The 42nd graduating class at Rockcastle County High School held their graduation ceremony last Friday night in the RCHS gymnasium. Shown in the top photo are the graduates after they marched in to "Pomp and Circumstance." Valedictorian Madisan Miller and Salutatorian Jared Lake both spoke to the crowd. Student Council Co-President McKinzie Todd presented opening remarks and F.C.A. President Dakota Molina gave the welcoming speech.

## Local woman arrested for Jackson County bank robbery

**By: Doug Ponder**  
 A Rockcastle County woman was arrested last Saturday for her involvement in a recent bank robbery in Jackson County.

Arrested was Sabrina Nicole Hensley, 29, of Orlando.

According to state police reports, a woman entered Jackson County Bank in Sand Gap around 3:30 p.m. last Thursday. Once inside, the woman walked up to the counter and demanded money from the teller. The woman left the bank with an undisclosed amount of cash and fled in a gold or silver four door car.

The woman was described as wearing a pink or orange shirt and a light colored hat. She was believed to be unarmed. The vehicle she fled in was last seen heading towards Madison County.

Last Saturday, Mt. Vernon Police Assistant Chief Barry Adams received information about some dyed money that was ex-

changed at a local business in Mt. Vernon.

After further investigation, officers traced the dyed money back to Hensley and they also discovered the original dye pack that had exploded in a stack of stolen cash. Hensley had allegedly destroyed some of the money she stole from the bank and also some of the clothing she wore during the robbery.

Officers have also questioned a witness who said Hensley volunteered to perform the bank robbery and that Hensley was the woman who robbed the bank.

The bank robbery is still under investigation by the Kentucky State Police. Officers said Hensley was part of a team that robbed the bank and that more arrest are possible in the future.

Hensley was charged with second degree robbery and tampering with physi-

## Renovations being done to Brodhead baseball fields

**By: Doug Ponder**  
 Major renovations are underway at the little league baseball fields in Brodhead.

County Judge Executive Buzz Carloftis said the county is funding several different renovations to the three baseball fields, all along South Main Street in Brodhead.

Carloftis said that repairs to all three field include: replacing the fences, spreading new infield dirt, replacing foul poles, building a storage building/restrooms near the tee ball field, building covered bleachers for the tee ball field, replacing the backstop at Thacker Field and remodeling the brick bathrooms between the baseball fields and the

fairgrounds.

"All these renovations were much needed for these baseball fields," Carloftis said. "Especially replacing the backstop that was about to break because of extensive water damage that was causing it to rust and break apart in some places. That was becoming too dangerous."

Carloftis said the Rockcastle County Fiscal Court had previously approved the funding of \$100,000 to be used out of the Rockcastle County Fiscal Court Recreational Fund and Occupational Tax funds. He said \$50,000 has to be used by July 1, 2014

## College golfer with Rockcastle ties qualifies for U.S. Open

**By: Doug Ponder**  
 A Vanderbilt Commodore golfer, with Rockcastle County connections, qualified for the U.S. Open on Monday after finishing six under par at the Colonial

Country Club in Memphis, Tenn. Hunter Stewart, 21, of Lexington, finished his two rounds of golf at the Colonial Country Club tied with five other players for the

two remaining spots in the U.S. Open.

During the playoff round, Australian professional golfer Brady Watt made a birdie on the first playoff hole to fill the first spot. Stewart then sank a 15 foot birdie putt on the second playoff hole to claim the remaining spot.

Monday's field at Colonial Country Club consisted of 145 golfers that were playing for 13 spots in the U.S. Open. The tournament is next Thursday, June 12th through Sunday June 15th at the Pinehurst Resort in

Pinehurst, North Carolina. The U.S. Open will also be broadcast on NBC Sports all four days.

Stewart has received several honors as a Vanderbilt Commodore including: 2013 SEC Academic Honor Roll; 2013 Ping All-Southeast Region Team and 2011-2012 SEC First Year Academic Honor Roll.

Stewart is a graduate of Lexington Christian Academy. During his senior season for the Eagles, Stewart

## Dean resigns as District 4 Constable

**By: Doug Ponder**  
 Former Fourth District Constable Richard Dean has

resigned his position. County Judge Executive Buzz Carloftis said he received Dean's letter of resignation on Tuesday morning and that Dean didn't include a reason for his resignation in his letter.

Kentucky state law KRS 63.220 states if a vacancy occurs in a county office then it shall be filled by the county judge executive.

Carloftis appointed and swore-in Fourth District Constable-Elect Donnie Cope on Tuesday to fill Dean's remaining term of office, which expires in De-

## Local woman arrested for meth manufacturing

**By: Doug Ponder**  
 A local woman was arrested for manufacturing methamphetamine last Tuesday after police raided a home on Old Slate Road in Mt. Vernon.

Arrested at the scene was Magnolia Lynn Malicote, 20, of Mt. Vernon.

According to state police reports, officers received an anonymous tip about someone manufacturing meth at the residence.

Once officers arrived, no one was home and they didn't notice anything suspicious. However, shortly after officers left they received another anonymous tip stating Malicote was walking along a fence row behind the residence and that she was allegedly trying to destroy something.

Officers returned to the home where they found five meth labs and various other drug paraphernalia items in a field behind the residence.

Malicote was charged with manufacturing meth-

Well we did it. Last Saturday Loretta and I joined about 25 other members of Team TKO and well over a thousand other people to participate in the annual Step Out Walk To Stop Diabetes in the backwoods at Keeneland Race Track.

The walking trail was purportedly split in two sections; the first being one mile long and the second, two and a half miles long.

Loretta, Mr. Parkinson and I thought we followed the signs for the one mile trail but three days after the fact as I sit here reminiscing the event, I still have my doubts. If, in fact, the trail we followed, was only one mile long, I promise you faithfully that it is easily the longest mile in Kentucky.

Tyler and the rest of our team had finished the walk before Loretta and I topped the first hill. In fact, I'm told that Tyler wanted to start over and come back looking for us. The truth of the matter is that if there hadn't been

some rock walls along the way for me to stop and rest on I probably would not have made it because Mr. Parkinson was doing all he could to hold me down. As it was I spent a lot of the way leaning on Loretta's shoulder.

I know for sure that I have never before seen so many day-glo orange orange and chartreuse running shorts in one gathering nor so many dogs mingled with an otherwise ordinary crowd. There must be something magical about the mutual attraction between dogs and diabetics. One that I will forever remember was a big dog with a lab-like profile except he had a Churchill bulldog head and he was on a long leash being led by a slender young woman who was maybe twenty something. She had a bag full of 16 oz. bottles of water and every few hundred yards the dog would gulp down a whole bottle.

I kept wondering when

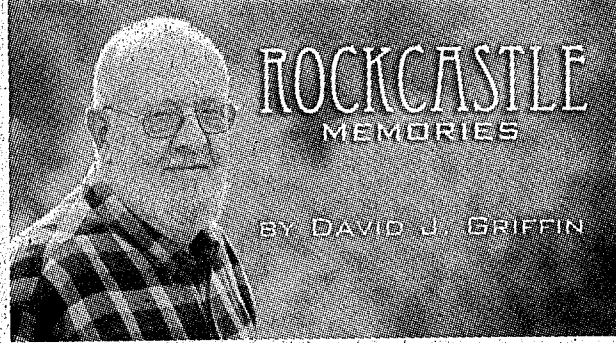

he'd have to stop and pee. He never did. And I'm still wondering where he put it.

We have a "measured mile" beginning at the end of my driveway, going out the end of Charlie Brown Road. Up Old Rail to a designated turnabout, then back down down Old Railroad to the other end of Charlie Brown and Back to the end of my driveway. Four different cars, my pickup and two bicycle odometers show the distance to be exactly one mile. One of the cars was a BMW owned by an arrogant numbskull who believes nothing is as accurate as German engineering.

When the weather and Mr. Parkinson permit, I am fond of walking my measured mile and photographing wildflowers in the weeds and gardens along the way. I can tell you, for sure, that the Keeneland mile was much longer than mine, plus a lot of it was up hill.

Of course I tell my grandchildren that I had to walk over a mile to school on Blair Branch and it was all up hill. Both ways. Actually I did walk a measured mile and one-tenth to Blair Branch Grade School. The distance was measured at one time or another by practically every car on the

### Taking Care of Each Other

When I was young, my mother and I lived with my grandparents, who both were very elderly before they passed away. My grandfather (Pop) was in his eighties, and Mommie Katie lived to be 100 years old.

