Courtney Bullock, Kristin Bullock, Thomas Burdette, Lauren Burton, Allison Carter, Katelyn Cash, Adrienne Childress, Bethany Clontz, Brent Clontz, Bryan Clontz, Heather Clontz, Lauren Clontz, Victoria Clontz, Alaina Coguer, Cora

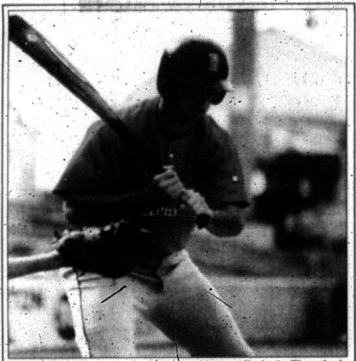

Collingsworth, Katie Cowan, Holly Cromer, Jessica Davidson, Devin Davidson, Drew Davidson, Michael Florence, David Gabbard, Deana Gabbard, Keeley Goff, Ashton Goodere, Lauren Graham, Ryan Graham, Andrew Hook, Jacob Hook, Justin Houk, Morgan Hunt, Shayla Kirby, Jillias Lay, Ehan Mattingly, Kelsey Mattingly, Ella McQueary, Kyle Mullins, Sarah Mullins, Katie Parsons, Devin Poynter, Dustin Poynter, Vanessa Price, Hillary Proctor, Megan Rader, Crystal Reddington, Emily Reddington, John David Reddington, Emily Road, Hannah Robinson, Joey Robinson, Sarah Runsey, Alexis Young, Brandon Young.

Cedar Rapids swimmers David Gabbard and Devin Poynter were excited about this year's team. David finished first in the first race of the 2003 season at Laurel County. Devin and older brother Dustin are two of several new Dolphins.

WKU Coach Bill Powell dropped in on Cedar Rapids practice while in town to conduct a swim clinic. He is with Dolphin coach Andrew Hammond. Hammond swims for Coach Powell at Western Kentucky University.

## Real Men Face Real Depression (Part 4)

If 6,000,000 American men are depressed, where are they? (Statistics and quotes for this column are from National Institute of Mental Health website.) Take a look. They are all around you. They are fathers, husbands, brothers and uncles. They are boyfriends, coworkers, bosses and friends. They are deacons, el-

ders, pastors and schoolteachers. They are bus drivers, plumbers, attorneys and doctors. You will not have to look far to find them.

How can you identify them? They are tired and grumpy. They have little motivations and even less energy. Nothing seems fun to them. They may not sleep well or eat well. They may feel empty and hopeless. They may complain of headaches and

### stomach problems.

Two groups of men merit special attention: the elderly and adolescents. Elderly white males have the highest rate of suicide of any age group. Most of these have a depressive illness that has been overlooked by family and healthcare workers.

It is easy to attribute symptoms of depression to aging rather than diagnose the depression correctly. If Grandpa is unhappy, sad and hopeless, that may be depression and not just getting older. If he has trouble remembering and concentrating, that too might signal depression.

Signs of depressive disorders in

adolescent males are often viewed as the normal mood swings of a teenager. Anger, trouble at school, negativity, withdrawal and grouchiness may be more than adolescent mood swings. They may be symptoms of depression.

Sometimes the depression is accompanied by a substance abuse problem. The adolescent uses the drugs or alcohol to mask the depression and help him fit in with a group. Suicide is a risk when adolescents are depressed. "NIMH-supported researchers found that among adolescents who develop major depressive disorder, as many as seven percent

may die by suicide in the young adult years." Depression at any age can be fatal.

Thankfully depression can usually be successfully treated. Medication has become the first line of treatment for major depression and bipolar disorder in males and females.

There are several new antidepressant medications that can provide help with few potential side effects. Such medications are not habit-forming. These medications may take several weeks to work. Only your doctor or a psychiatrist can determine which of the many medications available would be best for you.

The first step for anyone who is depressed is the doctor's office.

The second step for depression treatment is the counselor's office. Therapy can help the depressed person find new ways to deal with life's problems, thus relieving some of the stress. The counselor can also help the depressed person deal with traumatic memories from the past, such as abuse.

Herbs, light therapy and electroconvulsive therapy are other potential treatments that should be discussed with the physician.

Help for depression is available. Take it.

## Operation Round-Up begins

How can one person, donating less than \$50 a month, make a difference in their local community? By participating in Jackson Energy's Operation Round-Up.