I remember them having conversations about taking their medications in the evenings before going to bed. I can hear Pop saying, "Katie, did I take my Milk of Magnesia tonight?" Her reply would always be, "Gene, I can't keep up with my own medications, let alone yours!" This give and take would occur almost every evening. Neither of them had any of the daily medication boxes that are available today, and they continued to inquire of each other about their daily doses. At the time, I thought it was quite amusing.

In addition to his anti-acid medication, Pop usually took daily doses of Bayer aspirin, had a glass of prune juice in the morning for his regularity, and applied liniment to his aching muscles. I do not ever remember him having his breakfast without first drinking a glass of prune juice, something that I found to be a thoroughly ill-tasting concoction. I tried it once, and it seems to me that I could not get rid of the taste until it was time for lunch.

Mommie Katie had her own remedies and medicines that she consumed on a daily basis. Hers included Bufferin, Castor Oil, and several other non-prescription drugs.

Now that my wife and I have reached such a stage in our lives, I find that we often ask the same questions of one another. On an at least

semi-weekly basis, Kathy will say, "Dave, did I take my morning pills?" I have to simply reply, "Honey, I don't remember." It is almost a one-way banter because I do not take any prescription medications; I do, however, take Advil for my arthritis and Pepcid AC for my occasional acid reflux. She, on the other hand, has pills for allergies, blood pressure, and a plethora of other non-life threatening conditions. We have now reached the age that we have a difficult time remembering when, or if, we have taken our daily pills. I'm finding that we regularly we have the same kind of conversations that used to take place between Pop and Mommie Katie.

"Dave, did I take my pills today? I can't remember if I took them this morning or not. I think I did, but I am not sure. But maybe I didn't. I remember taking my evening pills last night, but I cannot recall whether I took my pills this morning. Do you remember me taking them? It seems like I did. Can you remember me taking them?"

My answers make about

as much sense as her questions. "Kathy, I cannot say for sure if you took your pills this morning or not. I think you might have taken them while I was getting ready this morning, but I am not positive. Didn't I see you in the kitchen getting your pills out of the cabinet? You usually take yours just before you give the dog his pills, so did you give him his? Did you take them after giving the dog his pills? I really cannot be sure that you took them. I wish you would keep a record if you took them or not. You simply cannot rely on me to know if you took them. Sometimes I can't remember if I took my own or not, so how can I be sure if you took yours?" Someone suggested that we get tattoos on our arms to list the pills that we need to take on a daily basis. RIGHT!

Part of this banter is based on the directions listed on each pill bottle. If you take regular medications, I am sure that you are more than aware of the multiple instructions that the pharmacists list on the containers, such as; take one pill three times per day, take one pill in the morning and one at night, take once a day before eating, take two pills in the morning and one at night, take this pill three times per day with food, take this tablet on an empty stomach, or take this pill three times per day and avoid exposure to the sun. It would take a Master's

**Barbara Gabbard**

Barbara Jean Gabbard, 64, of Walls, MS, died Friday, May 30, 2014 at North Delta Hospice on Goodman Rd., Southaven, MS, from a blood disorder called Myelodysplastic Syndromes.

She was born May 16, 1950 in Berea. Her parents were James and Edna Carpenter who preceded her in death. She has 10 brothers and sisters and seven have preceded her in death. The ones that have left us are baby Ivy, John Carpenter, Tom Carpenter, Edith Moore, Frieda Milburn, Ethel Croucher, and Shirley Robinson. The ones still with us are Geneva Hines, Faye "Pug" King (Dwane) and Margie Dees. She used to talk a lot of the "ole days" and when she went to school that she would have to walk up hill both ways with a skirt on, in 2 feet of snow. I always did get a chuckle out of that. She would even tell her grandkids that story. But she liked spending time with the family. She loved being around her grandkids/great grandkids. They were what kept her going I believe.

She is survived by: her spouse Burton Gabbard Jr. of Hamilton OH; her daughter, Amy Montgomery (Barry) of Walls, MS; her grandchildren, Kelly Gabbard, Ashley Gabbard-Smith, Kristen Collier, Kyndra Gabbard, Taylor Gabbard, Chad Gabbard, Ben Gabbard, Kamdyn Montgomery, and Dylan Montgomery; her great grandchildren are Steven Gluhm, Austin Smith, Kaylynn Gluhm, Lillian Gabbard, Sueanna Smith, Kylee Gluhm, Adam Smith Jr., Gabriel Smith, and Gracelynn Staton.

She lost her two sons within this past 18 months, Matt Gabbard and Chad Gabbard. This was the turning point for her. It was bad enough to lose one, but the loss of two really took a toll on her. She did the best that she could to cope and try to move forward. I think with the illness and her broken heart she finally gave out. She truly loved her family. I do believe that. She tried to keep a smile on her face till the end-even through the pain. When Faye "Pug", Dwane, Margie, and Missy came to see her in the hospital you could tell that filled her heart with joy. She would do her best to stay awake and talk with them. Then when they were leaving her granddaughter Taylor and my friend Tracy came to see her. She was overjoyed. She sat up for a little while talking to them. She was really excited. You could see that she was truly happy. She will be missed greatly by so many. Her shell was hard but when you broke thru that, you got pure heart. I love you Mom. May you rest in peace.

The service will be at Calloway Holiness Church on South Wilderness Rd in Mt. Vernon, given by Pastor, Dennis Doan on Saturday June 7, 2014. The times for the visitation are from 12-2 p.m. with the funeral following at 3 p.m. at Scaffold Cane Cemetery in Roundstone.

We will be having a Celebration of Life gathering afterwards at her sister Faye King's house in Livingston. Please bring covered dish.

**Bobby Ray Hale**

Bobby Ray Hale, 80, of Mt. Vernon, died Saturday, May 24, 2014 at Jewish Hospital in Cincinnati. He was born in Rockcastle County, September 13, 1933, the son of Homer and Sallie Hunt Hale. He retired from General Electric after 30 years as an electronics engineer technician. He was a US Army veteran of the Korean War, a member of the VFW Club, a member of the Masonic Lodge, and was of the Baptist Faith.

He is survived by: his son, Kelly Hale of Mt. Vernon; a sister, Linda (Roger) McClure of Mt. Vernon; and three grandchildren, Emily Cope, Marc Benson, and Eric Benson. In addition to his parents, he is preceded in death by: his wife, Marilyn Hale; a daughter, Cynthia Ann Benson; and three brothers, Elmer, Virgil, and Billy Hale.

Funeral services were conducted Thursday, May 29, 2014 at the Dowell & Martin Funeral Home Chapel by Bros. Luther Allen and Neal Thornton. Burial followed in the Cresthaven Memorial Cemetery.

Pallbearers were: Billy Todd, Teddy Stallsworth, John Hale, Eddie Todd, Bill Parker and Stevie Bradley.

Please visit [www.DowellMartin.com](http://www.DowellMartin.com) to view online obituary.

**Melvin "Ray" Morgan**

Melvin "Ray" Morgan, 75, of Victorville, CA, died Tuesday, May 20, 2014 at his home. He was born October 11, 1938 in Berry, KY, the son of the late John and Sybil Morgan.

Survivors are: his wife of 30 years, Addie K. Morgan of Victorville, CA; one son, Charles E. (Sandy) Morgan of Gilbert, AZ; two daughters, Catheryn R. (Eddie) Anderson, and Christy L. (Terry) McCormick, all of Bardstown; one brother, John Earl (Wanda) Morgan of Paris; two sisters, Betty Jo Carter of Paris and Jeanie (Jim) Crowley of League City, TX; five grandchildren; three great grandchildren; and several nieces and nephews. Besides his parents, he was preceded in death by one sister, Elizabeth Ann LeMaster.

Graveside services were conducted Wednesday, June 4, 2014 at the Maret Cemetery.

Arrangements were by the Cox Funeral Home.

## The American Revolutionary War Patriots of Rockcastle

By Karen Hamm Adams

To celebrate and honor the county's American Revolutionary War Patriots and to enlighten the community about the service and sacrifice of these brave men, on behalf of the Rockcastle Chapter of the Daughters of the American Revolution, I have compiled highlights of the service of the known patriots living in the county and who applied for a pension between the years 1818 and 1842. All information was taken from the patriot's own account from his pension application and other historical documents. More information can be found on each patriot at the local library or the Rockcastle Historical Society. (Copyright pending.) If you are interested in joining the Daughters of the American Revolution, please

contact Debbie Brown (606) 758-8659 or Iris Young (606)256-2851.