Jackson Energy recently became Kentucky's first electric cooperative to offer this voluntary program, which will allow members to give back to their local community. Beginning July 1, members can choose to have their electric bill rounded up to the next highest dollar amount, and the extra money will be used to fund community improvement projects in the area served by Jackson Energy.

"It's called Operation Round-Up," said vice-president of Customer Services Rodney Christman, "and it's a program that hundreds of electric cooperatives across the country already offer to their members. Jackson Energy is the first co-op to offer it in Kentucky."

"Operation Round-Up gives members the opportunity to give a small amount each month to deserving individuals and organizations, located in the communities we serve and in which we live," Christman explained.

Some examples of funded projects may include volunteer fire departments, community centers, food pantries, Boy and Girl Scouts, historical societies, 4-H programs, flood victims, disabled individuals and many others. An organization of individual will complete an application to be considered for funding.

"Operation Round-Up works when co-op members voluntarily have their electric account rounded up to the next highest dollar amount. For example, if a bill was \$74.62 and the member had volunteered to partici-

pate in Round-Up, it would automatically be rounded up to \$75. The additional \$1 would go directly into the Round-Up account. The average contribution over time would be approximately 50¢ per month.

The donated funds will go directly into a trust account that can only be used for charity. This account is administered by a seven-person Board of Trustees. They are: Chairman Homer Radford, Jr., Laurel County; Vice Chair Carroll DeForest, Jackson County; Secretary/Treasurer Sue Hamm, Rockcastle county; Landis Corbett, Clay County; Nelson Bobowski, Owen County; Patricia Abner, Lee County; and Robert "Beetle" Isale, Estill County.

An application is included in Jackson Energy's June bill insert and Operation Round-Up will begin in July. Co-op members may sign up for the program at any time throughout the year. Any individual or community group with a worthwhile project can apply for funding. The application must demonstrate a clear benefit on need to the community or individual receiving the funds. The Board of Trustees will have regular meetings every other month, beginning in January 2004 to review applications.

"To launch this program we are using the theme, 'The Power of ONE,'" Christman added, "and ONE stands for Operation Round-Up Needs Everyone. This is a way for one person to make a difference in their local community for only pennies a day."

Jackson Energy, headquartered in McKee, is a Touchstone Energy Cooperative, serving 50,000 members in Southeastern Kentucky.

### What's Another Name For Chicken?

By Hazel Jackson.  
County Extension Agent for Family and Consumer Sciences

How many "chickens" names can you think of? There are almost as many different names for chickens as there are recipes for chicken. Here are a few definitions for chicken. See how many you know, then share this in a matching game with a friend.

Do you know what a capon is? A capon is a male, surgically unsexed chicken. It is between 16 weeks to 8 months old. The capon weighs 4 to 7 pounds. A capon is roasted whole and is quite tasty and tender.

How is a "broiler-fryer" different from a capon? A "broiler-fryer" is a young tender chicken about 7 weeks old. It weighs 2 1/2 to 4 1/2 pounds. The "broiler-fryer" is spicier than the capon.

What about a stewing/baking hen? A stewing/baking hen is a mature, laying hen and is about 10 months' old. The meat of the stewing/baking hen is less tender than the young chicken and, of course, is usually cooked by stewing.

What is a cock or rooster? A cock or rooster is a mature male chicken with tough meat. It is best prepared by long, moist cooking.

Can you define roaster? A roaster is a chicken that is 3 to 5 months old. It weighs 5 to 7 pounds and usually has more meat per pound than a "broiler-fryer". It is usually roasted whole.

What is a very small "broiler-fryer" that weighs only 1 to 2 pounds called? It is called a Rock Cornish Game Hen. It is

usually roasted whole.

Now you know many "chicken" terms and what they mean. Add the following "chicken" recipe to your collection.

- SUNDAY CHICKEN SUPPER**  
(For the slow cooker)
- 1 broiler/fryer chicken (2 1/2 to 3 lbs) cut up
  - 1 medium onion, chopped
  - 1 celery rib, cut into 1-inch pieces
  - 1 medium carrot, cut into 1-inch pieces
  - 5 small red potatoes, quartered
  - 1 broiler/fryer chicken (2 1/2 to 3 lbs) cut up
  - 1/2 cups hot water
  - 1 teaspoon chicken bouillon granules
  - 1 teaspoon salt
  - pepper to taste

Wash hands. In 5-qt. slow cooker, layer first 5 ingredients in order listed in bowl, combine the remaining ingredients, then pour over top. Do not stir. Cover and cook on low for 6-8 hours or until vegetables are tender and chicken is done. Remove chicken and vegetables. Thicken juices for gravy, if desired. Makes 4 servings. 6g fat; 50mg cholesterol; 1090 mg sodium; 2g fiber; 29g carbohydrates. Make a complete meal by adding fruit, bread, and pudding for dessert.