**Edward (Dehouse)**  
**Dyehouse**  
**Virginia**

Edward Dehouse was born about 1752 in Virginia (thought to be Louisa County) and died in 1813 during the War of 1812. According to the widow's pension application, Polly Dehouse, Edward's widow gave the following account of his service on 24 December 1849 in Rockcastle Co. KY:

She was the widow of Edward Dehouse, a soldier of Cavalry in the American Revolutionary War who enlisted under Captain Read in Prince William Co. Virginia. He acted a portion of the time as aid to General George Washington and that he was

at the surrender of Cornwallis and also at the Battle of Guilford Court-house. He was in other various battles and continued in the service until its termination. Edward received a discharge from his Commander which was burned up by the burning of Jas Dehouse's house in the year 1816. Polly stated she was married to Edward in Louisa County, VA on 19 June 1782. She stated that Edward died in the service of the War of 1812 near the lakes of Canada in the year 1813 at Colonel Dudley's Defeat near Maumee, OH near Lake Erie, 5 May 1813. (This date is disputed by the information given on the company roll in which he served).

A muster roll from 1776 lists Edward Dehouse- a musician in Lieutenant

Colonel Charles Dabney's Legion. A document in the file states that Edward Dehouse received bounty land for serving as a private for three years.

On 19 January, 1850, Polly Dehouse amended her declaration, adding that she was married to Edward Dehouse by Rev. John Todd, and that Edward served in "Captain John Yantis Company of footmen a drum major commanded by Colonel Dudley & General William Henry Harrison" [War of 1812]. According to the rolls of Captain John Yantis company, Edward died 26 September 1813 at Fort Meigs.

Polly received a widow's pension in the amount of one hundred dollars annually. She died 24 February 1850 of Dropsy in Rockcastle Co. KY. In her application, Polly states that she had eleven children with Edward. Edward also received a land grant for two hundred acres 15 May 1792. Although Edward and Polly are said to have had eleven children, only four are known. The known children of Edward

and Polly are: George Dyehouse (1784VA-26 1869 Lincoln Co. KY) married Mary Polly Adams (1789-1839) on 30 December 1810. He is buried at the Ephesus Baptist Church Cemetery in Lincoln Co. KY. They had ten children: Lucy, Malinda, Sophia, Anderson, George, John, James, David, Nancy and Lucinda. Sarah Dyehouse (VA-16 April 1832 Lincoln Co. KY) married Jesse Carter (1774 NC-24 April 1853 Lincoln Co. KY) on 7 November 1814 Lincoln Co. KY. He is buried at Gum Sulpher Cemetery in Rockcastle Co. KY. They had at least ten children: unknown daughter, Elisha, James, Vincent, Matthew, William Chandler, Elijah, Mary, Zachariah and Jane. James Dyehouse (14 January 1786-2 October 1867) married Margaret Adams (1789-1869) on 14 December 1814. They had at least five children: Willis, Eliza, Elizabeth, David and James. Elizabeth Dyehouse (1795VA-1850 Rockcastle

Co. KY) married Austin Adams (1791-1853) on 24 December 1817 Garrard Co. KY. They had two children: Elizabeth and Samuel. George, James and Elizabeth married the siblings Mary, Margaret and Austin Adams.

Edward Dyehouse is a recognized patriot by the Daughters of the American Revolution.

Degree to keep up with the proper instructions labeled on each bottle.

So to avoid asking each other the multiple questions concerning our medications, Kathy and I have purchased two pill boxes for her morning and evening pills. Now the only problem we have is to remember to keep the boxes filled properly. We are trying to create a weekly "ritual" of filling our containers with the proper medications that we must consume on a daily basis.

Did someone say that these are "the golden years?"

## Time to address misleading information...

This is a letter to the readers of *The Mt. Vernon Signal*. This is written post primary election as I did not wish it to be construed as an endorsement for any candidate since I am a democrat and could not vote in any county election. The sole purpose is to address the many misleading ads run by the organization, which Gary Mason represents, and to offer some rebuttal and condemnation for failing to provide sufficient information to substantiate their allegations.

(1) Mr. Mason apparently takes issue with people accumulating wealth and possessing some degree of influence without which our county would be in much dire economic condition than it is. A reference to a bailout of such individuals is totally inaccurate. The recreation center was experiencing financial difficulties; however, the fiscal court was given the opportunity to purchase the property, in perhaps the most attractive area of Rockcastle County, for pennies on the dollar as to value. This was not the only property being considered. If the purchase had been consummated, not one person or group of persons would have received one cent of compensation or return on investment. The individuals who presently own the facility have the financial wherewithal to support the debt and do not require a bailout. There is a mention of a study, which the Attorney General required to be provided, detailing a \$19.7 million dollar cost, but Mr. Mason does not make this available either. It should be noted a challenge was issued to members of the fiscal court to find a property better suited for their objective, but, as of this writing, they have failed to answer that challenge. Studies have shown the lack of recreational facilities is a contributing factor in failing to attract industry.

(2) Payment of \$1,000 for a swanky dinner with celebrities is relatively cheap promotion of Rockcastle County. The dinner was to promote the Kentucky Music Hall of Fame, situated in Renfro Valley, which provides tourist dollars for the county. This facility could very well have been situated in far eastern Kentucky, which strenuously lobbied for it.

(3) I, for one, have never seen any evidence the Rockcastle Fiscal Court has ever claimed to cure cancer or turn water to gold. If Mr. Mason was denied access to fiscal court records, which are presumed to be open records, he should have contacted the Kentucky Attorney General's office or retained his own attorney to pursue his quest. Given the number of ads run by his organization, money does not seem to present a problem.

(4) Mr. Mason rails about the largest tax increase in county history; however, he fails to provide the numbers to support his claim. I believe by law all real estate must be reappraised on a regular basis and purchase of real estate must be placed on the tax rolls at full purchase price. Personal property taxes, I believe, are assessed at the state level, school taxes are levied by the school board, city taxes by the city council and the library tax is an election decision in Rockcastle County. All of these together may account for tax increases, not just those determined by the fiscal court. One item worthy of note, Rockcastle County's library tax, is the lowest in the Commonwealth of Kentucky, something I am sure that makes Mr. Mason and his associates proud.

(5) Without knowing the circumstances surrounding the Lower Eagle Creek Road, and nothing being provided to justify the claims, I am unable to address this issue. One thing stands out though, it would appear that several fiscal courts provided service to this road, according to Mr. Mason, and may have done so without the knowledge it was indeed private property.

(6) Planning and zoning is indeed a double-edged sword. The fiscal court was criticized for attending a seminar on this subject. If that is accurate, then I compliment them on taking the initiative to become better informed. I believe if Mr. Mason, and members of his group, would take the same initiative, they would see both advantages and disadvantages to planning and zoning. Planning and zoning provides protection for both individuals and businesses and generally helps improve property values all around rather than violating property rights. It can be as strict or liberal as desired. Planning and zoning is generally one of the first things industry, wishing to locate in an area, requires.

(7) Every county in the Commonwealth purchased a chair for that display. There were no complaints I noticed when the fiscal court provided many thousands of dollars for construction of new fire houses, improving the baseball facilities or creating parks.

(8) I am sure Judge Carloff's, and the fiscal court's, contribution to the national debt is miniscule, at best. As for the national debt, it is obvious that Mr. Mason is unaware who actually holds that debt. The social security trust fund holds almost 17% of the national debt with the Federal Reserve Bank, and other governmental agencies hold 24%. Foreign governments hold approximately 35% and state and local governments, mutual funds and individuals, businesses and trust accounts hold the remaining 25%. China only holds 8% of the national debt, with the largest holder being the Federal Reserve Bank. Becoming citizens of China appears unlikely, without the military overthrow of our country.

(9) As for the \$12,000 raise, Mr. Mason again fails to provide the circumstances surrounding this action. It may indeed be exorbitant, but it may have been well deserved. Mr. Mason goes on to insinuate this largesse was being perpetrated by all county politicians and their pals, which I have sincere reservations about as I have never met anyone who has received funds of this nature. I can assure you I have not and I am a pal to several politicians in the county.

(10) Finally, the allegations of the local affluent banker and the institution he works for receiving thousands of dollars in profit in the foreclosure of one of the industrial facilities in the county. Without the bank providing financial backing, it is doubtful if any industry would be willing to locate in the county. I was a bank examiner for 27 years and rarely have I witnessed a bank realizing a profit on foreclosed property. Although the bank is held silent on this topic, I am not and I know, with the attorney fees, unpaid taxes and liens and the sale of equipment and property at fire sale prices, the bank sustained substantial losses, all in an effort to promote industry and employment in Rockcastle.

I know there are some who will take exception to this discourse, but I felt there was a need to address what I perceived as a campaign of disinformation. The disclosure of the mission statement of concerned citizens for a fair government would appear to be directed to the national level rather than local government. I am not sure if this group wishes to revert to the good ole days of the fifties or to move forward in improving the local economy through progressive ideas and their implementation. I do know not one positive endeavor or accomplishment was mentioned by the ads placed by this group, although there are many resulting from fiscal court actions presided over by Judge Carloff's over the past twenty plus years.

holler. I can tell you, for sure, that the Step Out Mile, outdistanced my trek to and from school.

One time when I was in eighth grade and brother Keeter was in sixth, we were in the same room and had the same teacher. An out of state guest was passing through and visiting our school for some reason. Our teacher, Monroe Caudill, was explaining that we had no school bus. To impress his guest, he pointed to me and then to Keeter and said, "Ike and Keith Adams walk a mile each way." Keeter stuck his hand up real high and Mr. Caudill said, "Yes Keith?"

Keeter stood up and said, "Make that exactly a mile and a tenth and sat back down."

Mr. Caudill said "Duly noted Keith. I stand corrected."

Keeter said, "Well I just think a man ought to get things exactly right."

Mr. Caudill just sort of sternly nodded his head but the more I think about it the more I think I've finally figured out why Keeter was not valedictorian of his senior class.

Meanwhile back to Diabetes. I noticed, Monday morning, that daughter Jennifer Ochs, the official Captain of Team TKO and mother of our little champ Tyler Kane who has type 1 diabetes and for whom our team is named, had posted on her Facebook page that we had booked a total \$4,890 at that writing.

Thank you readers! You either donated online or mailed just over half that to either Loretta or me and it's almost double what we did last year. To say that we are humbled is a huge understatement. We hope that you will keep on praying for a cure for this horrible disease that saddles kids like our little Tyler with a terrible burden they'll have to bear for the rest of their lives unless a cure is found.

Several different renovations are underway at the Little League baseball fields in Brodhead. Repairs to all three fields include: replacing the fences, spreading new infield dirt, replacing foul poles, building a storage building/restrooms near the tee ball field, building covered bleachers for the tee ball field, replacing the backstop at Thacker Field and remodeling the brick bathrooms between the baseball fields and the fairgrounds. The renovations started at the beginning of May and are scheduled to be completed sometime this month. Shown above is the new backstop at Thacker Field.

## Castle Village Apartments under boil water advisory

By: Doug Ponder

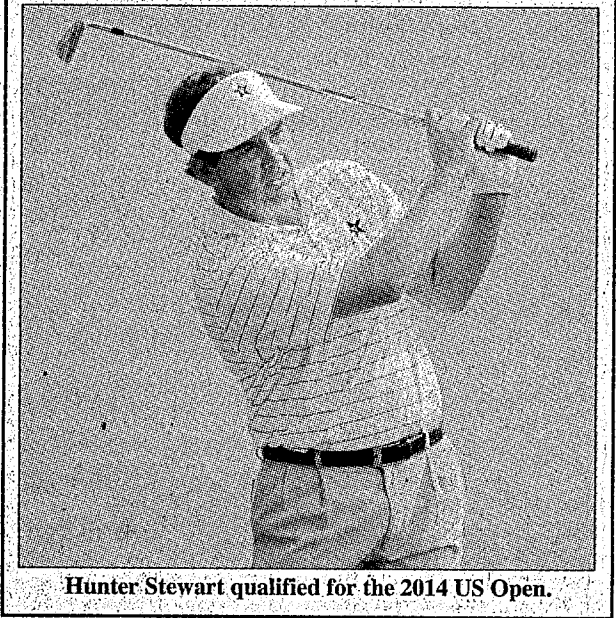

The City of Brodhead has issued a boil water advisory for customers on Castle Village Drive and adjoining side roads until further notice.

Brodhead Water and Sewer employee Bryan Mullins said contractors, working for the county, were replacing the fence for the coach pitch baseball field when they accidentally busted a six inch water main while drilling around 9:30 a.m. on Monday.

Mullins said they didn't receive any complaints from their customers about not having water only received reports from customers that they were losing some water pressure.

"We calculated it and we only lost around 60,000 gallons of water. With a gallon amount that low I don't think anyone was without water," Mullins said. "Some customers did tell us they were losing pressure and we explained to them what happened. We got the water main break fixed in about four hours and everyone had normal water pressure again."

Mullins went on to say the water department had to send water samples to a laboratory to be tested after the water main break was repaired. He said the advisory will be lifted once the required test results are received from the lab.

Hunter Stewart qualified for the 2014 US Open.

reports, officers made the traffic stop after receiving reports of a suspicious vehicle on Maple Grove Road.

Once officers approached the vehicle, they noticed that Carpenter was visibly nervous and he told officers that he had some "dope" inside a needle in his pocket.

Officers found two small plastic baggies containing suspected meth and a loaded needle containing suspected meth on Carpenter at the time of his arrest. Officers also noted that the three items field tested positive for meth.

Carpenter was charged with possession of a controlled substance (methamphetamine) and drug paraphernalia. He was lodged in the Rockcastle County Detention Center and later released on a \$10,000 cash/property bond.

In the second incident, a local man was arrested for meth possession last Thursday after police raided a home on Flat Gap Road in Conway.

Arrested at the scene was Jason Mathew Durham, 35, of Berea.

According to state police reports, officers responded after receiving a complaint of suspected drug activity at the residence.

Once officers arrived, they noticed that Durham appeared intoxicated. He later admitted to officers that he had used suboxone and smoked marijuana.

After searching the residence, officers found a plastic baggy of marijuana and a metal box containing suspected meth. Officers also found a used needle on Durham at the time of his arrest.

Durham was charged with possession of a controlled substance (methamphetamine), possession of marijuana, drug paraphernalia and public intoxication. He was lodged in the Rockcastle County Detention Center where he was later released on a \$5,000 10% bond.

## Proclamation

By: Mike Bryant • Mayor, City of Mt. Vernon

To All To Whom These Presents Shall Come: Whereas, We, as families and supporters, have joined together forming an alliance in order to educate each other and the community and in order to erase the stigma of the community on mental illness and to keep families and consumers informed on treatments and services available for the mentally ill in our communities. NAMI (National Alliance for Mental Illness) Cumberland River is a consumer/family alliance which works closely with Cumberland River Comprehensive Care Center. Now, therefore, I, Mike Bryant, Mayor City of Mt. Vernon, Kentucky, do hereby proclaim May, 2014 as:

### Mental Illness Awareness Month

## Bustle book to be released

It doesn't matter how you spell it either Bustle or Bussell, if your ancestors lived in the Rockcastle, Laurel or Pulaski Counties, you are more than likely a descendant of John and Sallie Evans Bustle. John Bustle, the eldest son of American Revolutionary Patriot Matthew Bussell, came from Claiborne Co. TN and settled in Laurel County. He was the only child of Matthew to leave Tennessee and settle in Kentucky. Descen-

dants are now found in Kentucky, Tennessee, Ohio, Indiana, Illinois, Michigan, Texas and Oklahoma.

Over the past three years, Karen Adams a descendant of John Bustle, has researched the Bustle family tree and has written an extensive book on the Kentucky branch of the Bustle/Bussell line. The book is finally finished and contains over 800 pages of information, over 3,000 photographs and 8,000 names of descendants. Descendant lines include family names such as: Allen, Baker, Bradley, Brown, Bullock, Carpenter, Cope, Doan, French, Griffin, Hansel, Herron, Jones, Kirby, McKinney, Mink, Moore, Mullins, Nicely, Norton, Renner, Southard, Sowder, Thomas, Whitaker and Woodall just to name a few.

Prepaid orders are now being taken for this hardbound book. The cost will be \$60. This will be a onetime printing and copies will be limited. If you are interested in receiving a copy, please contact Karen Adams at (859) 273-9015 or

at adamskaren11@cs.com. Partial proceeds will go to fix and maintain the Bustle Cemetery in which John and Sallie are buried.