## Local organizations receive CAP grants

Two local organizations are among 29 grants now on-profits to receive grants this spring from the Christian Appalachian Project. Michael's Nursery and The Cub Scouts are among the organizations in East-

ern Kentucky, West Virginia and Tennessee to receive the cash grants.

Michael's Nursery will use the grant for baby supplies and the Cub Scouts will use their one time grant for uniforms, educational trips and educational tools.

The grant program is an important element in the mission of the Christian Appalachian Project. CAP began the Human Services Grants Program in the early 1980's as a way to reach out to other area organizations that provide services to the people of Appalachia. The program provides CAP the opportunity to make the best use of its resources without duplicating services provided by others in the community. This year alone, the grants program has helped 85 organizations in the Appalachian Region.

Vivian Barton, daughter of Dewey and Zora Robison of Mt. Vernon, caught this 49 lb. flat head June 21st at a local paylake. "Big Mo" was caught on a special bait provided by Vivian's great nephew, Austin Phelps. Vivian challenges her brothers, Donnie and Jerry, to beat this one!

Congratulations to Angel Halcomb for being the winner of the Wolfe Creek Dam Fishing Tournament with a 4 lb. 17 1/2" trout. Love you - Mom.

## Words of Hope

During the 1990's Travis Tritt's hit song, "Here's a quarter, call someone you care" was sung by millions of fans. This humorous song unfortunately is a sad reality for many. Do you ever feel like nobody cares and you are all alone? Here is a solution; come to church and find a room full of people who care about you. Even better, come to church and find God who really cares about you.

—A message of hope from your friends at

## Light provides comfort in the darkness.

Those touched by cancer know the dark times this disease can bring. But even amid the darkness, lights of hope and comfort shine. The American Cancer Society Relay For Life is an overnight event that unites community members against cancer. One of the cornerstones of this important event is the luminaria ceremony, where candles shine from paper bags decorated with messages to family of those who battle cancer and to members of those who have been lost. As they Relay For Life participants walk throughout the night, the luminaria light their journey.

If someone in your life has been touched by cancer, purchase a luminaria in their honor or memory. Your donation will help fund the American Cancer Society's fight against this disease, including research to help find a cure. To purchase luminaria for your local Relay For Life, contact your American Cancer Society at 1.800.ACS.2345 or visit www.relayforlife.org

### Automobile and Work Injuries

Symptoms May Vary

Following an automobile accident or work injury, symptoms may not show up immediately or even within a few hours. Because damaged, injured tissues often degenerate slowly, sometimes symptoms don't develop for several days, months or occasionally years.

**Typical Automobile Accident Symptoms**

Any one or all of these symptoms could be an indication of a serious spinal problem or injury.

- Headache, dizziness, frequent nausea
- Low Back Pain - Pain between shoulders
- Pain and/or numbness in the hand, neck, shoulder, arm
- Pain between shoulders
- Fatigue or "weak feeling" spells
- Weak, cold, tingling hands, feet, arms, legs
- Heartbeat rapid, irregular, fluttery, pronounced
- Frequent constipation, indigestion, bloating, depression, insomnia
- Winging in the ears or diminished hearing
- Difficulty concentrating, mentally "foggy"
- Restricted neck movement

Several patients, family members and staff watch as the Lambert Walk at Stewart Gardens is dedicated. The garden area is located behind the hospital and features beautiful plants and an accessible walkway. Many community volunteers assisted in establishing the garden area, which was dedicated June 8th.

Nathan Tyler Chaney turned one year old on May 26th. He celebrated his birthday on May 28th with a "Blues Chas" party at his home. He would like to thank everyone for coming and for all his nice gifts. Nathan is the son of Joey and Tricia Chaney of Mt. Vernon. He is the grandson of Lee and Cindy Morris of Berea and Steven and Etta Chaney of Mt. Vernon and the great grandson of Elsie Cromer of Mt. Vernon. Happy birthday Nathan. We love you! All your family.

### Historic marker for Red Foley boyhood home

The public is invited to attend the unveiling of Historic Marker #2114 to be placed at the site of the boyhood home of Red Foley on Thursday, July 10 at 10 a.m.

The home is located at the intersection of Menelaus Road/Highway 595 in Berea.

Born Clyde Julian Foley on July 17, 1910 and nicknamed "Red" for his hair, he was recruited by Chicago's WLS Radio Station to perform on their Barn Dance in 1931. The Barn Dance was later renamed the National Barn Dance and broadcast on NBC in 1933. Foley helped found the Reno Valley Barn Dance in 1938, hosted the Grand Ole Opry's "Prince Albert Show" from 1946-1953 and ABC's "Ozark Jubilee" from 1955-60.

For more information, contact Mt. Vernon tourism 606-256-9814 or Berea Tourism 800-598-5263.

tion to offer additional assistance to the county won't be made until after July when the new fiscal year has begun.

In a meeting in London with the local government's commissioner, Carlotta said the commissioner told the county officials he'd never seen such tightening of funds by the state's various cabinets and departments.

### "Robbery"

(Cont. from front)  
turned out to be registered to a Mount Vernon minister whose son was driv-

ing the car and was not involved in the attempted robbery.  
A second unsuccessful robbery attempt, according to police, was made further south on KY 39 at Pearl's Grocery.

The crime spree began shortly before 3 p.m. Sunday when Hampton ran his own vehicle into a ditch on Cemetery Road near Waynesburg. According to police reports, Hampton grabbed a rifle out of his vehicle and stopped a car belonging to Rene F. Rodriguez of Tolley Road, Waynesburg.

Hampton, allegedly forced Rodriguez and a passenger, Donacino Gonzalez of Danville out of the car at gunpoint and robbed Gonzalez of \$200 in cash.

As the three stood on the road, a pickup truck belonging to Shelby and Lucille Justice of Tolley Road happened by. Gonzalez jumped in the back of the pickup and told the Justices to "fly," which they did. Hampton gave chase in Rodriguez's car but didn't catch them.

While police were investigating the car theft and robbery on Cemetery Road, a call came in about the attempted robberies in Pulaski County in which the suspect was driving the stolen car.

The Rodriguez car was later found burned on Parker Road near Waynesburg and Hampton was tracked to a home on Ellison-Pulaski Road.

Hampton was arrested and police say further arrests may be made. Hampton was on probation from jail after entering guilty pleas in two separate cases in the past seven months.

He pleaded guilty in November to wanton endangerment charges for shooting at an occupied house last

March. He was sentenced to two years in prison but the sentence was probated for three years.

Earlier this year, he pleaded guilty to charges that he held a knife to his ex-wife's throat and threatened to beat her or kill her over custody of their child. He was sentenced to 30 days in jail. That sentence also was probated.

Hampton, whose lives at 930 Ellison Rd., Waynesburg, was about to have his probation revoked for not attending drug treatment classes, refusing to submit to drug tests and failing to report to his probation officer.

Circuit Judge William Cam last month ordered his probation revoked

but police had not located Hampton until finding him at a house on Ellison-Pulaski Road shortly after 7 p.m. Sunday after the alleged-car theft and attempted robberies.

Thus far, Hampton has been charged with two counts of robbery, theft of the car and tampering with evidence in the burning of the stolen

car. Kentucky State Police Trooper Bill Collins said that after he was arrested, Hampton told officers, "I torched my Mexican's car."

In addition to Collins, Troopers Eric Taylor and Chris Crockett were involved in the case as well as Bill Schmitzler and Ron Luster of the Lincoln County Sheriff's office.

### "Hwy. 150"

(Cont. from front)  
Kentucky.  
However, Ford made no mention about the talk of gasoline taxes being raised.

The net effect of the speed-down of the cabinet's cash balance, which began in 2000, will be a 15-20 percent reduction in highway projects that will be started in 2004. Projects that are effected are the ones that are 100 percent state funded. The cash balance has been used to help keep these projects on schedule.

### \$5.00 Club

What is the \$5 Club? The \$5 Club is a new program at Christ's Outreach for the Blind which allows any person to be able to make a donation. Many people think that they can not possibly make a donation to a non-profit because they do not make very much money or because they don't have an extra \$100.