## Campbellsville University honors 166 teachers for excellence in teaching

By Joan C. McKinney, news and publications coordinator and Mikayla Smith, student news writer

Campbellsville University honored 166 teachers from 58 school districts throughout Kentucky, including three from Rockcastle, by receiving the Campbellsville University Excellence in Teaching Award Saturday, May 10th at the Rainsdell Chapel on the CU campus.

Bill Goodman, host of "Kentucky Tonight" and "One to One" on Kentucky Educational Television, spoke to the approximate 400 teachers and their guests by discussing "What is a teacher for?"

Goodman told several stories of successful people including Jesse Stuart, Pearl Arredondo, Ramsey Musallam, Adam Braun and Marina Keegan, all of whom brought their talents to make the world a better place.

Goodman said these people had inspiring teachers in their lives who taught them to write, to "get it right" instead of "getting it wrong," were driven and had passion, had curiosity, life changing experiences and intense reflection.

One story was of Adam Braun, who made the world his classroom by going throughout the world asking one child per country he visited. "If you could have anything in the world, what would you want most?" The children from Hawaii, to Beijing and Vietnam, wanted to dance, to have a book and to have their mother be healthy.

But one little boy, a street beggar in India, wanted a pencil. Braun gave him a No. 2 yellow pencil, and Braun thought, "Could something as small as a pencil, the foundation of an education, unlock a child's potential?"

Today, his non-profit organization has built schools in Africa, Asia and Latin America and delivered over 5 million educational hours to children in poverty. In 2012, he was named to the Forbes "30 Under 30 List."

Goodman quoted Jesse Stuart who said, "We are fortunate to be born in America. Teaching is a calling in the old fashion pulpit sense... teaching is spiritual and has to do with values, with how we choose to live our lives.

"As a teacher, I have tried to go beyond the textbooks into the character - stressing honesty, goodness and make each life count for something."

Goodman told the teach-

ers that our children and grandchildren depend on them every day, and "You are to be honored and congratulated much more than you are."

In conclusion, he asked all the teachers to stand and recite together: "I am a teacher! I am to be honored and lifted up every day! I am to be celebrated! I am a teacher."

Dr. Michael V. Carter, president of Campbellsville University, told the teachers he was proud of them and that education is the "most powerful force on the planet."

"Teaching is the first of all disciplines," he said. "Thank you for the outstanding job you do for us."

He quoted Titus 2:7 that says: "Show yourself in all respects to be a model of good works, and in your teaching show integrity, dignity, and sound speech..." He said the teachers being honored embody those traits.

Dr. Donna Hedgepath, dean of the School of Education, quoted; "Teaching is a profession that creates all others." She said she taught 10 years in the public school system, and "I really do respect your work."

Cyndi Crowder Chadwick, a 2006 graduate of CU, led her 3rd grade Campbellsville Elementary Choir in two songs.

Dr. John Chowning, vice president for church and external relations and executive assistant to the president, told the teachers he "commended" them before he introduced Goodman.

Dr. Frank Cheatham, senior vice president for academic affairs, Dr. Chuck Hamilton, associate professor of education and chair of the undergraduate program at CU, and Hedgepath presented the certificates to the teachers before a luncheon in Winters Dining Hall.

Campbellsville University began the Excellence in Teaching Awards Program in 1987 with assistance from Earl Aaron and the Ward, Cundiff and Aaron Memorial Fund. The purpose of the program is to recognize the quality teaching and learning taking place in the school systems throughout Kentucky.

Through the awards program, CU presents certificates to teachers in each grade level [preschool/elementary (P-five), middle grades (six to eight) and high school (nine to 12)] as selected by their school districts.

In a service project for their community, a group at Rockcastle Middle accepted items to donate to the county's local homeless shelter, Ashlee's House. The students collected personal items for residents, including toiletry and personal items, and art supplies for children. Shown accepting the donation is Mrs. Holly Bryant of the Daniel Boone Community Action Agency, along with Maggie Phillips, Gabe McGuire, Byron Abney, Sabrina Singleton, Kayla Ginter, Courtney Slusher, Jacob Slusher, Pate Bullock, Curtis Meyer, Gabe Robinson, Brandon Smith, Michael Rowe, Kenneth Meade, Nikki Chasteen, and Denise Haddix. Not pictured are Charlie Mink and Jodi Daugherty. They would like to thank staff members Leshia Cromer, Vanessa Bullock, Bonnie Stewart, Angie Payne, Jennifer Cook, and Melissa Benson for helping with donations.

## Anderkin gives keynote address during UNITE year-end celebration

Members of Operation UNITE's Service Corps (AmeriCorps) program were lauded for their exceptional work to keep youth on a drug-free path during an end-of-the-year celebration on Friday, May 23.

"The brilliance of the UNITE Service Corps is (that they are able) to take a proactive approach," said Aaron Anderkin, who served as chairman of the Kentucky Commission on Community Volunteerism and Service (KCCVS) from 2010-12. "You help, not for recognition, but because you realize the urgency of the moment."

KCCVS is responsible for coordinating the AmeriCorps program across Kentucky.

"UNITE has been the catalyst in this region," Anderkin stated. "They are able to activate the power of its greatest resource - it's people."

Anderkin, a 2003 graduate of Rockcastle County High School, was appointed

in 2005 by then-Gov. Ernie Fletcher as KCCVS Youth Commissioner and was re-appointed two more three-year terms to an at-large Commission seat by Gov. Steve Beshear. In addition to serving as chairman, he has spent the past seven years on the Commission's Program Committee.

"Youth here have as much of an opportunity to live the American dream as anyone else in the country," Anderkin told the Service Corps members, but noted the drug epidemic has been a big hurdle.

The work you do "is emotional," Anderkin said. "I've seen some pretty dark clouds. Addiction cost my father his life. I truly learned what real empathy looked like."

Operation UNITE employed 44 full-time AmeriCorps members to serve 42 schools in 11 counties as part of its Service Corps initiative during the 2013-14 school year.

AmeriCorps members provide math tutoring, teach the "Too Good for Drugs" and "Healthy Futures/Take 10" wellness curriculums, and coordinate anti-drug UNITE Clubs. In addition, members provide thousands of hours of volunteer ser-

vice and recruit volunteers for school prevention activities.

Although the final numbers are not yet available, this year UNITE Service Corps members have tutored approximately 2,800 students in math and taught drug resistant education to more than 2,500 fourth and fifth grade students.

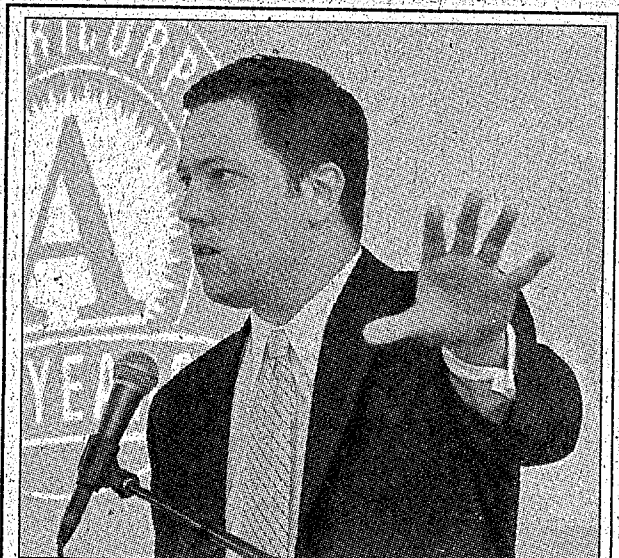

Eugene Newsome, who oversees the UNITE Service Corps initiative, said mid-term reports indicate

significant growth in the number of students being tutored in math and that 83.5 percent have improved at least 30 percent since the start of the year.