Well, with this program, you can make a donation - just \$5 per month! By filling out the form below and returning it to Christ's Outreach, you will become enrolled in the \$5 Club. This means that you will send in \$5 a month! In return, Christ's Outreach for the Blind will send you a letter that confirms your donation. This letter may be used for your tax purposes since we are a nonprofit charitable 501(c)(3) organization.

## 40th Wedding Anniversary

The daughters of Eloyd and Diana Anglin would like to invite family and friends to the renewal of their parents' marriage vows on their 40th anniversary Saturday, the fifth of July, two thousand and three at two o'clock in the afternoon at the Hickory Grove Pentecostal Church in Brodhead.

## Bennett - Mullins

Rick and Debbie Frazer, of Corbin, wish to announce the upcoming marriage of their daughter, Stacy Denise Bennett, to Nathan H. Mullins, son of Mike and Frieda Smothers of Highland.

Stacy is a 1996 graduate of Whitley County High School, a 2000 graduate of Georgetown College and is presently employed at the Homeless and Housing Coalition of Kentucky.

Nathan is a 1995 graduate of June Buchanan High School and graduated from Georgetown College in 2002. He is currently a student at the University of Kentucky College of Medicine. Nathan is the grandson of Mildred and Herman Mullins of H. Hat and Dorothy Brown and the late Charlie Smothers of Brodhead.

The wedding is Saturday, July 19, 2003 at 5:30 p.m. at the Calvary Baptist Church, South R30, in Corbin. A reception will follow at the London Community Center, Main Street, London. All friends and family are cordially invited.

## Cook - Hall

Mr. and Mrs. Donald Cook and Mr. and Mrs. Talt Hall invite you to share in the joy of the marriage uniting their children, Tina Elaine and Justin Wyatt.

This celebration of love will be Saturday, June 28, 2003 at 1 p.m. at Birchlick Baptist Church on US 421 in McKeel. All friends and family are invited.

## 50th Wedding Anniversary

Cecil and Ann Hampton celebrated their 50th Wedding Anniversary, June 13, 2003 with relatives and friends at the home of Roger and Judy Jelen in West Chester, Ohio. The Hamptons held another anniversary celebration at their home in Buena Vista on June 14.

The couple has three children, Virginia Schmidt and husband Tom of Covington, Ohio; Judy Jelen and husband Roger of West Chester, Ohio; and Ann Hampton and husband, Karen of Shelbyville, Indiana and seven grandchild/ren.

The Hamptons, who are formerly of Brodhead, resided for many years in Cincinnati and now live in a home on Lake Lovell.

**BEING:** an iron pipe in the right of way of Kentucky 11249, thence northerly with Bill Taylor Line about 150 feet to an iron pipe thence westerly about 210 feet to an iron pipe, corner of Bill Taylor in the right of way of Kentucky 11249, thence southeasterly with the right of way of Kentucky 11249 to the point of beginning, containing one-half (1/2) acre more or less.

And being the same real property Troy Goforth and Lee Ann Goforth obtained by Deed dated February 22, 2001 from Randal E. Corry and Kathryn Lee Corry of record in Deed Book 183, Page 311, in the Office of the Clerk of the Rockcastle County Court, Mt. Vernon, Kentucky.

The above described real property is improved with a 1989 Holpark 1470 mobile home, serial no. 01FR2088, which will be sold jointly with the property.

#### The property shall be sold on the following terms and conditions:

- The real property shall be sold for cash or upon a credit of thirty (30) days with the purchaser required to pay a minimum of twenty-five percent (25%) of the purchase price in cash on the date of sale and to secure the balance with a bond approved by the Master Commissioner.
- The bond shall bear interest at the rate of twelve percent (12%) per annum until paid in full. The bond shall have the force and effect of a judgment and shall be and remain a lien upon the property sold as additional surety for the payment of the purchase price.
- Unpaid taxes or liens of record at the time of entry of judgment shall be paid out of the proceeds of the sale.
- The purchaser shall pay the 2002 local, county and state property taxes.
- The purchaser shall have possession of the real property upon compliance with the terms of the sale.
- In the event that Citizens Bank is the successful bidder and the sale price does not exceed the amount of the plaintiff's judgment, no deposit or bond shall be required.
- The sale shall be made subject to all easements, set back lines, restrictions or covenants of record or otherwise and shall be sold as is.

**William D. Reynolds, Special Master Commissioner Rockcastle Circuit Court**