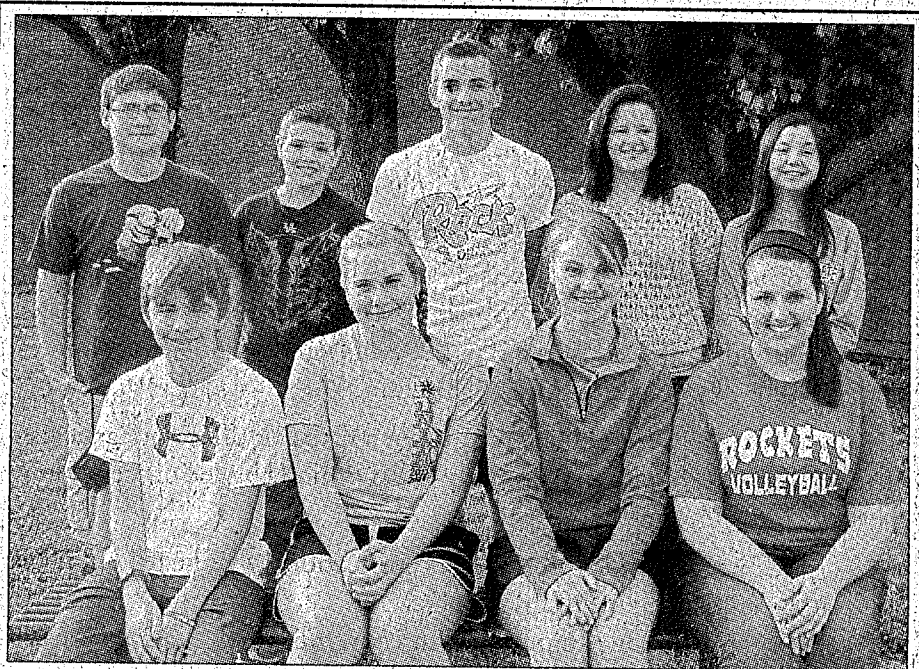

In addition, average drug education knowledge increased by 40 percentage points, Newsome said.

While the statistics are impressive, Anderkin said the most powerful messages are the testimonials about

Aaron Anderkin, a Rockcastle County native and past chairman of the Kentucky Commission on Community Volunteerism and Service, emphasizes a point while delivering the keynote address at the UNITE Service Corps Year-End Celebration on May 23 at the Mountain Arts Center in Prestonsburg.

These students were recently recognized at RCMS for academic achievements. Standing are students who qualified for state recognition as part of the 7th grade Duke University Talent Identification program. Benton Kuntz, Cole Ballinger, Evan Hendrickson, Shelby French and Zoe Burdette had qualifying scores on one or more parts of the ACT. Seated are 8th graders who were selected from among many student applicants in Southeastern Kentucky to participate in the Rogers Explorers program. Jackson Cromer, Rebekah Lake, Maggie Franklin and Carlee Cash will spend time this summer at one of Kentucky's Universities building their leadership and academic skills. We are proud of all of these academic achievements.

individual successes that are making a difference.

"The UNITE Service Corps is laying a foundation. We're saving lives," said Nancy Hale, co-program director. "We have to equip students with knowledge that they are in charge of their choices. Many of them, at the age of nine or ten, have already seen (the effects of substance abuse) first hand."

"You may never know the impact you're making in someone's life," Hale added.

## Difference Makers

Five Service Corps members "who have given 110 percent to the students

and schools they serve" were presented "Hal Rogers Difference Maker" awards during the celebration.

These awards, named for U.S. Congressman Harold "Hal" Rogers, recognize "the tireless efforts of people in southern and eastern Kentucky who go above and beyond the call of duty to make a life-changing impact in our region."

Adam Rice, Prestonsburg field representative for Congressman Rogers, presented the awards to:

•CaSondra Casey, Majestic Elementary in Pike County.

•Stacy Johnson, Campton Elementary School in Wolfe County.

•Jeremy Smith, James A. Cawood Elementary School in Harlan County.

•Arlina Spencer and Amy Spicer, Highland Turner Elementary School in Breathitt County.

## Young Leaders

Students from Majestic Elementary were recognized during the luncheon for their outstanding efforts in the Pike County Young Leaders Program.

Receiving the awards for their excellence in participation, community service, and scrapbook were Haley Clark, Bobbie Hurley, Paige Kirk and Jasmine Prater.

Kelli Thompson, Gifted and Talented coordinator for the Pike County Public Schools, said every middle school in the county participated in this year's program.

## INSPECTION PERIOD

### FOR THE PROPERTY TAX ASSESSMENT ROLL

The Rockcastle County real property tax roll will be opened for inspection from June 9 through June 23, 2014. Under the supervision of the property valuation administrator or one of the deputies, any person may inspect the tax roll.

This is the January 1, 2014 assessment on which state, county and school taxes for 2014 will be due about September 15, 2014.

The tax roll is in the office of the property valuation administrator in the county courthouse and may be inspected between the hours of 8:30 and 4:00.

Any taxpayer desiring to appeal an assessment on real property made by the PVA must first request a conference with the PVA or a designated deputy. The conference may be held prior to or during the inspection period.

After the conference with the PVA or designated deputy, any taxpayer still aggrieved by an assessment on real property may appeal to the county board of assessment appeals.

The taxpayer can appeal his assessment by filing in person or sending a letter or other written petition stating the reasons for appeal, identifying the property and stating the taxpayer's opinion of the fair cash value of the property.

The appeal must be received in the county clerk's office no later than one work day following the conclusion of the inspection period.

A taxpayer failing to appeal to the county board of assessment appeals, or failing to appear before the board, either in person or by designated representative, will not be eligible to appeal directly to the Kentucky Board of Tax Appeals.

Appeals of personal property assessments shall not be made to the county board of assessment appeals. Personal property taxpayers shall be served notice under the provisions of KRS 132.450(4) and shall have the protest and appeal rights granted under the provisions of KRS 131.110.

The following steps should be taken when a taxpayer does not agree with the assessed value of personal property as determined by the office of property valuation administrator.

- (1) He must list under protest (for certification) what he believes to be the fair cash value of his property.
- (2) He must file a written protest directly with the Department of Revenue, Office of Property Valuation within 30 days from the date of the notice of assessment.
- (3) This protest must be in accordance with KRS 131.110.
- (4) The final decision of the Department of Revenue may be appealed to the Kentucky Board of Tax Appeals.

**JROTC Service Learning project...**

The Rockcastle County High School JROTC Battalion recently participated in an annual community Service Learning project on Main Street at the Ashlee House. A Service Learning project is where Cadets from our battalion go out into the community to participate in community service projects to broaden their horizon and gain real world experience. The Ashlee House is a homeless shelter that's goal is to provide help to families in need and help get them back on their feet. A team of eighteen dedicated Cadets cleaned and restocked three separate apartment units. These Cadets selflessly gave their time to scrub, clean, and enhance the appearance of these units. Cadets who participated were: Holden Abrams, Addison Atkin, Megan Boggs, Jeremiah Caudill, Ame Chiantaretto, Becka Davidson, Jodi Hellard, Tiffany Horn, Marybeth Hurst, Shania Lawson, Will Martin, Desiree Mason, Katlyn Mcgee, Shawn Osborne, Samantha Skinner, Derek Wynn, David Wynn and Derick Yates.

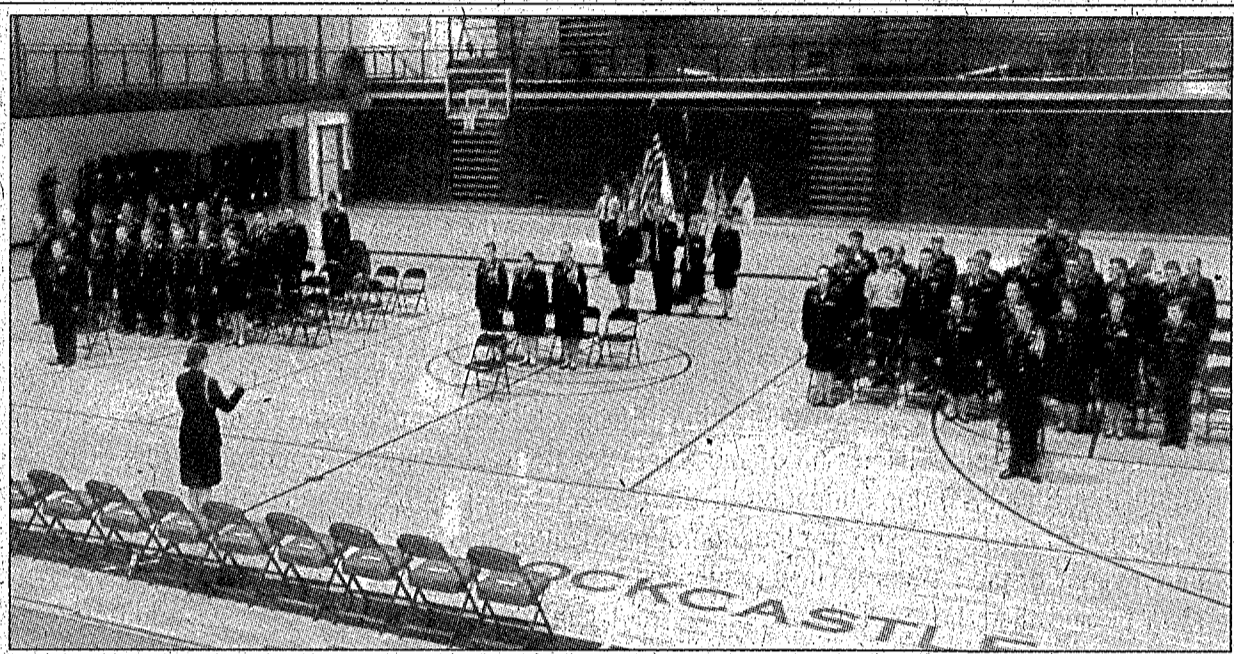

**Community Scholarship Winners**

Lyndsy Abel received the Community Trust Community Scholarship - \$1000.

Kellan Coffey received the Citizens Bank Community Scholarship - \$1000.

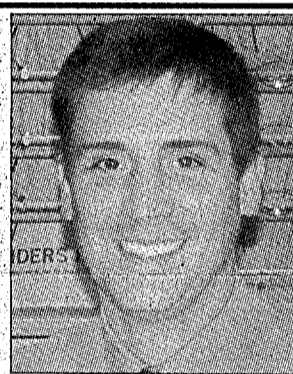

Bobbie Hopkins received the Rockcastle Regional Wayne Stewart Community Scholarship - \$1000.

**JROTC Award Ceremony...**

On May 13th the Rockcastle county JROTC Battalion held their 19th annual Award ceremony. The award ceremony is an event where cadets are recognized for Academic Achievements, military excellence, and overall performance. After being recognized each receiving cadet is presented an award from a panel of honorable guests. The award presenters consisted of a group ranging from military personal to Rockcastle County School's staff and teachers. Concluding the awards ceremony the new Battalion Commander was promoted and the change of command ceremony was conducted. Cadets who participated were: Holden Abrams, Jay Anderson, Mark Anderson, Logan Anglin, Addison Atkin, Daniel Aymx, Andrew Barrett, Victoria Barron, Marina Blevins, Stephen Blevins, Megan Boggs, Roy Bowman, Kamryn Brinegar, Kayla Brockman, Amber Brown, Jeremiah Caudill, Victor Chasteen, Ame Chiantaretto, Bentley Collins, Jacob Collins, Samantha Collins, Valerie Cummins, Becka Davidson, Robert Davis, Dillion Doan, Jacob Durham, Josh England, Kendra Engle, Ethan Fain, Luther Garret, Dustin Gentry, Johnathan Gray, Brandon Hammond, Dana Hatfield, Jodi Hellard, Tim Henson, Majestic Hines, Tiffany Horn, Raymond Howard, Robbie Howard, John David Hurley, Marybeth Hurst, Dylan Isaacs, Manuel Jaramillo, Jett, Sean Johnson, John-Tyler Langford, Jett Logan, Shania Lawson, Brianna Lay, Sarah Lowery, Ryan Martin, Will Martin, Desiree Mason, Katlyn Mcgee, William Merritt, Dakota Messenger, Chris Morrow, John Mullins, Shawn Osborne, Aaron Pevely, Zachary Pheanis, Christopher Powell, Caleb Price, Austin Ramsey, Amber Rice, John Robinson, Serena Shackelford, Andrew Sizemore, Samantha Skinner, Kayla Smith, Victoria Smith, William Smith, Nicholas Spicer, Courtney Spires, Abigail Stevens, Katherine Stevens, Trevor Sweet, Rodney Thacker, Noah Trump, Jacob Wade, Adrienne Walker, Keavin Webb, Matthew Westmoreland, Brittany Wright, David Wynn, Derek Wynn and Derick Yates.

The 2014 Rockcastle County Chamber of Commerce Scholarship recipient is Devin Poynter. Devin is the son of Dwight and Carmen of Mt. Vernon. He has been accepted into the EKU Honors Program where he will major in Pre-Pharmacy. He is ranked 29 out of 175 students in the Class of 2014. Devin has completed many hours of community service including his service as an usher at Mt. Pleasant Baptist Church, member of the youth group and through his own experiences served as a resource to other children and teenagers who have been diagnosed with Type I Diabetes. He is involved with the American Diabetes Association and was selected as a mentor to middle school students who were transitioning to high school as part of the Berea College Gear Up FAST Program, "Families and Schools Together". In addition, he has been a member of the Rockcastle Bass Fishing Team participating in local, regional and state tournaments.

While Devin's schedule has been full with academics, service, and extra-curricular activities, he has also been an employee at Rockcastle Regional Hospital serving as an assistant in the business office for the past two years, working after school and during the summer months. He reports daily to the business office where he performs a number of key functions including scanning, computing, and reporting of bad debt for cost reports. Nick Bastin of Rockcastle Regional shared "Devin has proven to be a very dependable, focused individual who values teamwork and a strong work ethic. He performs at a high level and has earned a worthy respect from his peers and colleagues."

**Invitation to Bid**

The following is an invitation to bid on the harvesting of the hay from the property belonging to the Rockcastle County Industrial Development Authority (RCIDA) located on Hwy. 150 known as Rockcastle Business Park South for a one time harvest in June 2014. The subject property is approximately 50 acres. The contract will be awarded to the highest per acre bidder (based on 50 acres). The contract for the hay is subject to the following terms and conditions:

1. The hay must be cut 1 time in June 2014.
2. Once the hay is cut it must be moved from the field within 2 weeks (weather permitting)
3. Any area that cannot be mowed for hay, must be bush hogged within 2 weeks.
4. No member or direct family member of the Rockcastle County Industrial Development Authority or the Rockcastle County Fiscal Court is eligible to bid on the contract
5. In the event the RCIDA sells a portion of the property to an industrial prospect in the middle of the contract, the person awarded the contract would be refunded monies on a pro-rata basis. Example: the person awarded the contract bids \$1 per acre and has paid the RCIDA \$40 and hasn't cut the hay yet. The RCIDA sells 10 acres, the person awarded the contract would be refunded \$10 or if the hay had been cut once the person would be refunded half of the pro rata amount or in the case of this example \$5.
6. The successful bidder will be required to pay the contract amount in full by June 13, 2014.
7. Incomplete bid sheets, unsigned bid sheets or bid sheets that are returned not sealed in an envelope will not be accepted.
8. All bid sheets should be sealed in an envelope and returned to Attention: Holly Hopkins, Executive Director, Rockcastle County Industrial Development Authority at the Rockcastle County Industrial Development Authority Office located on the 3<sup>rd</sup> floor of the Rockcastle County Courthouse by 1:00 p.m on Monday, June 9, 2014. Bid sheets should be returned in person. If nobody is in Industrial Development office, please leave at the County Judge/Executive's office on the 2<sup>nd</sup> floor.
9. The bids will be opened at 1:15 p.m. on Monday, May 9, 2014 by Holly Hopkins. The successful bidder will be notified via contact information provided below.
10. In the event that the successful bidder becomes in default of one of the above mentioned terms and conditions at any time during the term of this contract, the contract will be taken from that person and awarded to the next highest bidder.

I \_\_\_\_\_, agree to all of the terms and conditions  
(Print name)

listed above and I bid and agree to pay \$ \_\_\_\_\_ per acre for the 50 acres of hay.

Signature \_\_\_\_\_ Date \_\_\_\_\_

Phone Number \_\_\_\_\_ Address \_\_\_\_\_

\*\*This bid sheet must be completed and returned by 1:00 pm June 9, 2014. Incomplete bid sheets, unsigned bid sheets or bid sheets that are returned not sealed in an envelope will not be accepted. The RCIDA reserves the right to reject any or all bids and to choose the bid that is most advantageous to the RCIDA.

## ORDINANCE NO. 5-13-14

AN ORDINANCE APPROVING A LEASE FOR THE FINANCING OF A PROJECT; PROVIDING FOR THE PAYMENT AND SECURITY OF THE LEASE; CREATING A SINKING FUND; AND AUTHORIZING THE EXECUTION OF VARIOUS DOCUMENTS RELATED TO SUCH LEASE.

WHEREAS, the governing body of the County of Rockcastle, Kentucky (the "Lessee") has the power, pursuant to Section 65.940 et seq. of the Kentucky Revised Statutes to enter into lease agreements with or without the option to purchase in order to provide for the use of the property for public purposes;

WHEREAS, the governing body of the Lessee (the "Governing Body") has previously determined, and hereby further determines, that the Lessee is in need of the Project, as defined in the Lease hereinafter described; and

WHEREAS, the Governing Body has determined and hereby determines that it is in the best interests of the Lessee that the Lessee enter into a Lease Agreement (the "Lease"), to be administered by Kentucky Association of Counties Leasing Trust (the "Program Administrator") and funded by the bank, financial institution or finance corporation offering the best interest rate and terms (the "Lessor"), as selected by the Judge/Executive upon the advice of the Program Administrator, for the leasing by the Lessee from the Lessor of the Project.

NOW THEREFORE, BE IT ORDAINED BY THE FISCAL COURT OF THE COUNTY OF ROCKCASTLE, KENTUCKY, AS FOLLOWS:

**Section 1. Recitals and Authorization.** The Lessee hereby approves the Lease Agreement (the "Lease"), in substantially the form presented to this Governing Body. The recitals to this Ordinance are incorporated herein as if set forth in this Section in their entirety and are hereby found and determined to be true and correct. It is further found and determined that the Project identified in the Lease is public property to be used for public purposes, that it is necessary and desirable and in the best interests of the Lessee to enter into the Lease for the purposes therein specified, and the execution and delivery of the Lease and all representations, certifications and other matters contained in the closing memorandum with respect to the Lease, or as may be required by the Lessor prior to delivery of the Lease, are hereby approved, ratified and confirmed. The Judge/Executive and Fiscal Court Clerk of the Lessee are hereby authorized to execute the Lease, together with such other agreements or certifications which may be necessary to accomplish the transaction contemplated by the Lease.

**Section 2. General Obligation Pledge.** Pursuant to the Constitution of the Commonwealth and Chapter 66 of the Kentucky Revised Statutes, as amended (the "General Obligation Statutes"), the obligation of the Lessee created by the Lease shall be a full general obligation of the Lessee and, for the prompt payment of the Lease Payments, the full faith, credit and revenue of the Lessee are hereby pledged. During the period the Lease is outstanding, there shall be and there hereby is levied on all the taxable property in the Lessee, in addition to all other taxes, without limitation as to rate, a direct tax annually in an amount sufficient to pay the Lease Payments on the Lease when and as due, it being hereby found and determined that current tax rates are within all applicable limitations. Said tax shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers in the same manner and at the same time that taxes for general purposes for each of said years are certified, extended and collected. Said tax shall be placed before and in preference to all other items and for the full amount thereof; provided, however, that in each year to the extent that the other taxes of the Lessee are available for the payment of the Lease Payments and are appropriated for such purpose, the amount of such direct tax upon all of the taxable property in the Lessee shall be reduced by the amount of such other taxes so available and appropriated.

There is hereby established, or it is acknowledged that there has heretofore been established, with the Lessee a sinking fund (the "Sinking Fund"). The funds derived from said tax levy hereby required or other available taxes shall be placed in the Sinking Fund and, together with interest collected on the same, are irrevocably pledged for the payment of all obligations issued under the General Obligation Statutes and all Tax Supported Leases, as defined in the General Obligation Statutes, including the Lease herein authorized, when and as the same fall due. Amounts shall be transferred from the Sinking Fund to the Lessor at the times and in the amounts required by the Lease.

**Section 3. Administration of the Lease.** The Kentucky Association of Counties Leasing Trust is hereby acknowledged to be the program administrator under the Lease.

**Section 4. Severability.** If any Section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such Section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.

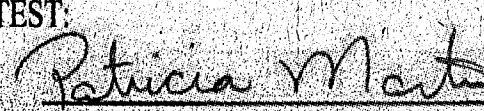

**Section 5. Open Meetings Law.** This Governing Body hereby finds and determines that all formal actions relative to the adoption of this Ordinance were taken in an open meeting of this Governing Body, and that all deliberations of this Governing Body and of its committees, if any, which resulted in formal action, were in meetings open to the public, in full compliance with applicable legal requirements.

**Section 6. Conflicts.** All ordinances, resolutions, orders or parts thereof in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed and the provisions of this Ordinance shall prevail and be given effect.

**Section 7. Effective Date.** This Ordinance shall take effect from and after its passage and publication of a summary thereof, as provided by law.

INTRODUCED, SECONDED AND ADOPTED, at a duly convened meeting of the Governing Body, held on 28, 2014, after first reading held on May 13, 2014, signed by the Judge/Executive of the Lessee, attested by the Fiscal Court Clerk, filed and indexed as provided by law.

**Thinking About Cleaning Your Carpet? Some things to think about...**

What is the best way to clean my carpet, should I use the old technology of steam cleaning or the new technology of dry foam?

Test results from Consumer Report, 2008.

**Option 1: Steam Cleaning-How does it work?**  
 A. Steam Cleaners saturate your carpet and floor pad with hot (150\* degree) soapy water containing lye and bleach to help dissolve stains.  
 B. After your carpet reaches its maximum saturation point the solution is then extracted by means of a commercial shop vacuum. The results: Removes less than 20% of the soil from the carpet driving the remainder down deeper into the carpet fibers. The lye/bleach solution used by steam cleaners to dissolve stains fades carpet colors. Drying time is 1 to 5 days depending on the carpet texture. As a result of the water saturation, carpet fibers harden and the floor pad remains damp, which promotes bacteria growth and mildewing, causing carpet threads to rot, shorting the life of your carpet. Carpet manufacturers recommend that you do not steam clean carpets.

**Option 2: Dry Foam-How does it work?**  
 C. Carpet fibers are agitated with carpet combs to separate the fibers loosening dirt particles, which are then dry cleaned with an industrial strength vacuum.  
 D. The carpet is then shampooed with horse hair brushes using Dry-Foam lather, a solution that contains six different cleaners and fabric softener, color brightener, deodorizer, disinfectant, crystalline agent, scotch guard, & degreaser. Does not contain lye or bleach.  
 E. Carpet fibers are then groomed to fluff up worn walk areas to give a uniform look to the carpet.  
 The results: Removes over 90% of carpet soil. Rejuvenates and brightens colors and patterns of carpets. Drying times is less than 2 hours. Floor pads remain dry. Fabric Softener makes carpets soft again-Promoting the life of the carpet.  
 Carpet manufacturers recommend Dry Foam to clean Carpets.

## Thank You

I would like to thank everyone for their vote and support in the Primary Election for Magistrate in the 5th District. Everything everyone did is appreciated.

--Michael L. Smith

Local students Harley Davidson and Micheal McCauley with Ken Fannin, RATC Automotive Instructor at the Kentucky state Ford AAA hands-on competition held at the KY Speedway in Sparta.

## Local students compete in Ford competition

On Feb. 14th, nine juniors and 10 seniors from the Rockcastle Co. Area Technology Centers Automotive program participated in the Ford AAA Student Auto Skills on-line exam. Those students scored in the top ten of 50 Area Technology Centers from the state of Kentucky. Two of the highest scoring students, Harley Davidson (senior) and Micheal McCauley (junior), won the right to compete at the Kentucky state Ford AAA hands-on competition held at the KY Speedway in Sparta on May 7th and 8th. The top ten teams started the competition at 9:30 am on Thursday morning. The cars used for the competition were ten 2014 Ford Fiestas that had identical electrical and electronic problems that had to be repaired within one hour and thirty minutes. Both Harley and Micheal plan on making careers in the automotive and racing industries.

Mr. Kenneth Fannin, RATC Automotive Instructor said, "this competition is really tough and I have had several teams compete since 2004. Harley and Micheal had the right attitude and determination to compete. "Only five other teams made it to final judging and only two of those teams have a perfectly repaired car. Rockcastle came in at ninth place." Mr. Fannin said, "I am very proud of these two fine young men because they never gave up and kept on trying their best to find all of the problems. When I asked them if they had learned anything they both said." "Yes, an hour and a half goes by really fast when you are concentrating on finding and repairing complex problems with today's modern automobiles".

Rebecca Martin was among 186 students who graduated from Davis & Elkins College on May 17 during the 105th Commencement Ceremonies at the outdoor Claude King Davis Memorial Plaza. Martin, a daughter of of James Martin of Mount Vernon, received a Bachelor of Science in biology, cum laude.
